Charter Ordinance Procedure

✓ Vote. Must be passed by a 2/3 vote of the governing body. Thus, a governing body made up of 5 councilmembers and 1 mayor, would need 2/3 of 6 (or 4) votes to pass a charter ordinance.

✓ Mayor Vote. Because the term "governing body" includes the mayor, the mayor has an original vote on charter ordinances. The mayor may not veto a charter ordinance.

✓ Publication. Must be published once each week for two consecutive weeks in the official city newspaper.

✓ Waiting Period. There is a 60-day period after publication of the charter ordinance to allow time for the public to petition for a referendum on the matter. If there is no petition filed during this period, the charter ordinance becomes effective on the 61st day after publication.

✓ Petition. A petition is sufficient if 10% of the number of electors who voted in the last regular city election sign.

✓ Election. If a sufficient petition is filed during the 60-day period, an election is held and the charter ordinance becomes effective only if a majority of the electors vote in favor of it.

✓ Certification. The city clerk must send a copy of all passed charter ordinances to the Secretary of State's office.

A defeat of the proposed charter ordinance at the polls does not in any way affect the governing body's ability to later pass other charter ordinances, even one identical to the defeated one. The governing body does not have to wait for a protest petition before it holds an election on whether to adopt a charter ordinance. If the governing body wants to hold such an election, it just passes an ordinance setting a date to vote on the charter ordinance. In such a case, the charter ordinance will become effective if it receives a majority vote of the people. A charter ordinance can only be amended or repealed by another charter ordinance. The detailed procedure for passing a charter ordinance is set out in Art. 12, §5(c) of the Kansas Constitution.

WHEREAS, the Governing Body has determined that it would be in the public interest to change the terms of elected city offices from two year terms to four year terms;

WHEREAS, the Governing Body also has determined that it is in the public interest to continue the practice of staggering the terms of councilmembers of each ward so that no councilmembers from the same ward shall have coinciding terms;

WHEREAS, in order to transition from two year terms to four year terms without interfering with the current terms of office of elected officials, it is necessary to have the 1999 elected officials serve terms of three years; and

WHEREAS, to make such change it is necessary to repeal Leawood charter ordinances numbers 6, 13, and 21, and also to make inapplicable the provisions of K.S.A. 13-304 and 25-2107 and to provide substitute provisions for such, which the City may do in accordance to its home rule powers as authorized by the Constitution of the State of Kansas;

Re: Primary elections charter ordinance

Dear Martha:

As we discussed some time ago, it appears that the City’s charter ordinance pertaining to primary elections is not enforceable.

As we set forth in our letter of January 25, 1995, the Attorney General has opined that the only way to charter out of the statutory primary election requirements is to charter out of the non-partisan election requirements. Since we have not done that then the provision of the charter ordinance pertaining to primary elections should, at this point, be considered invalid. Thus, if more than two candidates register for any position in the upcoming election, then the City will need to have a primary election.

We are in the process of drafting an amendment to the charter ordinance to reflect this situation. Please contact me if you have any questions.

Very truly yours,

Re: Primary Elections

Dear Martha:

You have asked that we review the issue of holding primary elections in the City. You referred to us a recent attorney general opinion, along with the City’s charter ordinance exempting the City from primary elections. As we discussed by phone, our review of the statutes and the attorney general opinions leads us to the conclusion that the City probably should hold a primary election when there are three or more candidates for a seat.

K.S.A. § 25-2108a provides that there "shall be a primary election of city officers" unless there are fewer than three candidates for one position." This statute is uniformly applicable to all cities. One Attorney General Opinion implies that the primary requirements of 25-2108a will not apply to those cities who charter out of K.S.A. § 25-2113. K.S.A. § 25-2113 mandates that all city elections shall be non-partisan except for those elections held in first class cities in Johnson County. The exception obviously makes K.S.A. § 25-2113 non-uniform and subject to charter ordinance. The Attorney General Opinion states:

in the absence of ... an ordinance which would allow partisan elections, the general provisions of K.S.A. 1984 Supp. 25-2108a concerning primary elections continue to apply.

The practical application of the attorney general’s opinion is that a city may charter into partisan elections and thereafter charter out of primary elections. However, we question this rule. Because 25-2108a is clearly uniformly applicable in its requirement of a
primary election, it should not matter whether an election is partisan; there still must be a primary.

In summary, Leawood should plan on holding primary elections in compliance with K.S.A. § 25-2108a whenever there are three or more candidates for a position. Additionally, Leawood may wish to revise its charter ordinance to delete the provisions calling for primary elections.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

BENNETT, LYTLE, WETZLER, MARTIN & PISHNY, L.C.

The spring elections will soon be underway. For that reason, a definitive response from your office is needed.

Of the original addressees, those responding confirmed their city will be holding a primary election in 1995 and subsequent years.

Again, please review the accompanying material and after conferring with your attorney, forward the status of your city relative to a primary election.

You may fax your response to me at 791-1753, if it is more convenient.

Martha,
You were so busy last fall when this question raised its ugly head, I wasn't sure if you wanted to revisit the subject. If the "No" still stands, that's off. until next year.

