ORDINANCE NO. 935

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE OF TEMPORARY NOTES, SERIES 86-5 (119th STREET, ROE TO MISSION), OF THE CITY OF LEAWOOD, KANSAS, IN THE AMOUNT OF $555,000.00 TO PROVIDE TEMPORARY FINANCING TO PAY THE COST OF CONSTRUCTION OF IMPROVEMENTS TO 119th STREET FROM ROE AVENUE TO MISSION ROAD INCLUDING GRADING, STORM DRAINAGE STRUCTURES AND APPURTENANCES, CURBING, PAVING, STREET LIGHTING, SIDEWALKS, PAVEMENT MARKINGS AND OTHER APPURTENANCES THERETO, THE COSTS OF WHICH WILL BE PAID BY THE ISSUANCE OF GENERAL OBLIGATION BONDS OF THE CITY OF LEAWOOD, KANSAS.

WHEREAS, the Governing Body of the City of Leawood entered into an Agreement with the Board of County Commissioners of Johnson County on the 5th day of December, 1985, authorizing the construction of public improvements to 119th Street from Roe Avenue to Mission Road; and

WHEREAS, the necessary permanent rights-of-way for construction have been conveyed to the City and the City is in the process of obtaining certain additional easements necessary to complete the project; and

WHEREAS, the cost of said improvements is authorized to be paid for in whole or in part by the issuance of bonds;

WHEREAS, the City of Leawood is authorized by law to issue temporary notes as provided by K.S.A. 10-123 and 12-685 and all acts amendatory thereto.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD:

20-1,216. Section One: That in order to provide funds to pay the costs and expenses of the aforesaid improvement now due or to become due in the immediate future, including necessary engineering, legal and incidental costs, there shall be issued and there is hereby authorized and directed to be issued an issue of temporary notes of the City of Leawood, Kansas, designated Temporary Notes, Series 86-5 (119th Street, Roe to Mission), in the aggregate principal amount of
Five Hundred Fifty-Five Thousand ($555,000.00) which amount does not exceed the total estimated costs of said improvements.

Section Two: Said issue of Temporary Notes, Series 86-5 shall consist of bearer notes numbered from 1 thru 11 inclusive, numbers 1 thru 10 each being in the denomination of $50,000.00 and No. 11 in the denomination of $55,000.00. Each of said notes shall be dated October 2, 1986, and shall have the stated maturity date of October 1, 1987. The notes shall bear interest from their date of delivery to the purchaser thereof, shall be payable at maturity or upon redemption prior thereto at a rate of interest of 5.44% per annum and shall be callable 10 days in advance of maturity and shall be redeemed and cancelled before or at the time bonds are issued in lieu thereof, said notes so authorized by K.S.A. 10-123 and 12-685 and all acts amendatory thereto.

Both principal of and interest on said notes shall be payable at the office of the City Treasurer of the City of Leawood, Kansas, upon presentation and surrender of said notes. The principal of each of said notes shall be payable at maturity or at such earlier time as funds are available from the issuance of general obligation improvement bonds to redeem and retire said notes.

The City of Leawood, Kansas, reserves the right to redeem and pay said notes, in whole or in part (and if in part in the minimum amount of $10,000.00, but in any event in the full face amount of the particular note chosen for redemption), at any date prior to the stated maturity date of said notes by the publication and payment of said notes, the last publication of such notice to be at least ten days prior to the redemption date fixed in such notice.

Section Three: The date of delivery of said notes shall be and for all purposes constitute their date of issuance notwithstanding the dated date. Each of said notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City of Leawood, Kansas, and shall have the seal of said City affixed thereto.

Section Four: The Mayor and City Clerk of Leawood, Kansas, are hereby authorized and directed to prepare and execute said temporary
notes herein authorized to be issued in the form and substance hereinbefore described and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and when registered, said notes shall be countersigned by the City Clerk and delivered to the purchaser thereof, upon payment of the purchase price therefor which shall not be less than the principal amount thereof.

Section Five: The proceeds of said temporary notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying said costs and expenses of the improvement hereinbefore described.

