At the discretion of the Governing Body, other revenues as may be legally utilized for such purposes may be deposited to such account. The City Treasurer shall establish adequate financial and accounting controls to ensure that Golf Course Impact Fee funds disbursed from such accounts are utilized solely and exclusively as described herein. Disbursement of funds from said accounts shall be authorized by the City at such times as are reasonably necessary to carry out the purposes and intent of this Ordinance; provided, however, that funds shall be expended within a reasonable period of time, but not to exceed five (5) years from the date such funds are collected.

(c) The City Treasurer shall maintain and keep adequate financial records for said account which shall show the source and disbursement of all funds placed in or expended by such account.

(d) Interest earned by such account shall be credited to the account and shall be utilized solely for the purposes specified for funds of the account.
(e) Golf Course Impact Fee funds collected shall not be used to finance development or improvements other than those described herein.

(f) The City may issue and utilize general obligation bonds, revenue bonds, revenue certificates or other certificates of indebtedness as are within the authority of the City in such manner and subject to such limitations as may be provided by law in furtherance of the financing and provision of the Leawood Golf Course Development and improvements as set forth in this Ordinance. Funds pledged toward the retirement of such bonds or other certificates of indebtedness may include the Golf Course Impact Fees and other City (and non-City) funds and revenues as may be collected by the Governing Body. Golf Course Impact Fees paid pursuant to this Ordinance, however, shall be used solely and exclusively for the Golf Course Development and for the payment of debt incurred by the City for the Golf Course Development as defined herein.

REFUNDS.

(a) The current owner of property on which a Golf Course Impact Fee has been paid may apply for a refund of such fee if:
(1) the City has failed to initiate Golf Course Development within six months of the adoption of this ordinance; or

(2) the City has failed to complete construction of the golf course by July 31, 1995;

(3) the building permit for an approved development for which the Golf Course Impact Fee has been paid subsequently lapses for noncommencement of construction.

(b) Only the then current owner of property may petition for a refund. A petition for refund must be filed within one year of the event giving rise to the right to claim a refund.

(c) The petition for refund must be submitted to the City Administrator or his duly designated agent. The petition must contain: a statement that petitioner is the current owner of the property; a copy of the dated receipt for payment of the Golf Course Impact Fee issued by the Director of Planning and Development; a certified copy of the latest recorded deed for the subject property; and a statement of the reasons for which a refund is sought.

(d) Within one month of the date of receipt of a petition for refund, the City Administrator or his duly designated agent must provide the petitioner, in writing, with a decision on the refund request. The decision must
include the reasons for the decision. If a refund is due petitioner, the City Administrator or his duly designated agent shall notify the City Treasurer and request that a refund payment be made to petitioner.

(e) Petitioner may appeal the determination of the City Administrator to the Governing Body.

12-512 TERMINATION OF IMPACT FEE. Upon receipt by the City of Leawood of all principal and interest due from Bell Development, Inc. pursuant to its agreement with the City of Leawood dated July 30, 1992,

(a) the Golf Course Impact Fee shall be terminated and the Golf Course Impact Fee Ordinance shall be repealed; and

(b) the City shall cause a release to be filed of record which shall relieve Bell Development, Inc. and any other owner of property otherwise subject to the Golf Course Impact Fee from any further obligation to pay said fee and shall further release any affidavit of equitable interest related to the enforcement of this Golf Course Impact Fee Ordinance.

12-513 APPEALS. After a determination by the Director of Planning and Development of the applicability of the Golf Course Impact Fee or the amount of the Golf Course Impact Fee due, or after a determination by the City
Administrator of the amount of refund due, if any, an applicant or a property owner may appeal to the Governing Body. The appellant must file a Notice of Appeal with the Governing Body within thirty (30) days following the determination by the Director of Planning and Development or City Administrator. If the Notice of Appeal is accompanied by a bond or other sufficient surety satisfactory to the City Attorney in an amount equal to the Golf Course Impact Fee due as calculated by the Director of Planning and Development, the application shall be processed. The filing of an appeal shall not stay the collection of the Golf Course Impact Fee due unless a bond or other sufficient surety has been filed.

12-514 EFFECT OF GOLF COURSE IMPACT FEE ON THE LEAWOOD DEVELOPMENT ORDINANCE AND SUBDIVISION REGULATIONS. This ordinance shall not affect, in any manner, the permissible use of property, density of development, design and improvement standards and requirements or any other aspect of the development of land or requirements for the provision of public improvements that may be imposed by the City pursuant to the Leawood Development Ordinance, subdivision regulations or other regulations of the City, which shall be operative and remain in full force and effect without limitation with respect to all such development.
GOLF COURSE IMPACT FEE AS ADDITIONAL AND SUPPLEMENTAL REQUIREMENT. The Golf Course Impact Fee is additional and supplemental to, and not in substitution of, any other requirements imposed by the City as a condition of the development of land or the issuance of building permits; provided, however, that the Golf Course Impact Fee requirement and the payment of such fee by a developer for the Golf Course Development and improvements described herein shall not be duplicative of other improvement requirements imposed pursuant to the Leawood Development Ordinance, City zoning, subdivision, planned unit development or other applicable ordinances or regulations and the payment of the Golf Course Impact Fee shall not be used to meet such requirements. The Golf Course Impact Fee requirement is intended to be consistent with and to further the objectives and policies of the Master Plan and to be coordinated with other City policies, ordinances and resolutions by which the City seeks to develop a City Golf Course. In no event shall a property owner be obligated to pay Golf Course Impact Fees in an amount in excess of the amount calculated pursuant to this Ordinance; but, provided that a property owner may be required, pursuant to City zoning and subdivision regulations to provide open lands, setbacks, buffers and other nonbuildable areas on-site in
addition to meeting the Golf Course Impact Fee requirement.

12-516 VARIANCES AND EXCEPTIONS. Petitions for variances and exceptions to the application of this Ordinance shall be made to the City Administrator in accordance with procedures to be established by Resolution of the Governing Body.

Section 2. Take effect. This Ordinance shall take effect and be enforced from and after its passage, approval and publication as provided by law.

AN ORDINANCE AMENDING SECTION 4-3 (SPECIAL USES) OF THE SUPPLEMENT OF AMENDMENTS TO THE LEAWOOD DEVELOPMENT ORDINANCE TO ALLOW A HOME HEALTH CARE SUITE AS A SPECIAL USE.

Be it ordained by the Governing Body of the City of Leawood:

Section 1. Supplement to the Leawood Development Ordinance Amended. That Section 4-3 of the supplement known as "Amendment of Leawood Development Ordinance", dated December 16, 1991, is hereby amended to read as follows:

4-3 SPECIAL USE PROVISIONS

4-3.1 Special Uses Designated: Any of the following uses may be located in any district by Special Use Permit of the Governing Body after notification of adjacent and abutting property owners, public hearing, and after recommendation of the Plan Commission, under such conditions as to operation, site development, signs, and time limit as may be deemed necessary in order that such use will not seriously injure the appropriate use of the neighboring property, and will conform to the general intent and purpose of this Ordinance and shall comply with the height and area regulations of the district in which they may be located unless a variance is specifically granted by the Board of Zoning Appeals.

