AN ORDINANCE CALLING AN ELECTION TO BE HELD ON THE FOURTH DAY OF APRIL, 2000, FOR THE PURPOSE OF VOTING ON A PROPOSITION TO AUTHORIZE THE CITY OF LEAWOOD, KANSAS, TO LEVY A ONE-EIGHTH OF ONE PERCENT (.125%) CITY RETAILERS' SALES TAX, IN ADDITION TO THE ONE PERCENT (1.0%) CURRENTLY LEVIED, WITHIN THE CITY OF LEAWOOD, KANSAS, AND TO USE THE REVENUE FROM THE ADDITIONAL TAX TO FUND AN ACCELERATED RESIDENTIAL AND THOROUGHFARE STREET IMPROVEMENT PROGRAM AND TO MAKE STORMWATER IMPROVEMENTS WHEN SUCH IMPROVEMENTS ARE NOT OTHERWISE ELIGIBLE FOR FUNDS FROM OTHER GOVERNMENTAL ENTITIES, SUCH ADDITIONAL TAX TO TAKE EFFECT ON JULY 1, 2000 AND TO END JUNE 30, 2005.

WHEREAS, K.S.A. 12-187 et seq., as amended, authorizes certain cities, such as the City of Leawood, Kansas, to submit to the qualified electors of the City the proposition of levying a retailers' sales tax within the City, for the purpose of funding economic development initiatives, strategic planning initiatives or public infrastructure projects; and

WHEREAS, the tax must expire no later than five years from the date of imposition and shall be collected by the Kansas Department of Revenue with the revenue therefrom returned to the City; and

WHEREAS, the Governing Body of the City of Leawood, Kansas, has determined that additional revenue in the amount of approximately of at least Two Million, Four Hundred Thousand Dollars ($2,400,000) is needed for the purpose of funding the design, construction and inspection of the accelerated residential and thoroughfare street improvement program and to make the necessary improvements to stormwater drainage in the City when such improvements are not otherwise eligible for funding from other governmental sources; and

WHEREAS, it is in the best interest of the City to raise the additional revenues by a levy of a one-eighth of one percent (.125%) City Retailers' Sales Tax, in addition to the one percent (1.0%) currently levied, and to call an election for the authority to levy such additional tax which shall take effect on July 1, 2000 and which shall end on June 30, 2005.

NOW THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

SECTION 1 An election is hereby called to be held in the manner prescribed by law on the fourth day of April, 2000, for the purpose of submitting to the qualified electors of the City of Leawood, Kansas, a special question to authorize the City of Leawood, Kansas, to levy a City Retailers' Sales Tax within the City of Leawood, Kansas in the amount of one-eighth of one percent (.125%), in addition to the one percent (1.0%) currently levied, to fund an accelerated residential and thoroughfare street improvement program and to fund stormwater improvement projects which are not otherwise eligible for funding from other governmental sources, such additional tax, if approved by a majority of the electors voting thereon, to take effect on July 1, 2000, and to end June 30, 2005.
SECTION 2 That at the election, the following special question shall be submitted:

"Shall the City of Leawood, Kansas, be authorized to levy a one-eighth of one percent (.125%) City Retailers’ Sales Tax, in addition to the one percent (1.0%) currently levied, within the City of Leawood, Kansas, and to use the revenue from the additional tax to fund an accelerated residential and thoroughfare street improvement program and to fund stormwater improvement projects which are not otherwise eligible for funding from other governmental sources, such additional tax to take effect on July 1, 2000, and to end June 30, 2005?"

SECTION 3 The election shall be conducted by the Johnson County Election Commissioner, and the City Clerk and the Johnson County Election Commissioner shall cause notice of the special question election to be published in accordance with K.S.A. 12-187, as amended, and K.S.A. 10-120.

SECTION 4 If approved by a majority of the electors voting therein, such tax shall be subject to all applicable state laws and administration rules and regulations of the Kansas Department of Revenue which shall be utilized to administer, enforce and collect such tax.

SECTION 5 This ordinance shall be in force and effect from and after its publication in an official City newspaper.

SECTION 6 Upon publication, the City Clerk is hereby directed to deliver a certified copy of this ordinance to the Johnson County Election Commissioner.

PASSED this 7th day of February, 2000 by the Governing Body of the City of Leawood, Kansas.

ORDINANCE NO. 18450

AN ORDINANCE TO AMEND ARTICLES 1, 1A, AND 2 OF CHAPTER XIII OF THE LEAWOOD CITY CODE ENTITLED “STREETS AND SIDEWALKS”.

WHEREAS, the City has recently adopted a new Article 3 to Chapter XIII entitled “Use and Excavation of the Right-of-Way;” and

WHEREAS, as a result of the adoption of the new Article 3 the City finds that it is necessary to amend and revise Articles 1, 1A and 2 of Chapter XIII.

NOW THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

Section 1. That articles 1, 1A, and 2 of Chapter XIII of the code of the City of Leawood are hereby repealed.

Section 2 That the code of the City of Leawood is hereby amended by adding a new article 1, 1A and 2 to Chapter XIII which read as follows:

CHAPTER XIII. STREETS AND SIDEWALKS

ARTICLE 1. GENERAL PROVISIONS

13-101. GENERAL SUPERVISION. The supervision and control of the construction, alteration, maintenance and repair of all streets, bridges, tunnels, sidewalks, curbs and gutters, driveway entrances, storm sewers, street lights, and other public right-of-way and thoroughfares of the city shall be under the direction of the director of public works, who shall, in addition to the provisions of this chapter, enact such regulations by resolutions of the governing body as are required.

13-102. (Reserved for incorporation of specifications and standards)

13-103. PERMIT. A permit to excavate and/or construct within public right-of-way is required and application for the permit shall be made at the director of public works' office. A separate permit shall be required for each separate phase of work. All information required by the permit must be completed prior to the approval and issuance of the permit.

13-104. PERMIT FEES. All permit fees shall be established by the city administrator in the following manner:

(a) The fees and/or deposits for any permit issued under the provisions of this chapter are as set forth in the City’s Fee Schedule established and maintained by the city administrator.

(b) In addition to the permit fees required by this section, the city administrator, at his or her discretion, may require the person seeking a permit to post a bond in an amount set by the city administrator.

13-105. CUTTING, EXCAVATING OR TUNNELING OF PUBLIC RIGHT-OF-WAY. No person shall make or cause to be made any cut, excavation or tunnel in, through or under any street, sidewalk, alley or other public place or public rights-of-way in the city for any purpose whatsoever, except for as provided by Article 3 of this Chapter re: the Use and Excavation of the Public Right-of-Way

13-106. BUILDING MATERIALS IN PUBLIC RIGHT-OF-WAY. Any person desiring to use the sidewalk, street or any other part of the public right-of-way for the temporary deposit of building material during the construction or repair of any building, or during the temporary use of the same while excavating any cellar, shall apply to the director of public works for permission for such use. Upon such an application, the director of public works may grant permission to use the street, sidewalk and/or right-of-way temporarily for the purpose to be named. Not more than 1/3 of the width of the street shall be used, and in case the sidewalk is obstructed, a temporary walkway shall
be provided around such obstruction, and the gutter shall be kept open for flow of water. No person shall use or temporarily appropriate any street, sidewalk and/or right-of-way or any material part thereof without the consent of the director of public works. Upon the completion of any building, the material in the street shall be removed within 10 days. Any such obstruction shall be adequately lighted from 1/2 hour after sunset to 1/2 hour before sunrise to give warning to the drivers of vehicles.

13-107. **COMMERCIAL USE OF PUBLIC RIGHT-OF-WAY.** No person may use any portion of any sidewalk, street or any other part of the public right-of-way for the purpose of displaying or offering for sale wares, goods, merchandise or other items. Nothing in this article, however, shall be construed as prohibiting the governing body from waiving the prohibition of this section in connection with community promotions or community-wide celebrations when such waiver is considered to be in the best interest of the city.

13-108. **DANGEROUS OBJECTS IN PUBLIC RIGHT-OF-WAY.** It shall be unlawful for any person to place, throw or cause to be placed or thrown in or on any sidewalk, street, alley, public right-of-way or other public grounds of the city, any glass, tacks, nails, bottles, wire or other dangerous objects that might wound any person or animal, or cut or puncture any pneumatic tire while passing over the same.

13-109. **HARMFUL PRODUCTS IN PUBLIC RIGHT-OF-WAY.** It shall be unlawful for any person to deposit or throw any waste oil, fuel oil, kerosene, gasoline or other products of petroleum or any acids into or upon any sidewalk, street, alley, public right-of-way or other public grounds of the city, or willfully to permit the same to be spilled, dripped or otherwise to come into contact with the surface of the same.

**ARTICLE 1A. SIDEWALKS**

13-1A01. **PETITION.** When a petition signed by not less than 10 citizens owning real estate in the city requesting construction of a sidewalk is filed with the director of public works, the governing body may, in its discretion, by a resolution, order such sidewalk constructed as herein provided.

13-1A02. **CONDEMNATION, RECONSTRUCTION.** When any sidewalk, in the opinion of the governing body, becomes inadequate or unsafe for travel thereon, the governing body may adopt a resolution condemning such walk and providing for the construction of a new walk in the place of the walk condemned.

13-1A03. **NOTICE; PUBLICATION.** The resolution providing for the construction or reconstruction of a sidewalk, as the case may be, shall give the owner of the abutting property not less than 30 days nor more than 60 days after its publication one time in the official city paper in which to construct or cause to be constructed or reconstructed the sidewalk at his or her own expense. If the sidewalk is not constructed by the property owner within the time specified, the governing body shall cause the work to be done by contract.

13-1A04. **RIGHT OF ABUTTING OWNER.** Nothing in this article shall be constructed to prohibit the owner of property abutting on a street, who desires to construct or reconstruct a sidewalk at his or her own expense and in accordance with official plans and specifications for the purpose and which meet such other requirements as would have to be met if the sidewalk were constructed or reconstructed by the city, to construct or reconstruct a sidewalk without any petition or a condemning resolution by the governing body. If such property owner desires the sidewalk to be constructed and reconstructed by the city and an assessment levied as provided by law in other cases, he or she shall file a request with the governing body. The governing body, in its discretion, may provide for the construction or reconstruction of the sidewalk requested in the same manner as in other cases where citizens or taxpayers petition the governing body.

13-1A05. **REPAIRS BY OWNER OR CITY.** It shall be the duty of the owner of the abutting property to keep the sidewalk in repair, but the city may, after giving five days' notice to the owner or the owner's agent, if known, of the necessity for making repairs or without notice if the lot or piece of land is unoccupied, make all necessary repairs at any time. The same shall be done and the cost
CONTRACTS. The director of public works shall cause to be prepared a form or forms of contracts for work to be performed by independent contractors. The form or forms of such contracts shall be approved by the city attorney and adopted by resolution of the governing body.

PERFORMANCE, STATUTORY BOND. In any case where the reconstruction or construction of a sidewalk is required to be done by contract as provided in section 13-1A09 hereof, the governing body may require the contractor to give a bond for the faithful performance of the contract and for the construction of the sidewalk in accordance with the plans and specifications, ordinances of the city or laws of Kansas, and for all contracts exceeding $10,000 entered into by the city for any such purpose a statutory lien bond required by K.S.A. 60-1111 shall be furnished.

WORK ACCORDING TO SPECIFICATIONS. Any person who shall construct or assist in constructing any sidewalk or crosswalk, or rebuild or assist in rebuilding any sidewalk or crosswalk, or make or assist in making any improvement whatever upon the streets avenues or alleys of the city shall do so in accordance with the maps, plans, specifications and profiles of the director of public works above mentioned, and the rules and directions herein contained.

OBSTRUCTING SIDEWALKS. It shall be unlawful for any person to build or construct any step or other obstruction, whether temporary or permanent, or to store, leave or allow to be left any implements, tools, merchandise, goods, containers, benches, display or showcases, on any sidewalks or other public ways in the city or to obstruct the same longer than is necessary for loading or unloading any such article or object.

SAME; EXCEPTION. The director of public works may authorize the granting of temporary permits in connection with a building or moving permit for limited times only to the owner of property abutting on any sidewalk to use or encumber such sidewalk or public way the city during the construction of any building or improvement thereon. No permit shall be issued for such purpose until plans for warning and safeguarding the public during such use of sidewalks shall have been submitted by the owner or his or her contractor and approved by the city council.

SIDEWALKS COVERED WITH EARTH. No lot or piece of land abutting on any sidewalk shall be allowed to become or remain in such condition that earth or other substance therefrom shall accumulate on the sidewalk and it shall be the duty of the owner of such lot or piece of land to place the same in such condition as to prevent the accumulation of such earth or other substance on such sidewalk.

VIOLATION. For the violation of sections 13-1A08 and 13-1A11:1A14 of this article each day that the work is left in a condition unsatisfactory to the city inspector shall be considered a separate violation under this article with the exception that each such day shall not be considered a separate violation where repair work in accordance with city specifications and requirements has been commenced.

SNOW AND ICE TO BE REMOVED. It is hereby made the duty of the owner and/or the occupant of any lots abutting upon any sidewalks to cause all snow and ice to be removed from such sidewalks when deemed necessary in the interest of public safety.

SAME; REMOVAL BY CITY. If any owner or occupant of any lot or lots shall refuse or neglect to clean or remove all snow and ice from the sidewalk abutting said lot or lots, within the time specified, the city may remove the snow and ice from sidewalks and the costs of the removal shall be assessed against such abutting lot or lots and such cost shall be collected in the same manner as other taxes.

ARTICLE 2. STREETS

ALTERING DRAINAGE. No person shall change or alter any gutter, storm sewer, drain or drainage structure which has been constructed, or is being lawfully maintained or controlled by the city unless such change or alteration has been authorized or directed by the public works director.
13-202. **Burning in Streets.** It shall be unlawful for any person to make or cause to be made any fire upon any of the paved streets, alleys, or street intersections within the city.

13-203. **Hauling Loose Material.** It shall be unlawful to haul over the streets or alleys of this city any loose material of any kind except in a vehicle having a tight box so constructed as to prevent the splashing or spilling of any of the substances therein contained upon the streets or alleys.

13-204. **Obstructing Rail Crossing.** It shall be unlawful for any railroad company or any person operating a railroad in the city, to allow its trains, engines or cars to stand upon any crossing or street in excess of 10 minutes at any one time without leaving an opening in the traveled portion of the street or crossing of at least 30 feet wide.

13-205. **Train Crew; Warning.** It shall be unlawful for the conductor or engineer of any train, engine or moving cars not preceded by an engine to cross any street, alley or public place without causing a person to be stationed upon the end of the first car or at the crossing to warn of the approaching cars.

13-206. **Dumping Prohibited.** No person, firm or corporation shall dump or deposit or cause to be dumped or deposited any dirt gravel, rubbish, leaves or other debris including but not limited to lumber, paper, trash concrete or metal in any street, right-of-way, gutter, storm sewer, waterway or drainage way. Erosion of soil which flows onto any street, right-of-way, gutter, storm sewer, waterway or drainage way, from property before or during construction shall be considered as depositing dirt, gravel or other construction debris.

If upon inspection by the Chief Building Inspector, Director of Public Works or any of their designated representatives, it is determined that dirt, gravel, rubbish, leaves or other debris has been dumped or deposited in any street, right-of-way, gutter, storm sewer, waterway or drainage way in violation of the provisions of this Ordinance, he or she shall then notify the responsible permittee or permittees and give a four (4) hour period to make the affected area free and clear of said dirt, gravel or debris. If the city's representative cannot determine which permittee is responsible for cleaning the street's right-of-way, the developer of the land shall be given four (4) hours notice to make the affected area free of said dirt, gravel or debris. If within the four (4) hour period the said area is not clear, the Director of Public Works or his designate may authorize the city to take necessary action to clean up the said area and assess all charges at an established hourly rate, but in no case will the charges be less than two (2) hours for labor, materials and equipment.

The Director of Public Works shall provide a fee structure for charges to be assessed for cleanup required by this Ordinance. The permittee shall be given thirty (30) days to make payment to the city for any costs incurred to make cleanup. In the event the permittee does not make payment within the (30) days, all costs including administrative cost, will be assessed to the performance bond provided by Section 4-241.

Section 3. That this ordinance shall take effect and be in force as of the date of its passage, approval and publication as provided by law.

PASSED by the Governing Body, the 17 day of January 2000.

ORDINANCE NO. 1845C
AN ORDINANCE TO AMEND ARTICLES 1, 1A, AND 2 OF CHAPTER XIII OF THE LEAWOOD CITY CODE ENTITLED "STREETS AND SIDEWALKS."
WHEREAS, the City has recently adopted a new Article 3 to Chapter XIII entitled "Use and Excavation of the Right-of-Way" and
WHEREAS, as a result of the adoption of the new Article 3 the City finds that it is necessary to amend and revise Articles 1, 1A and 2 of Chapter XIII.
NOW THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:
Section 1. That articles 1, 1A, and 2 of Chapter XIII of the code of the City of Leawood are hereby repealed.
Section 2. That the code of the City of Leawood is hereby amended by adding a new article 1, 1A and 2 to Chapter XIII which read as follows:

CHAPTER XIII: STREETS AND SIDEWALKS
ARTICLE 1. GENERAL PROVISIONS
13-101. GENERAL SUPERVISION. The supervision and control of the construction, alteration, maintenance and repair of all streets, bridges, tunnels, sidewalks, curbs and gutters, driveway extensions, storm sewers, street lights, and other public right-of-way and thoroughfares of the city shall be under the direction of the director of public works, who shall, in addition to the provisions of this chapter, enact such regulations by resolutions of the governing body as are required.
13-102. PERMIT. A permit to erect and/or construct within public right-of-way is required and expiration for the permit shall be made at the director of public works office. A separate permit shall be required for each separate phase of work. All information required by the permit must be completed prior to the approval and issuance of the permit.
13-104. PERMIT FEES. All permit fees shall be established by the city administrator in the following manner:
(a) The fees and deposits for any permit issued under the provisions of this chapter are as set forth in the City's Fee Schedule established and maintained by the city administrator.
(b) In addition to the permit fees required by this section, the city administrator, at his or her discretion, may require the person seeking a permit to post a bond in an amount set by the city administrator.
13-106. CUTTING, EXCAVATING OR TUNNELING OF PUBLIC RIGHT-OF-WAY. No person shall cause or cause to be made any cut, excavation, or tunnel in, through or under any street, sidewalk, alley or other public place or public right-of-way in the city for any purpose whatever, except as provided by Article 3 of this Chapter: The Use and Excavation of the Public Right-of-Way.
13-106. BUILDING MATERIALS IN PUBLIC RIGHT-OF-WAY. Any person desiring to use the sidewalk, street or other part of the public right-of-way for the temporary deposit of building materials during the construction or repair of any building, or during the temporary use of the same while excavating or tunneling, shall apply to the director of public works for permission for such use.

13-106. CONTRACTS. The director of public works may be prepared to spread or forms of contracts for work to be performed by independent contractors. The form or forms of such contracts shall be approved by the city attorney and adopted by resolution of the governing body.
13-107. PERFORMANCE, STATUTORY BOND. In any case where the reconstruction or construction of a sidewalk is required to be done by contract as provided in section 13-106 herein, the governing body may require the contractor to give a bond for the faithful performance of the contract and for the construction of the sidewalk in accordance with the plans and specifications, ordinances of the city or laws of Kansas, and for all contracts exceeding $10,000 entered into by the city for any such purpose a statutory lien bond required by K.S.A. 60-1111 shall be furnished.
13-108. WORK ACCORDING TO SPECIFICATIONS. Any person who shall construct or assist in constructing any sidewalk or crosswalk, or rebuild or assist in rebuilding any sidewalk or crosswalk, or make or assist in making any improvement whatever upon the street or sidewalks or alleys of the city shall do so in accordance with the same, plans, specifications and profiles of the director of public works above mentioned, and the rules and directions between the parties.
13-109. OBSTRUCTING SIDEWALKS. It shall be unlawful for any person to build or construct any Step or other obstruction, whether temporary or permanent, or to move, leave or allow to be left any implement, tools, merchandise, goods, containers, benches, display or showcases, on any sidewalk or other public ways in the city or to obstruct the same longer than is necessary for loading or unloading any such article or object.

SAME EXEMPTION. The director of public works may authorize the granting of temporary permits in connection with a building or moving permit for limited time only to the owner of property abutting or adjoining such sidewalk or public way the city during the construction of any building or Improvement therein. No permit shall be issued for such purposes unless the street, sidewalk, or other public way in the city shall be the duty of the owner of such lot or place of land to place the same in such condition as to prevent the accumulation of such debris or other substances on such sidewalk.

13-111. SIDEWALKS COVERED WITH EARTH. No lot or piece of land abutting on any sidewalk shall be allowed to become or remain in such condition that earth or other substance shall be placed on the sidewalk and it shall be the duty of the owner of such lot or piece of land to place the same in such condition as to prevent the accumulation of such debris or other substances on such sidewalk.

13-112. VIOLATION. For the violation of sections 13-108 and 13-111 of this Article each day that such act is in effect in a condition unseasonable to the city inspector shall be considered a separate violation under this Article with the exception that such each such day shall not be considered a separate violation where repair work in accordance with city specifications and requirements has been commenced.

13-113. SNOW AND ICE TO BE REMOVED. It is hereby made the duty of the owner or occupant of any lot or piece of land abutting upon any sidewalks to remove all snow and ice from the sidewalks when deemed necessary in the interest of public safety.

13-114. SAME; REMOVAL BY CITY. If any owner or occupant of any lot or piece of land shall refuse or neglect to clear or remove all snow and ice from the sidewalks abutting said lot or lots, within the time specified, the city may remove the snow and ice from sidewalks and the cost of the removal shall be assessed against the owner or occupant and such cost shall be collected in the same manner as other taxes.

ARTICLE 2. STREETS
13-201. ALTERING DRAINAGE. No person shall change or alter any grade, street, curb or drainage system which has been constructed, or in being lawfully maintained, or controlled by the city unless such change or alteration has been authorized or directed by the public works director.

Charlotte and Donald Becker say their hopes for a perfect wedding day for their daughter were snuffed out by smoking restrictions at the party center where they had the reception.

The ban on smoking in the party center's banquet hall - imposed a week before the August nuptials of Dana Becker and Charles Johnson - meant that non-smoking guests were separated from smokers throughout the celebration, the Beckers said.

"We basically had two parties," Becker said Wednesday.

The couple were so upset they sued Vell's Party Center in Medina (Ohio) Municipal Court, alleging owner Vess Vassiljevich breached their contract when he banned smoking in his banquet hall.

A magistrate threw out the complaint Monday, ruling the Beckers did not prove they suffered economic damage. The Beckers say they plan to appeal.

"To begin with, we weren't going to rent a place that didn't allow smoking," said Becker, 50, who has smoked for 35 years. "It's a form of entertainment to me, like dancing or eating."

Vassiljevich said he did not breach the contract, which says the choice to allow smoking is "left to the customers who reserve the room." The local fire marshal ordered him to restrict smoking to a truss that the building because of a renovation in May at which a guest was exposed to smoke. Vassiljevich said Wednesday that the suit was frivolous. The Beckers "want a free wedding," he said.

But Mrs. Becker said the smoking caused many of the more than 200 guests who attended the ceremony to miss the best parts of the reception.

Some smoking guests missed the dance, which had to be held up so Donald Becker could be brought in from the parking lot, where he was also smoking.

Others missed the newlyweds cutting the cake. Donald Becker did not see his son-in-law fling his daughter's garter to the traditional throng of bachelors.

"One thing some people don't seem to understand is when you're a smoker, you need to smoke. It's an addiction," said Becker, who quit smoking years ago.

But Magistrate Charles T. Lawrie that doesn't entitle the Beckers to damagel. "As for the guests who were smokers missed important events that occurred the wedding reception," Lawrie said in a dismissal of the case, "perhaps they should have remembered why they were there and been paying attention."

15-501 GENERAL PROVISIONS

These regulations shall hereafter be known, cited and referred to as the “Stormwater Management Ordinance” of the City of Leawood, Kansas.

15-502 APPLICABILITY

The provisions of this ordinance shall extend and apply to all land within the corporate limits of the City.

15-503 INTERPRETATIONS

The provisions of this ordinance are intended to supplement existing zoning and land use ordinances of the City of Leawood. In their interpretations and application, the provisions herein shall be held to be the minimum requirements for the promotion of the public health, safety, protection of property and general welfare and where a conflict occurs the most stringent interpretation will apply.

15-504 OBJECTIVES
To promote the public health, safety, protection of property and general welfare of the citizens of Leawood, this “Stormwater Management Ordinance” is enacted for the general purpose of assuring the proper balance between use of land and the preservation of a safe and beneficial environment. More specifically, the provisions of these regulations, as amended from time to time, are intended to reduce property damage and to minimize the hazards of personal injury and loss of life due to flooding and erosion of soil through the following:

b. Definition and establishment of Stormwater Management Practice.
c. Establishment of methods and guidelines for attenuating or avoiding flooding and erosion within the City from cumulative effects of increased volume and peak discharge of surface water runoff.
d. Establishment of an appeal board to review disputed decisions of the Director of Public Works or Building Official and to resolve disputes regarding the interpretation and implementation of the provisions of this ordinance. The Board of Zoning Appeals (BZA) will hear disputes regarding interpretations of the Director of Public Works or Building Official as appropriate.

15-505 RELATIONSHIP TO OTHER LAWS

These regulations shall not be construed as abating any action now pending under, or by virtue of prior regulations or ordinances, or as discontinuing, abating, modifying or altering any penalty accruing or about to accrue, or as affecting the liability of any person, firm or corporation, by lawful action of the City, except as shall be expressly provided for in these regulations.

15-506 DISCLAIMER OF LIABILITY

The performance standards and design criteria set forth herein establish minimum requirements, which must be implemented with good engineering practice and workmanship. Use of the requirements contained herein shall not constitute a representation, guarantee or warranty of any kind by the City, or its officers and employees, of the adequacy or safety of any stormwater management structure or use of land. Nor shall the approval of a Stormwater Management Plan and the issuance of a permit imply that land uses permitted will be free from damages caused by stormwater runoff. The degree of protection required by these regulations is considered reasonable for regulatory purposes and is based on historical records, engineering and scientific methods of study. Larger storms may occur or stormwater runoff heights may be increased by man-made or natural causes. These regulations therefore shall not create liability on the part of the City or any officer with respect to any legislative or administrative decision lawfully made hereunder.

15-507 SEVERABILITY

If any section, subsection, paragraph, sentence, clause or phrase in this chapter or any part thereof is held to be unconstitutional, invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this chapter.
15-508 CONFLICT WITH PUBLIC AND PRIVATE PROVISIONS.

a. Public Provisions – These regulations are not intended to interfere with, abrogate or annul any other ordinance, rule or regulation, statute or other provision of law. Where any provision of these regulations imposes restrictions different from those imposed by any ordinance, rule or regulation or other provision of law, whichever provisions are more stringent such ordinance, rule or regulation or other provision of law shall control.
b. Private Provisions – These regulations are not intended to abrogate any easement, covenant or any other private agreement or restriction, and no such easement, covenant or private agreement or restriction will change or alter the enforcement of this ordinance.

15-509 DEFINITIONS

For the purpose of this ordinance, the words and terms as used herein are defined to mean as set out in this chapter. Words used in the present tense include the future tense; words used in the masculine include the feminine; words used in the singular include the plural, and vice-versa; the word “building” includes the word “structure”, the word, “person” includes corporation, partnership, and unincorporated association of persons; the term “used for” includes the meaning “designed for” or “intended for”, and the word “shall” or the word “must” is mandatory. A permit issued by the Director of Public Works subsequent to approval of final Stormwater Construction Plans.

Creek
A stream smaller than a river and larger than a brook.

Depression
A pressing down: lowering. A depressed area or part.

Detention
A stormwater management technique of which the primary function is to control the peak rate of surface water runoff by utilizing temporary storage and a controlled rate of release. This may include, but not be limited to, the use of reservoirs, roof tops, parking areas, holding tanks, in-pipe and in-channel storage.

Development
Development means any man-made change to improved or unimproved real property including the construction or reconstruction of buildings or structures; paving, excavation, grading, filling or similar operations; or the filing and recording of a subdivision plat.

Differential Runoff
Differential Runoff mean the volume and rate of flow of stormwater runoff discharge from a parcel of land or drainage area which is or will be greater than that volume or rate which pertained prior to the proposed development or redevelopment.

Director of Public Works
Shall mean the Director of Public Works of the City or authorized representative.

Drainageway
An area used for draining; through the act or process of draining; a means for draining.

Dry Bottom Basin
A natural or artificial stormwater storage area which is designed and maintained for temporary containment of stormwater runoff.

Earth Materials
Shall mean any rock, natural soil or combination thereof.

Easement
Authorization by a property owner for use by another party or parties of all or any portion of his/her land for a specified purpose.

Engineer
Shall mean a professional engineer licensed in the State of Kansas.

Erosion
Shall mean the wearing away of land by the action of wind, water, gravity, or a combination thereof.
Erosion and Sediment Control Plan
Shall mean a set of measures designed to control runoff and erosion, and to retain sediment on a particular site during pre-construction, construction, and after all permanent improvements have been erected or installed.

Erosion and Sediment Control Regulations
Shall mean Sections 15-525 through 15-544.

Erosion and Sediment Control Standards
Shall mean the erosion and sediment control design criteria and specifications adopted in writing by the Director of Public Works as part of the Storm Water Management Plan.

Excavate
Shall mean the mechanical removal of earth materials.

Fill
Shall mean the deposit or stockpiling of earth materials.

Floodplain
The land area adjoining a river, stream, watercourse, or lake which is likely to be flooded in the event of a one-hundred-year flood, or as shown on the National Flood Insurance Program maps, or as designated by Johnson County, or by the City of Leawood, Kansas as a floodplain system where Leawood or the County is not under the national Flood Insurance Program.

Floodway
The channel of a watercourse and the adjacent land area that must be reserved in order to discharge a one-hundred-year flood without cumulatively increasing the water surface elevation more than one (1.0) foot.

Freeboard
A factor of safety expressed as the difference in elevation between the top of the detention basin dam and the design surface water elevation resulting from the storm for which the basin’s required storage volume was determined.

Grading
Shall mean any excavating or filling of earth materials or any combination thereof.

Grading Plan
For grading plan refer to Sections 15-521 through 15-524.

Habitable Dwelling Unit
A dwelling unit intended for and suitable for human habitation.

Inspection
Shall mean the periodic field review of erosion and sediment control measures as defined in the erosion and sediment control plan for the purposes of determining compliance.

Land Disturbance/Land Disturbance Activity
Shall mean any activity that changes the physical conditions of landform, vegetation, and hydrology. Such activities include, but are not limited to, clearing, removal of vegetation, stripping, grading, grubbing, excavating, filling, logging, and storing of materials. Such activities do not include routine care of existing lawns including verti-cutting and aerating.

Land Disturbance Permit
Shall mean the land disturbance permit required for any grading, filling, clearing, and excavation land disturbance activity.

Land Fill
Shall mean any human activity depositing soil or other earth materials.

Lake
An inland body of standing water of considerable size.

Lot Lines
A common boundary or property line between adjacent property owners.

Nuisance Erosion and Sedimentation
Shall mean any land disturbance activity that causes erosion or sedimentation for a non-permitted activity less than 300 square feet in area when disturbed land remains unprotected for more than seven calendar days.

**One Hundred Year Storm**
A rainstorm having a one-percent probability of occurrence in any given year.

**Permit**
Written permission giving consent.

**Permittee**
A person, partnership, corporation or other legal entity whom a permit is granted.

**Plat**
A legally recorded plan of a parcel of land indicating the location and dimension of such features as streets, alleys, lots, easements and other elements pertinent to a subdivision.

**Pond**
A small body of water.

**Project**
Any man-made change involving the construction, reconstruction, maintenance or improvement of real property, structures and/or grounds.

**Public Owned Improvements**
Improvements such as (but not limited to) concrete channel liner, improved channel, pipes of various sizes and materials, box culverts and miscellaneous other concrete structures all on public property or in a public easement.

**Public Property**
Property owned by the City or dedicated to the City.

**Public Storm Drainage System**
Any underground enclosed pipe system and/or improved channel that is on public property or within a public easement.

**Rational Method**
An empirical formula for calculating peak rates of stormwater runoff resulting from rainfall.

**Reservoir**
A place where something is kept in store; an artificial lake where water is collected as a water supply.

**Sampling**
Shall mean the procedures associated with the determination of settleable solids and may include suspended solids in a discharge sample of water.

**Sediment**
Shall mean any solid material, mineral or organic that has been deposited in water, is in suspension in water, is being transported or has been removed from its site of origin by wind, water, or gravity as result of soil erosion.

**Soil**
Shall mean the unconsolidated mineral and organic material on the immediate surface of the earth that serves as a natural medium for the growth of land plants.

**Soil Storage**
Shall mean any human activity depositing soil or other earth materials for later use or disposal.

**Stormwater Runoff**
Water resulting from precipitation which is not absorbed by the soil, evaporated into the atmosphere, or entrapped by ground surface depressions and vegetation, and which flows over the ground surface.

**Stream**
A body of water (as a river) flowing on the earth.
Is that which is built or constructed, an edifice or building of any kind, or any piece of work artificially built up or composed of parts joined together in some definite manner.

**Swale**
A graded depression for the purpose to conveying overland flow from point to point.

**Ten Year Storm**
A rainstorm having a ten percent probability of occurrence in any given year.

**These Regulations**
Shall mean the Storm Water Management Ordinance in its entirety.

**Timbering**
Shall mean the act of cutting and removing trees without disturbing the root or adjacent vegetation.

**Tributary Area**
All of the area contributing stormwater runoff to a given point of consideration, both public and private.

**Twenty-Five Year Storm**
A rainstorm with a four percent probability of occurrence in any given year.

**Vegetative Cover**
Shall mean any grasses, shrubs, trees and other vegetation, which hold and stabilize soils.

**Water Bodies**
Shall mean surface waters including watercourse and wetlands.

**Watercourse**
Any stream, channel, creek, brook, branch, depression, reservoir, lake, pond, or drainage way in or into which stormwater runoff flows.

**Wet Bottom Basin**
A natural or artificial stormwater storage area, which is designed and maintained to contain stormwater runoff temporarily and to hold permanently an additional volume of water at a level below the discharge structure of the storage area.

**Wetlands**
Shall mean those areas that are inundated or saturated by surface or ground water at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. This does not include the following surface waters of the state intentionally constructed from sites that are not wetlands: drainage ditches, grass-lined swales, and landscape amenities.

**15-510 THE STORMWATER MANAGEMENT SYSTEM**

This ordinance establishes the Stormwater Management system, which shall be composed of a primary system, a secondary system, management controls, and management practices. These regulations shall apply to the secondary system.

**15-511 THE PRIMARY SYSTEM**

The primary system shall be composed of the regulatory floodplain as shown on the National Flood Insurance Program maps as developed for the City of Leawood by the U.S. Department of Housing and Urban Development, Federal Insurance Administration. All components of the primary system shall be designed to handle the 100-year rainfall event.
15-512 THE SECONDARY SYSTEM

The secondary system shall consist of storm drainage facilities including, but not necessarily limited to, roadway curb and gutter, open channels, swales and enclosed conveyance systems both public and private that transport stormwater runoff to the primary system (regulatory floodplain). Secondary system facilities are those designed to accommodate runoff resulting from a storm with a given design frequency.

15-513 MANAGEMENT CONTROLS

Management controls are regulations applicable to the secondary system under the provisions of this ordinance. Such controls shall limit any activity, which will adversely affect hydraulic function of any storm drainage facilities, public or private, including, but not limited to, detention facilities, open channels, drainage swales, or enclosed stormwater conveyance systems.

Exceptions to the applicability of the use of management controls for new developments may be granted in the following situations:

a. On land used and zoned for agricultural purposes where no change in grades over that, which has existed historically, will take place.

b. Construction of any buildings or structures on a site, which has been previously, provided with stormwater management control facilities as part of a larger unit of development.

The Building Official shall refer all development plans and all building permit applications that may require a stormwater drainage study and subsequent permit to the Director of Public Works.

15-514 MANAGEMENT PRACTICES

The following practices may be utilized upon approval of the Director of Public Works. Use of these methods shall be fully in accordance with the design criteria and performance standards as set forth in this ordinance:

a. Storage- Runoff may be stored in temporary or permanent detention basins, or through rooftop or parking lot ponding, or percolation storage, or by other acceptable means. Where parking lot ponding is utilized appropriate signage posting the use of the parking lot for stormwater storage must be installed.

b. Open Channels- Maximum feasible use shall be made of existing drainage ways, open channels, and drainage swales that are designed and coordinated with design of building lots and streets.

c. Streets and Curbs- Streets, curbs, and gutters shall be an integral part of the stormwater runoff management system. To the maximum extent possible, drainage systems, street layout and grades, lot patterns and the location of curb inlets and site drainage and overflow swales shall be concurrently designed in accordance with the standards set forth in these regulations.
d. Enclosed Conveyance System: Enclosed conveyance systems consisting of inlets, conduits, and manholes shall be used to convey stormwater runoff for storms with a frequency of the 10-year event.

e. Other: The stormwater runoff management practices enumerated herein shall not constitute an exclusive listing of available management practices. Other generally accepted practices and methods may be utilized where approved by the Director of Public Works and which do not contravene the objectives of this Ordinance.

15-515 PUBLIC AND PRIVATE RESPONSIBILITIES UNDER THE STORMWATER MANAGEMENT SYSTEM

a. Public Responsibilities:

1. Administration: The administration of these regulations and enforcement of this ordinance shall be the responsibility of the Director of Public Works.

2. The Public Drainage system shall be defined as follows for new construction.

   a. If a proposed drainage system, storm sewer line or improved channel, is a continuation of an existing City system, the system will be public and an applicant for plan approval will be required to dedicate necessary easements.

   b. If a proposed drainage system, storm sewer line or improved channel, extends across private property under multiple private ownership before crossing public right-of-way the system will be public and an applicant for plan approval will be required to dedicate necessary easements.

   c. If the grading of a swale is required for the conveyance of the 100-year flow, an applicant for plan approval will be required to dedicate necessary easements. The maintenance of overflow swales along property lines is the responsibility of the property owner.

3. Operation and Maintenance of Public Owned Facilities: The City's Department of Public Works shall be responsible for all maintenance of the public owned drainage system, either improved or unimproved, located on public right-of-way or city owned property. Maintenance of public owned drainage systems located on private property with public easements shall be limited to the public owned improvements such as concrete structures, pipe systems, and City improved channels. However, it shall be the responsibility of the property owner, occupant or agent in charge of private property, upon which the public storm drainage system exists, to maintain all vegetation including mowing, trimming and/or removal of dead trees and shrubs and providing of such other general maintenance as is required to maintain the free flow of stormwater.

b. Private Responsibilities:

1. Maintenance and operation of a private storm drainage system is the responsibility of the owner of the property.
2. Each developer or owner of land within the City has the responsibility to provide all approved stormwater runoff management facilities to ensure the adequate drainage and control of stormwater on the developer’s or owner’s property both during and after construction of such facilities.

3. Each developer or landowner has the responsibility and duty before and after construction to properly operate and maintain any on-site stormwater runoff control facility, which has not been accepted for maintenance by the City. Such responsibility is to run with the land and be transmitted to subsequent owners through appropriate covenants. This maintenance shall include, keeping such facilities free and clear of weeds, brush and vegetation, removal of debris or any other waste material that might impede or hinder the facilities intended use, erosion repair, and removal of silt and maintenance of structural facilities which have not been accepted for maintenance by the City.

4. Owners of detention basins and associated facilities upon completion of construction and on or before May 1 of each year, shall furnish certification by a professional engineer licensed in the State of Kansas that the detention basin has full storage capacity and that all associated facilities including inlet and outlet structures are fully functional.

5. Each property owner or resident adjacent to a natural drainage channel not maintained by the City shall maintain the free flow character by prompt removal of all debris, overgrowth or downed trees and limbs and unapproved structures. All property owners shall cooperate by overseeing their properties without encouragement of the City. In the event an Official Notice is issued by the City in accordance with City Codes and Ordinances, the property owner shall comply and may request the City’s assistance as outlined herein.

6. City Assistance – The City may provide assistance through the Public Works Department to the property owner/residents when requested, by hauling and disposing of collected debris, downed trees and broken limbs. The property owner shall cooperate with the City by placing debris and tree limbs on the side of the street for collection by the Public Works Department.

7. Failure to Maintain – If the Director of Public Works determines that the owners, occupants or agents in charge of any lot piece or parcel of land on which a drainage control structure exists or abuts has failed to properly maintain such facility as previously set forth, then Director of Public Works shall notify the owners, occupants or agents in charge of the violation in writing. If the owners, occupants or agents in charge fail, neglect or refuse to comply with the requirements specified in the notice, within 10 days, the City Clerk shall issue notice requiring the owner or agent of the owner of the premises to repair, remove, and/or abate from the premises the thing or things therein described as a defect(s) and/or nuisance and perform the necessary remedial work within ten (10) days. The notice shall state that before the expiration of the waiting period, the recipient thereof may request a hearing before the governing body or its designated representative. The notice shall be served by delivering a copy thereof to the owner or agent of such owner of the property or, if the owner or owner’s agent cannot be located, then by mailing a notice by registered mail to the last known address of the owner or agent of the owner and by posting said notice in a conspicuous place on the property. If the owner or agent fails to comply with the requirement of the notice for a period longer than the ten day time period set forth above, then the city shall proceed to cause the necessary remedial work to be performed and thereby have the things described in the
notice repaired, removed, and/or abated from the lot or parcel of ground. The city shall give notice to the owner, occupant or agent by registered mail of the total cost of such repair, abatement or removal incurred by the city. Such notice also shall state that payment of such cost is due and payable within thirty (30) days following receipt of such notice. If the cost of such repair, removal, and/or abatement is not paid within the thirty (30) day period, the cost shall be collected in the manner provided by appropriate legal action or shall be assessed and charged against the lot or parcel of ground on which the nuisance was located. If the cost is to be assessed, the City Clerk at the timing of certifying other city taxes to the county clerk shall certify the aforesaid costs, and the county clerk shall extend the same on the tax roll of the county against the lot or parcel of ground, and it shall be collected by the county treasurer and paid to the city as other city taxes are collected and paid.

15-516 PROCEDURE FOR THE SUBMISSION, REVIEW AND APPROVAL OF STORMWATER DRAINAGE STUDY

No development shall increase the quantity and rates of stormwater emanating from said land areas except in accordance with an approved Stormwater Drainage Study as provided for in these regulations. A professional engineer licensed in the State of Kansas shall prepare the Stormwater Drainage Study. The Director of Public Works shall issue no public works permit or approve any construction plans prior to the approval of the Stormwater Drainage Study.

15-517 STORMWATER DRAINAGE STUDY

A Stormwater Drainage Study shall accompany all preliminary applications for land development submitted in accordance with the City’s ordinances. This study shall contain the following information and data:

a. A site plan of suitable scale and contour interval showing topographical information of the land to be developed and adjoining land whose topography may affect the proposed layout or drainage patterns for the development.

b. A general plan of final contours of the site development shall also be shown, as shall all existing streams, waterways, channels, lakes and the extent of the established floodplain and date of flood plain map used.

c. A drainage map showing the location and calculated flow rates of all adjacent storm drainage facilities.

d. A hydraulic and hydrologic summary table showing the 10 and 100-year flows for ultimate development.

e. A general discussion of the type and characteristics of soils contained in the development area.

f. A discussion of the concepts to be considered in the development to handle anticipated stormwater runoff including the methods to be utilized to detain or control increased stormwater runoff generated by the proposed development.
g. A preliminary plan of proposed storm drainage facilities including preliminary calculations of runoff to be handled by such facilities, basic information regarding the effects the proposed project will have on the receiving streams or channels for a distance as far downstream as the runoff will have a noticeable affect. The plan should also include the proposed routing of the 100-year runoff.

h. A discussion of the possible affects that the proposed development could have on downstream facilities and areas adjoining the development and proposed solutions.

Following the receipt of the Stormwater Drainage Study, a general review meeting shall be conducted with the Director of Public Works, representatives of the Developer, and the Developer’s Engineer. The purpose of this review meeting shall be to jointly agree on the conceptual methods proposed to be utilized and the possible effects of the proposed development on existing or future adjacent developments.

15-518 FINAL CONSTRUCTION PLANS

Following the review of the Stormwater Drainage Study and after the general approval of the study by the Director of Public Works, Final Construction Plans shall be prepared for each phase of the proposed project as each phase is developed. The submittal of the final plans shall coincide with application for final approval of the development and shall constitute a refinement of the concepts approved in the study. It is important to note that if a project is to be phased, the total area of the conceptual project is to be considered in all calculations and the facility shall be designed for each phase, which will be compatible with those of the total development plan.

Final Construction Plans for any development shall conform to all construction standards set forth in the City’s ordinances, including those set forth in Section 15302 of the City’s Code.

Final Construction Plans shall also include the following additional information unless specifically allowed to be excluded by the Director of Public Works during the preliminary review of the plans.

a. A topographic map of the project site and adjacent areas, of suitable scale and contour interval, which shall define the location of streams, the extent of flood plains and calculated high water elevations, the shoreline of lakes, ponds swamps, and detention basins including their inflow and outflow structures, if any.

b. The location and flowline elevation of all existing sanitary and stormwater sewers which fall within the project limits and within a distance of 200 feet beyond the exterior boundaries of said project.

c. Detailed determination of runoff anticipated for the entire project site following project completion indicating volumes and rates of proposed runoff for each portion of the watershed tributary to the storm drainage system, the calculations used to determine said runoff volumes and rates, and summary of the criteria which have been used by the design engineer.

d. A layout of the proposed stormwater system including the location and size of all drainage structures, stormwater sewers, channel and channel sections, detention basins, and analyses regarding the effect said improvement will have upon the
receiving channel and its high water elevation. The layout shall also include 100-year flood elevations at lot corners along all open channels improved or natural, 100-year overflow swales and detention basins.

e. The slope, type, size, flow calculations and 10-year and 100-year energy grade line for all existing and proposed storm sewers and other waterways.

f. A grading and erosion and sediment control plan for the project site as described in Sections 15-521 through 15-524 and Sections 15-525 through 15-544 of this Ordinance.

g. For developments with lakes, the plan shall show the location of a silt basin and proposed access to the basin for periodic removal of silt and debris. The plans shall also show an alternate water supply to maintain the normal pool elevation and aeration for the lake.

h. A profile and one or more cross-sections of all existing and proposed channels or other open drainage facilities, showing existing conditions and the proposed changes thereto, together with the high water elevations expected from stormwater runoff under the controlled conditions called for by these regulations and the relationship of structures, streets, and other utilities to such channels.

The Director of Public Works shall review the Final Construction Plans. If it is determined according to current engineering practice that the proposed plan will provide control of stormwater runoff in accordance with the purposes, design criteria and performance standards of these regulations and will not be detrimental to the public health, safety and protection of property and general welfare, the Director of Public Works shall approve the plan or conditionally approve the plan, setting forth the conditions thereof. If approved, a permit for the construction shall be granted. If disapproved, the application and data shall be returned to the applicant for corrective action and resubmittal.

15-519 DESIGN CRITERIA AND PERFORMANCE STANDARDS

Unless otherwise approved by the Director of Public Works, the following rules shall govern the design of improvements with respect to managing stormwater runoff:

a. Development Design - Streets, blocks, depth of lots, parks, and other public grounds shall be located and laid out in such a manner as to minimize the velocity of overland flow and allow maximum opportunity for infiltration of stormwater into the ground, and to preserve and utilize existing and planned streams, channels and detention basins, and include, whenever possible, streams, and floodplains within park and other public grounds.

b. Stormwater System Design - Unless otherwise provided by the Director of Public Works, the latest approved edition of the Standard Specifications and Design Criteria, Division II, Section 2600, Construction and Material Specifications, adopted April 1996, (except section 2602.2 B Corrugated Steel Pipe and Division V) and Section 5600, Storm Drainage Systems and Facilities, of the Standard Specifications and Design Criteria, adopted March 1991, prepared by the Kansas City Metropolitan Chapter American Public Works Association, or the latest edition as amended, which is by reference made a part hereof as though expressly rewritten and incorporated in
the ordinance, shall govern the design and construction of storm sewer systems within the City except as otherwise noted herein.

1. Curb Inlets – Section 5603.1 B Capacity, shall be replaced with the following: Inlet Capacity shall be determined by using “Hydraulic Performance of Set Back Curb Inlets”, prepared by Dr. Bruce M. McEnroe and Reuben P. Wade, Department of Civil and Environmental Engineering, University of Kansas, July 1998 to allow for partial obstruction. Capacity for sizes not shown may be interpolated from the figures.

2. Plan Requirement – Section 5607: Section 5607, Plan Requirements, of the Standard Specifications and Design Criteria, adopted March 1991 or current edition, prepared by the Kansas City Metropolitan Chapter American Public Works Association, shall be deleted in its entirety. In its place the City’s Public Improvement Construction Standards, Plan Preparation for Subdivision and Storm Drainage Plans of the City of Leawood shall be used.

c. Methods of Controlling Downstream Flooding- The Stormwater Drainage Study shall identify downstream flooding impacts of the proposed development. If the Stormwater Drainage Study indicates the proposed development will cause or increase downstream local flooding conditions during the design storm, provisions to minimize such flooding conditions shall be included in the design of storm drainage improvements and/or the temporary controlled detention of stormwater runoff and its regulated discharge to the downstream storm drainage system.

d. Downstream Improvements- Improvements to minimize downstream flooding conditions may include the construction of dams, dikes, levees, and floodwalls; culvert enlargements; and channel clearance and modification projects.

1. Detention Basins- All detention basins shall be designed in accordance with Chapter 5600, except that Section 5606.4 C Detention Basin Size and Section 5606.6 Computational Methods, shall be eliminated. All modeling of detention basins shall use either HEC-1 or the KU Penn State Runoff, (enhanced version PSRM Version 7) or subsequent editions.

2. Outlet Control Works- Outlet works shall not include any mechanical components or devices and shall function without requiring attendance or control during operation. Size and hydraulic characteristics shall be such that all water in detention storage is released to the downstream storm drainage system within 24 hours after the end of the design rainfall.

e. Other Design Considerations- All stormwater detention basins shall be designed with the capability of passing a 100-year storm event from a fully developed watershed basin through the outlet works without causing failure of the embankment. It is not the intent of this requirement to entail any additional reduction of the peak runoff rate; but to assure the integrity and safety of the structure. All underground pipe systems to the detention basin shall tie directly into the outlet structure and not discharge directly into the basin unless waived by the Director of Public Works, in accordance with good engineering practices.
f. Appearance - Pipes, drainage structures, outlet works, or other necessary structural features such as a fence and a gate of detention basins shall be devised so as to be minimum in number and inconspicuous. Screening and/or landscaping shall be included and shall be in accordance with plans sealed by an Engineer.

15-520 PERFORMANCE STANDARDS

a. Stormwater Channel Location – Acceptable locations of storm water runoff channels in the design of a subdivision may included the following:

2. Channels shall be centered on back lot lines or entirely within the rear yards of a single row of lots or parcels.

3. In each of the foregoing cases, if the improved channel is to be maintained by the City a drainage easement to facilitate access maintenance and design flow shall be provided and shown on the plat. No structures will be allowed to be constructed within or across stormwater channels.

4. Maintenance of such channels shall be the responsibility of adjoining property owners except as noted in Section 15-515 a3.

b. Stormwater Sewer Outfall – The storm sewer outfall shall be designed so as to provide adequate protection against downstream erosion and scouring. All pipe discharge shall be in the direction of the channel flow. The flow line of the pipe out fall shall be at the normal pool elevation or channel bottom if dry.

c. Lot Lines – Whenever the plans call for the grading of swales for the passage of floodwater, surface runoff, or stormwater along lot lines, the grading of all such lots shall be prescribed and established for the passage of waters. No structure may be erected in these areas, which will obstruct the flow of stormwater.

In addition, installation of fences and the planting of shrubbery or trees within the areas will not be permitted. Changes in the grade and contours of the floodwater or stormwater runoff channels or facilities will not be permitted unless approved in writing by the Director of Public Works.

d. Easements – Permanent easements for the detention and conveyance of stormwater, including easements for access to structures and facilities, shall be dedicated to the City at no additional cost for those structures maintained by the City.

e. Permits – A permit for projects including detention facilities may be granted by the Director of Public Works only after Final Construction Plans have been approved and all easements have been dedicated, accepted, and recorded, and all required maintenance assurances and required bonds have been executed.
15-521 PLANS FOR GRADING

Prior to the approval of the Final Construction Plans, a plan depicting proposed site grading within the development shall be submitted to the Building Official of the City of Leawood for review and approval.

15-522 GRADING PLAN FOR DEVELOPMENT

A professional engineer licensed in the State of Kansas shall prepare the grading plan. The contents of the plan shall include the following information:

a. Contours of existing grades at intervals of not more than 2 feet.

b. Location of all property lines, existing or proposed and lot and block number.

c. Elevation and location of nearest bench mark (U.S.G.S. datum).

d. Final grading contours drawn at sufficient intervals of not more than 2 feet to depict major subdivision drainage patterns. In addition, final grading spot elevations shall be shown for all corners of each lot. Such corner elevations shall be general in nature and upon written approval of the Director of Public Works may be revised at the time of plot plan submittal. Lot lines shall have a minimum of 2% slope.

e. 100-year floodplain limits with elevation. The plan should also note the date of the study and the panel number.

f. Easement and right-of-way information including drainage easements required for offsite drainageways.

g. 100-year flood elevations for all lots adjacent to 100-year Flood Plain, open channel or 100-year overflow swale.

h. Grading plan shall show the cross section of all 100-year overflow swales, slope, depth and capacity. Minimum slope shall be 2%.

i. Erosion and sediment control plan. Refer to Sections 15-541 and 15-542.

51-523 GRADING PLAN FOR SINGLE FAMILY LOT

Applications for building permits for new construction of single-family homes shall be accompanied by a specific grading plan for that lot. Such grading plan shall be incorporated into the plot plan and shall contain as a minimum, the following information:

a. Location of property lines, all easements, street address, and lot and block number.

b. Proposed location of structure.

c. Elevations of the top of foundation, proposed grade at principal structure corners and at lot corners.
d. Contours at 2-foot intervals. The grading of the lot should match the subdivision-grading plan. Grading plan should have a minimum 2% slope along property lines.

e. Location of 100-year overflow swale. Grading plan shall show the grading of the swale. The plan should also note the cross section, slope, and depth of swale, 100-year water elevation and the low opening.

f. Where a swale is shown, the minimum low opening of the structure shall be one (1) foot above the 100-year flood elevation perpendicular to the swale.

g. Erosion and sediment control plan. Refer to Sections 15-541 and 15-542.

Additional information may be required by the Director of Public Works to assure protection of adjacent property.

15-524 MINIMUM GRADING STANDARD

The following minimum criteria for site grading shall apply to all applications for site grading:

a. Protective slopes around structures.
   Downward slope from structure foundations to drainage swales.
   1) Impervious surfaces shall be ¼ inch per foot (2%).
   2) Pervious surfaces shall be 1 inch per foot (8.33%).

b. Lawn areas
   1) Minimum gradient shall ¼ inch per foot (2%).
   2) Maximum gradient shall not be greater than 3 horizontal to 1 vertical.

c. Driveways sloping toward buildings shall be graded in such a manner as to provide an intercepting swale draining away from the structure prior to its connection with the building. Subdivision plans should be designed in a manner to limit the number of or eliminate driveways sloping away from the street.

In specific cases the use of gradients less than or greater than those specified may be required. Variance from these requirements may be allowed where justified and approved by the Director of Public Works, in accordance with good engineering practices.

15-525 EROSION AND SEDIMENT CONTROL REGULATIONS

Sections 15-525 through 15-544 shall be known as the Erosion and Sediment Control Regulations. The purpose of these standards is to promote and protect the public interest by
regulating land disturbance, land fill, and soil storage in connection with the clearing and grading of land for construction related or other purposes. It is also the purpose of these standards to encourage responsible development and minimize the cost to the development community as a result of these regulations.

These erosion control regulations establish administrative, implementation and enforcement procedures for the protection and enhancement of the water quality of watercourses, water bodies, and wetlands by controlling erosion, sedimentation, and related environmental damage caused by construction-related or other activities.

Neither these ordinances nor any administrative decision made hereunder exempts the applicant or any other person from other requirements of the City's ordinances, state and federal laws, or from procuring other required permits, or limits the right of any person to maintain, at any time, any appropriate action, at law or in equity, for relief or damages against the applicant or any person arising from the activity regulated by these ordinances.

15-526 ADMINISTRATION

The Building Official shall administer and enforce these erosion control standards. For such purposes, the Building Official shall have the powers of a law enforcement officer to issue written orders and take any other legal actions in the enforcement of these ordinances. The Building Official shall have the power to render interpretations of this these regulations and to adopt and enforce rules and supplemental regulations in order to clarify the application of its provisions. Such interpretations, rules and regulations shall be in conformance with the intent and purpose of these regulations. When it is necessary to make an inspection or to enforce the provisions of these regulations, the Building Official may enter property involved.

15-527 LAND DISTURBANCE PERMIT

Unless exempted by Section 15-528, no person may perform land disturbing activities, including clearing, grading, excavating, filling, storing or disposing of soil and earth materials without first obtaining a land disturbance permit from the Building Official as set forth in these regulations.

15-528 EXEMPTIONS

Persons performing land disturbance activities that meet any of the criteria below are not required to apply for a land disturbance permit pursuant to this chapter:

a. Land disturbances less than or equal to 300 square feet. Land disturbances, other than those set forth in exemptions (b) through (e) of this subsection, impacting land less than or equal to 300 square feet in area; provided however, that persons performing such work on such parcels who are not otherwise exempt under exemptions (b) through (e) of this subsection, must comply with the Erosion and Sediment control standards promulgated pursuant to Section 15-541 if such land remains unprotected for more than seven calendar days.
b. **Land disturbance activities by city departments.** In those cases, the department is required to comply with the requirements of the Erosion and Sediment Control Standards.

c. **Home Gardens.** Home gardening operations including plowing or tilling of land for the purposes of growing flowers and/or vegetables, but not in excess of 300 square feet.

d. **Work to correct or remedy emergencies.** This includes situations that pose an immediate danger to life or property, or substantial flood or fire hazards.

e. Routine agricultural crop management practices.

**15-529 LAND DISTURBANCE PERMIT APPLICATION**

Any person requesting a land disturbance permit must submit an application to the Building Official. The application shall be submitted on a form promulgated by the Building Official and shall include the names, addresses, and telephone numbers of the developer/owner of the property, the contractors or subcontractors actually performing the land disturbing activity and their respective tasks, the engineer responsible for the preparation of the site map and grading plan, and the engineer responsible for preparation of the erosion and sediment control plan. In addition to the application form, the person shall submit the following items:

a. A site map, and clearing and grading plan that is in compliance with Sections 15-521 through 15-524 and Section 15-542, sealed by a professional engineer licensed in the State of Kansas.

b. An erosion and sediment control plan that is in compliance with Section 15-542.

c. Work schedule in compliance with Section 15-543.

d. Land disturbance permit fee.

e. Inspection schedule.

f. Security for performance of work as required under Article 15-545.

g. Any supplementary materials related to the land disturbance as required by the Building Official.

**15-530 REVIEW FOR COMPLIANCE**

Review for compliance will begin once all information requested in Section 15-529 has been submitted.

Land disturbance permits may be issued for each land disturbance phase of a specific site. The land disturbance permit when issued in phases shall be a separate permit for each land disturbance phase. The Building Official shall review the submitted documents for compliance with the City’s regulations and adopted standards. After reviewing the documents, the Building Official shall issue a separate permit for each phase of the land disturbance activity.
Official shall determine whether or not the documents submitted are in compliance with the City’s regulations and adopted standards. If the Building Official finds that the documents are in compliance, the engineer who submitted the documents shall be advised in writing and may request a land disturbance permit in accordance with the requirements set forth in Section 15-529. If the Building Official finds that documents are not in compliance with the City’s regulations and adopted standards, the Building Official shall advise the engineer in writing, which elements of the submitted documents are not in compliance. When documents are determined to be in compliance, the determination does not imply that the City is guaranteeing specific outcomes or is the City accepting any responsibility for the documents submitted.

15-531 LAND DISTURBANCE PERMIT FEE

Before issuance of a land disturbance permit as defined in this Section, the applicant shall pay a fee to cover the cost of administration, plan review and inspection services associated with the land disturbance permit. The fee for each permit shall be as set forth by the City Council from time to time.

15-532 COORDINATION WITH OTHER PERMITS

When a person is developing a site, and a land disturbance permit is required in accordance with Section 15-527, no construction permits shall be issued to make improvements on that site until the person has secured the land disturbance permit for the same site. The Building Official may simultaneously issue a land disturbance permit and a grading permit in accordance with a plan approved by Director of Public Works.

15-533 DURATION OF PERMIT

The land disturbance permit shall be valid from the time of issuance until the site is stabilized and erosion and sediment control measures are no longer necessary and the permit is terminated as provided herein, or until the permit is otherwise suspended or revoked as provided in these erosion control standards. The site will be considered stabilized when either perennial vegetation, pavement, buildings, or structures using permanent materials cover all areas that have been disturbed. In order to terminate the land disturbance permit, the applicant shall submit a request to terminate permit to the Building Official. The Building Official will then inspect the site and make a determination as to whether the permit can be terminated. The applicant will be notified in writing of the determination.

If the applicant sells the property before the termination of the land disturbance permit, the permit may be assigned to the new owner, if such assignment is approved in writing by the Building Official.

If the applicant sells any portion of the property before the termination of the land disturbance permit, the applicant will remain responsible for that portion until one of the following events occur:

a. The new owner of the property obtains a land disturbance permit.

b. The new owner of the property obtains or is required to obtain a building permit.
15-534 SUSPENSION OR REVOCATION OF PERMIT

If normal routine enforcement activities, as defined in Section 15-540, fail to correct any non-compliance issue, the Building Official shall follow the procedures outlined in this section before any action is taken against the security as provided under Section 15-539.

The Building Official shall suspend the land disturbance permit and issue a written stop work order, and the applicant shall cease all work on the site, except work necessary to remedy the cause of the suspension, upon notification of such suspension when:

a. Applicant fails to submit reports timely and in accordance with Sections 15-545 through 15-547

b. Inspection by the Building Official reveals the site is not in substantial compliance with the erosion and sediment control plan; or

c. Applicant fails to comply with an order to bring the site into compliance with the permit within time limits imposed by the Building Official; or

d. Applicant fails to pay any required permit fee.

The Building Official shall reinstate a suspended land disturbance permit upon the applicant’s correction of the cause of the suspension.

The Building Official shall revoke the land disturbance permit and issue a stop work order if the applicant fails or refuses to cease work.

The Building Official may not reinstate a revoked permit.

15-535 INSTALLATION OF CONTROL MEASURES

The applicant shall notify the Building Official that all erosion and sediment control measures are installed in accordance with the erosion and sediment control plan and the City’s adopted standards. The applicant shall not perform any land disturbance activities prior to approval from the Building Official that all erosion and sediment control measures are installed properly.

15-536 MAINTENANCE OF CONTROL MEASURES

The applicant shall at all times maintain all erosion and sediment control measures in good order and in compliance with the erosion and sediment control plan for the site and with the City’s adopted standards, for the duration of the permit as defined in Section 15-533. In determining the Applicant’s compliance with the erosion and sediment control plan for the site, the Building Official shall take into consideration any results the applicant has obtained through sampling.
15-537 SAMPLING

The applicant shall have the option of including a system of regular sampling by individuals approved to perform such sampling by the Building Official as a part of the applicant's Erosion and Sediment Control Plan. The Building Official may require sampling to determine the effectiveness of the erosion control plan or to obtain information to investigate complaints regarding the site. Sampling shall not be the only item reviewed to determine compliance with the erosion and sediment control plan for the site. The Building Official may also perform sampling.

15-538 REMOVAL OF CONTROL MEASURES

The applicant shall receive the Building Official's approval before any structural erosion and sediment control measure identified on the plans is removed or made ineffective. Removal of erosion and sediment control measures must be performed in the manner described in the erosion and sediment control plan and in accordance with the City's adopted standards. When determining whether an erosion and sediment control measures may be removed or made ineffective, the Building Official shall take into consideration testing results furnished by the applicant.

15-539 INSPECTIONS GENERALLY

It shall be the duty of the land disturbance permit holder to install, routinely inspect, and maintain effective erosion and sediment control measures as specified in the permit holder's approved erosion control plan. The applicant shall inspect the land disturbance site at least every fourteen (14) days or more frequently if required on the plan, and within twenty-four hours following each rainfall event of 1/2" or more within any twenty-four hour period. The Building Official shall also perform regular inspections of the land disturbance site to ensure compliance with the erosion and sediment control plan for the site and the City's adopted standards. Should it be found that required erosion and sedimentation control measures have not been installed properly, the Building Official may refuse any inspection requests for work requiring inspections until such time as the site complies with the requirements of this Article. Should it be found that the installed erosion and siltation control measures are ineffective or are not being maintained properly, the Building Official shall give notice to the permit holder. Subsequent inspections may be refused if the erosion and siltation control measures are ineffective, or not being maintained.

15-540 ENFORCEMENT

The Building Official shall handle enforcement through the normal routine activities that include receiving inspection reports from the applicant, inspecting the site, communicating, negotiating, and written warnings to the applicant to resolve issues of non-compliance. However, if these methods fail, the Building Official shall proceed with the methods as defined in Sections 15-533 15-534, 15-539, 15-545 and 15-550.
15-541 EROSION AND SEDIMENT CONTROL STANDARDS

The Director of Public Works shall adopt and maintain erosion and sediment control design criteria and performance standards and specifications to assist in the administration of the land disturbance program. The erosion and sediment control design criteria and specifications shall be based on, but not limited to the following principles:

a. Fitting the development to existing site conditions.
b. Minimizing the extent and duration of exposure.
c. Protecting areas to be disturbed from storm water runoff.
d. Stabilizing disturbed areas.
e. Keeping runoff velocities low.
f. Retaining sediment on the site.
g. Inspecting and maintaining control measures.
h. Containing performance measures and outcomes.

The property owner and/or applicant may request that differing standards be applied and such request shall be granted if, in the opinion of the Building Official or Director of Public Works, such different standards will provide the same protection provided by the City's standards.

15-542 GRADING, EROSION AND SEDIMENT CONTROL SITE PLAN REQUIREMENTS

The applicant shall submit an Erosion and Sediment Control Site Plan. The Plan shall include the following:

a. A description of how the plan will prevent all sediment from leaving the site.
b. Estimated duration of the permit as defined in Section 15-533. Existing and proposed topography of the site taken at not more than a two-foot contour interval over the entire site.
c. Contours extend a minimum of 100 feet off-site, or sufficient to show on/off-site drainage.
d. Site's property lines shown in true location with respect to the plan's topographic information.
e. Location and graphic representation of all existing and proposed natural and man-made drainage facilities.
f. Location, graphic representation and legend of soil types.
The applicant shall submit a work schedule of construction activities for the development where the land disturbance activity is proposed. The work schedule shall provide, at minimum, the following information:

- Proposed clearing and grading schedule.
- Proposed schedule for installation of temporary and permanent erosion and sediment control measures.
- Proposed schedule for installation of temporary and permanent erosion and sediment detention systems.
- Estimated duration of land disturbance activity as defined in Section 15-533.
- Proposed schedule for all construction activity.
- Proposed schedule for installation of reclamation and construction activities.
- A description of the surface runoff and erosion control measures to be implemented, including, but not limited to, types and method of applying mulches, location and specifications for diverters, dikes and drains, and a schedule for their maintenance.
- A description of the surface runoff and erosion control measures to be implemented.

15-544 VIOLATIONS

Any violation of Sections 15-525 through 15-543 shall be subject to the provisions of Section 15-550.

15-545 BONDS, MAINTENANCE ASSURANCES, AND PERMITS

Upon approval of the final Construction Plan, but before the issuance of a construction permit, the Director of Public Works shall require the applicant to post a performance bond, cash escrow, certified check, or other form of performance security acceptable to the Director of Finance for the amount of the work to be done pursuant to the approval of the Final Construction Plans for any facility or improvement to be dedicated to the public.

The Building Official shall require the applicant to provide security equal to the estimated cost to install and maintain the approved erosion and sediment control measures. The Building Official may take action against the security if the applicant fails to install or maintain the erosion and sediment control measures in accordance with the erosion and sediment control plan for the site and the City’s adopted standards for the duration of the permit as defined in Section 15-533. The Building Official will provide the applicant with ten (10) days written notice before any action is taken against the security, and if during that ten (10) day period the applicant bring control measures into compliance with the Plan, no action shall be taken against the security.

15-546 MAINTENANCE BONDS

A two-year maintenance bond against defects in workmanship will be required by the City for any portion of the improvements dedicated for public maintenance.

15-547 PERMITS

Upon approval of the Final Construction Plans and Erosion and Sediment Control Plan and acceptance of the applicant’s assurances of performance and maintenance as provided in these regulations, the Director of Public Works shall issue a permit for construction and the Building Official shall issue a Land Disturbance Permit.

15-548 APPEALS

Any person aggrieved by a decision of the Director of Public Works or Building Official in the enforcement of this ordinance shall have the right to appeal any such order, requirement, decision, or determination in accordance with the following procedures:

a. The aggrieved party may appeal the action of the Director of Public Works or Building Official to the Board of Zoning and Appeals by filling written notice within ten calendar days of the action. The Board of Zoning and Appeals shall consider any information offered by the aggrieved person bearing on the dispute and may
recommend an appropriate course of action; either reversal, modification, or confirmation. The Director of Public Works or Building Official shall be present at the hearing as appropriate, shall act on the recommendation in a manner consistent with his responsibilities under these regulations.

b. Any person aggrieved by any final decision of the Director of Public Works or Building Official following review by the Board of Zoning and Appeals may seek review by a court of competent jurisdiction in the manner provided by the laws of the State of Kansas.

15-549 DAMAGING OR ALTERING STORMWATER MANAGEMENT FACILITIES

No person, firm, association, partnership or corporation shall maliciously, willfully or negligently break, damage, destroy, deface, alter or tamper with any structure, appurtenance or facility which is a part of the municipal stormwater system or an approved stormwater management plan. No person, firm or corporation shall cause or permit the curbs and gutters in the city to be filled with any material, which tends to restrict or divert the flow of water therein except that the Director of Public Works may upon request grant written permission for an exception. Any violation of this section shall be subject to the provisions of Section 15-550.

15-550 PENALTY FOR VIOLATION-ACTION

The violation of any provision of this Ordinance is a misdemeanor, and any person, firm, association, partnership or corporation convicted thereof shall be punished by a fine not less than Two Hundred Dollars ($200.00) nor more than Five Hundred Dollars ($500.00) The City of Leawood, Kansas, shall further have the authority to maintain suits or actions in any court of competent jurisdiction for the purpose of enforcing the provisions of this chapter and to abate nuisance maintained in violation thereof; and in addition to other remedies, institute injunction, mandamus, or other appropriate action or proceeding to prevent such unlawful erection, construction, reconstruction, alteration, conversion, maintenance, or use, or to correct or abate such violation, or to prevent the occupancy of the building, structure, or land. Each day of any violation of this chapter shall constitute a separate offense.

SECTION II

Existing sections 15-305, 15-306 and 15-307 are hereby repealed.

SECTION III

This Ordinance shall be in full force and effect from and after its passage by the City Council and approval by the Mayor and publication according to law.

PASSED by the Council this 3rd day of January, 2000.
Approved by the Mayor the 3rd day of January, 2000.