The City covenants and agrees for the benefit of the holders of the notes to apply such proceeds diligently and with all reasonable dispatch for the purpose for which they are intended, and to this end, the City agrees that not less than five percent (5%) of the net proceeds from the sale of the notes shall be expended on costs of the improvement or to reimburse the City for the payment of such costs previously incurred within 30 days of the date of issuance of the notes and that all proceeds shall be applied to the payment of such costs of the improvement (or to reimburse the City therefor).

The City further covenants and agrees that it will comply with each and every provision of H.R. 3838, passed by the U.S. House of Representatives on December 17, 1985 ("H.R. 3838") that is or may become applicable to the notes, including but not limited to any provisions requiring the rebate of excess earnings on funds or accounts created with respect to the notes; provided, however, the foregoing provision shall be and become null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of H.R. 3838 as provided in this section shall not be required to retain and continue the tax-exempt-status of the interest income on the notes.

The Governing Body hereby finds, determines, represents and warrants, as follows:
1. The City is a duly created and validly existing political subdivision in existence since prior to October 23, 1985;

2. Since January 1, 1986, the City has not issued any bonds or obligations other than the following described obligations:

3. Other than the notes, the City has not issued and does not expect to issue any other notes or obligations the proceeds of which have been or will be used to provide project financing for the improvements, other than bonds to retire said temporary notes;

4. No portion of the proceeds of the sale of the notes will be loaned to or will such proceeds or the improvements be in any manner used in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 802 of H.R. 3838 and any subsequent legislation incorporating such provisions.

The Governing Body hereby finds, determines, represents and warrants, as follows:

WHEREAS, the Governing Body now finds it is necessary and desirable to issue renewal temporary notes to replace said previously issued notes, Series 85-3 (119th Street), in the total amount of Two Hundred Seven Thousand One Hundred Dollars ($207,100.00), which sum includes the cost of interest incurred thereon; and

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

20-1205. Section 1. AUTHORIZATION, INTEREST AND MATURITY. That for the purpose of providing funds to pay the cost of construction of the improvements described and referred to in the title and preamble of this Ordinance, including the payment of necessary engineering, incidental, legal costs and interest costs, there shall be issued temporary notes of the City of Leawood, Kansas, in the total principal amount of Two Hundred Seven Thousand One Hundred Dollars ($207,100.00), which amount does not exceed the total estimated costs of said improvements inclusive of interest costs previously incurred.

Said notes shall be designated City of Leawood, Kansas, Renewal Temporary Notes, Series 86-4 (119th Street), shall consist of four bearer notes, numbered 1 through 4, inclusive, notes numbers 1 through 3 being in the denominations of $50,000 and note number 4 being in the denomination of $57,100, and dated August 14, 1986, and shall mature on August 13, 1987. Interest from the date of delivery of said notes to the original purchaser.
thereof shall be paid on said principal sum at the rate of 5.93% per annum, such interest being payable at maturity or upon redemption prior thereto as hereinafter provided. The City of Leawood, Kansas, reserves the right to redeem and pay said notes, in whole or in part (and in part in the minimum amount of $10,000.00, but in any event in the full face amount of the particular note chosen for redemption), at any date prior to the stated maturity date of said notes by the publication and payment of said notes, the last publication of such notice to be at least ten days prior to the redemption date fixed in such notice and said notes shall be redeemed and cancelled before or at the time bonds are issued in lieu thereof.

Said notes are authorized by K.S.A. 12-6(a)01 et. seq. and K.S.A. 10-123 and all acts amendatory and supplementary thereto.

20-1206. Section 2. EXECUTION AND PAYMENT. Each of said notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City of Leawood, Kansas, and shall have the seal of said City affixed thereto.

The Mayor and City Clerk of Leawood, Kansas, are hereby authorized and directed to prepare and execute said temporary notes herein authorized to be issued in the form and substance hereinbefore described and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and when registered, said notes shall be countersigned by the City Clerk and delivered to the purchaser thereof, upon payment of the purchase price therefor which shall not be less than the principal amount thereof.

The date of delivery of said notes shall be and for all purposes constitutes their date of issuance notwithstanding the dated date.