1) Amusement parks, privately-owned baseball or athletic fields, race tracks;

2) Aviation fields or airports, under such restrictions as may be imposed to control noise, promote safety, and prevent undue danger to aircraft or to surrounding property;

3) Cemeteries, mausoleums, or crematories for the disposal of the dead;

4) Public and private schools;

5) Churches, synagogues and other places of worship;

6) Clubs, including those where alcoholic beverages are consumed;

7) Drive-in theaters;

8) Golf driving ranges, commercial or illuminated;

9) Gun clubs, skeet shoots, or target ranges;

10) Hospitals; special care facilities for humans; not to include Group Homes as defined herein.
11) Campgrounds, picnic groves and fishing lakes, including minor and incidental concession facilities for patrons only;

12) Nursery sales office, building greenhouse, or area (wholesale or retail);

13) Nursing and convalescent homes; housing for the elderly; retirement centers and communities; not to include Group Homes as defined herein.

14) Outdoor poster panels or billboards; off-site promotional signs;

15) Veterinary clinics, dog kennels;

16) Radio, television and microwave towers;

17) Television and amateur radio antennae exceeding district height limitations.

18) Reservoirs, towers, filter beds, or water treatment plants;

19) Riding stables and tracks;

20) Wastewater treatment plant;

21) Motor hotels, motels, hotels, and convention centers;

22) Buildings, structures, and premises for public utility services, or public service corporations;

23) Temporary use of land or building for commercial or industrial purposes, provided that any building or structure constructed thereon which is not otherwise permitted in the District in which such land is situated shall be temporary, and any stored equipment or material shall be removed upon the date of expiration of the special use permit, which permit shall be valid for not more than 2 years but may be renewed after public hearing;

24) Assembly halls, community centers, philanthropic organizations;

25) Child care centers, family day care homes, preschools, nursery schools, Montessori schools, private kindergartens, day care homes and group day care homes; not to include Group Homes as defined herein.

26) Off-street parking lots or off-street parking structures of a temporary or permanent nature;
27) Group boarding home for minors or adults; not to include Group Homes as defined herein.

28) Private ambulance service;

29) Bed and breakfast;

30) Horse pasturing on lots of less than 3 acres in residential districts.

31) Temporary self contained health care suites located within an attached garage are intended to provide an "in home" physical care facility as a temporary alternative to a nursing home environment. It is not intended to provide long term care lodging for anyone that would be better served by a more permanent solution. Such permanent alternate solutions may require an alteration to the home, an addition onto the home, or off-site care by a health care institution. Such use is allowed as a special use provided the following conditions are met:

a. The suites are to be freestanding self contained units including independent heating and air conditioning units and plumbing systems.

b. Not more than two persons shall be housed in such suite provided said housing is necessitated by a physical impairment or health care need of one or both persons and said health care need is being met by occupant or occupants of the existing home. Said person(s) residing in such health care suite shall be either an occupant or a relative of the occupant of the home except in cases when an overnight health care provider is required.

c. A letter from a licensed doctor of medicine or osteopathy shall be submitted, along with the application for special use, verifying the need for such health care suite by the applicant or prospective resident of said suite.

d. Health care suites shall be limited to a maximum of 2 years duration. Such use may only be continued for one additional year and only after review and approval by the Plan Commission and City Council. Any amount of time beyond three years will require a permanent solution to be specified at the time the additional year is requested. Such solution shall be made a condition of approval if granted. At the end of the special use, the unit shall be removed and the garage restored to its former condition.
e. Any exterior modification of the home necessitated by the suite, such as the temporary removal of the garage door(s) to facilitate a private entry, windows, or heating or cooling units, shall be replaced with materials of an architectural likeness to the existing home. Samples of materials proposed to be used shall be submitted with the application for approval by the Plan Commission.

f. Additional written notification shall be required to the applicant's homes association and to all property owners within 200 feet of the applicant's property.

g. Because the installation of such health care suite temporarily removes the enclosed off-street parking spaces required by ordinance, the applicant shall submit an interim plan for dealing with off-street parking for the duration of the special use.

32) The Governing Body may upon application by the proponent issue a Special Use Permit for the use of a specified parcel of land for such temporary short-term uses as trade shows, street fairs, expositions, promotional ventures, entertainment, and seasonal sales without publication of posted notice and without referral to the Plan Commission, provided the following conditions are met:

a) The applicant shall submit in written form a complete description of the proposed use, including estimated accumulation of automobiles and persons, hours of operation, and other characteristics and effects on the neighborhood;

b) The short-term special use shall not be operated longer than 10 consecutive days or as otherwise requested and authorized by the Governing Body.

c) Upon the cessation of the short-term special use, all materials and equipment shall be promptly removed and the property restored to its normal condition.

d) If, after giving full consideration to the effect of the requested special use on the neighborhood and the community, the Governing Body deems the special use reasonable, the special use permit for the short-term use may be approved. Conditions of operation, provision for surety bond, and other reasonable safeguards may be written into the special use permit. Such permit may be approved in any zoning district.
Section 2. Existing Section Repealed. That existing Section 4-3 of the supplement known as "Amendment of Leawood Development Ordinance" dated December 16, 1991, is hereby repealed. (Prior law: Ordinance No. 1301)

Section 3. Take Effect. That this ordinance shall take effect and be in force from and after its publication in the official City newspaper.

Passed by the Council the 15th day of March, 1993.

Approved by the Mayor the 15th day of March, 1993.

(b) No person shall keep or permit to be kept any dangerous animal as a pet.

(c) Upon the written complaint of any person that a person owns or is keeping or harboring a dangerous animal on premises within the city, the city shall cause the matter to be investigated and if after investigation, the facts indicate that such person named in the complaint is in fact the owner or is keeping or harboring any such dangerous animal in the city, the city shall send written notice to the owner requiring the owner to safely remove the animal from the city within five days. Notice shall not be required where a dangerous animal has caused serious physical harm or death to any person or has escaped and is at large, in which case the city shall cause the animal to be immediately seized and impounded or killed, if seizure and impoundment are not possible without the risk of serious physical harm or death to any person.

(d) The city shall forthwith cause to be seized and impounded any dangerous animal where the person owning, keeping or harboring such animal has failed to comply with the notice sent. Upon seizure and impoundment the animal shall be delivered to a place of confinement which may be with any organization which is authorized by law to accept, own, keep or harbor such animals. If, during the seizing and impounding of any such animal, the animal poses a risk of serious physical harm or death to any person, such person or persons authorized by the city may render said animal immobile by means of tranquilizers or other safe drugs or if that is not safely possible, then said animal may be killed.

(e) Any reasonable costs incurred by the city in seizing, impounding and for confining any dangerous or wild animal shall be charged against the owner, keeper or harborer of such animal. Such charges shall be in addition to any fine or penalty provided for violating this ordinance.

Any person who shall violate any provision of this section shall, upon conviction thereof, be subject to a fine of not less than $150 or more than $1,000.

2-111. BITE AND SCRATCH PROCEDURES. (a) Except as provided in subsection (e) herein, a dog, cat, other domestic animal
and any other warm-blooded animal which bites or otherwise so injures a person as to cause an abrasion of the skin shall immediately be quarantined at the owner’s expense with a licensed veterinarian of the owner’s choice within Johnson County, Kansas or Jackson County, Missouri, or with the city’s impounding agent for a period of not less than ten days nor more than twelve days.