ORDINANCE NO. 1834 C

WHEREAS, the increased use and demand on the right-of-way by utilities and other right-of-way users has created a need for the City to regulate such use by ordinance; and

WHEREAS, the Governing Body has determined that such ordinance is necessary to protect the public safety and welfare; and

WHEREAS, the City has the authority to adopt by ordinance such regulation through both statute, home rule and its police powers; and

WHEREAS, on October 18, 1999 the Governing Body approved Ordinance 1821C creating an ordinance regarding the Use and Occupancy of the Public Right-of-way; and

WHEREAS, on that date the city of Overland Park approved a similar but different ordinance; and

WHEREAS, on November 1, 1999 the Governing Body indicated its desire to adopt changes to Ordinance 1821C to coincide with the ordinance approved by the city of Overland Park; and

WHEREAS, the Governing Body now hereby repeals and amends the provisions enacted by Ordinance 1821C regarding the Use and Occupancy of the Public Right-of-way to adopt these changes;

NOW THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

Section 1. That Ordinance No. 1821C is hereby repealed.

Section 2. That Sections 13-1A02, 13-1A03, and 13-202 through 13-214 of the Leawood City Code are hereby repealed.

Section 3. That the code of the City of Leawood is hereby amended by adding Article 3 of Chapter 13 which as follows:

ARTICLE 3 USE AND OCCUPANCY OF THE PUBLIC RIGHT-OF-WAY

13-301 General.
(a) No person shall excavate the right-of-way, construct, or use the facilities within the right-of-way of the City except as provided herein.

13-302 Purpose.
(a) To recognize the City's primary role as chief steward of the right-of-way and its duty to its citizens to recover the costs of managing the right-of-way and incursions into it;
(b) To clarify and regulate conditions of occupancy and construction for those ROW-users occupying space within the City's right-of-way given the anticipated increased use of the right-of-way by various ROW-users throughout the country;
(c) To recognize the necessity for sound management practices in light of the increased use of the right-of-way and the fact that the right-of-way is a limited resource;
(d) To treat each ROW-user equitably and in a competitively neutral manner with considerations that may be unique to the technologies and situation of each particular ROW-user;
(e) To minimize disruption, visual impact or inconvenience to the public, and to preserve the public health,
safety and welfare; and
(f) To comply with state and federal legislation.

13-303 Definitions.

(a) For purposes of this Ordinance, the following words and phrases shall have the meaning given herein:

(1) “Abandoned Facilities” means those facilities owned by the ROW-user that are not in use and will not be utilized by the owner in the future.

(2) “Administrative Fee” means the fee charged by the City to recover its cost incurred for right-of-way management; including, but not limited to, costs associated with registering applicants; issuing, processing, and verifying right-of-way permit applications; inspecting job sites and restoration improvements; determining the adequacy of right-of-way restoration; revoking right-of-way permits and, other costs the City may incur in managing the provisions of this ordinance.

(3) “Affiliate” means any person controlling, controlled by or under the common control of a “service provider”.

(4) “Applicant” means any person requesting permission to occupy, lease or operate facilities using the right-of-way, or to excavate the right-of-way.

(5) “Area of Influence” means that area around a street excavation where the pavement and sub-grade is impacted by the excavation and is subject to more rapid deterioration.

(6) “City” means the City of Leawood, Kansas, a municipal corporation and any duly authorized representative.

(7) “Construct” means and includes construct, install, erect, build, affix or otherwise place any fixed structure or object, in, on, under, through or above the right-of-way.

(8) “Day” means calendar day unless otherwise specified.

(9) “Degradation” means the accelerated depreciation of a street caused by excavation in or disturbance of the street, resulting in the need to reconstruct such right-of-way earlier than would be required if the excavation did not occur.

(10) “Degradation fee” means the fee charged by the City to recover the cost to the City and the public at large associated with a decrease in the useful life of a street caused by excavation.

(11) “Depreciation rate” means the rate at which the useful service life of a public street improvement deteriorates over time.

(12) “Emergency” means a condition that (a) poses a clear and immediate danger to life or health, or of a significant loss of property; or (b) requires immediate repair or replacement in order to restore service to a user.

(13) “Excavate” means and includes any cutting, digging, excavating, tunneling, boring, grading or other alteration of the surface or subsurface material or earth in the right-of-way.

(14) “FCC” means Federal Communications Commission.

(15) “Facility” means lines, pipes, irrigation systems, wires, cables, conduit facilities, poles, towers, vaults, pedestals, boxes, appliances, antennas, transmitters, gates, meters, appurtenances, or other equipment.

(16) “Facility based service provider” means a service provider owning or possessing facilities in the right-of-way.

(17) “Governing body” means the Mayor and the City Council of the City of Leawood, Kansas.

(18) “Governmental entity” means any county, township, city, town, village, school district, library district, road district, drainage or levee district, sewer district, water district, fire district or other municipal corporation, quasi-municipal corporation or political subdivision of the State of Kansas or of any other state of the United States and any agency or instrumentality of the State of Kansas or of any other state of the United States.

(19) “KCC” means the Kansas Corporation Commission.

(20) “Parkway” means the area between a property line and the street curb. Sometimes called boulevard, tree-shelf or snow-shelf.

(21) “Pavement” means and includes Portland cement concrete pavement, asphalt concrete
pavement, asphalt treated road surfaces and any aggregate base material.

(22) "Permittee" means any person to whom a right-of-way permit is issued to excavate a right-of-way.

(23) "Person" means any natural or corporate person, business association or business entity including, but not limited to, a partnership, a sole proprietorship, a political subdivision, a public or private agency of any kind, a utility, a successor or assign of any of the foregoing, or any other legal entity.

(24) "Public improvement" means any project undertaken by the City for the construction, reconstruction, maintenance, or repair of any public infrastructure, and including without limitation, streets, alleys, bridges, bikeways, parkways, sidewalks, sewers, drainage facilities, traffic control devices, street lights, public facilities, public buildings or public lands.

(25) "Public lands" means any real property of the City that is not right-of-way.

(26) "Public Works Director" means the Public Works Director, Leawood, Kansas, or the authorized representative.

(27) "Registration" means the application process of a service provider, the approval of the application by the City, and the authorization of the service provider to use any portion of the right-of-way within the City to provide service both within and beyond the City limits.

(28) "Repair" means the temporary construction work necessary to make the right-of-way useable.

(29) "Reseller service provider" means a service provider providing service within the City that does not have its own facilities in the right-of-way, but instead uses the right-of-way by interconnecting with or using the network elements of another service provider utilizing the right-of-way, and/or by leasing excess capacity from a facility-based service provider.

(30) "Restoration" means the process by which an excavated right-of-way and surrounding area, including pavement and foundation, is returned to the same condition, or better, that existed before the commencement of the work.

(31) "Right-of-way" means the area on, below or above the present and future City streets, alleys, bridges, bikeways, parkways and sidewalks.

(32) "Right-of-way Permit" means the authorization to excavate for the construction, installation, repair or maintenance of any type of facility within the right-of-way.

(33) "Routine Service Operation" means a work activity that makes no material change to the facilities and does not disrupt traffic.

(34) "ROW-user" means a person, its successors and assigns, that uses the right-of-way for purposes of work, excavation, provision of services, or to install, construct, maintain, repair facilities thereon, including, but not limited to, landowners and service providers. A ROW-user shall not include ordinary vehicular or pedestrian traffic or any governmental entity that has entered into an agreement pursuant to K.S.A. 12-2901 et seq. with the City regarding the use and occupancy of the City's right-of-way, or a reseller service provider that does not own or control its own facilities in the right-of-way.

(35) "Service" means a commodity provided to a person by means of a delivery system that is comprised of facilities located or to be located in the right-of-way, including, but not limited to, gas, telephone, cable television, Internet services, Open Video Systems, alarm systems, steam, electric, water, telegraph, data transmission, petroleum pipelines, or sanitary sewerage.

(36) "Service provider" means any person that is a provider of a service for or without a fee that has the requisite certifications and authorizations from applicable governmental entities, including the KCC and the FCC, to provide such service. Service provider includes both facility-based service providers and reseller service providers.

(37) "Street" means the pavement and sub-grade of a City residential, collector or arterial roadway.

13-304 Policy.

(a) It is the policy of the City to authorize any ROW-user to utilize the right-of-way in a competitively neutral, non-discriminatory manner that maximizes the efficient use of and conserves the right-of-way
and minimizes the burden on the right-of-way, physically and aesthetically. Any use of the right-of-way by a ROW-user shall be subject to the terms and conditions hereof, in addition to other applicable federal, state or local requirements.

(b) The right granted to the ROW-user to use the right-of-way is limited to the use that the ROW-user has filed with the City in accordance with this Ordinance. These rights are for the exclusive use of the ROW-user except where otherwise provided herein, or when authorized by the City.

(c) This Ordinance also is designed to regulate occupancy and excavations in the right-of-way by providing, among other things, for the issuance of permits which grant the authority to utilize and occupy the right-of-way within the City.

(d) All ROW-users shall be subject to all rules, regulations, policies, resolutions, and ordinances now or hereafter adopted or promulgated by the City in the reasonable exercise of its police power and are subject to all applicable laws, orders, rules and regulations adopted by governmental entities now or hereafter having jurisdiction. In addition, the ROW-users shall be subject to all technical specifications, design criteria, policies, resolutions and ordinances now or hereafter adopted or promulgated by the City in the reasonable exercise of its police power relating to permits and fees, sidewalk and pavement cuts, utility location, construction coordination, surface restoration, and other requirements on the use of the right-of-way.

13-305 Administration.

(a) The Public Works Director is the principal city official for administration of right-of-way permits for work and excavations made in the right-of-way. The Public Works Director may delegate any or all of the duties hereunder.

(b) The Public Works Director is the principal City Official responsible for administration of the registering of a service provider. The Public Works Director may delegate any or all of the duties hereunder.

13-306 Requirements of Service Provider.

(a) Any existing service provider must register within thirty (30) days of the effective date of this Ordinance.

(b) Any person, who is not an existing service provider prior to the effective date of this Ordinance and who wishes to become a service provider, must first register with the City.

(c) The service provider shall report any changes in its registration information within thirty (30) days.

(d) No service provider shall be authorized to utilize the right-of-way in any capacity or manner without registering and obtaining the necessary right-of-way permit from the City.

(e) The information required for registration includes the following:

1. Identity and legal status of service provider, including related affiliates.

2. Name, address, telephone number, fax number and email address of officer, agent or employee responsible for the accuracy of the registration statement.

3. Name, address, telephone number, fax number and email address of the local representative of the service provider who shall be available at all times to act on behalf of the service provider in the event of an emergency.

4. Proof of any necessary permit, license, certification, grant, registration, franchise agreement or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC.

5. Description of the service provider's intended use of the right-of-way.

6. Information sufficient to determine whether the service provider is subject to franchising by Kansas law.

7. Information sufficient to determine whether the service provider has applied for and received any certificate of authority required by the Kansas Corporation Commission.

8. Information sufficient to determine that the service provider has applied for and received any permit or other approvals required by the Federal Communications Commission.

9. Information which identifies reseller service providers as provided hereinafter.

10. Such other information as may be reasonably required by the City to complete the registration statement.
(f) Each service provider shall designate a local person familiar with the facilities who will act as a local agent for the service provider and will be responsible for satisfying information requirements of this Ordinance. The service provider shall present to the City the agent's name, address, telephone number, fax number and email address. The agent shall be the person to whom relocation notices and other such notices shall be sent, and with whom rests the responsibility to facilitate all necessary communications. The service provider shall be responsible for all costs incurred by the City due to the failure to provide such information to the City.

(g) Prior to construction, reconstruction, repair, maintenance, or relocation of facilities owned by the service provider in the right-of-way, the service provider shall first obtain the necessary right-of-way permit as provided hereafter.

(h) Prior to providing service to the City and its residents, the service provider shall first obtain the necessary franchise agreement, if any, from the City.

(i) The service provider shall participate in any joint planning, construction and advance notification of right-of-way work, including coordination and consolidation of street cut work as directed by the Public Works Director. In addition, the service provider shall cooperate with other service providers and the City for the best, most efficient, most aesthetic and least obtrusive use of the right-of-way, consistent with safety, and to minimize traffic and other disruptions, including street cuts.

(j) The service provider shall furnish maps showing the location of facilities of the service provider within the City as provided hereafter.

(k) To the extent allowed by law, the City may limit the number of registrations, based upon, but not necessarily limited to, specific local considerations such as:

(1) The capacity of the right-of-way to accommodate service facilities;
(2) The impact on the community of the volume of facilities in the right-of-way;
(3) The disruption arising from numerous excavations of the right-of-way;
(4) The financial capabilities of the service provider and its guaranteed commitment to make necessary investments to erect, maintain and operate the proposed facilities; or
(5) Any other consideration based upon the interests of the public safety and welfare.

(l) The City shall not exercise its authority under this provision to in any way deter competition or discriminate against any service provider.

13-307 Mapping Requirement of Service Provider.

(a) The service provider shall keep and maintain accurate records and as-built drawings depicting accurate location of all its facilities constructed, reconstructed or relocated in the right-of-way.

(b) Within ten (10) days of a request by the City, the service provider will provide to the City information concerning such facilities as may be reasonably requested.

(c) When available to the service provider, such information will be submitted electronically in an AutoCad® format to the extent compatible with the City’s Geographical Information Systems (GIS) and Johnson County Automated Integrated Mapping Systems (AIMS) provided, however, that nothing herein shall be construed to require the service provider to acquire or modify any electronic mapping system.

(d) Underground facilities shall be differentiated from overhead facilities.

(e) Such mapping and identification shall be at the sole expense of the service provider.

(f) Such information shall be considered confidential and proprietary and shall remain the sole property of the service provider. Additionally, pursuant to K.S.A. 45-221(18), as amended, such information shall not constitute public records subject to K.S.A. 45-218, as amended. In the event the City's denial of any request for such information is challenged, the City shall immediately notify the service provider, and will take such action as may be reasonably required to cooperate with the service provider's efforts to safeguard such information.

13-308 Service Provider's Right to Sell, Transfer, Lease, Assign, Sublet or Dispose.

(a) Except as provided hereafter, the service provider shall not sell, transfer, lease, assign, sublet or dispose of its facilities, or any portion thereof, that is located in City right-of-way, or any right, title or interest in the same, or the transfer of any rights granted by the City to any person either by forced or
involuntary sale, or by ordinary sale, consolidation or otherwise, without notice to the City. This provision shall not apply to the sale of property or equipment in the normal course of business or to the sale or lease of facilities to reseller service providers. No notice to the City shall be required for a transfer in trust, mortgage, or other similar instrument, in whole or in part, to secure an indebtedness, or for a pro forma transfer to a corporation, partnership, or other entity controlling, controlled by or under common control with the service provider.

13-309 Reseller Service Providers.

(a) A service provider may permit and has the authority to sell, sublet, or lease any use of excess capacity and sell services for resale to any reseller service provider providing service within the City, including the service provider's subsidiary or affiliate. The reseller service provider shall first register and obtain any necessary permit, license, certification, grant, registration, franchise agreement or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC. The service provider shall also provide the City on at least a semi-annual basis the identity of entities with which the service provider has entered into an interconnection and/or resale agreement within the State of Kansas. This notice will not relieve the reseller service provider from its own obligation to register and obtain any necessary franchise with the City. Nothing in this Ordinance shall prevent a facility-based service provider from providing to any reseller service provider the use of the facility-based service provider's facilities in the right-of-way as authorized by federal or state law.

13-310 Use of the Right-of-Way.

(a) The ROW-user's use of the right-of-way shall in all matters be subordinate to the City's use or occupation of the right-of-way. Without limitation of its rights, the City expressly reserves the right to exercise its governmental powers now and hereafter vested in or granted to the City.

(b) The ROW-user shall coordinate the placement of facilities in a manner which minimizes adverse impact on any public improvement, as reasonably determined by the City. Where placement is not regulated, the facilities shall be placed with adequate clearance from such public improvements as not to impact or be impacted by such public improvement as defined in the City's Manual of Infrastructure Standards available in the office of the Public Works Director.

(c) The ROW-user shall consider any request made by the City concerning placement of facilities in private easements in order to limit or eliminate future street improvement relocation expenses.

(d) All facilities shall be located and laid so as not to disrupt or interfere with any pipes, drains, sewers, irrigation systems, or other structures or public improvements already installed. In addition, the ROW-user shall, in doing work in connection with its facilities, avoid, so far as may be practicable, disrupting or interfering with the lawful use of the streets, alleys, sidewalks or other public lands of the City.

(e) All facilities of the ROW-user shall be placed so that they do not interfere with the use of right-of-way and public lands. The City, through its Public Works Director, shall have the right to consult and review the location, design and nature of the facility prior to its being installed.

(f) Whenever reasonably possible, all newly constructed facilities shall be located underground. The ROW-user shall comply with all requirements of the City relating to underground facilities. This requirement may be waived by the Public Works Director at his discretion for safety concerns, or some other good cause under the condition that does not cause discrimination among ROW-users. If this requirement is waived, the facilities shall be located as directed by the Public Works Director, including, but not limited to, requirements regarding location and height.

(g) The ROW-user shall not interfere with the facilities of the other ROW-users without their permission. If and when the City requires or negotiates to have a service provider cease using its existing poles and to relocate its facilities underground, all other service providers using the same poles shall also relocate their facilities underground at the same time, subject to the appeal process contained in Section 13-328, as amended.

(h) The Public Works Director may assign specific corridors within the right-of-way, or any particular segment thereof as may be necessary, for each type of facility that is currently or, pursuant to current technology, the Public Works Director expects will someday be located within the right-of-way. All right-of-way permits issued by Public Works Director shall indicate the proper corridor for the ROW-user's facilities. Any ROW-user whose facilities are currently in the right-of-way in a position at a variance with the designated corridors shall, no later than at the time of next reconstruction or
excavation of the area where its facilities are located, move the facilities to its assigned position within
the right-of-way, unless this requirement is waived by Public Works Director for good cause shown,
upon consideration of such factors as the remaining economic life of the facilities, public safety, user
service needs and hardship to the ROW-user.

(i) If, in the preparation and planning of a right-of-way project, the Public Works Director deems it
appropriate for a conduit to be constructed along, across or under the right-of-way, the Public Works
Director shall contact all appropriate ROW-users for their input on the planning and design of such
conduit. If a ROW-user desires to construct, maintain or operate facilities along such right-of-way, the
Public Works Director may require the ROW-user to use such conduit, and to contribute to the expense
of such conduit, provided, however, the ROW-user use of the conduit is reasonable and appropriate
under the circumstances.

(j) All earth, materials, sidewalks, paving, crossings, utilities, other public improvements or improvements
of any kind damaged or removed by the ROW-user shall be fully repaired or replaced promptly by the
ROW-user at its sole expense and to the reasonable satisfaction of the City. Upon determination by the
Public Works Director that such repair or replacement is a public safety matter, all such repair or
replacement shall be commenced within twenty-four (24) hours of notice from the City, or the Public
Works Director may direct the City to make such repair or replacement and bill the ROW-user for the
City cost. The Public Works Director has the authority to inspect the repair or replacement of the
damage, and if necessary, to require the ROW-user to do any necessary additional work.

(k) All technical standards governing construction, reconstruction, installation, operation, testing, use,
maintenance, and dismantling of a ROW-user's facilities in the right-of-way shall be in accordance with
applicable federal, state and local law and regulations, including those promulgated by national trade
associations commonly associated with the service provided by the ROW-user. It is understood that
the standards established in this paragraph are minimum standards and the requirements established or
referenced in this Ordinance may be in addition to or stricter than such minimum standards. A ROW-
user shall not construct or reconstruct any of its facilities located upon, over, under or within the City
right-of-way without first having submitted in writing a description of its planned improvement to the
Public Works Director and having received a permit for such improvement. The Public Works Director
may require that any drawings, plans and/or specifications submitted be certified by a Kansas registered
professional engineer stating that such drawings, plans and/or specifications comply with all applicable
technical codes, rules and regulations, unless such plans are based directly on nationally recognized
codes, which are appropriately cited, and attested to on the plans by the signature of an authorized
official of the organization applying for the permit.

(l) The ROW-user shall cooperate promptly and fully with the City and take all reasonable measures
necessary to provide accurate and complete on-site information regarding the nature and horizontal and
vertical location of its facilities located within the right-of-way, both underground and overhead, when
requested by the City or its authorized agent for a public improvement. Such location and identification
shall be at the sole expense of the ROW-user without any expense to the City, its employees, agents,
or authorized contractors.

13-311 Facility Relocation.

(a) The ROW-user shall promptly remove, relocate or adjust any facilities located in the right-of-way as
directed by the City for a public improvement or when reasonably required by the City by reason of
public safety. Such removal, relocation, or adjustment shall be performed by the ROW-user at the
ROW-user's expense without expense to the City, its employees, agents, or authorized contractors and
shall be specifically subject to rules, regulations and schedules of the City pertaining to such. The
ROW-user shall proceed with relocations at due diligence upon notice by the City to begin relocation.

(b) The ROW-user shall promptly remove, relocate or adjust any facilities located in private easement, as
directed by the City, for a public improvement, at City expense, by moving such facilities to areas
within the expanded right-of-way or within remaining private easements or remaining portions of such
easements not condemned by nor disclaimed to the City to avoid conflict with City construction and
improvements. The ROW-user shall disclaim those parts of its easements which lie within the
expanded right-of-way. Should the City, in the future, elect to require the ROW-user to again relocate
its facilities to other areas within the expanded right-of-way, the cost of any such future relocation shall
be borne by the City.

(c) As soon as working drawings are available for public improvements which will require the ROW-user
to relocate its facilities, the City shall provide the ROW-user with written notice of relocations and the anticipated bid letting date of said improvement. The ROW-user shall respond with any conflicts and a proposed construction schedule within thirty (30) days.

(d) Following notice by the City in the form of the delivery of final design plans for such public improvements, the ROW-user shall remove, and relocate its facilities in accordance with the mutually agreed upon schedule, provided the project is not delayed by adverse weather conditions and other factors beyond the control of the ROW-user. The ROW-user shall certify to the City, in writing, that its facilities have been relocated or adjusted to clear construction in accordance with project plans provided by the City.

(e) Any damages suffered by the City, its agents or its contractors to the extent caused by ROW-user's failure to timely relocate or adjust its facilities, or failure to properly relocate or adjust such facilities, shall be borne by the ROW-user.

(f) In the event the ROW-user is required to move its facilities in accordance with this section, any ordinary right-of-way permit fee shall be waived.

(g) It is the intent of this section for both the City and the ROW-user to cooperate with one another so that the need for facility relocation is minimized and, when required and feasible, relocations may be completed prior to receipt of bids by the City for a public improvement.

13-312 Protection of the Public.

(a) It shall be the responsibility of the ROW-user to take adequate measures to protect and defend its facilities in the right-of-way from harm and damage.

(b) The City shall not be liable for any damage to or loss of any of the ROW-user’s facilities within the right-of-way as a result of or in connection with any construction, excavation, grading, filling or work of any kind, including public improvements by or on the behalf of the City, except to the extent caused by the negligent, willful, intentional, or malicious acts or omissions of the City.

(c) The ROW-user shall be responsible to the City and its agents, representatives, and authorized contractors for all damages suffered by them including, but not limited to delay damages, repair costs, construction delays, penalties or other expenses of any kind arising out of the failure of the ROW-user to timely perform any of its obligations under this Ordinance to the extent caused by the acts or omissions of the ROW-user.

(d) The City or its authorized contractors shall be responsible for taking reasonable precautionary measures including calling for facility locations.

(e) Any ROW-user who for any purpose makes or causes to be made any excavation in, upon, under, through or adjoining any street, sidewalk, alley or other right-of-way, and shall leave any part or portion thereof open, or shall leave any part or portion thereof disrupted with rubbish, building or other material during construction and/or the night time, shall cause the same to be enclosed with good substantial and sufficient barricades or drums equipped with the appropriate type warning lights and orange safety fencing material which is properly secured around the excavation or the disruption.

(f) Whenever a ROW-user shall excavate the full width of any street, sidewalk, alley, driveway approach or other right-of-way, it shall be its duty to maintain an adequate passage for vehicles and pedestrians across or around the excavation until it is refilled as specified.

(g) Any excavation left open overnight on any thoroughfare or collector type street shall be securely covered. The ROW-user assumes the sole responsibility for maintaining proper barricades, plates, safety fencing and/or lights as required from the time of opening of the excavation until the excavation is surfaced and opened for travel.

(h) The Public Works Director, upon the review and approval of a plan and details for trimming trees in the right-of-way, may grant permission by permit to any ROW-user to trim trees upon and overhanging the right-of-way so as to prevent the branches of such trees from coming in contact with the facilities of the ROW-user.

(i) In the event the ROW-user severely disturbs or damages the root structure of any tree in the right-of-way to the detriment of the health and safety of the tree, the ROW-user will be required to remove and replace the tree at the ROW-user's cost. Further, in review of the ROW-user's plan, Public Works Director, in his discretion, may require the ROW-user to directionally bore around any tree in the right-of-way.
Upon the appropriate request of any person having satisfied City procedure and ordinances, the ROW-user shall remove, raise, or lower its facilities temporarily to permit the moving of houses or other structures. The expense of such temporary removal, raising or lowering shall be paid by the person requesting the same, and the ROW-user may require such payment in advance. The ROW-user must be given not less than fifteen (15) days written notice from the person detailing the time and location of the moving operations, and not less than 24-hours advance notice from the person advising of the actual operation.

13-313 Right-of-way Vacation.

(a) If the City vacates a right-of-way which contains the facilities of the service provider, and if the vacation does not require the relocation of the service provider's facilities, the City shall reserve, to and for itself and all service providers having facilities in the vacated right-of-way, an easement for the right to install, maintain and operate any facilities in the vacated right-of-way and to enter upon such vacated right-of-way at any time for the purpose of reconstructing, inspecting, maintaining or repairing the same.

(b) If the vacation requires the relocation of facilities, and

(1) If the vacation proceedings are initiated by the service provider, the service provider must pay the relocation costs.

(2) If the vacation proceedings are initiated by the City, the service provider must pay the relocation costs unless otherwise agreed to by the City and the service provider.

(3) If the vacation proceedings are initiated by a person other than the service provider or the City, such other person must pay the relocation costs.

13-314 Abandoned and Unusable Facilities.

(a) A ROW-user owning abandoned facilities in the right-of-way must either:

(1) Remove its facilities and replace or restore any damage or disturbance caused by the removal at its own expense. The Public Works Director may allow underground facilities or portions thereof remain in place if the Public Works Director determines that it is in the best interest of public safety to do so. At such time, the City may take ownership and responsibility of such vacated facilities left in place; or

(2) Provide information satisfactory to the City that the ROW-user's obligations for its facilities in the right-of-way have been lawfully assumed by another authorized ROW-user; or

(3) Submit to the City a proposal and instruments for transferring ownership of its facilities to the City. If the ROW-user proceeds under this section, the City may, at its option purchase the equipment, require the ROW-user, at its own expense, to remove it, or require the ROW-user to post a bond in an amount sufficient to reimburse the City for reasonable anticipated costs to be incurred to remove the facilities.

(b) Facilities of a ROW-user who fails to comply with this section, and whose facilities remain unused for two (2) years, shall be deemed to be abandoned after the City has made a good faith effort to contact the ROW-user, unless the City receives confirmation that the ROW-user intends to use the facilities. Abandoned facilities are deemed to be a nuisance. The City may exercise any remedies or rights it has at law or in equity, including, but not limited to, (a) abating the nuisance, (b) taking possession and ownership of the facility and restoring it to a useable function, or (c) requiring the removal of the facility by the ROW-user.

13-315 Permit Requirement.

(a) Except as otherwise provided, no ROW-user may excavate any right-of-way or conduct any repair, construction, or reconstruction of facilities located within the right-of-way without first having obtained the appropriate right-of-way permit.

(b) There are two exemptions to this provision:

(1) Contractors working on the construction or reconstruction of public improvements.

(2) ROW-users performing routine service operations which do not require excavation in the right-of-way and do not disrupt traffic for more than four (4) hours.

(c) No person owning or occupying any land abutting on a public right-of-way shall construct, maintain,
or permit in or on the portion of the public right-of-way to which such land is adjacent, any fixed structure, material or object without having obtained the appropriate right-of-way permit.

(d) A right-of-way permit is required for emergency situations. If due to an emergency it is necessary for the ROW-user to immediately perform work in the right-of-way, and it is impractical for the ROW-user to first get the appropriate permit, the work may be performed, and the required permit shall be obtained as soon as possible during the next City working day.

(e) No permittee may excavate the right-of-way beyond the date or dates specified in the right-of-way permit unless the permittee:

1. Makes a supplementary application for another right-of-way permit before the expiration of the initial permit, and
2. A new right-of-way permit or permit extension is granted.

(f) Right-of-way permits issued shall be conspicuously displayed by the permittee at all times at the indicated work site and shall be available for inspection by the Public Works Director, other City employees and the public.

(g) Prior to the commencement of excavation, the permittee shall identify and locate any buried facilities to be spray painted according to the Uniform Color Code required by the Kansas One Call.

(h) All excavations by the permittee shall have a metal marker inserted into the excavation of the restored pavement, which shall identify the ROW-user.

(i) Before receiving a right-of-way permit, the applicant must show proof of any necessary permit, license, certification, grant, registration, franchise agreement or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC.

(j) Any ROW-user who is found to be working in the public right-of-way without a permit will be directed to stop work until a permit is acquired and properly posted at the work site. The only exception allowed is for emergency repair work.

(k) Any permittee found to be working without providing for required safety and traffic control will be directed to stop work until the appropriate measures are implemented in accordance with the current edition of the Manual on Uniform Traffic Control Devices.

13-316 Permit Applications.

(a) Application for a right-of-way permit shall be submitted to the Public Works Director either by the ROW-user or by the person who will do the work and/or excavation in the right-of-way.

(b) Right-of-way applications shall contain and be considered complete only upon receipt of the following:

1. Compliance with verification of registration;
2. Submission of a completed permit application form, including all required attachments and scaled drawings showing the location and area of the proposed project and the location of all existing and proposed facilities at such location;
3. A traffic control plan;
4. Payment of all money due to the City for permit fees and costs, for prior excavation costs, for any loss, damage or expense suffered by the City because of the applicant's prior excavations of the right-of-way or for any emergency actions taken by the City, unless the payment of such money is in dispute and timely appealed as provided hereafter.

(a) The permittee shall file with the City evidence of liability insurance with an insurance company licensed to do business in Kansas. The amount will be not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate. The insurance will protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death, or property damage to the extent caused or alleged to have been caused by the negligent acts or omissions of the permittee. If the permittee is self-insured, it shall provide the City proof of compliance regarding its ability to self-insure and proof of its ability to provide coverage in the above amounts.

(b) The permittee shall at all times during the term of the permit, and for two (2) years thereafter, maintain a performance and maintenance bond in a form approved by the City Attorney. The amount of the
bond will be $5,000 or the value of the restoration, whichever is greater, for a term consistent with the
term of the permit plus two additional years, conditioned upon the permittee's faithful performance of
the provisions, terms and conditions conferred by this ordinance. An annual bond in an amount of
$50,000 automatically renewed yearly during this period shall satisfy the requirement of this section.
In the event the City shall exercise its right to revoke the permit as granted herein, then the City shall
be entitled to recover under the terms of said bond the full amount of any loss occasioned.

(c) A copy of the Liability Insurance Certificate and Performance and Maintenance Bond must be on file
with the City Clerk.

(d) No performance and maintenance bond or liability insurance will be required of any governmental
entity, or of any residential property owner working in the right-of-way adjacent to his/her residence,
who does not utilize a contractor to perform the excavation.

13-318 Right-of-way Permit Fees.

(a) The right-of-way permit fee shall be recommended by the Public Works Director, approved by the
Governing Body and listed in the Schedule of Fees maintained in the City Clerk's office.

(b) The right-of-way permit fee may include an administrative fee and a degradation fee.

(c) Fees paid for a right-of-way permit, which is subsequently revoked by the Public Works Director, are
not refundable.

13-319 Issuance of Permit.

(a) If the Public Works Director determines that the applicant has satisfied the requirements of this
Ordinance, the Public Works Director shall issue a right-of-way permit.

(b) The Public Works Director may impose reasonable conditions upon the issuance of a right-of-way
permit and the performance of the permittee in order to protect the public health, safety and welfare,
to ensure the structural integrity of the right-of-way, to protect the property and safety of other users
of the right-of-way, and to minimize the disruption and inconvenience to the traveling public.

(c) When a right-of-way permit is requested for purposes of installing additional facilities and the a
performance and maintenance bond for additional facilities is reasonably determined to be insufficient,
the posting of an additional or larger performance and maintenance bond for the additional facilities
may be required.

(d) Issued permits are not transferable.

(e) If work is being done for the ROW-user by another person, a subcontractor or otherwise, the person
doing the work and the ROW-user shall be liable and responsible for all damages, obligations, and
warranties herein described.

13-320 Permitted Work.

(a) The permittee shall not make any cut, excavation or grading of right-of-way other than excavations
necessary for emergency repairs without first securing a right-of-way permit.

(b) The permittee shall not at any one time open or encumber more of the right-of-way than shall be
reasonably necessary to enable the permittee to complete the project in the most expeditious manner.

(c) The permittee shall, in the performance of any work required for the installation, repair, maintenance,
relocation and/or removal of any of its facilities, limit all excavations to those excavations that are
necessary for efficient operation.

(d) The permittee shall not permit such an excavation to remain open longer than is necessary to complete
the repair or installation.

(e) The permittee shall notify the City no less than three (3) working days in advance of any construction,
reconstruction, repair, location or relocation of facilities which would require any street closure or
which reduces traffic flow to less than two (2) lanes of moving traffic for more than four (4) hours.
Except in the event of an emergency as reasonably determined by the permittee, no such closure shall
take place without notice and prior authorization from the City.

(f) Non-emergency work on arterial and collector streets may not be accomplished during the hours of 7:00
AM to 8:30 AM and 4:00 PM to 6:00 PM, in order to minimize disruption of traffic flow.

(g) All work performed in the right-of-way or which in any way impacts vehicular or pedestrian traffic
shall be properly signed, barricaded, and otherwise protected at the permittee's expense. Such signage shall be in conformance with the latest edition of the Administration's Manual on Uniform Traffic Control Devices, unless otherwise agreed to by the City.

(h) The permittee shall identify and locate any underground facilities in conformance with the Kansas Underground Utility Damage Prevention Act “Kansas One Call” system, and notice shall be provided directly to Water District No. 1 and either to Kansas City Power and Light (KCPL) or to the Traffic Operations Section of the Public Works Department with respect to any municipal traffic signal and street light systems, as appropriate.

(i) The permittee shall be liable for any damages to underground facilities due to excavation work prior to obtaining location of such facilities, or for any damage to underground facilities that have been properly identified prior to excavation. The permittee shall not make or attempt to make repairs, relocation or replacement of damaged or disturbed underground facilities without the approval of the owner of the facilities.

(j) Whenever there is an excavation by the permittee, the permittee shall be responsible for providing adequate traffic control to the surrounding area as determined by Public Works Director of the City. The permittee shall perform work on the right-of-way at such times that will allow the least interference with the normal flow of traffic and the peace and quiet of the neighborhood. In the event the excavation is not completed in a reasonable period of time, the permittee may be liable for actual damages to the City for delay caused by the permittee pursuant to this Ordinance.

(k) All facilities and other appurtenances laid, constructed and maintained by the permittee shall be laid, constructed and maintained in accordance with acceptable engineering practice and in full accord with any and all applicable engineering codes adopted or approved by the parties and in accordance with applicable statutes of the State of Kansas, as well as the rules and regulations of the Kansas Corporation Commission or any other local, state or federal agency having jurisdiction over the parties.

(l) Following completion of permitted work for new construction, the permittee shall keep, maintain and provide to the City accurate records and as-built drawings, drawn to scale and certified to the City as accurately depicting the location of all utility facilities constructed pursuant to the permit. When available to the permittee, maps and drawings provided will be submitted in AUTOCAD.DXF or AUTOCAD.DWG automated formats if available, or in hard copy otherwise. The Public Works Director may waive this requirement. Such information shall be subject in all respects and shall have the benefit of protection as set forth in the section entitled “Mapping Requirements of Service Provider” contained herein.

(m) The City may use the as-built records of the service provider's facilities in connection with public improvements.

13-321 Right-of-way Repair and Restoration.

(a) The work to be done under the right-of-way permit and the repair and restoration of the right-of-way as required herein must be completed within the dates as specified in the permit. However, in the event of circumstances beyond the control of the permittee or when work was prohibited by unreasonable conditions, the Public Works Director may extend the date for completion of the project upon receipt of a supplementary application for a permit extension.

(b) All earth, materials, sidewalks, paving, crossing, utilities, public improvement or improvements of any kind damaged or removed by the permittee shall be fully repaired or replaced promptly by the permittee at its sole expense and the reasonable satisfaction of the City. The Public Works Director has the authority to inspect the repair or replacement of the damage, and if necessary, to require the permittee to do the additional necessary work. Notice of the unsatisfactory restoration and the deficiencies found will be provided to the permittee and a reasonable time not to exceed fifteen days will be provided to allow for the deficiencies to be corrected.

(c) After any excavation, the permittee shall, at its expense, restore all portions of the right-of-way to the same condition or better condition than it was prior to the excavation thereof.

(d) In addition to repairing its own street cuts, the permittee must restore any area within five (5) feet of the new street cut that has previously been excavated, including the paving and its aggregate foundations.

(e) If the permittee fails to restore the right-of-way in the manner and to the condition required by the Public Works Director, or fails to satisfactorily and timely complete all restoration the City may, at its
option, serve written notice upon the permittee and its surety that, unless within five (5) days after
serving of such notice, a satisfactory arrangement can be made for the proper restoration of the right-of-
way, the City shall immediately serve notice of failure to comply upon the surety and the permittee, and
the surety shall have the right to take over and complete the work; provided, however, that if the surety
does not commence performance thereof within ten (10) days from the date of notice, the City may take
over the work and prosecute same to completion, by contract or otherwise, at the expense of the
permittee, and the permittee and its surety shall be liable to the City for any and all excess cost assumed
by the City by reason of such prosecution and completion.

(f) The permittee responsible for the excavation who leaves any debris in the right-of-way shall be
responsible for providing safety protection in accordance with the latest edition of the Manual of
Uniform Traffic Control Devices and any applicable federal or state requirement.

(g) If an excavation cannot be back-filled immediately and left unattended, the permittee shall securely
and adequately cover the unfilled excavation. The permittee has sole responsibility for maintaining proper
barricades, safety fencing and/or lights as required, from the time of the opening of the excavation until
the excavation is surfaced and opened for travel.

(h) In restoring the right-of-way, the permittee guarantees its work and shall maintain it for twenty-four
(24) months following its completion. During the twenty-four (24) months the permittee shall, upon
notification from the Public Works Director, correct all restoration work to the extent necessary, using
any method as required by the Public Works Director. Said work shall be completed within a
reasonable time, not to exceed thirty (30) calendar days, of the receipt of notice from the Public Works
(not including days during which work cannot be done because of circumstances constituting force
Majeure or days when work is prohibited as unseasonable or unreasonable) In the event the permittee
is required to perform new restoration pursuant to the foregoing guarantee, the Public Works Director
shall have the authority to extend the guarantee period for such new restoration for up to an additional
twenty-four (24) months from the date of the new restoration, if the Public Works Director determines
any overt action by the permittee not to comply with the conditions of the right-of-way permit and any
restoration requirements.

(i) The twenty-four (24) month guarantee period shall be applicable to failure of the pavement surface as
well as failure below the pavement surface.

(j) Payment of a degradation fee shall not relieve the permittee of the obligation to complete the necessary
right-of-way restoration.

13-322 Joint Applications.
(a) Applicants may apply jointly for permits to excavate the right-of-way at the same time and place.
(b) Applicants who apply jointly for a right-of-way permit may share in the payment of the permit fee.
Applicants must agree among themselves as to the portion each shall pay.

13-323 Supplementary Applications.
(a) A right-of-way permit shall only be valid for the area of the right-of-way specified within the permit.
No permittee may cause any work to be done outside the area specified in the permit, except as
provided herein. Any permittee who determines that an area greater than that which is specified in the
permit must be excavated must do the following prior to the commencement of work in that greater
area: (a) make application for a permit extension and pay any additional fees required thereby; and (b)
receive a new right-of-way permit or permit extension.

(b) A right-of-way permit shall be valid only for the dates specified in the permit. No permittee may
commence work before the permit start date or, except as provided herein, may continue working after
the end date. If a permittee does not complete the work by the permit end date, the permittee must
apply for and receive a new right-of-way permit or a permit extension for additional time. This
supplementary application must be submitted to the City prior to the permit end date.

13-324 Other Obligations.
(a) Obtaining a right-of-way permit under this ordinance shall not relieve the permittee of its duty to obtain
any necessary permit, license, certification, grant, registration, franchise agreement or any other
authorization required by any appropriate governmental entity, including, but not limited to, the City,
the FCC or the KCC, and to pay any fees required by any other City, County, State, or Federal rules,
laws, or regulations. A permittee shall perform all work in full accord with any and all applicable
engineering codes adopted or approved by the parties and in accordance with applicable statutes of the
State of Kansas, and the rules and regulations of the KCC or any other local, state or federal agency
having jurisdiction over the parties. A permittee shall perform all work in conformance with all
applicable codes and established rules and regulations and shall be responsible for all work done in the
right-of-way pursuant to its permit, regardless by whom the work is done by.

(b) Except in cases of an emergency or with approval of the Public Works Director, no right-of-way work
may be done when conditions are unreasonable for such work.

(c) A permittee shall not disrupt a right-of-way such that the natural free and clear passage of water through
the gutters or other waterways is interfered with. Private vehicles may not be parked within or next to
the permit area.

13-325 Denial of Permit.

(a) The Public Works Director may deny a permit to protect the public health, safety and welfare, to
prevent interference with the safety and convenience of ordinary travel over the right-of-way, or when
necessary to protect the right-of-way and its users. The Public Works Director, at his discretion, may
consider one or more of the following factors in denial of the permit:

   (1) The extent to which the right-of-way space where the permit is sought is available;
   (2) The competing demands for the particular space in the right-of-way;
   (3) The availability of other locations in the right-of-way or in other right-of-way for the facilities
       of the applicant;
   (4) The applicability of any ordinance or other regulations that affect location of facilities in the
       right-of-way;
   (5) The degree of compliance of the applicant with the terms and conditions of its franchise, this
       ordinance, and other applicable ordinances and regulations;
   (6) The degree of disruption to surrounding communities and businesses that will result from the
       use of that part of the right-of-way;
   (7) The condition and age of the right-of-way, which was constructed or reconstructed within the
       preceding five (5) years;
   (8) The balancing of costs of disruption to the public and damage to the right-of-way, against the
       benefits to that part of the public served by the construction in the right-of-way;
   (9) Whether the applicant maintains a current registration with the City;
   (10) Whether the applicant has failed within the last three (3) years to comply, or is presently not
       in full compliance with, the requirements of this ordinance;
   (11) Whether the applicant has delinquent debt owed to the City;
   (12) Whether the issuance of a right-of-way permit for the particular dates and/or time requested
       would cause a conflict or interferes with an exhibition, celebration, festival, or any other event.
       In exercising this discretion, the Public Works Director shall be guided by the safety and
       convenience of anticipated travel of the public over the right-of-way.

(b) Notwithstanding the above provisions, the Public Works Director may in his discretion issue a right-of-
way permit in any case where the permit is necessary to:

   (1) Prevent substantial economic hardship to a user of the applicant's service;
   (2) Allow such user to materially improve the service provided by the applicant.

13-326 Revocation of Permit.

(a) Permittees hold right-of-way permits issued pursuant to this ordinance as a privilege and not as a right.
The City reserves its right, as provided herein, to revoke any right-of-way permit, without refund of the
permit fee, in the event of a substantial breach of the terms and conditions of any law or the right-of-
way permit. A substantial breach shall include, but not be limited to the following:

   (1) The violation of any material provision of the right-of-way permit;
   (2) An evasion or attempt to evade any material provision of the right-of-way permit, or the
       perpetration or attempt to perpetrate any fraud or deceit upon the City or its citizens;
   (3) Any material misrepresentation of any fact in the permit application;
(4) The failure to maintain the required bond or insurance;
(5) The failure to complete the work in a timely manner;
(6) The failure to correct a condition indicated on an order issued pursuant to this ordinance;
(7) Repeated traffic control violations; or
(8) Failure to repair facilities damaged in the right-of-way.

(b) If the Public Works Director determines that the permittee has committed a substantial breach of any law or condition placed on the right-of-way permit, the Public Works Director shall make a written demand upon the permittee to remedy such violation. The demand shall state that the continued violation may be cause for revocation of the permit, or legal action if applicable. Further, a substantial breach, as stated above, will allow the Public Works Director, at his discretion, to place additional or revised conditions on the right-of-way permit, specifically related to the manner in which the breach is cured by the permittee. Within five (5) calendar days of receiving notification of the breach, permittee shall contact the Public Works Director with a plan, acceptable to the Public Works Director, for correction of the breach. Permittee's failure to contact the Public Works Director, permittee's failure to submit an acceptable plan, or permittee's failure to reasonably implement the approved plan shall be cause for immediate revocation of the right-of-way permit.

(c) If a right-of-way permit is revoked, the permittee shall also reimburse the City for the City's reasonable costs, including administrative costs, restoration costs and the costs of collection and reasonable attorneys' fees incurred in connection with such revocation.

13-327 Work Requirements and Inspections.

(a) Any excavation, back filling, repair and restoration, and all other work performed in the right-of-way shall be done in conformance with the City's Manual of Infrastructure Standards as promulgated by the Public Works Director.

(b) The permittee shall employ a testing laboratory as approved by the Public Works Director, which shall certify the proper back-filling on any street cut. The permittee shall pay all costs associated with such testing. This provision shall be waived when flowable fill is used as backfill or with the permission of the Public Works Director.

(c) The permittee shall notify the office of the Public Works Director upon completion of the authorized work permit.

(d) The permittee will notify the Public Works Director to schedule an inspection at the start of back filling. Upon completion of all right-of-way restoration activities, the permittee will schedule a closeout inspection.

(e) When any corrective actions required have been completed and inspected to the Public Works Director's satisfaction, the two (2) year maintenance period will begin.

(f) In addition to the required scheduled inspections, the Public Works Director may choose to inspect the ongoing permitted work in the right-of-way at any time to ensure that all requirements of the approved permit are being met by the permittee.

(g) At the time of any inspection, the Public Works Director may order the immediate cessation of any work, which poses a serious threat to the life, health, safety, or well being of the public. The Public Works Director may issue a citation to the permittee for any work, which does not conform, to the applicable standards, conditions, code or terms of the permit. The citation shall state that failure to correct the violation will be cause for revocation of the permit.

13-328 Appeals Process.

(a) Whenever a person shall deem themselves aggrieved by any decision or action taken by the Public Works Director, the person may file an appeal to the City Administrator within ten (10) calendar days of the date of notice of such decision or action.

(b) The persons shall be afforded a hearing on the matter before the City Administrator within thirty (30) days of filing the appeal.

(c) In cases of applicability or interpretation of the rules, the City Administrator may revoke such decision or action taken by the Public Works Director.

(d) In cases where compliance with such decision or action taken by the Public Works Director would cause undue hardship, the City Administrator may extend the time limit of such decision or action, or
may grant exceptions to, or waive requirements of, or grant a variance from the specific provisions of rules. The City Administrator shall give due consideration to the purposes of the rules in preserving public safety and convenience, integrity of public infrastructure, and the operational safety and function of the public right-of-way.

(e) Pending a decision of the City Administrator, the order of the Public Works Director shall be stayed, unless the Public Works Director determines that such action will pose a threat to public safety or the integrity of the public infrastructure.

(f) If a person still deems themselves aggrieved after the appeal to the City Administrator, such person shall have thirty (30) days after the effective date of the City Administrator's final decision to institute an action in the District Court of Johnson County, Kansas.

13-329 Indemnification.

(a) A ROW-user operating under the provisions of this ordinance shall fully indemnify, release, defend and hold harmless the City and agents of the City when acting in their capacity as municipal officials, employees and agents, from and against any and all claims, demands, suits, proceedings, and actions, liability and judgment by other persons for damages, losses, costs, and expenses, including attorney fees, to the extent caused by negligent acts or omissions of the ROW-user in the performance of the permitted work. The City agrees to timely notify the ROW-user of such claim, demand, suit, proceeding, and/or action by providing written notice to the ROW-user and the registered agent of the ROW-user. Nothing herein shall be deemed to prevent the City, or any agent from participating in the defense of any litigation by their own counsel at their own expense. Such participation shall not under any circumstances relieve the ROW-user from its duty to defend against liability or its duty to pay any judgment entered against the City, or its agents.

13-330 Force Majeure.

(a) Each and every provision hereof shall be subject to acts of God, fires, strikes, riots, floods, war and other circumstances beyond the ROW-user's or the City's control.

13-331 Federal, State and City Jurisdiction.

(a) This ordinance shall be construed in a manner consistent with all applicable federal, state, and local laws. Notwithstanding any other provisions of this ordinance to the contrary, the construction, operation and maintenance of the ROW-user's facilities shall be in accordance with all laws and regulations of the United States, the state and any political subdivision thereof, or any administrative agency thereof, having jurisdiction. In addition, the ROW-user shall meet or exceed the most stringent technical standards set by regulatory bodies, including the City, now or hereafter having jurisdiction. The ROW-user's rights are subject to the police powers of the City to adopt and enforce ordinances necessary to the health, safety, and welfare of the public. The ROW-user shall comply with all applicable laws and ordinances enacted pursuant to that power. Finally, failure of the ROW-user to comply with any applicable law or regulation may result in a forfeiture of any permit, registration or authorization granted in accordance with this ordinance.

13-332 Severability.

(a) If any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason held invalid or unconstitutional by any court or administrative agency of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions hereof.

13-333 City's Failure to Enforce.

(a) The City's failure to enforce or remedy any noncompliance of the terms and conditions of this ordinance or of any permit granted hereunder shall not constitute a waiver of the City's rights nor a waiver of any person's obligation as herein provided.

13-334 Penalties.

(a) Any person or entity violating any provision of this chapter is guilty of a public offense, and upon conviction thereof shall be fined in a sum of not less than two hundred dollars ($200.00) nor more than five hundred dollars ($500.00). Every day that this chapter is violated shall constitute a separate offense.
(b) The violation of any provision of this ordinance is hereby deemed to be grounds for revocation of the permit and registration to operate with the City.

(c) The City shall have the authority to maintain civil suits or actions in any court of competent jurisdiction for the purpose of enforcing the provisions of this ordinance. In addition to any other remedies, the City Attorney may institute injunction, mandamus or other appropriate action or proceeding to prevent violation of this Ordinance.

13-335 Reservation of Rights.

(a) In addition to any rights specifically reserved to the City by this ordinance, the City reserves unto itself every right and power which is required to be reserved by a provision of any ordinance under any registration, permit or other authorization granted under this ordinance. The City shall have the right to waive any provision of this ordinance or any registration, permit or other authorization granted thereunder, except those required by federal or state law, if the City determines as follows: (a) that it is in the public interest to do so; and (b) that the enforcement of such provision will impose an undue hardship on the person. To be effective, such waiver shall be evidenced by a statement in writing signed by a duly authorized representative of the City. Further, the City hereby reserves to itself the right to intervene in any suit, action or proceeding involving the provisions herein.

(b) Notwithstanding anything to the contrary set forth herein, the provisions of this Ordinance shall not infringe upon the rights of any person pursuant to any applicable state or federal statutes, including, but not limited to the right to occupy the right-of-way.

13-336 Repeal of Other Ordinances.

(a) All other ordinances and resolutions or parts thereof inconsistent or in conflict with the terms hereof shall be canceled, annulled, repealed, and set aside; provided, that this ordinance shall not take effect or become in force until the requirements for adopting an ordinance as set forth in the City of Leawood Municipal Code have occurred.

Section 4. This ordinance shall take effect and be in force from and after January 1, 2000, and after publication as provided by law.

PASSED by the Governing Body, this 6th day of December, 1999.

13-314 Abandoned and Unusable Facilities.
(a) A ROW-user owning abandoned facilities in the right-of-way must either:
(1) Remove its facilities and replace or restore any damage or disturbances caused by the removal with new facilities. The ROW-User and the Public Works Director shall agree to the type of restoration or repair in advance. If the ROW-User does not agree on restoration or repair, the City may, at the cost of the ROW-User, remove and restore the facilities.
(b) Provide notice of the abandonment to the ROW-User; the ROW-User shall pay the restoration costs.
(c) Release the ROW-user from the City's obligations for such facilities.

13-315 Permit Requirement.
(a) Except as previously provided, a ROW-user may excavate any right-of-way or conduct any repair, construction, or demolition of facilities located without the right-of-way without first having obtained the appropriate right-of-way permit.
(b) Where there is an exception to this provision:
(1) Contractors working on construction or rehabilitation of public improvements such as storm sewers, gas pipelines, water mains, etc., may work in the ROW without a permit.
(2) ROW-users performing routine service operations which do not require excavation in the right-of-way, or do not disrupt traffic for more than four hours (4) hours.
(c) No person or contractor may be authorized by the ROW-user to work in the public right-of-way unless the ROW-user has obtained a written authorization from the City for the ROW-user to enter the public right-of-way, which may be granted on a case-by-case basis.
(d) A right-of-way permit is required for emergency situations. If due to an emergency it is necessary for the ROW-user to immediately perform work in the public right-of-way, the ROW-user may be required to obtain a permit for the ROW-user to enter the public right-of-way, the permit may be obtained, and the required permit shall be obtained, as soon as practicable during the next City working day.
(e) No permit may be issued to any person within the date specified in the right-of-way permit unless the permit:
(1) Makes a supplemental application for another right-of-way permit before the expiration of the initial permit.
(2) A new right-of-way permit or extension is granted.
(f) Right-of-way permits issued shall be continuously displayed by the permits at all times at the point of entry and shall be available for inspection by the Public Works Director, other City employees, and the public.
(g) Prior to the commencement of excavation, the permits shall be identified and noted on the boundaries of the area to be excavated according to the Uniform Color Code required by the Kansas Department of Transportation.
(h) All excavation by the permits shall have a color marker inserted into the excavation of the restored pavement, which shall identify the ROW-user.
(i) Before receiving a right-of-way permit, the applicant must show proof of any necessary permits, licenses, fees, registration, fire, safety permits, and any other required permits or approvals in the appropriate governmental entity, including, but not limited to, the City, the FCC or the FCC.
(j) Any ROW-user who is found to be working in the public right-of-way without a permit will be directed to stop all excavation and work has been done, the ROW-user will be assessed the cost of the excavation and work has been done, the ROW-user will be assessed the cost of the work.
(k) Any permit issued for work to be performed without obtaining a permit will be issued for work to be performed without obtaining a permit shall be void and may be revoked at any time by the City for any violation of the terms or conditions of the permit.
(l) All permits shall be issued only for the period of time specified in the permit.
(m) The permits shall be issued only for the use of the property described in the permit and shall not be transferred.

(a) The permits shall be for the use of the City by the permittees and shall be subject to the following conditions: repair and restoration of the right-of-way as required herein must be completed within the date specified in the permit. In the event that any bond remains uncompleted beyond the date so specified by the City, the City may be entitled to recover the full amount of the bond or any losses sustained by the City or to other persons who may have been damaged by the permittees, their agents or employees, in the performance of or in connection with the work done in the public right-of-way.
(b) If the permittees fail to enter into the right-of-way and the City will be entitled to recover under the terms of said bond the full amount of any losses occasioned.
(c) No performance and maintenance bond or liability insurance will be required of any governmental entity or of any residential property owner in the right-of-way area subject to the jurisdiction of the City.
(d) No performance and maintenance bond or liability insurance will be required of any governmental entity or of any residential property owner in the right-of-way area subject to the jurisdiction of the City.
(e) The permits shall be transferred to any area within five (5) feet of the new street cut that has been previously excavated, including the paving and its appurtenant facilities.
(f) If the permittees fail to enter into the right-of-way and the City will be entitled to recover under the terms of said bond the full amount of any losses occasioned.

(2) The service provider shall be responsible for all issues incurred by the City due to the failure to provide such information or service provider.

(3) Prior to construction, reconstruction, repair, maintenance, or relocation of facilities owned by the service provider, service provider shall first obtain the necessary right-of-way permits as allowed by the City, and this Order.

(4) The service provider shall participate in any public planning, construction and development notification of right-of-way work, its condition and consultation of current work by providing the Public Works Department.

(5) In addition, the service provider shall cooperate in any public works planning, construction, repair, maintenance, or relocation of service provider's facilities in the right-of-way shall be in accordance with applicable federal, state and local laws and regulations, including those promulgated by the City of Austin, Texas.

(6) The service provider shall furnish plans showing the location of the facilities of the service provider within the City as provided hereinafter.

(7) To the extent allowed by law, the City may limit the number of registrations, based upon, but not limited to, specific local considerations.

(8) The capacity of the right-of-way to accommodate service facilities;

(9) The impact on the community of the volume of traffic in the right-of-way;

(10) The disruption arising from unreasonable encroachments of the right-of-way;

(11) The financial capabilities of the service provider and its guaranteed commitment to make necessary improvements to ensure, maintain and operate the proposed facilities;

(12) Any other consideration based on the interests of the public safety and welfare.

13-307 Mapping Requirement of Service Provider

(a) The service provider shall be required to maintain accurate records and site drawings depicting the actual location of all its facilities constructed, reconstructed or relocated in the right-of-way.

(b) Within ten (10) days of a request by the City, the service provider will provide to the City the information concerning its facilities as may be reasonably related to the service provider.

(c) When available to the service provider, such information shall be transmitted electronically in an AutoCAD format to the center current with the City's Geographical Information Systems (GIS) and Johnson County Assessed Integrated Mapping Systems (AIAMB) provided, however, that such notice shall be transmitted to the service provider to acquire or modify any electronic mapping system.

13-308 Service Provider's Right to Sell, Transfer, Lease, Assign, Subject or Dispose

(a) Except as otherwise provided herein, the service provider shall not sell, transfer, lease, assign, mortgage or dispose of the property in its facilities, or any part thereof, that is located in the City's right-of-way, or any right, title or interest therein, without the consent of the City in writing.

(b) The public works department shall have the right to consent to or disapprove any proposed sale, transfer, lease, assignment or mortgage of the City's facilities.

13-309 Removal of Service Provider

(a) A service provider may have the authority to sell, lease, assign, mortgage or dispose of any part of the facilities, or any part thereof, that is located in the City's right-of-way, or any right, title or interest therein, without the consent of the City in writing.

(b) The public works department shall have the right to consent to or disapprove any proposed sale, transfer, lease, assignment or mortgage of the City's facilities.

13-310 Use of the Right-of-Way

(a) The ROW-user's use of the right-of-way shall be in all matters subordinate to the City's use or occupation of the right-of-way. Without limitation of its rights, the City expressly reserves the right to control, use and use the environmental powers reserved by the City to the extent that is reasonable to provide for the shortest approach to its facilities.

(b) The ROW-user shall coordinate the placement of facilities in a manner that maximizes the least adverse impact on any public improvements, as reasonably determined by the City. Where placement is not feasible, the ROW-user shall be placed with adequate clearance determined by the City to its facilities, including the identity of entities with which the service provider has entered into an interconnection agreement or otherwise agreements within the State of Texas. The notice to withdraw the removal service provider from its own obligations and to obtain any necessary financial with the City. Nominating in this Ordinance shall prevent a facility-based service provider from providing to any other service provider the service of facility-based service provider's facilities in the right-of-way as authorized by federal or state law.

13-311 Promotion of the Public

(a) The ROW-user shall be responsible for the ROW-user to take adequate measures to protect and defend its facilities in the right-of-way against harm and damage.

(b) The City shall be responsible for any damage or loss of any ROW-user's facilities within the right-of-way as a result of or in connection with any construction, excavation, grading, filling or work performed by or on behalf of the City, except to the extent caused by the negligence, willful, malicious or reckless acts of commission or omission of the City.

(c) The ROW-user shall be responsible to the City and its agents, representatives, and authorized contractors to damages to public improvements by or on behalf of the City, including those caused by the negligence of the City's employees, damages, pecuniary losses or expenses of any kind arising out of the failure of the ROW-user to provide notice to the City of the City's obligations under this Ordinance to the extent caused by the acts or omission of the ROW-user.

(d) The City or its authorized contractors shall be responsible for taking reasonable precautionary measures including calling for facility locations.

(e) Any damage suffered by any person to which may be caused by the ROW-user in the ROW-user's failure to properly order or adjust such facilities, or to properly protect or secure such facilities shall be borne by the ROW-user.

(f) In the event the ROW-user is required to move its facilities in accordance with this section, any failure to properly move or adjust facilities shall be borne by the ROW-user.

(g) It is the intention of both the City and the ROW-user to cooperate with each other so that the required facility relocation is accomplished as quickly, when required and feasible, relocation can be completed in a manner to provide for the City and the public improvement.

13-312 Use of the Right-of-Way

(a) The ROW-user's use of the right-of-way shall be in all matters subordinate to the City's use or occupation of the right-of-way. Without limitation of its rights, the City expressly reserves the right to control, use and use the environmental powers reserved by the City to the extent that is reasonable to provide for the shortest approach to its facilities.

(b) The ROW-user shall coordinate the placement of facilities in a manner that maximizes the least adverse impact on any public improvements, as reasonably determined by the City. Where placement is not feasible, the ROW-user shall be placed with adequate clearance determined by the City to its facilities, including the identity of entities with which the service provider has entered into an interconnection agreement or otherwise agreements within the State of Texas. The notice to withdraw the removal service provider from its own obligations and to obtain any necessary financial with the City. Nominating in this Ordinance shall prevent a facility-based service provider from providing to any other service provider the service of facility-based service provider's facilities in the right-of-way as authorized by federal or state law.

(c) All facilities shall be located and laid out so as to not to interfere with or hinder any of the ROW-user's facilities, or any other right-of-way or public improvements already in existence. In addition, the ROW-user shall, in doing work in connection with its facilities, avoid, so far as may be practicable, disturbing or interfering with the lawful use of the streets, alleys, sidewalks or other public property.

(d) All facilities shall be placed so that they do not impair the City's public use and use the use of right-of-way and public lands.

(e) The City, through the Public Works Department, shall have the right to enter into and review any location, design and access of the public facility prior to its being used.

(f) The responsibility of the ROW-user to take adequate measures to protect and defend its facilities in the right-of-way against harm and damage.

13-313 Promotion of the Public

(a) The ROW-user shall be responsible for the ROW-user to take adequate measures to protect and defend its facilities in the right-of-way against harm and damage.

(b) The City shall not be responsible for any damage or loss of any of its facilities within the right-of-way as a result of or in connection with any construction, excavation, grading, filling or work performed by or on behalf of the City, except to the extent caused by the negligence, willful, malicious or reckless acts of commission or omission of the City.

(c) The ROW-user shall be responsible to the City and its agents, representatives, and authorized contractors to damages to public improvements by or on behalf of the City, including those caused by the negligence of the City's employees, damages, pecuniary losses or expenses of any kind arising out of the failure of the ROW-user to provide notice to the City of the City's obligations under this Ordinance to the extent caused by the acts or omission of the ROW-user.

(d) The City or its authorized contractors shall be responsible for taking reasonable precautionary measures including calling for facility locations.

(e) Any damage suffered by any person to which may be caused by the ROW-user in the ROW-user's failure to properly order or adjust such facilities, or to properly protect or secure such facilities shall be borne by the ROW-user.

(f) In the event the ROW-user is required to move its facilities in accordance with this section, any failure to properly move or adjust facilities shall be borne by the ROW-user.

(g) It is the intention of both the City and the ROW-user to cooperate with each other so that the required facility relocation is accomplished as quickly, when required and feasible, relocation can be completed in a manner to provide for the City and the public improvement.
(b) The violation of any provision of this ordinance is hereby deemed to be grounds for revocation of the permit and registration to operate with the City.

(c) The City shall have the authority to maintain civil suits or actions in any court of competent jurisdiction for the purpose of enforcing the provisions of this ordinance. In addition to any other remedies, the City Attorney may institute injunction, mandamus or other appropriate action or proceeding to prevent violation of this Ordinance.

13-335 Reservation of Rights.

(a) In addition to any rights specifically reserved to the City by this ordinance, the City reserves unto itself every right and power which is required to be reserved by a provision of any ordinance under any registration, permit or other authorization granted under this ordinance. The City shall have the right to waive any provision of this ordinance or any registration, permit or other authorization granted thereunder, except those required by federal or state law, if the City determines as follows: (a) that it is in the public interest to do so; and (b) that the enforcement of such provision will impose an undue hardship on the person. To be effective, such waiver shall be evidenced by a statement in writing signed by a duly authorized representative of the City. Further, the City hereby reserves to itself the right to intervene in any suit, action or proceeding involving the provisions herein.

(b) Notwithstanding anything to the contrary set forth herein, the provisions of this Ordinance shall not infringe upon the rights of any person pursuant to any applicable state or federal statutes, including, but not limited to the right to occupy the right-of-way.

13-336 Repeal of Other Ordinances.

(a) All other ordinances and resolutions or parts thereof inconsistent or in conflict with the terms hereof shall be canceled, annulled, repealed, and set aside; provided, that this ordinance shall not take effect or become in force until the requirements for adopting an ordinance as set forth in the City of Leawood Municipal Code have occurred.

Section 4. This ordinance shall take effect and be in force from and after January 1, 2000, and after publication as provided by law.

PASSED by the Governing Body, this 6th day of December, 1999.

ORDINANCE NO. 1833

AN ORDINANCE AMENDING SECTION 6-3 OF THE "LEAWOOD DEVELOPMENT ORDINANCE", SPECIFICALLY AMENDING PROVISIONS OF NOTICE AND PUBLIC HEARING REQUIREMENTS; AND REPEALING EXISTING SECTION.

Be it ordained by the Governing Body of the City of Leawood:

Section 1. "Leawood Development Ordinance" Amended. That Section 6-3 of the "Leawood Development Ordinance", is hereby amended to read as follows:

6-3 NOTICE AND PUBLIC HEARING REQUIREMENTS

Applications for:
- Rezoning
- Special Use Permit
- Preliminary Development Plans
- Revised Preliminary Development Plans

shall be set for public hearing by the Plan Commission following receipt of the application and compliance with the publication requirements of this ordinance. Any such hearing may, for good cause, in the discretion of the Plan Commission be continued for a definite time to be specified in the record of the Plan Commission. Nothing in this section 6-3 shall be construed as limiting notice and public hearing requirements set forth in other provisions of this ordinance including, without limitations, Section 3-12(O), 6-2.5D, 6-3.8 and 9-2.1C.

6.3.1 Notice Procedure

Notice of such hearing shall be published in one issue of the Official City Newspaper, such notice to be published not less than 20 days prior to the date of said hearing before the Plan Commission. Such notice shall fix the time and place for such hearing and shall describe such proposal in general terms. In addition to such publication notice, the applicant shall be responsible for mailing notices of such proposed change to all the owners of lands located within 200 feet of the area proposed to be altered, at least 20 days prior to the hearing, thus providing an opportunity to all interested parties to be heard. The 200 feet is to include public streets and rights-of-way and is measured from the outermost boundary of the property to be rezoned. Any property only partly within the 200 foot area must receive notice. Such mailed notice shall be given by certified mail, return receipt requested, and shall be in the form of a letter explaining the proposed change. Such notice shall contain a statement that a legal description is available and state where available. Such mailed notices shall be addressed to the owners of land and not to occupants of such land. Failure to receive such notice shall not invalidate any subsequent action taken. Such notice is sufficient to permit the Plan Commission to recommend amendment to zoning regulations which affect only a portion of the land described in the notice.
6-3.2 Proof of Ownership

Upon request the applicant shall furnish proof acceptable to the City that he is the owner or has an option to purchase or is under contract to purchase the land described in the application.

6-3.3 Sign Announcing Pending Action

A) Each applicant for rezoning and each applicant for a special use permit shall, not later than 20 days prior to the date of the hearing scheduled before the Plan Commission, place a sign upon the lot, tract or parcel of land for which the application was filed. The sign shall be furnished by the City to the applicant; and the applicant shall firmly affix and attach the sign to a wood or metal backing or frame and place the sign as hereinafter set forth.

Unauthorized removal, defacing, or destruction of this sign is punishable upon conviction by fine not exceeding $100.00 and/or not more than 30 days imprisonment.

B) Maintenance of Sign - Affidavit. The sign shall be maintained and kept in place by the applicant until the conclusion of the public hearing before the Plan Commission or until withdrawal of the application, at which time the sign may be removed by the applicant; but in any event, the sign shall be removed by the applicant after final action on the application. The applicant shall file an affidavit at the time of the public hearing before the Plan Commission that the sign was placed and maintained to the hearing date as required by this ordinance. No application shall be heard by the Plan Commission or the Governing Body unless such affidavit has been filed.

C) Placement of Sign. The bottom of the sign shall be a minimum of 2 feet above the ground. The sign shall be placed 5 feet behind the street right-of-way line, in a central position on such lot, tract or parcel of land and shall have no visual obstructions from the street. If the lot, tract or parcel of land has more than 1 abutting street 1 sign shall be displayed facing each street frontage.

D) Defacing or Destroying Sign-Penalty. It is a public offense for any person to remove, deface or destroy any sign provided for by this ordinance. Any person, upon conviction thereof, shall be punished as provided by law.
6-3.4 Approval or Denial of Change

(A) Following the final hearing of such application, the Plan Commission shall by a vote of the majority of the members, present and voting, recommend approval or denial of the amendment to the Governing Body. If the Plan Commission fails to make a recommendation on a rezoning request, the Plan Commission shall be deemed to have made a recommendation of disapproval. The Plan Commission shall transmit an accurate written summary of the proceedings to the City Clerk.

(B) Approval or Denial of Public Facilities Conforming with the Master Plan

(1) Except as provided in subsection (2), any plan for a public improvement, public facility or public utility shall be submitted to the Plan Commission. The Plan Commission shall consider whether the construction is in conformity with the City's Master Plan. If the Plan Commission fails to make a report within 60 days of submission, the project shall be deemed to have been approved by the Plan Commission. If the Plan Commission finds that any such proposed public improvement, facility or utility does not conform to the Master Plan, the Plan Commission shall submit, in writing to the Governing Body, the manner in which such proposed improvement, facility or utility does not conform. The Governing Body may override the plan and the report of the Planning Commission, and the plan for the area concerned shall be deemed to have been amended.

(2) Whenever the Plan Commission has reviewed a capital improvement program and found that a specific public improvement, public facility or public utility of a type embraced within the recommendations of the Master Plan or portion thereof is in conformity with such plan, no further approval by the Plan Commission is necessary under this section.

(C) In the case of denial of an application by the Plan Commission or Governing Body, the applicant must wait a period of 6 months before reapplying for a zoning change.

6-3.5 Continuance of Development Plan

Applicants may request the continuance of an application to a specific date. A maximum of three continuances are allowed. After that time, the Plan Commission shall remove the case from the agenda. Once removed the applicant may re-file a new application at any time.

6-3.6 Submission of Plan Commission Action to Governing Body

Following the end of the 14 day protest period, at the next regularly scheduled Governing Body meeting following the receipt of the summary of the action of the Plan Commission, the City Clerk shall submit the same to the Governing Body for action approving or disapproving the recommendation of the Plan Commission. The Governing Body may for good cause continue its action upon such application or take the same under advisement for final decision at a later date; and in any case the record shall show the reason for such continuance or withholding of action. The Governing Body also may, if deemed advisable for the best interest of the public and applicant, refer such application back to the Plan Commission, for further consideration and may direct that a public hearing be held upon publication notice of the time, place and purpose of such
hearing and notification as required by Section 6-3.1 of this ordinance. The applicant shall not be
required to pay an additional filing fee in such rehearing proceedings as herein provided.

6-3.7 Lesser Change Than Requested

A) The Plan Commission may recommend a change to a zoning district which is more
restrictive than that requested by the applicant, provided such change is in keeping with
the following:

1) Residential Districts:
   AG    Agriculture - Most Restrictive
   RP-A5 Planned Rural Density Single Family Residential
   RP-A    Planned Large Lot Single Family Residential
   R-1 Single-Family Residential
   RP-1 Planned Single-Family Residential
   RP-2 Two-Family Residential
   RP-4 Cluster Dwelling House
   RP-3 Garden Apartment District - Least Restrictive

2) Business Districts:
   CP-0 Office Building District - Most Restrictive
   CP-1 Restricted Business District
   CP-2 General Business District - Least Restrictive

B) Equal or more restrictive change. The Plan Commission may recommend and the
Governing Body may adopt a change in zoning which is more restrictive than the one
requested, provided the more restrictive district is in the same R, or C category for which
the change was requested.
6-3.8 Action by Plan Commission

Recommendations for amendment, revision, change or repeal of the Leawood Development Ordinance, zoning district map, rules or regulations, may also be made by the Plan Commission upon its own motion or by the Governing Body, provided that public hearing requirements have been satisfied. In no case shall final action by the Governing Body be taken until hearing and recommendation by the Plan Commission has been provided.