20-1207. Section 3. APPLICATION OF PROCEEDS. The proceeds of said temporary notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying said costs and expenses of the improvement hereinbefore described.
The City covenants and agrees for the benefit of the holders of the notes to apply such proceeds diligently and with all reasonable dispatch for the purpose for which they are intended, by application to the payment of said notes, Series 85-3 (119th Street), and to this end, the City agrees that not less than five percent (5%) of the net proceeds from the sale of the notes shall be expended on costs of the improvement or to reimburse the City for the payment of such costs previously incurred by such application within 30 days of the date of issuance of the notes and that all proceeds shall be applied to the payment of such costs of the improvement (or to reimburse the City therefore) not later than six months from the date of issuance and delivery of the notes.

The City further covenants and agrees that it will comply with each and every provision of H.R. 3838, passed by the U.S. House of Representatives on December 17, 1985 ("H.R. 3838") that is or may become applicable to the notes, including but not limited to any provisions requiring the rebate of excess earnings on funds or accounts created with respect to the notes; provided, however, the foregoing provision shall be and become null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of H.R. 3838 as provided in this Section shall not be required to retain and continue the tax exempt status of the interest income on the notes.

The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing political subdivision in existence since prior to October 23, 1985.
2. Since January 1, 1986, the City has not issued any bonds or obligations other than the following described obligations:

The Bonds shall bear interest at the rates aforesaid (computed on the basis of a 360-day year composed of twelve 30-day months) from the date thereof or from the most recent interest payment date to which interest has been paid or duly provided for, payable semiannually on March 1 and September 1 in each year, beginning on March 1, 1987 (the "Interest Payment Dates"), to the registered owners whose names appear on the books.
maintained by the Bond Registrar at the close of business on the 15th day of the month preceding the Interest Payment Dates (the "Record Dates").

20-1,178 Section 204. Designation of Paying Agent and Bond Registrar. The Treasurer of the State of Kansas in the City of Topeka, Kansas, is hereby designated as the City's paying agent for the payment of principal of, premium, if any, and interest on the Bonds and bond registrar with respect to the registration, transfer and exchange of Bonds (the "Paying Agent" and "Bond Registrar").

The Mayor of the City and the City Clerk of the City are hereby authorized and empowered to execute on behalf of the City an agreement with the Treasurer of the State of Kansas for said Treasurer to act as Bond Registrar and Paying Agent for the Bonds.

20-1,179 Section 205. Method and Place of Payment of Bonds. The principal of, premium, if any, and interest on the Bonds shall be payable in lawful money of the United States of America by check or draft of the Paying Agent.

The principal of and premium, if any, on the Bonds shall be payable at the office of the Paying Agent upon presentation and surrender of such Bonds as they respectively become due.

The interest on the Bonds shall be payable to the order of the registered owners thereof mailed by the Bond Registrar to the addresses of such registered owners as they appear on the registration books maintained by the Bond Registrar or at such other address provided in writing by such registered owner to the Bond Registrar on the Record Dates.

The Paying Agent and Bond Registrar shall keep in its office a record of payment of principal of, premium, if any, and interest on all Bonds.

20-1,180 Section 206. Registration, Transfer and Exchange of Bonds. The City covenants that it will, as long as any of the Bonds herein authorized remain outstanding, cause to be kept at the office of the Bond Registrar books for the registration, transfer and exchange of Bonds as herein provided.

Upon presentation of the necessary documents as hereinafter described, the Bond Registrar shall transfer or exchange any certificated or uncertificated Bond(s) for new certificated or uncertificated Bond(s) in an authorized denomination of the same maturity and for the same aggregate principal amount as the Bond(s) which was presented for transfer or exchange.

All Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of

-4-
signature satisfactory to the Bond Registrar, duly executed by
the registered owner thereof or by the registered owner's duly
authorized agent. In addition, all certificated Bonds presented
for transfer or exchange shall be surrendered to the Bond
Registrar for cancellation.

Prior to delivery of the new certificated or uncertificated
Bond(s) to the transferee, the Bond Registrar shall register the
same in the registration books kept by the Bond Registrar for
such purpose and shall authenticate each certificated Bond.

The City shall provide for the payment out of the Bond
proceeds of the fees of the Bond Registrar for registration and
transfer of the Bonds and the cost of printing a reasonable
supply of registered bond blanks. Any additional costs or fees
that might be incurred in the secondary market, other than fees
of the Bond Registrar, are the responsibility of the bond owners.