(b) If the owner, keeper or harborer of the animal can not be immediately notified, city personnel shall immediately impound such an animal with the city’s impounding agent, at the owner’s expense, for the period of not less than ten days and not more than twelve days. If the address of the owner can be determined, the police department shall make a reasonable effort to notify the owner that the animal has been impounded under the provisions of this section and the owner has the right to redeem the animal at the expiration of confinement upon payment of board bill, any veterinarian fees and any license and penalty fees due and owing the city.

(c) In the event the original place of impoundment is not the choice of the owner, the owner may change the animal’s place of impoundment to a licensed veterinarian of the owner’s choice in Johnson County, Kansas or Jackson County, Missouri, provided all other provisions of this article are complied with. The total period of confinement of the animal at the one or more locations is to be for a period of not less than ten days nor more than twelve days. Credit for any period of time the animal remains at large after the bite shall not be given.

(d) The veterinarian or the city impounding agent with whom the animal is impounded shall give immediate written notice to the police department as to the health of the animal pertaining to the diagnosis of rabies.

(e) In the event that the investigating officer determines (1) that the animal which injured the person did so while confined within a fence or building enclosing property of the owner; (2) that the person injured was upon the property without the consent of the owner; and (3) that the animal had an effective rabies vaccine and was duly licensed under this article at the time of the injury, then the animal need not be impounded in accordance with Section 2-111(a), but the following alternative procedure shall be followed:

(1) If the injured person or legal guardian desires that the animal be impounded and agrees in writing to pay for the board during the period of impoundment, it shall be impounded for the period specified notwithstanding any other provision of this article.

(2) If the injured party or legal guardian is unwilling to agree in writing to pay for the animal’s board during the period of impoundment, the animal shall be permitted to remain confined in the residence of the owner or
keeper, provided no animal shall be allowed to remain on the property of the owner or keeper unless such a person signs a written agreement to keep the animal confined for the specified period and further allows the animal to be periodically examined by an animal control officer to determine its physical condition during the confinement period. If the owner or keeper is unwilling to sign such an agreement, the animal shall be immediately impounded in accordance with this section.

The inoculation so administered shall be effective for the entire period of time for which an animal license is issued. If a licensed veterinarian recommends that a dog or cat not be vaccinated for health purposes, the owner of such an animal will need to submit to the city clerk, at the time of licensing, a letter from their veterinarian on official letterhead stating the reason the animal can not be vaccinated.

(d) The owner of any dog or cat reaching six months of age on or after March 1 shall have ten days from the day the animal becomes six months old to license the animal. If the animal is not licensed within the time required, the owner shall be subject to a penalty as set forth in the fee schedule established and maintained by the city administrator, as prescribed in Section 1-701 of the Code of the City of Leawood.

(e) The rabies inoculation receipt, issued by a veterinarian at the time of vaccination, shall be carefully preserved by the owner or harborer of the dog or cat and exhibited promptly upon request for inspection by the animal control officer or a police officer.
(f) A license shall be issued after payment of a license fee and submission of the Certificate of Vaccination. The license fees for sexually altered and unaltered dogs/cats are set forth in the fee schedule established and maintained by the city administrator, as prescribed in Section 1-701 of the Code of the City of Leawood. Written proof by a licensed veterinarian that an animal has been neutered or spayed must be presented.

(g) Any person owning, keeping or harboring a work dog, as described below, shall be exempt from the license fee payment upon submittal of adequate proof that the dog has received a rabies inoculation and is fully trained as a work dog and is used regularly as a work dog:

(1) Dogs providing services for the disabled;
(2) Dogs utilized by law enforcement personnel.

(h) The license year shall be from January 1 through December 31 of each year. The fee shall be due and payable before March 1 of each year. If the animal is not licensed within the time required, the owner shall be subject to a penalty as set forth in the fee schedule established and maintained by the city administrator, as prescribed in Section 1-701 of the Code of the City of Leawood.

(i) Licenses shall be issued in the form of a durable tag which shall be fastened to a dog’s or cat’s collar or harness and worn at all times.

License tags shall not be transferable. If a tag is lost, a replacement tag will be issued upon sufficient evidence of prior licensing for a charge as set forth in the fee schedule established and maintained by the city administrator.

(j) It shall be unlawful for any person to remove or cause to be removed, the collar, harness or the license tag from any registered dog or cat without the consent of the owner, keeper or harborer of said dog or cat.

(1) The licensing and vaccination provisions of this article shall not apply to dogs and cats belonging to and kept by nonresident persons temporarily in the city: provided, that if the dogs or cats remain in the city longer than 30 days, they shall be subject to the provisions of this article. Such dogs and cats shall not be allowed to run at large at any time.

2-203. RUNNING AT LARGE. (a) Whenever any dog is found
running at large, or any animal believed to be a stray is found within the city limits, such animal may be taken up by
the animal control officer or by any other agency designated
by the city, and the animal shall be held seven days at an
animal shelter provided by the agency or veterinarian, and if
within that seven days the owner of any animal so held shall
respond to the police department and pay the board incurred
from the animal shelter, the animal shall be released to that
owner.

(b) If impounded, the police department will make a
good faith effort to notify the owner of the animal. If not claimed within seven days, the
disposal of the animal by adoption or euthanasia becomes the
prerogative of the designated agent and/or the animal shel-
ter.

(c) Should any dog or cat be unlicensed at the time
of impoundment, the owner, keeper or harborer of
such animal shall be allotted five working days
from the date of the release of such animal to obtain a city
license for such dog or cat. Failure to obtain a city li-
cense within the allotted time shall be considered a separate
violation and may be cause for the issuance of a
notice to appear or further city action.

Any person who shall violate any provision of this sec-
tion shall, upon conviction thereof, be subject to a fine of
not less than $25 or more than $100.

2-204. NOISY ANIMALS. (a) The keeping or harboring of any

residents who are in general agreement as to the times and
durations of the noise, and who reside in separate residences
(including apartments and condominiums) located
within one hundred yards of the property on which
the animal is kept or harbored, said residents
must state, in writing, that they will testify under oath to
the excessive noise produced by the dog.

(c) A dog shall not be deemed a "barking dog" for the
purpose of this article, if, at the time the dog
is barking or making any other noise, a person is
trespassing or threatening to trespass upon private property
in or upon which the dog is situated or for any other le-
gitimate cause which teased or provoked the dog.

2-205. NUISANCE ANIMAL. (a) It shall be unlawful for the owner, keeper or harborer of any animal to cause or permit such animal to perform, create or engage in an animal nuisance. Any animal found acting in any way against this ordinance, in the determination of the animal control officer, shall hereby be declared a nuisance and its owner or harborer subjected to a citation.

(b) It shall be unlawful for any person to appear with an animal upon the public ways, within public places or upon the property of another, absent that person’s consent, without some means for the removal of excrement. It shall be unlawful for any person to fail to immediately remove any excrement deposited by his/her animal upon any public or private property, other than the property of the owner of the animal. This section does not apply to a blind person while walking his/her work dog.

(f) All female animals in heat shall be confined in an enclosure or building in such a manner that the animal can not come in contact with a male animal except for planned breeding.