6-3.9 Protest Against Change

If, however, a protest against such amendment, supplement, change or special use permit is filed in the office of the City Clerk within 14 days after the date of the conclusion of the hearing pursuant to the publication notice, duly signed by the owners of 20% or more of any real property proposed to be rezoned or specially used, or by the owners of 20% of the total area, excepting public streets or ways, located within or without the corporate limits of the City and located within 200 feet of the boundaries of the property proposed to be rezoned or specially used, such amendment shall not be passed except by at least 3/4's vote of all the members of the Governing Body. All signatures on said protest petition must be verified by one of the signers as to the genuineness and correctness of the signatures thereon.

Section 2. Existing Section Repealed. That existing Section 6-3 of the "Leawood Development Ordinance" is hereby repealed. (Prior law. Ordinance 1676).

Section 3. Take effect. That this ordinance shall take effect and be in force from and after its publication in the official City newspaper.

Passed by the Council the 6th day of December, 1999.

Approved by the Mayor the 6th day of December, 1999.

shall be set for public hearing by the Plan Commission following receipt of the application and compliance with the publication requirements of this ordinance. Any such hearing, for good cause, in the discretion of the Plan Commission, may be continued for a definite time to be specified in the record of the Plan Commission. Nothing in this Section 8-3 shall be construed as limiting notice and public hearing requirements set forth in other provisions of this ordinance including, without limitations, Section 3-120(B), 6-2-5D, 8-3B and 9-2-1C.

6.3.1 Notice Procedure

Notice of such hearing shall be published in one issue of the Official City Newspaper, such notice to be published not less than 20 days prior to the date of said hearing before the Plan Commission. Such notice shall be in the time and place for such hearing and shall describe such proposal in general terms. In addition to such publication notice, the applicant shall be responsible for mailing notices of such proposed change to all the owners of any lot located within any neighborhood of the area proposed to be altered, at least 20 days prior to the hearing, thus providing an opportunity to all interested parties to be heard. The 200 feet is to include public streets and rights-of-way and is measured from the outermost boundary of the property to be rezoned. Any party solely within 200 feet must receive notice. Such mailed notices shall be given under certified mail, return receipt requested, and shall be in the form of a letter explaining the proposed change. Such notice shall contain a statement that a legal description is available and state where available. Such mailed notices shall be addressed to the owners of land and not to occupiers of such land.

Notice shall not entitle any subsequent action taken. Such notice is sufficient to permit the Plan Commission to recommend amendment to zoning regulations which affect only a portion of the land described in the notice.

6.3.2 Proof of Ownership

Upon request, the applicant shall furnish proof acceptable to the City that he is the owner or has an option to purchase or is under contract to purchase the land described in the application.

6.3.3 Sign Announcing Pending Action

A) Each applicant for rezoning and each applicant for a special use permit shall, not later than 20 days prior to the date of the hearing scheduled before the Plan Commission, place a sign upon the lot, tract or parcel of land for which the application was filed. The sign shall be furnished by the City to the applicant and the applicant shall firmly affix and attach the sign to a wood or metal backing or frame and place the sign hereafter set forth.

Unauthorized removal, defacing, or destruction of this sign is punishable under conviction by fine not exceeding $100.00 and/or not more than 30 days imprisonment.

B) Maintenance of Sign - Affidavit. The sign shall be maintained and kept in place by the applicant until the conclusion of the public hearing before the Plan Commission or until withdrawal of the application, at which time the sign may be removed by the applicant; but in any event, the sign shall be removed by the applicant after final action on the application. The applicant shall file an affidavit at the time of the public hearing before the Plan Commission that the sign was placed and maintained to the hearing date as required by this ordinance. No application shall be heard by the Plan Commission or the Governing Body unless such affidavit has been filed.

C) Placement of Sign. The bottom of the sign shall be a minimum of 2 feet above the ground. The sign shall be placed 5 feet behind the street right-of-way line, in a central position on such lot, tract or parcel of land and shall have no visual obstructions from the street. If the lot, tract or parcel of land has more than 1 abutting street, 1 sign shall be displayed facing each street frontage.

D) Defacing or Destroying Sign - Penalty. It is a public offense for any person to remove, deface or destroy any sign provided for by this ordinance. Any person, upon conviction thereof, shall be punished as provided by law.

6.3.4 Approval or Denial of Change

A) Following the final hearing of such application, the Plan Commission shall by a vote of the majority of the members present and voting, approve or deny the amendment to the Governing Body. If the Plan Commission fails to make a recommendation on a rezoning request, the Plan Commission shall be deemed to have made a recommendation of denial. The Plan Commission shall transmit an accurate written summary of the proceedings to the City Clerk.

B) Approval or Denial of Public Facilities Conforming with 1 - Master Plan

(1) Exempt as provided in subsection (C), any plan for a public improvement, public facility or public utility shall be submitted to the Plan Commission. The Plan Commission shall consider whether the continuing in conformity with the City's Master Plan. If the Plan Commission fails to approve a report within 60 days of submission, the project shall be deemed to have been approved by the Plan Commission. If the Plan Commission finds that such proposed public improvement, public facility or utility does not conform to the Master Plan, the Plan Commission shall submit, in writing to the Governing Body, a manner in which such proposed improvement, facility or utility does not conform.

The Governing Body may approve or reject the plan and the order of commission, and the plan for the area concerned shall be deemed to have been approved.

(2) Whenever the Plan Commission has reviewed a capital improvement program and found it to be specific to public improvement, public facility or utility of a type embraced within the recommendations of the Master Plan, such proposal is in conformity with such plan, no further approval by the Plan Commission is necessary under this section.

C) In the case of denial of an application by the Plan Commission or Governing Body, the applicant must wait a period of 6 months before reapplying for a zoning change.

6.3.5 Continuation of Development Plan

Applicants may request the continuance of an application to a specific date. A maximum of three continuances are allowed. After that time, the Plan Commission shall remove the case from the agenda. Once removed the applicant may re-file a new application at any time.

6.3.6 Submission of Plan Commission Action to Governing Body

Following the end of the 14 day protest period at the next regularly scheduled Governing Body meeting following the receipt of the summary of the action of the Plan Commission, the City Clerk shall submit the same to the Governing Body for action approving or disapproving the recommendation of the Plan Commission. The Governing Body may for good cause continue its action upon such application or take the same under advisement for final decision at a later date, and in any case the record shall show the reason for such continuance or withholding of action. The Governing Body may also deem such application approved for the benefit of the public and applicant, refer such application back to the Plan Commission, for further consideration and direct that a public hearing be held upon notice of the time, place and purpose of such hearing and notification as required by Section 6.3.1 of this ordinance. The applicant shall not be required to pay an additional filing fee in such rehearing proceedings as herein provided.

6.3.7 Lesser Change Than Requested

A) The Plan Commission may recommend a change to a zoning district which is more restrictive than that requested by the applicant, provided such change is in keeping with the following:

1) Residentialistricts:
   - AG  Agriculture - Most Restrictive
   - RP-45 Planned Rural Density Single Family Residential
   - RPA - Planned Large Lot Single Family Residential
   - R-1 Single-Family Residential
   - R-2 Planned Single-Family Residential
   - R-2 Two-Family Residential
   - R-4 Cluster Dwelling House
   - R-5 Garden Apartment District - Least Restrictive

2) Business Districts:
   - CP-0 Office Building District - Most Restrictive
   - CP-1 Restricted Business District
   - CP-2 General Business District - Least Restrictive

B) Equal or more restrictive change. The Plan Commission may recommend and the Governing Body may adopt a change in zoning which is more restrictive than the one requested, provided the more restrictive district is in the same R, or C category for which the change was requested.

6.3.8 Action by Plan Commission

Recommendations for amendment, revision, change or repeal of the Lewwood Development Ordinance, zoning district map, rules or regulations, may also be made by the Plan Commission upon its own motion or by the Governing Body, provided that public hearing requirements have been satisfied. In no case may a final decision by the Governing Body be taken until hearing and recommendation by the Plan Commission has been provided.

6.3.9 Protest Against Change

If, however, a protest against such amendment, supplement, change or special use permit is filed in the office of the City Clerk within 14 days after the date of the conclusion of the hearing pursuant to the publication notice, duly signed by the owners of 20% or more of any real property proposed to be rezoned or specially used, or by the owners of 20% of the total area, excluding public streets or ways, located within or without the present limits of the City and located within 200 feet of the boundaries of the property proposed to be rezoned or specially used, such amendment shall not be passed except by at least 3/4's vote of all the members of the Governing Body. All signatures on each protest petition must be verified by one of the signers as to the genuineness and correctness of the signatures thereon.

Section 2. Existing Section Repealed. That existing Section 6-3 of the "Lewwood Development Ordinance" is hereby repealed. (Prior law. Ordinance 1978).

Section 3. Take effect. That this ordinance shall take effect and be in force from and after its publication in the official City newspaper.

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE
AND DELIVERY OF TEMPORARY NOTES, PROJECT 171 (MUNICIPAL POOL
BATHHOUSE), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL
AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF
RECONSTRUCTION, REMODELLING AND REPLACEMENT OF THE BATHHOUSE
AT THE MUNICIPAL POOL COMPLEX IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-1736, et seq., as amended, and Ordinance No.
1735, the Governing Body of the City of Leawood, Kansas (the “City”) has heretofore
authorized the following described improvement project within the City, to wit:
reconstruct, remodel and replace the bathhouse at the municipal pool complex
located at the city park at 10601 Lee Boulevard within the City

WHEREAS, the Project has been commenced and the City has heretofore issued its
Temporary Notes, Project 171 (Municipal Pool Bathhouse), dated March 1, 1999, in the
principal amount of $100,000 (the “Prior Notes”) to provide funds to pay the costs of the
Project heretofore incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all
aspects of the Project will not be completed at the date of maturity thereof, and the City has
incurred or expects to incur additional costs payable within the next six (6) months in the
amount of not less than $100,000; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as
amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior
Notes and to pay costs of the Project as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE
CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and
pay the Prior Notes and to pay costs of the Project now due or to become due in the
immediate future, including necessary engineering, legal and incidental costs, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 171 (Municipal Pool Bathhouse), in the aggregate principal amount of Two Hundred Thousand Dollars ($200,000) (the “Notes”). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 and 2, inclusive, each in the denomination of $100,000. Said Notes shall be dated November 1, 1999, shall mature by their stated terms and become due and payable on August 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 4.10% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Note.

The City reserves the right to redeem and pay said Notes, in whole at any time on or after February 1, 2000, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem the Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such
redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Note as the same become due and payable.

Section Four. Form of Notes. The Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to United Missouri Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.77% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer. The sum of $100,000 shall be used to redeem and retire the Prior Notes, and the balance of such proceeds shall be deposited in a special fund created for the purpose of paying costs and expenses of the Project.
Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.
The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.
PASSED by the Council the 1st day of November, 1999.

APPROVED by the Mayor the 1st day of November, 1999.

The sum of $100,000 shall be used to redeem and retire the Prior Notes, and the balance of such proceeds shall be deposited in a special fund created for the purpose of paying costs and expenses of the Project.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 145 of the Internal Revenue Code of 1986, as amended (the "Code"), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City not take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and remain null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;
2. Since January 1, 1999, neither the City, any related issuer in behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.
3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.
4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.
The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 1st day of November, 1999.

APPROVED by the Mayor the 1st day of November, 1999.

APPROVED FOR FORM:

Patricia A. Benoit, City Attorney
ORDINANCE NO. 1828

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 168 (MISSION ROAD, 83RD TO 95TH STREET), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $100,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT OR REIMPROVEMENT OF MISSION ROAD FROM 83RD TO 95TH STREET AND A PORTION OF 89TH STREET, INCLUDING GRADING, REGRADING, CURBING, RECURBING, GUTTERING, REGUTTERING, PAVING, REPAVING, MACADAMIZING, REMACADAMIZING, CONSTRUCTING, RECONSTRUCTING, OPENING, WIDENING, EXTENDING, Rounding Corners, Straightening, Relocating, Construction or Reconstruction of Any Necessary Bridges and Approaches Thereto, Viaducts, Overpasses, Underpasses, Culverts, Storm Drainage, Trafficway Illumination, Traffic Control Devices, Pedestrian Ways, Bicycle Ways or Other Improvements and Other Incidental Construction Costs in the City of Leawood.

WHEREAS, pursuant to K.S.A. 12-685, et seq., as amended, and Ordinance No. 1717, the Governing Body of the City of Leawood, Kansas (the “City”) has heretofore authorized the following described improvement project within the City, to wit:

improve and reimprove that section of Mission Road between 83rd Street and 95th Street

(the “Mission Project”) at an estimated cost of $200,000; and
WHEREAS, pursuant to K.S.A. 12-685, et seq., as amended, and Ordinance No. 1716, the Governing Body of the City has heretofore authorized the following described improvement project within the City, to wit:

improve and reimprove that section of 89th Street beginning at Mission Road between Mohawk Lane Cul-de-sac East approximately 1500 feet to Wenonga Road (the “89th Street Project”) at a cost of $400,000; and

WHEREAS, the Mission Project and the 89th Street Project (collectively, the “Project”) are, as a matter of efficiency, undertaken together and have commenced and the City has incurred or expects to incur additional costs payable within the next six months in the amount of not less than $100,000; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to pay the costs of the Project as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to pay the costs of the Project now due or to become due in the immediate future, including necessary engineering, legal and incidental costs, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 168 (Mission Road, 83rd to 95th Street), in the aggregate principal amount of One Hundred Thousand Dollars ($100,000) (the “Notes”). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated costs of said Project.
Section Two. Terms of the Notes. Said issue of Note shall consist of a single bearer note numbered 1 in the denomination of $100,000. Said Note shall be dated November 1, 1999, shall mature by its stated terms and become due and payable on August 1, 2000. The Note shall bear interest from its dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 4.10% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Note shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Note shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Note.

The City reserves the right to redeem and pay said Note, in whole at any time on or after February 1, 2000, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem such Note as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Note and to any known holder of the Note or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Note from and after the redemption date.
Section Three. Security of the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Note.

The Governing Body of the City shall make provisions for the payment of said Note by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Note shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Note as the same become due and payable.

Section Four. Form of Note. Said Note shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Note herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Note shall be countersigned by the City Clerk and delivered to United Missouri Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.77% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of said Note shall be deposited with the City Treasurer in a special fund created for the purpose of paying the costs and expenses of the Project.
Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Section 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), that is or may become applicable to the Note, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Note, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Note and (2) it will not use or permit the use of any of the proceeds of the Note or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Note; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Note.

Section Eight. Designation of Note as Qualified Tax-Exempt Obligations. The Governing Body hereby funds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.
3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Note will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Note to be a “qualified tax-exempt obligation” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.
PASSED by the Council the 1st day of November, 1999.

ORDINANCE NO. 1827

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 158 (TRAFFIC SIGNALIZATION), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT AND REIMPROVEMENT OF THE INTERSECTION OF STATE LINE ROAD AT 92ND STREET IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-687, et seq., as amended, and Ordinance No. 1202, as amended by Ordinance No. 1778, the Governing Body of the City of Leawood, Kansas (the “City”) has heretofore authorized the following described improvement project within the City, to wit:

   to improve and re improv e the intersection of State Line Road at 92nd Street located within the City of Leawood

(the “Project”) at an estimated cost of $458,040.00; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 158 (Traffic Signalization), dated March 1, 1999, in the principal amount of $200,000 (the “Prior Notes”) to provide funds to pay the costs of the Project heretofore incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood,
Kansas, Temporary Notes, Project 158 (Traffic Signalization), in the aggregate principal amount of Two Hundred Thousand Dollars ($200,000) (the “Notes”). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 and 2, inclusive, each in the denomination of $100,000. Each of said Notes shall be dated November 1, 1999, shall mature by their stated terms and become due and payable on August 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 4.10% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after February 1, 2000, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.
Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to United Missouri Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.77% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring...
the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.
Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.
PASSED by the Council the 1st day of November, 1999.

First published in The Legal Record, Tuesday, November 2, 1999.

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 158 (TRAFFIC SIGNALIZATION), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT AND REMOVAL OF THE INTERSECTION OF STATE LINE ROAD AT 92ND STREET IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-687, et seq., as amended, and Ordinance No. 1202, as amended by Ordinance No. 1778, the Governing Body of the City of Leawood, Kansas (the “City”) has heretofore authorized the following described improvement project

within the City, to wit:

- to improve and regrade the intersection of State Line Road at 92nd Street located within the City of Leawood

(the “Project”) at an estimated cost of $545,040.00; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 158 (Traffic Signalization), dated March 1, 1999, in the principal amount of $200,000 (the “Prior Notes”) to provide funds to pay the costs of the Project hereinafter incurred by the City; and

WHEREAS, Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 158 (Traffic Signalization), in the aggregate principal amount of Two Hundred Thousand Dollars ($200,000) (the “Notes”). The amount of the Notes together with other temporary notes hereinafter issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 and 2, inclusive, each in the denomination of $100,000. Each of such Notes shall be dated November 1, 1999, shall mature by their stated terms and become due and payable on August 1, 2000. The Notes shall bear interest from their dated date, payable at maturity, upon redemption prior thereto as herein provided, at a rate of interest of 4.10% per annum (computed on the basis of actual days elapsed and a 360-day-year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after February 1, 2000, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereto on the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by publication of such notice at least once in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notice of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligation bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes at the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to United Missouri Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.77% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes, provided, however, the foregoing provision in (1) above shall be and shall remain null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the covenant is not possible or it cannot be satisfied through the issuance of other obligations, in which case the City shall pay a premium in an amount not to exceed 1% of the principal amount of the Notes,

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or with such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of this City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.
Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 1st day of November, 1999.

APPROVED by the Mayor the 1st day of November, 1999.

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 148 (CITY PARK DESIGN, PHASE I), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENTS TO EXISTING CITY PARKS IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-1302, et seq., as amended, and Ordinance No. 1742, the Governing Body of the City of Leawood, Kansas (the "City") called an election in the City for the purpose of submitting the following question:

Shall the City of Leawood issue its general obligation bonds pursuant to K.S.A. 12-1302 in an amount not to exceed $12,500,000 for the purpose of paying for the costs of improvements to existing City parks?"

WHEREAS, at said election more than a majority of the qualified electors in the City voted in favor of the proposition, the vote having been certified to have been and being declared to be 7957 votes in favor of said proposition and 2600 votes against said proposition.

WHEREAS, the design phase for the improvements to existing city parks (the "Project") has commenced and the City has heretofore issued its Temporary Notes, Project 148 (City Park Design, Phase I), dated March 1, 1999, in the principal amount of $200,000 (the "Prior Notes") to provide funds to pay the costs of the Project heretofore incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

Each of said Notes shall be dated November 1, 1999, shall mature by their stated terms and become due and payable on August 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 4.10% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after February 1, 2000, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the
known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to **United Missouri Bank**, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than **99.77%** of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal
Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the
Notes, necessary to maintain the exclusion from gross income for federal income tax
purposes of the interest on the Notes, including but not limited to any provisions requiring
the rebate of earnings on amounts held in funds or accounts created with respect to the Notes
and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of
the City nor take or permit any other action, or fail to take any action, if any such action or
failure to act would adversely affect the exclusion from gross income for federal income tax
purposes of the interest on the Notes; provided, however, the foregoing provision in (1)
above shall be and come null and void if and to the extent that the City shall receive an
opinion from nationally recognized bond counsel which concludes that compliance with the
foregoing covenant and the provisions of the Code as provided in this section shall not be
required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The
Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of
the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of
the City nor any subordinate issuing entity to the City have issued bonds or notes or
other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an
aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations
taken into account under Section 265(b)(3)(D) during calendar year 1999 in an
aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or
will such proceeds or the Project be in any manner used on a basis different from the
general public in the trade or business of any person, firm or corporation other than a
governmental entity.
The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.
PASSED by the Council the 1st day of November, 1999.

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.
4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.
PASSED by the Council the 1st day of November, 1999.

APPROVED by the Mayor the 1st day of November, 1999.

ORNIDANCE NO. 1825

AN ORNIDANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 144 (MISSION ROAD, 103RD - I-435), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $1,400,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT OR REIMPROVEMENT OF MISSION ROAD, 103RD - I-435, INCLUDING GRAADING, REGRADING, CURBING, RECURBING, GUTTERING, REGUTTERING, PAVING, REPAVING, MACADAMIZING, REMACADAMIZING, CONSTRUCTING, RECONSTRUCTING, OPENING, WIDENING, EXTENDING, ROUNDOVER CORNERS, STRAIGHTENING, RELOCATING, CONSTRUCTION OR RECONSTRUCTION OF ANY NECESSARY BRIDGES AND APPROACHES THERETO, VIADUCTS, OVERPASSES, UNDERPASSES, CULVERTS, STORM DRAINAGE, TRAFFICWAY ILLUMINATION, TRAFFIC CONTROL DEVICES, PEDESTRIAN WAYS, BICYCLE WAYS OR OTHER IMPROVEMENTS AND OTHER INCIDENTAL CONSTRUCTION COSTS, IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-687, et seq., as amended, and Ordinance No. 1204, the Governing Body of the City of Leawood, Kansas (the "City") has heretofore authorized the following described improvement project within the City, to wit:

improvement of certain sections of Mission Road from 103rd Street to I-435, within the City of Leawood

(x the "Project") at an estimated cost of $2,000,000, and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 144 (Mission Road, 103rd - I-435), dated March 1, 1999, in the principal amount of $1,500,000 (the "Prior Notes") to provide funds to pay the costs of the Project heretofore incurred by the City, and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 144 (Mission Road, 103rd - I-435), in the aggregate principal amount of One Million Four Hundred Thousand Dollars ($1,400,000) (the "Notes"). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 through 14 inclusive, each in the denomination of $100,000. Each of said Notes shall be dated November 1, 1999, shall mature by their stated terms and become due and payable on August 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 4.125% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after February 1, 2000, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least once in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder of such Notes as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes hereinafter authorized in the form and substance hereinafter described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to Country Club Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.79% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenant. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended, and as hereafter amended, and as applicable to the City, and (2) that no such proceeds from the sale of the Notes shall be expended for or used for purposes other than those described in Section Five of this Ordinance.
Revenue Code of 1986, as amended (the "Code"), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City not take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 1st day of November, 1999.

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 137 (STATE LINE ROAD, PHASE IV), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT OR REIMPROVEMENT OF STATE LINE ROAD FROM A POINT 25.50 FEET SOUTH OF THE CENTERLINE OF 103RD STREET TO A POINT 123.76 FEET SOUTH OF THE CENTERLINE OF CARONDELET, TO INCLUDE GRADING, REGRADING, CURBING, RECURBING, GUTTERING, REGUTTERING, PAVING, REPAVING, MACADAMIZING, REMACADAMIZING, CONSTRUCTING, RECONSTRUCTING, OPENING, WIDENING, EXTENDING, ROUNDELING CORNERS, STRAIGHTENING, RELOCATING, CONSTRUCTION OR RECONSTRUCTION OF ANY NECESSARY BRIDGES, APPROACHES THERETO, VIADUCTS, OVERPASSES, UNDERPASSES, CULVERTS, STORM DRAINAGE, TRAFFICWAY ILLUMINATION, TRAFFIC CONTROL DEVICES, PEDESTRIAN WAYS, BICYCLE WAYS, OR OTHER IMPROVEMENTS OR ANY TWO OR MORE OF SUCH IMPROVEMENTS OR REIMPROVEMENTS AND OTHER INCIDENTAL CONSTRUCTIONS COSTS, IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-685, et seq., as amended, and Ordinance No. 1372, the Governing Body of the City of Leawood, Kansas (the "City") has heretofore authorized the following described improvement project within the City, to wit:

improvement of State Line Road from a point 25.50 feet south of the centerline of 103rd Street, to a point 123.76 feet south of the centerline of Carondelet, a distance of approximately 2646 feet, within the City of Leawood

(the "Project") at an estimated cost of $3,680,000; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 137 (State Line Road, Phase IV), dated March 1, 1999, in the
principal amount of $200,000 (the "Prior Notes") to provide funds to pay the costs of the Project heretofore incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 137 (State Line Road, Phase IV), in the aggregate principal amount of Two Hundred Thousand Dollars ($200,000) (the "Notes"). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 and 2, inclusive, each in the denomination of $100,000. Each of said Notes shall be dated November 1, 1999, shall mature by their stated terms and become due and payable on August 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 4.10 % per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.
The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after February 1, 2000, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of
Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to United Missouri Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.77% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.
3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinafter provided and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to United Missouri Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99 1/2 % of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and is made null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the following covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows: 1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948; 2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.
The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 1st day of November, 1999.

APPROVED by the Mayor the 1st day of November, 1999.

AN ORDINANCE AUTHORIZING AND PROVIDING FOR ACQUISITION OF PRIVATE PROPERTY FOR THE USE OF THE CITY AND AUTHORIZING SURVEY AND DESCRIPTION OF THE LAND AND INTEREST TO BE CONDEMNED.

WHEREAS, the Governing Body of the City of Leawood, Kansas, did by resolution approve on October 18, 1999, declare the necessity of appropriating certain private property for the use of the City; and

WHEREAS, the Governing Body has previously authorized a survey and description of the land and interest to be condemned to be made by some competent engineer and filed with the City Clerk; and

WHEREAS, a survey and description of the land and interest to be condemned has been made by a competent engineer and filed with the City Clerk.

NOW THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

Section 1. The City Attorney is hereby authorized and directed to institute eminent domain proceedings to acquire the property and interests described by survey filed with the City Clerk which property and interests have been determined by the Governing Body to be necessary for the purpose of construction of improvements and re-improvements to portions of the Dykes Branch Tributary:

The project purpose is new construction, erosion control, and flood control. The project will be 730 feet long, which will consist of the following improvements: A 230 feet long reinforced concrete box, double cell 11 foot x 6 foot, and will be constructed to replace an existing 48 inch R.C.P. This will prevent flooding of Overhill Road for the 100-year storm. Upstream, a concrete channel with 1.5:1 side slopes will be constructed to match the existing channel. The concrete channel will be 64.5 feet long.
Downstream, the alignment will remain as is, but will have limestone blocks lining it in order to prevent further erosion. Project located in the SW Quarter of the SW Quarter of the SE Quarter of Section 27, Township 12 South, Range 25 East, Johnson County, Kansas, across, along the Tributary of Dykes Branch.
Specifically, the City Attorney is authorized and directed to institute eminent domain proceedings to acquire the following described property:

See attached "EXHIBIT A"

Section 2. This Ordinance shall take effect and be enforced from and after its passage, approval and publication as provided by law.

ORDINANCE NO. 1822

AN ORDINANCE TO AMEND SECTION 3-2 OF THE LEAWOOD DEVELOPMENT ORDINANCE REGARDING R-1 SINGLE FAMILY RESIDENTIAL DISTRICTS.

WHEREAS, Section 3-2 subsection F) 2) of the Leawood Development Ordinance regarding R-1 Single Family Residential Districts establishes a Side Setback requirement of 15 feet; and

WHEREAS, before the adoption of the current Side Setback requirement, the Side Setback of R-1 structures was determined by a formula which, as a result, allowed some R-1 residences to be built with a Side Setback of less than 15 feet; and

WHEREAS, some owners of R-1 residences that were legally constructed with Side Setbacks of less than 15 feet now desire to build additions that are continuous and consistent with the side build line of their existing structure; and

WHEREAS, under the current Side Setback requirement these additions are not allowed; and

WHEREAS, the Governing Body has determined that it is in the public interest to allow the Board of Zoning Appeals to grant exceptions to the current Side Setback requirement in these situations where the additions are built to the same side build line as the existing structure as long as the addition is not built within 10 feet of the property line, and as long as the addition does not provide any additional encroachment to surrounding property owners.

THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

Section 1. That Section 3-2 of the Leawood Development Ordinance is hereby repealed.

Section 2. That Section 3-2 of the Leawood Development Ordinance is hereby amended to read as follows:

3-2 R-1 (SINGLE FAMILY RESIDENTIAL DISTRICT)

A) General Purpose and Description: Property zoned and developed as R-1 Single Family Residential shall be to provide for single family detached dwellings and other selected uses which are compatible with low density residential character of this district. Property zoned R-1 should be those tracts that correspond to the low density land use category identified in the Master Development Plan.

B) Principal Permitted Uses: In District R-1 no building, structure, land or premises shall be used, and no building or structure shall be hereafter erected, constructed, reconstructed, moved, or altered, except for one or more of the following uses:

1) Single Family Dwellings

2) Group Homes as defined herein.

3) The following public and semipublic uses may be permitted after hearing and review of preliminary plans and recommendation by the City Plan Commission and approval of the Governing Body.

a) Athletic Fields
b) Cemeteries
c) Community center buildings
d) Convents, when a part of a school or church complex
e) Fire station
f) Libraries
g) Nurseries and truck gardens limited to the propagation and cultivation of plants provided no retail or wholesale business shall be conducted on the premises and no obnoxious fertilizer renovation may be conducted thereon
h) Parks, playgrounds and other recreational areas of municipal ownership
i) Police stations
j) Swimming pools, (municipal)
k) Other municipal facilities

C) Accessory Uses: (See Section 4-1 of this ordinance.)
D) Special Uses: (See Section 4-3 of this ordinance.)
E) Temporary Uses: The following use shall be permitted as a temporary use in the R-1 District in accordance with Section 2-4.4 of this ordinance.
   1) Building or trailer for storage of materials and/or equipment necessary for construction authorized by a valid building permit, provided the location of the building or trailer has been approved by the Director of Planning and Development.
   2) Sales office
   3) Model homes

F) Bulk Regulations:
   1) Front Setback: 35 feet except that the side yard on street side of corner lot shall be 30 feet.
   2) Side Setback: 15 feet
   3) Rear Setback: 30 feet except that when structure is placed at approximately a 45 degree angle toward street then irregular lot setbacks shall apply.
   4) Irregular Lot Setbacks: On lots bounded by two intersecting streets, irregular rear property line or of other than generally rectangular shape the rear yard setback shall average distance of 30 feet. This setback shall be determined by extending the sidewalls of the structure to the rear property line and calculating the square footage within the area between the rear walls, the side extensions and the rear property line(s). This figure will then be divided by the distance between the extended sidewall lines. This will give the average depth of the area enclosed and this must be equal to or greater than 30 feet. In no case shall the structure be located less than 15 feet from any property line.
   5) Lot Area: 15,000 square feet per dwelling
   6) Lot Frontage: 100 feet
   7) Height Limit: 2 ½ stories
8) Exception to Side Yard Setback: The Board of Zoning Appeals shall have the power to grant an exception to the required 15-foot Side Setback for additions to existing structures, upon a determination that such exception shall not cause adverse impact to the surrounding properties, and upon a finding of the following conditions:
   a) The existing structure was legally constructed with a Side Setback of less than 15 feet; and
   b) In no case shall the existing structure and any proposed addition be any closer than 10 feet to the property line; and
   c) The proposed addition will be continuous and consistent with the existing side build line of the existing structure; and
   d) The proposed addition shall not cause further encroachment than that of the existing structure.

Such exception shall require a public hearing. Notice of the hearing shall be published in the official city newspaper at the applicant's expense at least 20 days prior to the date of the hearing. Additionally, at least 10 days prior to the date of the hearing, the applicant shall mail notices regarding the application to all adjacent property owners and to the applicable homes association. Such mailed notice shall be by certified mail, return receipt requested, and shall be in the form of a letter explaining the proposed change. Failure to receive such notice shall not invalidate any subsequent action taken.

G) Parking Requirements: Refer to individual parking group in Section 4-4 of this ordinance. ATTEST:

Martha Heizer, City Clerk

APPROVED AS TO FORM:
ORDINANCE NO. 1821C

WHEREAS, the increased use and demand on the right-of-way by utilities and other right-of-way users has created a need for the City to regulate such use by ordinance; and

WHEREAS, the Governing Body has determined that such ordinance is necessary to protect the public safety and welfare; and

WHEREAS, the City has the authority to adopt by ordinance such regulation through both statute, home rule and its police powers; and

WHEREAS, the Governing Body has established the regulations and requirements provided for hereafter in conjunction with the cities of Overland Park and Prairie Village who are adopting similar if not identical ordinances; and

WHEREAS, Article 3 of Chapter XIII of the Leawood City Code is currently unused and designated "Reserved."

NOW THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

Section 1. That Sections 13-1A02, 13-1A03, and 13-202 through 3-214 of the Leawood City Code are hereby repealed.

Section 2. That the code of the City of Leawood is hereby amended by adding Article 3 of Chapter 13 which as follows:

ARTICLE 3 USE AND OCCUPANCY OF THE PUBLIC RIGHT-OF-WAY

13-301 General. (a) No person shall excavate the right-of-way, construct, or use the facilities within the right-of-way of the City except as provided herein.

13-302 Purpose. (a) To recognize the City's primary role as chief steward of the right-of-way and its duty to its citizens to recover the costs of managing the right-of-way and incursions into it;

(b) To clarify and regulate conditions of occupancy and construction for those ROW-users occupying space within the City's right-of-way given the anticipated increased use of the right-of-way by various ROW-users throughout the country;

(c) To recognize the necessity for sound management practices in light of the increased use of the right-of-way and the fact that the right-of-way is a limited resource;

(d) To treat each ROW-user equitably and in a competitively neutral manner with considerations that may be unique to the technologies and situation of each particular ROW-user;

(e) To minimize disruption, visual impact or inconvenience to the public, and to preserve the public health, safety and welfare; and

(f) To comply with state and federal legislation.

13-303 Definitions. (a) For purposes of this Ordinance, the following words and phrases shall have the meaning given herein:
(1) "Abandoned Facilities" means those facilities owned by the ROW-user that are not in use and will not be utilized by the owner in the future.

(2) "Administrative Fee" means the fee charged by the City to recover its cost incurred for right-of-way management; including, but not limited to, costs associated with registering applicants; issuing, processing, and verifying right-of-way permit applications; inspecting job sites and restoration improvements; determining the adequacy of right-of-way restoration; revoking right-of-way permits and, other costs the City may incur in managing the provisions of this ordinance.

(3) "Affiliate" means any person controlling, controlled by or under the common control of a "service provider".

(4) "Applicant" means any person requesting permission to occupy, lease or operate facilities using the right-of-way, or to excavate the right-of-way.

(5) "Area of Influence" means that area around a street excavation where the pavement and subgrade is impacted by the excavation and is subject to more rapid deterioration.

(6) "City" means the City of Leawood, Kansas, a municipal corporation and any duly authorized representative.

(7) "Construct" means and includes construct, install, erect, build, affix or otherwise place any fixed structure or object, in, on, under, through or above the right-of-way.

(8) "Day" means calendar day unless otherwise specified.

(9) "Degradation" means the accelerated depreciation of a street caused by excavation in or disturbance of the street, resulting in the need to reconstruct such right-of-way earlier than would be required if the excavation did not occur.

(10) "Degradation fee" means the fee charged by the City to recover the cost to the City and the public at large associated with a decrease in the useful life of a street caused by excavation.

(11) "Depreciation rate" means the rate at which the useful service life of a public street improvement deteriorates over time.

(12) "Emergency" means a condition that (a) poses a clear and immediate danger to life or health, or of a significant loss of property; or (b) requires immediate repair or replacement in order to restore service to a user.

(13) "Excavate" means and includes any cutting, digging, excavating, tunneling, boring, grading or other alteration of the surface or subsurface material or earth in the right-of-way.

(14) "FCC" means Federal Communications Commission.

(15) "Facility" means lines, pipes, irrigation systems, wires, cables, conduit facilities, poles, towers, vaults, pedestals, boxes, appliances, antennas, transmitters, gates, meters, appurtenances, or other equipment.

(16) "Facility based service provider" means a service provider owning or possessing facilities in the right-of-way.

(17) "Governing body" means the Mayor and the City Council of the City of Leawood, Kansas.

(18) "Governmental entity" means any county, township, city, town, village, school district, library district, road district, drainage or levee district, sewer district, water district, fire district or other municipal corporation, quasi-municipal corporation or political subdivision of the State of Kansas or of any other state of the United States and any agency or instrumentality of the State of Kansas or of any other state of the United States or of the United States.

(19) "KCC" means the Kansas Corporation Commission.

(20) "Parkway" means the area between a property line and the street curb. Sometimes called boulevard, tree-shelf or snow-shelf.

(21) "Pavement" means and includes Portland cement concrete pavement, asphalt concrete pavement, asphalt treated road surfaces and any aggregate base material.

(22) "Permittee" means any person to whom a right-of-way permit is issued to excavate a right-of-way.

(23) "Person" means any natural or corporate person, business association or business entity
including, but not limited to, a partnership, a sole proprietorship, a political subdivision, a public or private agency of any kind, a utility, a successor or assign of any of the foregoing, or any other legal entity.

(24) “Public Improvement” means any project undertaken by the City for the construction, reconstruction, maintenance, or repair of any public infrastructure, and including without limitation, streets, alleys, bridges, bikeways, parkways, sidewalks, sewers, drainage facilities, traffic control devices, street lights, public facilities, public buildings or public lands.

(25) “Public lands” means any real property of the City that is not right-of-way.

(26) “Public Works Director” means the Public Works Director, Leawood, Kansas, or the authorized representative.

(27) “Registration” means the application process of a service provider, the approval of the application by the City, and the authorization of the service provider to use any portion of the right-of-way within the City to provide service both within and beyond the City limits.

(28) “Repair” means the temporary construction work necessary to make the right-of-way useable.

(29) “Reseller service provider” means a service provider providing service within the City that does not have its own facilities in the right-of-way, but instead uses the right-of-way by interconnecting with or using the network elements of another service provider utilizing the right-of-way, and/or by leasing excess capacity from a facility-based service provider.

(30) “Restoration” means the process by which an excavated right-of-way and surrounding area, including pavement and foundation, is returned to the same condition, or better, that existed before the commencement of the work.

(31) “Right-of-way” means the area on, below or above the present and future City streets, alleys, bridges, bikeways, parkways and sidewalks.

(32) “Right-of-way Permit” means the authorization to excavate for the construction, installation, repair or maintenance of any type of facility within the right-of-way.

(33) “Routine Service Operation” means a work activity that makes no material change to the facilities and does not disrupt traffic.

(34) “ROW-user” means a person, its successors and assigns, that uses the right-of-way for purposes of work, excavation, provision of services, or to install, construct, maintain, repair facilities thereon, including, but not limited to, landowners and service providers. A ROW-user shall not include ordinary vehicular or pedestrian traffic or any governmental entity that has entered into an agreement pursuant to K.S.A. 12-2901 et seq. with the City regarding the use and occupancy of the City’s right-of-way, or a reseller service provider that does not own or control its own facilities in the right-of-way.

(35) “Service” means a commodity provided to a person by means of a delivery system that is comprised of facilities located or to be located in the right-of-way, including, but not limited to, gas, telephone, cable television, Internet services, Open Video Systems, alarm systems, steam, electric, water, telegraph, data transmission, petroleum pipelines, or sanitary sewerage.

(36) “Service provider” means any person that is a provider of a service for or without a fee that has the requisite certifications and authorizations from applicable governmental entities, including the KCC and the FCC, to provide such service. Service provider includes both facility-based service providers and reseller service providers.

(37) “Street” means the pavement and sub-grade of a City residential, collector or arterial roadway.

13-304 Policy.

(a) It is the policy of the City to authorize any ROW-user to utilize the right-of-way in a competitively neutral, non-discriminatory manner that maximizes the efficient use of and conserves the right-of-way and minimizes the burden on the right-of-way, physically and aesthetically. Any use of the right-of-way by a ROW-user shall be subject to the terms and conditions hereof, in addition to other applicable federal, state or local requirements.

(b) The right granted to the ROW-user to use the right-of-way is limited to the use that the ROW-user has
filed with the City in accordance with this Ordinance. These rights are for the exclusive use of the ROW-user except where otherwise provided herein, or when authorized by the City.

(c) This Ordinance also is designed to regulate occupancy and excavations in the right-of-way by providing, among other things, for the issuance of permits which grant the authority to utilize and occupy the right-of-way within the City.

(d) All ROW-users shall be subject to all rules, regulations, policies, resolutions, and ordinances now or hereafter adopted or promulgated by the City in the reasonable exercise of its police power and are subject to all applicable laws, orders, rules and regulations adopted by governmental entities now or hereafter having jurisdiction. In addition, the ROW-users shall be subject to all technical specifications, design criteria, policies, resolutions and ordinances now or hereafter adopted or promulgated by the City in the reasonable exercise of its police power relating to permits and fees, sidewalk and pavement cuts, utility location, construction coordination, surface restoration, and other requirements on the use of the right-of-way.

13-305 Administration.

(a) The Public Works Director is the principal city official for administration of right-of-way permits for work and excavations made in the right-of-way. The Public Works Director may delegate any or all of the duties hereunder.

(b) The Public Works Director is the principal City Official responsible for administration of the registering of a service provider. The Public Works Director may delegate any or all of the duties hereunder.

13-306 Requirements of Service Provider.

(a) Any existing service provider must register within thirty (30) days of the effective date of this Ordinance.

(b) Any person, who is not an existing service provider prior to the effective date of this Ordinance and who wishes to become a service provider, must first register with the City.

(c) The service provider shall report any changes in its registration information within thirty (30) days.

(d) No service provider shall be authorized to utilize the right-of-way in any capacity or manner without registering and obtaining the necessary right-of-way permit from the City.

(c) The information required for registration includes the following:

(1) Identity and legal status of service provider, including related affiliates.

(2) Name, address, telephone number, fax number and email address of officer, agent or employee responsible for the accuracy of the registration statement.

(3) Name, address, telephone number, fax number and email address of the local representative of the service provider who shall be available at all times to act on behalf of the service provider in the event of an emergency.

(4) Proof of any necessary permit, license, certification, grant, registration, franchise agreement or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC.

(5) Description of the service provider's intended use of the right-of-way.

(6) Information sufficient to determine whether the service provider is subject to franchising by Kansas law.

(7) Information sufficient to determine whether the service provider has applied for and received any certificate of authority required by the Kansas Corporation Commission.

(8) Information sufficient to determine that the service provider has applied for and received any permit or other approvals required by the Federal Communications Commission.

(9) Information which identifies reseller service providers as provided hereinafter.

(10) Such other information as may be reasonably required by the City to complete the registration statement.

(f) Each service provider shall designate a local person familiar with the facilities who will act as a local agent for the service provider and will be responsible for satisfying information requirements of this Ordinance. The service provider shall present to the City the agent's name, address, telephone number,
fax number and email address. The agent shall be the person to whom relocation notices and other such notices shall be sent, and with whom rests the responsibility to facilitate all necessary communications. The service provider shall be responsible for all costs incurred by the City due to the failure to provide such information to the City.

(g) Prior to construction, reconstruction, repair, maintenance, or relocation of facilities owned by the service provider in the right-of-way, the service provider shall first obtain the necessary right-of-way permit as provided hereafter.

(h) Prior to providing service to the City and its residents, the service provider shall first obtain the necessary franchise agreement, if any, from the City.

(i) The service provider shall participate in any joint planning, construction and advance notification of right-of-way work, including coordination and consolidation of street cut work as directed by the Public Works Director. In addition, the service provider shall cooperate with other service providers and the City for the best, most efficient, most aesthetic and least obtrusive use of the right-of-way, consistent with safety, and to minimize traffic and other disruptions, including street cuts.

(j) The service provider shall furnish maps showing the location of facilities of the service provider within the City as provided hereafter.

(k) To the extent allowed by law, the City may limit the number of registrations, based upon, but not necessarily limited to, specific local considerations such as:

1. The capacity of the right-of-way to accommodate service facilities;
2. The impact on the community of the volume of facilities in the right-of-way;
3. The disruption arising from numerous excavations of the right-of-way;
4. The financial capabilities of the service provider and its guaranteed commitment to make necessary investments to erect, maintain and operate the proposed facilities; or
5. Any other consideration based upon the interests of the public safety and welfare.

(l) The City shall not exercise its authority under this provision to in any way deter competition or discriminate against any service provider.

13-307 Mapping Requirement of Service Provider.

(a) The service provider shall keep and maintain accurate records and as-built drawings depicting accurate location of all its facilities constructed, reconstructed or relocated in the right-of-way.

(b) Within ten (10) days of a request by the City, the service provider will provide to the City information concerning such facilities as may be reasonably requested.

(c) When available to the service provider, such information will be submitted electronically in an AutoCad™ format to the extent compatible with the City's Geographical Information Systems (GIS) and Johnson County Automated Integrated Mapping Systems (AIMS) provided, however, that nothing herein shall be construed to require the service provider to acquire or modify any electronic mapping system.

(d) Underground facilities shall be differentiated from overhead facilities.

(e) Such mapping and identification shall be at the sole expense of the service provider.

(f) Such information shall be considered confidential and proprietary and shall remain the sole property of the service provider. Additionally, pursuant to K.S.A. 45-221(18), as amended, such information shall not constitute public records subject to K.S.A. 45-218, as amended. In the event the City's denial of any request for such information is challenged, the City shall immediately notify the service provider, and will take such action as may be reasonably required to cooperate with the service provider's efforts to safeguard such information.

13-308 Service Provider's Right to Sell, Transfer, Lease, Assign, Sublet or Dispose.

(a) Except as provided hereafter, the service provider shall not sell, transfer, lease, assign, sublet or dispose of its facilities, or any portion thereof, that is located in City right-of-way, or any right, title or interest in the same, or the transfer of any rights granted by the City to any person either by forced or involuntary sale, or by ordinary sale, consolidation or otherwise, without notice to the City. This provision shall not apply to the sale of property or equipment in the normal course of business or to the sale or lease of facilities to reseller service providers. No notice to the City shall be required for a
transfer in trust, mortgage, or other similar instrument, in whole or in part, to secure an indebtedness, or for a pro forma transfer to a corporation, partnership, or other entity controlling, controlled by or under common control with the service provider.

13-309 Reseller Service Providers.

(a) A service provider may permit and has the authority to sell, sublet, or lease any use of excess capacity and sell services for resale to any reseller service provider providing service within the City, including the service provider's subsidiary or affiliate. The reseller service provider shall first register and obtain any necessary permit, license, certification, grant, registration, franchise agreement or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC. The service provider shall also provide the City on at least a semi-annual basis the identity of entities with which the service provider has entered into an interconnection and/or resale agreement within the State of Kansas. This notice will not relieve the reseller service provider from its own obligation to register and obtain any necessary franchise with the City. Nothing in this Ordinance shall prevent a facility-based service provider from providing to any reseller service provider the use of the facility-based service provider's facilities in the right-of-way as authorized by federal or state law.

13-310 Use of the Right-of-Way.

(a) The ROW-user's use of the right-of-way shall in all matters be subordinate to the City's use or occupation of the right-of-way. Without limitation of its rights, the City expressly reserves the right to exercise its governmental powers now and hereafter vested in or granted to the City.

(b) The ROW-user shall coordinate the placement of facilities in a manner which minimizes adverse impact on any public improvement, as reasonably determined by the City. Where placement is not regulated, the facilities shall be placed with adequate clearance from such public improvements so as not to impact or be impacted by such public improvement as defined in the City's Manual of Infrastructure Standards available in the office of the Public Works Director.

(c) The ROW-user shall consider any request made by the City concerning placement of facilities in private easements in order to limit or eliminate future street improvement relocation expenses.

(d) All facilities shall be located and laid so as not to disrupt or interfere with any pipes, drains, sewers, irrigation systems, or other structures or public improvements already installed. In addition, the ROW-user shall, in doing work in connection with its facilities, avoid, so far as may be practicable, disrupting or interfering with the lawful use of the streets, alleys, sidewalks, or other public lands of the City.

(e) All facilities of the ROW-user shall be placed so that they do not interfere with the use of right-of-way and public lands. The City, through its Public Works Director, shall have the right to consult and review the location, design and nature of the facility prior to its being installed.

(f) Whenever reasonably possible, all newly constructed facilities shall be located underground. The ROW-user shall comply with all requirements of the City relating to underground facilities. This requirement may be waived by the Public Works Director at his discretion for safety concerns, or some other good cause under the condition that does not cause discrimination among ROW-users. If this requirement is waived, the facilities shall be located as directed by the Public Works Director, including, but not limited to, requirements regarding location and height.

(g) The ROW-user shall not interfere with the facilities of the other ROW-users without their permission. If and when the City requires or negotiates to have a service provider cease using its existing poles and to relocate its facilities underground, all other service providers using the same poles shall also relocate their facilities underground at the same time, subject to the appeal process contained in Section 13-328, as amended.

(h) The Public Works Director may assign specific corridors within the right-of-way, or any particular segment thereof as may be necessary, for each type of facility that is currently or, pursuant to current technology, the Public Works Director expects will someday be located within the right-of-way. All right-of-way permits issued by Public Works Director shall indicate the proper corridor for the ROW-user's facilities. Any ROW-user whose facilities are currently in the right-of-way in a position at a variance with the designated corridors shall, no later than at the time of next reconstruction or excavation of the area where its facilities are located, move the facilities to its assigned position within the right-of-way, unless this requirement is waived by Public Works Director for good cause shown,
upon consideration of such factors as the remaining economic life of the facilities, public safety, user service needs and hardship to the ROW-user.

(i) If, in the preparation and planning of a right-of-way project, the Public Works Director deems it appropriate for a conduit to be constructed along, across or under the right-of-way, the Public Works Director shall contact all appropriate ROW-users for their input on the planning and design of such conduit. If a ROW-user desires to construct, maintain or operate facilities along such right-of-way, the Public Works Director may require the ROW-user to use such conduit, and to contribute to the expense of such conduit, provided, however, the ROW-user use of the conduit is reasonable and appropriate under the circumstances.

(j) All earth, materials, sidewalks, paving, crossings, utilities, other public improvements or improvements of any kind damaged or removed by the ROW-user shall be fully repaired or replaced promptly by the ROW-user at its sole expense and to the reasonable satisfaction of the City. Upon determination by the Public Works Director that such repair or replacement is a public safety matter, all such repair or replacement shall be commenced within twenty-four (24) hours of notice from the City, or the Public Works Director may direct the City to make such repair or replacement and bill the ROW-user for the City cost. The Public Works Director has the authority to inspect the repair or replacement of the damage, and if necessary, to require the ROW-user to do any necessary additional work.

(k) All technical standards governing construction, reconstruction, installation, operation, testing, use, maintenance, and dismantling of a ROW-user's facilities in the right-of-way shall be in accordance with applicable federal, state and local law and regulations, including those promulgated by national trade associations commonly associated with the service provided by the ROW-user. It is understood that the standards established in this paragraph are minimum standards and the requirements established or referenced in this Ordinance may be in addition to or stricter than such minimum standards. A ROW-user shall not construct or reconstruct any of its facilities located upon, over, under or within the City right-of-way without first having submitted in writing a description of its planned improvement to the Public Works Director and having received a permit for such improvement. The Public Works Director may require that any drawings, plans and/or specifications submitted be certified by a Kansas registered professional engineer stating that such drawings, plans and/or specifications comply with all applicable technical codes, rules and regulations, unless such plans are based directly on nationally recognized codes, which are appropriately cited, and attested to on the plans by the signature of an authorized official of the organization applying for the permit.

(l) The ROW-user shall cooperate promptly and fully with the City and take all reasonable measures necessary to provide accurate and complete on-site information regarding the nature and horizontal and vertical location of its facilities located within the right-of-way, both underground and overhead, when requested by the City or its authorized agent for a public improvement. Such location and identification shall be at the sole expense of the ROW-user without any expense to the City, its employees, agents, or authorized contractors.

13-311 Facility Relocation.

(a) The ROW-user shall promptly remove, relocate or adjust any facilities located in the right-of-way as directed by the City for a public improvement or when reasonably required by the City by reason of public safety. Such removal, relocation, or adjustment shall be performed by the ROW-user at the ROW-user's expense without expense to the City, its employees, agents, or authorized contractors and shall be specifically subject to rules, regulations and schedules of the City pertaining to such. The ROW-user shall proceed with relocations at due diligence upon notice from the City to begin relocation.

(b) The ROW-user shall promptly remove, relocate or adjust any facilities located in private easement, as directed by the City, for a public improvement, at City expense, by moving such facilities to areas within the expanded right-of-way or within remaining private easements or remaining portions of such easements not condemned by nor disclaimed to the City to avoid conflict with City construction and improvements. The ROW-user shall disclaim those parts of its easements which lie within the expanded right-of-way. Should the City, in the future, elect to require the ROW-user to again relocate its facilities to other areas within the expanded right-of-way, the cost of any such future relocation shall be borne by the City.

(c) As soon as working drawings are available for public improvements which will require the ROW-user to relocate its facilities, the City shall provide the ROW-user with written notice of relocations and the anticipated bid letting date of said improvement. The ROW-user shall respond with any conflicts and
a proposed construction schedule within thirty (30) days.

(d) Following notice by the City in the form of the delivery of final design plans for such public improvements, the ROW-user shall remove, and relocate its facilities in accordance with the mutually agreed upon schedule, provided the project is not delayed by adverse weather conditions and other factors beyond the control of the ROW-user. The ROW-user shall certify to the City, in writing, that its facilities have been relocated or adjusted to clear construction in accordance with project plans provided by the City.

(e) Any damages suffered by the City, its agents or its contractors to the extent caused by ROW-user's failure to timely relocate or adjust its facilities, or failure to properly relocate or adjust such facilities, shall be borne by the ROW-user.

(f) In the event the ROW-user is required to move its facilities in accordance with this section, any ordinary right-of-way permit fee shall be waived.

(g) It is the intent of this section for both the City and the ROW-user to cooperate with one another so that the need for facility relocation is minimized and, when required and feasible, relocations may be completed prior to receipt of bids by the City for a public improvement.

13-312 Protection of the Public.

(a) It shall be the responsibility of the ROW-user to take adequate measures to protect and defend its facilities in the right-of-way from harm and damage.

(b) The City shall not be liable for any damage to or loss of any of the ROW-user's facilities within the right-of-way as a result of or in connection with any construction, excavation, grading, filling or work of any kind, including public improvements by or on the behalf of the City, except to the extent caused by the negligent, willful, intentional, or malicious acts or omissions of the City.

(c) The ROW-user shall be responsible to the City and its agents, representatives, and authorized contractors for all damages suffered by them including, but not limited to delay damages, repair costs, construction delays, penalties or other expenses of any kind arising out of the failure of the ROW-user to timely perform any of its obligations under this Ordinance to the extent caused by the acts or omissions of the ROW-user.

(d) The City or its authorized contractors shall be responsible for taking reasonable precautionary measures including calling for facility locations.

(e) Any ROW-user who for any purpose makes or causes to be made any excavation in, upon, under, through or adjoining any street, sidewalk, alley or other right-of-way, and shall leave any part or portion thereof open, or shall leave any part or portion thereof disrupted with rubbish, building or other material during construction and/or the night time, shall cause the same to be enclosed with good substantial and sufficient barricades or drums equipped with the appropriate type warning lights and orange safety fencing material which is properly secured around the excavation or the disruption.

(f) Whenever a ROW-user shall excavate the full width of any street, sidewalk, alley, driveway approach or other right-of-way, it shall be its duty to maintain an adequate passage for vehicles and pedestrians across or around the excavation until it is refilled as specified.

(g) Any excavation left open overnight on any thoroughfare or collector type street shall be securely covered. The ROW-user assumes the sole responsibility for maintaining proper barricades, plates, safety fencing and/or lights as required from the time of opening of the excavation until the excavation is surfaced and opened for travel.

(h) The Public Works Director, upon the review and approval of a plan and details for trimming trees in the right-of-way, may grant permission by permit to any ROW-user to trim trees upon and overhanging the right-of-way so as to prevent the branches of such trees from coming in contact with the facilities of the ROW-user.

(i) In the event the ROW-user severely disturbs or damages the root structure of any tree in the right-of-way to the detriment of the health and safety of the tree, the ROW-user will be required to remove and replace the tree at the ROW-user's cost. Further, in review of the ROW-user's plan, Public Works Director, in his discretion, may require the ROW-user to directionally bore around any tree in the right-of-way.

(j) Upon the appropriate request of any person having satisfied City procedure and ordinances, the ROW-user shall remove, raise, or lower its facilities temporarily to permit the moving of houses or other
structures. The expense of such temporary removal, raising or lowering shall be paid by the person requesting the same, and the ROW-user may require such payment in advance. The ROW-user must be given not less than fifteen (15) days written notice from the person detailing the time and location of the moving operations, and not less than 24-hours advance notice from the person advising of the actual operation.

13-313 Right-of-way Vacation.

(a) If the City vacates a right-of-way which contains the facilities of the service provider, and if the vacation does not require the relocation of the service provider's facilities, the City shall reserve, to and for itself and all service providers having facilities in the vacated right-of-way, an easement for the right to install, maintain and operate any facilities in the vacated right-of-way and to enter upon such vacated right-of-way at any time for the purpose of reconstructing, inspecting, maintaining or repairing the same.

(b) If the vacation requires the relocation of facilities, and

(1) If the vacation proceedings are initiated by the service provider, the service provider must pay the relocation costs.

(2) If the vacation proceedings are initiated by the City, the service provider must pay the relocation costs unless otherwise agreed to by the City and the service provider.

(3) If the vacation proceedings are initiated by a person other than the service provider or the City, such other person must pay the relocation costs.

13-314 Abandoned and Unusable Facilities.

(a) A ROW-user owning abandoned facilities in the right-of-way must either:

(1) Remove its facilities and replace or restore any damage or disturbance caused by the removal at its own expense. The Public Works Director may allow underground facilities or portions thereof remain in place if the Public Works Director determines that it is in the best interest of public safety to do so. At such time, the City may take ownership and responsibility of such vacated facilities left in place; or

(2) Provide information satisfactory to the City that the ROW-user's obligations for its facilities in the right-of-way have been lawfully assumed by another authorized ROW-user; or

(3) Submit to the City a proposal and instruments for transferring ownership of its facilities to the City. If the ROW-user proceeds under this section, the City may, at its option purchase the equipment, require the ROW-user, at its own expense, to remove it, or require the ROW-user to post a bond in an amount sufficient to reimburse the City for reasonable anticipated costs to be incurred to remove the facilities.

(b) Facilities of a ROW-user who fails to comply with this section, and whose facilities remain unused for two (2) years, shall be deemed to be abandoned after the City has made a good faith effort to contact the ROW-user, unless the City receives confirmation that the ROW-user intends to use the facilities. Abandoned facilities are deemed to be a nuisance. The City may exercise any remedies or rights it has at law or in equity, including, but not limited to, (a) abating the nuisance, (b) taking possession and ownership of the facility and restoring it to a useable function, or (c) requiring the removal of the facility by the ROW-user.

13-315 Permit Requirement.

(a) Except as otherwise provided, no ROW-user may excavate any right-of-way or conduct any repair, construction, or reconstruction of facilities located within the right-of-way without first having obtained the appropriate right-of-way permit.

(b) There are two exemptions to this provision:

(1) Contractors working on the construction or reconstruction of public improvements.

(2) ROW-users performing routine service operations which do not require excavation in the right-of-way and do not disrupt traffic for more than four (4) hours.

(c) No person owning or occupying any land abutting on a public right-of-way shall construct, maintain, or permit in or on the portion of the public right-of-way to which such land is adjacent, any fixed structure, material or object without having obtained the appropriate right-of-way permit.
(d) A right-of-way permit is required for emergency situations. If due to an emergency it is necessary for the ROW-user to immediately perform work in the right-of-way, and it is impractical for the ROW-user to first get the appropriate permit, the work may be performed, and the required permit shall be obtained as soon as possible during the next City working day.

(e) No permittee may excavate the right-of-way beyond the date or dates specified in the right-of-way permit unless the permittee:
   (1) Makes a supplementary application for another right-of-way permit before the expiration of the initial permit, and
   (2) A new right-of-way permit or permit extension is granted.

(f) Right-of-way permits issued shall be conspicuously displayed by the permittee at all times at the indicated work site and shall be available for inspection by the Public Works Director, other City employees and the public.

(g) Prior to the commencement of excavation, the permittee shall identify and locate any buried facilities to be spray painted according to the Uniform Color Code required by the Kansas One Call.

(h) All excavations by the permittee shall have a metal marker inserted into the excavation of the restored pavement, which shall identify the ROW-user.

(i) Before receiving a right-of-way permit, the applicant must show proof of any necessary permit, license, certification, grant, registration, franchise agreement or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC.

(j) Any ROW-user who is found to be working in the public right-of-way without a permit will be directed to stop work until a permit is acquired and properly posted at the work site. The only exception allowed is for emergency repair work.

(k) Any permittee found to be working without providing for required safety and traffic control will be directed to stop work until the appropriate measures are implemented in accordance with the current edition of the Manual on Uniform Traffic Control Devices.

13-316 Permit Applications.
(a) Application for a right-of-way permit shall be submitted to the Public Works Director either by the ROW-user or by the person who will do the work and/or excavation in the right-of-way.
(b) Right-of-way applications shall contain and be considered complete only upon receipt of the following:
   (1) Compliance with verification of registration;
   (2) Submission of a completed permit application form, including all required attachments and scaled drawings showing the location and area of the proposed project and the location of all existing and proposed facilities at such location;
   (3) A traffic control plan;
   (4) Payment of all money due to the City for permit fees and costs, for prior excavation costs, for any loss, damage or expense suffered by the City because of the applicant's prior excavations of the right-of-way or for any emergency actions taken by the City, unless the payment of such money is in dispute and timely appealed as provided hereafter.

(a) The permittee shall file with the City evidence of liability insurance with an insurance company licensed to do business in Kansas. The amount will be not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate. The insurance will protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death, or property damage to the extent caused or alleged to have been caused by the negligent acts or omissions of the permittee. If the permittee is self-insured, it shall provide the City proof of compliance regarding its ability to self-insure and proof of its ability to provide coverage in the above amounts.
(b) The permittee shall at all times during the term of the permit, and for two (2) years thereafter, maintain a performance and maintenance bond in a form approved by the City Attorney. The amount of the bond will be $5,000 or the value of the restoration, whichever is greater, for a term consistent with the term of the permit plus two additional years, conditioned upon the permittee's faithful performance of
the provisions, terms and conditions conferred by this ordinance. An annual bond in an amount of $50,000 automatically renewed yearly during this period shall satisfy the requirement of this section. In the event the City shall exercise its right to revoke the permit as granted herein, then the City shall be entitled to recover under the terms of said bond the full amount of any loss occasioned.

(c) A copy of the Liability Insurance Certificate and Performance and Maintenance Bond must be on file with the City Clerk.

(d) No performance and maintenance bond or liability insurance will be required of any governmental entity, or of any residential property owner working in the right-of-way adjacent to his/her residence, who does not utilize a contractor to perform the excavation.

13-318 Right-of-way Permit Fees.

(a) The right-of-way permit fee shall be recommended by the Public Works Director, approved by the Governing Body and listed in the Schedule of Fees maintained in the City Clerk's office.

(b) The right-of-way permit fee may include an administrative fee and a degradation fee.

(c) Fees paid for a right-of-way permit, which is subsequently revoked by the Public Works Director, are not refundable.

13-319 Issuance of Permit.

(a) If the Public Works Director determines that the applicant has satisfied the requirements of this Ordinance, the Public Works Director shall issue a right-of-way permit.

(b) The Public Works Director may impose reasonable conditions upon the issuance of a right-of-way permit and the performance of the permittee in order to protect the public health, safety and welfare, to ensure the structural integrity of the right-of-way, to protect the property and safety of other users of the right-of-way, and to minimize the disruption and inconvenience to the traveling public.

(c) When a right-of-way permit is requested for purposes of installing additional facilities and the amount of performance and maintenance bond for additional facilities is reasonably determined to be insufficient, the posting of an additional or larger performance and maintenance bond for the additional facilities may be required.

(d) Issued permits are not transferable.

(e) If work is being done for the ROW-user by another person, a subcontractor or otherwise, the person doing the work and the ROW-user shall be liable and responsible for all damages, obligations, and warranties herein described.

13-320 Permitted Work.

(a) The permittee shall not make any cut, excavation or grading of right-of-way other than excavations necessary for emergency repairs without first securing a right-of-way permit.

(b) The permittee shall not at any one time open or encumber more of the right-of-way than shall be reasonably necessary to enable the permittee to complete the project in the most expeditious manner.

(c) The permittee shall, in the performance of any work required for the installation, repair, maintenance, relocation and/or removal of any of its facilities, limit all excavations to those excavations that are necessary for efficient operation.

(d) The permittee shall not permit such an excavation to remain open longer than is necessary to complete the repair or installation.

(e) The permittee shall notify the City no less than three (3) working days in advance of any construction, reconstruction, repair, location or relocation of facilities which would require any street closure or which reduces traffic flow to less than two (2) lanes of moving traffic for more than four (4) hours. Except in the event of an emergency as reasonably determined by the permittee, no such closure shall take place without notice and prior authorization from the City.

(f) Non-emergency work on arterial and collector streets may not be accomplished during the hours of 7:00 AM to 8:30 AM and 4:00 PM to 6:00 PM, in order to minimize disruption of traffic flow.

(g) All work performed in the right-of-way or which in any way impacts vehicular or pedestrian traffic shall be properly signed, barricaded, and otherwise protected at the permittee's expense. Such signage...
shall be in conformance with the latest edition of the Administration's Manual on Uniform Traffic Control Devices, unless otherwise agreed to by the City.

(h) The permittee shall identify and locate any underground facilities in conformance with the Kansas Underground Utility Damage Prevention Act "Kansas One Call" system, and notice shall be provided directly to Water District No. 1 and either to Kansas City Power and Light (KCPL) or to the Traffic Operations Section of the Public Works Department with respect to any municipal traffic signal and street light systems, as appropriate.

(i) The permittee shall be liable for any damages to underground facilities due to excavation work prior to obtaining location of such facilities, or for any damage to underground facilities that have been properly identified prior to excavation. The permittee shall not make or attempt to make repairs, relocation or replacement of damaged or disturbed underground facilities without the approval of the owner of the facilities.

(j) Whenever there is an excavation by the permittee, the permittee shall be responsible for providing adequate traffic control to the surrounding area as determined by Public Works Director of the City. The permittee shall perform work on the right-of-way at such times that will allow the least interference with the normal flow of traffic and the peace and quiet of the neighborhood. In the event the excavation is not completed in a reasonable period of time, the permittee may be liable for actual damages to the City for delay caused by the permittee pursuant to this Ordinance.

(k) All facilities and other appurtenances laid, constructed and maintained by the permittee shall be laid, constructed and maintained in accordance with acceptable engineering practice and in full accord with any and all applicable engineering codes adopted or approved by the parties and in accordance with applicable statutes of the State of Kansas, as well as the rules and regulations of the Kansas Corporation Commission or any other local, state or federal agency having jurisdiction over the parties.

(l) Following completion of permitted work for new construction, the permittee shall keep, maintain and provide to the City accurate records and as-built drawings, drawn to scale and certified to the City as accurately depicting the location of all utility facilities constructed pursuant to the permit. When available to the permittee, maps and drawings provided will be submitted in AUTOCAD.DXF or AUTOCAD.DWG automated formats if available, or in hard copy otherwise. The Public Works Director may waive this requirement. Such information shall be subject in all respects and shall have the benefit of protection as set forth in the section entitled "Mapping Requirements of Service Provider" contained herein.

(m) The City may use the as-built records of the service provider's facilities in connection with public improvements.

13-321 Right-of-way Repair and Restoration.

(a) The work to be done under the right-of-way permit and the repair and restoration of the right-of-way as required herein must be completed within the dates as specified in the permit. However, in the event of circumstances beyond the control of the permittee or when work was prohibited by unseasonable or unreasonable conditions, the Public Works Director may extend the date for completion of the project upon receipt of a supplementary application for a permit extension.

(b) All earth, materials, sidewalks, paving, crossing, utilities, public improvement or improvements of any kind damaged or removed by the permittee shall be fully repaired or replaced promptly by the permittee at its sole expense and the reasonable satisfaction of the City. The Public Works Director has the authority to inspect the repair or replacement of the damage, and if necessary, to require the permittee to do the additional necessary work. Notice of the unsatisfactory restoration and the deficiencies found will be provided to the permittee and a reasonable time not to exceed fifteen days will be provided to allow for the deficiencies to be corrected.

(c) After any excavation, the permittee shall, at its expense, restore all portions of the right-of-way to the same condition or better condition than it was prior to the excavation thereof.

(d) In addition to repairing its own street cuts, the permittee must restore any area within five (5) feet of the new street cut that has previously been excavated, including the paving and its aggregate foundations.

(e) If the permittee fails to restore the right-of-way in the manner and to the condition required by the Public Works Director, or fails to satisfactorily and timely complete all restoration the City may, at its option, serve written notice upon the permittee and its surety that, unless within five (5) days after
serving of such notice, a satisfactory arrangement can be made for the proper restoration of the right-of-way, the City shall immediately serve notice of failure to comply upon the surety and the permittee, and the surety shall have the right to take over and complete the work; provided, however, that if the surety does not commence performance thereof within ten (10) days from the date of notice, the City may take over the work and prosecute same to completion, by contract or otherwise, at the expense of the permittee, and the permittee and its surety shall be liable to the City for any and all excess cost assumed by the City by reason of such prosecution and completion.

(f) The permittee responsible for the excavation who leaves any debris in the right-of-way shall be responsible for providing safety protection in accordance with the latest edition of the Manual of Uniform Traffic Control Devices and any applicable federal or state requirement.

(g) If an excavation cannot be back-filled immediately and left unattended, the permittee shall securely and adequately cover the unfilled excavation. The permittee has sole responsibility for maintaining proper barricades, safety fencing and/or lights as required, from the time of the opening of the excavation until the excavation is surfaced and opened for travel.

(h) In restoring the right-of-way, the permittee guarantees its work and shall maintain it for twenty-four (24) months following its completion. During the twenty-four (24) months the permittee shall, upon notification from the Public Works Director, correct all restoration work to the extent necessary, using any method as required by the Public Works Director. Said work shall be completed within a reasonable time, not to exceed thirty (30) calendar days, of the receipt of notice from the Public Works (not including days during which work cannot be done because of circumstances constituting force Majeure or days when work is prohibited as unreasonable). In the event the permittee is required to perform new restoration pursuant to the foregoing guarantee, the Public Works Director shall have the authority to extend the guarantee period for such new restoration for up to an additional twenty-four (24) months from the date of the new restoration, if the Public Works Director determines any overt action by the permittee not to comply with the conditions of the right-of-way permit and any restoration requirements.

(i) The twenty-four (24) month guarantee period shall be applicable to failure of the pavement surface as well as failure below the pavement surface.

(j) Payment of a degradation fee shall not relieve the permittee of the obligation to complete the necessary right-of-way restoration.

13-322 Joint Applications.
(a) Applicants may apply jointly for permits to excavate the right-of-way at the same time and place.
(b) Applicants who apply jointly for a right-of-way permit may share in the payment of the permit fee. Applicants must agree among themselves as to the portion each shall pay.

13-323 Supplementary Applications.
(a) A right-of-way permit shall only be valid for the area of the right-of-way specified within the permit. No permittee may cause any work to be done outside the area specified in the permit, except as provided herein. Any permittee who determines that an area greater than that which is specified in the permit must be excavated must do the following prior to the commencement of work in that greater area: (a) make application for a permit extension and pay any additional fees required thereby; and (b) receive a new right-of-way permit or permit extension.

(b) A right-of-way permit shall be valid only for the dates specified in the permit. No permittee may commence work before the permit start date or, except as provided herein, may continue working after the end date. If a permittee does not complete the work by the permit end date, the permittee must apply for and receive a new right-of-way permit or a permit extension for additional time. This supplementary application must be submitted to the City prior to the permit end date.