The City, the Bond Registrar and the Paying Agent may deem
and treat the person in whose name any Bond shall be registered
as the absolute owner of such Bond, whether such Bond shall be
overdue or not, for the purpose of receiving payment of, or on
account of, the principal and redemption price, if any, of and
interest on said Bond and for all other purposes, and all such
payments so made to any such registered owner or upon such
registered owner's order shall be valid and effectual to satisfy
and discharge the liability upon such Bond to the extent of the
sum or sums so paid, and neither the City nor the Bond Registrar
nor the Paying Agent shall be affected by any notice to the
contrary, but such registration may be changed as herein pro-
vided.

The Bond Registrar shall not be required to register,
transfer or exchange Bonds for a period of 15 days next preceding
an interest payment date on the Bonds or to register, transfer or
exchange any Bonds called for redemption during said period.

20-1181 Section 207. Surrender and Cancellation of Bonds. Whenever
any outstanding certificated Bond shall be delivered to the Bond
Registrar for cancellation pursuant to the Ordinance, upon
payment of the principal amount thereof and interest thereon or
for replacement pursuant to the Ordinance, such Bond shall be
cancelled by the Bond Registrar and the cancelled Bond shall be
returned to the City.

20-1182 Section 208. Mutilated, Lost, Stolen or Destroyed Bonds.
In the event any certificated Bond is mutilated, lost, stolen or
destroyed, the City may execute and the Bond Registrar may
authenticate a new Bond of like date, maturity, denomination and
interest rate as that mutilated, lost, stolen or destroyed;
provided, that in the case of any mutilated certificated Bond,
such mutilated Bond shall first be surrendered to the City or the
Bond Registrar, and, in the case of any lost, stolen or destroyed
Bond there shall be first furnished to the Bond Registrar and the
City evidence of such loss, theft or destruction and an indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the City and Bond Registrar may pay the same without surrender thereof. The City and Bond Registrar may charge to the registered owner of such Bond their reasonable fees and expenses in connection with replacing such certificated Bond or Bonds mutilated, stolen, lost or destroyed.

20-1,183 Section 209. Execution, Registration and Delivery of the Bonds. Each of the certificated Bonds, including any certificated Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk and shall have the corporate seal of the City affixed thereto or imprinted thereon. In case any officer whose signature or facsimile thereof appears on any Bonds shall cease to be such officer before the delivery of the Bonds, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond shall be the proper officers to sign such Bond, although at the date of such Bond such persons may not have been such officers.

The Mayor of the City and the City Clerk are hereby authorized and directed to prepare and execute the certificated Bonds in the manner hereinbefore specified, to cause the certificated Bonds to be registered in the office of the City Clerk and the State Treasurer as provided by law, and, when duly executed and registered, to deliver the Bonds to the Underwriters, upon receipt by the City of the purchase price of the Bonds, which purchase price shall be 100% of the principal amount of the Bonds plus accrued interest to the date of their delivery. The Mayor of the City and the City Clerk are also hereby further authorized to enter into an agreement with a depository trust company to have the executed, authenticated Bonds held in safekeeping prior to their delivery to the Underwriters.

The certificated Bonds shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in Exhibit A attached hereto, which shall be executed by the manual or facsimile signature of the Bond Registrar. No certificated Bond shall be entitled to any security or benefit under the Ordinance nor shall it be valid or obligatory for any purpose unless and until such Certificate of Authentication shall have been duly executed by the Bond Registrar. Such executed Certificate of Authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under the Ordinance. The Certificate of Authentication on any Bond shall be deemed to have been duly executed if signed by any authorized officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the
Certificate of Authentication on all of the Bonds that may be issued hereunder at any one time.

ARTICLE III

20-1,184 Section 301. Optional Redemption. At the option of the City, Bonds maturing on September 1, 1999, and thereafter may be called for redemption and payment prior to maturity on September 1, 1998, and on any Interest Payment Date thereafter, in whole or in part in inverse order of maturity at the redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the date fixed for redemption, without premium.