It shall be unlawful for any owner, keeper or harborer to allow a vicious dog to be outside of the dwelling of the owner or outside of the enclosure unless it is necessary for the owner to obtain veterinary care for the vicious dog or to sell or give away the vicious dog or to comply with commands or directions of the animal control officer with respect to the vicious dog. In such event, the vicious dog shall be securely muzzled and restrained with a chain having a minimum tensile strength of three hundred pounds and not exceeding three feet in length, and shall be under direct control and supervision of the owner or keeper of the vicious dog. The muzzle shall be made in a manner that will not cause injury to the dog or interfere with its vision or respiration, but shall prevent it from biting any human or animal.

(b) The owner of a vicious dog shall display in a prominent place on his/her premises a clearly visible warning sign indicating that there is a vicious dog on the premises. A similar sign is required to be posted on the pen or the kennel of the animal.

(c) No vicious dog may be kept on a porch, patio or in any part of a house or structure that would allow the dog to exit such building on its own volition. In addition, no such animal may be kept in a house or structure when the windows are open or when screen windows or screen doors are the only obstacle preventing the dog from exiting the structure.

(d) The owner of a dog that has been declared vicious must within ten days of the animal being declared vicious provide to the animal control officer two color photographs of the animal clearly showing the color, approximate size and any distinguishing markings on the animal.

(e) No vicious dog shall be licensed by the city for any licensing period unless the owner of such vicious dog shall present satisfactory evidence to the city clerk that the owner has procured liability insurance in the amount of at least one hundred thousand dollars, covering any damage or injury which may be caused by such vicious dog during the twelve month period for which the license is sought, which policy shall contain a provision requiring the city to be named as additional insured for the sole purpose of the city to be notified by the insurance company of any cancellation, termination or expiration of the liability insurance policy. beings or other animals.

(g) In the event that the animal control officer has probable cause to believe that a dog is vicious, the municipal judge shall be empowered to convene a hearing for the purpose of determining whether or not the dog in question should be declared vicious. The animal control officer shall notify the owner or keeper of the dog that a hearing will be held, at which time he or she may have the opportunity to present evidence why the dog should not be declared vicious. The hearing shall be held promptly within no less than five (5) nor more than ten (10) days after service of notice upon the owner or keeper of the dog. The hearing shall be informal and shall be open to the public. After the hearing, the owner or keeper of the dog shall be notified in writing of the determination. If a determination is made that the dog is vicious, the owner or keeper shall comply with the provisions of this title in accordance with a time schedule established by the municipal judge but not to exceed thirty (30) days subsequent to the date of the determination. If the owner or keeper of the dog contests the determination, he or she, may within five (5) days of such determination, appeal to the district court. In the event that the animal control officer or law enforcement officer has probable cause to believe that the dog in question is vicious and may pose a threat of serious harm to human beings or other domestic animals, the animal control officer may seize and impound the dog pending the aforesaid hearings. The owner or keeper of the dog shall be liable to the city for the costs and the expenses of keeping such dog.

Any person convicted of harboring a vicious dog who fails to comply with the provisions of this section shall be fined $100 for a first offense. Upon conviction of a second offense, the Court shall order the animal permanently removed from the City within three days. Should the order of the Court be appealed, the animal must be removed from the City pending disposition of the appeal. Failure to comply with the removal order shall result in the dog being impounded and shall be punishable by a fine of $250 per day that the dangerous animal remains in the City and/or sixty days confinement in the county jail.

Actions of trained police dogs utilized by properly certified law enforcement officers in the course of official duty shall be exempt from the provisions of this section.

The Bonds shall bear interest at the rates aforesaid (computed on the basis of a 360-day year composed of twelve 30-day months) from the dated date thereof or from the most recent interest payment date to which interest has been paid or duly provided for, payable semiannually on March 1 and September 1 in each year, beginning on March 1, 1993 (the "Interest Payment Dates"), to the registered owners whose names appear on the books maintained by the Bond Registrar at the close of business on the 15th day of the month immediately preceding each of such Interest Payment Dates (the "Record Dates").

20-1,854. Section 204. Designation of Paying Agent and Bond Registrar. The Treasurer of the State of Kansas in the City of Topeka, Kansas, is hereby designated as the City's paying agent for the payment of principal of, premium, if any, and interest on the Bonds and bond registrar with respect to the registration, transfer and exchange of Bonds (the "Paying Agent" and "Bond Registrar").

The Mayor of the City and the City Clerk of the City are hereby authorized and empowered to execute on behalf of the City an agreement with the Treasurer of the State of Kansas for said Treasurer to act as Bond Registrar and Paying Agent for the Bonds.

20-1,855. Section 205. Method and Place of Payment of Bonds. The principal of, premium, if any, and interest on the Bonds shall be payable in lawful money of the United States of America by check or draft of the Paying Agent.

The principal of and premium, if any, on the Bonds shall be payable at the office of the Paying Agent upon presentation and surrender of such Bonds as they respectively become due.

The interest on the Bonds shall be payable to the order of the registered owners thereof mailed by the Paying
Agent to the addresses of such registered owners as they appear on the registration books maintained by the Bond Registrar or at such other address provided in writing by such registered owner to the Bond Registrar prior to the Record Dates.

The Paying Agent and Bond Registrar shall keep in its office a record of payment of principal of, premium, if any, and interest on the Bonds.

Section 206. Registration, Transfer and Exchange of Bonds. The City covenants that it will, as long as any of the Bonds herein authorized remain outstanding, cause to be kept at the office of the Bond Registrar books for the registration, transfer and exchange of Bonds as herein provided.

Upon presentation of the necessary documents as hereinafter described, the Bond Registrar shall transfer or exchange any Bond(s) for new Bond(s) in an authorized denomination of the same series and maturity and for the same aggregate principal amount as the Bond(s) presented for transfer or exchange.

All Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Bond Registrar, duly executed by the registered owner thereof or by the registered owner's duly authorized agent. In addition, all Bonds presented for transfer or exchange shall be surrendered to the Bond Registrar for cancellation.

Prior to delivery of the new Bond(s) to the transferee, the Bond Registrar shall register the same in the registration books kept by the Bond Registrar for such purpose and shall authenticate each Bond.

The City shall provide for the payment out of the Bond proceeds of the fees of the Bond Registrar for registration and transfer of the Bonds and the cost of printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Bond Registrar, are the responsibility of the bondowners.

The City, the Bond Registrar and the Paying Agent may deem and treat the person in whose name any Bond shall be registered as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and redemption premium, if any, and interest on said Bond and for all other
purposes, and all such payments so made to any such registered owner or upon such registered owner's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the Bond Registrar nor the Paying Agent shall be affected by any notice to the contrary, but such registration may be changed as herein provided.

The Bond Registrar shall not be required to register, transfer or exchange Bonds for a period extending from the Record Date to the immediately following Interest Payment Date for the Bonds or to register, transfer or exchange any Bonds selected for redemption in whole or in part subsequent to the date notice of such redemption is given.

20-1,857. Section 207. Surrender and Cancellation of Bonds. Whenever any outstanding Bond shall be delivered to the Bond Registrar for cancellation pursuant to this Ordinance, upon payment of the principal amount thereof and interest thereon or for replacement pursuant to this Ordinance, such Bond shall be cancelled by the Bond Registrar and the cancelled Bond shall be returned to the City.