13-324 Other Obligations.
(a) Obtaining a right-of-way permit under this ordinance shall not relieve the permittee of its duty to obtain any necessary permit, license, certification, grant, registration, franchise agreement or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC, and to pay any fees required by any other City, County, State, or Federal rules, laws, or regulations. A permittee shall perform all work in full accord with any and all applicable
engineering codes adopted or approved by the parties and in accordance with applicable statutes of the State of Kansas, and the rules and regulations of the KCC or any other local, state or federal agency having jurisdiction over the parties. A permittee shall perform all work in conformance with all applicable codes and established rules and regulations and shall be responsible for all work done in the right-of-way pursuant to its permit, regardless by whom the work is done by.

(b) Except in cases of an emergency or with approval of the Public Works Director, no right-of-way work may be done when conditions are unreasonable for such work.

(c) A permittee shall not disrupt a right-of-way such that the natural free and clear passage of water through the gutters or other waterways is interfered with. Private vehicles may not be parked within or next to the permit area.

13-325 Denial of Permit.

(a) The Public Works Director may deny a permit to protect the public health, safety and welfare, to prevent interference with the safety and convenience of ordinary travel over the right-of-way, or when necessary to protect the right-of-way and its users. The Public Works Director, at his discretion, may consider one or more of the following factors in denial of the permit:

1. The extent to which the right-of-way space where the permit is sought is available;
2. The competing demands for the particular space in the right-of-way;
3. The availability of other locations in the right-of-way or in other right-of-way for the facilities of the applicant;
4. The applicability of any ordinance or other regulations that affect location of facilities in the right-of-way;
5. The degree of compliance of the applicant with the terms and conditions of its franchise, this ordinance, and other applicable ordinances and regulations;
6. The degree of disruption to surrounding communities and businesses that will result from the use of that part of the right-of-way;
7. The condition and age of the right-of-way, which was constructed or reconstructed within the preceding five (5) years;
8. The balancing of costs of disruption to the public and damage to the right-of-way, against the benefits to that part of the public served by the construction in the right-of-way;
9. Whether the applicant maintains a current registration with the City;
10. Whether the applicant has failed within the last three (3) years to comply, or is presently not in full compliance with, the requirements of this ordinance;
11. Whether the applicant has delinquent debt owed to the City;
12. Whether the issuance of a right-of-way permit for the particular dates and/or time requested would cause a conflict or interferes with an exhibition, celebration, festival, or any other event. In exercising this discretion, the Public Works Director shall be guided by the safety and convenience of anticipated travel of the public over the right-of-way.

(b) Notwithstanding the above provisions, the Public Works Director may in his discretion issue a right-of-way permit in any case where the permit is necessary to:

1. Prevent substantial economic hardship to a user of the applicant's service;
2. Allow such user to materially improve the service provided by the applicant.

13-326 Revocation of Permit.

(a) Permittees hold right-of-way permits issued pursuant to this ordinance as a privilege and not as a right. The City reserves its right, as provided herein, to revoke any right-of-way permit, without refund of the permit fee, in the event of a substantial breach of the terms and conditions of any law or the right-of-way permit. A substantial breach shall include, but not be limited to the following:

1. The violation of any material provision of the right-of-way permit;
2. An evasion or attempt to evade any material provision of the right-of-way permit, or the perpetration or attempt to perpetrate any fraud or deceit upon the City or its citizens;
3. Any material misrepresentation of any fact in the permit application;
The failure to maintain the required bond or insurance;
(5) The failure to complete the work in a timely manner;
(6) The failure to correct a condition indicated on an order issued pursuant to this ordinance;
(7) Repeated traffic control violations; or
(8) Failure to repair facilities damaged in the right-of-way.

(b) If the Public Works Director determines that the permittee has committed a substantial breach of any law or condition placed on the right-of-way permit, the Public Works Director shall make a written demand upon the permittee to remedy such violation. The demand shall state that the continued violation may be cause for revocation of the permit, or legal action if applicable. Further, a substantial breach, as stated above, will allow the Public Works Director, at his discretion, to place additional or revised conditions on the right-of-way permit, specifically related to the manner in which the breach is cured by the permittee. Within five (5) calendar days of receiving notification of the breach, permittee shall contact the Public Works Director with a plan, acceptable to the Public Works Director, for correction of the breach. Permittee's failure to contact the Public Works Director, permittee's failure to submit an acceptable plan, or permittee's failure to reasonably implement the approved plan shall be cause for immediate revocation of the right-of-way permit.

(c) If a right-of-way permit is revoked, the permittee shall also reimburse the City for the City's reasonable costs, including administrative costs, restoration costs and the costs of collection and reasonable attorneys' fees incurred in connection with such revocation.

13-327 Work Requirements and Inspections.

(a) Any excavation, back filling, repair and restoration, and all other work performed in the right-of-way shall be done in conformance with the City's Manual of Infrastructure Standards as promulgated by the Public Works Director.

(b) The permittee shall employ a testing laboratory as approved by the Public Works Director, which shall certify the proper back-filling on any street cut. The permittee shall pay all costs associated with such testing. This provision shall be waived when flowable fill is used as backfill or with the permission of the Public Works Director.

(c) The permittee shall notify the office of the Public Works Director upon completion of the authorized work permit.

(d) The permittee will notify the Public Works Director to schedule an inspection at the start of back filling. Upon completion of all right-of-way restoration activities, the permittee will schedule a closeout inspection.

(e) When any corrective actions required have been completed and inspected to the Public Works Director's satisfaction, the two (2) year maintenance period will begin.

(f) In addition to the required scheduled inspections, the Public Works Director may choose to inspect the ongoing permitted work in the right-of-way at any time to ensure that all requirements of the approved permit are being met by the permittee.

(g) At the time of any inspection, the Public Works Director may order the immediate cessation of any work, which poses a serious threat to the life, health, safety, or well being of the public. The Public Works Director may issue a citation to the permittee for any work, which does not conform, to the applicable standards, conditions, code or terms of the permit. The citation shall state that failure to correct the violation will be cause for revocation of the permit.

13-328 Appeals Process.

(a) Whenever a person shall deem themselves aggrieved by any decision or action taken by the Public Works Director, the person may file an appeal to the City Administrator within ten (10) calendar days of the date of notice of such decision or action.

(b) The persons shall be afforded a hearing on the matter before the City Administrator within thirty (30) days of filing the appeal.

(c) In cases of applicability or interpretation of the rules, the City Administrator may revoke such decision or action taken by the Public Works Director.

(d) In cases where compliance with such decision or action taken by the Public Works Director would
cause undue hardship, the City Administrator may extend the time limit of such decision or action, or may grant exceptions to, or waive requirements of, or grant a variance from the specific provisions of rules. The City Administrator shall give due consideration to the purposes of the rules in preserving public safety and convenience, integrity of public infrastructure, and the operational safety and function of the public right-of-way.

(e) Pending a decision of the City Administrator, the order of the Public Works Director shall be stayed, unless the Public Works Director determines that such action will pose a threat to public safety or the integrity of the public infrastructure.

(f) If a person still deems themselves aggrieved after the appeal to the City Administrator, such person shall have thirty (30) days after the effective date of the City Administrator's final decision to institute an action in the District Court of Johnson County, Kansas.

13-329 Indemnification.
(a) A ROW-user operating under the provisions of this ordinance shall fully indemnify, release, defend and hold harmless the City and agents of the City when acting in their capacity as municipal officials, employees and agents, from and against any and all claims, demands, suits, proceedings, and actions, liability and judgment by other persons for damages, losses, costs, and expenses, including attorney fees, to the extent caused by negligent acts or omissions of the ROW-user in the performance of the permitted work. The City agrees to timely notify the ROW-user of such claim, demand, suit, proceeding, and/or action by providing written notice to the ROW-user and the registered agent of the ROW-user. Nothing herein shall be deemed to prevent the City, or any agent from participating in the defense of any litigation by their own counsel at their own expense. Such participation shall not under any circumstances relieve the ROW-user from its duty to defend against liability or its duty to pay any judgment entered against the City, or its agents.

13-330 Force Majeure.
(a) Each and every provision hereof shall be subject to acts of God, fires, strikes, riots, floods, war and other circumstances beyond the ROW-user's or the City's control.

13-331 Federal, State and City Jurisdiction.
(a) This ordinance shall be construed in a manner consistent with all applicable federal, state, and local laws. Notwithstanding any other provisions of this ordinance to the contrary, the construction, operation and maintenance of the ROW-user's facilities shall be in accordance with all laws and regulations of the United States, the state and any political subdivision thereof, or any administrative agency thereof, having jurisdiction. In addition, the ROW-user shall meet or exceed the most stringent technical standards set by regulatory bodies, including the City, now or hereafter having jurisdiction. The ROW-user's rights are subject to the police powers of the City to adopt and enforce ordinances necessary to the health, safety, and welfare of the public. The ROW-user shall comply with all applicable laws and ordinances enacted pursuant to that power. Finally, failure of the ROW-user to comply with any applicable law or regulation may result in a forfeiture of any permit, registration or authorization granted in accordance with this ordinance.

13-332 Severability.
(a) If any section, subsection, sentence, clause, phrase, or portion of this ordinance is for any reason held invalid or unconstitutional by any court or administrative agency of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions hereof.

13-333 City's Failure to Enforce.
(a) The City's failure to enforce or remedy any noncompliance of the terms and conditions of this ordinance or of any permit granted hereunder shall not constitute a waiver of the City's rights nor a waiver of any person's obligation as herein provided.

13-334 Penalties.
(a) Any person or entity violating any provision of this chapter is guilty of a public offense, and upon conviction thereof shall be fined in a sum of not less than two hundred dollars ($200.00) nor more than
five hundred dollars ($500.00). Every day that this chapter is violated shall constitute a separate offense.

(b) The violation of any provision of this ordinance is hereby deemed to be grounds for revocation of the permit and registration to operate with the City.

(c) The City shall have the authority to maintain civil suits or actions in any court of competent jurisdiction for the purpose of enforcing the provisions of this ordinance. In addition to any other remedies, the City Attorney may institute injunction, mandamus or other appropriate action or proceeding to prevent violation of this Ordinance.

13-335 Reservation of Rights.

(a) In addition to any rights specifically reserved to the City by this ordinance, the City reserves unto itself every right and power which is required to be reserved by a provision of any ordinance under any registration, permit or other authorization granted under this ordinance. The City shall have the right to waive any provision of this ordinance or any registration, permit or other authorization granted thereunder, except those required by federal or state law, if the City determines as follows: (a) that it is in the public interest to do so; and (b) that the enforcement of such provision will impose an undue hardship on the person. To be effective, such waiver shall be evidenced by a statement in writing signed by a duly authorized representative of the City. Further, the City hereby reserves to itself the right to intervene in any suit, action or proceeding involving the provisions herein.

(b) Notwithstanding anything to the contrary set forth herein, the provisions of this Ordinance shall not infringe upon the rights of any person pursuant to any applicable state or federal statutes, including, but not limited to the right to occupy the right-of-way.

13-336 Repeal of Other Ordinances.

(a) All other ordinances and resolutions or parts thereof inconsistent or in conflict with the terms hereof shall be canceled, annulled, repealed, and set aside; provided, that this ordinance shall not take effect or become in force until the requirements for adopting an ordinance as set forth in the City of Leawood Municipal Code have occurred.

Section 3. This ordinance shall take effect and be in force from and after January 1, 2000, and after publication as provided by law.

(b) The violation of any provision of this ordinance is hereby deemed to be grounds for revocation of the
permit and registration to operate with the City.
(c) The City shall have the authority to maintain civil suits or actions in any court of competent jurisdiction
for the purpose of enjoining the provisions of this ordinance. In addition to any other remedies, the City
Attorney may institute injunction, mandamus or other appropriate action or proceeding to prevent
violation of this Ordinance.

13-335 Reservation of Rights.

(a) In addition to any rights specifically reserved to the City by this ordinance, the City reserves unto itself
every right and power which is required to be reserved by a provision of any ordinance under any
registration, permit or other authorization granted under this ordinance. The City shall have the right
to waive any provision of this ordinance or any registration, permit or other authorization granted
thereunder, except those required by federal or state law, if the City determines as follows: (a) that it
is in the public interest to do so; and (b) that the enforcement of such provision will impose undue
handicap on the person. To be effective, such waiver shall be evidenced by a statement in writing
signed by a duly authorized representative of the City. Further, the City hereby reserves to itself the
right to intervene in any suit, action or proceeding involving the provisions herein.

(b) Notwithstanding anything to the contrary set forth herein, the provisions of this Ordinance shall not
infringe upon the rights of any person pursuant to any applicable state or federal statutes, including, but
not limited to the right to occupy the right-of-way.

13-336 Repeal of Other Ordinances.

(a) All other ordinances and resolutions or parts thereof inconsistent or in conflict with the terms hereof
shall be canceled, annulled, repealed, and set aside; provided, that this ordinance shall not take effect
or become in force until the requirements for adopting an ordinance as set forth in the City of Lenwood
Municipal Code have occurred.

Section 3. This ordinance shall take effect and be in force from and after January 1, 2000, and after
publication as provided by law.

ORDINANCE NO. 1820

AN ORDINANCE AMENDING SECTION 4-3 OF THE "AMENDMENT TO LEAWOOD DEVELOPMENT ORDINANCE," AND PROVIDING AN AMENDMENT TO THE SPECIAL USE PROVISIONS FOR THE SUBSECTION REGARDING "DRIVE THRU BANKING FACILITIES"; AND REPEALING THE EXISTING SECTION.

NOW, THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

Section 1. "Amendment to Leawood Development Ordinance" Amended. That Section 4-3 of the "Amendment to Leawood Development Ordinance," is hereby amended to read as follows:

4-3 SPECIAL USE PROVISIONS

4-3.1 Special Uses Designated

Any of the following uses may be located in any district by Special Use Permit of the Governing Body after notification of adjacent and abutting property owners, public hearing, and after recommendation of the Plan Commission, under such conditions as to operation, site development, signs, and time limit as may be deemed necessary in order that such use will not seriously injure the appropriate use of the neighboring property, and will conform to the general intent and purpose of this Ordinance and shall comply with the height and area regulations of the district in which they may be located unless a variance is specifically granted by the Board of Zoning Appeals.

1) Amusement parks, privately-owned baseball or athletic fields, race tracks;
2) Aviation fields or airports, under such restrictions as may be imposed to control noise, promote safety, and prevent undue danger to aircraft or to surrounding property;
3) Cemeteries, mausoleums, or crematories for the disposal of the dead;
4) Public and private schools;
5) Churches, synagogues and other places of worship;
6) Clubs, including those where alcoholic beverages are consumed;
7) Drive-in theaters;
8) Golf driving ranges, commercial or illuminated;
9) Gun clubs, skeet shoots, or target ranges;
10) Tennis courts and paved play areas, commonly referred to as "Sport Courts," hereinafter referred to as courts, may be approved
as a special use. In order to prevent a negative influence on the neighborhood and creation of a potential nuisance use the following conditions shall be considered minimum requirements to be met.

a) Courts will only be considered as a special use if said court is accessory to the principal use it is intended to serve. Courts on separate lots will not be considered as stand alone structures.

b) Plans shall be submitted for approval and shall be based upon compliance with the following standards: 1) The need for screening to protect the privacy of adjoining properties, including noise and lighting, if proposed, and 2) surface runoff. These standards are to be considered minimums and other factors may be considerations for approval by the Plan Commission and/or Governing Body.

c) Courts shall not be constructed within a required front yard and shall be located a minimum of 10 feet from any rear or side lot line. Screen plantings of a height necessary to muffle noise and block lights may be required as a condition to the special use approval.

d) Fences for courts may be up to 12 feet in height and shall be of a green or black PVC coated chain link fabric. Said fences shall be located a minimum of 10 feet from any rear or interior side lot line.

e) Courts shall be designed so that the surface water will be carried to the street or storm drainage system on the owner's property, or by underground pipe to the public street or storm drainage system, or if across other ownership's, easements must be obtained. A statement along with a detailed drawing from a professional engineer, P.E., shall be submitted showing and stating that these drainage requirements have been or will be met.

f) All court lighting shall be subject to approval as a special use either in conjunction with the application for a sport court or separately as an addition at a later date. Existing courts requesting lighting must apply for same as a separate special use. A lighting plan shall be submitted which indicates the lumins (footcandles) at the property line and distance to the nearest structures. Footcandles shall not exceed .5 measured anywhere along the adjacent property lines. Illumination levels shall be measured with a photoelectric photometer having a spectral response similar to that of the human eye, following the standard spectral luminous efficiency curve adopted by the International Commission on Illumination. A lighted court may be required
to have additional screening in order to mitigate the effect of lighting on any adjoining properties.

g) No court lighting shall be permitted between the hours of 10:00 p.m. and 7:00 a.m.

h) A landscape plan shall be submitted at time of application for special use indicating plant material, size, location and spacing proposed.

i) All courts shall require a building permit prior to grading and/or installation.

11) Hospitals; special care facilities for humans; not to include group homes as defined herein.

12) Campgrounds, picnic groves and fishing lakes, including minor and incidental concession facilities for patrons only;

13) Nursery sales office, building greenhouse, or area (wholesale or retail);

14) Nursing and convalescent homes; housing for the elderly; retirement centers and communities; not to include group homes as defined herein.

15) Outdoor poster panels or billboards; off-site promotional signs;

16) Veterinary clinics, dog kennels;

17) Radio, television and microwave towers;

a) Statement of Intent.

The Telecommunications Act of 1996 grants authority to local jurisdictions over decisions regarding the placement, construction, and modification of wireless communication facilities, towers and antennae. As the City of Leawood has many diverse and unique landscapes that perpetuate the identity of its residential neighborhoods, protection of these valuable resources is paramount.

Accordingly, the Governing Body finds that the unregulated placement and design of wireless communication facilities, towers and antennae results in visual clutter that adversely affects community aesthetics and damages the character that Leawood is built around. This ordinance is intended to provide minimum standards that ensure that the wireless communication needs of residents and businesses are met,
while at the same time protecting the general safety and welfare of the community.

b) **Purpose.**

A wireless communication facility, tower or antenna may be sited, constructed, designed or maintained in the City of Leawood provided that it is in conformance with the stated standards, procedures, and other requirements of this ordinance.

More specifically, these regulations are necessary to:

1. Provide for suitable location of wireless communication facilities, towers and antennae so as to mitigate their effect on residential neighborhoods and land uses;

2. Maintain community aesthetics by minimizing the visual effects of wireless communication facilities, towers and antennae through specific design and siting criteria;

3. Maximize the use of existing towers and alternative tower structures so as to minimize the need for new tower locations;

4. Encourage co-location among wireless service providers on existing and newly constructed sites in order to reduce the overall number of towers needed;

5. Promote the use of innovative camouflage and disguise techniques for wireless communication facilities, towers, and antennae so as to integrate their appearance with the many architectural and natural themes found throughout the City of Leawood.

c) **Special Use Permit Required.**

1. **Special Use Permit Requirement.** Wireless communication facilities, towers, and antennae shall be allowed, subject to approval of a special use permit granted by the Governing Body, after notification of adjacent and abutting property owners.
within 1000 feet of said property parcel, after a public hearing, and after recommendation on the matter by the Plan Commission. Written notification shall be conducted by certified return receipt mail to those parcels within 200 feet of said property and via regular mail as a courtesy to parcels beyond the 200-foot mark. 

"Said property parcel" shall be defined as the perimeter of any parcel recognized by the Johnson County Appraiser's Office and recorded with a real estate identification number established for the parcel by Johnson County. As determined and evaluated by the Plan Commission and Governing Body, wireless communication facilities, towers and antennae may occupy a smaller leased area on the property parcel, provided that adequate space is afforded for all facilities, landscaping, berming, and screening, and provided that proper notice is provided from the perimeter of the property parcel and not the smaller leased area.

Consideration of the special use shall be in accordance with the following as established by this ordinance:

A) Suitable location in accordance to the zoning districts and comprehensive (master) planned areas in which wireless communication facilities, towers or antennae are allowed;

B) Design, landscape, and screening of the wireless communication facility, tower, or antenna;

C) Maximum tower height required by the wireless service provider(s), with consideration for co-location possibilities;

D) Co-location among wireless service providers on the proposed tower;

E) Minimum separation distance of the proposed tower from other towers within the City of Leawood;

F) Minimum setbacks of the proposed tower and
related facilities from the property line; and

G) Minimum buffer distance between the proposed tower and related facilities from surrounding comprehensive (master) planned and existing residential areas.

2. **Bond.** Prior to the issuance of the special use permit for the operation of a wireless communication facility, tower or antenna, the applicant will provide a performance or cash bond in an amount equal to twenty (20%) percent of total construction costs for the facility, tower or antenna. This bond will be secured for discretionary use by the City of Leawood for maintenance and / or removal of the facility, tower or antenna should it become necessary to do so. The bond will be secured for the term of the special use permit plus one year.

3. **Pre-existing Wireless Communication Facilities, Towers and Antennae.** Pre-existing wireless communication facilities, towers and antennae, shall be considered legal non-conforming structures and shall not be required to meet the mandates of this ordinance with the exception of 4-3.1 18)k) until the expiration of their applicable special use permit.

Routine maintenance shall be permitted on a non-conforming structure. Any replacement of a pre-existing antenna on a non-conforming structure shall be permitted. Any placement of an additional antenna on a non-conforming structure shall be considered an expansion of the non-conforming structure unless prior approval specifically contemplated multiple antennae. Any such replacement antenna or additional antenna placed on a non-conforming structure shall require an appropriate application as required by 4-3.1 18)j)2 and 3, and shall meet any and all current applicable design and technical standards and requirements for new antennae. The cumulative effect of any additional antennae and related facilities placed upon a non-conforming structure must comply with the radio frequency radiation emission guidelines established by the FCC.
d) Zoning Location Requirements.

1. **Allowable Areas.** Wireless communication facilities, towers, and antennae shall be allowed, subject to approval of a special use permit, within the following comprehensive (master) planned or existing areas and districts:

   A) CP-O, Planned Office; 
   B) CP-1, Planned Neighborhood Retail; 
   C) CP-2, Planned General Retail; 
   D) BP, Planned Business Park; 
   E) PI, Planned Industrial; 
   F) SD, Special Development; 
   G) REC, Planned Recreation; and 
   H) AG, Agricultural (when comprehensive (master) planned for commercial, industrial, or recreational / open space uses).

   All districts delineated within this ordinance shall be defined by the current, approved Zoning and Comprehensive (Master) Development Plan maps established for the City of Leawood.

2. **Residential Areas.** Newly proposed wireless communication facilities, antennae and towers shall not be permitted within any comprehensive (master) planned or existing residential area to include RP-A, RP-A5, R-1, RP-1, RP-2, RP-3, and RP-4 zoning districts. Exceptions to this may be provided for the following, upon approval of a special use permit:

   A) Church sites, when camouflaged as steeples, bell towers, etc.; 
   B) Park sites, when camouflaged to be compatible
with the natural elements of the park; and

C) Pre-existing nonresidential alternative tower structures when designed to be architecturally integral and compatible with said structure.

No exception shall be made that will inhibit or infringe upon any historic or scenic views as designated by the Governing Body or any state or federal law or agency.

3. **Tower Inventory.** In order to construct a new tower within any permitted area, the applicant must provide an inventory of all existing and proposed tower and antennae locations within a three-mile radius of the proposed site. The applicant must also demonstrate, using technological and written evidence, that these sites are inadequate to fulfill the grid needs of the wireless service provider, or that a “reasonable” co-location lease agreement could not be reached with the owners of said alternative sites. Finally, the applicant must provide evidence that the proposed site is necessary for the provision of wireless service. For the purpose of this ordinance “reasonable” shall be defined as the total of all costs related to the construction of a new tower. The applicant shall be responsible for updating the inventory to include all subsequently proposed, approved and/or constructed tower or antenna locations that occur within the three-mile study area during the special use permit process.

4. **Grid Information.** At the time of site selection, the applicant shall demonstrate how the proposed wireless communication facility, tower or antenna will impact the overall network of the wireless service provider within the City of Leawood and adjacent Cities on both sides of the state line, and shall provide evidence that the proposed site is necessary for the provision of wireless service. The applicant shall be required to update this information as necessary during the special use permit process.

e) **Tower Height.**

Evidence shall be supplied at the time of site selection that
the proposed tower height is necessary to meet coverage needs. Approved tower height will be based upon need demonstrated by the applicant, as well as potential colocation by other wireless service providers. Any proposed tower, within any allowed area, shall not exceed 150 feet in height (excluding lighting arrestor rods not to exceed 5 feet in height).

f) Tower Setback and Buffer Requirements.

1. Setbacks. Towers and related facilities shall meet the applicable building setback limits of the zoning district in which the tower and facilities are to be sited.

2. Distance From Residential Areas. Any proposed tower and related facilities shall be sited at a distance of at least 500 feet, in all directions, from the base of the tower to the property line of any existing or comprehensive (master) planned residential area. Note: This 500-foot buffer requirement applies only to towers as defined herein and not to other wireless communication facilities or alternative tower structures.

g) Design Requirements.

1. Tower Design.

A) Design. All towers will be constructed of a monopole design. Guy and lattice-type towers will not be allowed. Towers that are less than 75 feet in height must be designed so that their antennae are internally placed, thus creating a smooth, non-projecting appearance. Towers that are 75 feet or greater in height must be designed and engineered to accommodate at least two wireless service providers' antennae. Antenna bridges and platforms are not allowed.

B) Color and Finish. Exterior finish of the monopole will provide for a non-segmented, tapered appearance. Towers and related facilities shall be designed, camouflaged, and colored so that their appearance blends with the surrounding natural and built environment.
2. **Antenna Design.**

A) **Design on Towers.** All antennae installed on towers shall be internal or shall panel antennae of “slim-line” design and shall be mounted parallel with the tower. Antenna bridges and platforms are not allowed. Public service omnidirectional antennae operated by the City of Leawood are exempt from this requirement.

B) **Design on Alternative Tower Structures.** All antennae and related facilities installed on an alternative tower structure shall be of materials that are consistent with the surrounding elements so as to blend architecturally with said structure and to camouflage their appearance. Antennae on the rooftop or above a structure shall be screened, constructed and/or colored to match the structure to which they are attached. Antennae exceeding 12 inches in diameter on a roof or building-mounted facility shall not exceed the height of the structure to which they are attached, unless fully enclosed.

C) **Color and Finish.** Antennae and related facilities shall be of materials and color that are consistent with the tower or alternative tower structure and surrounding elements so as to blend architecturally with said tower or structure. The antennae and related facilities shall be of a neutral color that is identical to, or closely compatible with, the color of the tower or alternative tower structure so as to make the antennae and related facilities as visually unobtrusive as possible. Antennae mounted on the side of a building or structure shall be painted to match the color of the building or structure or the background against which they are most commonly seen.

3. **Site Plan and Photo Simulations Required.** Any application for construction of a new wireless communication facility, tower or antenna must provide
a detailed site plan of the proposed project. This properly scaled site plan will include one page (including ground contours) that portrays the layout of the site, as well as proposed and existing structures within 150 feet of the tower base. Access to and from the site, as well as dimensioned proposed and existing drives, must be included on this plan. Detailed exterior elevations (from all views) of the tower, screening wall, and all proposed buildings must also be submitted. Finally, a landscape plan detailing location, size, number and species of plant materials must be included for review by Planning and Development.

4. Operational Standards. Wireless communication facilities, towers, and antennae shall meet or exceed all minimum structural and operational standards as established by the FCC, FAA, EPA and other applicable federal regulatory agencies. If such standards and regulations are changed, then all wireless communication facilities, towers and antennae shall be brought into compliance with the revised standards and regulations within six (6) months of the effective date of the standards and regulations, unless a more stringent compliance schedule is mandated by the controlling federal agency. Failure to bring wireless communication facilities, towers and antennae into compliance with any revised standards and regulations shall constitute grounds for the removal of the facility, tower or antenna at the owner or provider’s expense. Any such removal by the City shall be in the manner provided within 4-3.1 18)(k) of this ordinance.

5. Radiation Certification. An engineer’s certification that anticipated levels of electromagnetic radiation to be generated by facilities on the site, including the effective radiated power (ERP) of the antenna, shall be within the guidelines established by the FCC. The cumulative effect of all antennae and related facilities on a site will also comply with the radio frequency radiation emission guidelines established by the FCC. An antenna radiation pattern shall be included for each antenna, along with directional data concerning the pointing of any directive antenna.
6. **Electromagnetic Interference Problems.** It is the responsibility of the wireless service provider to promptly resolve any electromagnetic interference problems in accordance with any applicable law or FCC regulation.

7. **Protective Devices.** All wireless communication facilities, towers or antennae shall be equipped with any appropriate anti-climbing device or other similar protective device to prevent unauthorized access.

8. **Parking Areas.** All parking areas and drives associated with any wireless communication facility, tower or antenna shall comply with applicable provisions for such facilities in each zoning district, except that the Plan Commission or Governing Body may waive the requirements for curbing and guttering when they are not needed for drainage purposes.

h) **Screening, Landscaping, Tree Trimming and Lighting Requirements.**

1. **Screening Wall.** All wireless communication facilities will be screened with a full perimeter wall when deemed necessary by the Plan Commission or Governing Body. This wall is to be constructed of concrete block and surfaced with a material (stucco, brick, etc.) designed to match the architecture of surrounding structures. The minimum height of the wall will be 6 feet from ground level.

2. **Landscape Materials.** Landscaping in the form of pines and other flowering and deciduous trees is required on the outside perimeter of the screening wall. The standard buffer shall consist of a landscaped strip at least 6 feet wide outside the perimeter of the screening wall. Pines are to be a minimum of 6 feet in height, while other trees are to have a minimum 3 inch caliper. The owner or provider shall be responsible for maintenance of all related landscape and screening materials. Existing mature tree growth and natural forms on the site shall be preserved to the maximum extent possible.

3. **Authority to Trim Trees.** A wireless service provider
shall have authority to trim trees and shrubbery upon and overhanging right-of-way, public utility easements and other public property so as to prevent the branches and foliage of such trees and shrubbery from coming in contact and interfering with the wires, cables and other facilities of the provider. All trimming shall be done only under the supervision and direction of the City Public Works Department, and in accordance with any applicable ordinance, including, but not limited to, the City's Right-of-Way ordinance.

4. **Lighting.** Towers shall not be artificially lighted, unless required by the FAA or applicable authority. If lighting is required, the Plan Commission may review the available lighting alternatives and approve the design that would cause the least disturbance to the surrounding views.

i) **Separation Distances.**

No newly proposed tower shall be allowed to locate within 1000 feet of an existing tower unless technologically required or visually preferable. This distance shall be measured from the base of the existing tower to the base site location of the proposed tower.

j) **Co-location.**

1. **Multiple User Towers.** All approved towers 75 feet or greater in height must be designed to accommodate at least two wireless service providers' antennae. Prior to issuance of a building permit, the applicant and owner must provide either of the following: (1) signed, executed lease agreements with other wireless service providers who desire to co-locate on the proposed tower, or (2) a signed statement of intent that guarantees nondiscriminatory pricing for access to the tower by any competing provider, and that the price for access will be based on the current market rate for co-location. This market rate will be established by an independent research consultant hired at the expense of the applicant. Failure to provide co-location opportunities to (or negotiate in good faith with) alternative providers may constitute a finding of noncompliance with 4-3.1 18)(c))1.D of this
ordinance, and thus be grounds for revocation of the special use permit, and shall be cause for the withholding of future permits to same owner or provider to install, build, or modify wireless communication facilities, towers or antennae within the City of Leawood.

2. **Existing Site Improvement.** Alterations or improvements to existing wireless communication sites shall be allowed when these alterations or improvements are implemented to:

A) Accommodate additional wireless service providers, provided that the alterations or improvements meet all applicable requirements of this ordinance. Unless otherwise provided for by the current special use permit, application for such an alteration or improvement to an existing site will require approval through a new special use permit. However, if provided for by the current special use permit, such application shall be considered a revised final site plan and will only require submission to and approval by the Plan Commission;

B) Alter an existing facility, tower or antenna in a manner that makes the facility, tower or antennae less obtrusive, such as lessening the tower height, converting the structure to an alternative tower structure, or modifying the antennae to a "slim line" or internal design. Such application shall be considered a revised final site plan and will only require submission to and approval by the Plan Commission.

Any such alteration or improvement shall meet any and all current applicable design and technical standards and requirements. The cumulative effect of any additional antenna and related facilities must comply with the radio frequency radiation emission guidelines established by the FCC.

3. **Additional Antennae.** When provided for in the
approved capacity limit of a multi-user tower's current special use permit, additional antennae or replacement of current antennae may be added through an application for a revised final site plan and will only require submission to and approval by the Plan Commission. Additional antennae that exceed the originally approved capacity limit shall be considered a revised application, and shall require a special use permit to locate. Any additional antennae or replacement of current antennae shall meet any and all current applicable design and technical standards and requirements. The cumulative effect of any additional antennae and related facilities must comply with the radio frequency radiation emission guidelines established by the FCC.

k) Abandoned Or Unsafe Wireless Communication Facilities, Towers and Antennae.

Any wireless communication facility, tower or antenna which is occupied by inactive antennae for a period of twelve (12) months shall be considered abandoned and a nuisance, and will be removed at the owner or provider’s expense within ninety (90) days. Any wireless communication facility, tower or antenna which is not maintained to a suitable degree of safety and appearance (as determined by the Director of Planning, Chief Building Inspector, and any applicable code) will also be considered a nuisance and will be upgraded or removed at the owner or provider’s expense. The construction bond, secured at the time of building permit, will be used to the remedy any nuisance.

In the future should the levels of radio frequency radiation emitted by a wireless communication facility, tower or antenna be determined to be a threat to human health or safety, the facility, tower or antenna shall be cured or immediately removed within ninety (90) days at the owner or provider’s expense. This finding must be either mandated by any applicable law, by federal legislative action, or based upon regulatory guidelines established by the FCC.

I) Building Codes and Inspection.

1. Construction and Maintenance Standards. To insure the structural integrity of any wireless communication
facility, tower or antenna, the owner of the facility, tower or antenna shall ensure that it is constructed and maintained in compliance with standards contained in applicable local building codes and the applicable standards for wireless communication facilities, towers, and antennae that are published by the Electronic Industries Association, as amended from time to time. If, upon inspection, the City concludes that a wireless communication facility, tower or antenna fails to comply with such codes and standards and constitutes a danger to persons or property, then upon proper notice, the owner and provider shall have thirty (30) days to bring such facility, tower or antenna into compliance with such standards. If the owner or provider fails to bring such facility, tower or antenna into compliance within the thirty (30) days, the City may order the removal or cause the removal of such facility, tower or antenna at the owner or provider's expense. Failure of the City to inspect the facility, tower or antenna shall not relieve the owner or provider of their responsibility to comply with any provision under this ordinance.

2. **Inspection Requirement.** At least every twenty-four (24) months, the wireless communication facility, tower, or antenna shall be inspected by an expert who is regularly involved in the maintenance, inspection and/or erection of wireless communication facilities, towers, or antennae. At a minimum, this inspection shall be conducted in accordance with the inspection check list provided in the Electronic Industries Association (EIA) Standard 222, ‘Structural Standards for Steel Antenna Towers and Antenna Support Structures.’ A copy of such inspection record shall be provided to the City. Said inspection shall be conducted at the owner or provider's expense.

3. **Cables, Wire, and Other Such Facilities.** In all areas of the City where the cables, wire, and other such facilities of public utilities are underground, or are required by the City to be placed underground, the owner or provider shall also place its cables, wires, or other such facilities underground. Further, the owner or provider shall abide by all applicable right-of-way or utility easement ordinance or standard.
4. **Disturbance of Right-of-Way.** In the case of any disturbance to right-of-way or other public property caused by an owner or provider during the course of constructing or maintaining its wireless communication facility, tower, or antenna, the owner or provider shall, at its own expense, replace and restore all paving, sidewalk, driveway, landscaping, or surface any street or public property disturbed in as good or better condition as before the disturbance in accordance with applicable federal, state, and local laws, rules, regulations, administrative decisions or applicable right-of-way or utility easement ordinance or standard. The duty to restore the right-of-way or other public property shall include the repair of any area identified by the Director of Public Works as being weakened or damaged as a result of a cut or to other invasion of the pavement of a street or other public property.

m) **Exclusions.**

The following shall be exempt from this ordinance:

1. Any tower and antenna less than 70 feet in total height which is owned and operated by an amateur radio operator licensed by the FCC;

2. Any device designed for over the air reception of television broadcast signals, multi-channel, multi-point distribution service or direct broadcast satellite service.

n) **Penalties.**

This ordinance shall be in full force and effect upon its enactment and approval, and any person found to be in violation of any of the provisions of this ordinance shall be subject to a fine of up to $500 for violation. Each day shall constitute a separate violation.

o) **Severability.**

If any section, subsection sentence, clause, phrase or portion of this ordinance is for any reason held invalid or
unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

p) **Repeal of Laws in Conflict.**

This ordinance supersedes all ordinances or part of ordinances adopted prior hereto which are in conflict herewith, to the extent of such conflict.

q) **Definitions.**

**Act:** The Communications Act of 1934, as it has been amended from time to time, including the Telecommunications Act of 1996, and shall include all future amendments.

**Alternative tower structure:** Manmade trees, clock towers, bell steeples, light poles, buildings and similar alternative-design mounting structures that camouflage or conceal the presence of antennas or facilities.

**Antenna:** Any device used to transmit or receive electromagnetic signals for communication purposes, not to include satellite dishes used solely for home television purposes. For purposes of this ordinance, all references to antennae shall be applicable to micro-cells and repeaters.

**Antenna support structure:** Any pole, telescoping mast, tower tripod, or any other structure which supports a device or antenna used in the transmission or receipt of radio frequency energy.

| Panel antenna               | An antenna that transmits signals in specific directions, and are typically
square or rectangular in shape.

**Repeater:** A low power mobile radio service communication facility that extends coverage of a cell to areas not covered by the originating cell. *(see antenna)*

**Slim-line antenna:** A panel antenna which mounts directly to and parallel with a monopole or alternative tower structure.

**Tower:** A structure designed to support at least one or more antennae. This does not include structures owned and operated by amateur radio personnel licensed by the FCC.

**Tower height:** The vertical distance measured from the base of the tower or alternative tower structure at grade to the highest point of the tower or alternative tower structure. If the tower or alternative tower structure is on a sloped grade, then the average between the highest and lowest grades shall be used in calculating the tower height.

**Wireless communication facility:** Any complex, including tower, antenna, antenna support structure, cabinet, building, screen walls, transmission equipment, power source or other equipment constructed on the ground, and used to assist antennae in the generation or receipt of electromagnetic communication signals, or used for the transmission or receipt of electromagnetic communication signals.

**Wireless service provider (provider):** Any provider of cellular or wireless (digital, PCS, and PCN) communication service allowing customers to use mobile telephones to connect, via low power radio transmitter sites either to
the public switched network or to other mobile telephones. Such providers shall be licensed by the FCC in a specific geographical area in which the radio frequency spectrum is divided into discrete channels.

19) Television and amateur radio antennae exceeding district height limitations.
20) Reservoirs, towers, filter beds, or water treatment plants;
21) Riding stables and tracks;
22) Wastewater treatment plant;
23) Motor hotels, motels, hotels, and convention centers;
24) Banking facilities with accessory drive-through lanes
   a) a minimum stacking distance of five car lengths must be provided for each drive-through lane,
   b) drive through lanes must be attached and integral to a full-service banking facility;
   c) the automobile movements in and out of the bank facility shall not interfere with the adjacent public street system.
25) Buildings, structures, and premises for public utility services, or public service corporations;
26) Temporary use of land or building for commercial or industrial purposes, provided that any building or structure constructed thereon which is not otherwise permitted in the District in which such land is situated shall be temporary, and any stored equipment or material shall be removed upon the date of expiration of the special use permit, which permit shall be valid for not more than 2 years but may be renewed after public hearing;
27) Assembly halls, community centers, philanthropic organizations;
28) Child care centers, family day care homes, preschools, nursery schools, Montessori schools, private kindergartens, day care homes and group day care homes; not to include group homes as defined herein.
29) Off-street parking lots or off-street parking structures of a temporary or permanent nature;
30) Group boarding home for minors or adults; not to include group homes as defined herein.
31) Private ambulance service;
32) Bed and breakfast;
33) Horse pasturing on lots of less than 3 acres in residential districts.
34) Temporary self contained health care suites located within an attached garage are intended to provide an "in home" physical care facility as a temporary alternative to a nursing home environment. It is not intended to provide long term care lodging for anyone that would be better served by a more permanent solution. Such permanent alternate solutions may require an alteration to the home, an addition onto the home, or off-site care by a health care institution. Such use is allowed as a special use provided the following conditions are met:
   a) The suites are to be freestanding self contained units including independent heating and air conditioning units and plumbing systems.
   b) Not more than 2 persons shall be housed in such suite provided said housing is necessitated by a physical impairment or health care need of one or both persons and said health care need is being met by occupant or occupants of the existing home. Said person(s) residing in such health care suite shall be either an occupant or a relative of the occupant of the home except in cases when an overnight health care provider is required.
   c) A letter from a licensed doctor of medicine or osteopathy shall be submitted, along with the application for special use, verifying the need for such health care suite by the applicant or prospective resident of said suite.
   d) Health care suites shall be limited to a maximum of 2 years duration. Such use may only be continued for 1 additional year and only after review and approval by the Plan Commission and Governing Body. Any amount of time beyond 3 years will require a permanent solution to be specified at the time the additional year is requested. Such solution shall be made a condition of approval if granted. At the end of the special use, the unit shall be removed and the garage restored to its former condition.
   e) Any exterior modification of the home necessitated by the suite, such as the temporary removal of the garage door(s) to facilitate a private entry, windows, or heating or cooling units, shall be replaced with materials of an architectural likeness to the existing home. Samples of materials proposed to be used shall be submitted with the application for approval by the Plan Commission.
f) Additional written notification shall be required to the applicant's homes association and to all property owners within 200 feet of the applicant's property.

g) Because the installation of such health care suite temporarily removes the enclosed off-street parking spaces required by ordinance, the applicant shall submit an interim plan for dealing with off-street parking for the duration of the special use.

35) The Director of Planning may upon application by the proponent issue an Administrative Special Use Permit for the use of a specified parcel of land for such temporary short-term uses as trade shows, street fairs, expositions, promotional ventures, entertainment, seasonal sales, balloons, search lights, and tents, provided the following conditions are met:

a) The applicant shall submit in written form a complete description of the proposed use, including estimated accumulation of automobiles and persons, hours of operation, and other characteristics and effects on the neighborhood.

b) The applicant shall submit a site plan showing the location of any proposed structure.

c) The short-term special use shall not be operated longer than 10 consecutive days.

d) No more than 6 special event permits per calendar year shall be issued administratively at any location. Any additional permits may be granted by the Governing Body.

1) Fees for administrative special use permits issued in accordance with Section 4-3.1 (33) d) shall be established by the fee schedule approved yearly by the governing body. If an applicant applies for all six allowable administrative special use permits at one time, the applicant's fee will be reduced to 2/3 of the total ordinary cost. (For example, if the
ordi\-nary fee is $50 per permit, an applicant applying for the six allowable permits at one time will pay only $200 instead of the $300 the applicant would pay is applying for the permits on separate occasions within any given year.)

e) Upon the cessation of the short-term special use, all materials and equipment shall be promptly removed and the property restored to its normal condition.

f) Any structure used in conjunction with the special event shall be the subject of a valid building permit or tent permit.

g) The special event shall not cause undue traffic congestion or accident potential given anticipated attendance and the design of adjacent streets, intersections, and traffic controls.

h) The activity shall not cause the overcrowding of parking facilities given anticipated attendance and the possible reduction in the number of available spaces used by the event itself.

i) The special event shall not impair the usefulness, enjoyment or value of adjacent property due to the generation of excessive noise, smoke, odor, glare, litter or visual pollution.

j) If, after giving full consideration to the effect of the requested special use on the neighborhood and the community, the Director of Planning deems the special use reasonable, the special use permit for the short-term use may be approved. Conditions of operation, provision for surety bond, and other reasonable safeguards may be written into the special use permit. Such permit may be approved in any zoning district.

k) Any applicant denied an Administrative Special Use Permit shall be notified in writing of the reasons for the denial and of the opportunity to appeal the denial to the Governing Body.
36) House or structure relocation to a permanent site within the City Limits provided the following conditions can be met:

a) The house or structure shall be found to be compatible with the surrounding houses or structures and neighborhood including, but not limited to, size, design or general architecture, lot location, and lot size;

b) The structure be made habitable within 6 months of relocation;

37) Adult uses or adult businesses, as defined in 4-9.2 of this ordinance, which holds and unexpired and unrevoked Special Use Permit as provided in 4-9.7 of this Ordinance. Said adult uses or adult businesses are subject to the locational limitations of 4-9.4 of this Ordinance. Notwithstanding any other provisions of this section, no other conditions as to operation, site development, signs or time limits may be imposed except as required by 4-9.1 to 4-9.17 of this ordinance.

4-3.2 Revocation of Special Use Permits

1) Basis for Revocation

Any special use permit granted under the authority of this chapter is subject to revocation for any or all of the following reasons:

a) Non-compliance with any applicable requirement set forth in Section 4-3.1.

b) Non-compliance with any special conditions imposed at the time of approval of the special use permit.

c) Violation of any provisions of the code pertaining to the use of the land, construction or uses of buildings or structures or
activities conducted on the premises by the applicant or agents of the applicant.

d) Violation of any other applicable Code provisions or any state or federal law or regulation by the applicant or agents of the applicant, provided that such violations relate to the conduct or activity authorized by the special use permit or the qualifications of the applicant or its agents to engage in such conduct or activity.

2) Procedure for Revocation

a) Revocation proceedings may be initiated by a majority vote of the Governing Body.

b) Unless the applicant and landowner agree in writing that the permit may be revoked, the Governing Body shall hold a public hearing to consider the revocation of the special use permit.

c) the City shall give the applicant and landowner certified mail notice, return receipt requested, of the scheduled revocation hearing at least five days prior to the date scheduled for such hearing. Notice must be published in the official newspaper a minimum of 5 days but not greater than 20 days prior to the hearing.

d) No special use permit shall be revoked unless a majority of the governing Body is satisfied by a preponderance of the evidence that grounds for revocation exist. Any motion of the revocation must clearly state the grounds for revocation. Adoption of any motion to revoke a special use permit may be made subject to subsequent adoption of written findings of fact and conclusions of law, at the discretion of the Governing Body.

e) An appeal of any decision of the Governing Body to revoke a special use permit may be filed in the District court of Johnson
Section 2. Existing Section Repealed. That existing Section 4-3 of the "Amendment to Leawood Development Ordinance" is hereby repealed. (Prior law: Ordinance No. 1805)

Section 3. Take Effect. That this ordinance shall take effect and be in force from and after its publication in the official City newspaper.

Passed by the Council the 4th day of October, 1999.

Approved by the Mayor the 4th day of October, 1999.

ORDINANCE NO. 1820

First published in The Legal Record, Tuesday, October 12, 1999.

ORDINANCE NO. 1820

AN ORDINANCE AMENDING Section 4-3 OF THE "AMENDMENT TO LEAWOOD DEVELOPMENT ORDINANCE," AND PROVIDING AN AMENDMENT TO THE SPECIAL USE PROVISIONS FOR THE SUBSECTION REGARDING "DRIVE THRU BANKING FACILITIES," AND REPEALING THE EXISTING SECTION.

NOW, THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

Section 1. "Amendment to Leawood Development Ordinance" Amended. That Section 4-3 of the "Amendment to Leawood Development Ordinance," is hereby amended to read as follows:

4-3 SPECIAL USE PROVISIONS

4-3.1 Special Uses Designated

Any of the following uses may be located in any district by Special Use Permit of the Governing Body after notification of adjacent and abutting property owners, public hearing, and after recommendation of the Plan Commission, under such conditions as to operation, site development, signs, and time limit as may be deemed necessary in order that such use will not seriously interfere with the normal and peaceful use of the neighboring property, and will conform to the general intent and purpose of this Ordinance and shall comply with the height and area regulations of the district in which they may be located unless a variance is specifically granted by the Board of Zoning Appeals:

1. Amusement parks, privately-owned baseball, or athletic fields, race tracks;
2. Aviation fields or airports, under such restrictions as may be imposed to control noise, promote safety, and prevent undue danger to aircraft or to surrounding property;
3. Cemeteries, mausoleums, or crematories for the disposal of the dead;
4. Public and private schools;
5. Churches, synagogues and other places of worship;
6. Clubs, including those where alcoholic beverages are consumed;
7. Drive-in theaters;
8. Golf driving ranges, commercial or illuminated;
9. Gun clubs, skeet shoots, or target ranges;
10. Tennis courts and paved play areas, commonly referred to as "Sport Courts," hereinafter referred to as courts, may be approved as a special use. In order to prevent a negative influence on the neighborhood and creation of a potential nuisance use the following conditions shall be considered minimum requirements to be met:
   a) Courts will only be considered as a special use if said court is accessory to the principal use it is intended to serve. Courts on separate lots will not be considered as stand alone structures.
   b) Plans shall be submitted for approval and shall be based upon compliance with the following standards: 1) The need for screening to protect the privacy of adjoining properties, including noise and lighting, if proposed, and 2) surface runoff. These standards are to be considered minimums and other factors may be considerations for approval by the Plan Commission and/or Governing Body.
   c) Courts shall not be constructed within a required front yard and shall be located a minimum of 10 feet from any rear or side lot line. Screen plantings of a height necessary to muffle noise and block lights may be required as a condition to the special use approval.
   d) Fences for courts may be up to 12 feet in height and shall be of a green or black PVC coated chain link fabric. Said fences shall be located a minimum of 10 feet from any rear or interior side lot line.
   e) Courts shall be designed so that the surface water will be carried to the street or storm drainage system on the owner's property, or by underground pipe to the public street or storm drainage system, or if across other ownership's, easements must be obtained. A statement along with a detailed drawing from a professional engineer, P.E., shall be submitted showing and stating that these drainage requirements have been or will be met.
11. All court lighting shall be subject to approval as a special use either in conjunction with the application for a sport court or separately as an addition at a later date. Existing courts requesting lighting must apply for same as a separate special use. A lighting plan shall be submitted which indicates the lumens (footcandles) at the property line and distance to the nearest structures. Footcandles shall not exceed 25 measured anywhere along the adjacent property lines. Illumination levels shall be measured with a photoelectric photometer having a spectral response similar to that of the human eye, following the standard spectral luminous efficiency curve adopted by the International Commission on Illumination. A lighted court may be required to have additional screening in order to mitigate the effect of lighting on any adjoining properties;
12. No outdoor lighting shall be permitted between the hours of 10:00 p.m. and 7:00 a.m. A landscape plan shall be submitted at time of application for special use indicating plant material, size, location and spacing proposed.
13. All courts shall require a building permit prior to grading and/or installation.
14. Hospitals; special care facilities for humans; not to include group homes as defined herein.
15. Campgrounds, picnic groves and fishing lakes, including minor and incidental concession facilities for patrons only.
16. Nursery sales office, building greenhouse, or area (wholesale or retail);
17. Nursing and convalescent homes; housing for the elderly; retirement centers and communities; not to include group homes as defined herein.
18. Outdoor poster panels or billboards; off-site promotional signs;
19. Veterinary clinics, dog kennels;
20. Radio, television and microwave towers;

a) Statement of Intent.

The Telecommunications Act of 1996 grants authority to local jurisdictions over decisions regarding the placement, construction, and modification of wireless communication facilities, towers and antennae. As the City of Leawood has many diverse and unique landscapes that perpetuate the identity of its residential neighborhoods, protection of these valuable resources is paramount.

Accordingly, the Governing Body finds that the unregulated placement and design of wireless communication facilities, towers and antennae results in visual clutter that adversely affects community aesthetics and damages the character that Leawood is built around. This ordinance is intended to provide minimum standards that ensure that the wireless communication needs of residents and businesses are met, while at the same time protecting the general safety and welfare of the community.

b) Purpose.

A wireless communication facility, tower or antenna may be sited, constructed, designed or maintained in the City of Leawood provided that it is in conformance with the stated standards, procedures, and other requirements of this ordinance.

More specifically, these regulations are necessary to:

1. Provide for suitable location of wireless communication facilities, towers and antennae so as to mitigate their effect on residential neighborhoods and land uses;
2. Maintain community aesthetics by minimizing the visual effects of wireless communication facilities, towers and antennae through specific design and siting criteria;
3. Maximize the use of existing towers and alternative tower structures so as to minimize the need for new tower locations;
4. Encourage co-location among wireless service providers on existing and newly constructed sites in order to reduce the overall number of towers needed;
5. Promote the use of innovative camouflage and disguise techniques for wireless communication facilities, towers, and antennae so as to integrate their appearance with the many architectural and natural themes found throughout the City of Leawood.

c) Special Use Permit Required.

1. Special Use Permit Requirement. Wireless communication facilities, towers, and antennae shall be allowed, subject to approval of a special use permit granted by the Governing Body, after notification of adjacent and abutting property owners.
within 1000 feet of said property parcel, after a public hearing, and after recommendation on the matter by
the Plan Commission. Written notification shall be
carried out by certified return receipt mail to those
parcels within 200 feet of said property parcel on
regular mail as a courtesy to parcels beyond the 200-
foot mark. [Said property parcel(s) shall be defined as
the perimeter of any parcel recognized by the
Johnson County Appraiser's Office and recorded with
a real estate identification number established for the
property parcel by Johnson County. As determined and
established by the Plan Commission and Governing-
Body, wireless communication facilities, towers and
antennas may occupy a smaller leased area on the
property parcel, provided that adequate space is
afforded for all facilities, landscaping, benches, and
screening, and provided that proper notice is provided
from the perimeter of the property parcel and not the
smaller leased area.

Consideration of the special use shall be in
accordance with the following as established by this
ordinance:

A) Suitable location in accordance to the zoning
districts and comprehensive (master) planned
areas in which wireless communication
facilities, towers or antennas are allowed;
B) Design, landscape, and screening of the
wireless communication facility, tower, or
antenna;
C) Maximum tower height required by the wireless
service provider(s), with consideration for co-
location possibilities;
D) Co-location among wireless service providers
on the proposed tower;
E) Minimum separation distance of the proposed
tower from other towers within the City of
Leawood;
F) Minimum setbacks of the proposed tower
and related facilities from the property line; and
G) Minimum buffer distance between the
proposed tower and related facilities from
surrounding comprehensive (master) planned
and existing residential areas.

2. Bond. Prior to the issuance of the special use permit
for the operation of a wireless communication facility,
tower or antenna, the applicant will provide a
performance or cash bond in an amount equal to
twenty (20%) percent of total construction costs for
the facility, tower or antenna. This bond will be
secured for discretionary use by the City of Leawood
for maintenance and/or removal of the facility, tower
or antenna should it become necessary to do so. The
bond will be secured for the term of the special use
permit plus one year.

3. Pre-existing Wireless Communication Facilities,
Towers and Antennas. Pre-existing wireless
communication facilities, towers and antennas, shall
be considered legal non-conforming structures and
shall not be required to meet the mandates of this
ordinance with the exception of 4-3.1 18)(k) until
the expiration of their applicable special use permit.

Routine maintenance shall be permitted on a non-
conforming structure. Any replacement of a pre-
existing antenna on a non-conforming structure shall
be permitted. Any placement of an additional antenna
on a non-conforming structure shall be considered
an expansion of the non-conforming structure unless
prior approval specifically contemplated multiple
antennae. Any such replacement antenna or
additional antenna placed on a non-conforming
structure shall require an appropriate application as
required by 4-3.1 18)(1)2 and 3, and shall meet any
and all current applicable design and technical
standards and requirements for new antennas. The
cumulative effect of any additional antennas and
related facilities placed upon a non-conforming
structure must comply with the radio frequency
radiation emission guidelines established by the FCC.

d) Zoning Location Requirements.

1. Allowable Areas. Wireless communication facilities,
towers, and antennas shall be allowed, subject to
approval of a special use permit, within the following
comprehensive (master) planned or existing areas
and districts:

A) CP-O, Planned Office;
B) CP-1, Planned Neighborhood Retail;
C) CP-2, Planned General Retail;
D) BP, Planned Business Park;
E) PI, Planned Industrial;
F) SD, Special Development;
G) REC, Planned Recreation; and
H) AG, Agricultural (when comprehensive
(master) planned for commercial, industrial, or
recreational/open space use).

All districts delineated within this ordinance shall
be defined by the current, approved Zoning and
Comprehensive (Master) Development Plan maps
established for the City of Leawood.

2. Residential Areas. Newly proposed wireless
communication facilities, antennas and towers shall
not be permitted within any comprehensive (master)
planned or existing residential area to include RP-A,
RP-A5, R-1, RP-1, RP-2, RP-3, and RP-4 zoning
districts. Exceptions to this may be provided for
the following, upon approval of a special use permit:

A) Church sites, when camouflaged as steeples,
bell towers, etc.;
B) Park sites, when camouflaged to be compatible
with the natural elements of the park; and
C) Pre-existing nonresidential alternative tower
structures when designed to be architecturally
integrated and compatible with said structure.

No exception shall be made that will inhibit or intringe
upon any historic or scenic views as designated by
the Governing Body of any state or federal law or
agency.

3. Tower Inventory. In order to construct a new tower
within any permitted area, the applicant must provide
an inventory of all existing and proposed tower and
antenna locations within a three-mile radius of the
proposed site. The applicant must also demonstrate,
using technological and written evidence, that these
sites are inadequate to fulfill the grid needs of the
wireless service provider, or that a "reasonable" co-
location lease agreement could not be reached with
the owners of said alternative sites. Finally, the
applicant must provide evidence that the proposed
site is necessary for the provision of wireless service.
For the purpose of this ordinance, "reasonable" shall
be defined as the total of all costs related to the
construction of a new tower. The applicant shall be
responsible for updating the inventory to include all
subsequently proposed, approved and/or constructed
tower or antenna locations that occur within the three-
mile study area during the special use permit process.

4. Grid Information. At the time of site selection, the
applicant shall demonstrate how the proposed
wireless communication facility, tower or antenna will
impact the overall network of the wireless service
provider within the City of Leawood and adjacent
Cities on both sides of the state line, and shall provide
evidence that the proposed site is necessary for the
provision of wireless service. The applicant shall be
required to update this information as necessary
during the special use permit process.

e) Tower Height.

Evidence shall be supplied at the time of site selection that
the proposed tower height is necessary to meet coverage needs. Approved tower height will be based upon need demonstrated by the applicant, as well as potential co-location by other wireless service providers. Any proposed tower, within any allowed area, shall not exceed 150 feet in height (excluding lighting arrestor roots not to exceed 5 feet in height).

f) Tower Setback and Buffer Requirements.

1. Setbacks. Towers and related facilities shall meet the applicable building setback limits of the zoning district, in which the tower and facilities are to be sited.

2. Distance From Residential Areas. Any proposed tower and related facilities shall be sited at a distance of at least 500 feet, in all directions, from the base of the tower to the property line of any existing or comprehensive (master) planned residential area. Note: This 500-foot buffer requirement applies only to towers as defined herein and not to other wireless communication facilities or alternative tower structures.

g) Design Requirements.

1. Tower Design.

A) Design. All towers will be constructed of a monopole design. Guy and lattice-type towers will not be allowed. Towers that are less than 75 feet in height must be designed so that their antennas are internally placed, thus creating a smooth, non-projecting appearance. Towers that are 75 feet or greater in height must be designed and engineered to accommodate at least two wireless service providers' antennas. Antenna bridges and platforms are not allowed.

B) Color and Finish. Exterior finish of the monopole will provide for a non-segmented, tapered appearance. Towers and related facilities shall be designed, camouflaged, and colored so that their appearance blends with the surrounding natural and built environment.

2. Antenna Design.

A) Design on Towers. All antennas installed on towers shall be internal or shall be panel antennas of "stick-line" design and shall be mounted parallel with the tower. Antenna bridges and platforms are not allowed. Public service omnidirectional antennas operated by the City of Leawood are exempt from this requirement.

B) Design on Alternative Tower Structures. All antennas and related facilities shall be of materials that are consistent with the surrounding elements so as to blend architecturally with said structure and to camouflage their appearance. Antennas on the rooftop or above a structure shall be screened, constructed and/or colored to match the structure to which they are attached. Antennas exceeding 12 inches in diameter on a roof or building-mounted facility shall not exceed the height of the structure to which they are attached, unless fully enclosed.

C) Color and Finish. Antennas and related facilities shall be of materials and color that are consistent with the tower or alternative tower structure and surrounding elements so as to blend architecturally with said tower or structure. The antennas and related facilities shall be of a natural color that is identical to, or closely compatible with, the color of the tower or alternative tower structure so as to make the antennas and related facilities as visually unobtrusive as possible. Antennas mounted on the side of a building or structure shall be painted to match the color of the building or structure or the background against which they are most commonly seen.

3. Site Plan and Photo Simulations Required. Any application for construction of a new wireless communication facility, tower or antenna must provide a detailed site plan of the proposed project. This properly scaled site plan will include one 1:4000 (including ground contours) that portrays the layout of the site, as well as proposed and existing structures within 150 feet of the tower base. Access to site from the site, as well as dimensioned proposed and existing drives, must be included on this plan. Detailed exterior elevations (from all views) of the tower, screening wall, and all proposed buildings must also be submitted. Finally, a landscape plan detailing location, size, number and species of plant materials must be included for review by Planning and Development.

4. Operational Standards. Wireless communication facilities, towers, and antennas shall meet or exceed all minimum structural and operational standards as established by the FCC, FAA, EPA and other applicable federal regulatory agencies. If such standards and regulations are changed, then all wireless communication facilities, towers, and antennas shall be brought into compliance with the revisied standards and regulations within six (6) months of the effective date of the standards and regulations, unless a more stringent compliance schedule is mandated by the controlling federal agency. Failure to bring wireless communication facilities, towers and antennas into compliance with any revised standards and regulations shall constitute grounds for the removal of the facility, tower or antenna at the owner or provider's expense. Any such removal by the City shall be in the manner provided within 4-3.118(9) of this ordinance.

5. Radiation Certification. An engineer's certification that anticipated levels of electromagnetic radiation will be generated by facilities installed on the site, including the effective radiated power (ERP) of the antenna, shall be within the guidelines established by the FCC. The cumulative effect of all antennas and related facilities on a site will also comply with the radio frequency radiation emission guidelines established by the FCC. An antenna radiation pattern shall be included for each antenna, along with directional data concerning the pointing of any directive antennas.

6. Electromagnetic Interference Problems. It is the responsibility of the wireless service provider to promptly resolve any electromagnetic interference problems in accordance with any applicable law or FCC regulation.

7. Protective Devices. All wireless communication facilities, towers or antennas shall be equipped with any appropriate anti-climbing device or other similar protective device to prevent unauthorized access.

8. Parking Areas. All parking areas and drives associated with any wireless communication facility, tower or antenna shall comply with applicable provisions for such facilities in each zoning district, except that the Plan Commission or Governing Body may waive the requirements for curbing and guttering when they are not needed for drainage purposes.

h) Screening, Landscaping, Tree Trimming and Lighting Requirements.

1. Screening Wall. All wireless communication facilities will be screened with a full perimeter wall when deemed necessary by the Plan Commission or Governing Body. This wall is to be constructed of concrete block and surfaced with a material (stucco, brick, etc.) designed to match the architecture of surrounding structures. The minimum height of the wall will be 6 feet from ground level.

2. Landscape Materials. Landscaping in the form of plants and other flowering and deciduous trees is required on the outside perimeter of the screening wall. The standard buffer strip shall be a landscaped strip at least 6 feet wide outside the perimeter of the screening wall. Plants are to be a minimum of 6 feet in height, while other trees are to have a minimum 3 inch caliper. The owner or provider shall be responsible for maintenance of all related landscape and screening materials. Existing mature tree growth and natural forms on the site shall be preserved to the maximum extent possible.

3. Authority to Trim Trees. A wireless service provider
shall have authority to trim trees and shrubbery upon
and overhanging rights-of-way, public utility easements
and other public property so as to prevent the
branches and foliage of such trees and shrubbery
from coming in contact and interfering with the wires,
conduit and other facilities of the provider. All trimming
shall be done only under the supervision and direction
of the City Public Works Department, and in
accordance with any applicable ordinance, including,
but not limited to, the City’s Right-of-Way ordinance.

4. Lighting. Towers shall not be artificially lighted,
unless required by the FAA or applicable authority. If
lighting is required, the Plan Commission may review
the available lighting alternatives and approve the
design that would cause the least disturbance to the
surrounding views.

i) Separation Distances.

No newly proposed tower shall be allowed to locate within
1000 feet of an existing tower unless technologically
required or visually profitable. This distance shall be
measured from the base of the existing tower to the base
site location of the proposed tower.

j) Co-location.

1. Multiple User Towers. All approved towers 75 feet or
greater in height must be designed to accommodate
at least two wireless service providers’ antennas.
Prior to issuance of a building permit, the applicant
and owner must provide either of the following: (1)
signed, executed lease agreements with other
wireless service providers who desire to co-locate on
the proposed tower, or (2) a signed statement of
intent that guarantees nondiscriminatory pricing for
access to the tower by any competing provider, and
that the price for access will be based on the current
market rate for co-location. This market rate will be
established by an independent research consultant
hired at the expense of the applicant. Failure to
provide co-location opportunities to (or negotiate in
good faith with) alternative providers may constitute a
violation of noncompliance with 4-3.1 1B)(3) of this
ordinance, and thus be grounds for revocation of the
special use permit, and shall be cause for the
withholding of future permits to same owner or
provider to install, build, or modify wireless
communication facilities, towers or antennas within
the City of Lewood.

2. Existing Site Improvements. Alterations or
improvements to existing wireless communication
sites shall be allowed when these alterations or
improvements are implemented to:

A) Accommodate additional wireless service
providers, provided that the alterations or
improvements meet all applicable requirements
of this ordinance. Unless otherwise provided
for by the current special use permit,
application for such an alteration or
improvement to an existing site will require
approval through a new special use permit.
However, if provided for by the current special
use permit, such application shall be
considered a revised final site plan and will
only require submission and approval by the
Plan Commission;

B) Alter an existing facility, tower or antenna in a
manner that makes the facility, tower or
antenna less obtrusive, such as leaning the
tower height, converting the structure to an
alternative tower structure, or modifying the
antenna to a “slim line” or internal design.
Such application shall be considered a revised
final site plan and will only require submission
and approval by the Plan Commission.

Any such alteration or improvement shall meet
any and all current applicable design and
technical standards and requirements. The
cumulative effect of any additional antenna and
related facilities must comply with the radio
frequency radiation emission guidelines
established by the FCC.

3. Additional Antennae. When provided for in the
approved capacity limit of a multi-user tower’s current
special use permit, additional antennas or
replacement of current antennas may be added
through an application for a revised final site plan and
will only require submission to and approval by the
Plan Commission. Additional antennas that exceed
the originally approved capacity limit shall be
considered a revised application and shall require a
special use permit to locate. Any additional antenna
or replacement of current antennas shall meet any
and all current applicable design and technical
standards and requirements. The cumulative effect of
any additional antenna and related facilities must
comply with the radio frequency radiation emission
guidelines established by the FCC.

k) Abandoned Or Unsafe Communication
Facilities, Towers and Antennae.

Any wireless communication facility, tower or antenna
which is not operated by inductive antennas for a period of twelve (12)
months shall be considered abandoned and a nuisance, and
will be removed at the owner or provider’s expense within
ninety (90) days. Any wireless communication facility, tower
or antennae which is not maintained to a suitable degree of
safety and appearance (as determined by the Director of
Planning, Chief Building Inspector, and any applicable code)
will also be considered a nuisance and will be upgraded or
removed at the owner or provider’s expense. The
costs of such removals shall be charged to the owner or
provider.

In the future should the levels of radio frequency radiation
emitted by a wireless communication facility, tower or
antennae be determined to be a threat to human health or
certainty, the facility, tower or antenna shall be cured or
immediately removed within ninety (90) days at the owner or
provider’s expense. This finding must be either mandated
by any applicable law, by federal legislative action, or based
upon regulatory guidelines established by the FCC.

l) Building Codes and Inspection.

1. Construction and Maintenance Standards. To ensure
the structural integrity of any wireless communication
facility, tower or antenna in accordance with the
standards contained in the City’s Building Code shall
be the responsibility of the facility or antenna owner.
No tower or antenna shall ensure that it is constructed
and maintained in compliance with standards
ascertained in the City’s Building Code and
shall not be built, constructed, or altered in such a
manner as to create a fire or electrical hazard.

2. Inspection Requirement. At least every twenty-four
(24) months, the wireless communication facility,
tower, or antenna shall be inspected by an expert
who is knowledgeable in wireless communications,
and shall be conducted in accordance with the
inspection check list provided in the Electronic
Industries Association (EIA) Standard 222, ‘‘Structural Standards
for Steel Antenna Towers and Antenna Support Structures.” A copy
of such inspection record shall be provided to the City.
A copy of such inspection record shall be
provided to the City. A copy of such inspection record
shall be conducted at the owner or provider’s expense.

3. Cables, Wire, and Other Such Facilities. In all areas
of the City where the cables, wire, and other such
facilities of public utilities are underground, or are
required by the City to be placed underground, the
owner or provider shall also place its cables, wires, or
other such facilities underground. Further, the owner or
provider shall abide by all applicable right-of-way
use easement ordinances or standards.
4. Disturbance of Right-of-Way. In the case of any disturbance to right-of-way or other public property caused by an owner or provider during the course of constructing or maintaining its wireless communication facility, tower, or antenna, the owner or provider shall, at its own expense, repair and restore all paving, sidewalks, driveways, landscaping, or surface any street or public property disturbed in an good or better condition as before the disturbance in accordance with applicable federal, state, and local laws, rules, regulations, administrative decisions or applicable right-of-way or utility easement ordinance or standard. The duty to restore the right-of-way or other public property shall include the repair of any area identified by the Director of Public Works as being weakened or damaged as a result of a cut or to other invasion of the pavement of a street or other public property.

m) Exclusions.

The following shall be exempt from this ordinance:

1. Any tower and antenna less than 70 feet in total height which is owned and operated by an amateur radio operator licensed by the FCC;
2. Any device designed for over the air reception of television broadcast signals, multi-channel, multi-point distribution service or direct broadcast satellite service.

n) Penalties.

This ordinance shall be in full force and effect upon its enactment and approval, and any person found to be in violation of any of the provisions of this ordinance shall be subject to a fine of $500 for violation. Each day shall constitute a separate violation.

o) Severability.

If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

p) Repeal of Laws in Conflict.

This ordinance supersedes all ordinances or parts of ordinances adopted prior hereto which are in conflict herewith; to the extent of such conflict.

q) Definitions.

Act: The Communications Act of 1934, as it has been amended from time to time, including the Telecommunications Act of 1996, and shall include all future amendments.

Alternative tower structure: Manmade trees, clock towers, bell steetlairs, light poles, buildings and similar alternative-design mounting structures that camouflage or conceal the presence of antennas or facilities.

Antenna: Any device used to transmit or receive electromagnetic signals for communication purposes, not to include satellite dishes used solely for home television purposes. For purposes of this ordinance, all references to antennae shall be applicable to microcells and repeaters.

Antenna support structure: Any pole, telescoping mast, tower tripod, or any other structure which supports a device or antenna used in the transmission or receipt of radio frequency energy.

Colocation: Placement of wireless communication facilities, towers, or antennae by more than one wireless service provider on a single tower or alternative tower structure.

Effective radiated power (ERP): The product of the antenna power input and the numerically equal power output gain.

EPA: Environmental Protection Agency.

FAA: Federal Aviation Administration.

FCC: Federal Communications Commission.

Guyed tower: A tower that is supported, in whole or in part, by guy wires and ground anchors.

Interference: Disturbances in reception caused by intruding signals or electrical current.

Lattice tower: A three or four-sided tower constructed of open steel framing.

Micro-cell: A low power mobile radio service communication facility used to provide increased capacity in high call demand areas or to improve coverage in areas of weak coverage. (see antenna)

Monopole: A tower of single-pole design, constructed without support (guy) wires or anchors.