20-1,185 Section 302. Notice of Redemption. In the event the City shall elect to redeem and pay any of the Bonds prior to the maturity thereof, the City shall publish once in the Kansas Register and in a financial journal published in New York, New York, a notice of the intention of the City to call and pay said Bonds, the same being described by number and maturity, said notice in said financial journal to be published not less than 30 days prior to the date on which said Bonds are called for payment and said notice in the Kansas Register to be published not less than 15 days prior to said call date. The City shall also give written notice of its intention to call and pay said Bonds on a specified date, the same being described by number and maturity, said notice to be mailed by prepaid United States registered or certified mail addressed to the State Treasurer of the State of Kansas, said notice to be mailed not less than 60 days prior to the redemption date, to the registered owners of said Bonds, to the Underwriters (notice to the manager of the account constituting notice to all account participants), and to any other Paying Agent, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption.

20-1,186 Section 303. Selection of Bonds to Be Redeemed. Bonds shall be redeemed only in the principal amount of $5,000 or any integral multiple thereof. When less than all of the outstanding Bonds of any series are to be redeemed and paid prior to maturity, such Bonds shall be redeemed in inverse order of maturity, Bonds of less than a full maturity to be selected by the Paying Agent and Bond Registrar by lot in $5,000 units of face value in such equitable manner as the Paying Agent and Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, then for all purposes in connection with such redemption each $5,000 of face value shall be treated as though it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of face value represented by any fully registered Bond is selected for redemption, then upon notice of intention to redeem such $5,000 unit or units, the owner of such fully registered Bond or the owner's
duly authorized agent shall forthwith present and surrender such Bond to the Paying Agent and Bond Registrar (1) for payment of the redemption price (including the interest to the date fixed for redemption) of the $5,000 unit or units of face value called for redemption, and (2) for exchange, without charge to the owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such fully registered Bond. If the owner of any such fully registered Bond of a denomination greater than $5,000 shall fail to present such Bond to the Paying Agent and Bond Registrar for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of the $5,000 unit or units of face value called for redemption (and to that extent only).

20-1,187 Section 304. Effect of Call for Redemption. Whenever any Bond is called for redemption and payment as provided in this Article, all interest on such Bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

ARTICLE IV
FORM OF THE BONDS

20-1,188 Section 401. Form of Certificated Bonds. The certificated Bonds shall be printed in accordance with the format required by the Attorney General of the State of Kansas and shall contain information and recitals substantially as set forth in Exhibit A attached hereto or as may be required by the Attorney General pursuant to the Notice of Systems of Registration for Kansas Municipal Bonds, 2 Kan. Upon completion of the Improvements, any moneys remaining in the Construction Fund shall be deposited into the Principal and Interest Fund.

20-1,194 Section 603. Application of Moneys in the Cost of Issuance Fund. Moneys in the Cost of Issuance Fund shall be used to pay the cost of issuing the Bonds, including all printing, signing and mailing expenses, legal fees, accounting expenses, fees for ratings received on the Bonds and any fiscal fees incurred in marketing the Bonds. Any moneys remaining in the Cost of Issuance Fund on July 15, 1986, shall be transferred to the Construction Fund.
ARTICLE VII
PAYMENT OF BONDS

20-1,195 Section 701. Levy of Taxes to Pay Bonds. The full faith, credit and resources of the City are hereby pledged to secure the payment of the principal of and interest on the Bonds as they severally become due and payable. The governing body of the City shall make provision for the payment of said principal and interest on the Bonds by collecting special assessments on property benefited by the Mission Road Improvement constructed with the proceeds of the Bonds and by levying an annual tax on the property liable for payment of the Improvements in amounts sufficient to pay the installments of said principal and interest on the Bonds as the same accrue and become payable.

20-1,196 Section 702. Transfer of Funds to Paying Agent. The Treasurer of the City is hereby authorized and directed to withdraw from the Principal and Interest Fund sums sufficient to pay the principal of and interest on the Bonds and the fees of the Paying Agent and Bond Registrar when the same become due. If, through lapse of time or otherwise, the owners of Bonds shall no longer be entitled to enforce payment of their obligations, it shall be the duty of the Paying Agent forthwith to return said funds to the City. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in the Ordinance.