20-1,858. Section 208. Mutilated, Lost, Stolen or Destroyed Bonds. In the event any Bond is mutilated, lost, stolen or destroyed, the City may execute and the Bond Registrar may authenticate a new Bond of like date, series, maturity, denomination and interest rate as that mutilated, lost, stolen or destroyed; provided, that in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the City or the Bond Registrar, and, in the case of any lost, stolen or destroyed Bond there shall be first furnished to the Bond Registrar and the City evidence of such loss, theft or destruction and an indemnity satisfactory to them. In the event any such Bond shall have matured, instead of issuing a duplicate Bond, the City and the Bond Registrar may pay the same without surrender thereof. The City and the Bond Registrar may charge to the registered owner of such Bond their reasonable fees and expenses in connection with replacing such Bond or Bonds mutilated, stolen, lost or destroyed.

20-1,859. Section 209. Execution, Registration and Delivery of the Bonds. Each of the Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall be signed by the manual or facsimile signature of the Mayor of the City and attested by the manual or facsimile signature of the City Clerk and shall have the corporate seal of the City affixed thereto or imprinted thereon. In case any officer whose signature or facsimile thereof appears on any Bonds shall cease to be such officer
before the delivery of the Bonds, such signature or facsimile thereof shall nevertheless be valid and sufficient for all purposes, the same as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond shall be the proper officers to sign such Bond, although at the date of such Bond such persons may not have been such officers.

The Mayor of the City and the City Clerk are hereby authorized and directed to prepare and execute the Bonds in the manner hereinbefore specified, to cause the Bonds to be registered in the offices of the City Clerk and the State Treasurer as provided by law, and, when duly executed and registered, to deliver the Bonds to the Underwriters, upon receipt by the City of the purchase price of the Bonds as provided in the Bond Purchase Agreement, hereinafter identified and approved. The Mayor of the City and the City Clerk are also hereby further authorized to enter into an agreement with a depository trust company to have the executed, authenticated Bonds held in safe keeping prior to their delivery to the Underwriters.

The Bonds shall have endorsed thereon a Certificate of Authentication substantially in the form set forth in Exhibit A attached hereto, which shall be executed by the manual or facsimile signature of the Bond Registrar. No Bond shall be entitled to any security or benefit under the Ordinance nor shall it be valid or obligatory for any purpose unless and until such Certificate of Authentication shall have been duly executed by the Bond Registrar. Such executed Certificate of Authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under the Ordinance. The Certificate of Authentication on any Bond shall be deemed to have been duly executed if signed by any authorized officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the Certificate of Authentication on all of the Bonds that may be issued hereunder at any one time.

ARTICLE III

20-1,860. Section 301. Optional Redemption. At the option of the City, Bonds of each series maturing on September 1, 2001 and thereafter, may be called for redemption and payment prior to maturity on September 1, 2000, and on any Interest Payment Date thereafter, in whole or in part, at the redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the date fixed for redemption, without premium.
Anything herein contained to the contrary notwithstanding, the City reserves the right to elect to redeem Bonds of either series without any obligation to redeem Bonds of the other series or to redeem Bonds of each series in such principal amounts as, in each instance, the City in its sole discretion shall determine. In the case of a partial redemption of Bonds, the City may select Bonds of any particular maturity or maturities in such amounts as in its sole discretion it shall determine.

20-1,861. **Section 302. Notice of Redemption.** In the event the City shall elect to redeem and pay any of the Bonds prior to the maturity thereof, the City shall publish once in the Kansas Register and in a financial journal published in New York, New York, a notice of the intention of the City to redeem and pay said Bonds, the same being described by number and maturity, said notice in said financial journal to be published not less than 30 days prior to the date on which said Bonds are called for redemption and payment and said notice in the Kansas Register to be published not less than 15 days prior to said redemption date. The City shall also give written notice of its intention to redeem and pay said Bonds on a specified date, the same being described by series, number and maturity, said notice to be mailed by prepaid United States registered or certified mail addressed to the State Treasurer of the State of Kansas and to the Underwriters, said notice to be mailed not less than 45 days prior to the redemption date. The State Treasurer of Kansas will send notice of redemption by ordinary U.S. mail to the registered owners of said Bonds, said notices to be mailed not less than 30 days prior to the date fixed for redemption.

20-1,862. **Section 303. Selection of Bonds to Be Redeemed.** Bonds shall be redeemed only in the principal amount of $5,000 or any integral multiple thereof. When less than all of the outstanding Bonds of any series are to be redeemed and paid prior to maturity, the Bonds of such series to be redeemed shall be determined by the City, Bonds of less than a full maturity to be selected by the Paying Agent and Bond Registrar by lot in $5,000 units of face value in such equitable manner as the Paying Agent and Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than $5,000 are then outstanding, then for all purposes in connection with such redemption each $5,000 of face value shall be treated as though it were a separate Bond of the denomination of $5,000. If it is determined that one or more, but not all, of the $5,000 units of face value represented by any fully registered Bond is selected for redemption, then upon notice
of intention to redeem such $5,000 unit or units, the owner of such fully registered Bond or the owner's duly authorized agent shall forthwith present and surrender such Bond to the Paying Agent and Bond Registrar (1) for payment of the redemption price (including the interest to the date fixed for redemption) of the $5,000 unit or units of face value called for redemption, and (2) for exchange, without charge to the owner thereof, for a new Bond or Bonds of the same series in the aggregate principal amount of the unredeemed portion of the principal amount of such fully registered Bond. If the owner of any such fully registered Bond of a denomination greater than $5,000 shall fail to present such Bond to the Paying Agent and Bond Registrar for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of the $5,000 unit or units of face value called for redemption (and to that extent only).

20-1,863. Section 304. Effect of Call for Redemption. Whenever any Bond is called for redemption and payment as provided in this Article, all interest on such Bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

ARTICLE IV

20-1,872. **Section 701. Levy of Taxes to Pay Bonds.** The full faith, credit and resources of the City are hereby pledged to secure the payment of the principal of and interest on the Bonds as they severally become due and payable.

The governing body of the City shall make provision for the payment of said principal and interest on the Series 1992-A Bonds by levying and collecting special assessments on property benefited by the Prior Improvements financed in part with the proceeds of the Refunded Bonds, and to the extent of the City's portion of the cost of said Prior Improvements and to the extent such special assessments shall not be so collected, by levying and collecting an annual tax on all taxable tangible property within the territorial limits of the City in amounts sufficient to pay the installments of said principal and interest on the Series 1992-A Bonds as the same accrue and become payable.
In addition, the governing body of the City shall make provision for the payment of the Series 1992-B Bonds by levying and collecting an annual tax on all taxable tangible property within the territorial limits of the City in amounts sufficient to pay the installments of said principal and interest on the Series 1992-B Bonds as the same accrue and become payable.

All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance.

**ARTICLE VIII**

**MISCELLANEOUS PROVISIONS**

20-1,874. **Section 801. Sale of Bonds to Underwriters; Approval of Bond Purchase Agreement; Approval of Official Statement.** The sale of the Bonds to the Underwriters at a purchase price of 100% of the principal amount of the Bonds plus accrued interest thereon to the date of delivery thereof to the Underwriters and providing for an underwriting fee of 1.1% of par is hereby approved. The Bond Purchase Agreement between the City and the Underwriters in substantially the form attached hereto as Exhibit C is hereby approved, and the Mayor and City Clerk are hereby authorized and directed to execute and attest, respectively, the Bond Purchase Agreement for and on behalf and as the act and deed of the City.