Omnidirectional antenna: An antenna that is equally effective in all directions and whose size varies with the frequency and gain for which it is designed. (a.k.a. whip antenna)

Panel antenna: An antenna that transmits signals in specific directions, and are typically square or rectangular in shape.

Repeater: A low power mobile radio service communication facility that extends coverage of a cell to areas not covered by the originating cell. (see antenna)

Slim-line antenna: A panel antenna which mounts directly to and parallel with a monopole or alternative tower structure.

Tower: A structure designed to support at least one or more antennae. This does not include structures owned and operated by amateur radio personnel licensed by the FCC.

Tower height: The vertical distance measured from the base of the tower or alternative tower structure at grade to the highest point of the tower or alternative tower structure. If the tower or alternative tower structure is on a sloped grade, then the average between the highest and lowest grades shall be used in calculating the tower height.

Wireless communication facility: Any complex, including tower, antenna, antenna support structure, cabinet, building, screen walls, transmission equipment, power source or other equipment constructed on the ground, and used to assist antennae in the generation or receipt of electromagnetic communication signals, or used for the transmission or reception of electromagnetic communication signals.

Wireless service provider (provider): Any provider of cellular or wireless (digital, PCS, and PCN) communication service allowing customers to use mobile telephones to connect, via low power radio transmitter sites either to
the public switched network or to other mobile telephones. Such providers shall be licensed by the FCC in a specific geographical area in which the radio frequency spectrum is divided into discrete channels.

19) Television and amateur radio antennas exceeding district height limitations.
20) Reservoirs, towers, filter beds, or water treatment plants;
21) Riding stables and tracks;
22) Wastewater treatment plant;
23) Motor hotels, motels, hotels, and convention centers;
24) Banking facilities with accessory drive-through lanes:
   a) a minimum stacking distance of five car lengths must be provided for each drive-through lane;
   b) drive through lanes must be attached and integral to a full-service banking facility;
   c) the automobile movements in and out of the bank facility shall not interfere with the adjacent public street system.
25) Buildings, structures, and premises for public utility services, or public service corporations;
26) Temporary use of land or building for commercial or industrial purposes, provided that any building or structure constructed thereon which is not otherwise permitted in the District in which such land is situated shall be temporary, and any stored equipment or material shall be removed upon the date of expiration of the special use permit, which permit shall be valid for not more than 2 years but may be renewed after public hearing;
27) Assembly halls, community centers, philanthropic organizations;
28) Child care centers, family day care homes, preschools, nursery schools, Montessori schools, private kindergartens, day care homes and group day care homes; not to include group homes as defined herein.
29) Off-street parking lots or off-street parking structures of a temporary or permanent nature;
30) Group boarding home for minors or adults; not to include group homes as defined herein.
31) Private ambulance service;
32) Bed and breakfast;
33) Home pasturing on lots of less than 3 acres in residential districts.
34) Temporary self-contained health care suites located within an attached garage are intended to provide an "in home" physical care facility as a temporary alternative to a nursing home environment. It is not intended to provide long term care lodging for anyone that would be better served by a more permanent solution. Such permanent, alternate solutions may require an alteration to the home, an addition onto the home, or off-site care by a health care institution. Such use is allowed as a special use provided the following conditions are met:
   a) The suites are to be freestanding self-contained units including independent heating and air conditioning units and plumbing systems.
   b) Not more than 2 persons shall be housed in such suites provided said housing is necessitated by a physical impairment or health care need of one or both persons and said health care need is being met by occupant or occupants of the existing home. Said person(s) residing in such health care suite shall be either an occupant or a relative of the occupant of the home except in cases when an overnight health care provider is required.
   c) A letter from a licensed doctor of medicine or osteopathy shall be submitted, along with the application for special use, verifying the need for such health care suite by the applicant or prospective resident of said suite.
   d) Health care suites shall be limited to a maximum of 2 years duration. Such use may only be continued for 1 additional year and only after review and approval by the Plan Commission and Governing Body. Any amount of time beyond 3 years will require a permanent solution to be specified at the time the additional year is requested. Such solution shall be made a condition of approval if granted. At the end of the special use, the unit shall be removed and the garage restored to its former condition.
   e) Any exterior modification of the home necessitated by the suite, such as the temporary removal of the garage door(s) to facilitate a private entry, windows, or heating or cooling units, shall be replaced with materials of an architectural likeness to the existing home. Samples of materials proposed to be used shall be submitted with the application for approval by the Plan Commission.
   f) Additional written notification shall be required to the applicant's homes association and to all property owners within 200 feet of the applicant's property.
   g) Because the installation of such health care suite temporarily removes the enclosed off-street parking spaces required by ordinance, the applicant shall submit an interim plan for dealing with off-street parking for the duration of the special use.

35) The Director of Planning may upon application by the proponent issue an Administrative Special Use Permit for the use of a specified parcel of land for such temporary short-term uses as trade shows, street fairs, expositions, promotional ventures, entertainment, seasonal sales, balloons, search lights, and tents, provided the following conditions are met:
   a) The applicant shall submit in written form a complete description of the proposed use, including estimated accumulation of automobiles and persons, hours of operation, and other characteristics and effects on the neighborhood.
   b) The applicant shall submit a site plan showing the location of any proposed structure.
   c) The short-term special use shall not be operated longer than 10 consecutive days.
   d) No more than 6 special event permits per calendar year shall be issued administratively at any location. Any additional permits may be granted by the Governing Body.
   1) Fees for administrative special use permits issued in accordance with Section 4-3.1 (33) d) shall be established by the fee schedule approved yearly by the governing body. If an applicant applies for all six allowable administrative special use permits at one time, the applicant's fee will be reduced to 2/3 of the total ordinary cost. (For example, if the ordinary fee is $50 per permit, an applicant applying for the six allowable permits at one time will pay only $200 instead of the $300 the applicant would pay if applying for the permits on separate occasions within an year.)
   a) Upon the cessation of the short-term special use, all materials and equipment shall be promptly removed and the property restored to its normal condition.
   b) Any structure used in conjunction with the special event shall be the subject of a valid building permit or tent permit.
   c) The special event shall not cause undue traffic congestion or accident potential given anticipated attendance and the design of adjacent streets, intersections, and traffic controls.
   d) The activity shall not cause the overcrowding of parking facilities given anticipated attendance and the possible reduction in the number of available spaces used by the event itself.
   e) The special event shall not impair the usefulness, enjoyment or value of adjacent property due to the generation of excessive noise, smoke, odor, glare, litter or visual pollution.
   f) If after giving full consideration to the effect of the requested special use on the neighborhood and the community, the Director of Planning deems the special use reasonable, the special use permit for the short-term use may be approved.
   g) Conditions of operation, provision for surety bond, and other reasonable safeguards may be written into the special use permit. Such permit may be approved in any zoning district.
   h) Any applicant denied an Administrative Special Use Permit shall be notified in writing of the reasons for the denial and of the opportunity to appeal the denial to the Governing Body.
4-3.2 Revocation of Special Use Permits

1) Basis for Revocation

Any special use permit granted under the authority of this chapter is subject to revocation for any or all of the following reasons:

a) Non-compliance with any applicable requirement set forth in Section 4-3.1.

b) Non-compliance with any special conditions imposed at the time of approval of the special use permit.

c) Violation of any provisions of the code pertaining to the use of the land, construction or uses of buildings or structures or activities conducted on the premises by the applicant or agents of the applicant.

d) Violation of any other applicable City Code provisions or any state or federal law or regulation by the applicant or agents of the applicant, provided that such violations relate to the conduct or activity authorized by the special use permit or the qualifications of the applicant or its agents to engage in such conduct or activity.

2) Procedure for Revocation

a) Revocation proceedings may be initiated by a majority vote of the Governing Body.

b) Unless the applicant and landowner agree in writing that the permit may be revoked, the Governing Body shall hold a public hearing to consider the revocation of the special use permit.

c) The City shall give the applicant and landowner certified mail notice, return receipt requested, of the scheduled revocation hearing at least five days prior to the date scheduled for such hearing. Notice must be published in the official newspaper a minimum of 5 days but not greater than 20 days prior to the hearing.

d) No special use permit shall be revoked unless a majority of the Governing Body is satisfied by a preponderance of the evidence that grounds for revocation exist. Any motion of the revocation must clearly state the grounds for revocation. Adoption of any motion to revoke a special use permit may be made subject to subsequent adoption of written findings of fact and conclusions of law, at the discretion of the Governing Body.

e) An appeal of any decision of the Governing Body to revoke a special use permit may be filed in the District court of Johnson County, Kansas. Any appeal taken shall not suspend the order of revocation during the pending appeal unless so ordered by the District Court.

ORDINANCE NO. 1814

AN ORDINANCE GRANTING TO AMERICAN COMMUNICATION SERVICES OF KANSAS CITY, INC. A TELEPHONE FRANCHISE AND THE RIGHT TO CONSTRUCT, OPERATE AND MAINTAIN TELECOMMUNICATIONS FACILITIES WITHIN THE CORPORATE LIMITS OF THE CITY OF LEAWOOD, KANSAS.

WHEREAS, the City of Leawood, Kansas ("City"), a municipal corporation, duly organized and existing under the laws of the State of Kansas, has the right under statute to grant a franchise to construct, operate and maintain telecommunications facilities in said City;

WHEREAS, American Communication Services of Kansas City, Inc., desires to operate telecommunication facilities for the purposes of providing local telephone services in the City and its surrounding communities, and therefore has applied to the City for a franchise in order to operate its facilities;

WHEREAS, any such permission requires a franchise to be granted by the City in accordance to K.S.A. 12-2001 et. al;

WHEREAS, the City intends to execute a Right-of-Way ordinance to govern the use of the City’s right-of-way and utility easements which will apply to all franchisees and other service providers;

WHEREAS, the terms and provisions of this franchise ordinance will be in addition to the requirements set forth in the City’s Right-of-Way ordinance;

WHEREAS, pursuant to K.S.A. 12-2001, the Governing Body of the City did order publication of a notice of a hearing to be held on July 19, 1999 to afford the public in the franchise area, as well as the public-at-large, an opportunity to comment on the proposed franchise ordinance, a copy of which was on file in the office of the City Clerk; and

WHEREAS, said notice of hearing was published in the Legal Record on July 6, 1999;

NOW, THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

1. Definitions. For the purpose of this franchise ordinance, the following words and phrases and their derivations shall have the following meaning:
   "Cable" includes both the coaxial cable used to transmit signals of high frequency, and fiber optic cable that consists of a bundle of thin insulated glass strands used to transmit data, voice, video and other communications, and any other assembly of materials so classified generically as cable.
   "Cable service" means the one-way transmission to subscribers of video programming or other programming service, and subscriber interaction, if any, which is required for selection and use of video programming or other programming service, as defined by 47 U.S.C. §522(6), any successor statute of similar import.
   "City" means the City of Leawood, Kansas, a municipal corporation, and if applicable, the territorial boundaries of the City of Leawood as now constituted or as shall hereafter exist.
   "Facilities" means lines, pipes, wires, cables, conduits, ducts, culverts, hoses, irrigation systems, manholes, poles, towers, vaults, pedestals, boxes, appliances, antennas, repeaters, micro cells, Pico cells, amplifiers, transmitters, gates, meters, appurtenances, or other equipment used by the franchisee for the purposes of conducting franchise operations and providing service to subscribers.
“Franchise ordinance” means this ordinance passed to grant the telecommunications franchise to franchisee. This ordinance shall operate as an agreement or contract between the City and franchisee and shall be subject to the laws of the State of Kansas.

“Franchisee” means American Communication Services of Kansas City, Inc., or its successors, transferees, or assigns.

“Franchise fee” means the fee imposed by the City on franchisee solely because of its status as such, in accordance to K.S.A. 12-2001. It shall not include: (1) any tax, fee, or assessment of general applicability including any which are imposed on franchisee; (2) requirements or charges incidental to the awarding or enforcing the franchise ordinance, including payments for bonds, security funds, letters of credit, insurance, indemnification, penalties, or liquidated damages, (3) any permit fee or other fee imposed under any valid right-of-way ordinance, or (4) any other fee imposed by federal, state, or local law.

“Gross revenues” means those revenues less uncollectible, derived from the following: (1) recurring local exchange service for business and residence which includes basic exchange service, touch tone, optional calling features, and measured local calls; (2) recurring local exchange access line services for pay phone lines provided by franchisee to all pay phone service providers; (3) local directory assistance revenue; (4) line status verification/busy interrupt revenue; (5) local operator assistance revenue; (6) nonrecurrent local exchange service revenue which shall include customer service for installation of lines, reconnection of service and charge for duplicate bills. All other revenues, including, but not limited to, revenues from extended area service, unbundled network elements, nonregulated services, carrier and end user access, long distance, and all other services not wholly local in nature are excluded from “gross revenues.” Further, “gross revenues” shall be reduced by bad debt expenses and uncollectible and late charges shall not be included within “gross revenues.” If during the term of this franchise ordinance franchisee offers additional services of a wholly local nature which if in existence at the effective date of the franchise ordinance would have been included with the definition of “gross revenues,” such services shall be included from the date of the offering of such services in the City for the remaining term of the franchise ordinance.

“Open video system” means the provision of video programming service as described in and subject to 47 U.S.C. § 573, or any successor statute of similar import.

“Person” means any natural or corporate person, business association or business entity including, but not limited to, a partnership, a sole proprietorship, a political subdivision, a public or private agency of any kind, a utility, a successor or assign of any of the foregoing, or any other legal entity.

“Right-of-way” means the area on, below or above the present and future streets, alleys, avenues, roads, sidewalks, highways, parkways or boulevards dedicated as right-of-way.

“Service” means a commodity used by the public and provided through franchisee’s facilities.

“Subscriber” means any person who receives services from franchisee services.

“Telecommunications” means the transmission, between or among points specified by the user, of information of the user’s choosing, without change in the form or content of the information as sent and received, as defined by 47 U.S.C. §153(43), any successor statute of similar import.

“Telecommunications service” means the offering of telecommunications for a fee directly to the public, or to such classes or users as to be effectively available directly to the public, regardless of the facilities used, as defined by 47 U.S.C. §153(46), any successor statute of similar import.

“Utility Easement” means, for the purposes of this ordinance, an easement dedicated to the City for the purpose of utilities.

2. **Grant.** Franchisee is hereby granted the right, privilege and franchise to construct, operate, and maintain facilities in, through and along the City’s right-of-way and utility easements for the purposes of supplying local telecommunications services on a nonexclusive basis within the City, subject, however, to the terms and conditions herein set forth within this ordinance. As a condition of this grant, franchisee is required to obtain and is responsible for any necessary permit, license,
certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC, subject to franchisee's right to challenge in good faith such requirements as established by the FCC, KCC or other City ordinance.

This franchise does not provide franchisee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Upon franchisee’s request for a franchise to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City, the City agrees to timely negotiate such franchise in good faith with franchisee. Franchisee agrees that this franchise does not permit franchisee to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

3. **Use of Public Right-of-Way and Utility Easements.** Franchisee’s facilities shall be located in the right-of-way and utility easements as now constructed and as further authorized by the City in accordance with all applicable laws, statutes and/or ordinances. Placement, changes, additions, replacements, maintenance and repairs to franchisee’s facilities shall be conducted in compliance with any applicable ordinance and/or permit requirement. Franchisee will be responsible for obtaining all necessary permits as required by the City for work performed in the right-of-way and utility easements, as well as paying any associated permit fee. In addition, franchisee shall be subject to all technical specifications, design criteria, policies now or hereafter adopted or promulgated by the City, or any other appropriate governmental entity. In its use of the right-of-way and utility easements within the City, franchisee shall be subject to all applicable rules, regulations, policies, laws, orders, resolutions, and ordinances now or hereafter adopted or promulgated by any appropriate governmental entity now or hereafter having jurisdiction, including, but not limited to the City in the reasonable exercise of its police powers.

At the time of the enactment of this franchise ordinance, the City is currently in the process of completing a Right-of-Way ordinance to govern the use of the City’s right-of-way and utility easements. Upon adoption of this ordinance, franchisee will register and abide by the terms and provisions of this ordinance, subject to franchisee’s right to challenge the provisions of this ordinance in good faith. Until the adoption of such Right-of-Way ordinance and franchisee’s compliance thereof, the following provisions shall apply:

a. Franchisee’s use of right-of-way shall in all matters be subordinate to the City’s use of the right-of-way. Franchisee shall coordinate the placement of its facilities in a manner that minimizes adverse impact on public improvements, as reasonably determined by the City.

b. All earth, materials, sidewalks, pavings, crossings, utilities, public improvements or improvements of any kind damaged or removed by franchisee in its activities under this franchise shall be fully repaired or replaced promptly by franchisee at its sole expense and to the reasonable satisfaction of the City.

c. All facilities constructed, reconstructed or relocated in the right-of-way shall be placed underground, unless otherwise agreed to by the City. Any vaults, boxes, pedestals and similar facilities placed above ground in right-of-way shall be located behind the sidewalk where feasible. Ordinary repairs to current above ground facilities shall be allowed, unless the repair is to the extent as to qualify as a reconstruction of the facilities.
d. Franchisee shall keep and maintain accurate records and as-built drawings depicting accurate horizontal and vertical location of all facilities constructed, reconstructed, or relocated in the right-of-way. Within ten (10) days after request by the City, Franchisee will provide to the City such information regarding such location as may be reasonably requested. When available to franchisee, Franchisee shall provide to the City a complete set of plans with accurate and complete information in AutoCAD format compatible with the City’s Geographic Information System (GIS) showing and describing the exact locations, both horizontal and vertical, of all facilities constructed and existing within the right-of-way and within private easements; such mapping and identification shall be at the sole expense of franchisee. Franchisee shall have a person familiar with the facilities who is responsible for timely satisfying information needs of the City and other users of the right-of-way.

e. Prior to construction, reconstruction or relocation of any facilities in the right-of-way, franchisee shall submit to the Public Works Director for approval and permit, plans and specifications of the proposed installation. Such approval and permit shall not be unreasonably withheld, delayed or conditioned.

f. Franchisee shall relocate or adjust any facilities in the right-of-way for any public funded improvement or public funded project. Such relocation or adjustment shall be performed by franchisee at its sole expense without expense to the City, its employees agents, or authorized contractors and shall be specifically subject to rules and regulations of the City. Such relocation or adjustment shall be completed as soon as reasonably possible and within the time set forth in any request by the City for such relocation or adjustment. Any damages suffered by the City or its contractors as a result of franchisee’s failure to timely relocate or adjust its facilities shall be borne by franchisee.

g. It shall be the sole responsibility of franchisee to take reasonable measures to protect and defend its facilities in the right-of-way from harm or damage. If franchisee fails to accurately or timely relocate facilities when requested, it shall have no claim for costs or damages against the City and its authorized contractors or any other party authorized to be in the right-of-way unless such party is solely responsible for the harm or damage by its negligent or intentional conduct. Franchisee shall be responsible to the City and its authorized contractors for all damages including, but not limited to, delay damages, repair costs, down time, construction delays, penalties or other expenses of any kind arising out of the failure of franchisee to perform its obligations under this franchise ordinance unless the damaged party is solely responsible for the harm or damage by its negligence or intentionally caused harm.

h. Franchisee shall notify the City not less than three (3) working days in advance of any construction, reconstruction, repair or relocation of facilities which would require any street closure which reduces traffic flow to less than two (2) lanes of moving traffic. Except in the event of any emergency, as reasonably determined by franchisee, no such closure shall take place without such notice and prior authorization from the City. The City shall follow its policies in the grant or denial of such authority, which shall not be unreasonably delayed. In addition, all work performed in the traveled way or in which in any manner impacts vehicular or pedestrian traffic shall be properly signed, barricaded, and otherwise protected at franchisee’s expense. Such signing shall be in conformance with the latest edition of the Federal Highway Administration’s Standards and Guidelines for Work Zone Traffic Control, unless otherwise agreed to by the City.
i. All technical standards governing construction, reconstruction, installation, operation, testing, use, maintenance, and dismantling of the facilities in the right-of-way shall be in accordance with applicable present and future federal, state and city laws and regulations, including but not limited to, the most recent editions of the National Electric Code, the National Electrical Safety Code, and Fiber Optic Cable Installation Standard for the Telecommunications Industry Committee, or such substantive equivalents as may hereafter be adopted or promulgated. It is understood that the standards established in this paragraph are minimum standards and the requirements established or referenced in this franchise ordinance may be in addition to, or stricter than, such minimum standards.

j. Franchisee, upon request of any appropriate applicant, shall remove or raise or lower its overhead facilities temporarily to permit the moving of houses or other structures. The expense of such temporary removal, raising or lowering of overhead facilities shall be paid by the party or parties requesting the same, and franchisee may require such payment in advance. Franchisee shall be given not less than fifteen (15) days written notice from the applicant detailing the time and location of the moving operations, and not less than twenty-four (24) hours advance notice from the applicant advising of the actual operation. The City shall not be liable for any such expense or notice requirement for the moving of houses or structures by the City or its contractors.

k. Permission is hereby granted to franchisee to trim trees upon and overhanging the right-of-way and utility easements upon the Public Works Director's review and approval of franchisee's plan and details for the trimming. Care shall be taken to protect the health and aesthetic value of such trees, and when required by the Public Works Director, such trimming shall be done under the supervision of the City. No trimming shall occur without at least twenty-four (24) hours notice to both the Public Works Director and any adjacent property owner.

4. Franchise Fee. Franchisee shall pay the greater of $12,000 or an annual sum of $2.50 per lineal foot for all fiber in the right-of-way and in City owned parks and golf courses. This payment shall be due on the effective date of the ordinance and annually thereafter. In the event franchisee provides local service to customers within the City, franchisee shall notify the City Clerk. At such time, the franchise fee shall be the greater of the above prescribed amount, or five (5%) percent of its gross revenues as defined herein. Payment on the basis of gross revenues shall be made on a monthly basis without invoice or reminder from the City, and paid within forty-five (45) days after the last day of the applicable month.

All payments herein provided shall be in addition to, not in lieu of, all other taxes, charges, assessments, fees and impositions of general applicability that are or may be imposed by the City, with the exception of any annual occupation license. Franchisee shall pay interest at an annual rate of ten (10%) percent for each month or fraction thereof on any late payment of the charge provided for in this franchise ordinance.

5. City's Right to Audit and Access to Records. If franchisee is providing service within the City, franchisee shall annually file with the City a Leawood gross receipts report regarding all applicable monthly revenues and all relevant codes. Franchisee and the City agree that such information is confidential and proprietary and agree that such information shall remain the sole property of franchisee and agree that pursuant to K.S.A. 45-221 (18), as amended, such information does not constitute public records subject to K.S.A. 45-218, as amended. In the event the City is required by
law to disclose such information, the City shall provide franchisee seven (7) days advance notice of its intent to disclose such information and shall take such action as may be reasonably required to cooperate with the franchisee to safeguard such information. The City shall also have access to and the right to examine, at all reasonable times, all books, receipts, files, records and documents of the franchisee necessary to verify the correctness of such statement and to correct the same, if found to be erroneous. If such statement of gross revenues is incorrect, then such payment shall be made upon such corrected statement, including interest on said amount at the annual rate of ten (10%) percent.

Regardless of whether franchisee is providing service within the City, the City’s acceptance of any payment determined as hereinbefore provided to be deficient shall not be construed as a release of liability from the City or an accord or satisfaction of any claim that the City may have for additional sums owed by franchisee. In addition to access to the records of franchisee for audits, upon request, franchisee shall provide reasonable access to records necessary to verify compliance with the terms of this franchise ordinance.

6. **Term.** This franchise ordinance shall be effective for a term of one (1) year from the effective date. Thereafter, this franchise ordinance will renew for ten (10) renewable one (1) year terms, unless either party notifies the other party of its intent to terminate the franchise prior to one hundred and eighty (180) days before the termination of the then current term.

7. **Renegotiation of Franchise.** If the City has a good faith belief that franchisee is offering local telecommunications services within the City beyond those telecommunications services contemplated by this ordinance, the City may seek renegotiation of this franchise if the City reasonably believes that such services constitute local telecommunications services subject to a franchise fee under K.S.A. 12-2001. In the event the City seeks renegotiation under such circumstances, franchisee agrees to negotiate with the City in good faith in a timely manner. Nothing herein shall preclude the City from seeking a separate franchise agreement with franchisee if the City has a good faith belief that franchisee is offering services other than telecommunications services that are subject to a franchise fee under K.S.A. 12-2001. The purpose of this provision is to allow the City to ensure that franchisee is paying a franchise fee for all services for which a franchise fee is appropriate.

8. **Description of Service.** Franchisee shall on a semi-annual basis provide the City with a description of new local telecommunications services offered within the City during the prior six-month period. In the event franchisee offers new services (other than telecommunications services, extended area service, unbundled network elements, nonregulated services, carrier and end user access and long distance), franchisee shall notify the City of such services on a semi-annual basis.

9. **Franchisee Information.** Franchisee shall, at its own expense, annually submit to the City the following information:

   a. A report of the franchisee’s gross revenues as referenced by section 5 herein (only if franchisee is providing service within the City);

   b. A summary of the previous year’s development of franchise facilities, including but not limited to, the location of facilities during the year, and franchisee’s plan of development of facilities for the next year – Note: in lieu of this requirement, franchisee’s right-of-way director may meet in person with the City’s public works director to discuss these issues; and
c. Information as to the number of subscribers in the City of Leawood (only if franchisee is providing service within the City). Note: this requirement does not include giving the identification of the subscribers.

10. Subscriber Rates. Franchisee’s charges to subscribers will comply with all applicable federal and state regulations. Upon request, franchisee shall file with the City Clerk a schedule of current rates in effect when such rates are not on file and publicly available from the KCC. When provided so by state or federal law, the City may at any time fix a reasonable schedule of maximum rates to be charged to the City and its residents.

11. Use of Facilities by Other Service Providers. On a semi-annual basis, franchisee shall notify the City of the identity of local service providers that have been granted a certificate of convenience to offer local telecommunications services within the State of Kansas. Franchisee shall also provide the City on a semi-annual basis of the identity of entities with which franchisee has entered into an interconnection and/or resale agreement within the State of Kansas.

12. Transfer of Franchise. Pursuant to the written permission of the City, which shall not be unreasonably withheld, franchisee shall have the right to assign this franchise, and the rights and privileges herein granted, to any person, firm or corporation, and any such assignee, by accepting such assignment, shall be bound by the terms and provisions hereof. City approval may be denied only upon a good faith finding by the City that the assignee lacks the legal, technical or financial qualifications to perform its obligations in accordance with this franchise ordinance or any other appropriate governmental requirement. If franchisee should seek approval to assign this franchise, franchisee shall notify the City in writing. All such assignments shall be in writing and authenticated copies thereof shall be filed with the city clerk. This franchise shall be assignable only in accordance with the laws of the State of Kansas, as the same may exist at the time when any assignment is made. Any attempts to transfer, assign or otherwise dispose of the rights granted herein by the City or franchisee’s facilities not conforming with the requirements of this section shall be null and void.

13. Other Service Providers. Franchisee shall not interfere with any agreement between the City and another service provider. Additionally, if and when the City requires or negotiates to have another service provider cease to use its existing poles and to relocate its facilities underground, all other service providers using the same poles, including franchisee when applicable, shall also relocate their facilities underground at that time; provided, however, that such placement is economically reasonable. The City shall not unreasonably enter into such an agreement with another service provider, and notice of any intent to enter into such an agreement shall be timely provided to franchisee.

14. Notification Procedure. Any required or permitted notice under this franchise ordinance shall be in writing. Notice upon the City shall be delivered to the city clerk by first class United States mail or by personal delivery. Notice upon franchisee shall be delivered by first class United States mail or by personal delivery to:

New Orleans, LA 70113
15. **Indemnification.** Upon notice by the City, franchisee shall fully indemnify, defend and hold harmless the City, its officers, employees, agents and authorized contractors from and against any and all claims, demands, suits, proceedings, and actions, liability and judgment by other persons for damages, losses, costs, and expenses, including attorney fees or otherwise, to the extent caused by franchisee’s actions and operations of its telecommunications service in accordance to this ordinance. The City agrees to immediately notify franchisee of any such claim, demand, suit, proceeding, and/or action, by providing written notice via certified mail to franchisee. Nothing herein shall be deemed to prevent the City, or any agent from participating in the defense of any litigation by their own counsel at their own expense. Such participation shall not under any circumstances relieve franchisee from its duty to defend against liability or its duty to pay any judgment entered against the City, or its agents.

16. **Liability Insurance Requirement.** Franchisee shall file with the City evidence of liability insurance with an insurance company licensed to do business in Kansas in an amount not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by the service provider, or alleged to so have been caused or occurred. If franchisee is self-insured, it shall provide the City proof of compliance regarding its ability to self-insure and proof of its ability to provide coverage in the above amounts.

17. **Performance and Maintenance Bond Requirement.** Franchisee shall at all times maintain in full force and effect a corporate surety bond in a form approved by the City Attorney, in an amount of $50,000, for a term consistent with the term of this franchise ordinance plus one additional year, conditioned upon franchisee’s faithful performance of the provisions, terms and conditions conferred herein. An annual bond automatically renewed yearly during this period shall satisfy this requirement.

18. **Reservation of Rights.** In addition to any rights specifically reserved to the City by this franchise ordinance, the City reserves to itself every right and power available to it under the constitutions of the United States and the State of Kansas, and any other right or power, including, but not limited to all police powers and authority to regulate and legislate to protect and promote the public health, safety, welfare, and morals. Nothing in this franchise ordinance shall limit or govern the right of the City to exercise its municipal authority to the fullest extent allowed by law. The City shall have the right to waive any provision of the franchise, except those required by federal or state law, if the City determines: (a) that it is in the public interest to do so, and (b) that the enforcement of such provision will impose an undue hardship on franchisee or its subscribers. To be effective, such waiver shall be evidenced by a statement in writing signed by a duly authorized representative of the City. The waiver of any provision in any one instance shall not be deemed a waiver of such provision subsequent to such instance nor be deemed a waiver of any other provision of this franchise ordinance unless the statement so recites. Further, the City hereby reserves to itself the right to intervene in any suit, action or proceeding involving the provisions herein.

19. **Forfeiture of Franchise.** In case of the failure of franchisee to comply with any of the provisions of this franchise ordinance, or if franchisee should do or cause to be done any act or thing prohibited by or in violation of the terms of this franchise ordinance, franchisee shall forfeit all rights and privileges granted by this franchise and all rights hereunder shall cease, terminate and become null and void, provided that said forfeiture shall not take effect until the City shall carry out the following proceedings:
a. For violations concerning the use of the right-of-way and/or utility easements as described in section 3 of this franchise ordinance and deemed by the public works director to be a public nuisance and/or emergency, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have fourteen (14) days subsequent to receipt of such notice to inform the City in writing of the action franchisee shall take to correct the violation. Such corrective action shall be completed within thirty (30) days subsequent to receipt of notice unless otherwise agreed to by the City. If at the end of such period the City deems that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. If franchisee fails to take corrective action within the 30-period set forth above, nothing herein shall preclude the City from maintaining an action against franchisee to recover damages as a result of such failure to take corrective action, including, but not limited to, reasonable costs of corrective action incurred by the City.

b. For all other violations of the franchise ordinance, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have ninety (90) days after the mailing of such notice in which to comply with the conditions of this franchise. If at the end of such period the City deems that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated.

c. If within thirty (30) days after the effective date of an ordinance to terminate the franchise, in accordance with 19(a) or 19(b) herein, the franchisee shall not have instituted an action in the District Court of Johnson County, Kansas to determine whether or not the franchisee has violated the terms of this franchise and that the franchise is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty-day period. If within such thirty (30) day period the franchisee does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the court finds that the franchise is subject to cancellation by reason of the violation of its terms, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

In addition to any other remedy available herein or and at law or equity, either party shall have the authority to maintain civil suits or actions in any court of competent jurisdiction for the purpose of enforcing the provisions of this franchise ordinance and/or to abate nuisances maintained in violation thereof.

20. Revocation of Franchise. In addition to all other revocation rights and powers herein or otherwise enjoyed by the City, the City shall have the additional and separate right to revoke this franchise and all rights and privileges of the franchisee as a result of and in response to any of the following events or reasons:

a. Any provision of this franchise ordinance is adjudged by a Court of Competent Jurisdiction to be invalid or unenforceable and said judicial act and declaration is deemed by the Governing Body to constitute such a material consideration for the granting of this franchise
ordinance as to cause the same to become null and void; or

b. Franchisee commits an act of fraud or deceit against the City in obtaining the grant of this franchise herein conferred, or upon being granted franchisee commits such an act against the City.

To revoke this franchise in accordance with the provisions of this section regarding Revocation of Franchise, the following procedure shall apply. The City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. Prior to the enactment of such ordinance, franchisee shall be provided with timely written notice by certified mail, and franchisee shall be allowed to address the Governing Body before final consideration of such ordinance. If within thirty (30) days after the effective date of such ordinance to terminate the franchise the franchisee shall not have instituted an action in the District Court of Johnson County, Kansas to determine whether or not the franchise was appropriately terminated in accordance to the provisions of this section and is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty-day period. If within such thirty (30) day period the franchisee does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the court finds that the franchise is subject to cancellation by the reason addressed by this section, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

a. Nonexclusive Clause. The privilege to construct, erect, operate and maintain franchisee’s facilities and to provide service within the City is nonexclusive. The City expressly reserves the right to grant other franchises to other persons. However, no such additional franchise shall in any way affect the rights or obligations of franchisee.

b. Exclusive Benefit of Franchise Right by Franchisee. The rights granted to franchisee by this franchise ordinance shall be for the sole use of franchisee to provide telecommunications services as authorized herein. These rights are for the exclusive benefit of franchisee, except where otherwise provided herein, or when authorized by the City.

c. Franchisee is Without Remedy Against the City. Franchisee shall have no remedy or recourse whatsoever against the City for any loss, cost, expense, or damage arising from the enactment of the provisions or requirements of this franchise ordinance, or for the failure of the City to have the authority to grant, all, or any part, of the franchise ordinance granted. Second, franchisee expressly acknowledges that it accepted the franchise ordinance granted in reliance upon its independent and personal investigation and understanding of the power and authority of the City to grant the franchise conferred upon franchisee. Third, franchisee acknowledges by its acceptance of this franchise ordinance that it has not been induced to enter into this franchise upon any understanding, or promise, whether given verbally or in writing by or on behalf of the City, or by any other person concerning any term or condition of this franchise ordinance not expressed herein. Finally, franchisee acknowledges by the acceptance of this franchise that it has carefully read the provisions, terms, and conditions of this franchise ordinance and is willing to, and does accept, all of the risk attendant to the provisions, terms, and conditions.
d. **Federal, State and City Jurisdiction.** This franchise ordinance shall be construed in a manner consistent with all applicable federal, state, and local laws. Notwithstanding any other provisions of this franchise ordinance to the contrary, the construction, operation and maintenance of franchise facilities by franchisee or its agent shall be in accordance with all laws and regulations of the United States the state, and any political subdivision thereof, or any administrative agency thereof, having jurisdiction. In addition, franchisee shall meet or exceed the most stringent technical standards set by regulatory bodies, including, but not limited to the City, now or hereafter having jurisdiction. Franchisee’s rights are subject to the police powers of the City to adopt and enforce ordinances necessary to the health, safety, and welfare of the public. Franchisee shall comply with all applicable general laws and ordinances enacted by the City pursuant to that power. Finally, franchisee’s failure to comply with any law or regulation governing the operation of said franchise facilities may result in a forfeiture of the franchise in accordance with the provisions of this franchise ordinance.

c. **Attachment to Poles.** Nothing in this franchise ordinance shall be construed to require or permit any telephone, electric light or power wire attachments by either the City or franchisee on the poles of the other. If such attachments are desired by either party, then a separate non-contingent agreement shall be prerequisite to such attachments.

d. **Failure to Enforce.** The failure of either party to enforce and remedy any noncompliance of the terms and conditions of this franchise shall not constitute a waiver of rights nor a waiver of the other party’s obligations as provided herein.

e. **Force Majeure.** Each and every provision hereof shall be subject to acts of God, fires, strikes, riots, floods, war and other disasters beyond franchisee’s or the City’s control.

f. **Severability.** Any section, subsection, sentence, clause, phrase, or portion of this franchise ordinance is for any reason held invalid or unconstitutional by any court or administrative agency of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions hereof.

22. **Repeal of Other Ordinances.** All other ordinances, agreements and resolutions or parts thereof inconsistent or in conflict with the terms hereof shall be canceled, annulled, repealed, and set aside; provided, that this franchise ordinance shall not take effect or become in force until the requirements for adopting a franchise ordinance under Kansas statute have occurred.

23. **Effectiveness.** This franchise ordinance is made under and in conformity with the laws of the State of Kansas. Before the final passage of this ordinance, it shall be read at three (3) regular meetings of the Governing Body. After final passage, this ordinance shall take effect and be in force after the expiration of 60 days from the date of final passage by the governing body and after publication in the official City newspaper for two consecutive weeks following final passage, unless a proper protest is filed, or franchisee fails to provide written acceptance within the 60 day period.

ORDINANCE NO. 1813

AN ORDINANCE GRANTING TO BROOKS FIBER COMMUNICATIONS OF MISSOURI, INC. A TELEPHONE FRANCHISE AND THE RIGHT TO CONSTRUCT, OPERATE AND MAINTAIN TELECOMMUNICATIONS FACILITIES WITHIN THE CORPORATE LIMITS OF THE CITY OF LEAWOOD, KANSAS.

WHEREAS, the City of Leawood, Kansas ("City"), a municipal corporation, duly organized and existing under the laws of the State of Kansas, has the right under statute to grant a franchise to construct, operate and maintain telecommunications facilities in said City;

WHEREAS, Brooks Fiber Communications of Missouri, Inc., desires to operate telecommunication facilities for the purposes of providing local telephone services in the City and its surrounding communities, and therefore has applied to the City for a franchise in order to operate its facilities;

WHEREAS, any such permission requires a franchise to be granted by the City in accordance to K.S.A. 12-2001 et. al;

WHEREAS, the City intends to execute a Right-of-Way ordinance to govern the use of the City's right-of-way and utility easements which will apply to all franchisees and other service providers;

WHEREAS, the terms and provisions of this franchise ordinance will be in addition to the requirements set forth in the City's Right-of-Way ordinance;

WHEREAS, pursuant to K.S.A. 12-2001, the Governing Body of the City did order publication of a notice of a hearing to be held on July 19, 1999 to afford the public in the franchise area, as well as the public-at-large, an opportunity to comment on the proposed franchise ordinance, a copy of which was on file in the office of the City Clerk; and

WHEREAS, said notice of hearing was published in the Legal Record on July 6, 1999;

NOW, THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

1. Definitions. For the purpose of this franchise ordinance, the following words and phrases and their derivations shall have the following meaning:
   "Cable" includes both the coaxial cable used to transmit signals of high frequency, and fiber optic cable that consists of a bundle of thin insulated glass strands used to transmit data, voice, video and other communications, and any other assembly of materials so classified generically as cable.
   "Cable service" means the one-way transmission to subscribers of video programming or other programming service, and subscriber interaction, if any, which is required for selection and use of video programming or other programming service, as defined by 47 U.S.C. §522(6), any successor statute of similar import.
   "City" means the City of Leawood, Kansas, a municipal corporation, and if applicable, the territorial boundaries of the City of Leawood as now constituted or as shall hereafter exist.
   "Facilities" means lines, pipes, wires, cables, conduits, ducts, culverts, hoses, irrigation systems, manholes, poles, towers, vaults, pedestals, boxes, appliances, antennas, repeaters, micro cells, Pico cells, amplifiers, transmitters, gates, meters, appurtenances, or other equipment used by the franchisee for the purposes of conducting franchise operations and providing service to subscribers.
“Franchise ordinance” means this ordinance passed to grant the telecommunications franchise to franchisee. This ordinance shall operate as an agreement or contract between the City and franchisee and shall be subject to the laws of the State of Kansas.

“Franchisee” means Brooks Fiber Communications of Missouri, Inc., or its successors, transferees, or assigns.

“Franchise fee” means the fee imposed by the City on franchisee solely because of its status as such, in accordance to K.S.A. 12-2001. It shall not include: (1) any tax, fee, or assessment of general applicability including any which are imposed on franchisee; (2) requirements or charges incidental to the awarding or enforcing the franchise ordinance, including payments for bonds, security funds, letters of credit, insurance, indemnification, penalties, or liquidated damages, (3) any permit fee or other fee imposed under any valid right-of-way ordinance, or (4) any other fee imposed by federal, state, or local law.

“Gross revenues” means those revenues less uncollectible, derived from the following: (1) recurring local exchange service for business and residence which includes basic exchange service, touch tone, optional calling features, and measured local calls; (2) recurring local exchange access line services for pay phone lines provided by franchisee to all pay phone service providers; (3) local directory assistance revenue; (4) line status verification/busy interrupt revenue; (5) local operator assistance revenue; (6) nonrecurring local exchange service revenue which shall include customer service for installation of lines, reconnection of service and charge for duplicate bills. All other revenues, including, but not limited to, revenues from extended area service, unbundled network elements, nonregulated services, carrier and end user access, long distance, and all other services not wholly local in nature are excluded from “gross revenues.” Further, “gross revenues” shall be reduced by bad debt expenses and uncollectible and late charges shall not be included within “gross revenues.” If during the term of this franchise ordinance franchisee offers additional services of a wholly local nature which if in existence at the effective date of the franchise ordinance would have been included with the definition of “gross revenues,” such services shall be included from the date of the offering of such services in the City for the remaining term of the franchise ordinance.

“Open video system” means the provision of video programming service as described in and subject to 47 U.S.C. § 573, or any successor statute of similar import.

“Person” means any natural or corporate person, business association or business entity including, but not limited to, a partnership, a sole proprietorship, a political subdivision, a public or private agency of any kind, a utility, a successor or assign of any of the foregoing, or any other legal entity.

“Right-of-way” means the area on, below or above the present and future streets, alleys, avenues, roads, sidewalks, highways, parkways or boulevards dedicated as right-of-way.

“Service” means a commodity used by the public and provided through franchisee’s facilities.

“Subscriber” means any person who receives services from franchisee services.

“Telecommunications” means the transmission, between or among points specified by the user, of information of the user’s choosing, without change in the form or content of the information as sent and received, as defined by 47 U.S.C. §153(43), any successor statute of similar import.

“Telecommunications service” means the offering of telecommunications for a fee directly to the public, or to such classes or users as to be effectively available directly to the public, regardless of the facilities used, as defined by 47 U.S.C. §153(46), any successor statute of similar import.

“Utility Easement” means, for the purposes of this ordinance, an easement dedicated to the City for the purpose of utilities.

2. Grant. Franchisee is hereby granted the right, privilege and franchise to construct, operate, and maintain facilities in, through and along the City’s right-of-way and utility easements for the purposes of supplying local telecommunications services on a nonexclusive basis within the City, subject, however, to the terms and conditions herein set forth within this ordinance. As a condition of this grant, franchisee is required to obtain and is responsible for any necessary permit, license,
certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC, subject to franchisee's right to challenge in good faith such requirements as established by the FCC, KCC or other City ordinance.

This franchise does not provide franchisee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Upon franchisee's request for a franchise to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City, the City agrees to timely negotiate such franchise in good faith with franchisee. Franchisee agrees that this franchise does not permit franchisee to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

3. Use of Public Right-of-Way and Utility Easements. Franchisee's facilities shall be located in the right-of-way and utility easements as now constructed and as further authorized by the City in accordance with all applicable laws, statutes and/or ordinances. Placement, changes, additions, replacements, maintenance and repairs to franchisee's facilities shall be conducted in compliance with any applicable ordinance and/or permit requirement. Franchisee will be responsible for obtaining all necessary permits as required by the City for work performed in the right-of-way and utility easements, as well as paying any associated permit fee. In addition, franchisee shall be subject to all technical specifications, design criteria, policies now or hereafter adopted or promulgated by the City, or any other appropriate governmental entity. In its use of the right-of-way and utility easements within the City, franchisee shall be subject to all applicable rules, regulations, policies, laws, orders, resolutions, and ordinances now or hereafter adopted or promulgated by any appropriate governmental entity now or hereafter having jurisdiction, including, but not limited to the City in the reasonable exercise of its police powers.

At the time of the enactment of this franchise ordinance, the City is currently in the process of completing a Right-of-Way ordinance to govern the use of the City's right-of-way and utility easements. Upon adoption of this ordinance, franchisee will register and abide by the terms and provisions of this ordinance, subject to franchisee's right to challenge the provisions of this ordinance in good faith. Until the adoption of such Right-of-Way ordinance and franchisee's compliance thereof, the following provisions shall apply:

a. Franchisee's use of right-of-way shall in all matters be subordinate to the City's use of the right-of-way. Franchisee shall coordinate the placement of its facilities in a manner that minimizes adverse impact on public improvements, as reasonably determined by the City.

b. All earth, materials, sidewalks, pavings, crossings, utilities, public improvements or improvements of any kind damaged or removed by franchisee in its activities under this franchise shall be fully repaired or replaced promptly by franchisee at its sole expense and to the reasonable satisfaction of the City.

c. All facilities constructed, reconstructed or relocated in the right-of-way shall be placed underground, unless otherwise agreed to by the City. Any vaults, boxes, pedestals and similar facilities placed above ground in right-of-way shall be located behind the sidewalk where feasible. Ordinary repairs to current above ground facilities shall be allowed, unless the repair is to the extent as to qualify as a reconstruction of the facilities.
d. Franchisee shall keep and maintain accurate records and as-built drawings depicting accurate horizontal and vertical location of all facilities constructed, reconstructed, or relocated in the right-of-way. Within ten (10) days after request by the City, Franchisee will provide to the City such information regarding such location as may be reasonably requested. When available to franchisee, Franchisee shall provide to the City a complete set of plans with accurate and complete information in AutoCAD format compatible with the City's Geographic Information System (GIS) showing and describing the exact locations, both horizontal and vertical, of all facilities constructed and existing within the right-of-way and within private easements; such mapping and identification shall be at the sole expense of franchisee. Franchisee shall have a person familiar with the facilities who is responsible for timely satisfying information needs of the City and other users of the right-of-way.

e. Prior to construction, reconstruction or relocation of any facilities in the right-of-way, franchisee shall submit to the Public Works Director for approval and permit, plans and specifications of the proposed installation. Such approval and permit shall not be unreasonably withheld, delayed or conditioned.

f. Franchisee shall relocate or adjust any facilities in the right-of-way for any public funded improvement or public funded project. Such relocation or adjustment shall be performed by franchisee at its sole expense without expense to the City, its employees agents, or authorized contractors and shall be specifically subject to rules and regulations of the City. Such relocation or adjustment shall be completed as soon as reasonably possible and within the time set forth in any request by the City for such relocation or adjustment. Any damages suffered by the City or its contractors as a result of franchisee's failure to timely relocate or adjust its facilities shall be borne by franchisee.

g. It shall be the sole responsibility of franchisee to take reasonable measures to protect and defend its facilities in the right-of-way from harm or damage. If franchisee fails to accurately or timely relocate facilities when requested, it shall have no claim for costs or damages against the City and its authorized contractors or any other party authorized to be in the right-of-way unless such party is solely responsible for the harm or damage by its negligent or intentional conduct. Franchisee shall be responsible to the City and its authorized contractors for all damages including, but not limited to, delay damages, repair costs, down time, construction delays, penalties or other expenses of any kind arising out of the failure of franchisee to perform its obligations under this franchise ordinance unless the damaged party is solely responsible for the harm or damage by its negligence or intentionally caused harm.

h. Franchisee shall notify the City not less than three (3) working days in advance of any construction, reconstruction, repair or relocation of facilities which would require any street closure which reduces traffic flow to less than two (2) lanes of moving traffic. Except in the event of any emergency, as reasonably determined by franchisee, no such closure shall take place without such notice and prior authorization from the City. The City shall follow its policies in the grant or denial of such authority, which shall not be unreasonably delayed. In addition, all work performed in the traveled way or in which in any manner impacts vehicular or pedestrian traffic shall be properly signed, barricaded, and otherwise protected at franchisee's expense. Such signing shall be in conformance with the latest edition of the Federal Highway Administration's Standards and Guidelines for Work Zone Traffic Control, unless otherwise agreed to by the City.
i. All technical standards governing construction, reconstruction, installation, operation, testing, use, maintenance, and dismantling of the facilities in the right-of-way shall be in accordance with applicable present and future federal, state and city laws and regulations, including but not limited to, the most recent editions of the National Electric Code, the National Electrical Safety Code, and Fiber Optic Cable Installation Standard for the Telecommunications Industry Committee, or such substantive equivalents as may hereafter be adopted or promulgated. It is understood that the standards established in this paragraph are minimum standards and the requirements established or referenced in this franchise ordinance may be in addition to, or stricter than, such minimum standards.

j. Franchisee, upon request of any appropriate applicant, shall remove or raise or lower its overhead facilities temporarily to permit the moving of houses or other structures. The expense of such temporary removal, raising or lowering of overhead facilities shall be paid by the party or parties requesting the same, and franchisee may require such payment in advance. Franchisee shall be given not less than fifteen (15) days written notice from the applicant detailing the time and location of the moving operations, and not less than twenty-four (24) hours advance notice from the applicant advising of the actual operation. The City shall not be liable for any such expense or notice requirement for the moving of houses or structures by the City or its contractors.

k. Permission is hereby granted to franchisee to trim trees upon and overhanging the right-of-way and utility easements upon the Public Works Director's review and approval of franchisee's plan and details for the trimming. Care shall be taken to protect the health and aesthetic value of such trees, and when required by the Public Works Director, such trimming shall be done under the supervision of the City. No trimming shall occur without at least twenty-four (24) hours notice to both the Public Works Director and any adjacent property owner.

4. Franchise Fee. Franchisee shall pay the greater of $12,000 or an annual sum of $2.50 per lineal foot for all fiber in the right-of-way and in City owned parks and golf courses. This payment shall be due on the effective date of the ordinance and annually thereafter. In the event franchisee provides local service to customers within the City, franchisee shall notify the City Clerk. At such time, the franchise fee shall be the greater of the above prescribed amount, or five (5%) percent of its gross revenues as defined herein. Payment on the basis of gross revenues shall be made on a monthly basis without invoice or reminder from the City, and paid within forty-five (45) days after the last day of the applicable month.

All payments herein provided shall be in addition to, not in lieu of, all other taxes, charges, assessments, fees and impositions of general applicability that are or may be imposed by the City, with the exception of any annual occupation license. Franchisee shall pay interest at an annual rate of ten (10%) percent for each month or fraction thereof on any late payment of the charge provided for in this franchise ordinance.

5. City's Right to Audit and Access to Records. If franchisee is providing service within the City, franchisee shall annually file with the City a Leawood gross receipts report regarding all applicable monthly revenues and all relevant codes. Franchisee and the City agree that such information is confidential and proprietary and agree that such information shall remain the sole property of franchisee and agree that pursuant to K.S.A. 45-221 (18), as amended, such information does not constitute public records subject to K.S.A. 45-218, as amended. In the event the City is required by
law to disclose such information, the City shall provide franchisee seven (7) days advance notice of its intent to disclose such information and shall take such action as may be reasonably required to cooperate with the franchisee to safeguard such information. The City shall also have access to and the right to examine, at all reasonable times, all books, receipts, files, records and documents of the franchisee necessary to verify the correctness of such statement and to correct the same, if found to be erroneous. If such statement of gross revenues is incorrect, then such payment shall be made upon such corrected statement, including interest on said amount at the annual rate of ten (10%) percent.

Regardless of whether franchisee is providing service within the City, the City’s acceptance of any payment determined as hereinbefore provided to be deficient shall not be construed as a release of liability from the City or an accord or satisfaction of any claim that the City may have for additional sums owed by franchisee. In addition to access to the records of franchisee for audits, upon request, franchisee shall provide reasonable access to records necessary to verify compliance with the terms of this franchise ordinance.

6. **Term.** This franchise ordinance shall be effective for a term of one (1) year from the effective date. Thereafter, this franchise ordinance will renew for ten (10) renewable one (1) year terms, unless either party notifies the other party of its intent to terminate the franchise prior to one hundred and eighty (180) days before the termination of the then current term.

7. **Renegotiation of Franchise.** If the City has a good faith belief that franchisee is offering local telecommunications services within the City beyond those telecommunications services contemplated by this ordinance, the City may seek renegotiation of this franchise if the City reasonably believes that such services constitute local telecommunications services subject to a franchise fee under K.S.A. 12-2001. In the event the City seeks renegotiation under such circumstances, franchisee agrees to negotiate with the City in good faith in a timely manner. Nothing herein shall preclude the City from seeking a separate franchise agreement with franchisee if the City has a good faith belief that franchisee is offering services other than telecommunications services that are subject to a franchise fee under K.S.A. 12-2001. The purpose of this provision is to allow the City to ensure that franchisee is paying a franchise fee for all services for which a franchise fee is appropriate.

8. **Description of Service.** Franchisee shall on a semi-annual basis provide the City with a description of new local telecommunications services offered within the City during the prior six-month period. In the event franchisee offers new services (other than telecommunications services, extended area service, unbundled network elements, nonregulated services, carrier and end user access and long distance), franchisee shall notify the City of such services on a semi-annual basis.

9. **Franchisee Information.** Franchisee shall, at its own expense, annually submit to the City the following information:

   a. A report of the franchisee’s gross revenues as referenced by section 5 herein (only if franchisee is providing service within the City);

   b. A summary of the previous year’s development of franchise facilities, including but not limited to, the location of facilities during the year, and franchisee’s plan of development of facilities for the next year – Note: in lieu of this requirement, franchisee’s right-of-way director may meet in person with the City’s public works director to discuss these issues; and
c. Information as to the number of subscribers in the City of Leawood (only if franchisee is providing service within the City). Note: this requirement does not include giving the identification of the subscribers.

10. **Subscriber Rates.** Franchisee’s charges to subscribers will comply with all applicable federal and state regulations. Upon request, franchisee shall file with the City Clerk a schedule of current rates in effect when such rates are not on file and publicly available from the KCC. When provided so by state or federal law, the City may at any time fix a reasonable schedule of maximum rates to be charged to the City and its residents.

11. **Use of Facilities by Other Service Providers.** On a semi-annual basis, franchisee shall notify the City of the identity of local service providers that have been granted a certificate of convenience to offer local telecommunications services within the State of Kansas. Franchisee shall also provide the City on a semi-annual basis of the identity of entities with which franchisee has entered into an interconnection and/or resale agreement within the State of Kansas.

12. **Transfer of Franchise.** Pursuant to the written permission of the City, which shall not be unreasonably withheld, franchisee shall have the right to assign this franchise, and the rights and privileges herein granted, to any person, firm or corporation, and any such assignee, by accepting such assignment, shall be bound by the terms and provisions hereof. City approval may be denied only upon a good faith finding by the City that the assignee lacks the legal, technical or financial qualifications to perform its obligations in accordance with this franchise ordinance or any other appropriate governmental requirement. If franchisee should seek approval to assign this franchise, franchisee shall notify the City in writing. All such assignments shall be in writing and authenticated copies thereof shall be filed with the city clerk. This franchise shall be assignable only in accordance with the laws of the State of Kansas, as the same may exist at the time when any assignment is made. Any attempts to transfer, assign or otherwise dispose of the rights granted herein by the City or franchisee’s facilities not conforming with the requirements of this section shall be null and void.

13. **Other Service Providers.** Franchisee shall not interfere with any agreement between the City and another service provider. Additionally, if and when the City requires or negotiates to have another service provider cease to use its existing poles and to relocate its facilities underground, all other service providers using the same poles, including franchisee when applicable, shall also relocate their facilities underground at that time; provided, however, that such placement is economically reasonable. The City shall not unreasonably enter into such an agreement with another service provider, and notice of any intent to enter into such an agreement shall be timely provided to franchisee.

14. **Notification Procedure.** Any required or permitted notice under this franchise ordinance shall be in writing. Notice upon the City shall be delivered to the city clerk by first class United States mail or by personal delivery. Notice upon franchisee shall be delivered by first class United States mail or by personal delivery to:

- MCI-WorldCom
  Manager, Municipal Affairs ROWS
  2270 Lakeside Blvd., Apt. 1103/642
  Richmond, TX 75082
15. **Indemnification.** Upon notice by the City, franchisee shall fully indemnify, defend and hold harmless the City, its officers, employees, agents and authorized contractors from and against any and all claims, demands, suits, proceedings, and actions, liability and judgment by other persons for damages, losses, costs, and expenses, including attorney fees or otherwise, to the extent caused by franchisee's actions and operations of its telecommunications service in accordance to this ordinance. The City agrees to immediately notify franchisee of any such claim, demand, suit, proceeding, and/or action, by providing written notice via certified mail to franchisee. Nothing herein shall be deemed to prevent the City, or any agent from participating in the defense of any litigation by their own counsel at their own expense. Such participation shall not under any circumstances relieve franchisee from its duty to defend against liability or its duty to pay any judgment entered against the City, or its agents.

16. **Liability Insurance Requirement.** Franchisee shall file with the City evidence of liability insurance with an insurance company licensed to do business in Kansas in an amount not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by the service provider, or alleged to so have been caused or occurred. If franchisee is self-insured, it shall provide the City proof of compliance regarding its ability to self-insure and proof of its ability to provide coverage in the above amounts.

17. **Performance and Maintenance Bond Requirement.** Franchisee shall at all times maintain in full force and effect a corporate surety bond in a form approved by the City Attorney, in an amount of $50,000, for a term consistent with the term of this franchise ordinance plus one additional year, conditioned upon franchisee's faithful performance of the provisions, terms and conditions conferred herein. An annual bond automatically renewed yearly during this period shall satisfy this requirement.

18. **Reservation of Rights.** In addition to any rights specifically reserved to the City by this franchise ordinance, the City reserves to itself every right and power available to it under the constitutions of the United States and the State of Kansas, and any other right or power, including, but not limited to all police powers and authority to regulate and legislate to protect and promote the public health, safety, welfare, and morals. Nothing in this franchise ordinance shall limit or govern the right of the City to exercise its municipal authority to the fullest extent allowed by law. The City shall have the right to waive any provision of the franchise, except those required by federal or state law, if the City determines: (a) that it is in the public interest to do so, and (b) that the enforcement of such provision will impose an undue hardship on franchisee or its subscribers. To be effective, such waiver shall be evidenced by a statement in writing signed by a duly authorized representative of the City. The waiver of any provision in any one instance shall not be deemed a waiver of such provision subsequent to such instance nor be deemed a waiver of any other provision of this franchise ordinance unless the statement so recites. Further, the City hereby reserves to itself the right to intervene in any suit, action or proceeding involving the provisions herein.

19. **Forfeiture of Franchise.** In case of the failure of franchisee to comply with any of the provisions of this franchise ordinance, or if franchisee should do or cause to be done any act or thing prohibited by or in violation of the terms of this franchise ordinance, franchisee shall forfeit all rights and privileges granted by this franchise and all rights hereunder shall cease, terminate and become null and void, provided that said forfeiture shall not take effect until the City shall carry out the following proceedings:
For violations concerning the use of the right-of-way and/or utility easements as described in section 3 of this franchise ordinance and deemed by the public works director to be a public nuisance and/or emergency, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have fourteen (14) days subsequent to receipt of such notice to inform the City in writing of the action franchisee shall take to correct the violation. Such corrective action shall be completed within thirty (30) days subsequent to receipt of notice unless otherwise agreed to by the City. If at the end of such period the City deems that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. If franchisee fails to take corrective action within the 30-period set forth above, nothing herein shall preclude the City from maintaining an action against franchisee to recover damages as a result of such failure to take corrective action, including, but not limited to, reasonable costs of corrective action incurred by the City.

For all other violations of the franchise ordinance, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have ninety (90) days after the mailing of such notice in which to comply with the conditions of this franchise. If at the end of such period the City deems that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated.

If within thirty (30) days after the effective date of an ordinance to terminate the franchise, in accordance with 19(a) or 19(b) herein, the franchisee shall not have instituted an action in the District Court of Johnson County, Kansas to determine whether or not the franchisee has violated the terms of this franchise and that the franchise is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty-day period. If within such thirty (30) day period the franchisee does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the court finds that the franchise is subject to cancellation by reason of the violation of its terms, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

In addition to any other remedy available herein or and at law or equity, either party shall have the authority to maintain civil suits or actions in any court of competent jurisdiction for the purpose of enforcing the provisions of this franchise ordinance and/or to abate nuisances maintained in violation thereof.

20. Revocation of Franchise. In addition to all other revocation rights and powers herein or otherwise enjoyed by the City, the City shall have the additional and separate right to revoke this franchise and all rights and privileges of the franchisee as a result of and in response to any of the following events or reasons:

a. Any provision of this franchise ordinance is adjudged by a Court of Competent Jurisdiction to be invalid or unenforceable and said judicial act and declaration is deemed by the Governing Body to constitute such a material consideration for the granting of this franchise
ordinance as to cause the same to become null and void; or

b. Franchisee commits an act of fraud or deceit against the City in obtaining the grant of this franchise herein conferred, or upon being granted franchisee commits such an act against the City.

To revoke this franchise in accordance with the provisions of this section regarding Revocation of Franchise, the following procedure shall apply. The City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. Prior to the enactment of such ordinance, franchisee shall be provided with timely written notice by certified mail, and franchisee shall be allowed to address the Governing Body before final consideration of such ordinance. If within thirty (30) days after the effective date of such ordinance to terminate the franchise the franchisee shall not have instituted an action in the District Court of Johnson County, Kansas to determine whether or not the franchise was appropriately terminated in accordance to the provisions of this section and is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty-day period. If within such thirty (30) day period the franchisee does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the court finds that the franchise is subject to cancellation by the reason addressed by this section, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

a. Nonexclusive Clause. The privilege to construct, erect, operate and maintain franchisee's facilities and to provide service within the City is nonexclusive. The City expressly reserves the right to grant other franchises to other persons. However, no such additional franchise shall in any way affect the rights or obligations of franchisee.

b. Exclusive Benefit of Franchise Right by Franchisee. The rights granted to franchisee by this franchise ordinance shall be for the sole use of franchisee to provide telecommunications services as authorized herein. These rights are for the exclusive benefit of franchisee, except where otherwise provided herein, or when authorized by the City.

c. Franchisee is Without Remedy Against the City. Franchisee shall have no remedy or recourse whatsoever against the City for any loss, cost, expense, or damage arising from the enactment of the provisions or requirements of this franchise ordinance, or for the failure of the City to have the authority to grant, all, or any part, of the franchise ordinance granted. Second, franchisee expressly acknowledges that it accepted the franchise ordinance granted in reliance upon its independent and personal investigation and understanding of the power and authority of the City to grant the franchise conferred upon franchisee. Third, franchisee acknowledges by its acceptance of this franchise ordinance that it has not been induced to enter into this franchise upon any understanding, or promise, whether given verbally or in writing by or on behalf of the City, or by any other person concerning any term or condition of this franchise ordinance not expressed herein. Finally, franchisee acknowledges by the acceptance of this franchise that it has carefully read the provisions, terms, and conditions of this franchise ordinance and is willing to, and does accept, all of the risk attendant to the provisions, terms, and conditions.
d. **Federal, State and City Jurisdiction.** This franchise ordinance shall be construed in a manner consistent with all applicable federal, state, and local laws. Notwithstanding any other provisions of this franchise ordinance to the contrary, the construction, operation and maintenance of franchise facilities by franchisee or its agent shall be in accordance with all laws and regulations of the United States, the state, and any political subdivision thereof, or any administrative agency thereof, having jurisdiction. In addition, franchisee shall meet or exceed the most stringent technical standards set by regulatory bodies, including, but not limited to the City, now or hereafter having jurisdiction. Franchisee's rights are subject to the police powers of the City to adopt and enforce ordinances necessary to the health, safety, and welfare of the public. Franchisee shall comply with all applicable general laws and ordinances enacted by the City pursuant to that power. Finally, franchisee's failure to comply with any law or regulation governing the operation of said franchise facilities may result in a forfeiture of the franchise in accordance with the provisions of this franchise ordinance.

e. **Attachment to Poles.** Nothing in this franchise ordinance shall be construed to require or permit any telephone, electric light or power wire attachments by either the City or franchisee on the poles of the other. If such attachments are desired by either party, then a separate non-contingent agreement shall be prerequisite to such attachments.

f. **Failure to Enforce.** The failure of either party to enforce and remedy any noncompliance of the terms and conditions of this franchise shall not constitute a waiver of rights nor a waiver of the other party's obligations as provided herein.

g. **Force Majeure.** Each and every provision hereof shall be subject to acts of God, fires, strikes, riots, floods, war and other disasters beyond franchisee's or the City's control.

h. **Severability.** Any section, subsection, sentence, clause, phrase, or portion of this franchise ordinance is for any reason held invalid or unconstitutional by any court or administrative agency of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions hereof.

22. **Repeal of Other Ordinances.** All other ordinances, agreements and resolutions or parts thereof inconsistent or in conflict with the terms hereof shall be canceled, annulled, repealed, and set aside; provided, that this franchise ordinance shall not take effect or become in force until the requirements for adopting a franchise ordinance under Kansas statute have occurred.

23. **Effectiveness.** This franchise ordinance is made under and in conformity with the laws of the State of Kansas. Before the final passage of this ordinance, it shall be read at three (3) regular meetings of the Governing Body. After final passage, this ordinance shall take effect and be in force after the expiration of 60 days from the date of final passage by the governing body and after publication in the official City newspaper for two consecutive weeks following final passage, unless a proper protest is filed, or franchisee fails to provide written acceptance within the 60 day period.

First Reading: June 21, 1999; Second Reading: July 6, 1999; Third Reading: July 19, 1999; Fourth Reading: August 16, 1999.
Passed by the Council the 16th day of August, 1999.

Approved by the Mayor the 16th day of August, 1999.

ORDINANCE NO. 1813

AN ORDINANCE GRANTING TO BROOKS FIBER COMMUNICATIONS OF MISSOURI, INC., A TELEPHONE FRANCHISE AND THE RIGHT TO CONSTRUCT, OPERATE AND MAINTAIN TELECOMMUNICATIONS FACILITIES WITHIN THE CORPORATE LIMITS OF THE CITY OF LEAWOOD, KANSAS

WHEREAS, the City of Leawood, Kansas ("City"), a municipal corporation, duly organized and existing under and by virtue of the laws of the State of Kansas, has the right under statute to grant a franchise to construct, operate and maintain telecommunications facilities in said City;

WHEREAS, Brooks Fiber Communications of Missouri, Inc. desires to provide telecommunications services in the City of Leawood and adjacent communities, and therefore has applied to the City for a franchise in order to operate its facilities;

WHEREAS, any such permission requires a franchise to be granted by the City in accordance with K.S.A. 12-2001 et al.;

WHEREAS, the City intends to execute a Right-of-Way ordinance to govern the use of the City's right-of-way and utility easements which will apply to all franchises and other service providers;

WHEREAS, the terms and provisions of this franchise ordinance will be in addition to the requirements set forth in the City's Right-of-Way ordinance;

WHEREAS, pursuant to K.S.A. 12-2001, the Governing Body of the City did order publication of a notice of a hearing to be held on July 15, 1999 to afford the public in the franchise area, as well as the public-at-large, an opportunity to comment on the proposed franchise ordinance, a copy of which was on file in the office of the City Clerk; and

WHEREAS, said notice of hearing was published in the Legal Record on July 6, 1999;

NOW, THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

1. Definitions. For the purpose of this franchise ordinance, the following words and phrases and their derivatives shall have the following meaning:

"Cable" includes both the coaxial cable used to transmit signals of high frequency, and fiber optic cable that consists of a bundle of thin glass strands used in transmission data, voice, television and other communications, and any other assembly of materials to be classified as cable.

"Cable service" means the one-way transmission to consumers of voice, television, and other programming service, and subscriber interconnection, if any, which is required for the sale of voice, television and other programming services as provided by 47 U.S.C. §522(3), any successor statute, or similar law.

"City" means the City of Leawood, Kansas, a municipal corporation, and if applicable, the territorial boundaries of the City of Leawood as now constituted or as it shall hereafter exist.

"Customer" means lines, wires, cables, conduits, ducts, structures, towers, poles, aerials, equipment, antennas, repeaters, amplifiers, telegraph lines, telephone, cable, conduit, service drops, and any other equipment used by the City or by franchisees for the purposes of conducting franchise operations and providing service to subscribers.

"Franchise ordinance" means this ordinance granting permission to the telecommunications franchise in the City. This ordinance shall operate as an agreement or contract between the City and franchisees and shall be subject to the laws of the State of Kansas.

"Franchisee" means Brooks Fiber Communications of Missouri, Inc., its successors, transferees, and assigns.

"Franchise fee" means the fee imposed by the City on franchisee solely because of its status as such. In accordance with K.S.A. 12-2001, it shall not include: (1) any tax, fee, or assessment of general applicability, including any which are imposed on franchisees; (2) franchise fees or charges incidental to the awarding or enforcing the franchise ordinance, including payments for bonds, security funds, letters of credit, insurance, indemnification, penalties, or liquidated damages; (3) any permit fee or other fee imposed under any valid right-of-way ordinance; or (4) any other fee imposed by federal, state, or local law.

"Gross revenues" means those revenues less uncollectible, derived from the following:

(1) revenues generated from the service for business which includes revenues from touch tone, optional calling features, and measured local calls; and
(2) revenues generated from service for installation of lines, research and service for charge for duplicative bills. All other revenues, including, but not limited to, revenues from extended service area, unbundled network elements, nonregulated services, carrier and end user access, long and all other services not wholly in nature are excluded from "gross revenues."

Furthermore, "gross revenues" shall be reduced by bad debt expenses and uncollectible and late charges shall not be included within "gross revenues."

"Open video system" means the provision of video programming service as described in and subject to 47 U.S.C. § 573, or any successor statute of similar import.

"Person" means any natural or corporate person, business association or business entity including, but not limited to, a partnership, a sole proprietorship, a limited partnership, a limited liability company, a limited liability partnership, an agency of any kind, a utility, a successor or assign of any of the foregoing, or any other legal entity.

"Right-of-Way" means the area on, below or above the present and future streets, alleys, avenues, parks and other open spaces, parking yards, parks, or boulevards designated as right-of-way.

"Service" means a commodity used by the public and provided through franchise facilities.

"Subscriber" means any person who receives services from franchise services.

"Utility Easement" means the transmission, between or across public rights-of-way, for the purposes of supplying local telecommunications services on a nonexclusive basis within the City, subject, however, to the terms and conditions herein set forth within this ordinance. As a condition of this grant, franchisees is required to obtain and is responsible for any necessary permits, licenses, certifications, grant, registration or any other regulatory requirement applicable to the property designated as a utility easement.

2.Grant. Franchisee hereby grants the right, privilege and franchise to construct, operate, and maintain all services, buildings, structures and appurtenances necessary for the purposes of supplying local telecommunications services on a nonexclusive basis within the City, subject, however, to the terms and conditions herein set forth within this ordinance. As a condition of this grant, franchisee is required to obtain and is responsible for any necessary permits, licenses, certifications, grant, registration or any other regulatory requirement applicable to the property designated as a utility easement.

3. Use of Public Right-Of-Way and Utility Easements. Franchisee's facilities shall be located in the right-of-way and utility easements as now constructed and as further authorized by the City in accordance with all applicable laws, statutes and/or ordinances. Placement, changes, additions, replacements, removal, repair and recovery to franchisee's facilities shall be conducted in accordance with any applicable ordinance and/or permit requirement. Franchisee may be responsible for obtaining all necessary permits as required by the City for work performed in the right-of-way and utility easements, as well as paying any associated permit fee. In addition, franchisee shall be subject to all technical specifications, design criteria, policies now or hereafter established by the City, or any other governmental entity. In its use of the right-of-way and utility easements within the City, franchisee shall be subject to all applicable rules, regulations, policies, and ordinances now or hereafter established by the City or any other governmental entity now or hereafter having jurisdiction, including, but not limited to the City's reasonable exercise of its police powers.