ARTICLE VIII
MISCELLANEOUS PROVISIONS

20-1,197 Section 801. Official Statement. Distribution of the Official Statement relating to the Bonds in substantially the form presented to the governing body of the City and the use thereof by the Underwriters of the Bonds is hereby approved, and the Mayor of the City and the City Clerk are hereby authorized to execute such Official Statement on behalf of the City, with such corrections, omissions, insertions or changes as they may approve.

20-1,198 Section 802. Special Tax Covenants. (a) The City covenants to comply with each and every provision of H.R. 3838, The Tax Reform Act of 1985, as adopted by the United States House of Representatives on December 17, 1985 ("H.R. 3838"), which is or may be applicable to the Bonds or state and local obligations of the same character as the Bonds authorized and issued hereunder; provided, that, the City shall not be required to comply with any such provision if the City shall be provided with an opinion of nationally recognized bond counsel to the effect that such compliance is not required and to the effect that the failure to comply with any such provision will not cause interest on the Bonds to be subject to federal income taxation.

-10-
(b) The City shall complete the construction of the Improvements that are financed with the proceeds of the Bonds not later than that day which is three years after the earlier of (i) the date of issue of the Bonds or (ii) the date construction of such Improvements began.

(c) The City shall expend five percent (5%) or more of the net proceeds of the issue of Bonds within 30 days after the date of issue of such Bonds and shall spend all net bond proceeds within six (6) months of the date of issue of the Bonds.

(d) The City covenants to comply with the arbitrage rebate rules as provided in the second paragraph of Section 803 below.

20-1,199 Section 803. Arbitrage Covenant. The City covenants and agrees that it will use the proceeds of the Bonds as soon as practicable and with all reasonable dispatch for the purpose for which the Bonds are issued as hereinbefore set forth, and that no part of the proceeds of the Bonds shall be invested in any securities or obligations except for the temporary period pending such use, nor used, at any time, directly or indirectly, in a manner which, if such use had been reasonably anticipated on the date of issuance of the Bonds, would have caused any of the Bonds to be or become "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended, and the regulations of the Treasury Department thereunder (the "Code").

The City will abide by any applicable arbitrage rebate requirements of the Code or H.R. 3838; provided, that, the City shall not be required to abide by any such requirements if the City is provided with an opinion of nationally recognized bond counsel to the effect that such compliance is not required and to the effect that the failure of the City to abide by any such requirements will not cause the interest on the Bonds to be or become subject to federal income taxation.

20-1,200 Section 804. Findings and Designation as Qualified Tax-Exempt Obligations. The governing body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing political subdivision in existence since prior to October 23, 1985;

2. Since January 1, 1986, the City has not issued any bonds or obligations other than the Bonds and the following described obligations:
and the City does not reasonably anticipate issuing qualified tax-exempt obligations during calendar year 1986 in an aggregate amount in excess of $10,000,000;

3. Other than the Bonds, the City has not issued and does not expect to issue any other bonds or obligations the proceeds of which have been or will be used to provide project financing for the Improvements, other than temporary notes to be retired with the proceeds of the issue;

4. No portion of the proceeds of the sale of the Bonds will be loaned to or will such proceeds or the Improvements be in any manner used in the trade or business of any person, firm or corporation other than a governmental entity.

The governing body of the City hereby designates the bonds to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 802 of H.R. 3838.

Section 805. Severability. If any section or other part of the Ordinance shall for any reason be held invalid, the invalidity thereof shall not affect the validity of the other provisions of the Ordinance.

Section 806. Governing Law. The Ordinance shall be governed exclusively by and construed in accordance with the applicable laws of the State of Kansas.

Section 807. Finding of Emergency; Effective Date. This Ordinance shall take effect and be in full force from and after its adoption by the governing body of the City and publication in the official newspaper of the City, it being hereby found and determined to be a matter of an emergency nature.

Register of Deeds

In the absence of a statute to the contrary, a register of deeds lacks authority to allow changes to be made in the real estate records of the county in order to correct errors made in original instruments that were properly recorded by the register of deeds. If the parties to a recorded instrument discover an error in the original instrument, a document containing the correct information should be prepared and recorded.

The register of deeds is an elected county officer whose duties are prescribed by law. No other officer or entity is charged with the responsibility of supervising the activities of the register of deeds. However, like the actions of any other public officer, the actions of the register of deeds are subject to review by the courts and the electors of the county.
