## Old Business – Project Updates

- Project Updates – The trail at 123<sup>rd</sup> and Mission Road is nearing finished. Retaining wall staining, split rail fencing, final grading and hydro-seeding are the main tasks remaining. The recent rainy weather has slowed progress. If rain is in the forecast, wall staining is tabled because the blocks need to be dry during the application process.
- The project should be completed by the end of June, first of July.

## New Business

- Discuss bicycle and pedestrian routes recommended in the draft master plan. – The committee discussed the upcoming work session and the timetable for the latest draft to be available for their review. Brian advised the draft should be available June 27<sup>th</sup>.

The committee discussed having a group bicycle routes and decided to set up a group ride for everyone that could make it. The date and time will be emailed to the committee. Police dept. traffic and bike unit will ride along.

Bob Crowell will test ride the routes south of 135<sup>th</sup> and report findings.

Bill Blessing will test ride the routes from I-435 to 135<sup>th</sup>.

Alicia Jennings will test ride routes from Somerset to I-435.

Bill Day was very familiar with the trail system.

Pete Stover will test ride the central area of the city and any areas others can't cover.

### + Adjourn

- The next meeting date will be the night of the work session unless deemed necessary to discuss the draft master plan prior to.
