Section Two: Said issue of Temporary Notes, Series 126-94-16 (Mission Road, 95th Street-103rd Street), shall consist of bearer note number 1 in the denomination of $100,000. Said notes shall be dated May 16, 1994, and shall have the stated maturity date of February 15, 1995. The notes shall bear interest from the dated date, payable at maturity or upon redemption prior thereto at a rate of interest of 3.5% per annum. The notes shall be callable upon 10 days notice as hereinafter provided and shall be redeemed and cancelled before or at the time general obligation improvement bonds are issued in lieu thereof. Said notes are authorized by K.S.A. 10-123, and 12-689 and all acts amendatory thereto.

Both principal of and interest on said notes shall be payable at the office of the City Treasurer of the City of Leawood, Kansas, upon presentation and surrender of said notes at maturity.

The City of Leawood, Kansas, reserves the right to redeem and pay said notes, in whole or in part (but in any event in the full face amount of the particular note chosen for redemption) at any date prior to the stated maturity date of said notes by written notice to known holder or the publication of notice of at least one time and payment of said notes, the last publication of such notice or written notification of redemption to the known holder to be at least ten days prior to the redemption date fixed in such notice.

Section Four: The Mayor and City Clerk of Leawood, Kansas, are hereby authorized and directed to prepare and execute said temporary notes herein authorized to be issued, in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and when registered, said notes shall be countersigned by the City Clerk and delivered to Country Club Bank, the original purchaser thereof, upon payment of the purchase price thereof which shall not be less than 99.99% of the principal amount thereof.

Section Five: The proceeds of said temporary notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying said costs and expenses of the improvement hereinbefore described.

The City further covenants and agrees that it will comply with each and every provision of the Tax Reform Act of 1986 that is or may become applicable to the notes, including but not limited to any provisions requiring the rebate of excess earnings on funds or accounts created with respect to the notes; provided, however, the foregoing provision shall be and become null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Tax Reform Act of 1986 as provided in this section shall not be required to retain and continue the tax exempt status of the interest income on the notes.

The Governing Body hereby finds, determines, represents and warrants as follows:

1. The City is a duly-created and validly-existing political subdivision in existence since 1949;

Section Two: Said issue of Temporary Notes, Series 132-94-12, shall consist of bearer notes numbered 1 through 10 inclusive, each in the denomination of $100,000. Each of said notes shall be dated May 16, 1994, and shall have the stated maturity date of February 15, 1995. The notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto, at a
rate of interest of 3.50% per annum. The notes shall be callable upon 10 days notice as hereinafter provided and shall be redeemed and cancelled before or at the time general obligation improvement bonds are issued in lieu thereof. Said notes are authorized by K.S.A. 10-123, 12-6a14 and all acts amendatory thereto.

Both principal of and interest on said notes shall be payable at the office of the City Treasurer of the City of Leawood, Kansas, upon presentation and surrender of said notes at maturity.

The City of Leawood, Kansas, reserves the right to redeem and pay said notes, in whole or in part (but in any event in the full face amount of the particular note chosen for redemption), at any date prior to the stated maturity date of said notes by written notice to known holder or by the publication of notice at least one time and payment of said notes, the last publication of such notice or written notification of redemption to the known holder to be at least ten days prior to the redemption date fixed in such notice.

Section Three: Each of said notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City of Leawood, Kansas, and shall have the seal of said City affixed thereto.

Section Four: The Mayor and City Clerk of Leawood, Kansas, are hereby authorized and directed to prepare and execute said temporary notes herein authorized to be issued in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and when registered, said notes shall be countersigned by the City Clerk and delivered to Country Club Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.881% of the principal amount thereof.

The City does not reasonably anticipate issuing qualified tax-exempt obligations during calendar year 1994 in an aggregate amount in excess of $10,000,000; however, the City may issue qualified tax-exempt obligations in an aggregate amount in excess of $10,000,000 to the extent necessary to fund the improvements.

U.S. Savings Bonds for Education
Grow almost as fast as kids do.

Is it ever too soon to start saving for college? U.S. Savings Bonds grow quickly, so they’re an ideal way to save.

Buy Series EE U.S. Savings Bonds for half their face value. If you hold them five years or more, you’ll earn competitive, market-based interest, compounded semiannually, with a guaranteed minimum return.

U.S. Savings Bonds are exempt from state and local income taxes, and they’re federally tax-deferred. And if Bonds are used to pay for higher education, there may be an additional federal tax advantage.