The governing body hereby ratifies and approves the Preliminary Official Statement with respect to the Bonds, dated November 24, 1992, in the form presented to the governing body, and hereby deems said Preliminary Official Statement "final" as of its date for purposes of the requirements of Rule 15c2-12(b)(1) of the Securities and Exchange Commission, except for the omission of certain information permitted by said rule.

The distribution of the final Official Statement relating to the Bonds in substantially the form of the Preliminary Official Statement and the use thereof by the Underwriters of the Bonds is hereby approved, and the Mayor
of the City and the City Clerk are hereby authorized to execute and attest, respectively, such Official Statement on behalf of the City, with such corrections, omissions, insertions or changes as they may approve and determine appropriate.

20-1,875. **Section 802. Special Tax Covenants.** The City covenants to comply with each and every provision of the Internal Revenue Code of 1986 and the rules and regulations promulgated thereunder (the "Code"), which is or may be applicable to the Bonds or state and local obligations of the same character as the Bonds authorized and issued hereunder; provided, that, the City shall not be required to comply with any such provision if the City shall be provided with an opinion of nationally recognized bond counsel to the effect that such compliance is not required and to the effect that the failure to comply with any such provision will not cause interest on the Bonds to be subject to federal income taxation.

In particular, the City shall complete the construction of the Series 1992 Improvements that are financed with the proceeds of the Bonds not later than that day which is three years after the earlier of (i) the date of issue of the Bonds or (ii) the date construction of such Series 1992 Improvements began.

The City further covenants and agrees that no portion of the gross proceeds of the Bonds will be used (on a basis different from use by members of the general public of the Series 1992 Improvements) directly or indirectly in any trade or business carried on by any person (including exempt persons) other than the City, any other political subdivision of the State of Kansas or any governmental unit of the State of Kansas, or to make any loan to any such person.

The City will comply with all applicable information reporting requirements of the Code.

20-1,876. **Section 803. Arbitrage Covenant.** The City covenants and agrees that it will use the proceeds of the Bonds as soon as practicable and with all reasonable dispatch for the purpose for which the Bonds are issued as hereinbefore set forth, and that no part of the proceeds of the Bonds shall be invested in any securities or obligations except for the temporary period pending such use, nor used, at any time, directly or indirectly, in a manner which, if such use had been reasonably anticipated on the date of issuance of the Bonds, would have caused any of the Bonds to be or become "arbitrage bonds" within the meaning of Section 148 of the Code.
The City will abide by any applicable arbitrage rebate requirements of the Code; provided, that, the City shall not be required to abide by any such requirements if the City is provided with an opinion of nationally recognized bond counsel to the effect that such compliance is not required and to the effect that the failure of the City to abide by any such requirements will not cause the interest on the Bonds to be or become subject to federal income taxation.

Bonds of the series of which this Bond is a part becoming due on September 1, 2001 and thereafter, may be redeemed and paid prior to maturity, at the option of the City as a whole or in part, chosen in such manner as the City in its sole discretion shall determine (selection of Bonds within the same maturity to be by lot by the Paying Agent and Bond Registrar in such equitable manner as it may determine) on September 1, 2000, or on any Interest Payment Date thereafter, at the redemption price of 100% of the principal amount thereof, plus accrued interest thereon to the date fixed for redemption, without premium.
Whenever Bonds are to be selected for the purpose of redemption, the Paying Agent and Bond Registrar shall, in the case of Bonds in denominations greater than $5,000, if less than all of the Bonds then outstanding are to be called for redemption, treat each $5,000 of face value of each such fully registered Bond as though it were a separate Bond of the denomination of $5,000.

(c) The Escrow Trustee shall not invest any moneys constituting a part of the Escrow Fund hereunder except in accordance with the provisions of this Section.

Section 5. Application of Moneys in the Escrow Fund. The Escrow Trustee shall purchase the Escrowed Securities solely from the moneys deposited in the Escrow Fund. The City hereby covenants that no part of the moneys or funds at any time in the Escrow Fund shall be used directly or indirectly to acquire any securities or obligations, the acquisition of which would cause any of the Refunding Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended.
Section 7. **Irrevocable Trust; Lien on Moneys; Notice.** The trust created hereby shall be irrevocable. The owners of the Refunded Bonds shall have an express lien on and security interest in all cash funds and Escrowed Securities and all earnings thereon in the Escrow Fund until used and applied in accordance with this Agreement. Except as otherwise expressly provided in Section 6 hereof, all cash funds and the matured principal of and interest income from the Escrowed Securities in the Escrow Fund shall be applied solely for the payment of the principal of, redemption premium, if any, and interest on the Refunded Bonds.

The balance of moneys, if any, remaining in any and all funds and accounts established under this Agreement shall thereafter be returned to the City.

Section 13. Trust Funds. All the funds and accounts created and established pursuant to this Agreement shall be and constitute trust funds for the purposes provided in this Agreement and shall be kept separate and distinct from all other funds of the City and the Escrow Trustee and shall be used only for the purposes and in the manner provided in this Agreement.

Section 14. Severability. If the provisions of this Section 13 shall ever be given effect, the Escrow Trustee shall give notification thereof to Moody's Investor Service, Inc. at the address set forth in Section 10 above, not more than 10 days after such severance shall be given effect.

Section 15. Binding Effect. All the covenants, promises and agreements in this Agreement contained by or on behalf of the City or by or on behalf of the Escrow Trustee shall bind and inure to the benefit of their respective successors and assigns, whether so expressed or not.

(a) The Escrow Trustee may resign by giving notice in writing to the City, said notice to be given at least 90 days prior to the effective date of such resignation and to be published in the Kansas Register. The Escrow Trustee may be removed in the following manner:

(1) by (i) the filing with the City of an instrument or instruments executed by the owners of at least 51% in aggregate principal amount of the Refunded Bonds, (ii) the publishing of such notice at least 60 days prior to the effective date of said removal in a newspaper of general circulation or in the Kansas Register, and (iii) the delivery of a copy of the instruments filed with the City to the Escrow Trustee; or

(b) If the position of Escrow Trustee becomes vacant due to resignation or removal of the Escrow Trustee or any other reason, a successor Escrow Trustee may be appointed by the City. Notice of such appointment shall be published in accordance with the requirements more specifically set forth in clause (1)(ii) of subsection (a) of this Section. Within one year after a vacancy, the owners of a majority in principal amount of the Refunded Bonds then remaining unpaid or the outstanding Refunding Bonds may by an instrument or instruments filed with the City appoint a successor Escrow Trustee who shall supersede any Escrow Trustee theretofore appointed by the City. If no successor Escrow Trustee is appointed by the City or the owners of such Refunded Bonds then remaining unpaid or such outstanding Refunding Bonds, the owner of any such bond or any retiring Escrow Trustee may
apply to a court of competent jurisdiction for the appointment of a successor Escrow Trustee. The responsibilities of the Escrow Trustee under this Agreement will not be discharged until a new Escrow Trustee is appointed and until the cash and investments held under this Agreement are transferred to the new Escrow Trustee.