At the time of the enactment of this franchise ordinance, the City is currently in the process of completing a Right-of-Way ordinance to govern the use of the City's right-of-way and utility easements. Upon adoption of said ordinance, franchisee will register and abide by the terms and provisions of this ordinance, subject to franchisee's right to challenge the provisions of this ordinance in good faith. Until the adoption of such Right-of-Way ordinance and franchisee's compliance therewith, the following provisions shall apply:

a. Franchisee's use of right-of-way shall in all matters be subordinate to the City's use of the right-of-way. Franchisee shall coordinate the placement of its facilities in a manner that minimizes adverse impact on public improvements, as reasonably determined by the City.

b. All earth, materials, sidewalks, pavements, crossings, utilities, public improvements or improvements of any kind or damaged or removed by franchisee in its activities under this franchise shall be fully repaired or replaced promptly by franchisee at its sole expense and to the reasonable satisfaction of the City.

c. All facilities constructed, reconstructed or relocated in the right-of-way shall be placed underground, unless otherwise agreed to by the City. Any vaults, boxes, pedestals and similar facilities placed above ground in right-of-way shall be placed behind the sidewalk under franchise. Ordinary repairs to current underground facilities shall be allowed, unless the repair is to the extent as to qualify as an enlargement of the facilities.

d. Franchisee shall keep and maintain accurate records and as-built drawings depicting accurate horizontal and vertical location of all facilities constructed, reconstructed, or relocated in the right-of-way. Within (10) days after receipt by the City, franchisee shall provide the City with such information. A map showing and describing the exact locations, both horizontal and vertical, of all facilities constructed and existing within the right-of-way and within private easements such mapping and identification shall be at the sole expense of franchisee. Franchisee shall have a person with familiar with the facilities who is responsible for timely satisfying information needs of the City and other users of the right-of-way.

e. Prior to construction, reconstruction or relocation of any facilities in the right-of-way, franchisee shall submit to the Public Works Director for approval and permits, plans and specifications of the proposed installation. Such approval and permits shall not be unreasonably withheld, delayed or conditioned.

f. Franchisee shall relocate or adjust any facilities in the right-of-way for any public funded improvements or public funded projects. Such relocation or adjustment shall be performed by franchisee at its own expense and without the consent of franchisee. Franchisee shall notify the City in writing of any relocation or adjustment of any kind and return any and all requested materials. Any damage suffered by the City or its contractors as a result of franchisee's failure to timely relocate or adjust its facilities shall be borne by franchise.

It shall be the sole responsibility of franchisee to take reasonable measures to protect and defend its facilities in the right-of-way from harm or damage. If franchisee fails to accomplish timely relocation of facilities when requested, it shall have no claim for costs or damages against the City and its authorized contractors or any other public authority. The damage in the right-of-way unless such party is solely responsible for the harm or damage by its willful, wanton or reckless act.

3. This franchise shall be subject to the terms and conditions of this franchise ordinance and the City's Ordinance No. 1813, as amended. This franchise shall be subject to all applicable rules, regulations, policies, and ordinances now or hereafter established by the City or any other governmental entity now or hereafter having jurisdiction, including, but not limited to the City's reasonable exercise of its police powers.

b. Franchisee shall notify the City not less than three (3) working days in advance of any construction, reconstruction, repair or relocation of facilities which would require the closing of roads and streets, or any other work which may involve a closure, which reduces traffic flow to less than two (2) lanes of moving traffic. Except in an emergency, such notice shall be taken without such notice and prior authorization by the City, the City shall be entitled to take such action as it deems necessary to protect its lawful rights. Franchisee shall be subject to all notice and directions of the City, the City shall follow its policies in the granting or denial of such authority, which shall not be unreasonably delayed.

4. Any property damaged in the traveled way or in which in any manner impacts vehicular or pedestrian traffic shall be properly signed, barricaded, and otherwise protected at franchisee's expense. Such signing shall be in accordance with the latest edition of the Federal Highway Administration's Standards and Guidelines for Work Zone Traffic Control, unless otherwise agreed to by the City.
ORDINANCE NO. 1813
CONTINUED FROM PRECEDING PAGE

1. All technical standards governing construction, reconstruction, installation, operation, testing, use, maintenance, and discontinuing of the facilities in the right-of-way shall be in accordance with applicable present and future state, and local laws and regulations including but not limited to, the most recent editions of the National Electric Code, the National Electrical Safety Code, and Fiber Optic Cable Installation Standards for the Telecommunications Industry. Compliance with applicable regulatory agencies shall be adopted or promulgated. It is understood that the standards established in this paragraph are minimum standards and the requirements established or referenced in this franchise ordinance may be in addition to, or greater than, such minimum standards.

2. Franchisee, upon request of any appropriate applicant, shall remove or raise to lower its facilities temporarily and safely, at the request of the applicant, at no cost to the applicant to the extent not prohibited by law. The expense of such temporary removal, raising or lowering of overhead facilities shall be paid by the party or parties requesting the same, and franchisee may require such payment in advance. Franchisee shall be given not less than fifteen (15) days written notice by the applicant detailing the time and location of the moving operations, and not less than twenty-four (24) hours advance notice of the applicant advising of the actual operation. The City shall not be liable for any such expense or notice requirement for the moving of buildings or structures by the City or its contractors.

3. Permission is hereby granted to franchisee to plant trees upon and overhanging the right-of-way, and utility easements upon the Public Works Director's review and approval of franchisee's plan and details for the trimming. Care shall be taken to protect the health and aesthetic value of such trees, and when required by the Public Works Director, such trimming shall be done under the supervision of the City. The trimming shall occur within at least twenty-four (24) hours notice to both the Public Works Director and any adjacent property owner.

4. Franchise Fee. Franchisee shall pay the greater of $12,000 or an annual sum of $2.50 per linear foot for all fiber in the right-of-way and in City-owned parks and golf courses. This payment shall be made within thirty (30) days from the date of the issuance of the franchise. Franchisee shall provide local service to customers within the City, franchisee shall notify the City Clerk. At such time, the franchise fee shall be the greater of the above described amount, or five (5%) percent of its gross revenues as defined herein. Payments on the basis of gross revenues shall be made monthly, within ten (10) days following the end of the last day of the applicable month.

5. City's Right to Audit and Access to Records. If franchisee is providing service within the City, franchisee shall annually file with the City a Leawood gross receipts report regarding all applicable monthly revenues and all relevant codes. Franchisee and the City agree that such information is confidential and privileged and agree that such information shall remain the sole property of franchisee and agree that pursuant to K.S.A. 45-221 (8), as amended, such information does not constitute public record subject to K.S.A. 45-221 (8), as amended. In event the City is required by law to disclose such information, the City shall provide franchisee with five (5) days advance notice of its intent to disclose such information and shall take such action as may be reasonably required to cooperate with the franchisee to safeguard such information. The City shall also have access to and the right to examine, at reasonable times, all books, records, files, receipts, and documents of the franchisee necessary to verify the accuracy of such statements and to correct the same, if found to be erroneous. If such statement of gross revenues is incorrect, then such payment shall be made upon such corrected statement, including interest on said amount at the annual rate of ten (10%) percent per month or fraction thereof on any late payment of the charge provided for in this franchise ordinance.

6. Terms. This franchise ordinance shall be effective for a term of one (1) year from the effective date. Thereafter, this franchise ordinance shall renew for ten (10) renewable one (1) year terms, unless either party notifies the other party of its intent to terminate the franchise prior to one hundred and eighty (180) days before the termination of the then current term.

7. Renegotiation of Franchise. If the City has a good faith belief that franchisee is charging local telecommunications services within the City beyond the telecommunications services contemplated by the ordinance, the City may seek renegotiation of this franchise. The City reasonably believes that such services constitute local telecommunications services subject to a franchise fee under K.S.A. 17-2001. In the event the City seeks renegotiation under such circumstances, franchisee agrees to good faith negotiations with the City in good faith. Nothing herein shall preclude the City from seeking a separate franchise agreement with franchisee if the City has a good faith belief that franchisee is offering other telecommunications services other than telecommunications services as defined herein, and the franchise fee shall be based on the greater of (i) the revenue from such telecommunications services (including service charges) as defined herein, or (ii) a franchise fee under K.S.A. 17-2001. The City may seek renegotiation of this franchise at any time during the franchise term or if any franchisee changes its status or fails to pay franchise fees or provides services under a franchise fee.

8. Description of Service. Franchisee shall offer on a semi-annual basis the City a description of new local telecommunications services offered within the City during the prior six-month period. In the event franchisee offers new services (other than telecommunications services, unbundled network elements, or unbundled service elements, or any services end-user access and long distance), franchisee shall notify the City of such services on a semi-annual basis.

9. Franchise Information. Franchisee shall, at its own expense, annually submit to the City the following information:

   a. A report of the franchises gross revenues as referenced by section 5 herein (only if franchisee is providing service within the City);

   b. A summary of the previous year's development of franchise facilities, including but not limited to, the location of facilities during the year, and franchisee's plan of development of facilities for the next year. Note: in lieu of this requirement, franchisee's right-of-way Licenses may meet in person with the City's Public Works director to discuss these matters; and

10. Information as to the number of subscribers in the City of Leawood (only if franchisee is providing service within the City). Note: this requirement does not include the identification of the subscribers.

11. Subscribers Rates. Franchisee's charges to subscribers shall comply with all applicable federal and state regulations. Upon request, franchisee shall file with the City Clerk a schedule of quarterly rates in effect at the time the report is made and made available from the KCC. When provided to the City by state or federal law, the City may at any time fix a reasonable schedule of maximum rates to be charged to the City and its residents.

12. Use of Facilities by Other Service Providers. On a semi-annual basis, franchisee shall notify the City of the identity of local service providers that have been granted a certificate of convenience to offer local telecommunications services within the State of Kansas. Franchisee shall also provide the City with a complete list of the names and addresses of the service providers that have entered into an arrangement and/or retail agreement with the State of Kansas.

13. Transfer of Franchise. Pursuant to the written permission of the City, which shall not be unreasonably withheld, franchisee shall have the right to assign this franchise, and the rights and privileges herein granted, to any person, firm, or corporation, and any such assignee, by accepting such assignment, shall be bound by the terms and provisions herein. Franchisee's approval may be denied only upon a good faith finding by the City that the assignee lacks the legal, technical, or financial qualifications to perform all obligations in accordance with this franchise ordinance or any other applicable provisions of law. If franchisee shall assign or transfer its franchise, franchisee shall notify the City in writing. All such assignments shall be in writing and authenticated copies thereof shall be filed with the City Clerk. This franchise shall be assignable only as a whole and shall not be assignable in part. No such assignment is made. Any attempt to transfer, sell, or assign this franchise, No rights of the granted rights herein by the City or franchisee's facilities not conforming with the requirements of this section shall be null and void.

14. Other Service Providers. Franchisee shall not interfere with any agreement between the City and another service provider. Additionally, if and when the City requires or negotiates to have another service provider on the City's pole, franchisee shall have no right to require that the new service provider uses the same poles, including franchisee when applicable, shall also release its facilities in accordance with such agreements. Any such agreement with another service provider, and notice of any intent to enter into such an agreement shall be timely provided to franchisee.

15. Notification Procedure. Any required or permitted notice under this franchise ordinance shall be in writing. Notice upon the franchisee shall be delivered to the city clerk in first class United States mail or personal delivery. Notice upon the franchisee shall be delivered by first class United States mail or personal delivery to:

   MCI-WorldCom
   Manager, Municipal Affairs ROWS
   2270 Lakeside Blvd., Apt. 103
   Richmond, TX 77402

16. Indemnification. Upon notice from the City, franchisee shall indemnify, defend and hold harmless the City, its officers, employees, agents and authorized contractors from and against any and all claims, demands, suits, proceedings, and actions, liability and judgment by others and for personal injury, death, property damage, costs, losses, and expenses, including attorney fees or otherwise, to the extent caused by franchisee's access and operations of its telecommunications service in accordance with this ordinance. The City agrees to immediately notify franchisee of any such claim, demand, suit, proceeding, and/or action, by providing written notice via certified mail to franchisee. Nothing herein shall be deemed to prevent the City, or any agent from participating in the defense of any litigation by their own counsel at their own expense. Such participation shall not null or void any sanction from franchisee for any other reason. The City agrees to protect the City, and its agents in any such proceeding.

17. Liability Insurance Requirements. Franchisee shall file with the City evidence of liability insurance with an insurance company licensed to do business in Kansas in an amount not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to cover all claims arising out of franchisee's acts or omissions that cause personal injury or death, bodily injury, property damage, or any other direct or indirect damages, losses, costs, and expenses, including attorney fees or otherwise, to the extent caused by franchisee's access and operations of its telecommunications service in accordance with this ordinance. The City agrees to immediately notify franchisee of any such claim, demand, suit, proceeding, and/or action, by providing written notice via certified mail to franchisee. Nothing herein shall be deemed to prevent the City, or any agent from participating in the defense of any litigation by their own counsel at their own expense. Such participation shall not null or void any sanction from franchisee for any other reason. The City agrees to protect the City, and its agents in any such proceeding.

18. Performance and Maintenance Bond Requirement. Franchisee shall at all times maintain in full force and effect a corporate surety bond in a form approved by the City Attorney, in an amount of $50,000, for a term consistent with the term of this franchise ordinance plus one additional year, conditioned upon franchisee's faithful performance of the provisions, terms and conditions herein contained. An annual bond automatically renewed yearly during this period shall satisfy the requirement.

19. Termination of Rights. In addition to any rights specifically reserved to the City by this franchise ordinance, the City reserves in itself every right and power available to it under the constitutions of the United States and the State of Kansas, and any other right or power, including, but not limited to, all police powers, to prevent and procure the public health, safety, welfare, and morals. Nothing in this franchise ordinance shall limit or govern the rights of the City to exercise its municipal authority to the fullest extent allowed by law. The City shall have the right to waive any provision of this franchise ordinance, except those required by federal or state law, or rule. The City determines: (a) that it is in the public interest to do so, and (b) that the enforcement of such provision will impose an undue hardship on franchisee or its subscribers. To be effective, such waiver must be in writing and signed by a duly authorized representative of the City. The waiver of any provision in any instance shall not be deemed a waiver of such provision subsequent to such instance nor be deemed a waiver of any other provision of this franchise ordinance. The City reserves the right to interpret to itself, any suit, action or proceeding involving the provisions herein.
ORDINANCE NO. 1813
CONTINUED FROM PRECEDING PAGE

1. For violations concerning the use of the right-of-way and/or utility services as described in 1.3 of this franchisor ordinance and deemed by the public works department to be a public nuisance and/or emergency, the following procedure shall apply. The City shall provide written notice by certified mail to the franchisor of any violation, request that the violation be corrected, and, if not corrected within thirty (30) days after receipt of notice, the City shall have the right to recoup the costs of corrective action incurred by the City.

b. For all other violations of the franchisor ordinance, the following procedure shall apply. The City shall provide written notice by certified mail to the franchisor of any violation, specifying in detail the conditions of neglect, default, or refusal. If the franchisor shall not have corrected or cured all violations and/or defaults set forth in said notice within thirty (30) days after mailing of the notice to which compliance is required, the City shall have the right to recoup the costs of corrective action incurred by the City.

e. Attachment to Gas. Nothing in this franchise ordinance shall be construed to require or permit any telephone, electric light or power wire attachments by either City or any such franchisee upon the poles of the other. If such attachments are desired by either party, then a separate non-competition agreement shall be entered into prior to any such attachment.

f. Failure to Comply. The failure of either party to enforce remedial action or any non-compliance with the terms and conditions of this franchise ordinance shall not constitute a waiver of rights or a release of either party's obligations as provided herein.

22. Revocation of Franchise. In addition to all other revocation rights and powers herein or otherwise enjoyed by the City, the City shall have the additional and separate right to revoke this franchise and all rights and privileges of the franchisee as a result of and in response to any of the following events or reasons:

a. Any violation of this franchise ordinance is adjudged by a Court of Competent Jurisdiction to be illegal, unreasonable, or unlawful.

b. Franchisee commits an act of fraud or deceit against the City in obtaining the grant of this franchise herein conferred, or on being granted franchisee commits such an act against the City.

c. To revoke this franchise in accordance with the provisions of this section regarding Revocation of Franchise, the following procedure shall apply. The City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. Prior to the enactment of such ordinance, the franchisor shall be provided with a copy of the ordinance by certified mail, and the franchisor shall have the right to request such action to be dismissed or modified by the City. If within thirty (30) days after the effective date of such ordinance, the franchisor shall not have submitted an appeal to the District Court of Johnson County, Kansas, against the decision of the City, the franchise shall be canceled and terminated.

d. Any final judgment rendered in any appeal proceedings that shall be held after a final judgment of the City shall be final and binding upon all parties, and such judgment shall be conclusive as to the matters involved.

a. Exclusive Benefit of Franchise Rights. The rights granted by this franchise ordinance shall be for the sole use of the franchisee to provide telecommunications services as authorized herein. These rights are for the exclusive benefit of the franchisee, except where otherwise provided herein, and shall not be transferred, assigned, or conveyed to any other person.

b. Franchisee in Default. If the franchisee is in default, the City shall have the right to take such action as is necessary to terminate this franchise ordinance. In the event of default, the City may authorize the City Manager to enter upon the premises and to take possession of all equipment and facilities of the franchisee, and to remove all equipment and facilities from the City's right-of-way.

c. Federal and State Law. This franchise ordinance is subject to all applicable federal, state, and local laws.

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 166 (LEE BOULEVARD - 103RD STREET TO MISSION ROAD), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT AND REIMPROVEMENT OF LEE BOULEVARD BETWEEN 103RD STREET AND MISSION ROAD IN THE CITY, INCLUDING GRADING, REGRADING, CURBING, RECURBING, GUTTERING, REGUTTERING, PAVING, REPAVING, MACADAMIZING, REMACADAMIZING, CONSTRUCTING, RECONSTRUCTING, OPENING, WIDENING, EXTENDING, ROUNding CORNERS, STRAIGHTENING, RELOCATING, CONSTRUCTION OR RECONSTRUCTION OF ANY NECESSARY BRIDGES AND APPROACHES THERETO, VIADUCTS, OVERPASSES, UNDERPASSES, CULVERTS, STORM DRAINAGE, TRAFFICWAY ILLUMINATION, TRAFFIC CONTROL DEVICES, PEDESTRIAN WAYS, BICYCLE WAYS OR OTHER IMPROVEMENTS AND OTHER INCIDENTAL CONSTRUCTION COSTS.

WHEREAS, pursuant to K.S.A. 12-685, et seq., as amended, and Ordinance No. 1807, the Governing Body of the City of Leawood, Kansas (the “City”) has heretofore authorized the following described improvement project within the City, to wit:

improvement and reimprovement of Lee Boulevard between 103rd Street and Mission Road within the City

(the “Project”) at an estimated cost of $2,203,460; and

WHEREAS, the Project has commenced and the City has incurred or expects to incur costs payable within the next six (6) months in the amount of not less than $200,000; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to pay the costs of the Project as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS Follows:

Section One. Authorization of Notes. That in order to provide funds to pay the costs of the Project now due or to become due in the immediate future, including necessary engineering, legal and incidental costs, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 166 (Lee Boulevard - 103rd Street to Mission Road), in the aggregate principal amount of Two Hundred Thousand Dollars ($200,000) (the “Notes”). The amount of the Notes together with
other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated costs of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 and 2, each in the denomination of $100,000. Each of said Notes shall be dated August 1, 1999, shall mature by their stated terms and become due and payable on May 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.60 % per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after November 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security of the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provisions for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.
Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to Gold Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.68% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of said Notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying the costs and expenses of the Project.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Section 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby funds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.
4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.
PASSED by the Council the 19th day of July, 1999.

APPROVED by the Mayor the 19th day of July, 1999.

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, LEEDS BOULEVARD - 103RD STREET TO MISSION ROAD, OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT AND REMOVAL OF LEEDS BOULEVARD BETWEEN 103RD STREET AND MISSION ROAD IN THE CITY, INCLUDING GRAADING, REGRADING, CURBING, RECURVING, GUTTERING, REGUTTERING, PAVING, REPAVING, MACADAMIZING, REMACADAMIZING, CONSTRUCTING, RECONSTRUCTING, OPENING, WIDENING, EXTENDING, ROUNDOFF CORNERS, STRAIGHTENING, RELOCATING, CONSTRUCTION OR RECONSTRUCTION OF ANY NECESSARY BRIDGES AND APPROACHES THERETO, VIADUCTS, OVERPASSES, UNDERPASSES, CULVERTS, STORM DRAINAGE, TRAFFIC CONTROL DEVICES, PEDESTRIAN WAYS, BICYCLE WAYS OR OTHER IMPROVEMENTS AND OTHER INCIDENTAL CONSTRUCTION COSTS.

WHEREAS, pursuant to K.S.A. 12-685, as amended, and Ordinance No. 1852, the Governing Body of the City of Leawood, Kansas (the "City") has hereunto authorized the following described improvement project within the City, to wit:

improvement and removal of Lee Boulevard between 103rd Street and Mission Road within the City

(the "Project") at an estimated cost of $2,203,460; and

WHEREAS, the Project has commenced and the City has incurred or expects to incur costs payable within the next six (6) months in the amount of not less than $200,000; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-1223, as amended, to issue temporary notes of the City to pay the costs of the Project as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to pay the costs of the Project now due or to become due in the immediate future, including necessary engineering, legal and incidental costs, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Note No. 1856 (Lee Boulevard - 103rd Street to Mission Road), in the aggregate principal amount of Two Hundred Thousand Dollars ($200,000.00) (the "Notes"). The amount of the Notes together with other temporary notes hereinafter issued to finance the Project which remain outstanding does not exceed the total estimated costs of said Project.

Section Two. Terms of Notes. Said issue of Notes shall consist of bearer notes numbered 1 and 2, each in the denomination of $100,000. Each of said Notes shall be dated August 1, 1999, shall mature by its stated terms and become due and payable on May 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 5.40% per annum (computed on the basis of actual days elapsed and 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon ten days notice to the holder hereof and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or before November 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereto to the redemption date, without premium. In the event the City elects to redeem any of such Notes, the City shall give five days irrevocable written notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by publication of such notice at least once in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security of the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provisions for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so refunded, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes hereof authorized in the form and substance heretofore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to:

City Treasurer

Section Six. Disposition of Proceeds. The proceeds of the sale of said Notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying the costs and expenses of the Project.

Section Seven. Tax Exemption. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Section 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the return of advances on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes provided, however, the foregoing provision in (1) above shall be and same void and of no effect and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948.

2. Since January 1, 1999, neither the City nor any subordinate issuing entity to the City has issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(2)(D) of an aggregate amount in excess of $15,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(2)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned in or will be spent by the City in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make such alterations, changes or additions in the foregoing agreements, statements, instruments and other documents hereon approved, authorized and confirmed which they may approve, and the execution or taking of any such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 12th day of July, 1999.

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 171 (MUNICIPAL POOL BATHHOUSE), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $300,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF RECONSTRUCTION, REMODELING AND REPLACEMENT OF THE BATHHOUSE AT THE MUNICIPAL POOL COMPLEX IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-1736, et seq., as amended, and Ordinance No. 1735, the Governing Body of the City of Leawood, Kansas (the “City”) has heretofore authorized the following described improvement project within the City, to wit:

reconstruct, remodel and replace the bathhouse at the municipal pool complex located in the city park at 10601 Lee Boulevard within the City

(the “Project”) at an estimated cost of $500,000; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 171 (Municipal Pool Bathhouse), dated November 15, 1998, in the principal amount of $300,000 (the “Prior Notes”) to provide funds to pay the costs of the Project heretofore incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 171 (Municipal Pool Bathhouse), in the aggregate principal amount of Three Hundred Thousand Dollars ($300,000) (the “Notes”). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 through 3 inclusive, each in the denomination of $100,000. Each of said Notes shall be dated August 1, 1999, shall mature by their stated terms and become due and payable on May
1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.60% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after November 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to
Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.
Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 through 5 inclusive, each in the denomination of $100,000. Each of said Notes shall be dated August 1, 1999, shall mature by their stated terms and become due and payable on May 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.60% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after November 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and
substance hereinbefore described and as provided by law and to procure the proper registration in
the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so
executed and registered, said Notes shall be countersigned by the City Clerk and delivered to
Gold Bank, the original purchaser thereof, upon payment of the purchase
price therefor which shall not be less than 99.78% of the principal amount thereof plus
accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be
deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply
with each and every provision of Section 103 and Sections 141 through 150 of the Internal
Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes,
necessary to maintain the exclusion from gross income for federal income tax purposes of the
interest on the Notes, including but not limited to any provisions requiring the rebate of earnings
on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or
permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit
any other action, or fail to take any action, if any such action or failure to act would adversely
affect the exclusion from gross income for federal income tax purposes of the interest on the
Notes; provided, however, the foregoing provision in (1) above shall be and come null and void
if and to the extent that the City shall receive an opinion from nationally recognized bond
counsel which concludes that compliance with the foregoing covenant and the provisions of the
Code as provided in this section shall not be required to maintain and continue the tax-exempt
status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The
Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of
the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the
City nor any subordinate issuing entity to the City have issued bonds or notes or other
tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate
amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations
taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate
amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or
will such proceeds or the Project be in any manner used on a basis different from the
general public in the trade or business of any person, firm or corporation other than a
governmental entity.
The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

DEBRA VALENTI
Notary Public - State of Kansas

My appointment expires: August 21, 1999.
ORDINANCE NO. 1810
First published in The Legal Record, Tuesday, July 20, 1999.

ORDINANCE NO. 1819

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 131 (FIRE STATION NO. 3), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $500,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF ACQUISITION OF CERTAIN REAL PROPERTY WITHIN THE CITY AND ACQUISITION, CONSTRUCTION AND INSTALLATION OF A NEW FIRE STATION THEREIN, INCLUDING PARKING FACILITIES AND ACCESS ROADS, AND FURNISHING AND EQUIPPING THE SAME.

WHEREAS, pursuant to K.S.A. 12/1736, as amended, and Ordinance No. 1704, the Governing Body of the City of Leawood, Kansas (the "City") has heretofore authorized the following described improvement project within the City, to wit:

acquisition of certain real property in Leawood South Park leased by the City and acquisition, construction and installation of a new fire station thereon, including parking facilities and access roads, and furnishing and equipping the same

(the "Project"), at an estimated cost of $3,195,000; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 131 (Fire Station No. 3), dated November 15, 1998, in the principal amount of $500,000 (the "Prior Notes") to provide funds to pay the cost of the Project heretofore issued by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be complete at the date of maturing thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 131 (Fire Station No. 3), in the aggregate principal amount of Five Hundred Thousand Dollars ($500,000) (the "Notes"). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of better notes numbered 1 through 8 inclusive, each in the denomination of $100,000. Each of said Notes shall be dated August 1, 1999, shall mature by their stated terms and become due and payable on May 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of Interest 3.25% per annum computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months. The Notes shall be subject to redemption at the option of the City at any time not less than ten days prior to the redemption date, in like manner and as herein provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after November 1, 1999, at a redemption price of 100% of the principal amount therein so redeemed plus accrued interest thereto upon the redemption date, without premium. In the event the City elects to redeem any of such Notes at any time, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least once in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance herebefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.75% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenant. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), that is or may become applicable in the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on accounts held in funds or accounts credited with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City not act or take any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided however, the foregoing provision in (1) above shall be and is null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will assist any projects or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents hereinafter approved, authorized and confirmed which they may approve, and the execution or taking of such actions shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 19th day of July, 1999.

ORDINANCE NO. 1809

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 148 (CITY PARK DESIGN, PHASE I), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENTS TO EXISTING CITY PARKS IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-1302, et seq., as amended, and Ordinance No. 1742, the Governing Body of the City of Leawood, Kansas (the “City”) called an election in the City for the purpose of submitting the following question:

“Shall the City of Leawood issue its general obligation bonds pursuant to K.S.A. 12-1302 in an amount not to exceed $12,500,000 for the purpose of paying for the costs of improvements to existing City parks?”; and

WHEREAS, at said election more than a majority of the qualified electors in the City voted in favor of the proposition, the vote having been certified to have been and being hereby declared to be 7957 votes in favor of said proposition and 2600 votes against said proposition.

WHEREAS, the City has incurred or expects to incur costs payable in respect of the improvements to existing City parks (the “Project”) within the next six (6) months in the amount of $200,000; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to pay the costs of the Project as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to pay the costs of the Project now due or to become due in the immediate future, including necessary engineering, legal and incidental costs, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 148 (City Park Design, Phase I), in the aggregate principal amount of Two Hundred Thousand Dollars ($200,000) (the “Notes”). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of two (2) bearer notes numbered 1 and 2, each in the denomination of $100,000. Each of said Notes shall be dated August 1, 1999, shall mature by their stated terms and become due and payable on May 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon
redemption prior thereto as herein provided, at a rate of interest of 3.60% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after November 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security of the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to Gold Bank, the original purchaser thereof, upon payment of the purchase price.
therefor which shall not be less than 99.68% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of said Notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying the costs and expenses of the Project.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Section 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby funds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.
Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 19th day of July, 1999.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948.

2. Since January 1, 1999, the City, any related issuer on behalf of the City and any subordinate issuing entity to the City have not issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.
3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Findings and Representation as to Use. The Governing Body hereby finds, determines, represents and warrants that no portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

Section Ten. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Eleven. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.
PASSED by the Council the 19th day of July, 1999.

ORDINANCE NO. 1808

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF DELAYED NOTES, PROJECT 108 (COLLEGE BOULEVARD), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $2,100,000 TO PROVIDE DELAYED FINANCING OF THE COST OF IMPROVEMENT OR REMODELING OF COLLEGE BOULEVARD, INCLUDING GRADING, KERBING, CURBING, RECURING, GUTTERING, RESURFACING, RAVING, REPAVING, MACADAMIZING, REMACADAMIZING, CONSTRUCTING, RECONSTRUCTING, OPENING, WIDENING, EXTENDING, ROUNDED CORNERS, STRAIGHTENING, RELOCATING, CONSTRUCTION OR RECONSTRUCTION OF ANY NECESSARY FACILITIES AND APPROACHES THERETO, VIADUCTS, OVERPASSES, UNDERPASSES, GULVRETS, STORM DRAINAGE, TRAFFICWAY ILLUMINATION, TRAFFIC CONTROL DEVICES, PEDESTRIAN WAYS, BICYCLE WAYS OR OTHER IMPROVEMENTS AND OTHER INCIDENTAL CONSTRUCTION COSTS, IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-685, as amended, and Ordinance No. 1488, the Governing Body of the City of Leawood, Kansas (the "City") has heretofore authorized the following described improvement project within the City, to wit:

improvement or remodelling of College Boulevard located within the City of Leawood

(the "Project") at an estimated cost of $13,795,873.00; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 108 (College Boulevard), dated November 15, 1998, in the principal amount of $2,000,000 (the "Prior Notes") to provide funds to pay the costs of the Project hereof incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 108 (College Boulevard), in the aggregate principal amount of Two Million One Hundred Thousand Dollars ($2,100,000) (the "Notes"). The amount of the Notes together with other temporary notes hereof issued to finance the Project which remain outstanding does not exceed the total estimated costs of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 through 21, inclusive, each in the denomination of $100,000.00. Each of said Notes shall be dated August 1, 1999, shall mature by its stated terms and may be presented for payment on May 1, 2000. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.60 % per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City as hereafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lien thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after November 1, 1999, at a redemption price of 100% of the principal amount so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of the Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holders of said Notes by publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and is hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provisions for the payment of said Notes by the issuance of renewal notes or general obligation bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and the City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinafter described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be accompanied by the City Clerk and delivered to Gold Bank, the original purchaser thereof, upon payment of the purchase price thereof which shall not be less than $2,100,000 % of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenant. The City covenants and agrees that it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948.

2. Since January 1, 1999, the City, any related issue on behalf of the City and any subordinate issuing entity to the City have not issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(2)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate incurring tax-exempt obligations taken into account under Section 265(b)(2)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Findings and Representations as to Use. The Governing Body hereby finds, determines, represents and warrants that no portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

Section Ten. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing provisions, agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Eleven. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

City Attorney
ORDINANCE NO. 1807

AN ORDINANCE AUTHORIZING THE IMPROVEMENT OF A SECTION OF LEE BOULEVARD, A MAIN TRAFFICWAY, BETWEEN 103RD STREET AND MISSION ROAD WITHIN THE CITY OF LEAWOOD; AND PROVIDING FOR THE PAYMENT OF COSTS THEREOF AND EXPRESSING THE INTENT TO REIMBURSE COSTS OF THE PROJECT SO INCURRED FROM PROCEEDS OF GENERAL OBLIGATION BONDS.

WHEREAS, the City of Leawood (the “City”) has previously by Section 14-206 of the “Code of the City of Leawood, Kansas,” designated that portion of Lee Boulevard which is located within this City as a main trafficway pursuant to the provisions of K.S.A. 12-685; and

WHEREAS, K.S.A. 12-687 provides that the Governing Body of any city shall have power to improve or reimprove or cause to be improved or reimproved, any main trafficway or trafficway connection designated and established under the provisions of K.S.A. 12-685 et seq., and such improvement or reimprovement, may include grading, regrading, curbing, recurbing, guttering, reguttering, paving, repaving, macadamizing, remacadamizing, constructing, reconstructing, opening, widening, extending, rounding corners, straightening, relocating, construction or reconstruction of any necessary bridges and approaches thereto, viaducts, overpasses, underpasses, culverts, storm drainage, trafficway illumination, traffic control devices, pedestrian way, bicycle ways, or other improvements or any two or more of such improvements or reimprovements and the acquisition of right-of-way by purchase or condemnation when necessary for any of such purposes; and

WHEREAS, K.S.A. 12-689 provides that all costs of improvements or reimprovements authorized under the provisions of K.S.A. 12-687, including acquisition of right-of-way, engineering costs, and all other costs properly attributable to such projects, shall be paid by the City at-large and may be funded among other methods, by the issuance of general obligation bonds; and

WHEREAS, Section 1.150-2 of the Income Tax Regulations issued by the Internal Revenue Service (the “Regulations”) requires that the City make a prior declaration of its intent to reimburse itself for project expenditures made by the City prior to the date of issuance of notes or bonds, and the City desires to comply with the requirements of the Regulations with respect to this Project; and

WHEREAS, said Governing body finds and determines that it is necessary to improve and reimprove a certain portion of Lee Boulevard between 103rd Street and Mission Road within the City of Leawood, as provided by and under the authority of K.S.A. 12-687, and to provide for the payment of the costs thereof as provided by and under the authority of K.S.A. 12-689.

THEREFORE, BE IT ORDAINED by the Governing Body of the City of Leawood, Kansas:

Section 1. It is hereby deemed and declared to be necessary to improve and reimprove that certain portion of Lee Boulevard between 103rd Street and Mission Road located...
within the City of Leawood, and it is hereby authorized, ordered, and directed that said main trafficway improvements be undertaken pursuant to the authority of K.S.A. 12-687. The City Engineer is hereby authorized and directed to proceed with development of definitive plans for the Project.

Section 2. The total estimated cost of the above described main trafficway improvements or reimprovements, including construction, engineering fees, acquisition of right-of-way and easements, and contingencies, is $2,203,460, and said cost shall be chargeable to the City at-large and may be paid by the issuance of general obligation bonds of the City of Leawood under the authority of K.S.A. 12-689.

Section 3. That the costs so incurred in connection with the Project shall be paid for from the proceeds of temporary notes to be issued from time to time as said costs are so incurred, and the Project shall be permanently financed with the proceeds of the sale of general obligation bonds of the City in an amount not to exceed $2,203,460.00.

Section 4. That to the extent the City shall pay all or any portion of the costs of the Project from available funds on hand prior to the issuance of temporary notes or bonds, the City hereby declares that it reasonably expects to reimburse such expenditures out of the proceeds of such temporary notes and such general obligation bonds. All such expenditures so reimbursed shall be capital expenditures with the meaning of Section 1.150-2(d)(3) of the Regulations.

This declaration is a declaration of official intent adopted pursuant to Section 1.150-2 of the Regulations.

Section 5. That as of the date hereof, there are not City funds reserved, allocated on a long term basis or otherwise set aside (or reasonable expected to be reserved, allocated on a long term basis or otherwise set aside) to provide permanent financing for the expenditures related to the Project, other than pursuant to the issuance of temporary notes or the bonds. This Ordinance, therefore is determined to be consistent with the City’s budgetary and financial circumstances as they exist or are reasonably foreseeable on the date hereof, all within the meaning and content of the Regulations.

Section 6. That this Ordinance shall be filed within 30 days of its adoption in the publicly available official books and records of the City. This Ordinance shall be available for inspection at the office of the City Clerk at City Hall during normal business hours of the City on every business day until the date of issuance of the bonds.

Section 7. That the City’s Director of Finance shall be responsible for making any “reimbursement allocations” described in the Regulations, being generally the transfer of the appropriate amount of proceeds of the notes or the bonds to reimburse the source of temporary financing used by the City to make payment of the prior costs of the Project. Each allocation shall be evidenced by an entry on the official books and records of the City maintained for the notes or the bonds, shall specifically identify the actual reimbursement of a fund or account in accordance with Section 1.150-2, the fund or account from which the expenditure was paid, and shall be effective to relieve the proceeds of the notes or the bonds from any restriction under the

440500.01 2
ordinance or other documents authorizing the issuance of such notes or the bonds, and under any applicable state statute, which would apply to the unspent proceeds of the notes or the bonds.

Section 8. This ordinance shall take effect and be of force from and after its passage and approval and publication one time in the official City newspaper.

PASSED by the Council the 19th day of July, 1999.

ORDINANCE NO. 1806

AN ORDINANCE ACCEPTING 4 PERMANENT DRAINAGE EASEMENTS FOR THE PROTECT DEVELOPMENT CHRIST COMMUNITY CHURCH LOCATED AT APPROXIMATELY 143RD AND KENNETH ROAD.

Be it ordained by the Governing Body of the City of Leawood:

Section 1. That the City of Leawood hereby accepts 4 permanent drainage easements hereinafter more particularly designated and described, to wit:

From Christ Community Evangelical Free Church, Inc. A tract of land in the Southeast Quarter of Section 34, Township 13 South, Range 25 East of the 6th Principal Meridian in the City of Leawood, Johnson County, Kansas, being more particularly described as follows: Commencing at the Northeast corner of the Southeast Quarter of said Section 34; thence South 02°-01'-11" East 1519.75 feet along the East line of the Southeast Quarter of said Section 34; thence South 88°-18'-52" West 799.08 feet to the Southwest corner of Lot 1, Christ Community Evangelical Free Church, a proposed subdivision of land in the City of Leawood, Johnson County, Kansas, said point being the "True Point of Beginning"; thence North 02°-01'-08" West 13.34 feet along the West line of said Lot 1; thence North 67°-58'-21" East 7.27 feet; thence South 22°-01'-39" East 15.00 feet; thence South 67°-58'-21" West 5.19 feet to a point on the South line of said Lot 1; thence South 88°-18'-52" West 7.09 feet, along the South line of said Lot 1, to the "True Point of Beginning" of the tract herein described containing 141 square feet or 0.0032 acres, more or less. Subject to all easements and restrictions of record.

AND

From Cornelius J. and Judith F. Giblin. Part of the Southeast 1/4 of Section 34, Township 13, Range 25, in Leawood, Johnson County, Kansas. Commencing at the Northeast corner of "Highlands Ranch," a subdivision of land in said City, County and State, thence South 0°-02'-08" East along the East line of said Tract A, a distance of 16.39 feet to the point of beginning of the easement to be herein described; thence continuing South 0°-02'-08" along said East line, a distance of 2.62 feet; thence North 69°-57'-21" East departing said East line, a distance of 7.54 feet; thence North 89°-41'-58" West, a distance of 7.09 feet to the point of beginning. Containing 9 square feet more or less.

AND

From Graham G. Giblin, Sr., and Barbara A. Giblin. Part of the Southeast 1/4 of Section 34, Township 13, Range 25, in Leawood, Johnson County, Kansas, Commencing at the Northeast corner of "Highlands Ranch," a subdivision of land in said City, County and State; thence South 0°-02'-08" East along the East line of said Tract A, a distance of 16.39 feet to the point of beginning of the easement to be herein described; thence continuing South 0°-02'-08" along said East line, a distance of 2.62 feet; thence North 69°-57'-21" East departing said East line, a distance of 7.54 feet; thence North 89°-41'-58" West, a distance of 7.09 feet to the point of beginning. Containing 9 square feet more or less.

AN ORDINANCE AMENDING SECTION 4-3 OF THE "AMENDMENT TO LEAWOOD DEVELOPMENT ORDINANCE," AND REPEALING THE EXISTING SECTION.

NOW, THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

Section 1. "Amendment to Leawood Development Ordinance" Amended. That Section 4-3 of the "Amendment to Leawood Development Ordinance," is hereby amended to read as follows:

4-3 SPECIAL USE PROVISIONS

4-3.1 Special Uses Designated

Any of the following uses may be located in any district by Special Use Permit of the Governing Body after notification of adjacent and abutting property owners, public hearing, and after recommendation of the Plan Commission, under such conditions as to operation, site development, signs, and time limit as may be deemed necessary in order that such use will not seriously injure the appropriate use of the neighboring property, and will conform to the general intent and purpose of this Ordinance and shall comply with the height and area regulations of the district in which they may be located unless a variance is specifically granted by the Board of Zoning Appeals.

1) Amusement parks, privately-owned baseball or athletic fields, race tracks;
2) Aviation fields or airports, under such restrictions as may be imposed to control noise, promote safety, and prevent undue danger to aircraft or to surrounding property;
3) Cemeteries, mausoleums, or crematories for the disposal of the dead;
4) Public and private schools;
5) Churches, synagogues and other places of worship;
6) Clubs, including those where alcoholic beverages are consumed;
7) Drive-in theaters;
8) Golf driving ranges, commercial or illuminated;
9) Gun clubs, skeet shoots, or target ranges;
10) Tennis courts and paved play areas, commonly referred to as “Sport Courts,” hereinafter referred to as courts, may be approved as a special use. In order to prevent a negative influence on the neighborhood and creation of a potential nuisance use the following conditions shall be considered minimum requirements to be met.

a) Courts will only be considered as a special use if said court is accessory to the principal use it is intended to serve. Courts on separate lots will not be considered as stand alone structures.

b) Plans shall be submitted for approval and shall be based upon compliance with the following standards: 1) The need for screening to protect the privacy of adjoining properties, including noise and lighting, if proposed, and 2) surface runoff. These standards are to be considered minimums and other factors may be considerations for approval by the Plan Commission and/or Governing Body.

c) Courts shall not be constructed within a required front yard and shall be located a minimum of 10 feet from any rear or side lot line. Screen plantings of a height necessary to muffle noise and block lights may be required as a condition to the special use approval.

d) Fences for courts may be up to 12 feet in height and shall be of a green or black PVC coated chain link fabric. Said fences shall be located a minimum of 10 feet from any rear or interior side lot line.

e) Courts shall be designed so that the surface water will be carried to the street or storm drainage system on the owner’s property, or by underground pipe to the public street or storm drainage system, or if across other ownership’s, easements must be obtained. A statement along with a detailed drawing from a professional engineer, P.E., shall be submitted showing and stating that these drainage requirements have been or will be met.

f) All court lighting shall be subject to approval as a special use either in conjunction with the application for a sport court or separately as an addition at a later date. Existing courts requesting lighting must apply for same as a separate
special use. A lighting plan shall be submitted which indicates the lumens (footcandles) at the property line and distance to the nearest structures. Footcandles shall not exceed .5 measured anywhere along the adjacent property lines. Illumination levels shall be measured with a photoelectric photometer having a spectral response similar to that of the human eye, following the standard spectral luminous efficiency curve adopted by the International Commission on Illumination. A lighted court may be required to have additional screening in order to mitigate the effect of lighting on any adjoining properties.

- **g)** No court lighting shall be permitted between the hours of 10:00 p.m. and 7:00 a.m.

- **h)** A landscape plan shall be submitted at time of application for special use indicating plant material, size, location and spacing proposed.

- **i)** All courts shall require a building permit prior to grading and/or installation.

11) Hospitals; special care facilities for humans; not to include group homes as defined herein.

12) Campgrounds, picnic groves and fishing lakes, including minor and incidental concession facilities for patrons only;

13) Nursery sales office, building greenhouse, or area (wholesale or retail);

14) Nursing and convalescent homes; housing for the elderly; retirement centers and communities; not to include group homes as defined herein.

15) Outdoor poster panels or billboards; off-site promotional signs;

16) Veterinary clinics, dog kennels;

17) Radio, television and microwave towers;

18) **Regulations for the Siting and Construction of Wireless Communication Antennae and Support Equipment**

- **a)** **Statement of Intent.**

  The Telecommunications Act of 1996 grants authority to local jurisdictions over decisions regarding the placement, construction, and modification of wireless communication facilities, towers and antennae. As the City of Leawood has many diverse and unique landscapes that perpetuate the
identity of its residential neighborhoods, protection of these valuable resources is paramount.

Accordingly, the governing body finds that the unregulated placement and design of wireless communication equipment results in visual clutter that adversely affects community aesthetics and damages the character that Leawood is built around. This ordinance is intended to provide minimum standards that ensure the communication needs of residents and business are met, while at the same time protecting the general safety and welfare of the community.

b) Purpose

A wireless communication facility or tower may be sited, constructed, designed or maintained in the City of Leawood provided that it is in conformance with the stated standards, procedures, and other requirements of this ordinance.

More specifically, these regulations are necessary to:

1. Provide for suitable location of wireless communication antennae, towers, and supporting ground equipment as to mitigate their effect on residential neighborhoods and land uses;

2. Maintain community aesthetics by minimizing the visual effects of towers through specific design and siting criteria;

3. Maximize the use of existing towers and other structures as to minimize the need for new tower locations;

4. Encourage co-location among wireless communication providers on existing and newly constructed sites in order to reduce the overall number of towers needed;

5. Promote the use of innovative camouflage and disguise techniques for antennae support structures as to integrate their appearance with the many architectural and natural themes found throughout the City of Leawood.
c) Special Use Permit Required

1. Communication towers shall be allowed, subject to approval of a special use permit granted by the Governing Body, after notification of adjacent and abutting property owners within 1000 feet of said property, public hearing, and after recommendation on the matter by the Plan Commission. Written notification shall be conducted by certified return receipt mail for those parcels within 200 feet said property and via regular mail for parcels beyond the 200 foot mark.

Consideration of the special use shall be in accordance with the following as established by this ordinance:

A) Suitable location in accordance to the zoning districts and planned areas in which wireless communication facilities are allowed;

B) Maximum tower height;

C) Minimum setbacks of the wireless communication tower and supporting equipment from the property line;

D) Minimum buffer distance between the wireless communication tower and base supporting equipment from surrounding planned and existing residential areas;

E) Design, landscape, and screening of the wireless communication facility and all related equipment;

F) Co-location among users on newly proposed towers;

G) Minimum separation distances among towers to be constructed within the City of Leawood.

2. Prior to issuance of the special use permit for the operation of a wireless communication facility, the applicant will provide a performance or cash bond in an amount equal to twenty (20) percent of total construction costs for the facility. This bond will be secured for discretionary use by the City of Leawood for maintenance and / or removal of the facility should it become
necessary to do so. The bond will be secured for the term of the special use permit plus one year.

3. Pre-existing Wireless Communication Equipment. Pre-existing wireless communication towers, antennae, and related equipment shall be considered a legal non-conforming use and shall not be required to meet the mandates of this ordinance (with the exception of 4-3.1 18)k) until the expiration of their applicable special use permit. Routine maintenance, including the replacement of new antennae of like construction shall be permitted on such existing telecommunication facilities. A telecommunications facility that has received City approval as of the effective date of this ordinance in the form of a special use exception, but has not yet been constructed or placed in operation, shall be considered an existing telecommunications facility so long as such approval is current and not expired.

4. Placement of an antenna on a non-conforming structure shall be considered an expansion of the non-conforming structure unless prior approval specifically contemplated multiple antennae. The cumulative effect of any additional antennae and transmission equipment placed upon a non-conforming structure must comply with the radio frequency radiation emission guidelines established by the FCC.

d) Zoning Location Requirements

1. Newly proposed wireless communication antennae, towers and supporting ground equipment shall not be permitted within any planned or existing residential area to include RP-A, RP-A5, R-1, RP-1, RP-2, RP-3, and RP-4 zoning districts. Exceptions to this may be provided for the following, upon approval of a special use permit:

A) Church sites, when camouflaged as steeples, bell towers, etc.;

B) Park sites, when camouflaged to be compatible with the natural elements of the park;

C) Existing non-residential structures when designed to be architecturally integral and compatible with said structure.
2. Wireless communication towers, antennae, and supporting ground equipment shall be allowed, subject to approval of a special use permit, within the following planned or existing areas and districts:

   A) CP-O, Planned Office;
   B) CP-1, Planned Neighborhood Retail;
   C) CP-2, Planned General Retail;
   D) BP, Planned Business Park;
   E) PI, Planned Industrial;
   F) SD, Special Development;
   G) REC, Planned Recreation;
   H) AG, Agricultural (when master planned for commercial, industrial, or recreational uses).

All districts delineated within this ordinance shall be defined by the current, approved Zoning and Master Development Plan maps established for the City of Leawood.

3. Necessary Site. In order to construct a new wireless communication tower within any permitted area, the applicant must provide an inventory of existing antennae locations within a three mile radius of the proposed site. The applicant must also demonstrate, using technological and written evidence, that these sites are inadequate to fulfill the grid needs of the carrier, or that a reasonable co-location lease agreement could not be reached with the owners of said alternative sites. For the purpose of this ordinance "reasonable" shall be defined as the total of all costs related to the construction of a new tower.

4. Grid Information. At the time of site selection, the applicant shall demonstrate how the facility will impact the overall network of the carrier within the City of Leawood and adjacent Cities on both sides of the state line.
e) **Tower Height**

Evidence shall be supplied at the time of site selection that the proposed tower height is necessary to meet coverage needs. Any proposed wireless communication tower, within any allowed area, shall not exceed 150 feet in height (including lightning rod). However, exception to this rule may be granted provided that the applicant show clear evidence that additional height is needed to provide necessary signal coverage. However, no exception shall be granted in excess of thirty (30) feet above the prescribed height limit, thus establishing an absolute excepted height of 180 feet (unless specifically necessary for City directed Public Safety equipment). This evidence must be supported by radio frequency engineered documentation and the opinion of a qualified, non-biased telecommunications consultant hired by the City at the expense of the applicant.

This written opinion shall include a finding of concurrence that: (1) no other existing tower or structure can satisfy the coverage needs of the applicant, (2) no other location can fulfill the coverage needs of the applicant at the maximum tower height as established by this ordinance, (3) all costs associated with co-location on an acceptable existing tower or structure are substantially greater than the related construction costs of a new tower.

f) **Setback and Buffer Requirements**

1. **Setbacks.** Wireless communication towers and support equipment shall meet the applicable building setback limits of the zoning district in which the facility is to be sited. Communication towers may occupy a leased parcel on a site meeting the minimum lot size requirements for the zoning district in which the tower is located.

2. **Distance From Residential Areas.** Any proposed wireless communication tower shall be sited at a distance of at least 500 feet, in all directions, from the base of the tower to the property line of any existing or planned residential neighborhood, as shown on the approved City of Leawood Zoning or Master Development Plan Maps.

g) **Design Requirements**

1. **Site Plan and Photo Simulations Required.** Any application for construction of a new wireless communication facility and tower must provide a detailed site plan of the
proposed project. This properly scaled site plan will include one page (including ground contours) that portrays layout of the site, as well as proposed and existing structures within 150 feet of the tower base. Access to and from the site, as well as dimensioned proposed and existing drives, must be included on this plan. Detailed exterior elevations (from all views) of the tower, screening wall, and all proposed buildings must also be submitted. Finally, a landscape plan detailing location, size, number and species of plant materials must be included for review by Planning and Development.

2. **Color and Finish.** Any approved wireless communication tower will be constructed of a monopole design. Guy and lattice-type towers will not be allowed within the City of Leawood. Exterior finish of the monopole will provide for a non-segmented, tapered appearance. Communication towers and related support buildings and equipment will be designed, camouflaged, and colored so that their appearance blends with the surrounding natural and built environment. If an antenna is installed on a structure other than a tower, the antenna and supporting electrical and mechanical equipment must be of a neutral color that is identical to, or closely compatible with, the color of the supporting structure so as to make the antenna and related equipment as visually unobtrusive as possible.

3. All approved towers greater than 75 feet in height must be designed and engineered to accommodate at least two sets of wireless communication antennae. Antennae bridges or platforms will only be allowed on communication towers that are designed for multiple users.

4. Towers less than 75 feet in height must be designed so that their antennae are internally placed, thus creating a smooth, non-projecting appearance. No antenna bridge or platform will be allowed on any tower less than 75 feet in height.

5. **Antennae on Structures Other Than Towers.** Antennae and communication support equipment located on any existing tower or suitable structure shall be of materials and color that are consistent with the surrounding elements so as to blend architecturally with said structure. Antennae on the rooftop or above a structure shall be screened, constructed and/or colored to match the structure to which they are attached. Antennae mounted on the side of a building or structure shall be painted to match the color of the building or structure or the background against which they are most commonly seen.
Microwave antennae exceeding 12 inches in diameter on a roof or building-mounted facility shall not exceed the height of the structure to which they are attached, unless fully enclosed. If an accessory equipment shelter is present, it must blend with the surrounding building(s) in architectural character and color.

6. Towers, antennae and cabinet equipment used for wireless communication purposes shall meet or exceed all minimum structural and operational standards as established by the FCC, FAA, EPA and other applicable federal regulatory agencies. If such standards and regulations are changed, then the owners of the towers and antennae governed by this ordinance shall bring such towers and antennae into compliance with such revised standards and regulations within six (6) months of the effective date of such standards and regulations unless a more stringent compliance schedule is mandated by the controlling federal agency. Failure to bring towers and antennae into compliance with such revised standards and regulations shall constitute grounds for the removal of the tower or antenna at the owner's expense. Any such removal by the governing authority shall be in the manner provided within 4-3.1 18)(k) of this ordinance.

7. An engineer's certification that anticipated levels of electromagnetic radiation to be generated by facilities on the site, including the effective radiated power (ERP) of the antenna, shall be within the guidelines established by the FCC. The cumulative effect of all antennae and transmitting equipment on a site will also comply with the radio frequency radiation emission guidelines established by the FCC. An antenna radiation pattern shall be included for each antenna, along with directional data concerning the pointing of any directive antennae.

8. All telecommunications facilities shall be equipped with an appropriate anti-climbing device or other similar protective device to prevent unauthorized access to the telecommunications facility.

9. It is the responsibility of the carrier to promptly resolve any electromagnetic interference problems created per FCC regulations.

10. All parking areas and drives associated with any wireless communications facility shall comply with applicable provisions for such facilities in each zoning district, except that the
Plan Commission or Governing Body may waive the requirements for curbing and guttering when they are not needed for drainage purposes.

h) Lighting, Landscaping, and Screening Requirements

1. Screening Wall. All buildings, cabinets, and other ground support equipment associated with a wireless communication site will be screened with a full perimeter wall. This wall is to be constructed of concrete block and surfaced with a material (stucco, brick, etc.) to match the architecture of surrounding structures. The minimum height of the wall will be 6 feet from ground level.

2. Landscape Materials. Landscaping in the form of pines and other flowering and deciduous trees is required to the outside of the perimeter screening wall. The standard buffer shall consist of a landscaped strip at least six (six) feet wide outside the perimeter screening wall. Pines are to be a minimum of 6 feet in height, while other trees are to have a minimum 2 inch caliper. The owner of the wireless communication facility shall be responsible for maintenance of all related landscape and screening materials. Existing mature tree growth and natural forms on the site shall be preserved to the maximum extent possible.

3. Authority to Trim Trees. An operator shall have authority to trim trees and shrubbery upon and overhanging streets and other public property so as to prevent the branches and foliage of such trees and shrubbery from coming in contact and interfering with the wires, cables and other facilities of an operator. All trimming shall be done under the supervision and direction of the City.

4. Lighting. Towers shall not be artificially lighted, unless required by the FAA or applicable authority. If lighting is required, the governing authority may review the available lighting alternatives and approve the design that would cause the least disturbance to the surrounding views.

i) Separation Distances

No newly proposed wireless communication tower shall be allowed to locate within 1000 feet of an existing tower. This distance shall be measured from the base of the existing tower to the base site location of the proposed tower.
Co-location

1. **Multiple User Towers.** All approved towers greater than 75 feet in height must be designed to accommodate at least two sets of wireless communication antennae. Prior to issuance of a building permit, the applicant and property owner must provide either of the following: (1) signed, executed lease agreements with other wireless service providers who desire to co-locate on the proposed tower, or (2) a signed statement of intent that guarantees non-discriminatory pricing for access to the tower by any competing carrier, and that the price for access will be based on the current market rate for co-location. This market rate will be established by an independent research consultant hired at the expense of the applicant. Failure to provide co-location opportunities to (or negotiate in good faith with) alternative carriers may constitute a finding of non-compliance with 4-3.118)c)1.F of this ordinance, and thus be grounds for revocation of the special use permit, and shall be cause for the withholding of future permits to same owners to install, build, or modify antennae or support structures within the City of Leawood.

2. **Existing Site Improvement.** Alterations or improvements to existing wireless communication sites shall be allowed, provided that these modifications are implemented to accommodate additional users and provided that tower height does not exceed the maximum established by this ordinance. Application for alteration to an existing site will require approval of new special use permit, including notification and public hearing.

3. Antennae may be added 'as of right' to any approved multi-user tower after securing proper building permits, provided that their addition does not exceed the tower capacity approved by the original special use permit. Any proposed antenna that exceeds the originally approved capacity limit shall be considered a revised application, and shall require a special use permit to locate.

k) **Abandoned Or Unsafe Towers and Antenna Support Structures**

Any tower or antenna support structure which is occupied by inactive antennae for a period of 12 (twelve) months shall be considered abandoned and a nuisance, and will be removed at the owner's expense within 90 (ninety) days. Any tower or antenna support
structure which is not maintained to a suitable degree of safety and appearance (as determined by the Director of Planning, Chief Building Inspector, and any applicable code) will also be considered a nuisance and will be upgraded or removed at the owner's expense. In the future should the levels of radio frequency radiation emitted by a wireless communication facility be determined a threat to human health or safety, the facility shall be cured or immediately removed (within 90 days) at the owner's expense. This finding must be either mandated by federal legislative action, or based on regulatory guidelines established by the FCC.

1) Building Codes and Inspection

1. To insure the structural integrity of towers, the owner of a tower shall ensure that it is (constructed and) maintained in compliance with standards contained in applicable local building codes and the applicable standards for towers that are published by the Electronic Industries Association, as amended from time to time. If, upon inspection, the governing authority concludes that a tower fails to comply with such codes and standards and constitutes a danger to persons or property, then upon notice being provided to the owner of the tower, the owner shall have thirty (30) days to bring such tower into compliance with such standards. If the owner fails to bring such tower into compliance within said thirty (30) days, the governing authority may order the removal or cause the removal of such tower at the owner's expense.

2. At least every 24 months, the tower shall be inspected by an expert who is regularly involved in the maintenance, inspection and/or erection of communication towers. At a minimum, this inspection shall be conducted in accordance with the tower inspection check list provided in the Electronic Industries Association (EIA) Standard 222, 'Structural Standards for Steel Antenna Towers and Antenna Support Structures.' A copy of such inspection record shall be provided to the City. Said inspection shall be conducted at the facility owner's expense.

3. In all areas of the city where the cables, wire, and other like facilities of public utilities exist underground, or are required by the City to be placed underground, an operator shall also place its cables, wires, or other facilities underground.
4. In the case of any disturbance to a street or other public property, caused by an operator during the course of constructing or maintaining its system facilities, an operator shall, at its own expense, replace and restore all paving, sidewalk, driveway, landscaping, or surface any street or public property disturbed in as good or better condition as before the disturbance in accordance with applicable federal, state, and local laws, rules, regulations or administrative decisions. The duty to restore the street or other public property shall include the repair of any area identified by the Director of Public Works as being weakened or damaged as a result of a cut or to other invasion of the pavement of a street or other public property.

m) **Exclusions**

The following shall be exempt from this ordinance:

1. Any tower and antenna under seventy (70) feet in total height which is owned and operated by an amateur radio operator licensed by the FCC;

2. Any device designed for over the air reception of television broadcast signals, multi-channel, multi-point distribution service or direct broadcast satellite service.

n) **Penalties**

This ordinance shall be in full force and effect upon its enactment and approval, and any person found to be in violation of any of the provisions of this ordinance shall be subject to a fine of up to $500 for each day of violation.

o) **Severability**

If any section, subsection sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

p) **Repeal of Laws in Conflict**

This ordinance supersedes all ordinances or part of ordinances adopted prior hereto which are in conflict herewith, to the extent of such conflict.
q) Definitions

Act: The Communications Act of 1934, as it has been amended from time to time, including the Telecommunications Act of 1996, and shall include future amendments to the Communications Act of 1934.

Alternative tower structure: Manmade trees, clock towers, bell steeples, light poles and similar alternative-design mounting structures that camouflage or conceal the presence of antennas or towers.

Antenna: Any device used to transmit or receive electromagnetic signals for communication purposes, not to include satellite dishes used solely for home television purposes.

Antenna support structure: Any pole, telescoping mast, tower tripod, or any other structure which supports a device used in the transmission or receipt of radio frequency energy.

Cell site: A tract or parcel of land that contains cellular communication antennae, their support structure, accessory buildings, and parking, and may include the other uses associated with an ancillary to cellular communication transmission.

Cellular service: A telecommunication service that permits customers to use wireless, mobile telephones to connect, via low power radio transmitter sites called cell sites, either to the public switched network or to other mobile cellular phones.

Cellular telecommunications: A commercial low power mobile radio service licensed by the Federal Communications Commission in a specific geographical area in which the radio frequency spectrum is divided into discrete channels which are assigned in groups to geographic cells within a service area and which are capable of being reused in different cells within the service area.

Co-location: Placement of wireless communication equipment by more than one provider on a single tower or other type of antenna support structure.

Directional antenna: An antenna or array of antennae designed to concentrate a radio signal in a particular area.

Effective radiated power: (ERP) The product of the antenna power input and the numerically equal power output gain.
**Enhanced specialized (ESMR)** A specialized mobile radio network which utilizes integrated digital mobile radio: enhanced network.

**EPA:** Environmental Protection Agency.

**FAA:** Federal Aviation Administration.

**FCC:** Federal Communications Commission.

**Governing body:** Shall mean the governing authority of the City of Leawood, Kansas.

**Guyed tower:** A wireless communication tower that is supported, in whole or in part, by guy wires and ground anchors.

**Interference:** Disturbances in reception caused by intruding signals or electrical current.

**Lattice tower:** A three or four sided tower constructed of open steel framing.

**License:** The rights and obligations extended by the City to an operator to own, construct, maintain, and operate its system within the boundaries of the City for the sole purpose of providing services to persons or areas outside the City.

**Low power telecom facility:** An unmanned facility consisting of equipment for the reception, switching and/or receiving of wireless telecommunications operating at 1,000 watts or less effective radiated power (ERP), including but not limited to the following:
- Point-to-point microwave signals;
- Signals through FM radio translators;
- Signals through FM radio boosters under 10 watts ERP;
- Cellular, ESMR, and Personal Communication Services (Networks);
- Private low power mobile radio service.

**Micro-cell:** A low power mobile radio service telecommunications facility used to provide increased capacity in high call demand areas or to improve coverage in areas of weak coverage.

**Microwave:** Electromagnetic radiation with frequencies higher than 300 MHz; highly directional signal used to transmit radio frequencies from point to point at a relatively low power level.
Microwave antenna: A dish-like antenna manufactured in many sizes and shapes used to link communication sites together by wireless transmission of voice or data.

Monopole: A wireless communication tower of single-pole design, constructed without support (guy) wires or anchors.

Omnidirectional antenna: An antenna that is equally effective in all directions and whose size varies with the frequency and gain for which it is designed. (a.k.a. whip antenna).

Panel antenna: An antenna that transmits signals in specific directions, and are typically square or rectangular in shape.

Personal communications services (PCS): Digital wireless telephone technology such as portable phones, pagers, fax, and computers. Such mobile technology promises to allow each consumer to use the same telephone number wherever he or she goes. Also, known as personal communications networks (PCN).

Public property: Any real property, easement, right-of-way, air space, or other interest in real estate owned by any governmental entity.

Repeater: A low power mobile radio service telecommunications facility that extends coverage of a cell to areas not covered by the originating cell.

Specialized Mobile Radio: A mobile radio which is utilized in conjunction with ESMR, which includes interconnect and dispatch services.

(Ground) Support equipment: Any cabinet, building, power source or other equipment constructed on the ground, and used to assist antennae in the generation or receipt of electromagnetic communication signals.

Telecommunications: The transmission, between or among points as specified by the user, of information of the user's choosing, without change in the form or content of the information as sent or received.

Tower: A structure designed to support at least one or more communication antenna. This does not include structures owned and operated by amateur radio personnel licensed by the FCC.

Tower height: The vertical distance measured from the base of the antenna support structure at grade to the highest point of the structure. If the support structure is on a sloped grade, then the average
between the highest and lowest grades shall be used in calculating the tower height.

*Wireless communication facility:* Any complex, including tower, antennae, and ground support equipment, used for the transmission or receipt of electromagnetic communication signals.

19) Television and amateur radio antennae exceeding district height limitations.
20) Reservoirs, towers, filter beds, or water treatment plants;
21) Riding stables and tracks;
22) Wastewater treatment plant;
23) Motor hotels, motels, hotels, and convention centers;
24) Buildings, structures, and premises for public utility services, or public service corporations;
25) Temporary use of land or building for commercial or industrial purposes, provided that any building or structure constructed thereon which is not otherwise permitted in the District in which such land is situated shall be temporary, and any stored equipment or material shall be removed upon the date of expiration of the special use permit, which permit shall be valid for not more than 2 years but may be renewed after public hearing;
26) Assembly halls, community centers, philanthropic organizations;
27) Child care centers, family day care homes, preschools, nursery schools, Montessori schools, private kindergartens, day care homes and group day care homes; not to include group homes as defined herein.
28) Off-street parking lots or off-street parking structures of a temporary or permanent nature;
29) Group boarding home for minors or adults; not to include group homes as defined herein.
30) Private ambulance service;
31) Bed and breakfast;
32) Horse pasturing on lots of less than 3 acres in residential districts.
33) Temporary self contained health care suites located within an attached garage are intended to provide an "in home" physical care facility as a temporary alternative to a nursing home environment. It is not intended to provide long term care lodging for anyone that would be better served by a more permanent solution. Such permanent alternate solutions may require an alteration to the home, an addition onto the home, or off-site care by a health care institution. Such use is allowed as a special use provided the following conditions are met:

a) The suites are to be freestanding self contained units including independent heating and air conditioning units and plumbing systems.

b) Not more than 2 persons shall be housed in such suite provided said housing is necessitated by a physical impairment or health care need of one or both persons and said health care need is being met by occupant or occupants of the existing home. Said person(s) residing in such health care suite shall be either an occupant or a relative of the occupant of the home except in cases when an overnight health care provider is required.

c) A letter from a licensed doctor of medicine or osteopathy shall be submitted, along with the application for special use, verifying the need for such health care suite by the applicant or prospective resident of said suite.

d) Health care suites shall be limited to a maximum of 2 years duration. Such use may only be continued for 1 additional year and only after review and approval by the Plan Commission and Governing Body. Any amount of time beyond 3 years will require a permanent solution to be specified at the time the additional year is requested. Such solution shall be made a condition of approval if granted. At the end of the special use, the unit shall be removed and the garage restored to its former condition.

e) Any exterior modification of the home necessitated by the suite, such as the temporary removal of the garage door(s) to facilitate a private entry, windows, or heating or cooling units, shall be replaced with materials of an architectural likeness to the existing home. Samples of materials proposed to be used shall be submitted with the application for approval by the Plan Commission.

f) Additional written notification shall be required to the applicant's homes association and to all property owners within 200 feet of the applicant's property.

g) Because the installation of such health care suite temporarily removes the enclosed off-street parking spaces
required by ordinance, the applicant shall submit an interim plan for dealing with off-street parking for the duration of the special use.

34) The Director of Planning may upon application by the proponent issue an Administrative Special Use Permit for the use of a specified parcel of land for such temporary short-term uses as trade shows, street fairs, expositions, promotional ventures, entertainment, seasonal sales, balloons, search lights, and tents, provided the following conditions are met:

a) The applicant shall submit in written form a complete description of the proposed use, including estimated accumulation of automobiles and persons, hours of operation, and other characteristics and effects on the neighborhood.

b) The applicant shall submit a site plan showing the location of any proposed structure.

c) The short-term special use shall not be operated longer than 10 consecutive days.

d) No more than 3 special event permits per calendar year shall be issued administratively at any location. Any additional permits may be granted by the Governing Body.

e) Upon the cessation of the short-term special use, all materials and equipment shall be promptly removed and the property restored to its normal condition.

f) Any structure used in conjunction with the special event shall be the subject of a valid building permit or tent permit.

g) The special event shall not cause undue traffic congestion or accident potential given anticipated attendance and the design of adjacent streets, intersections, and traffic controls.

h) The activity shall not cause the overcrowding of parking facilities given anticipated attendance and the possible reduction in the number of available spaces used by the event itself.

i) The special event shall not impair the usefulness, enjoyment or value of adjacent property due to the generation of excessive noise, smoke, odor, glare, litter or visual pollution.

j) If, after giving full consideration to the effect of the requested special use on the neighborhood and the community, the Director of Planning deems the special use reasonable, the special use permit for the short-term use may be approved. Conditions of operation, provision for surety bond, and other reasonable safeguards may be written into the special use permit. Such permit may be approved in any zoning district.
k) Any applicant denied an Administrative Special Use Permit shall be notified in writing of the reasons for the denial and of the opportunity to appeal the denial to the Governing Body.

35) House or structure relocation to a permanent site within the City Limits provided the following conditions can be met:
   a) The house or structure shall be found to be compatible with the surrounding houses or structures and neighborhood including, but not limited to, size, design or general architecture, lot location, and lot size;
   b) The structure be made habitable within 6 months of relocation;
   c) The applicant shall conform to the provisions of Article 6, "Removal of Structures" of the Leawood City Code.

Section 2. Existing Section Repealed. That existing Section 4-3 of the “Amendment to Leawood Development Ordinance” is hereby repealed. (Prior law: Ordinance No. 1734)

Section 3. Take Effect. That this ordinance shall take effect and be in force from and after its publication in the official City newspaper.

Passed by the Council the 6th day of July, 1999.

Approved by the Mayor the 6th day of July, 1999.

AN ORDINANCE AMENDING SECTION 4-3 OF THE "AMENDMENT TO
LEAWOOD DEVELOPMENT ORDINANCE," AND REPEALING THE EXISTING
SECTION.

NOW, THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY
OF LEAWOOD, KANSAS:

Section 1. "Amendment to Leawood Development Ordinance" Amended. That
Section 4-3 of the "Amendment to Leawood Development Ordinance," is hereby
amended to read as follows:

4-3 SPECIAL USE PROVISIONS.

4-3.1 Special Uses Designated

Any of the following uses may be located in any district by Special Use Permit of
the Governing Body after notification of adjacent and abutting property owners,
public hearing, and after recommendation of the Plan Commission, under such
conditions as to operation, site development, signs, and time limit as may be
decided necessary in order that such use will not seriously injure the appropriate
use of the neighboring property, and will conform to the general intent and
purpose of this Ordinance and shall comply with the height and area regulations
of the district in which they may be located unless a variance is specifically
granted by the Board of Zoning Appeals.