Section Four: The Mayor and City Clerk of Leawood, Kansas, are
hereby authorized and directed to prepare and execute said temporary notes
herein authorized to be issued in the form and substance hereinbefore
described and as provided by law and to procure the proper registration in
the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and when registered, said notes shall be countersigned by the City Clerk and delivered to United Missouri Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.91% of the principal amount thereof.

Section Five: The proceeds of said temporary notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying said costs and expenses of the improvement hereinbefore described.

The City further covenants and agrees that it will comply with each and every provision of the Tax Reform Act of 1986 that is or may become applicable to the notes, including but not limited to any provisions requiring the rebate of excess earnings on funds or accounts created with respect to the notes; provided, however, the foregoing provision shall be and become null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Tax Reform Act of 1986 as provided in this section shall not be required to retain and continue the tax exempt status of the interest income on the notes.

The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly-created and validly-existing political subdivision in existence since 1948;

2. Since January 1, 1994, the City has not issued any bonds or temporary notes.

The City does not reasonably anticipate issuing qualified tax-exempt obligations during calendar year 1994 in an aggregate amount in excess of $10,000,000;

3. Other than the temporary notes, the City has not issued and does not expect to issue any other notes or obligations the proceeds of which have been or will be used to provide project financing for the improvements, other than temporary notes to be retired with the proceeds of said temporary notes and bonds to retire said temporary notes;

4. No portion of the proceeds of the sale of the notes will be loaned to or will such proceeds or the improvements be in any manner used
in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Tax Reform Act of 1986.

Section Six: The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of said notes and the interest thereon.

WHEREAS, the City of Leawood is authorized by law to issue temporary notes as provided by K.S.A. 10-123, and K.S.A. 12-809 and all acts amendatory thereto.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD:

Section One: That in order to provide funds to pay the costs and expenses of the aforesaid improvement now due or to become due in the immediate future, including necessary engineering, legal and incidental costs, there shall be issued and there is hereby authorized and directed to be issued an issue of temporary notes of the City of Leawood, Kansas, designated Temporary Notes, Series 138-94-4 (Mission Road, South of 151st Street), in the aggregate principal amount of One Million Dollars ($1,000,000.00) which amount does not exceed the total estimated costs of said improvements.

Section Two: Said issue of Temporary Notes, Series 138-94-4 (Mission Road, South of 151st Street), shall consist of bearer notes numbered 1 through 10, inclusive, each in the denomination of $100,000. Said notes shall be dated February 1, 1994, and shall have the stated maturity date of October 27, 1994. The notes shall bear interest from the dated date, payable at maturity or upon redemption prior thereto at a rate of interest of 3.65% per annum. The notes shall be callable upon 10 days notice as hereinafter provided and shall be redeemed and cancelled before or at the time general obligation improvement bonds are issued to lieu thereof. Said notes are authorized by K.S.A. 10-123, and 12-809 and all acts amendatory thereto.

Both principal and interest on said notes shall be payable at the office of the City Treasurer of the City of Leawood, Kansas, upon presentation and surrender of said notes at maturity.

The City of Leawood, Kansas, reserves the right to redeem and pay said notes, in whole or in part (but in any event in the full face amount of the particular note chosen for redemption) at any date prior to the stated maturity date of said notes by written notice to the known holder or the publication of notice at least one time and payment of said notes, the last publication of such notice or written notification of redemption to the known holder to be at least ten days prior to the redemption date fixed in such notice.

Section Three: Said notes shall be in customary form as provided by law, shall be signed by the mayor and attested by the City Clerk of the City of Leawood, Kansas, and shall have the seal of said City affixed thereto.

Section Four: The Mayor and City Clerk of Leawood, Kansas, are hereby authorized and directed to prepare and execute said temporary notes hereinafter described and as provided by law and to produce the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and when registered, said notes shall be countersigned by the City Clerk and delivered to United Missouri Bank, the original purchasers thereof, upon payment of the purchase price thereof which shall not be less than 99.95% of the principal amount thereof.

Section Five: The proceeds of said temporary notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying said costs and expenses of the improvement hereinafter described.

The City further covenants and agrees that it will comply with each and every provision of the Tax Reform Act of 1986 that is or may become applicable to the notes, including but not limited to any provisions requiring the rebate of excess earnings on funds or accounts created with respect to the notes; provided, however, the foregoing provision shall be and become null and void if to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Tax Reform Act of 1986 as provided in this section shall not be required to retain and continue the tax exempt status of the interest income on the notes.