Cherokee County Attorney

Re: Elections -- City Elections -- Time of Primary Elections; Uniformity of Statute

Synopsis: K.S.A. 1984 Supp. 25-2108a(b) prescribes the conditions under which a city utilizing non-partisan elections must hold a primary election. The statute on its face is uniformly applicable to all cities, and is contained in an act (L. 1982, ch. 157) which is also uniform. K.S.A. 25-2113, which is contained in a different act, sets forth a general rule for non-partisan city elections, but also contains a provision for partisan city elections in Johnson County. The inclusion of this provision renders K.S.A. 25-2113 non-uniform, and thereby subject to a charter ordinance under a city's home rule authority. However, in the absence of such an ordinance which would allow partisan elections, the general provisions of K.S.A. 1984 Supp. 25-2108a concerning primary elections continue to apply. To the extent it is inconsistent with this opinion, Attorney General Opinion No. 78-49 is superseded. Cited herein: K.S.A. 1984 Supp. 25-2108a, K.S.A. 25-2113, Kan. Const. Art. 12, §5.

________________________

ROBERT T. STEPHAN
ATTORNEY GENERAL
Dear Mr. Meek:

As County Attorney for Cherokee County, Kansas, you request our opinion on a question involving the application of K.S.A. 1984 Supp. 25-2108a. That statute sets the time of primary elections for cities, and also provides the conditions under which a primary must be held. You inform us that the City of Galena, relying on a previous opinion of this office (No. 78-49), has utilized its home rule authority under Article 12, Section 5 of the Kansas Constitution to charter out from the provisions of the statute which set such conditions. As a result, the city had not planned to hold a primary election, even though the number of candidates would otherwise require such an election.

The statute in question, K.S.A. 1984 Supp. 25-2108a, states:

"(a) There shall be a primary election of city officers on the Tuesday preceding by five weeks the first Tuesday in April of every year that such city has a city election, except as otherwise provided in subsection (b) of this section.

"(b) No primary election of city officers shall be held unless by holding such primary one (1) or more persons will be eliminated as candidates for office. In the event there are not more than two (2) candidates for any one office, the names of the candidates for such office shall not appear on the primary election ballots, and there shall be no primary election for such office, but the names of such candidates shall be placed on the general city election ballot." (Emphasis added.)

The practical effect of this statute is to require a primary election whenever there are three or more candidates for any one office. In the case of a city with three at-large city commission positions which are to be filled, a primary would be held if there were seven or more candidates, for if six or less filed each post would be contested by less than three persons.

The provisions of K.S.A. 1984 Supp. 25-2108a(b) may be contrasted with those of K.S.A. 25-2113, which states:

"(a) Except as provided in subsection (b) of this section, city elections shall be nonpartisan. Laws applicable to elections..."
occurring at the same time as city elections shall apply to city elections to the extent that the same are not in conflict with the provisions of this act.

"(b) The provisions of this subsection (b) shall apply to cities of the first class in counties which have been declared urban areas as authorized by Article 2, section 17, of the constitution of Kansas. Election laws of a general nature which are applicable to partisan elections and which are not in conflict with this subsection (b) or any specific law applicable to election of city officers in any city to which this subsection (b) applies, shall apply to elections held under the provisions of this subsection (b). The county election officer shall prescribe the forms, ballots and ballot labels for every election conducted under this subsection (b), and shall make such rules and regulations not inconsistent with this subsection (b) as may be necessary for the conduct of such elections." (Emphasis added.)

Subsection (b) on its face applies only to cities in Johnson County, which is the only "urban county" in the state. However, in that the inclusion of such special language renders the operation of the statute non-uniform, under the provisions of Article 12, Section 5 of the Kansas Constitution, a city in a non-urban county could charter out from the general rule in subsection (a) (i.e., non-partisan city elections), and hold partisan elections under section (b).

The question which has been presented concerns the ability of a city to charter out from the provisions of K.S.A. 1984 Supp. 25-2108a, rather than K.S.A. 25-2113. Under Article 12, Section 5 of the Kansas Constitution, a city may be exempt from the application of a state statute by enacting a charter ordinance which provides substitute or additional provisions on the same subject. However, in the event that the statute is contained in an enactment applicable uniformly to all cities, the city may not employ a charter ordinance to supersede the statute. The use of home rule has accordingly often hinged upon the presence of some non-uniform provision in an act, for even one such section is sufficient to "taint" an otherwise uniformly applicable act. City of Junction City v. Griffin, 227 Kan. 332 (1980). Further, in examining the question of whether a non-uniformity occurs, courts can look to other statutes, even though not
contained in the same act, which deal with the same subject matter and are therefore in pari materia. *Claflin v. Walsh*, 212 Kan. 1, 9 (1973).

K.S.A. 1984 Supp. 25-2108a is contained in a different act than is K.S.A. 25-2113. The first enactment, Laws of 1982, Chapter 157, consists of uniform sections applicable to all cities in the K.S.A. 25-2113(b) could arguably render K.S.A. 1984 Supp. 25-2108a non-uniform as well, under the *Claflin* court's reasoning. This result was in fact reached in Attorney General Opinion No. 78-49, although the opinion did not specifically cite *Claflin* or conclude that the two statutes, although in different acts, were in pari materia. In our opinion, such a conclusion is unwarranted, given the difference in subject matter between the two statutes. K.S.A. 1984 Supp. 25-2108a deals with the timing of primary elections, while K.S.A. 25-2113 concerns partisan and non-partisan city elections. While, as noted above, K.S.A. 25-2113 is indeed facially non-uniform, and may be made the subject of a charter ordinance, K.S.A. 1984 Supp. 25-2108a is uniform in its application to all cities holding non-partisan elections. In our opinion, K.S.A. 1984 Supp. 25-2108a is not rendered non-uniform by application of the *Claflin* rationale. Accordingly, a city which now holds a primary under K.S.A. 1984 Supp. 25-2108a may utilize home rule authority to hold partisan elections under K.S.A. 25-2113, and then use the rules for a primary contained in the latter statute. A city may not, however, use home rule authority to exempt from the former statute, which is uniform in its application to all cities holding non-partisan elections.