1) Amusement parks, privately-owned baseball or athletic fields, race
tracks;
2) Aviation fields or airports, under such restrictions as may be
imposed to control noise, promote safety, and prevent undue
danger to aircraft or to surrounding property;
3) Cemeteries, mausoleums, or crematories, for the disposal of the
dead;
4) Public and private schools;
5) Churches, synagogues and other places of worship;
6) Clubs, including those where alcoholic beverages are consumed;
7) Drive-in theaters;
8) Golf driving ranges, commercial or illuminated;
9) Gun clubs, skeet shoots, or target ranges;
10) Tennis courts and paved play areas, commonly referred to as
"Sport Courts," hereinafter referred to as courts, may be approved
as a special use. In order to prevent a negative influence on the
neighborhood and creation of a potential nuisance use the
following conditions shall be considered minimum requirements to
be met:
   a) Courts will only be considered as a special use if said court is
      accessible to the principal use it is intended to serve.
      Courts on separate lots will not be considered as stand
      alone structures.
   b) Plans shall be submitted for approval and shall be based
      upon compliance with the following standards: 1) The need
      for screening to protect the privacy of adjoining properties,
      including noise and lighting, if proposed, and 2) surface
      runoff. These standards are to be considered minimums
      and other factors may be considered for approval by the
      Plan Commission and/or Governing Body.
   c) Courts shall not be constructed within a required front yard
      and shall be located a minimum of 10 feet from any rear or
      side lot line. Screen plantings of a height necessary to
      muffle noise and block lights may be required as a condition
to the special use approval.
   d) Fences for courts may be up to 12 feet in height and shall be
      of a green or black PVC coated chain link fabric. Said
      fences shall be located a minimum of 10 feet from any rear
      or interior side lot line.
   e) Courts shall be designed so that the surface water will be
      carried to the street or storm drainage system on the
      owner's property, or by underground pipe to the public street
      or storm drainage system, or if across other owner's
      easements must be obtained. A statement along with a
detailed drawing from a professional engineer, P.E., shall be
      submitted showing and stating that these drainage
      requirements have been or will be met.
   f) All court lighting shall be subject to approval as a special
      use either in conjunction with the application for a sport court
      or separately as an addition at a later date. Existing courts
      requesting lighting must apply for same as a separate
      special use. A lighting plan shall be submitted which
      indicates the lumens (footcandles) at the property line and
distance to the nearest structures. Footcandles shall not
      exceed 3, measured anywhere along the adjacent property
      lines. Illumination levels shall be measured with a
      photometric engineer having a spectral response similar to
      that of the "human eye," following the "standard" spectral
      luminous efficiency curve adopted by the International
      Commission on Illumination. A lighted court may be
      required to have additional screening in order to mitigate
      the effect of lighting on any adjoining properties.
   g) No court lighting shall be permitted between the hours of
      10:00 p.m. and 7:00 a.m.
   h) A landscape plan shall be submitted at time of application
      for special use indicating plant material, size, location and
      spacing proposed.
   i) All courts shall require a building permit prior to grading
      and/or installation.
11) Hospitals; special care facilities for humans; not to include group
    homes as defined herein.
12) Campgrounds, picnic groves and fishing lakes, including minor and
    incidental concession facilities for patrons only;
13) Nursery sales office, building greenhouse, or area, (wholesale or
    retail);
14) Nursing and convalescent homes; housing for the elderly;
    retirement centers and communities; not to include group homes as
    defined herein.
15) Outdoor poster panels or billboards off-site promotional signs;
16) Veterinary clinics, dog kennels;
17) Radio, television and microwave towers;
18) Regulations for the Siting and Construction of Wireless
    Communication Antennae and Support Equipment
   a) Statement of Intent.

The Telecommunications Act of 1996 grants authority to local jurisdictions over decisions regarding the placement,
construction, and modification of wireless communication facilities, towers and antennae. As the City of Leawood has
many diverse and unique landscapes that perpetuate the

identity of its residential neighborhoods, protection of these valuable resources is paramount.

Accordingly, the governing body finds that the unregulated placement and design of wireless communication equipment results in visual clutter that adversely affects community aesthetics and damages the character of Leawood. This ordinance is intended to provide minimum standards that ensure the communication needs of residents and business are met, while at the same time protecting the general safety and welfare of the community.

b) Purpose

A wireless communication facility or tower may be sited, constructed, designed or maintained in the City of Leawood provided that it is in conformity with the stated standards, procedures, and other requirements of this ordinance.

More specifically, these regulations are necessary to:

1. Provide for suitable location of wireless communication antennas, towers, and supporting ground equipment so as to mitigate their effect on residential neighborhoods and land uses;
2. Maintain community aesthetics by minimizing the visual effects of towers through specific design and siting criteria;
3. Maximize the use of existing towers and other structures so as to minimize the need for new tower locations;
4. Encourage co-location among wireless communication providers on existing and newly constructed sites in order to reduce the overall number of towers needed;
5. Promote the use of innovative camouflage and disguise techniques for antennas support structures as to integrate their appearance with the many architectural and natural themes found throughout the City of Leawood.

c) Special Use Permit Required

1. Communication towers shall be allowed, subject to approval of a special use permit granted by the Governing Body, after notification of adjacent and abutting property owners within 1000 feet of said property, public hearing, and after recommendation on the matter by the Plan Commission. Written notification shall be conducted by certified return receipt mail for those parcels within 200 feet of said property and via regular mail for parcels beyond the 200 foot mark.

Consideration of the special use shall be in accordance with the following as established by this ordinance:

A) Suitable location in accordance to the zoning districts and planned areas in which wireless communication facilities are allowed;
B) Maximum tower height;
C) Minimum setbacks of the wireless communication tower and supporting equipment from the property line;
D) Minimum buffer distance between the wireless communication tower and base supporting equipment from surrounding planned and existing residential areas;
E) Design, landscape, and screening of the wireless communication facility and all related equipment;
F) Co-location among users on newly proposed towers;
G) Minimum separation distances among towers to be constructed within the City of Leawood.

2. Prior to issuance of the special use permit for the operation of a wireless communication facility, the applicant will provide a performance or cash bond in an amount equal to twenty (20) percent of total construction costs for the facility. This bond will be secured for discretionary use by the City of Leawood for maintenance and/or removal of the facility should it become necessary to do so. The bond will be secured for the term of the special use permit plus one year.

3. Pre-existing Wireless Communication Equipment. Pre-existing wireless communication towers, antennas, and related equipment shall be considered a legal non-conforming use and shall not be required to meet the mandates of this ordinance (with the exception of 4-3.1 18(k)) until the expiration of any applicable special use permit. Routine maintenance, including the replacement of new antennas or like construction shall be permitted on such existing telecommunication facilities. A telecommunications facility that has received City approval of the effective date of this ordinance in the form of a special use exception, but has not yet been constructed or placed in operation, shall be considered an existing telecommunications facility so long as such approval is current and not expired.

4. Placement of an antenna on a non-conforming structure shall be considered an expansion of the non-conforming structure unless prior approval specifically contemplated multiple antennas. The cumulative effect of any additional antennas and transmission equipment placed upon a non-conforming structure must comply with the radio frequency radiation emission guidelines established by the FCC.

d) Zoning Location Requirements

1. Newly proposed wireless communication antennas, towers, and supporting ground equipment shall not be permitted within any planned or existing residential area to include RP-A, RP-JE, R-1, RP-1, RP-2, RP-3, and RP-4-zoning districts. Exceptions to this may be provided for the following, upon approval of a special use permit:
   A) Church sites, which camouflaged as steeples, bell towers, etc.;
   B) Park sites, when camouflaged to be compatible with the natural elements of the park;
   C) Existing non-residential structures when designed to be architecturally integral and compatible with said structure.

2. Wireless communication towers, antennas, and supporting ground equipment shall be allowed, subject to approval of a special use permit, within the following planned or existing areas and districts:
   A) CP-O, Planned Office;
   B) CP-1, Planned Neighborhood Retail;
   C) CP-2, Planned General Retail;
   D) BP, Planned Business Park;
   E) PI, Planned Industrial;
   F) SC, Special Development;
   G) REC, Planned Recreation;
   H) AG, Agricultural (when master planned for the master plan for the Agricultural, or recreational use).

All districts delineated within this ordinance shall be defined by the current approved Zoning and Master Development Plan maps established for the City of Leawood.

3. Necessary Sites. In order to construct a new wireless communication tower within any permitted area, the applicant must provide an inventory of existing antennae locations within a three mile radius of the proposed site. The applicant must also demonstrate, using technological and written evidence, that these sites are inadequate to fulfill the needs of the carrier, or that a reasonable co-location lease agreement could not be reached with the owner of said alternative sites. For the purpose of this ordinance,
reasonable" shall be defined as the total of all costs related to the construction of a new tower.

4. Grid information. At the time of site selection, the applicant shall demonstrate how the facility will impact the overall network of the center within the City of Laswood and adjacent cities on both sides of the state line.

g) Tower Height

Evidence shall be supplied at the time of site selection that the proposed tower height is necessary to meet coverage needs. Any proposed wireless communication tower, within any allowed area, shall not exceed 150 feet in height (including lighting rod). However, exception to this rule may be granted provided that the applicant show clear evidence that additional height is needed to provide necessary signal coverage. However, no exception shall be granted in excess of thirty (30) feet above the prescribed height limit, thus establishing an absolute accepted height of 180 feet (unless specifically necessary for City directed Public Safety equipment). This evidence must be supported by radio frequency engineered documentation and the opinion of a qualified, non-biased telecommunications consultant hired by the City at the expense of the applicant.

This written opinion shall include a finding of concurrence that: (1) no other existing tower or structure can satisfy the coverage needs of the applicant, (2) no other location can fulfill the coverage needs of the applicant at the maximum tower height as established by this ordinance, (3) all costs associated with co-location on an acceptable existing tower or structure are substantially greater than the related construction costs of a new tower.

r) Setback and Buffer Requirements

1. Setbacks. Wireless communication towers and support equipment shall meet the applicable building setback limits of the zoning district in which the facility is to be sited. Communication towers may occupy a leased parcel on a site meeting the minimum lot size requirements for the zoning district in which the tower is located.

2. Distance From Residential Areas. Any proposed wireless communication tower shall be sited at a distance of at least 500 feet, in all directions, from the base of the tower to the property line of any existing or planned residential neighborhood, as shown on the approved City of Laswood Zoning or Master Development Plan Maps.

g) Design Requirements

1. Site Plan and Photo Simulations Required. Any application for construction of a new wireless communication facility and tower must provide a detailed site plan of the proposed project. This properly scaled site plan will include one page (including ground contours) that portrays layout of the site, as well as proposed and existing structures within 150 feet of the tower base. Access to and from the site, as well as dimensions of proposed and existing drives, must be included on this plan. Detailed exterior elevations (from all views) of the tower, screening wall, and all proposed buildings must also be submitted. Finally, a landscape plan detailing location, size, number and species of plant materials must be included for review by Planning and Development.

2. Color and Style. Any approved wireless communication tower will be constructed of a monopole design. Guyed and latticework towers will not be allowed within the City of Laswood. Exterior finish of the monopole will provide a non-geometric, tapered appearance. Communication towers and related support buildings and equipment will be designed, camouflaged, and colored so that their appearance blends with the surrounding natural and built environment. If an antenna is installed on a structure other than a tower, the antenna and supporting electrical and mechanical equipment must be of a neutral color that is identical to, or closely compatible with, the color of the supporting structure so as to make the antenna and related equipment as visually unobtrusive as possible.

3. All approved towers greater than 75 feet in height must be designed and engineered to accommodate at least two sets of wireless communication antennas. Antennas bridges or platform will only be allowed on communication towers that are designed for multiple antennas.

4. Towers less than 75 feet in height must be designed so that their antennas are internally placed, thus creating a smooth, non-projecting appearance. No antenna bridge or platform will be allowed on any tower less than 75 feet in height.

5. Antennas on Structures Other Than Towers. Antennas and communication support equipment located on any existing tower or suitable structure shall be of materials and color that are consistent with the surrounding elements so as to blend architecturally with said structure. Antennas on the rooftop or above a structure shall be screened, constructed and/or colored to match the structure to which they are attached. Antennas mounted on the sides of a building or structure shall be painted to match the color of the building or structure or the background against which they are most commonly seen. Microwave antennas exceeding 12 inches in diameter on a roof or building-mounted facility shall not exceed the height of the structure to which they are attached, unless fully enclosed. If an accessory equipment shelter is present, it must blend with the surrounding building(s) in architectural character and color.

6. Towers, antennas and cabinet equipment used for wireless communication purposes shall meet or exceed all minimum structural and operational standards as established by the FCC, FAA, EPA and other applicable federal regulatory agencies. If such standards and regulations are changed, then the owners of the towers and antennas governed by this ordinance shall bring such changes and antennas into compliance with such revised standards and regulations. Failure to bring antennas into compliance within six (6) months of the effective date of such standards and regulations will be an offense and may be issued a more stringent compliance schedule by the controlling federal agency. Failure to bring towers and antennas into compliance with such revised standards and regulations will constitute grounds for the removal of the tower or antenna at the owner's expense. Any such removal by the governing authority shall be in the manner provided within 4-3.1(18)(k) of this ordinance.

7. An engineer's certification that anticipated levels of electromagnetic radiation be generated by facilities on the site, including the effective radiated power (ERP) of the antenna, shall be within the guidelines established by the FCC. The cumulative effect of all antennas and transmitting equipment on the site will comply with the frequency radiation emission guidelines established by the FCC. An antenna radiation pattern shall be included for each antenna, along with directional data concerning the pointing of any directive antennas.

8. All telecommunications facilities shall be equipped with an appropriate anti-climbing device or other similar protective device to prevent unauthorized access to the telecommunications facility.

9. It is the responsibility of the carrier to promptly resolve any electromagnetic interference problems created per FCC regulations.

10. All parking areas and drives associated with any wireless communications facility shall comply with applicable provisions for such facilities in each zoning district, except that the Plan Commission or Governing Body may waive the requirements for curbing, and gutters when they are not needed for drainage purposes.

h) Lighting, Landscaping, and Screening Requirements

1. Screening Wall. All buildings, cabinets, and other ground support equipment associated with a wireless communications site will be screened with a full perimeter wall. This wall is to be constructed of concrete block and surfaced with a material (stucco, brick, etc.) to match the architecture of surrounding structures. The minimum height of the wall will be 8 feet from ground level.

2. Landscape Materials. Landscaping in the form of pine trees and other flowering and deciduous trees is required to the outside of the perimeter screening wall. The standard buffer strip shall consist of a landscaped strip at least six (six) feet wide outside the perimeter screening wall. Pine trees are to be a minimum of 6 feet in height; while other trees are to have a minimum 2 inch caliper. The owner of the wireless communication facility shall be responsible for maintenance of all related landscape and screening materials. Existing
m) Abandoned Or Unsafe Towers and Antenna Support Structures

Any tower or antenna support structure which is occupied by inactive antennas for a period of 12 (twelve) months shall be considered abandoned and a nuisance, and will be removed at the owner's expense within 90 (ninety) days. Any tower or antenna support structure which is not maintained to a suitable degree of safety and appearance (as determined by the Director of Planning, Chief Building Inspector, and any applicable code) will also be considered a nuisance and will be upgraded or repaired at the owner's expense. In the future should the levels of radio frequency radiation emitted by a wireless communication facility be determined to be a threat to human health or safety, the facility shall be cured or immediately removed within 90 days) at the owner's expense. This finding must be either mandated by federal legislative action, or based on regulatory guidelines established by the FCC.

i) Building Codes and Inspection

1. To insure the structural integrity of towers, the owner of a tower shall ensure that it is (constructed and) maintained in compliance with standards contained in applicable local building codes and the applicable standards for towers that are prescribed by the Electronic Industries Association, as amended from time to time. If, upon inspection, the governing authority concludes that a tower fails to comply with such codes and standards and constitutes a danger to persons or property, then upon notice being provided to the owner of the tower, the owner shall have thirty (30) days to bring such tower into compliance with such standards. If the owner fails to bring such tower into compliance within said thirty (30) days, the governing authority may order the removal or cause the removal of such tower at the owner's expense.

2. At least every 24 months, the tower shall be inspected by an expert who is regularly involved in the maintenance, inspection and/or erection of communication towers. At a minimum, this inspection shall be conducted in accordance with the tower inspection check list provided in the Electronic Industries Association (EIA) Standard 22, 'Structural Standards for Steel Antenna Towers and Antenna Support Structures.' A copy of such inspection record shall be provided to the City. Said inspection shall be conducted at the facility owner's expense.

3. In all areas of the city where the cables, wire, and other like facilities of public utilities exist underground, or are required by the City to be placed underground, an operator shall also place its cables, wires, or other facilities underground.

4. In the case of any disturbance to a street or other public property, caused by an operator during the course of constructing or maintaining its facility, an operator shall, at its own expense, replace and restore all paving, sidewalk, driveway, landscaping, or surface any street or public property disturbed in as good or better condition as before the disturbance in accordance with applicable federal, state, and local laws, rules, regulations or administrative decisions. The duty to restore the street or other public property shall include the repair of any areas identified by the Director of Public Works as being weakened or damaged as a result of a cut or other injury to the pavement of a street or other public property.

m) Exclusions

The following shall be exempt from this ordinance:

1. Any tower and antenna under seventy (70) feet in total height which is owned and operated by an amateur radio operator licensed by the FCC.
2. Any device designed for the air reception of television broadcast signals, multi-channel, multi-point distribution service or direct broadcast satellite service.

n) Penalties

This ordinance shall be in full force and effect upon its enactment and approval, and any person found to be in violation of any of the provisions of this ordinance shall be subject to a fine of up to $500 for each day of violation.

o) Severability

If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions hereof.

p) Repeal of Laws in Conflict

This ordinance supersedes all ordinances or part of ordinances adopted prior hereto which are in conflict herewith, to the extent of such conflict.

q) Definitions

Act: The Communications Act of 1934, as it has been amended from time to time, including the Telecommunications Act of 1996, and shall include future amendments to the Communications Act of 1934.

Alternative tower structure: Manufactured trees, clock towers, bell steles, light poles, and similar alternative-design mounting structures that
camouflage or conceal the presence of antennas or towers.

**Antenna:** Any device used to transmit or receive electromagnetic signals for communication purposes, not to include satellite dishes used solely for home television purposes.

**Antenna support structure:** Any pole, telescoping mast, tower tripod, or any other structure which supports a device used in the transmission or receipt of radio frequency energy.

**Cell site:** A tract or parcel of land that contains cellular communication antennas, their support structure, accessory buildings, and parking, and may include the other uses associated with an ancillary to cellular communication transmission.

**Cellular service:** A telecommunication service that permits customers to use wireless, mobile telephones to connect, via low power radio transmitter sites called cell sites, either to the public switched network or to other mobile cellular phones.

**Cellular telecommunication:** A commercial low power mobile radio service licensed by the Federal Communications Commission in a specific geographical area in which the radio frequency spectrum is divided into discrete channels which are assigned in groups to geographic cells within a service area and which are capable of being used in different cells within the service area.

**Co-location:** Placement of wireless communication equipment by more than one provider on a single tower or other type of antenna support structure.

**Directional antenna:** An antenna or array of antennas designed to concentrate a radio signal in a particular area.

**Effective radiated power:** (ERP) The product of the antenna power input and the numerically equal power output gain.

**Enhanced special purpose mobile radio (ESMR):** A specialized mobile radio network utilized distributed digital enhanced network.

**ERPA:** Environmental Protection Agency.

**FAA:** Federal Aviation Administration.

**FCC:** Federal Communications Commission.

**Governing body:** Shall mean the governing authority of the City of Leawood, Kansas.

**Gondola tower:** A wireless communication tower that is supported, in whole or in part, by guy wires and ground anchors.

**Interference:** Disturbances in reception caused by intruding signals or electrical current.

**Lattice tower:** A three or four sided tower constructed of open steel framing.

**License:** The rights and obligations extended by the City to an operator to own, construct, maintain, and operate its system within the boundaries of the City for the sole purpose of providing services to persons or areas outside the City.

**Low power telecom facility:** An unamended facility consisting of equipment for the reception, switching and/or receiving of wireless telecommunications operating at 1,000 watts or less effective radiated power (ERP), including but not limited to the following:

- Point-to-point microwave signals;
- Signals through FM radio transmitters;
- Signals through FM radio boosters under 10 watts ERP;
- Cellular, ESMR, and Personal Communication Services (PCS);
- Private low power mobile radio service.

**Microwave:** Electromagnetic radiation with frequencies higher than 300 MHz; highly directional signal used to transmit radio frequencies from point to point at a relatively low power level.

**Microwave antenna:** A dish-type antenna manufactured in many sizes and shapes used to link communication sites together by wireless transmission of voice or data.

**Monopod:** A wireless communication tower of single pole design, constructed without support (guy) wires or anchors.

**Omnidirectional antenna:** An antenna that is equally effective in all directions and whose size varies with the frequency and gain for which it is designed (a.k.a. whip antenna).

**Panel antenna:** An antenna that transmits signals in specific directions, and are typically square or rectangular in shape.

**Personal communications services (PCS):** Digital wireless telephone technology such as portable phones, pagers, fax, and computers. Such mobile technology promises to allow each consumer to use the same telephone number wherever he or she goes. Also, known as personal communications networks (PCN).

**Public property:** Any real property, easement, right-of-way, air space, or other interest in real estate owned by any governmental entity.

**Repeater:** A low power mobile radio service telecommunications facility that extends coverage of a cell to areas not covered by the originating cell.

**Specialized Mobile Radio:** A mobile radio which is utilized in conjunction with ESMSR, which includes interconnect and dispatch services.

**Ground support equipment:** Any cabinet, building, power source or other equipment constructed on the ground, and used to assist antenna in the generation or receipt of electromagnetic communication signals.

**Telecommunications:** The transmission, between or among points as specified by the user, of information of the user's choosing, without change in the form or content of the information as sent or received.

**Tower:** A structure designed to support at least one communication antenna. This does not include structures owned and operated by amateur radio personnel licensed by the FCC.

**Tower height:** The vertical distance measured from the base of the antenna support structure at grade to the highest point of the structure. If the structure support is on a sloped grade, then the average between the highest and lowest grades shall be used in calculating the tower height.

**Wireless communication facility:** Any complex, including tower, antennas, and ground support equipment, used for the transmission or receipt of electromagnetic communication signals.

19) Television and amateur radio antennas exceeding district height limitations;
20) Reservoirs, towers, filter beds, or water treatment plants;
21) Riding stables and tracks;
22) Wastewater treatment plant;
23) Motor hotels, motels, hotels, and convention centers;
24) Buildings, structures, and premises for public utility services, or public service corporations;
25) Temporary use of land or building for commercial or industrial purposes, provided that any building or structure constructed thereon which is not otherwise permitted in the District in which such land is situated shall be temporary, and any stored equipment or material shall be removed upon the date of expiration of the special use permit, which permit shall be valid for not more than 2 years but may be renewed after public hearing;
26) Assembly halls, community centers, philanthropic organizations;
27) Child care centers, family day care homes, preschools, nursery schools, Montessori schools, private kindergartens, day care homes and group day care homes; not to include group homes as defined herein;
28) Off-street parking lots or off-street parking structures of a temporary or permanent nature;
29) Group boarding home for minors or adults; not to include group homes as defined herein;
30) Private ambulance service;
Temporary self contained health care suites located within an attached garage are intended to provide an "in home" physical care facility as a temporary alternative to a nursing home environment. It is not intended to provide long term care lodging for anyone that would be better served by a more permanent solution. Such permanent alternate solutions may require an alteration to the home, an addition onto the home, or off-site care by a health care institution. Such use is allowed as a special use provided the following conditions are met:

a) The suites are to be freestanding self contained units including independent heating and air conditioning units and plumbing systems.

b) Not more than 2 persons shall be housed in such suite provided said housing is necessitated by a health impairment or health care need of one or both persons and said health care need is being met by occupant or occupants of the existing home. Said person(s) residing in such health care suite shall be either an occupant or a relative of the occupant of the home except in cases when an overnight health care provider is required.

c) A letter from a licensed doctor of medicine or osteopathy shall be submitted, along with the application for special use, verifying the need for such health care suite by the applicant or prospective resident of said suite.

d) Health care suites shall be limited to a maximum of 2 years duration. Such use may be continued for 1 additional year and only after review and approval by the Plan Commission and Governing Body. Any amount of time beyond 3 years will require a permanent solution to be specified at the time the additional year is requested. Such solution shall be made a condition of approval if granted. At the end of the special use, the unit shall be removed and the garage restored to its former condition.

e) Any exterior modification of the home necessitated by the suite, such as the temporary removal of the garage door(s) to facilitate a private entry, window, or heating or cooling units, shall be replaced with materials of an architectural likeness to the existing home. Samples of materials proposed to be used shall be submitted with the application for approval by the Plan Commission.

f) Additional written notification shall be required to the applicant's homes association and to all property owners within 200 feet of the applicant's property.

g) Because the installation of such health care suite temporarily removes the enclosed off-street parking spaces required by ordinance, the applicant shall submit an interim plan for dealing with off-street parking for the duration of the special use.

34) The Director of Planning may upon application by the proponent issue an Administrative Special Use Permit for the use of a specified parcel of land for such temporary short-term uses as trade shows, street fairs, exhibitions, promotional ventures, entertainment, seasonal sales, balloons, search lights, and tents, provided the following conditions are met:

a) The applicant shall submit in written form a complete description of the proposed use, including estimated accumulation of automobiles and persons, hours of operation, and other characteristics and effects on the neighborhood.

b) The applicant shall submit a site plan showing the location of any proposed structure.

c) The short-term special use shall not be operated longer than 10 consecutive days.

d) No more than 3 special event permits per calendar year shall be issued administratively at any location. Any additional permits may be granted by the Governing Body.

e) Upon the cessation of the short-term special use, all materials and equipment shall be promptly removed and the property restored to its normal condition.

f) Any structure used in conjunction with the special event shall be the subject of a valid building permit or tent permit.

g) The special event shall not cause undue traffic congestion or accident potential given anticipated attendance and the design of adjacent streets, intersections, and traffic controls.
ORDINANCE NO. 1804

AN ORDINANCE REZONING PROPERTY (MISSION VIEW SECOND PLAT, 12000 MISSION ROAD) FROM AG (AGRICULTURAL) TO R-1 (SINGLE FAMILY RESIDENTIAL); DIRECTING AMENDMENT OF THE OFFICIAL ZONING MAP OF THE CITY OF LEAWOOD, KANSAS; AND REINCORPORATING SAID ZONING MAP.

ORDINANCE NO. 1803

AN ORDINANCE AMENDING SECTION 4-5 OF THE LEAWOOD DEVELOPMENT ORDINANCE, SPECIFICALLY PROVIDING FOR CHANGES TO THE SIGN REGULATIONS; AND REPEALING EXISTING SECTION.

Be it ordained by the governing Body of the City of Leawood:

Section 1. Leawood Development Ordinance Amended. That Section 4-5 of the Leawood Development Ordinance, is hereby amended to read as follows:

4-5 SIGN REGULATIONS

4-5.1 Statement of Intent

The governing body finds that unregulated proliferation of signs results in visual clutter which is harmful to neighborhood aesthetics and property values and left uncontrolled promotes traffic hazards. The provisions of this section are to regulate and control all signs, both temporary and permanent, in the City of Leawood. It is the intent to limit visual clutter and reach a level of aesthetic quality by reducing disharmony in signage. It is further proposed to establish a sign identity and promote traffic safety for Leawood by limiting the size, type, location and materials of which signs may be constructed. This Ordinance is to protect the property values in the City by enhancing the physical appearance of the City. This Ordinance is to provide minimum standards to ensure traffic safety and to safeguard life, health, and property by regulating and controlling the size, height, design, quality of materials, construction, location, electrification, and maintenance of all signs and sign structure, and to authorize the use of signs which are compatible with their surroundings.

4-5.2 Applicability

A sign may be erected, placed, established, painted, created, or maintained in the city only in conformance with the standards, procedures, exemptions, and other requirements of this ordinance.

More specifically this ordinance is intended to:

A) Establish a permit system to allow a limited variety of signs, subject to the standards and permit procedures of this ordinance;

B) Allow certain signs that are small, unobtrusive, and incidental to the principal use of the respective lots on which they are located, subject to the requirements of this ordinance, but without a requirement for permits;

C) Prohibit all signs not expressly permitted by this ordinance;
D) Provide for the enforcement of the provisions of this ordinance.

4-5.3 Definitions

The following definitions shall be used in this section, unless the content otherwise indicates:

1. **Address Sign** - Any sign or set of numerals or letters which denotes a building's location with respect to streets or to those buildings around it.

2. **Animated Sign** - Any sign which uses movement or change of lighting to depict action or to create a special effect or scene.

3. **Awning Sign** - Any visual message incorporated into an awning attached to a building.

4. **Banner** - Any sign that is made of cloth, paper, canvas, plastic, or other flexible material.

5. **Builder or Construction Sign** - Any sign located upon a lot where a structure is under construction and which contains information identifying the builder of the structure.

6. **Building Facade** - The exterior of a building which is the architectural front, lying between the ground level of a pedestrian walkway and the lowest level of the roof line.

7. **Canopy** - pedestrian walkway or loading dock.

8. **Canopy Sign** - A sign which is attached to or incorporated within the portion of a building covering an entrance, exit, pedestrian walkway or loading dock.

9. **Changeable Copy Sign** - A sign that is designed so that characters, letters, or illustrations can be changed or rearranged (either manually or automatically) without altering the face or the surface of the sign.

10. **Directional Sign** - An on-premise sign providing directional information for the safe and efficient flow of pedestrian or vehicular traffic. Directional signs shall include signs marking entrances, exits, parking and loading areas, and other operational features.

11. **Directory Sign** - Any structure summarizing businesses within a complex and identifying business locations.

12. **Double faced Sign** - A sign with two faces or panels, neither of which is visible at the same time, and are directly back to back.

13. **Eave** - The portion of a building wall that is directly at the roof line when no parapet is incorporated into that wall.

14. **Electronic Display Sign** - Any sign on which the copy changes automatically via a lamp-bank, liquid crystal display, television screen, or by any other mechanical, digital, or electronic means.

15. **Exposed Neon Sign** - Any sign which incorporates neon lit tubing on its exterior surface which makes it clearly visible to the naked eye.

16. **Flag** - Any fabric, plastic, or bunting containing distinctive colors, patterns, or symbols, used as an emblem of a government, political subdivision, or other entity.

17. **Flashing Sign** - Any sign which is internally or externally illuminated by flashing, flowing, alternating, or blinking lights.
18. **Freestanding Sign**- Any sign supported by structures or supports that are placed on, or anchored in, the ground and that are independent from any building or other structure.

19. **Garage Sale Sign**- A sign placed upon a residential lot within the City which conveys information about the occurrence of a sale of household items upon residential property.

20. **Government Sign**- Any sign erected and maintained by the City, County, State, or Federal government.

21. **Height (of a sign)**- The vertical distance measured from the highest point of the sign to the average ground grade beneath the sign.

22. **Illegal Sign**- A sign which does not meet the requirements of this code and which has not received legal non-conforming status.

23. **Indirectly Illuminated Sign**- Any sign which is partially or completely illuminated at any time by a light source which is shielded so as not to be visible at eye level.

24. **Inflatable Sign**- Any sign designed or constructed with the ability to be mechanically filled with gas or any other material.

25. **Informational Sign**- Any sign (to include but not be limited to political campaign signs) which advertises a political party, personal belief, issue or candidate.

26. **Internally Illuminated Sign**- Any sign illuminated by diffused light through a translucent material so that the light source is not directly discernible.

27. **Lease / For Rent Sign**- Any sign, located on residential, commercial, or agricultural property, which advertises or identifies the parcel as being for lease or rent.

28. **Light Pole Banner**- Any banner sign designed to hang from a utility pole that is securely attached with brackets such as the BannerFlex II system or other such equivalent device.

29. **Marquee Sign**- Any sign attached flat against or under the canopy of a building, but not on the upper surface of a canopy.

30. **Monument Sign**- A sign supported directly by the ground which is made of stone, concrete, metal, routed wood planks or beams, brick, or similar materials that is not connected to or joined with any other building or structure.

31. **Non-conforming Sign**- A sign which was erected legally, but which does not comply with subsequently enacted sign restrictions and regulations.

32. **Off-site Sign**- Any sign advertising an establishment, merchandise, service, or entertainment, which is not sold, produced, manufactured, or furnished at the property on which the sign is placed.

33. **Painted Wall Sign**- A sign which is applied with paint or colored substances directly on the face of a wall.

34. **Parapet**- That part of any wall entirely above the roof line.

35. **Permanent Sign**- Any wall, canopy, or monument sign which is constructed of durable materials and is intended to be displayed for an indefinite period of time.

36. **Pole Sign**- A sign that is elevated above ground and that exposes the "pole" or other support device or allows view through the space between the sign and the ground.
37. **Portable Sign**: Any sign, whether on its own trailer, wheels, or otherwise designed to be movable and not structurally attached to the ground, a building, or any other structure or sign.

38. **Real Estate / Developer Sign**: A sign, located on either residential, commercial, or agricultural property, which advertises or identifies the parcel as being for sale.

39. **Roof Sign**: Any sign erected and constructed wholly on and over the roof of a building, supported by the roof structure, and extending vertically above the highest portion of the roof.

40. **Rotating Sign**: Any sign that revolves, spins, turns, or moves in any fashion.

41. **Temporary Sign**: Any sign that is used only for an interim period of time and is not permanently mounted.

42. **Time and Temperature Device**: A device or sign electronically displaying time and/or temperature information.

43. **Wall Sign**: Any sign attached flat against the surface of an exterior wall or facade of a building, but not projecting horizontally from the vertical wall surface more than 12 inches, which is supported by the wall and which displays only one sign surface.

44. **Window Sign**: Any sign, picture, symbol, or combination thereof, designed to communicate information about an activity, business, commodity, event, sale, or service, that is placed inside a window or upon the window panes or glass and is visible from the exterior of the window.

### 4-5.4 Prohibited Signs

All signs not expressly permitted within this Ordinance or exempted from regulation herein are prohibited in the city. Such signs include, but are not limited to:

A) Signs, which are attached to any tree, fence, branch, another sign, or utility pole except warning signs issued and properly posted by that utility company.

B) Signs other than those specifically allowed by this ordinance that are capable of being carried, wheeled or moved from one location to another.

C) Attention-attracting devices not specifically allowed by this ordinance.

D) Flashing or blinking signs.

E) Electronic graphic signs.

F) Strings of light bulbs except when used for decorative purposes during a holiday season and not in excess of 7 1/2 watts. Said strings of bulbs may not traverse street rights-of-way.

G) Roof signs.
H) Rotating signs.
I) Animated signs.
J) Digital readout signs.
K) Signs painted directly on exterior walls or surfaces.
L) Signs whose source of illumination are visible from off site.
M) Any sign not expressly permitted by this ordinance.
N) Any sign within the public right-of-way, or on other public property, not authorized by the governing body.
O) Any sign which displays obscene, indecent or immoral matter.
P) Pole signs.
Q) Any sign that blocks the clear sight triangle of an intersection.

4-5.5 Permits Required

A) Permits Required. Except as provided by this ordinance, or by other ordinance or resolution of the city, it shall be unlawful for any person to erect, construct, alter, relocate or convert any sign or other advertising structure as defined in this section, without first obtaining a sign permit from the Planning and Development Department and payment of the fee required. Furthermore, the property owner shall maintain in force, at all times, a sign permit for such sign in accordance with these regulations. No sign permit of any kind shall be issued for an existing or proposed sign unless such sign is consistent with the requirements of this ordinance in every respect and with the Sign Development Plan in effect for the property.

1) Applications for sign permits shall be made upon the forms provided by the Planning and Development Department.

2) Two sets of plans drawn to scale indicating the sign location on a site plan, sign size, method of illumination, colors, materials of the sign and method of attachment are required.
3) The applicant shall submit any other information deemed by the Director of Planning and Development to be necessary to enforce this section, the Leawood Development Ordinance, the City building code and all other applicable codes and ordinances.

B) Permit Fees. Every applicant, before being granted a permit, shall pay a fee as established by ordinance. For any sign erected without a permit, the fee shall be double the established fee.

C) Permit Issued If Application Is In Order. It shall be the duty of the Code Official, upon filing of an application for a sign permit, to review the application and to conduct such other investigation as is necessary to determine the accuracy of the application. If it shall appear that the applicant has provided the information requested in the application and that the information is accurate and that the proposed sign when placed will comply with the provisions of the ordinance, he or she shall issue a sign permit.

D) Denial of Application For Sign Permit. If the Code Official determines that the proposed sign is not in compliance with all the requirements of this article and with all other laws and ordinances of the city, he or she shall not issue the requested permit and shall advise the applicant of the right to appeal as provided by Section 5-4.

4-5.6 Exemptions from Permit Requirements

Permits shall not be required for the following:

1) Any sign erected by the City, County, State or Federal government including street markers and traffic signs.

2) Any sign necessary for public safety erected by utility companies within their respective easements.

3) Any sign specifically required by the building codes, Leawood Development Ordinance or Subdivision Regulations of the City of Leawood.

4) Maintenance of signs.
5) Temporary signs not to exceed 5 square feet including but not limited to real estate "for sale" and rent/lease signs, informational signs, garage sale signs, and estate sale signs.

4-5.7 Design, Construction, and Maintenance

All signs shall be designed, constructed, and maintained in accordance with the following standards:

1) Except for flags, temporary signs, and window signs conforming in all respects with the requirements of this ordinance, all signs shall be constructed of permanent materials and shall be permanently attached to the ground, a building, or another structure by direct attachment to a rigid wall, frame, or other structure.

2) All signs shall be maintained: a) in good structural condition; b) in compliance with all building and electrical codes; c) in conformance with this code, at all times.

3) No long-term temporary sign (to be used longer than 40 days) shall be constructed of any paper type products (including cardboard), and must be made of a durable material.

4-5.8 Abandoned or Unsafe Signs

1) Except as may be otherwise provided for in this section, any sign including its structure which is located on a building, structure or premises which becomes vacant and unoccupied for a period of 6 months or more, or any sign which pertains to time, event or purpose which no longer applies, shall be deemed to have been abandoned.

2) An abandoned sign is prohibited and shall be removed by the owner of the sign or the owner of the premises. In addition, the facade or place where the sign was attached shall be restored to its normal appearance.

3) If the sign has not been removed after the 6 month time period has elapsed, the City shall notify the property owner of record in writing that the sign shall be removed within 10 days after the date of the notice. If the sign has not been removed within the 10 days, the Director of Planning and Development may have the sign removed and have the costs of the removal assessed to the property owner.
4) The Planning and Development Department shall mail a statement of removal costs of said sign to the last known address of the owner of the property, and if such costs are not paid within 10 days, the Director of Planning and Development shall forward the bill to the county and shall be collected with the property taxes.

5) If the Director of Planning and Development shall find that any sign or other advertising structure regulated is unsafe, insecure, or a menace to the public, he or she may give either written or oral notice to the permittee. If the aforementioned sign was installed without a permit, the owner of the property shall be notified. If the permittee or owner fails to remove or alter the structure so as to comply with the standards set forth, within 48 hours after such notice, such sign or advertising structure may be removed, altered, or otherwise brought into compliance by the Director of Planning and Development at the expense of the permittee or owner of the property on which it is located.

4-5.9 Non-Conforming Signs

In the event a sign erected prior to 5/18/87 does not conform to the provisions and standards of the ordinance, then such sign(s) shall be modified to conform or be removed according to the following:

1) Nonconforming signs may only be replaced with conforming signs.

2) Any maintenance, repair or alteration of a nonconforming sign shall not cost more than 50% of the current value of the sign as of the date of alteration or repair.

3) In the event that the ordinance makes an existing sign nonconforming, the owner may apply within 6 months of the effective date of the ordinance for a permit to maintain said sign. No permit will be granted for a period longer than 7 years. If no permit is granted, the sign shall be deemed abandoned.

4) All nonconforming signs erected prior to 5/18/87 shall comply with these regulations by 5/18/94.

4-5.10 Sign Area Calculations

The following principles shall control the computation of sign area and sign height.
A) Computation of Area of Individual Signs. The area of single panel sign shall be measured within a single continuous perimeter enclosing the extreme limits of a sign panel, and in no case passing through or between any adjacent elements of the same; however, such perimeter shall not include structural elements or supports outside the limits of such sign and not forming an integral part of the display. The gross area of a sign composed of separate letters, symbols or words attached directly to an architectural facade shall be measured as the area enclosed by straight lines drawn closest to copy extremities encompassing individual symbols or words.

B) Computation of Area of Multi-faced Signs. The sign area for a sign with more than one face shall be computed by adding together the area of all sign faces visible from any one point. When two identical sign faces are placed back to back, so that both faces cannot be viewed from any point at the same time, and when such sign faces are part of the same sign structure and are not more than 42 inches apart, the sign area shall be computed by the measurement of one of the faces.

C) Computation of Height. The height of a sign shall be computed as the distance from the base of the sign at normal grade to the top of the highest attached component of the sign. Normal grade shall be construed to be the existing grade after construction, exclusive of any filling, berming, mounding, or excavating solely for the purpose of locating the sign. In cases in which the normal grade cannot reasonably be determined, sign height shall be computed on the assumption that the elevation of the normal grade at the base of the sign is equal to the elevation of the nearest point of the crown of a public street or the grade of the land at the principal entrance to the principal structure on the lot, whichever is lower.

D) Sign band. The area within a rectangle surrounding the actual message and not including the entire sign band unless illuminated. If the sign band is illuminated then (A) would apply.

E) Maximum area. A total of 200 square feet per sign is allowed for all permanent signage as shown on the schedule of sign regulations (4-5.14).
4-5.11 Office, Commercial and Industrial Signage in Planned Districts

The use of signs in the City of Leawood is intended to identify individual buildings or groups of buildings. The purpose of signs in a shopping center, office park, industrial park, hotel, motor hotel or other grouping of buildings is to identify the group of buildings. The purpose of Sign Development Standards within such a center is to develop orderly signage on a quality level equal to or exceeding that which governs individual structures in the City of Leawood, but permitting deviations from the standard regulations. The use of a planned sign concept is intended to encourage innovative and imaginative signage.

For purposes of this section the terms shopping center, business park, office park, industrial park or other grouping of buildings shall mean a project of two or more buildings with two or more tenants that has been planned as an integrated development or cluster on property under unified control or ownership at the time that zoning was approved by the City. No permit shall be issued for an individual sign requiring a permit unless and until Sign Development Standards have been submitted to and approved by the Plan Commission.

A) Sign Standards: The developer shall prepare a set of sign standards regulating all signage. Such standards shall run with all leases or sales of portions of the development. The sale, subdivision or other partition of the site after the zoning approval does not exempt the project or portions thereof from complying with these regulations relative to number of signs, harmony and visual quality of signs to be installed. The size, color, materials, styles of lettering, type of illumination and location shall be set out in such standards. Sign Development Standards are to be submitted as part of the Preliminary Site Development Plan. The Final Site Development Plan will also include the Sign Development Standards and be approved as part of the Final Site Development Plan. These standards may be revised by resubmitting them to the Plan Commission for approval.

Sign Development Standards for a Planned District shall maintain the following as conditions of approval and acceptance:

1) A proposal for a sign concept shall be subject to compliance with this ordinance.

2) The submittal by the developer and approval by the City of the sign concept represents a firm commitment by the developer that development will indeed follow the approved plans in such areas as location, size, type, color and materials of the signs.
3) The sign concept is to be planned and developed in a manner that will result in clear, readable, effective signage as determined by the Plan Commission and staff.

4) The developer may be given latitude in using innovative techniques in the development of sign concepts not feasible under application of standard zoning requirements.

5) The Sign Development Standards may be amended by the Plan Commission.

6) No permit shall be issued for an individual sign in a planned district unless and until Sign Development Standards for the development have been submitted to and approved by the Plan Commission.

B) Deviation From Requirements: Deviations in size, colors, location, number of signs, and illumination, may be approved by the Plan Commission if it is deemed that an equal or higher quality of development will be produced. The Plan Commission and Governing Body may, in the process of approving sign concepts, approve deviations from the standard requirements as follows, provided any deviation so approved shall be in keeping with the intent of the sign ordinance, shall be clearly set out in the minutes as well as on exhibits in the record, and provided that specific reasons justifying deviations are included in the record:

1) In commercial districts if private sign standards have been prepared by an owner in compliance with this section submitted and approved as part of the Final Site Plan, then the maximum of all wall, canopy, and window signs shall be 5% of the total area of the facade.

2) Directory Signs may be permitted that are scaled to pedestrian traffic.

4-5.12 General Conditions

1) It is the intent that real estate advertisements and signs within the City shall fairly and truthfully impart to the public accurate information in regard to the zoning classification of such land.
2) Any person, firm or corporation who shall make use of or place any real estate advertisements or signs which recite that real property is zoned for land uses, or will be zoned for land uses in the future, under the zoning rules and regulations of the City, when in fact such real estate is not so zoned, is guilty of a public offense.

3) It shall not be permitted for any person, firm or corporation to make use of or place advertisements or signs on real estate declaring that the property is reserved or is being held for future land use which is inconsistent with the then existing zoning classification of the City for the land, or any words of similar nature.

4) Any advertisements or signs placed in violation of this ordinance shall be confiscated by the Director of Planning and Development. The cost required for such confiscation to be assessed to the property owner.

5) No sign, except City installed signs, will be placed on public property or on a public right-of-way. For the purpose of this ordinance the right-of-way abutting private property shall be defined as five feet from the edge of the pavement or curb of the street. Such placement shall require the consent of the abutting private property owner.

6) No twirlers, flags, balloons or other paraphernalia shall be attached to any sign or displayed in conjunction with any sign unless the Director of Planning and Development determines that the display or attachment will not be contrary to the intent and purposes of this section and a permit specifically authorizing the display or attachment has been issued by the Director of Planning and Development.

7) Illuminated signs shall be either indirectly or semi-illuminated where the source of illumination cannot be detected by the human eye. Exposed incandescent bulbs and exposed fluorescent tubes are not permitted.

8) All signs shall be of sound structural quality, be maintained in good repair, and have a clean and neat appearance; and land adjacent shall be kept free from debris, weeds and trash. If signs are not being maintained as described and the Director of Planning and Development deems them a public safety hazard or nuisance, such signs shall be removed.
9) Each day a violation exists shall constitute a new violation.

10) In the event that a building has a curved wall, the area of the facade, for sign purposes, will be determined by drawing two lines perpendicular to the facade. This will then be considered as straight walls, with the area of this facade to be used in determining the size of the allowed signage.

11) Restriction of Placement. No person shall paint, mark or write on, or post or otherwise affix any sign to or upon any sidewalk, crosswalk, curb, curbside, street lamppost, hydrant, tree, shrub, tree stake or guard, railroad trestle, electric light or power or telephone or telegraph pole, or wire appurtenance thereof or upon any fixture of the fire alarm or police alarm system or upon any lighting system, public bridge, street sign or traffic sign.

12) Removal. Any sign which has been located in the public right-of-way contrary to the provisions of this section, shall be removed immediately by any officer of the City. The Director of Planning and Development may cause any sign, which is an immediate peril to persons or property to be removed summarily and without notice. Persons other than officers of the City that willfully remove any sign shall be guilty of violating this section of the ordinance. Such persons are subject to prosecution under Section 4-5.13.

13) Signs Not to Constitute Traffic Hazard. No sign regulated by this section shall be placed at the intersection of any street in such a manner as to obstruct free and clear vision; or any location where, by reason of the position, shape or color, the sign may interfere with, obstruct the view of, or be confused with any authorized traffic sign, signal or device; or which makes use of the words "stop", "look", "drive-in", "danger", or any other word, phrase, symbol or character in such manner as to interfere with, mislead or confuse traffic.

14) Face Of Sign Shall Be Smooth. All signs or other advertising structures shall have a smooth surface and no nails, tacks or wires shall be permitted to protrude therefrom.

15) Deed Restriction. No provision of this section shall be deemed to prevent any person, homes association or other entity from maintaining an action to enforce private deed
restrictions which are more restrictive than the criteria and standards established by this section.

16) Revocation of Permit. The Director of Planning and Development is hereby authorized and empowered to revoke any permit issued by him or her upon failure of the holder thereof to comply with any provision of this section.

17) Clearance of sight triangle. No sign shall be placed in the sight triangle of any roadway corner. This sight triangle is to be defined as the area achieved by measuring 30 feet in both directions from the point of intersection, and connecting these two lines diagonally (See drawing).

4-5.13 Unlawful Signs

A) Prosecution For Violation. If the Director of Planning and Development or his or her representative shall have reason to believe that any sign regulated herein is constructed, erected, or being maintained in violation of this section or that any provision of this section of the ordinance has been violated, he or she may cause a complaint to be filed with the clerk of the municipal court and request the issuance of a notice to appear and commencement of prosecution in the manner provided by K.S.A. 12-4201, against any person who is reasonably believed to have violated any provision of this section. The Director of Planning and Development may, in his or her discretion, give oral or written notice to the owner or occupant that unless the sign is removed within 48 hours of the notice or that such activity violating this section of the ordinance cease immediately, a complaint will be filed alleging violation of this section. For purposes of this section, any owner of property shall be responsible for compliance with the provisions of this section and may be prosecuted for violation of this section if he or she permits or maintains a sign upon his or her property in violation of this section.

B) Appeals. Appeals from a decision of the Director of Planning and Development shall follow the procedures established with the Board of Zoning Appeals.

ORDINANCE NO. 1803
First published in The Legal Record, Tuesday, June 15, 1999.

ORDINANCE NO. 1803
AN ORDINANCE AMENDING SECTION 4-6 OF THE LEAWOOD DEVELOPMENT ORDINANCE, SPECIFICALLY PROVIDING FOR CHANGES TO THE SIGN REGULATIONS, AND REPEALING EXISTING SECTION.

As it is ordered by the governing Body of the City of Leawood:

Section 1. Leawood Development Ordinance Amended. That Section 4-6 of the Leawood Development Ordinance, as hereby amended to read as follows:

4-5 SIGN REGULATIONS

4-5.1 Statement of Intent. The governing body finds that unregulated proliferation of signs results in visual clutter which is harmful to neighborhood aesthetics and property values and left uncontrollable promote traffic hazards. The provisions of this section are to regulate and control all signs, both temporary and permanent, in the City of Leawood. It is the intent to limit visual clutter and reach a level of aesthetic beauty by reducing disarray in signage. It is further proposed to establish a sign identity and promote traffic safety for Leawood by limiting the size, type, location and materials of which signs may be constructed. This Ordinance is to protect the property values in the City by enhancing the appearance of the City overall. This Ordinance is to provide minimum standards to ensure traffic safety and to safeguard life, health, and property by regulating and controlling the size, height, design, quality of materials, construction, location, illumination, and maintenance of all signs and sign structure, and to authorize the use of signs which are compatible with their surroundings.

4-5.2 Applicability. A sign may be erected, placed, established, painted, created, or maintained in the city only in conformance with the standards, procedures, exemptions, and other requirements of this Ordinance.

4-5.3 Definitions

The following definitions shall be used in this section, unless the context otherwise indicates:

1. Address Sign— Any sign or set of letters or numbers which identifies a building or an establishment on the side of a road.

2. Animated Sign— Any sign which makes or changes its appearance to create a special effect or scene.

3. Awning Sign— Any visual message incorporated into an awning.

4. Banner— Any sign that is made of cloth, paper, canvas, plastic, or other flexible material.

5. Builder's Construction Sign— Any sign located upon a lot where a structure is under construction and which contains information identifying the builder of the structure.

30. Monument Sign— A sign supported directly by the ground which is made of stone, concrete, metal, metal or wood plans or bas-relief, brick, or similar materials that is not connected to or joined with any other building or structure.

31. Non-conforming Sign— A sign which was erected legally, but which does not comply with subsequently enacted sign restrictions and regulations.

32. Off-site Sign— Any sign advertising an establishment, merchandise, service, or entertainment, which is not sold, produced, manufactured, or furnished at the property on which the sign is placed.

33. Painted Wall Sign— Any sign which is applied with paint or colored substances directly on the face of a wall.

34. Parapet— That part of any wall entirely above the roof line.

35. Permanent Sign— Any wall, canopy, monument sign which is constructed of durable materials and is intended to be displayed for an indefinite period of time.

36. Pole Sign— Any sign that is elevated above ground and that exposes the "pole" or other support device or allows view through the space between the sign and the ground.

37. Portable Sign— Any sign, whether on its own trailer, wheels, or otherwise designed to be movable and not structurally attached to the ground, a building, or any other structure or object.

38. Preferred Lookout Sign— A sign, located on either residential, commercial, or agricultural property, which advertises or identifies the parcel as being for sale.

39. Roof Sign— A sign erected and constructed wholly on and over the roof of a building, supported by the roof structure and extending vertically above the highest part of the roof.

40. Rotating Sign— Any sign that revolves, spins, turns, or moves in any fashion.

41. Temporary Sign— Any sign that is used only for an interim period of time.

42. Time and Temperature Device— Any sign or device that electronically displays time and/or temperature information.

43. Wall Sign— A sign which is supported against the surface of an exterior wall or façade of a building, but not projecting horizontally from the vertical wall surface more than 12 inches, which is supported by the wall and which displays only one sign surface.

44. Window Sign— Any sign, picture, symbol, or combination thereof, designed to communicate information about an activity, business, commercial, event, sale, or service, that is placed inside a window or upon the window panes of glass and is visible from the exterior of the window.

4-5.4 Prohibited Signs

All signs not expressly permitted within this Ordinance or exempted from regulation herein are prohibited in the city. Such signs include, but are not limited to:

1. Signs that are attached to any tree, fence, branch, another sign, or utility pole except warning signs issued and posted by that utility company.

2. Signs other than those specifically allowed by this ordinance that are capable of being carried, wheeled, or moved from one location to another.

3. Attention-attracting devices not specifically allowed by this ordinance.

4. Flashing or blinking signs.

5. Electronic graphic signs.

6. Signs of light bulbs except where used for decorative purposes during a holiday season and not in excess of 7 1/2 watts. Said strings of bulbs may not be strung street right-of-way.

7. Roof signs.
4-5.5 Permits Required

A) Permits Required. Except as provided by this ordinance, or by other ordinance or resolution of the city, it shall be unlawful for any person to erect, construct, alter, relocate or convert any sign or other advertising structure as defined in this section, without first obtaining a sign permit from the Planning and Development Department and payment of the fee required. Furthermore, the property owner shall maintain in force, at all times, a sign permit for such sign in accordance with these regulations. No sign permit of any kind shall be issued for an existing or proposed sign unless such sign is consistent with the requirements of this ordinance in every respect and with the Sign Development Plan in effect for the property.

1) Applications for sign permits shall be made upon the forms provided by the Planning and Development Department.

2) Two sets of plans drawn to scale indicating the sign location on a site plan, sign size, method of illumination, color, materials of the sign and method of attachment are required.

3) The applicant shall submit any other information deemed by the Director of Planning and Development to be necessary to enforce this section, the Leasewood Development Ordinance, the City building code and all other applicable codes and ordinances.

B) Permit Fee. Every applicant, before being granted a permit, shall pay a fee as established by ordinance. For any sign erected without a permit, the fee shall be double the established fee.

C) Permit Issued If Application Is In Order. It shall be the duty of the Code Official, upon filing of an application for a sign permit, to review the application and to conduct such other investigation as is necessary to determine the accuracy of the application. If it shall appear that the applicant has provided the information requested in the application and that the information is accurate and that the proposed sign when placed will comply with the provisions of the ordinance, he or she shall issue a sign permit.

D) Denial of Application For Sign Permit. If the Code Official determines that the proposed sign is not in compliance with all the requirements of this article and with all other laws and ordinances of the city, he or she shall not issue the requested permit and shall advise the applicant of the right to appeal as provided by Section 4-4.

4-5.6 Exemptions from Permit Requirements

Permits shall not be required for the following:

1) Any sign erected by the City, County, State or Federal government including street markers and traffic signs.

2) Any sign necessary for public safety erected by utility companies within their respective easements.

3) Any sign specifically required by the building codes, Leasewood Development Ordinance or Subdivision Regulations of the City of Leasewood.

4) Maintenance of signs.

4-5.7 Design, Construction, and Maintenance

All signs shall be designed, constructed, and maintained in accordance with the following standards:

1) Except for, i.e., temporary signs, and window signs conforming in all respects with the requirements of this ordinance, all signs shall be constructed of permanent materials and shall be permanently attached to the ground, a building, or another structure by direct attachment to a rigid wall, frame, or other structure.

2) All signs shall be maintained: a) in good structural condition; b) in compliance with all building and electrical codes; c) in conformance with this code, at all times.

3) No long-term temporary sign (to be used longer than 40 days) shall be constructed of any paper type products (including cardboard), and must be made of a durable material.

4-5.8 Abandoned or Unsafe Signs

1) Except as may be otherwise provided for in this section, any sign including its structure which is located on a building, structure or premises which becomes vacant and unoccupied for a period of 8 months or more, or any sign which remains to time, event or purpose which no longer applies, shall be deemed to have been abandoned.

2) An abandoned sign is prohibited and shall be removed by the owner of the sign or the owner of the premises. In addition, the facade or place where the sign was attached shall be restored to its normal appearance.

3) If the sign has not been removed after the 6 month time period has elapsed, the City shall notify the property owner of record in writing that the sign shall be removed within 10 days after the date of the notice. If the sign has not been removed within the 10 days, the Director of Planning and Development may have the sign removed and have the costs of the removal assessed to the property owner.

4) The Planning and Development Department shall mail a statement of removal costs of said sign to the last known address of the owner of the property, and if such costs are not paid within 10 days, the Director of Planning and Development shall forward the bill to the county and shall be collected with the property taxes.

5) If the Director of Planning and Development shall find that any sign or other advertising structure regulated is unsafe, insecure, or a menace to the public, he or she may give either written or oral notice to the permittee. If the aforementioned sign was installed without a permit, the owner of the property shall be notified. If the permittee or owner fails to remove the sign or structure or to comply with the standards set forth, within 48 hours after such notice, such sign or advertising structure may be removed, altered, or otherwise brought into compliance by the Director of Planning and Development at the expense of the permittee or owner of the property on which it is located.

4-5.9 Non-Conforming Signs

In the event a sign erected prior to 5/18/87 does not conform to the provisions and standards of the ordinance, then such sign(s) shall be modified to conform or be removed according to the following:

1) Nonconforming signs may only be replaced with conforming signs.

2) Any maintenance, repair or alteration of a nonconforming sign shall not cost more than 50% of the current value of the sign as of the date of alteration or repair.

3) In the event that the ordinance makes an existing sign nonconforming, the owner may apply within 6 months of the effective date of the ordinance for a permit to maintain said sign. No permit will be granted for a period longer than 7 years. If no permit is granted, the sign shall be deemed abandoned.

4) All nonconforming signs erected prior to 5/18/87 shall comply with these regulations by 5/18/84.

4-5.10 Sign Area Calculations

The following principles shall control the computation of sign area and sign height.
CONTINUED FROM PRECEDING PAGE

A) Computation of Area of Individual Signs. The area of single panel sign shall be measured within a single continuous perimeter enclosing the extreme limits of a sign panel, and in no case passing through or between any adjacent elements of the same; however, such perimeter shall not include structural elements or supports outside the limits of such sign and not forming an integral part of the display. The gross area of a sign composed of separate letters, symbols or words attached directly to an architectural facade shall be measured as the area enclosed by straight lines drawn closest to copy extremities encompassing individual symbols or words.

B) Computation of Area of Multi-faced Signs. The sign area for a sign with more than one face shall be computed by adding together the areas of all sign faces visible from any one point. When two identical sign faces are placed back to back, so that both faces cannot be viewed from any point at the same time, and when such sign faces are part of the same sign structure and are not more than 42 inches apart, the sign area shall be computed by the measurement of one of the faces.

C) Computation of Height. The height of a sign shall be computed as the distance from the base of the sign at normal grade to the top of the highest attached component of the sign. Normal grade shall be construed to be the existing grade after construction, exclusive of any filling, berthing, mounding, or excavating solely for the purpose of locating the sign. In cases in which the normal grade cannot reasonably be determined, sign height shall be computed on the assumption that the elevation of the normal grade at the base of the sign is equal to the elevation of the nearest point of the crown of a public street or the grade of the land at the principal entrance to the principal structure on the lot, whichever is lower.

D) Sign Band. The area within a rectangle surrounding the actual message and not including the entire sign board unless illuminated. If the sign band is illuminated then (A) would apply.

E) Maximum area. A total of 200 square feet per sign is allowed for all permanent signage as shown on the schedule of sign regulations (4-5.14).

4-5.11 Office, Commercial and Industrial Signage in Planned Districts

The use of signs in the City of Lawndale is intended to identify individual buildings or groups of buildings. The purpose of signs in a shopping center, office park, industrial park, hotel, motor hotel or other grouping of buildings is to identify the group of buildings. The purpose of Sign Development Standards within such a center is to develop orderly signage on a quality level equal to or exceeding that which governs individual structures in the City of Lawndale, but permitting deviations from the standard regulations. The use of a planned sign concept is intended to encourage innovative and imaginative signage. For purposes of this section the terms shopping center, business park, office park, industrial park, or other grouping of buildings shall mean a project of two or more buildings with two or more tenants that has been planned as an integrated development or cluster on property under unified control or ownership at the time that zoning was approved by the City. No permit shall be issued for an individual sign requiring a permit unless and until Sign Development Standards have been submitted to and approved by the Plan Commission.

A) Sign Standards: The developer shall prepare a set of sign standards regulating all signage. Such standards shall run with all leases or sales of portions of the development. The sale, subdivision or other partition of the site after the zoning approval does not exempt the project or portions thereof from complying with these regulations relative to number of signs, harmony and visual quality of signs to be installed. The size, color, materials, styles of lettering, type of illumination and location shall be set out in such standards. Sign Development Standards are to be submitted as part of the Preliminary Site Development Plan. The Final Site Development Plan will also include the Sign Development Standards and be approved as part of the Final Site Development Plan. These standards may be revised by resubmitting them to the Plan Commission for approval.

Sign Development Standards for a Planned District shall maintain the following as conditions of approval and acceptance:

1) A proposal for a sign concept shall be subject to compliance with this ordinance.

2) The submittal by the developer and approval by the City of the sign concept represents a firm commitment by the developer that development will indeed follow the approved plans in such areas as location, size, type, color and materials of the signs.

3) The sign concept is to be planned and developed in a manner that will result in clear, readable, effective signage as determined by the Plan Commission and staff.

4) The developer may be given latitude in using innovative techniques in the development of sign concepts not feasible under application of standard zoning requirements.

5) The Sign Development Standards may be amended by the Plan Commission.

6) No permit shall be issued for an individual sign in a planned district unless and until Sign Development Standards for the development have been submitted to and approved by the Plan Commission.

B) Deviation From Requirements: Deviations in size, color, location, number of signs, and illumination, may be approved by the Plan Commission if it is deemed that an equal or higher quality of development will be produced. The Plan Commission and Governing Body may, in the process of approving sign concepts, approve deviations from the standard requirements as follows, provided any deviation so approved shall be in keeping with the intent of the sign ordinance, shall be clearly set out in the minutes as well as an exhibit in the record, and provided that specific reasons justifying deviations are included in the record:

1) In commercial districts if private sign standards have been prepared by an owner in compliance with this section submitted and approved as part of the Final Site Plan, then the maximum of all wall, canopy, and window signs shall be 5% of the total area of the facade.

2) Directory Signs may be permitted that are scaled to pedestrian traffic.

4-5.12 General Conditions

1) It is the intent that real estate advertisements and signs within the City shall fairly and truthfully impart to the public accurate information in regard to the zoning classification of such land.

2) Any person, firm or corporation who shall make use of or place any real estate advertisements or signs which indicate that real property is zoned for land uses, or will be zoned for land uses in the future, under the zoning rules and regulations of the City, when in fact such real estate is not so zoned, is guilty of a public offense.

3) It shall not be permitted for any person, firm or corporation to make use of or place advertisements or signs on real estate declaring that the property is reserved or is being held for future land use which is inconsistent with the then existing zoning classification of the City for the land, or any words of similar nature.

4) Any advertisements or signs placed in violation of this ordinance shall be confiscated by the Director of Planning and Development. The cost required for such confiscation to be assessed to the property owner.

5) No sign, except City Installed signs, will be placed on public property or on a public right-of-way. For the purpose of this ordinance the right-of-way abutting private property shall be defined as five feet from the edge of the pavement or curb of the street. Such placement shall require the consent of the abutting private property owner.

6) No twisters, flags, balloons or other paraphernalia shall be attached to any sign or displayed in conjunction with any sign unless the Director of Planning and Development determines that the display or attachment will not be contrary to the intent and purposes of this section and a permit specifically authorizing the display or attachment has been issued by the Director of Planning and Development.

7) Illuminated signs shall be either indirectly or semi-illuminated where the source of illumination cannot be detected by the human eye. Exposed incandescent bulbs and exposed fluorescent tubes are not permitted.

8) All signs shall be of sound structural quality, be maintained in good repair, and have a clean and neat appearance; and land adjacent shall be kept free from debris, weeds and trash. If signs are not being maintained as described the Director of Planning and Development deems them a public safety hazard or nuisance, such signs shall be removed.
9) Each day a violation exists shall constitute a new violation.

10) In the event that a building has a curved wall, the area of the facade, for sign purposes, will be determined by drawing two lines perpendicular to the facade. This will then be considered as straight walls, with the area of this facade to be used in determining the size of the allowed signage.

11) Restriction of Placement. No person shall paint, mark or write on, or post or otherwise affix any sign to or upon any sidewalk, crosswalk, curb, curbstones, street lamp post, hydrant, tree, shrub, tree stakes or guard, railroad trespass, electric light or power or telephone or telegraph pole, or any appurtenance thereof or upon any fixture of the fire alarm or police alarm system or upon any lighting system, public bridge, street sign or traffic sign.

12) Removal. Any sign which has been located in the public right-of-way contrary to the provisions of this section, shall be removed immediately by any officer of the City. The Director of Planning and Development may cause any sign, which is an immediate peril to persons or property to be removed summarily and without notice. Persons other than officers of the City that willfully remove any sign shall be guilty of violating this section of the ordinance. Such persons are subject to prosecution under Section 4-5-13.

13) Signs Not to Constitute Traffic Hazard. No sign regulated by this section shall be placed at the intersection of any street in such a manner as to obstruct free and clear vision; or any location where, by reason of the position, shape or color, the sign may interfere with, obstruct the view of, or be confused with any authorized traffic sign, signal or device; or which makes use of the words "stop", "look", "drive-in", "danger", or any other word, phrase, symbol or character in such manner as to interfere with, mislead, or confuse traffic.

14) Face Of Sign Shall Be Smooth. All signs or other advertising structures shall have a smooth surface and no nails, tacks or wires shall be permitted to protrude therefrom.

15) Deed Restriction. No provision of this section shall be deemed to prevent any person, home association or other entity from maintaining an action to enforce private deed restrictions which are more restrictive than the criteria and standards established by this section.

16) Revocation of Permit. The Director of Planning and Development is hereby authorized and empowered to revoke any permit issued by him or her upon failure of the holder thereof to comply with any provision of this section.

17) Clearance of sight triangle. No sign shall be placed in the sight triangle of any roadway corner. This sight triangle is to be defined as the area achieved by measuring 30 feet in both directions from the point of intersection, and connecting these two lines diagonally (See drawing).

4-5-13 Unlawful Signs

A) Prosecution For Violation. If the Director of Planning and Development or his or her representative shall have reason to believe that any sign regulated herein is constructed, erected, or being maintained in violation of this section or that any provision of this section of the ordinance has been violated, he or she may cause a complaint to be filed with the clerk of the municipal court and request the issuance of a notice to appear and commencement of prosecution in the manner provided by K.S.A. 12-4201, against any person who is reasonably believed to have violated any provision of this section. The Director of Planning and Development may, in his or her discretion, give oral or written notice to the owner or occupant that unless the sign is removed within 48 hours of the notice or that such activity violating this section of the ordinance cease immediately, a complaint will be filed alleging violation of this section. For purposes of this section, any owner of property shall be responsible for compliance with the provisions of this section and may be prosecuted for violation of this section if he or she permits or maintains a sign upon his or her property in violation of this section.

B) Appeals. Appeals from a decision of the Director of Planning and Development shall follow the procedures established with the Board of Zoning Appeals.

ORDINANCE NO. 13802 C

AN ORDINANCE AMENDING SECTION 14-301 AND 14-302 OF THE CODE OF THE CITY OF LEAWOOD RELATING TO PARKING OF CERTAIN VEHICLES WITHIN THE CITY OF LEAWOOD.

Be it ordained by the Governing Body of the City of Leawood:

Section 1. Code Amended. That Sections 14-301 and 14-302 of the Code of the City of Leawood are hereby amended to read as follows:

14-301. DEFINITIONS. For the purpose of this Article, the following words shall have the following meaning:

(a) Truck. Any self-propelled motor vehicle with a manufacturer's weight rating of one ton or more, including but not limited to, vehicles designed for or used for the transportation or delivery of freight or merchandise.

(b) Bus. A self-propelled motor vehicle designed for or used for the transportation of passengers exceeding any of the following: 25 feet in overall length, or eight feet in height, or gross weight rating of 3,000 pounds per axle.

(c) Trailer. A vehicle without motive power designed for or used for the carrying of property or containing living quarters exceeding any of the following: 25 feet in length, eight feet in height, or gross weight rating of 3,000 pounds per axle.

14-302. PARKING OF TRUCKS, BUSES, AND TRAILERS; EXEMPTIONS.

(a) Parking of certain vehicles prohibited. No persons shall park any of the named vehicles in section 14-301 on any street of the city, or upon any lot, improved or unimproved, in a residential or commercial area of the city except for the purpose of making a delivery or pickup provided such vehicles are not left continuously parked between the hours of 11:00 p.m. and 6:00 a.m. and except for parking of recreational vehicles as provided by the Leawood Development Ordinance.

(b) Whenever the person in possession or control of any private property used by the public for purposes of vehicular traffic by permission of the owner, shall cause to be posted at each entrance thereto a permanently lettered clearly legible sign with the following legend:

"NOTICE
Pursuant to Section 14-302 (b) of the Code of the City of Leawood, Kansas no trucks carrying a manufacturer’s weight rating of one ton or more may be parked on this lot except for the expressed purpose of loading or unloading goods or merchandise for tenants. Violators will be towed at the vehicle owner’s expense and be subject to a fine."

Then such private property shall be deemed to be under the traffic regulation of the city as provided by law and it shall be unlawful for any person to park a truck, bus or trailer upon said property in any manner that is contrary to the laws of the City of Leawood or contrary to said posted sign.
(c) Exempt vehicles. City owned and operated vehicles; service vehicles owned by utility companies while in the process of providing services or maintenance; construction vehicles while being used in connection with construction or maintenance authorized by the City and vehicles exceeding a manufacturers weight rating of one ton when parked in designated loading and unloading areas, are hereby exempt from the provisions of this Ordinance.

**Section 2. Repeal of Existing Sections** That existing Sections 14-301 and 14-302 of the Code of the City of Leawood are hereby repealed. (Prior law: Ord. No. 1771 C)

**Section 3. Validity of Ordinance.** That should any section, paragraph, sentence, clause or phrase of this ordinance be declared unconstitutional or invalid for any reason, the remainder of this ordinance shall not be thereby affected.

**Section 4. Take Effect.** That this ordinance shall take effect and be in force from and after its publication in the official City newspaper.

14-101. INCORPORATING "STANDARD TRAFFIC ORDINANCE". There is hereby incorporated by reference for the purpose of regulating traffic within the corporate limits of the City of Leawood, Kansas, that certain standard traffic ordinance known as the "Standard Traffic Ordinance for Kansas Cities", Edition of 1998, prepared and published in book form by the League of Kansas Municipalities, save and except such articles, sections, parts or portions as are hereafter omitted, deleted, modified or changed, such incorporation being authorized by K.S.A. 12-3009 through 12-3012, inclusive, as amended. No fewer than three copies of said standard ordinance shall be marked or stamped "Official Copy", with all sections or portions thereof intended to be omitted or changed clearly marked to show any such omission or change and to which shall be attached a copy of this ordinance, and filed with the City Clerk to be open to inspection and available to the public at all reasonable hours. The police department, municipal judge and all administrative departments of the city charged with enforcement of the ordinance shall be supplied, at the cost of the city, such number of official copies of such Standard Traffic Ordinance similarly marked, as may be deemed expedient.