The Governing Body hereby finds, determines, represents and warrants as follows:

1. The City is a duly-created and validly-existing political subdivision in existence since 1968;

2. Since January 1, 1994, the City has not issued any bonds or temporary notes.

The City does not reasonably anticipate issuing qualified tax-exempt obligations during calendar year 1994 in an aggregate amount in excess of $10,000,000.

3. Other than the temporary notes, the City has not issued and does not expect to issue any other notes or obligations the proceeds of which have been or will be used to provide financing for the project, other than temporary notes to be retired with the proceeds of said temporary notes and bonds to retire said temporary notes;

4. No portion of the proceeds of the sale of the notes will be loaned to nor will such proceeds or project be in any manner used in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 264 of the Tax Reform Act of 1986.
Section Six: The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of said notes and the interest thereon.

h) Except as provided for in (d), (e), (f) and (g) above, fences and/or walls greater than 4 feet in height up to a maximum of 6 feet in height shall only be permitted in conjunction with swimming pools and hot tubs/spas as provided for by this ordinance.
i) Fences and/or walls enclosing swimming pools, spas and/or hot tubs shall comply with the following conditions:

   2. the uses and physical characteristics of adjoining property;
   3. proximity to arterial streets;
   4. the applicant’s need to provide security for his person, and his property, including domestic animals or pets.

The Board may only grant an exception to height restrictions if after considering the above factors, it concludes that the factors favoring the granting of the exception outweigh any adverse impact the fence or wall may have on the appearance of open space.
Such exceptions shall require a public hearing, publication in the Official City Newspaper at least 20 days prior to the date fixed for hearing. In addition to such publication notice, the applicant shall be responsible for mailing notices of such application to the applicable homes association and to all owners of land located adjacent to the property that is the subject of the application. Such notices shall be mailed at least 10 days prior to the hearing, thus providing an opportunity to all interested parties to be heard. Such mailed notice shall be given by certified mail, return receipt requested, and shall be in the form of a letter explaining the proposed change. Such mailed notices shall be addressed to the owners of land and not to occupants of such land. Failure to receive such notice shall not invalidate any subsequent action taken.

In no case shall the Board allow a fence or wall that exceeds 6 feet in height.

The following calculations are used to determine the Annual User Cost to users of the Leawood Sanitary Sewer System.

**Volume Charge (VC):**

\[ VC = \frac{\text{Treatment Cost}}{\text{Total Flow in 1,000 Gallons}} \]

\[ VC = \frac{840,696}{622,000} \text{ (1,000 gal.)} \]

\[ VC = \frac{1.3516}{1,000 \text{ Gallons}} \]

**Customer Service Charge (CS):**

\[ CS = \frac{\text{Service Cost} + (I/I) \times VC}{\text{Number of Connections}} \]

\[ CS = \frac{142,352 + 200,000 \times 1.3516}{5,467} \]

\[ CS = \frac{87.80}{\text{per connection}} \]

**Replacement and Repair Costs (RC):**

\[ RC = \frac{\text{Replacement and Repair Cost}}{\text{No. of Connections}} \]

\[ RC = \frac{750,000.00}{5,467} \]

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD:
20-1,955. **Section One:** That in order to provide funds to pay the costs and expenses of the aforesaid improvement now due or to become due in the immediate future, including necessary engineering, legal and incidental costs, there shall be issued and there is hereby authorized and directed to be issued an issue of temporary notes of the City of Leawood, Kansas, designated Temporary Notes, Series L.I.D.93-1-93J, Project 134 (State Line Road, Phase II), in the aggregate principal amount of Seven Hundred Thousand Dollars ($700,000), which amount does not exceed the total estimated costs of said improvements.

Each of said notes shall be dated June 1, 1993, and shall have the stated maturity date of February 25, 1994. The notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto, at a rate of interest of 2.56% per annum. and expenses of the improvement hereinbefore described.

The City further covenants and agrees that it will comply with each and every
 provision of the Tax Reform Act of 1986 that is or may become applicable to the

ever, the foregoing provision shall be and become null and void if and to the extent
that the City shall receive an opinion from nationally recognized bond counsel
which concludes that compliance with the foregoing covenant and the provisions of
the Tax Reform Act of 1986 as provided in this section shall not be required to retain
and continue the tax exempt status of the interest income on the notes.