Should any transfer, assignment or instrument in writing from the City be required by any successor Escrow Trustee for more fully and certainly vesting in such successor Escrow Trustee the estates, rights, powers and duties hereby vested or intended to be vested in the predecessor Escrow Trustee, any such transfer, assignment and instruments in writing shall, on request, be executed, acknowledged and delivered by the City.

(e) Any corporation into which the Escrow Trustee, or any successor to it of the duties and responsibilities created by this Agreement, may be merged or converted or with which it or any successor to it may be consolidated, or any corporation resulting from any merger, conversion, consolidation or tax free reorganization to which the Escrow Trustee or any successor to it shall be a party shall, if satisfactory to the City, be the successor Escrow Trustee under this Agreement without the execution or filing of any paper or any other act on the part of the parties hereto, anything herein to the contrary notwithstanding.

Section 17. Fiscal Agent Account. The Escrow Trustee hereby acknowledges receipt from the City of the sum of $710.00, to be held by the Trustee separate and apart from all other funds and accounts created and established
hereunder, for the purpose of paying periodic fiscal agency fees incurred in connection with the payment of the Refunded Bonds. The funds on deposit in said account may be invested at a yield not exceeding the yield limitation applicable to the Refunding Bonds so as to assure the availability of such funds for application to such purpose from time to time. Any balance remaining in said account upon payment in full of all Refunded Bonds shall be returned to the City.

Section 18. Governing Law. This Agreement shall be governed by the applicable law of the State of Kansas.

Section 19. Counterparts. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have each caused this Agreement to be executed by their duly authorized officers and their corporate seals to be hereunto affixed and attested as of the date first above written.

Honorable Mayor and City Council

RE: $5,201,000 City of Leawood, Kansas, General Obligation Refunding and Improvement Bonds, Series 1992-A & B, Dated December 1, 1992

Dear Mayor and City Council:

George K. Baum & Company, acting as Principal in conjunction with Mark Twain Banks, Investment Bankers of Kansas City Division (the "Underwriters"), have been working with the City of Leawood for several months to develop a well planned approach toward advance refunding a portion of the City's outstanding General Obligation Bonds. Through our efforts, we have now successfully structured a proposed bond issue in the amount of $5,201,000 which will accomplish this goal and provide permanent financing for approximately $2,046,000 of other City projects. We have also developed sufficient information about the City and its current financial situation to make a decision that a properly structured general obligation bond issue, with proper management controls implemented, can be successfully accomplished.

As a result of our efforts, the Underwriters agree to underwrite the General Obligation Refunding and Improvement Bonds, Series 1992-A & B of the City and agree to have payment for the Bonds accomplished in an expeditious manner. Our agreement to underwrite the Bonds is subject to the following terms and conditions:

1) The City adopting a Bond Ordinance with normal bond covenants;

2) That a timely legal opinion as to the tax-exempt status of the bond issue be provided by a nationally recognized firm of municipal bond attorneys;

3) That the Underwriters receive a fee of 1.10% of the par amount of the Bonds, said fee being payable from bond proceeds and used to offset the expense of marketing the Bonds;

4) That the Underwriters pay the City accrued interest on the Bonds from the date of issuance until the date of delivery (December 1, 1992 through approximately December 30, 1992);

5) That the ordinary costs of issuing the Bonds be paid from bond proceeds;

6) That the stated interest rates on the Bonds and the principal maturities and interest payment dates shall be as indicated on Exhibit 1, attached; and
7) Any other terms and conditions as mutually agreed upon within the limits prescribed by Kansas Statutes.

This shall be a firm underwriting action on behalf of George K. Baum & Company as principal in the purchase transaction. We look forward to completing this financing successfully and to again assisting the City in the future.

Respectfully submitted,

GEORGE K. BAUM & COMPANY

Such mailed notice shall be given by certified mail, return receipt requested, and shall be in the form of a letter explaining the proposed change. Such mailed notices shall be addressed to the owners of land and not to occupants of such land. Failure to receive such notice shall not invalidate any subsequent action taken.

In no case shall the Board allow a fence or wall that exceeds 6 feet in height.

Section 2. Existing Section Repealed. That existing Section 2-7 of the Leawood Development Ordinance is hereby repealed. (Prior

(A) The City of Leawood requires a developer to dedicate a portion of property within a development for the Leawood Greenway and trail system ("trail").

(B) Through the common law dedication by the developer of the Grantor's property, the City of Leawood currently holds an existing easement across the Grantor's property for the construction and maintenance of the Leawood Greenway and trail system, more particularly described in Exhibit A attached hereto and made a part hereof by this reference.

(C) To alleviate any of Grantor's concerns regarding potential liability for injuries to persons using the trail, the City of Leawood is willing to accept a more formal easement from the Grantor whereby the City will clearly assume responsibility for the trail where it crosses the Grantor's property.

NOW, THEREFORE, in consideration of the covenants herein contained and for other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties agree as follows:

1. That for the consideration expressed, the undersigned, called Grantor, grants and conveys to the City of Leawood, its successors and assigns a perpetual easement upon the lands described in Exhibit A, attached hereto and made a part hereof by this reference.

2. The easement conveyed to the City is to be used and maintained by the City as a part of the Leawood Greenway and trail system as a public pathway for pedestrians, bicyclists and such other persons and uses as the City may permit.

3. The City of Leawood accepts all responsibility and liability for injuries sustained by pedestrians, bicyclists and other persons as they cross the easement conveyed herein and does hereby agree to indemnify and save harmless grantor against all claims, demands, action or causes of action arising from any loss or damage to property or injury to or
death of persons which may be due in any manner to the use and maintenance of the easement as a public pathway. Provided further that, to the extent that any injuries or damages are caused or contributed to by the grantor, the indemnification provided to grantor by this paragraph shall be inapplicable.

4. The terms of this Agreement shall run with the land and shall inure to the benefit of and bind Grantor and Grantee and their heirs, legal representatives, successors and assigns.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.

24-363. Section Three: Said notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City of Leawood, Kansas, and shall have the seal of said City affixed thereto.

24-364. Section Four: The Mayor and City Clerk of Leawood, Kansas, are hereby authorized and directed to prepare and execute said temporary notes herein authorized to be issued in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and when registered, said notes shall be countersigned by the City Clerk and delivered to Country Club Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.92% of the principal amount thereof.

24-365. Section Five: The proceeds of said temporary notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying said costs and expenses of the improvement hereinbefore described.

The City further covenants and agrees that it will comply with each and every provision of the Tax Reform Act of 1986 that is or may become applicable to the notes, including but not limited to any provisions requiring the rebate of excess earnings on funds or accounts created with respect to the note; provided, however, the foregoing provision shall be and become null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Tax Reform Act of 1986 as provided in this section shall not be required to retain and continue the tax exempt status of the interest income on the notes.
The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly-created and validly-existing political subdivision in existence since 1948;

2. Since January 1, 1992, the City has not issued any bonds or temporary notes other than the following-described obligations:

</tbody>
</table>

The City does not reasonably anticipate issuing qualified tax-exempt obligations during calendar year 1992 in an aggregate amount in excess of $10,000,000.00;

3. Other than the temporary notes, the City has not issued and does not expect to issue any other notes or obligations the proceeds of which have been or will be used to provide project financing for the improvements, other than temporary notes to be retired with the proceeds of said temporary notes and bonds to retire said temporary notes;

4. No portion of the proceeds of the sale of the notes will be loaned to or will such proceeds or the improvements be in any manner used in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Tax Reform Act of 1986.