The Governing Body hereby finds, determines, represents and warrants, as

provided by and under the authority of K.S.A. 12-689.

THEREFORE, BE IT ORDAINED by the Governing Body of the City of Leawood, Kansas:

It is hereby deemed and declared to be necessary to improve and reimprove certain portions of Mission Road, from 151st Street to the southern City boundary, a distance of approximately one-half mile, located within the City of Leawood, and it is hereby authorized, ordered, and directed that said main trafficway improvements, be done under the authority of K.S.A. 12-687.

20-1,936 Section 2. The total estimated cost of the above-described main trafficway improvements or reimprovements, including construction, engineering fees, acquisition of right-of-way and easements, and contingencies, is $1,100,000.00 and shall be chargeable to the City at large and may be paid by the issuance of general obligation bonds of the City of Leawood under the authority of K.S.A. 12-689.

20-1,937 Section 3. That the costs incurred in connection with the Project shall be paid for from the proceeds of temporary notes to be issued from time to time as said costs are so incurred, and the Project shall be permanently financed with the proceeds of the sale of general obligation bonds of the City in an amount not to exceed $1,500,000.00.

20-1,938 Section 4. That to the extent the City shall pay all or any portion of the costs of the Project from available funds on hand prior to the issuance of temporary notes or bonds, the City hereby declares that it reasonably expects to reimburse such expenditures out of the proceeds of such temporary notes and such general obligation bonds. All such expenditures so reimbursed shall be capital expenditures with the meaning of Section 1.150-1(h) of the Income Tax Regulations (the "Regulations").

Section 8. This ordinance shall take effect and be of force from and after its passage and approval and publication one time in the official City newspaper.

WHEREAS, the Governing Body authorized the acquisition of land for a public park by approval of Resolution No. 1089 on December 7, 1992; and

WHEREAS, the total estimated cost of acquisition of park land is estimated to be $700,000; and

WHEREAS, the cost of said acquisition is authorized to be paid for in whole or in part by the issuance of temporary notes; and

WHEREAS, the City of Leawood is authorized by law to issue temporary notes as provided by K.S.A. 12-1302.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD:

Section One: That in order to provide funds to pay the costs and expenses of the aforesaid land acquisition now due or to become due in the immediate future, there shall be issued and there is hereby authorized and directed to be issued an issue of temporary notes of the City of Leawood, Kansas, designated Temporary Notes, Series 93L, Project 135 (Golf Course Land), in the aggregate principal amount of Seven Hundred Thousand Dollars ($700,000), which amount does not exceed the total estimated costs of said land acquisition.

Section Two: Said issue of Temporary Notes, Series 93L, Project 135, shall consist of bearer notes numbered from 1 through 7, each in the denomination of $100,000. Each of said notes shall be dated June 1, 1993, and shall have the stated maturity date of February 25, 1994. The notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto, at a rate of interest of 2.56% per annum. The notes shall be callable upon 10 days notice as hereinafter provided and shall be redeemed and cancelled before or at the time general obligation improvement bonds are issued in lieu thereof. Said notes are authorized by K.S.A. 12-1302.

Both principal of and interest on said notes shall be payable at the office of the City Treasurer of the City of Leawood, Kansas, upon presentation and surrender of said notes at maturity.

The City of Leawood, Kansas, reserves the right to redeem and pay said notes, in whole or in part (but in any event in the full face amount of the particular note chosen for
redemption), at any date prior to the stated maturity date of said notes by written notice to

notes, the last publication of such notice or written notification of redemption to the

Section Four: The Mayor and City Clerk of Leawood, Kansas, are hereby authorized and directed to prepare and execute said temporary notes herein authorized to be issued in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and when registered, said notes shall be countersigned by the City Clerk and delivered to United Missouri Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be for less than 99.89% of the principal amount thereof.

Section Five: The proceeds of said temporary notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying said costs and expenses of the project hereinbefore described.

The City further covenants and agrees that it will comply with each and every provision of the Tax Reform Act of 1986 that is or may become applicable to the notes, including but not limited to any provisions requiring the rebate of excess earnings on funds or accounts created with respect to the notes; provided, however, the foregoing provision shall be and become null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Tax Reform Act of 1986 as provided in this section shall not be required to retain and continue the tax exempt status of the interest income on the notes.