Section Six: The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of said notes and the interest thereon.

ORDINANCE NO. 1286

AN ORDINANCE AMENDING SECTION 2-7 (FENCES AND WALLS) OF THE LEAWOOD DEVELOPMENT ORDINANCE; PERTAINING TO HEIGHT REQUIREMENTS AROUND SWIMMING POOLS AND/OR HOT TUBS, CLARIFYING THE DEFINITION OF SWIMMING POOLS AND/OR HOT TUBS, AND CLARIFYING NOTIFICATION PROCEDURES OF THE BOARD OF ZONING APPEALS AS IT RELATES TO FENCE EXCEPTIONS.

Be it ordained by the Governing Body of the City of Leawood:

Section 1. Leawood Development Ordinance Amended. That Section 2-7 of the Leawood Development Ordinance is hereby amended to read as follows:

2-7 FENCES AND WALLS

2-7.1 Intent:

a) To ensure that the look of open space in residential areas be preserved in the tradition established throughout Leawood’s development.

b) To buffer uncomplimentary land uses and generally enhance the quality and appearance of developed land areas.

c) To define exterior privacy for residential developments.

d) To secure safety to life and welfare from hazards incident to swimming pools, hot tubs, spas and other similar recreational bathing structures.

e) To ensure that design, erection and construction of fences and walls conform to ordinance requirements including height and surface drainage.

2-7.2 General Conditions and Plan Requirements:

a) Permits shall be issued by the City and fences and walls shall be subject to inspection for compliance with approved plans.

b) Fences and walls shall not be located closer to the street line than the front building line or the side building line in the case of a corner lot. (Exemptions to this requirement include retaining walls and decorative fence sections not exceeding 3 feet in height and 24 feet in length.)

c) Fences and walls shall be permitted to be located on the rear property line and in the case of through lots the rear property line shall be considered to be the opposite street frontage.
d) Wood fences shall be constructed with posts, rails, and other structural members located on the "inside" of the fence. (Finished side facing out.)

e) Fences and walls shall not restrict natural surface drainage nor be constructed to divert or channel water flow with increased velocity.

f) Fences built in combination with walls shall not exceed the required height restrictions. In addition, fences and walls built on slopes shall comply with the required height measured along the line of the fence location.

g) Walls constructed as retaining walls shall be designed and constructed to support lateral loads. Applications for retaining walls exceeding 4 feet in height, whether terraced or not, shall be accompanied by plans sealed by a structural engineer. Said plans shall be reviewed prior to the issuance of a building permit.

h) Fences and walls constructed within City owned and/or public utility easements may be removed to allow access for installation or maintenance of utilities. The property owner shall be responsible for the reconstruction and replacement of any fences and/or walls removed.

i) When the back property line of a residentially zoned lot shares a common boundary with that of another municipality, the least restrictive fence or wall height regulations of the two municipalities shall govern only for that property line which shares the municipal boundary. All other fences on property within Leawood are limited to that allowed by this ordinance.

j) All swimming pools, hot tubs, spas, or similar recreational bathing structures requiring fencing per this ordinance shall coordinate through the Building Inspection Division for issuance of the building permits for both the pool structure and the fence at the same time.

k) All required swimming pool/hot tub fencing or walls shall be constructed per Appendix Chapter 12, Division III "BARRIERS FOR SWIMMING POOLS, SPAS AND HOT TUBS" of the Uniform Building Code, 1991 Edition.

l) For purposes of this ordinance definitions for swimming pools and hot tubs shall be as established in the Uniform Building Code, 1991 Edition as provided for in (k) above.

2-7.3 Height, Location and Permit Requirements:

a) Fence height, for compliance with this ordinance, shall be measured from the finished grade of the adjoining ground to the top of the fence. When used in conjunction with any required retaining wall, the fence height shall be measured from the finished grade on the high side of the wall.
b) Fences and walls less than 4 feet in height may be constructed without a fence or wall permit, providing they comply with the general conditions and plan requirements of Section 2-7.2.

c) Fences and walls 4 feet or greater in height shall not be constructed until a permit has been issued.

d) Fences or walls up to 6 feet in height are permitted adjacent to patios and/or decks to provide privacy to such areas, and must be installed strictly in accordance with the approved plans.

e) Fences or walls up to 6 feet in height may be required by the Plan Commission to provide screening and/or buffering of one property from another.

f) Fences or walls up to 6 feet in height may be allowed by the Plan Commission if designed as an integral part of a planned residential development to provide privacy.

g) Except as provided for in (d),(e), and (f) above, fences greater than 4 feet in height up to a maximum of 6 feet in height shall only be permitted in conjunction with swimming pools and hot tubs as provided for by this ordinance.

h) Fences and/or walls enclosing swimming pools, spas and/or hot tubs shall comply with the following conditions:
   1) Height shall be 4 foot minimum (mandatory) and up to 6 foot maximum (optional). For swimming pools, the optional height above 4 foot shall only be permitted for swimming pool structures with a minimum water depth of 36 inches.
   2) Location:
      a) Swimming pools: Fences shall be located either adjacent to the structure or on the property line or other approved location complimentary to the site, so long as the structure is circumscribed.
      b) Hot tubs/Spas: Fences 4 feet in height shall be located as described in 2-7.3 h)2)a); Fences 6 feet in height shall only be allowed when constructed adjacent to the structure only, so long as the structure is circumscribed.

2-7.4 Fences Prohibited: Electric fences and barbed wire fences shall be prohibited except on AG, Agricultural, zoned properties for the purpose of containing livestock and when specifically authorized as part of an approved development plan for providing security.
2-7.5 Exceptions to Height Restrictions:
The Board of Zoning Appeals shall have the power to grant exceptions to the height restrictions for fences and walls if the Board finds that a waiver will not adversely affect the appearance of open space and the general welfare of the neighborhood which shall specifically include property values and safety of the neighborhood. The Board shall take into consideration the effect on adjoining property, the uses of adjoining property, proximity to collector or arterial streets, noise emanating from adjoining property, security of owner's property, views of and through adjoining property, safety, visual blight and other extenuating circumstances. Such exception shall require a public hearing, publication in the Official City Newspaper at least 20 days prior to the date fixed for hearing. In addition to such publication notice, the applicant shall be responsible for mailing notices of such application to all owners of land located adjacent to the property that is the subject of the application, at least 10 days prior to the hearing, thus providing an opportunity to all interested parties to be heard. Such mailed notice shall be given by certified mail, return receipt requested, and shall be in the form of a letter explaining the proposed change. Such mailed notices shall be addressed to the owners of land and not to occupants of such land. Failure to receive such notice shall not invalidate any subsequent action taken. In no case shall the Board allow a fence or wall that exceeds 6 feet in height.

Section 2. Existing Section Repealed. That existing Section 2-7 of the Leawood Development Ordinance is hereby repealed. (Prior law: Ordinance No. 1236)

Section 3. Take Effect. That this ordinance shall take effect and be in force from and after its publication in the official City newspaper.