14-102. SAME; AMENDMENT. Section 33 (Article 7) of the standard traffic ordinance incorporated in Section 14-101 of this article shall be amended as follows:

Sec. 33. Maximum Speed Limits.
(a) Except when a special hazard exists that requires a lower speed for compliance with Section 32, the limits specified in this Section or established as hereinafter authorized shall be maximum lawful speeds, and no person shall drive a vehicle at a speed in excess of such maximum limits:

(1) All vehicles 20 miles per hour in any park under the jurisdiction of this city.
(2) All vehicles 20 miles per hour during those hours when students are going to and from school of any day school is in session, upon streets and/or parts of streets abutting school property and adjacent to school crosswalks designated as school zones; provided that appropriate signs are erected giving notice of such speed limits and the times said limits are in force, said times to be determined by the Chief of Police with the consent of the City Council.
(3) All vehicles 25 miles per hour in any residential district and on other streets within the City except where modified by engineering and traffic investigation as provided hereafter in subsection (b) of this Section. The maximum speed limit established by or pursuant to this paragraph shall be of force and effect regardless of whether signs are posted giving notice thereof and notwithstanding any signs giving notice of maximum speed limits in excess thereof, and any sign giving notice of a maximum speed limit in excess of the limits established by or pursuant to this paragraph shall not be of any force or effect, subject to the following exception.
(b) The Chief of Police is hereby authorized and empowered to designate maximum speed zones when he or she shall find and determine that such regulation is necessary for safety purposes or to expedite traffic, to the extent any such regulation is not in conflict with any law of the City. The Chief of Police shall, following ratification of his or her designations under this subsection by the Governing Body, place and maintain the necessary traffic control signs and devices.

(c) Whenever the Chief of Police shall determine upon the basis of an engineering and traffic investigation that any speed limit herein set forth is greater or less than is reasonable or safe under the conditions found to exist, the Governing Body shall declare by resolution a reasonable and safe speed limit consistent with applicable state and local statutes which shall be effective at all times or during daytime or nighttime or at such other times as may be determined when appropriate signs giving notice thereof are erected pursuant to Council action and K.S.A. 8-1560 and 8-2002. It shall be unlawful for any person to drive a vehicle at a speed in excess of such declared maximum limits.

14-103. SAME. Section 68 (Article 11) of the standard traffic ordinance incorporated in Section 14-101 of this article shall be amended to read as follows:

Sec. 68. Pedestrians on Highways.
(a) Where a sidewalk is provided and its use is practicable, it shall be unlawful for any pedestrian to walk, jog or run along and upon an adjacent roadway.
(b) Where a sidewalk is not available, any pedestrian walking, jogging or running along and upon a highway shall walk, jog or run only on a shoulder, as far as practicable from the edge of the roadway.
(c) Where neither a sidewalk nor a shoulder is available, any pedestrian walking, jogging or running along and upon a highway shall walk, jog or run as near as practicable to an outside edge of the roadway, and, if on a two-way roadway, shall walk, jog or run only on the left side of the roadway.
(d) Except as otherwise provided in this ordinance, any pedestrian upon a roadway shall yield the right-of-way to all vehicles upon the roadway.

14-104. SAME. Section 136 (Article 15) of the standard traffic ordinance incorporated in Section 14-101 of this article shall be amended to read as follows:

Sec. 136. Use of Coasters, Roller Skates and Similar Devices Restricted.
(a) No person upon roller skates, or riding in or by means of any coaster, toy vehicle, or similar device, shall:
(1) go upon any roadway except while crossing a street at a crosswalk and except upon streets set aside as play streets.
(2) operate such a device on any public tennis court.
(3) operate such a device on any private parking area or lot where signs are posted giving notice of such prohibition. This prohibition shall not be applicable unless the following signage is clearly and properly posted at all entrances to said private parking lot or area, to wit:

NOTICE
Pursuant to Section 14-104 of the Code of the City of Leawood, Kansas, no roller skates, coaster, rollerblades, skateboard, toy vehicle or similar device may be operated in this parking lot or area. Conviction will result in a $25.00 fine.
(b) Whenever any person is operating such a device upon a useable path or sidewalk, such person shall yield the right-of-way to any pedestrian and shall give an audible signal before overtaking and passing such pedestrian.

(c) Any person found guilty of a violation of this section shall be fined $25.00.

14-105 Traffic Regulations on Private Property. Whenever the person in possession or control of any private property used by the public for purposes of vehicular traffic by permission of the owner, shall cause to be posted at each entrance thereto a permanently lettered clearly legible sign with the following legend:

"TRAFFIC REGULATIONS OF THE CITY OF LEAWOOD ENFORCED ON THIS PROPERTY. SPEED LIMIT 15 M.P.H." (or as posted.)

Then such private property shall thereafter be deemed to be under the traffic regulations of the city as provided by law.

14-106 TRAFFIC INFRACTIONS AND TRAFFIC OFFENSES.

(a) An ordinance traffic infraction is a violation of any section of this ordinance that prescribes or requires the same behavior as that prescribed or required by a statutory provision that is classified as a traffic infraction in K.S.A. 8-2118.

(b) All traffic infractions which are included within this ordinance, and which are not ordinance traffic infractions, as defined in subsection (a) of this section, shall be considered traffic offenses.

14-107 PENALTY FOR SCHEDULED FINES. The fine for violation of an ordinance traffic infraction or any other traffic offense for which the municipal judge establishes a fine in a fine schedule shall not be less than $10 nor more than $500. A person tried and convicted for violation of an ordinance traffic infraction or other traffic offense for which a fine has been established in a schedule of fines shall pay a fine fixed by the court not to exceed $500.

Section 2. Repeal of Existing Article. That existing Article 1 of Chapter 14 (Sections 14-101:105) of the Code of the City of Leawood is hereby repealed. (Prior law: Sections 14-101:104, Ord. No. 1612 C and Section 14-105, Ord. No. 1771C)

Section 3. Validity of Ordinance. That should any section, paragraph, sentence, clause or phrase of this ordinance be declared unconstitutional or invalid for any reason, the remainder of this ordinance shall not be thereby affected.

Section 4. Take Effect. That this ordinance shall take effect and be in force from and after its publication in the official City newspaper.

Passed by the Council the 17th day of May, 1999.

Approved by the Mayor the 17th day of May, 1999.

ORDINANCE NO. 1797 C

AN ORDINANCE ADOPTING THE 1998 EDITION OF THE “UNIFORM PUBLIC OFFENSE CODE FOR KANSAS CITIES”.

Be it ordained by the Governing Body of the City of Leawood:

Section 1. Code Amended. That Article 1 of Chapter 11 (“Public Offenses”) of the Code of the City of Leawood is hereby amended to read as follows:

ARTICLE 1. UNIFORM OFFENSE CODE

11-101. UNIFORM CODE INCORPORATED. There is hereby incorporated by reference for the purpose of regulating public offenses within the corporate limits of the City of Leawood, Kansas, that certain code known as the “Uniform Public Offense Code for Kansas Cities”, 1998 Edition, prepared and published in book form by the League of Kansas Municipalities, Topeka, Kansas, save and except such articles, sections, parts or portions as are hereafter omitted, deleted, modified or changed. No fewer than three copies of said Uniform Public Offense Code shall be marked or stamped “Official Copy as Adopted by Ordinance No. ______.” with all sections or portions thereof intended to be omitted or changed clearly marked to show any such omission or change and to which shall be attached a copy of this ordinance, and filed with the city clerk to be open to inspection and available to the public at all reasonable hours.

11-102. SAME; AMENDMENT. Section 3.1 of the Uniform Code incorporated in Section 11-101 above is hereby amended to read as follows:

3.1 BATTERY.
   (a) Battery is:
      (1) Intentionally or recklessly causing bodily harm to another person; or
      (2) Intentionally causing physical contact with another person when done in a rude, insulting or angry manner.

Battery is a Class B violation.

11-103. SAME; AMENDMENT. Section 6.16 of the Uniform Code incorporated in Section 11-101 above is hereby amended to read as follows:

6.16. GIVING A WORTHLESS CHECK
   (a) Giving a worthless check is the making, drawing, issuing or delivering or causing or directing the making, drawing, issuing or delivering of any check, order or draft on any bank, credit union, savings and loan association or depository for the payment of money or its equivalent with intent to defraud and knowing, at the time of the making, drawing, issuing or delivering of such check, order or draft, that the maker or drawer has no deposit in or credits with the drawee or has not sufficient funds in, or credits with, the drawee for the payment of such check, order or draft in full upon its presentation.
   (b) In any prosecution against the maker or drawer of a check, order or draft payment, of which has been refused by the drawee on account of insufficient funds, the making, drawing, issuing or delivering of such check shall be prima facie evidence of intent to defraud and of knowledge of insufficient funds in, or on deposit with, the drawee:
      (1) unless the maker or drawer pays the holder thereof the amount due thereon and a service charge as established and in effect by adoption of the annual City fee resolution, within seven days after notice has been given to the maker or drawer that
such check, draft or order has not been paid by the drawee. As used in this section, notice includes oral or written notice to the person entitled thereto. Written notice shall be presumed to have been given when deposited as restricted matter in the United States mail, addressed to the person to be given notice at such person's address as it appears on such check, draft or order; or
(2) if a postdated date is placed on the check, order or draft without the knowledge or consent of the payee.
(c) It shall not be a defense to a prosecution under this section that the check, draft or order upon which such prosecution is based:
(1) Was postdated, unless such check, draft or order was presented for payment prior to the postdated date; or
(2) Was given to a payee who had knowledge or had been informed, when the payee accepted the check, draft or order, that the maker did not have sufficient funds in the hands of the drawee to pay such check, draft or order upon presentation, unless such check, draft or order was presented for payment prior to the date the maker informed the payee there would be sufficient funds. (K.S.A. Supp. 21-3707, as amended)

Giving a worthless check is a Class A violation if the check, draft or order is drawn for less than $500 except when the person has, within five years immediately preceding commission of the offense, been convicted of giving a worthless check two or more times, in which case it is a felony under state statute.

11-104. SAME. Section 10.1 of the Uniform Code incorporated in Section 11-101 above is hereby amended to read as follows:

10.1. CRIMINAL USE OF WEAPONS.
(a) Criminal use of weapons is knowingly:
(1) Selling, manufacturing, purchasing, possessing or carrying any bludgeon, sand-club, metal knuckles, throwing star, or any knife, commonly referred to as a switchblade, which has a blade that opens automatically by hand pressure applied to a button, spring or other device in the handle of the knife, or any knife having a blade that opens or falls or is ejected into position by the force of gravity or by an outward, downward, or centrifugal thrust or movement;
(2) Carrying concealed on one's person, or possessing with the intent to use the same unlawfully against another, a dagger, dirk, billy, blackjack, slingshot, dangerous knife, straight-edged razor, stiletto or any other dangerous or deadly weapon or instrument of like character, except that an ordinary pocket knife with no blade more than four inches in length shall not be construed to be dangerous knife, or a dangerous or deadly weapon or instrument;
(3) Carrying on one's person or in any land, water or air vehicle, with intent to use the same unlawfully, a tear gas or smoke bomb or projector or any object containing a noxious liquid, gas or substance;
(4) Carrying any pistol, revolver or other firearm:
   (i) concealed on one's person except when on the person's land or in the person's abode or fixed place of business;
   (ii) openly or visibly on the person at any place open to public view;
   (iii) within the passenger compartment of any vehicle in transport unless the weapon is unloaded and in a case;
(5) Setting a spring gun;
(6) Possessing or transporting any incendiary or explosive material, liquid, solid or mixture, equipped with a fuse, wick or any other detonating device, commonly known as a molotov cocktail or a pipe bomb.
(b) Subsections (a) (a), (2), (3) and (4) shall not apply to or affect any of the following:

(1) Law enforcement officers, or any person summoned by any such officers to assist in making arrests or preserving the peace while actually engaged in assisting such officer;
(2) Wardens, superintendents, directors, security personnel and keepers of prisons, penitentiaries, jails and other institutions for the detention of persons accused or convicted of crime, while acting within the scope of their authority;
(3) Members of the armed services or reserve forces of the United States or the Kansas National Guard while in the performance of their official duty; or
(4) Manufacture of, transportation to, or sale of weapons to a person authorized under (b) (1) through (b) (3) of this section to possess such weapons.

(c) Subsection (a) (4) does not apply to or affect the following:

(1) Watchmen, while actually engaged in the performance of the duties of their employment;
(2) Licensed hunters while engaged in hunting;
(3) Private detectives licensed by the state to carry the firearm involved, while actually engaged in the duties of their employment;
(4) Detectives or special agents regularly employed by railroad companies or other corporations to perform full-time security or investigative service, while actually engaged in the duties of their employment; or
(5) The state fire marshal, the state fire marshal's deputies or member of a fire department authorized to carry a firearm pursuant to K.S.A. Supp. 31-157 and amendments thereto, while engaged in an investigation in which such fire marshal, deputy or member is authorized to carry a firearm pursuant to K.S.A. 31-157 and amendments thereto.
(6) Special deputy sheriffs in counties over 100,000 population who have satisfactorily completed the basic course of instruction required for permanent appointment as a part-time law enforcement officer.

(d) Subsections (a) (1) and (6) shall not apply to any person who sells, purchases, possesses or carries a firearm, device or attachment which has been rendered unserviceable by steel weld in the chamber and marriage weld of the barrel to the receiver and which has been registered in the national firearms registration and transfer record in compliance with 26 U.S.C. 5841 et seq. in the name of such person and, if such person transfers such firearm, device or attachment to another person, has been so registered in the transferee's name by the transferor.

(e) It shall be a defense that the defendant is within an exemption. (K.S.A. 21-4201)

Violation of this section is a Class A violation.

11-105. SAME. Section 10.5 of the Uniform Code incorporated in Section 11-101 above shall be amended to read as follows:

10.5. UNLAWFUL DISCHARGE OF FIREARMS. Unlawful discharge of firearms is the discharging or firing of any gun, rifle, pistol, revolver or other firearm within the city. This section shall not be construed to apply:
(a) To the discharge of firearms by any duly authorized law enforcement officer when necessary in the discharge of his or her official duties;
(b) To the discharge of firearms in any licensed shooting gallery;
(c) To firing squads for ceremonials; nor
(d) To a legitimate gunsmith in pursuit of his or her trade; nor
(e) To an established trap or skeet range upon the premises of any private club, which club was in existence upon the same property prior to the date of the incorporation of the City, from 10:00 a.m. to 5:00 p.m., solely for recreational purposes, provided that the club rules and changes therein related to the types of weapons and loads will be first submitted to the Chief of Police for approval; provided further that the distance from the muzzle direction of the appropriate firearm so used shall not be less than 1,000 feet from the boundary line of any adjacent property owned by another.

Unlawful discharge of firearms is a Class B violation.

11-106. SAME. Section 10.6 of the Uniform Code incorporated in Section 11-101 above shall be amended to read as follows:

10.6. AIR GUN, AIR RIFLE, BOW AND ARROW, SLINGSHOT OR BB GUN.
(a) The unlawful operation of an air gun, air rifle, bow and arrow, slingshot or BB gun is the shooting, discharging or operating of any air gun, air rifle, bow and arrow, slingshot or BB gun, within the city, except within the confines of a building or other structure from which the projectiles cannot escape.
Unlawful operation of an air gun, air rifle, bow and arrow, slingshot or BB gun is a Class C violation.
(b) The unlawful possession of an air gun, air rifle, bow and arrow, slingshot or BB gun is the possession of an air gun, air rifle, bow and arrow, slingshot or BB gun with the intent to shoot, discharge, or operate the air gun, air rifle, bow and arrow, slingshot or BB gun within the city, except within the confines of a building or other structure from which the projectiles cannot escape.

Unlawful possession of an air gun, air rifle, bow and arrow, slingshot or BB gun is a Class C violation.

11-107. SAME. Section 10.13 of the Uniform Code incorporated in Section 11-101 above shall be amended to read as follows:

10.13 BARBED WIRE. It shall be unlawful for any person to construct, set up or maintain any barbed wire or barbed wire fence or enclosure with the city, except on property zoned for agricultural purposes.

Violation of this section is a Class C violation.

11-108. SAME. Section 11.11 of the Uniform Code, relating to Cruelty to Animals, incorporated in Section 11-101 above is hereby omitted and deleted.

Section 2. Repeal of Existing Article. That existing Article 1 of Chapter 11 (Sections 11-101:109) of the Code of the City of Leawood is hereby repealed. (Prior law: Ord. No. 1614 C)

Section 3. Validity of Ordinance. That should any section, paragraph, sentence, clause or phrase of this ordinance be declared unconstitutional or invalid for any reason, the remainder of this ordinance shall not be thereby affected.
Section 4. Take Effect. That this ordinance shall take effect and be in force from and after its publication in the official City newspaper.

Passed by the Council the 17th day of May, 1999.

Approved by the Mayor the 17th day of May, 1999.

ORDINANCE NO. 1797 C

AN ORDINANCE ADOPTING THE 1998 EDITION OF THE "UNIFORM PUBLIC OFFENSE CODE FOR KANSAS CITIES."

Be it enacted by the Governing Body of the City of Lawrence;

Section 1. Code Amended. That Article 11 of Chapter 11 ("Public Offenses") of the Code of the City of Lawrence is hereby amended to read as follows:

ARTICLE 1. UNIFORM OFFENSE CODE

11-101. UNIFORM CODE INCORPORATED. There is hereby incorporated by reference for the purpose of this Code, the Uniform Public Offense Code within the corporate limits of the City of Lawrence, Kansas, that certain code known as the "Uniform Public Offense Code for Kansas Cities," 1998 Edition, prepared except as noted herein, and published in book form by the League of Kansas Municipalities, Topeka, Kansas, shall be read and construed. No fewer than three copies of said Uniform Public Offense Code shall be marked or stamped "Official Copy as Adopted by Ordinance No. ___," with all sections or portions thereof marked to be intended to be amended or changed or deleted only to show any such omission or change and to become available to the public at all reasonable hours.

11-102. SAME; AMENDMENT. Section 3.1 of the Uniform Code incorporated in Section 11-101 above is hereby amended to read as follows:

3.1 BATTERY.
(a) Battery is:
(1) Intentionally or knowingly causing bodily harm to another person; or
(2) Intentionally causing physical contact with another person when done in a rude, insulting or angry manner.

Battery is a Class B violation.

11-103. SAME; AMENDMENT. Section 8.18 of the Uniform Code incorporated in Section 11-101 above is hereby amended to read as follows:

6.16. GIVING A WORTHLESS CHECK
(a) Giving a worthless check is the making, drawing, issuing or delivering or causing or directing the making, drawing, issuing or delivering of any check, order or draft on any bank, credit union, savings and loan association or person, for the payment of money or its equivalent with intent to defraud and knowing that the holder of such check, order or draft, the maker or drawer thereof or any person acting on behalf of such maker or drawer, has no sufficient funds therefor, with intent to defraud or obtain transfer of such funds.

(b) Giving a worthless check is a Class C violation.

11-104. SAME. Section 10.1 of the Uniform Code incorporated in Section 11-101 above is hereby amended to read as follows:

10.1 CRIMINAL USE OF WEAPONS.
(a) Criminal use of weapons is knowingly or intentionally:
(1) Firing any firearm at a vehicle, building, animal, insect or other vehicle, or for the purpose of causing any such vehicle, building, animal, insect or other vehicle to be moved or when done in a reckless or negligent manner, or
(2) Firing any firearm at any vehicle, building, animal, insect or other vehicle, or for any amusement, profit or sport.

(b) Subsections (a) (1), (2), (3) and (4) shall not apply to or affect any of the following:
(1) Law enforcement officers, or any person summoned by such officers to assist in making arrests or preserving the peace while actually engaged in assisting such officer;
(2) Wardens, superintendents, directors, security personnel and Keepers of Prisons, Penitentiaries, jails and other institutions for the detention of persons accused or convicted of crime, while acting within the scope of their authority;
(3) Members of the armed services or reserve forces of the United States or the Kansas National Guard while in the performance of their official duty; or
(4) Manufacturing, transporting or selling, or at the request of a person authorized under (b) (1) through (b) (3) of this section to possess such weapons.

(c) Subsection (a) (4) does not apply to the performance of the duties of their employment;
(5) Licensed hunters while actually engaged in hunting;
(6) Private detectives licensed by the state to carry the firearm involved, while actually engaged in the duties of their employment;

ORDINANCE NO. 1796

AN ORDINANCE AMENDING THE CODE OF THE CITY OF LEAWOOD BY ADOPTING A NEW CHAPTER II (ANIMALS) AND REPEALING EXISTING PROVISIONS PERTAINING TO THE SAME SUBJECT.

Be it Ordained by the Governing Body of the City of Leawood:

Section 1. Code Amended. That the Code of the City of Leawood is hereby amended by adopting a new Chapter II (Animals) which shall read as follows:

CHAPTER II. ANIMALS

Article 2. Dogs and Cats
Article 3. Livestock and Fowl
Article 4. Animal Control Officer
Article 5. General Penalties

ARTICLE 1. GENERAL PROVISIONS

2-101. PURPOSE.

It is the intent of this Chapter to promote harmonious relationships in the interaction between humans and animals by:

(a) protecting animals from improper use, abuse, neglect, exploitation, inhumane treatment and health hazards; and

(b) delineating the responsibilities of an animal owner, harborer or keeper for the acts and behavior of such animal; and

(c) providing security to citizens from annoyance, intimidation, injury, and health hazards by an animal; and

(d) encouraging responsible pet ownership; and

(e) providing standards for any and all persons and agencies, public or private, engaged in confinement, buying, selling, harboring, or dealing in animals in any manner whatsoever.

2-102. DEFINITIONS.
The following words, terms and phrases, when used in this Chapter, shall have the meanings ascribed to them as follows, except where the context clearly indicates a different meaning:

(a) *Abandonment* includes the following acts by an owner, harborer or keeper of an animal:
   (1) leaving an animal on private or public property without providing responsible animal care for the animal; or
   (2) refusing to pay for the care of an animal when an animal becomes lost or escapes and another person cares for the animal; or
   (3) refusing to claim responsibility for the actions of an animal; or
   (4) refusing to pay for an animal which has been impounded pursuant to this Chapter.

(b) *Adequate feeding* is providing to an animal at suitable intervals (not to exceed 24 hours) a quantity of wholesome foodstuff, suitable for the animal according to the species and age of the animal, that is sufficient to maintain a reasonable level of nutrition for the animal.

(c) *Adequate watering* is providing to an animal clean fresh, potable water, supplied in a sanitary manner either continuously or at intervals suitable for the species of the animal, but not to exceed intervals of 10 hours.

(d) *Animal* means any living, vertebrate creature, domestic or wild, other than lobster, shrimp, clams, fish in an aquarium, and humans.

(e) *Animal Control Officer* hereinafter A.C.O. is a person employed by, contracted with or appointed by the state, or any political subdivision thereof, for the purpose of aiding in the enforcement of this ordinance, or any other law or ordinance relating to the licensing or permitting of animals, control of animals or seizure and impoundment of animals, and includes any state, county or municipal law enforcement officer, whose duties in whole or in part include the assignments which involve the seizure or taking into custody of any animal.

(f) *Animal Shelter* is any premises designated by the city for the purpose of impounding and/or quarantining and/or caring for animals.

(g) *Bite* means any contact between the teeth of an animal and the skin of another animal or person which causes visible trauma, such as a puncture would, laceration, abrasion, or other opening of the skin.

(h) *Bureau of Licenses*, hereinafter B.O.L. means the City Clerk or other person designated by the City Administrator to issue licenses and regulations governing the issuance of licenses pursuant to this Chapter.

(i) *Cat* shall be defined as *felis domesticus*.

(j) *Dangerous Animal* means any wild mammal, reptile or bird which is not naturally tame or gentle but is of a wild nature or disposition and which because of its size, vicious nature or other characteristics, would constitute a danger to human life or property if it is not kept or maintained
in a safe manner in secured quarters. This includes any animal which is a wild/domestic animal hybrid.

(k) Dog shall be defined as *canis familiaris* only (not as hybrids such as *familiaris/lupus or familiaris/latrans*).

(l) Domestic Animal means any animal tamed by humans.

(m) Euthanasia is the humane killing of an animal by a method which produces instantaneous unconsciousness and immediate death without visible evidence of pain or suffering.

(n) Harborer means any person who provides food and/or shelter for an animal for seven consecutive days or more.

(o) Inoculation for Rabies or Vaccination for rabies means the inoculation of an animal by a licensed veterinarian with a vaccine approved by the State of Kansas for use in the prevention of rabies.

(p) Keeper shall mean any person temporarily entrusted with the care and custody of an animal.

(q) Kennel means any person engaged in the business of breeding, buying, selling, or boarding dogs and cats.

(r) Nuisance means an animal:
   (1) is unsecured; or
   (2) acts in a manner that would disturb a reasonable person other than the owner, harborer or keeper of the animal by growling or biting at a person; or
   (3) chases, molests, or acts in a manner toward a person other than the owner, harborer or keeper that reasonably disturbs a person; or
   (4) attacks animals other than wild animals; or
   (5) damages the property of a person other that the owner, keeper or harborer; or
   (6) barks, bays, howls, or makes any other noise that reasonably tends to disturb a person that has signed a statement (which can be recorded by the A.C.O.) setting forth facts concerning the volume, time, and length of barking. Said person making such statement must agree in writing to testify in court if requested; or
   (7) creates odors that would offend a reasonable person other than the owner, keeper or harborer of the animal; or
   (8) defecates on public property; or
   (9) defecates on private property without the permission of the owner of said property; or
   (10) becomes or creates an insect breeding site; or
   (11) is ridden on public property and obstructs or interferes with vehicular or pedestrian traffic; or
   (12) threatens or endangers public health; or
   (13) impedes refuse collections; or
   (14) acts in any other manner that interferes with the enjoyment of property by a person other than the owner, harborer or keeper of the animal.
(s) **Person** means any individual, association, partnership, corporation or any other group.

(t) **Pet Shop** means any person engaged in the business of breeding, buying, selling, or boarding animals in any species.

(u) **Primary Enclosure** means any structure used or designed to restrict any animal to a limited space, such as a room, pen, cage, compartment or hutch.

(v) **Responsible animal care** means any owner, harborer, or keeper of any animal must provide:
   (1) adequate feeding; and
   (2) adequate watering; and
   (3) proper and comfortable shelter; and
   (4) veterinary care to prevent the animal from suffering and to provide for the health and well-being of the animal, including customary inoculations to maintain good health; and
   (5) humane treatment and socialization for the needs of the animal; and
   (6) sanitary conditions, including making physically clean and the prompt removal and sanitary disposal of all excreta; and
   (7) the required amount of appropriate exercise to promote the good health of the animal.

(w) **Secured animal** means any animal other than a cat that is:
   (1) attached to a hand-held lead not more than 8 feet in length and prevented from making uninvited contact with humans or other animals; or
   (2) safely tethered to a chain or leash not more than 8 feet in length provided the animal is under the direct and constant observation of and control of the owner, keeper or harborer and prevented from making uninvited contact with humans or other animals; or
   (3) confined to a cage, pen, vehicle, or trailer; or
   (4) on the premises of the owner, harborer or keeper and under control of a responsible person and obedient to the command of that person.

(x) **Secured Enclosure** means a locked structure enclosing an area suitable to confine a vicious dog or a dangerous animal and suitable to prevent young children from coming in physical contact with said animal. The structure shall be comprised of a top, sides and bottom and shall be designed to prevent the animal from escaping. If the bottom of the structure is not attached to the sides, the sides must be embedded in the ground by no less than one foot.

(y) **Sell and/or Sold** means transfers by sale or exchange. Maintaining animals for sale is presumed whenever 20 or more animals are maintained by any person.

(z) **Shelter** means a structurally sound, properly ventilated, sanitary, weatherproof shelter suitable for the species, age and condition of the animal which provides shade from direct sunlight and regrass from exposure to inclement weather conditions. The shelter shall contain proper bedding material as appropriate for the species. The shelter shall be reasonably comfortable for the animal.

(aa) **Swine** means any of various stout-bodied, short-legged omnivorous mammals of the family **Suidea** with a thick bristly skin and a long mobile snout.
(bb) Trap means any mechanical device or snare which seeks to hold, capture or kill an animal.

(cc) Veterinary hospital means any establishment maintained and operated by a licensed veterinarian for the diagnosis and treatment of diseases and injuries of animals.

(dd) Vicious means having a disposition or propensity to attack or bite any person or animal without provocation.

(ee) Wild animal means an animal as defined at (d) herein that is not of a species customarily used as an ordinary household pet, but one which would ordinarily be confined to a zoo or one which would ordinarily be found in the wilderness of this or any other country, or one which otherwise causes a reasonable person to be fearful of bodily harm or property damage. Fish in an aquarium are not included in this definition.

2-103. ANIMAL ABUSE.

It shall be unlawful for any person to abuse any animal. Animal abuse includes, but is not limited to:

(a) ill-treating or tormenting an animal; willfully killing, maiming, disfiguring or torturing an animal; beating an animal with a stick, chain, club or any other object; mutilating, burning or scalding with any substance an animal; driving over or setting an animal upon another animal; or

(b) driving or working any animal mercilessly or in a manner that inflicts pain; or

(c) failing, refusing, or neglecting to provide any animal in their charge or custody with responsible animal care; or

(d) transporting an animal in the open bed of a truck unless properly restrained so as to prevent the animal from leaving or being thrown from the vehicle and/or transporting any animal in any vehicle in a manner that inflicts pain or in any other inhumane manner; or

(e) chaining, roping, or otherwise securing an animal without ensuring all of the following: that the animal will not become entangled; that the animal is within reach of its food and water and; that the animal is not in danger of becoming suspended and/or hung from any object or structure; or

(f) abandoning any animal within the city limits; or

(g) making accessible to an animal any substance which has in any manner been treated or prepared with a harmful or poisonous substance; or

(h) permitting or attending any dogfight, cockfight, bullfight or other combat between animals or between animals and humans; or

(i) cropping animal ears or docking animal tails except by a licensed veterinarian;

(j) offering to give or giving a live animal as a prize or as a business inducement; or

(k) failing to stop when operating a motor vehicle after striking a domestic animal and immediately rendering proper assistance and immediately reporting any injury or death to the owner of the animal unless the owner cannot be ascertained and located in which case said operator shall immediately report the incident to the Leawood Police Department; or

(l) training or encouraging an animal to fight or attack other animals or humans; or

(m) allowing an animal to have too much food or water.
2-104. TRAPPING.

(a) No person shall do any trapping anywhere in the city except by means of cage-type live traps.
(b) All traps shall be clearly marked with the name, address and telephone number of the owner of the trap or said trap shall be confiscated by the Police Department and destroyed if not claimed within six hours.
(c) All traps will be kept in good condition and proper working order and will be checked every six hours while set to insure that no animal is unreasonably suffering and to remove and properly dispose of the animal.
(d) This section does not apply to the use of traps specifically designed to kill rats, mice, gophers, squirrels or moles with the consent of the owner or occupant of the property where the trap is set.

2-105. FENCES.

(a) Fences utilized to contain any animal shall be as follows: securely constructed; adequate for the purpose; kept in good repair and; not be allowed to become unsightly.
(b) Invisible fences shall be maintained in accordance with the specifications of the manufacturer. An animal placed within an invisible fence shall be trained in accordance with the specifications of the manufacturer.
(c) Invisible fences shall be no closer than 10 feet from a public walk way or street, and it shall be unlawful to allow an animal, other than a domestic cat, to be confined solely within an invisible fence.

2-106. COMPLIANCE WITH FEDERAL REGULATIONS.

It shall be unlawful for any person to buy, sell or offer a native or foreign species or subspecies of mammal, bird, amphibian or reptile, or the dead body or parts thereof, which appears on the endangered species list designated by the United States Secretary of the Interior and published in the Code of Federal Regulations pursuant to the Endangered Species Act of 1969.

2-107. DEAD ANIMAL REMOVAL AND DISPOSAL.

The property owner where any animal has died and/or the owner, keeper or harborer of said animal shall remove and properly dispose of the remains of the animal. In the event of a failure to properly dispose of the remains of an animal, the Animal Control Officer may remove and dispose of the remains of the animal; and the property owner and/or owner, keeper or harborer of said animal will be responsible for any expenses involved in the removal and disposal of said animal.

2-108. INJURED OR ILL ANIMALS.

(a) If the owner of an injured or ill animal cannot immediately be contacted, the Animal Control Officer may seek aid for the animal. The owner of the animal will be responsible for any expenses for the treatment and board of the animal.
(b) In the event that a domestic animal is severely injured or ill and an owner can not be contacted immediately, the Animal Control Officer and his or her supervisor will decide if the animal will be euthanized.
(c) The Animal Control Officer may obtain care for any injured or ill wild animal within the city limits and/or euthanize such animal.

2-109. LIMITATIONS ON OWNERSHIP.

(a) It shall be unlawful for any person to own, harbor or keep more than two dogs and/or two cats over six months of age in the City of Leawood unless said person has properly obtained a permit allowing said person to keep a greater number of dogs and/or cats.

(b) An owner, harborer or keeper, including any person desiring to operate a circus, bona fide educational institution, bona fide medical institution, or bona fide museum, kennel, pet shop, bona fide licensed veterinary hospital, livery or riding stable, commercial zoo, zoological park, animal act, or similar place of exhibition of animals, may secure a permit to keep or harbor animals in excess of two dogs and/or two cats over six months of age upon adequately showing the City Council that special circumstances exist, and that it would not constitute a nuisance to the neighborhood, and further that the premises on which the animals are to be kept is suitably sited and equipped to accommodate the number of animals requested.

1. The A.C.O. must provide a copy of the application to the owner and/or occupants of property which is located within 350 feet of the premises where the animals are to be kept.

2. Written objections by the owners or occupants of two tracts of land, portions of which lie within 350 feet of the premises where the animals are to be kept, shall be held as sufficient evidence of nuisance to the neighborhood and no permit will be issued.

3. The City Council shall approve or deny such permits and have the authority to require stipulations in conjunction with the issuance of a permit.

4. The City Council may revoke any permit if the person holding the permit refuses or fails to comply with this Chapter, the regulations promulgated by the City Council, or any state or local law such as those governing cruelty to animals or the keeping of animals. Any person whose permit is revoked shall, within 10 days thereafter, sell or otherwise humanely dispose of all animals being owned, kept or harbored by such person and no part of the permit fee shall be refunded. It shall be a condition of the issuance of any permit that animal control officers, police officers, and any other person charged with the enforcement of this chapter, shall be permitted to inspect all animals and the premises where animals are kept at any time and if such permission for such inspection is refused, revoke the permit of the owner.

5. Owners may appeal a denial of a permit to the district court of Johnson County.

6. The permit fee will be as set forth in the fee schedule established and maintained by the City Administrator, as prescribed in Section 1-701 of the Code of the City of Leawood.

7. The permit will be valid only for the animals listed at the time of application for the permit, except for a circus, bona fide educational institution, bona fide medical institution, or bona fide museum, kennel, pet shop, bona fide licensed veterinary hospital, livery or riding stable, commercial zoo, zoological park, animal act, or similar place of exhibition of animals, which may substitute animals up to a certain number as approved by the City Council and set forth in the permit. If at any time there is a change in the number of animals or if another animal is brought in to replace one that is no longer on the property, except for a circus, bona fide educational institution, bona fide medical institution, or bona fide museum, kennel, pet shop, bona fide licensed veterinary hospital, livery or riding stable, commercial zoo, zoological park, animal act, or similar place of exhibition of animals, a new application shall be submitted and said application shall be subjected to a new investigation.
The permit will be valid for the life of the animal, unless otherwise limited in this Chapter as in the event of noncompliance with any other requirement herein.

2-110. KEEPING OF A DANGEROUS AND/OR WILD ANIMAL

(a) It shall be unlawful for any person to own, keep or harbor any dangerous or wild animal within the city limits except as herein provided.

(b) No person, other than the following entities, may keep a dangerous or wild animal for display or for exhibition purposes whether gratuitously or for a fee in the City of Leawood:

1. a zoological park; or
2. circus; or
3. bona fide licensed veterinary hospital; or
4. bona fide educational institution; or
5. bona fide medical institution; or
6. bona fide museum.

Any such person or entity applying for a permit to keep a dangerous animal in the city, shall also execute the following agreement, which shall be attached to the permit as Exhibit A:

EXHIBIT A
Agreement Permitting Inspections

I, ______________ have applied for a permit to keep a dangerous animal in the city, at premises known as _____________________________. I understand that keeping a dangerous animal can pose special problems for the city. I agree that a city animal control officer may enter the premises described as ______________ at any time with or without previous notice for the purpose of making an inspection. Such entry for inspection shall not include entry into any building or part of a building except locations where such animal is customarily kept or permitted to roam, and a way to get into such location.

Dated:__________________
Applicant: ______________

(c) This section does not apply to animals considered domesticated animals, including but not limited to dogs, cats, ferrets, rabbits, hamsters, guinea pigs, or domestic cage birds.

(d) This section does not apply to animals normally considered as livestock or farm animals, including but not limited to horses, mules, donkeys, cows, goats, sheep, swine, or fowl.

(e) It shall include, but is not limited to, lions, tigers, bobcats, all other members of the feline family, bears, wolves, coyotes, monkeys, apes, gorillas, poisonous or dangerous snakes or other reptiles, poisonous or dangerous insects, eagles, hawks, owls, other wild or dangerous members of the bird family, and any bird that is not captive bred domestically.

(f) The Federal Animal Welfare Act must be strictly followed if any dangerous animal is to be kept by a zoological park, circus, bona fide licensed veterinary hospital, bona fide educational or medical institution or museum.

(g) No person shall keep or permit to be kept any dangerous animal as a pet.

(h) Upon the written complaint of any person that a person owns or is keeping or harboring a dangerous animal within the city, the city shall conduct an investigation and if the investigation reveals evidence that indicates that such person named in the complaint is in fact the owner,
keeper or harborer of any such dangerous animal in the city, the city shall mail written notice to the property owner where the animal is located requiring the owner to safely remove the animal from the city within five days. Notice shall not be required where a dangerous animal has caused serious physical harm or death to any person or has escaped and is at large, in which case the city shall cause the animal to be immediately seized and impounded or killed, if seizure and impoundment are not possible without the risk of serious physical harm or death to any person.

(i) The city shall forthwith cause to be seized and impounded any dangerous animal where the person owning, keeping or harboring such animal has failed to comply with the notice sent. Upon seizure and impoundment, the animal shall be delivered to a place of confinement which may be with any organization which is authorized by law to accept, own, keep or harbor such animals. If, during the seizing and impounding of any such animal, the animal poses a risk of serious physical harm or death to any person, such person or persons authorized by the city may render said animal immobile by means of tranquilizers or other safe drugs or if that is not safely possible, then said animal may be killed.

(j) Any reasonable expenses incurred by the city in seizing, impounding and confining any dangerous animal shall be charged against the owner, keeper or harborer of such animal. Such charges shall be in addition to any fine or penalty provided for violating this ordinance.

2-111. VIOLENT ANIMAL

(a) It shall be unlawful to own, harbor or keep a vicious animal within the city of Leawood except as provided in this Chapter.

(b) The owner of an animal that has been found and/or declared to be vicious in any jurisdiction, must within ten days of the conviction and/or declaration provide to the animal control officer two color photographs of the animal clearly showing the color, approximate size and any distinguishing markings on the animal.

(c) All vicious animals shall be confined in a secured enclosure as defined in this Chapter. It shall be unlawful for any owner, keeper or harborer to allow a vicious animal to be outside of the dwelling of the owner or outside of the enclosure unless it is necessary to obtain veterinary care for the vicious animal or to sell or give away the vicious animal or to comply with commands or directions of the Animal Control Officer with respect to the vicious animal. In such event, the vicious animal shall be securely muzzled and restrained with a chain having a minimum tensile strength capable of keeping said animal attached to said chain and not exceeding three feet in length, and shall be under the direct control and supervision of the owner, keeper or harborer of the vicious animal. The muzzle shall be made in a manner that will not cause injury to the animal or interfere with its vision or respiration, but shall prevent it from biting any human or animal.

(d) The owner of a vicious animal shall display in a prominent place on the premises a clearly visible warning sign indicating that there is a vicious animal on the premises and state whether it is a dog or cat. A similar sign is required to be posted on the pen or the kennel of the animal.

(e) No vicious animal may be kept on a porch, patio or in any part of a house or structure that would allow the animal to exit such building on its own volition. In addition, no such animal may be kept in a house or structure when the windows are open or when screen windows or screen doors are the only obstacle preventing the animal from exiting the structure.

(f) Unless otherwise Ordered by the Judge after being convicted of owning, keeping or harboring
a vicious animal, said owner, harborer of keeper shall present satisfactory evidence to the City Clerk that the owner has procured liability insurance in the amount of at least five hundred thousand dollars ($500,000) covering any damage or injury which may be caused by such vicious animal during any twelve month period for which a license is sought. The policy shall contain a provision requiring the City to be named as additional insured for the sole purpose of the City to be notified by the insurance company of any cancellation, termination or expiration of the liability insurance policy. The owner shall maintain and not voluntarily cancel the liability insurance required by this section during the twelve-month period for which the license is being sought, unless the owner shall cease to own the vicious animal prior to the expiration of the license.

(g) Trained police dogs utilized by properly certified law enforcement officers in the course of official duty shall be exempt from the provisions of this section.

(h) A vicious cat must be declawed by a licensed veterinarian.

(i) Upon conviction of a first offense, the general penalty for this Chapter shall apply.

(j) Upon conviction of a second offense, the Court shall order the animal permanently removed from the City within three days or euthanized. Should the order of the Court be appealed, the animal must be removed from the City pending disposition of the appeal. Failure to comply with the removal order shall result in the animal being impounded and shall be punishable by a fine of $500.00 per day that the vicious animal remains in the City and/or one year confinement in the county jail.

(k) A permit for the keeping of a vicious animal shall be issued for one year upon payment of a fee of $50.00 to the Police Department of the city and will be deemed to have expired one year from date of issuance. The person to whom a permit is issued shall sign a written agreement, on a form approved by the city attorney, permitting the animal control officer to inspect the permittee's premises from time to time. The permittee shall pay $20.00 for each inspection provided that if more than four inspections are made of any premises in any permit year, the permittee shall not be required to pay for more than four inspections. Until the city attorney authorizes the use of a different form, such agreement shall be worded substantially the same as the form entitled "Exhibit A-Agreement Permitting Inspections", the text of which is found elsewhere in this ordinance in Section 2-110. Failure to comply with any of the foregoing requirements in this Section 2-111 shall be grounds to revoke such permit.

2-112. BITE AND SCRATCH PROCEDURES

(a) When any animal has bitten or attacked any person within the City limits of Leawood, and/or when an animal is suspected of having rabies, it shall be the duty of any person having knowledge of such to report the same immediately to the Police Department.

(b) Except as provided in subsection (f) herein, an animal alleged to have bitten or otherwise so injured a person causing an abrasion of the skin, shall immediately be quarantined at the expense of the owner with a licensed veterinarian within Johnson County, Kansas for a period of ten days.

(c) If the owner, keeper or harborer of the animal alleged to have bitten or injured a person can not be immediately contacted, the Leawood Police Department and/or the A.C.O. shall immediately impound such an animal at the expense of the owner for not less than ten days. If the address of the owner can be determined, the Leawood Police Department shall mail a notice to the owner that the animal has been impounded under the provisions of this section. The owner has the right
to redeem the animal if that animal is determined to be free of rabies at the expiration of
confine ment upon payment of all expenses including the boarding, any veterinarian fees and any
license and penalty fees due and owing the city. There may be conditions concerning the
keeping, housing and handling of the animal that the owner, keeper or harborer must follow until
the municipal judge determines how the animal shall be kept.

(d) In the event the original place of quarantine is not the choice of the owner, the owner may
request a change of place of quarantine to a licensed veterinarian of the owner’s choice in
Johnson County, Kansas from the A.C.O. The A.C.O. shall insure that the place of quarantine
and licensed veterinarian complies with all provisions of this article. The total period of
confinement of the animal is a period of not less than ten days. No credit shall be given for any
period of time the animal remained at large.

(e) The veterinarian with whom the animal is quarantined shall provide a written report to the police
department as to the health of the animal immediately after receiving any information concerning
rabies.

(f) In the event that the investigating officer determines:
(1) that the animal which injured the person did so while properly secured on or within the
property of the owner, harborer of keeper of the animal; and
(2) that the person injured was upon the property without the consent of the owner; and
(3) that the animal had an effective rabies vaccine and was duly licensed under this article at
the time of the injury, then the animal need not be impounded in accordance with Section
2-112 (a), but the following alternative procedure shall be followed:
(i) If the injured person or legal guardian desires that the animal be impounded and agrees
in writing to pay for the board during the period of impoundment, it shall be
impounded for the period specified notwithstanding any other provision of this article.
(ii) If the injured party or legal guardian is unwilling to agree in writing to pay for the
boarding of the animal during the period of impoundment, the animal shall be permitted
to remain confined in the residence of the owner or keeper, provided that the owner or
keeper signs a written agreement to keep the animal confined for the specified period
and allows the animal to be periodically examined by an animal control office to
determine its physical condition during the confinement period. If the owner or keeper
is unwilling to sign such an agreement, the animal shall be immediately impounded in
accordance with this chapter.

(4) It shall be unlawful to own, harbor, keep or in any manner be responsible for an animal that
bites or otherwise so injures a person causing an abrasion of the skin. The owner, harborer
or keeper of any animal that bites or otherwise so injures a person causing an abrasion of the
skin, shall be punished by a fine not of not less than $100.00 but not more than $500.00, or
by imprisonment of not more than 180 days, or by both such fine and imprisonment. The
Judge may also order that the animal be euthanized taking into consideration the nature and
severity of the incident and whether the animal has displayed dangerously aggressive
behavior and is likely to inflict injury on another person or animal.

2-113. UNSECURED ANIMAL

(a) It shall be unlawful for the owner, keeper or harborer of any animal to allow such animal to be
unsecured anywhere in the city.

(b) It shall be unlawful to abandon an animal.
(c) Unsecured or abandoned animals may be immediately euthanized if the Animal Control Officer or any other agent designated by the city believes that seizure and impoundment are not possible without the risk of serious physical harm or death to any person.

(d) If an animal is unsecured within the city limits, such animal may be seized by the Animal Control Officer or by any other agent designated by the city, and the animal shall be held seven days as provided by the animal shelter or agent, and if within that seven days the owner of the animal reports to the police department and pays the expenses of seizing, boarding, and caring for the animal, the animal may be released to the owner provided that the animal is not vicious or dangerous and is eligible to be released pursuant to this Chapter.

(e) If impounded, the police department will attempt to contact the owner, harborer or keeper of the animal. If the animal is not claimed within seven days, the animal may be adopted or euthanized as decided by the designated agent and/or the animal shelter.

2-114. ANIMAL NUISANCE

(a) It shall be unlawful for any person to appear with an animal on public property or the property of another, absent that person’s consent, without some means for the removal of excrement. It shall be unlawful for any person to fail to immediately remove any excrement deposited by his or her animal on any public or private property, other than the property of the owner of the animal. This section does not apply to a blind person while walking his or her work dog.

(b) It shall be unlawful for the owner, harborer or keeper of an animal to allow the animal to be exposed in any public place in the city, or to ship or remove such animal from the property of the owner, harborer or keeper, when the animal is afflicted with a contagious or infectious disease unless under the supervision of the Animal Control Officer or a licensed veterinarian.

(c) All female animals in heat shall be confined in an enclosure or building in such a manner that the animal can not come in contact with a male animal except for planned breeding.

(d) It shall be unlawful for the owner, keeper or harborer of any animal to allow that animal to create any type of nuisance as defined in this Chapter.

(e) Nuisance-Injunction: Any violation of this Section 2-113 is hereby declared to be a nuisance. In addition to any other relief provided by this ordinance, the city attorney may apply to a court of competent jurisdiction for an injunction to prohibit the continuation of any violation of this section. Such application for relief may include seeking a temporary restraining order, temporary injunction, and permanent injunction.

2-115. SALE OF ANIMALS. SPECIAL PERMIT AND BUSINESS LICENSE REQUIRED.

It shall be unlawful to attempt to sell and/or maintain for sale, and/or sell an animal without obtaining a special permit and business license from the Bureau of Licenses (BOL).

2-116. CHAPTER ADMINISTRATION.

The City Administrator is authorized to develop administrative regulations necessary to implement the provisions of this Chapter, including procedures for animal enumerations, animal shelter operation and such other fees required by this Chapter but not specified herein.
ARTICLE 2. DOGS AND CATS

2-201. LICENSING AND VACCINATIONS

(a) It shall be unlawful for any person to own, keep or harbor any dog or cat over six months old unless such dog or cat is licensed as provided herein. Any person bringing a dog or cat over six months old into the city on or after March 1 shall have thirty days from the day the animal is brought into the City to license the animal through the city’s Bureau of Licenses. If the animal is not licensed within the time required, the owner shall be subject to a penalty as set forth in the fee schedule established and maintained by the city administrator, as prescribed in Section 1-701 of the Code of the City of Leawood.

(b) An application provided by the BOL must be completed and submitted annually by any person owning, keeping or harboring a dog or cat. The application must include the following information:

(1) the name, address and telephone numbers of said person; and the dog or cat shall be identified by sex, age, breed, color, and call name; and

(2) the date (which must be within the past twelve months) of inoculation of the rabies vaccine, the name of the inoculating veterinarian and the rabies vaccine inoculation certificate number.

(c) It shall be unlawful for any person to own, keep or harbor any dog or cat over six months old unless such dog or cat is currently vaccinated against rabies. If a licensed veterinarian recommends that a dog or cat not be inoculated with a rabies vaccine for health purposes, the owner of such an animal will need to submit to the B.O.L., a statement from a licensed veterinarian on official letterhead specifying the reason that the animal should not be vaccinated.

(d) The owner or harborer of a dog or cat shall carefully preserve the current Certificate of Rabies Vaccination that was issued by a veterinarian at the time of the inoculation, and shall promptly present said certificate for inspection when requested to do so by an animal control officer or a police officer.

(e) A license fee and submission of the Certificate of Vaccination are required for a license. The license fees for sexually altered and unaltered dogs and cats are set forth in the fee schedule established and maintained by the City Administrator, as prescribed in Section 1-701 of the Code of the City of Leawood. Written proof by a licensed veterinarian that an animal has been neutered or spayed must be presented.

(f) Any person owning, keeping or harboring a work dog, as described below, shall be exempt from the license fee payment upon submittal of adequate proof that the dog has received a rabies vaccine inoculation and is fully trained as a work dog and is used regularly as a work dog.

(1) Dogs providing services for persons with disabilities; or

(2) Dogs utilized by law enforcement personnel.

(g) The license year shall be from January 1 through December 31 of each year. The fee shall be due and payable before March 1 of each year. A penalty, as set forth in the fee schedule established and maintained by the city administrator, as prescribed in Section 1-701 of the Code of the City of Leawood, shall be assessed on March 1 and every thirty days thereafter.

(h) Licenses shall be issued in the form of a durable tag which shall be worn at all times fastened to the collar or harness of the dog or cat. License tags shall not be transferable. If a tag is lost, a replacement tag will be issued upon sufficient evidence of prior licensing and payment of the charge as set forth in the fee schedule established and maintained by the city administrator.
(i) It shall be unlawful for any person to remove or cause to be removed, the collar, harness or the license tag from any licensed dog or cat without the consent of the owner, keeper or harborman of said dog or cat. Any dog or cat running at large and found not wearing a tag indicating that the dog or cat was licensed for the current year, shall be seized by the A.C.O. or Police Department.

(j) Persons that do not reside in Leawood may keep no more than two dogs and/or cats within the city for less than thirty days before licensing said dogs and cats.

ARTICLE 3. LIVESTOCK AND FOWL

2-301. KEEPING OF LIVESTOCK PROHIBITED

(a) It shall be unlawful for any person to own, keep or harbor a cow, a pig, a horse, a mule, a sheep, a goat, a chicken, a duck, a goose, or any other animal other than a cat or dog on any premises not zoned for agricultural purposes within the corporate limits of the city.

(b) This section shall include those animals considered miniature or pygmy breeds, including but not limited to, Vietnamese pot-bellied pigs, miniature horses and miniature goats.

(c) Nuisance-Injunction: Any violation of this Section 2-301 is hereby declared to be a nuisance. In addition to any other relief provided by this ordinance, the city attorney may apply to a court of competent jurisdiction for an injunction to prohibit the continuation of any violation of this section. Such application for relief may include seeking a temporary restraining order, temporary injunction, and permanent injunction.

2-302. KEEPING OF PIGEONS PROHIBITED

(a) It shall be unlawful to own, keep or harbor any pigeon including, but not limited to the following: any member of the family Columbidae, including racing pigeons, fancy pigeons and sporting pigeons.

(b) Nuisance-Injunction: Any violation of this Section 2-302 is hereby declared to be a nuisance. In addition to any other relief provided by this ordinance, the city attorney may apply to a court of competent jurisdiction for an injunction to prohibit the continuation of any violation of this section. Such application for relief may include seeking a temporary restraining order, temporary injunction, and permanent injunction.

ARTICLE 4. ANIMAL CONTROL OFFICER

2-401. DUTIES

Animal Control Officers are hereby charged with the duties of enforcing this ordinance and no person shall interfere with, hinder, molest or abuse such officers or other designated agents in the exercise of their powers or in the enforcement of this Chapter.

2-402. POWERS

Within the city limits of Leawood, the animal control officers and their designated agents may:
(a) Enter without a warrant upon private property to secure an animal or abate an animal nuisance where such animal is found in plain sight other than in a residential structure and to seize such animal from said private property.

(b) Enter without a warrant upon private property to apprehend a vicious animal, a dangerous animal, a wild creature or an animal suspected of being infected with rabies where such animal is found within plain sight other than in a residential structure and to seize such animal from said property.

(c) Enter without a warrant upon private property to investigate cruelty and/or abuse to animals, including but not limited to inspection of pet stores, stables, and other commercial animal establishments.

(d) File complaints against persons for violations of animal control ordinances and issue notices to appear in Municipal Court.

(e) Demand immediate presentation to the Animal Control Officer of an animal by its owner, harborer or keeper when there is a suspected violation of the Chapter. It shall be unlawful to fail, neglect or refuse to present an animal to the A.C.O., the designated agent of the city for purposes of enforcing this Chapter, or law enforcement personnel.

(f) Seize an animal which appears to be suffering or in imminent danger from cruelty or neglect.

ARTICLE 5. GENERAL PENALTIES

2-501. PENALTIES

(a) It is unlawful for any person to violate any of the provisions of this Chapter.

(b) Each day that a person is in violation of any section of this Chapter, constitutes a separate offense.

(c) Each section and subsection of the Chapter constitutes a separate violation for sentencing purposes.

(d) Any person convicted of a violation of this Chapter, where no other penalty is stated for said violation, shall be punished for that violation by a fine of not less than $50.00 but not more than $500.00, or by imprisonment of not more than 180 days, or by both such fine and imprisonment. These fines shall be in accordance with the minimum fine schedule set out in subsection (f) of this section.

(e) Whenever the penalty is to be a fine or a fine and imprisonment, the fine shall be no less than the minimum amount set out in the following:

1. First Offense.................................................................$ 50.00
2. Second Offense..............................................................$100.00
3. Third Offense..............................................................$300.00
4. Fourth and subsequent offense.........................................$500.00

In determining the applicable minimum fine, an offense shall be considered a subsequent offense only if the defendant has previously pleaded guilty or been found guilty of the same offense.

Section 2. Existing provisions repealed. That the existing sections contained in Chapter II of the Code of the City of Leawood (Animal Control) are hereby repealed.

(Prior law: Ord. No. 1327C)
Section 3. Take effect. This ordinance shall take effect and be in force from and after its publication in the official City newspaper.

Passed by the Council the 17 day of May, 1999.

Approved by the Mayor the 17 day of May, 1999.

My appointment expires: August 21, 1999.
AN ORDINANCE AMENDING THE CODE OF THE CITY OF LEAWOOD BY ADOPTING A NEW CHAPTER II (ANIMALS) AND REPEALING EXISTING PROVISIONS PERTAINING TO THE SAME SUBJECT.

Be it Ordained by the Governing Body of the City of Leawood:

Section 1. Code Amended. That the Code of the City of Leawood is hereby amended by adopting a new Chapter II (Animals) which shall read as follows:

CHAPTER II. ANIMALS

Article 2. Dogs and Cats

Article 3. Livestock and Fowl

Article 4. Animal Control Officer

Article 5. General Penalties

ARTICLE 1. GENERAL PROVISIONS

2-101. PURPOSE.

It is the intent of this Chapter to promote harmonious relationships in the interaction between humans and animals by:

(a) protecting animals from improper use, abuse, neglect, exploitation, inhumane treatment and health hazards; and

(b) delineating the responsibilities of an animal owner, harborer or keeper for the acts and behavior of such animal; and

(c) providing security to citizens from annoyance, intimidation, injury, and health hazards from an animal; and

(d) encouraging responsible pet ownership; and

(e) providing standards for any and all persons and agencies, public or private, engaged in confinement buying, selling, harboring, or dealing in animals in any manner whatsoever.

2-102. DEFINITIONS.

The following words, terms, and phrases, when used in this Chapter, shall have the meanings ascribed to them as follows, except where the context clearly indicates a different meaning:

(a) Abandonment includes the following acts by an owner, harborer or keeper of an animal:

(1) leaving an animal on private or public property without providing responsible animal care for the animal; or

(2) refusing to pay for the care of an animal when an animal becomes lost or escapes and another person cares for the animal; or

(3) refusing to claim responsibility for the actions of an animal; or

(4) refusing to pay for an animal which has been impounded pursuant to this Chapter.

(b) Adequate feeding is providing to an animal at suitable intervals (not to exceed 24 hours) a quantity of wholesome foodstuff, suitable for the animal according to the species and age of the animal, that is sufficient to maintain a reasonable level of nutrition for the animal.

(c) Adequate watering is providing to an animal clean, fresh, potable water, supplied in a sanitary manner either continuously or at intervals suitable for the species of the animal, but not to exceed intervals of 10 hours.

(d) Animal means any living, vertebrate creature, domestic or wild, other than fowl, shrimp, clams, fish in an aquarium, and humans.

(e) Animal Control Officer herein referred to as A.C.O. is a person employed by, contracted with or appointed by the City, or any political subdivisions thereof, for the purpose of aiding in the enforcement of this ordinance, or any other law or ordinance relating to the licensing or permitting of animals, control of animals or seizure and impoundment of animals, and includes any state, county or municipal law enforcement officer, whose duties in whole or in part include the assignments which involve the seizing or taking into custody of any animal.

(f) Animal Shelter is any premises designated by the city or the purpose for impounding and quarantine, and/or caring for animals.

(g) Bite means any contact between the teeth of an animal and the skin of another animal or person which causes visible trauma, such as a puncture wound, laceration, abrasion, or other opening of the skin.

(h) Bureau of Licenses, hearafter B.O.L. means the City Clerk or other person designated by the City Administrator to issue licenses and regulations governing the issuance of license pursuant to this Chapter.

(i) Car shall be defined as a vehicle occupied.

(j) Dangerous Animal means any wild mammal, reptile or bird which is not normally tame or gentle but is of a wild nature or disposition and which because of its size, vicious nature or other characteristics, would constitute a danger to human life or property if it is not kept or maintained in a safe manner in secured quarters. This includes any animal which is a wild/domestic animal hybrid.

(k) Dog shall be defined as canis familiaris only (not as hybrids such as familiaris/janus or familiaris/luniarum).

(l) Domestic Animal means any animal kept by humans.

(m) Euthanasia is the humane killing of an animal by a method which produces instantaneous unconsciousness and immediate death without visible evidence of pain or suffering.

(n) Harboring means any person who provides food and/or shelter for an animal for seven consecutive days or more.

(o) Inoculation for Rabies or Vaccination for Rabies means the inoculation of an animal by a licensed veterinarian with a vaccine approved by the State of Kansas for use in the prevention of rabies.

(p) Keeper shall mean any person temporarily entrusted with the care and custody of an animal.

(q) Kennel means any person engaged in the business of breeding, buying, selling, or boarding dogs and cats.

(r) Nuisance means an animal:

(1) is unowned; or

(2) acts in a manner that would disturb a reasonable person other than the owner, harborer or keeper of the animal by grunting or barking at a person; or

(3) chases, molests, or acts in a manner toward a person other than the owner, harborer or keeper that reasonably tends to disturb a person; or

(4) attacks animals other than wild animals; or

(5) damages the property of a person other than the owner, keeper, or harborer; or

(6) barks, howls, or makes any other noise that reasonably tends to disturb a person that has signed a statement (which can be recorded by the A.C.O.) setting forth those concerning the volume, time, and length of barking. Said person making such statement must agree in writing to notify in court if requested;

(7) creates odors that would offend a reasonable person other than the owner, keeper, or harborer of the animal; or

(8) defecates on public property; or

(9) defecates on private property without the permission of the owner of said property; or

(10) becomes or causes an insect breeding site; or

(11) is ridden on public property and obscures or interferes with vehicular or pedestrian traffic; or

(12) threatens or endangers public health; or

(13) impedes refuse collections; or

(14) acts in any other manner that interferes with the enjoyment of property by a person other than the owner, harborer or keeper of the animal.

(s) Person means any individual, association, partnership, corporation or any other group.

(t) Pet Shop means any person engaged in the business of breeding, buying, selling, or boarding animals in any species.

(u) Primary Enclosure means any structure used or designed to restrict any animal to a limited space, such as a room, pen, cage, compartment or hutch.

(v) Responsible animal care means any owner, harborer, or keeper of any animal must provide:

(1) adequate feeding; and

(2) adequate watering; and

(3) proper and comfortable shelter; and

(4) veterinary care to prevent the animal from suffering and to provide for the health and well-being of the animal, including customary inoculations to maintain good health and

(5) humane treatment and socialization to fit the needs of the animal; and

(6) sanitary conditions, including including maintaining physically clean and the prompt removal and sanitary disposal of all excreta; and

(7) the required amount of appropriate exercise to promote the good health of the animal.

(w) Secured animal means any animal other than a cat that is:

(1) attached to a hand-held lead not more than 8 feet in length and prevented from making unwanted contact with humans or other animals; or

(2) safely tethered to a chain or leash not more than 8 feet in length provided the animal is under the direct and constant observation and control of the owner, keeper or harborer and prevented from making unwanted contact with humans or other animals; or

(3) confined to a cage, pen, vehicle, or trailer, or

(4) on the premises of the owner, harborer or keeper and under control of a responsible person and obedient to the command of that person.

(x) Secured Enclosure means a locked structure enclosing an area suitable to confine a vicious dog or a dangerous animal and suitable to prevent young children from entering in physical contact with the animal. The structure shall be comprised of a top, sides and end shall be designed to prevent the animal from escaping. If the bottom of the structure is not attached to the sides, the sides must be embedded in the ground by no less than one foot.

(y) Sell and/or Sold means transfers by sale or exchange. Maintaining animals for sale is presumed whenever 20 or more animals are maintained by any person.

(z) Shelter means a structurally sound, properly ventilated, sanitary, weatherproof shelter suitable for the species, age and condition of the animal which provides shade from direct sunlight and refuge from exposure to inclement weather conditions. The shelter shall contain proper bedding material as appropriate for the species. The shelter shall be reasonably comfortable for the animal.

(aa) Swine means any of various stout-bodied, short-legged omnivorous mammals of the family Suidae with a thick bristly skin and long mobile snout.

(l) Using or encouraging an animal to fight or attack other animals or humans; or

(m) Allowing an animal to have too much food or water.

2-104. TRAPPING.

(a) No person shall do any trapping anywhere in the city except by means of cage-type live traps.

(b) All traps shall be clearly marked with the name, address and telephone number of the owner of the trap or said trap shall be confiscated by the Police Department and destroyed if not claimed within six hours.

(c) All traps shall be kept in good condition and proper working order and will be checked every six hours while in use to ensure that no animal is unnecessarily suffering and to remove and properly dispose of the animal.

(d) This section does not apply to the use of traps specifically designed to kill rats, mice, gophers, squirrels or moles with the consent of the owner or occupant of the property where the trap is set.

2-105. FENCES.

(a) Fences utilized to contain an animal shall be as follows: securely constructed, adequate for the purpose; kept in good repair and; not allowed to become unsightly.

(b) Invisible fences shall be maintained in accordance with the specifications of the manufacturer.

(c) An animal placed within an invisible fence shall be trained in accordance with the specifications of the manufacturer.

(d) Invisible fences shall be no closer than 10 feet from a public walkway or street, and it shall be unlawful to allow an animal, other than a domestic cat, to be confined solely within an invisible fence.

2-106. COMPLIANCE WITH FEDERAL REGULATIONS.

It shall be unlawful for any person to buy, sell or offer for sale of a native or foreign species or subspecies of mammal, bird, amphibian or reptile, or the dead body or parts thereof, which appears on the threatened species list designated by the United States Secretary of the Interior and published in the Code of Federal Regulations pursuant to the Endangered Species Act of 1969.

2-107. DEAD ANIMAL REMOVAL AND DISPOSAL.

The property owner where any animal has died and/or the owner, keeper or harborage of said animal shall remove and properly dispose of the remains of the animal. In the event of a failure to properly dispose of the remains of an animal, the Animal Control Officer may remove and dispose of the remains of any animal and the property owner and/or owner, keeper or harborage of said animal will be responsible for any expenses incurred in the removal and disposal of said animal.

2-108. INJURED OR ILL ANIMALS.

(a) If the owner of an injured or ill animal cannot immediately be contacted, the Animal Control Officer may seek aid for the animal. The owner of the animal will be responsible for any expenses for the treatment and board of the animal.

(b) In the event that a domestic animal is severely injured or ill and an owner can not be contacted immediately, the Animal Control Officer and his or her supervisor will decide if the animal will be euthanized.

(c) The Animal Control Officer may obtain care for any injured or ill wild animal within the city limits and/or authorize such animal.

2-109. LIMITATIONS ON OWNERSHIP.

(a) It shall be unlawful for any person to own, harbor or keep more than two dogs and/or two cats over six months of age in the City of Lawton unless said person has properly obtained a permit allowing said person to keep a greater number of dogs and/or cats.

(b) Any owner, harborage or keeper, including any person desiring to operate a circus, bona fide educational institution, bona fide medical institution, or bona fide museum, kennel, pet shop, bona fide licensed veterinary hospital, livery or riding stable, commercial zoo, zoological park, animal act, or similar place of exhibition of animals, may secure a permit to keep or harbor animals in excess of two dogs and/or two cats over six months of age upon adequately showing the City Council that special circumstances exist, and that it would not constitute a nuisance to the neighborhood. Furthermore that the premises on which the animals are to be kept, shall be suitably and equipped to accommodate the number of animals requested.

(c) The A.C.O. must provide a copy of the application to the owner and/or occupants of property, within 350 feet of the premises where the animals are to be kept.

(d) Written objections by the owners or occupants of two or more of land, portions of which lie within 350 feet of the premises where the animals are to be kept, shall be held as sufficient evidence of nuisance to the neighborhood and no permit will be issued.

(e) The City Council shall approve or deny such permits and have the authority to require stipulations in conjunction with the issuance of a permit.

(f) The City Council may revoke any permit if the person holding the permit refuses to comply with this Chapter, the regulations promulgated by the City Council, or any state or federal law or such as governing cruelty to animals or the keeping of animals. Any person whose permit is revoked shall, within 10 days thereafter, sell or otherwise lawfully dispose of all animals being owned, kept or harbored by such person and as part of the permit fee shall be refunded. It shall be a condition of the issuance of any permit that animal control officers, police officers, and any other person charged with the enforcement of this chapter, shall be permitted to inspect the premises at any time and if such permission for such inspection is refused, revoke the permit of the owner.

(g) Owners may appeal a denial of a permit to the district court of Johnson County.

(h) The permit fee will be set forth in the fee schedule established and maintained by the City in accordance with Section 1-109 of the Code of the City of Lawton.

(i) The permit will be valid only for the animals listed in the notice of application, for the permit, except for a circus, bona fide educational institution, bona fide medical institution, or bona fide museum, kennel, pet shop, bona fide licensed veterinary hospital, livery or riding stable, commercial zoo, zoological park, animal act, or similar place of exhibition of animals, which may include animals used up to all animals and as expressed by the City Council and set forth in the permit. If an animal is not in the number of animals or if another animal is brought in to replace one that is no longer on the property, except for a circus, bona fide educational institution, bona fide medical institution, or bona fide museum, kennel, pet shop, bona fide licensed veterinary hospital, livery or riding stable, commercial zoo, zoological park, animal act, or similar place of exhibition of animals, a new application shall be submitted and said application shall be subjected to a new investigation.

(j) The permit will be void for the life of the animal, unless otherwise limited in this Chapter as in the event of noncompliance with any other requirement herein.

2-110. KEEPING OF A DANGEROUS AND/OR WILD ANIMAL.

(a) It shall be unlawful for any person to own, keep or harbor any dangerous or wild animal within the city limits except as herein provided.

(b) No person, other than the following entities, may keep a dangerous or wild animal for display or for exhibition purposes whether gratuitously or for a fee in the City of Lawton:

1. A zoological park;

2. A refuge;

3. A zoo, or a college;

4. A bona fide educational institution;

5. A private pet;

6. A public park, or a public institution.

Any such person or entity applying for a permit to keep a dangerous animal in the city, shall also execute the following agreement, which shall be attached to the permit as Exhibit A.

EXHIBIT A

Agreement Permitting Inspections

I ( ) have applied for a permit to keep a dangerous animal in the city, at premises known as at any time with or without notice for the purpose of making an inspection. Such entry for inspection shall not include entry into any building or part of a building except locations where such animal is customarily kept or permitted to roam and a way to get into such location.

Dated:________

Applicant:

(c) This section does not apply to animals considered domesticated animals, including but not limited to dogs, cats, ferrets, rabbits, hamsters, guinea pigs, or domestic fowl.

(d) This section does not apply to animals normally considered as livestock or farm animals, including but not limited to horses, mules, donkeys, cows, goats, sheep, swine, or fowl.

(e) The word "all" is used, but is not limited to, leon, tigers, bobcats, all other members of the feline family, bears, raccoons, coyotes, opossums, porcupines, reptiles, poisonous or dangerous snakes, black bears, wolves, coyotes, eagles, hawks, owls, or other wild or dangerous members of the bird family, and any bird that is not captive bred domestically.

(f) The Federal Animal Welfare Act must be strictly followed if any dangerous animal is to be kept by a zoological park, circus, bona fide licensed veterinary hospital, bona fide educational or medical institution or museum.

(g) No person shall keep or permit to be kept any dangerous animal as a pet.

(h) Upon the complaint of any person that a person owns or is keeping or harboring a dangerous animal within the city, the City Council shall conduct an investigation, and if the investigation reveals evidence that indicates that such person named in the complaint is in fact the owner,
keeper or harboring of any such dangerous animal in the city, the city shall serve notice to the property owner where the animal is located requiring the owner to safely remove the animal from the city within five days. Notice shall not be required where a dangerous animal has caused serious physical harm or death to any person or has escaped and is at large, in which case the city shall cause the animal to be immediately seized and impounded or killed, if seizure and impoundment are not possible without the risk of serious physical harm or death to any person.

(ii) Any city employee shall forthwith cause to be seized and impounded any animal which is owned by any person owning, keeping or harboring such animal has failed to comply with the notice sent. Upon seizure and impoundment, the animal shall be delivered to a place of confinement which may be with any organization which is authorized by law to accept, own, keep or harbor such animals. If, during the seizing and impoundment of any such animal, the animal poses a risk of serious physical harm or death to any person or persons authorized by the city as "rare and animal immobile by means of tranquilizers or other safe drugs or if it is not safely and then said animal may be killed.

(i) Any reasonable expenses incurred by the city in seizing, impounding and confining any dangerous animal shall be charged against the owner, keeper or harborer of such animal. Such charges shall be in addition to any fine or penalty provided for violating this ordinance.

2-111. VICIOUS ANIMAL

(a) It shall be unlawful to own, harbor or keep a vicious animal within the city of Lewswood except as provided in this Chapter.

(b) The owner of an animal that has been found and/or declared to be vicious in any jurisdiction, must within thirty days of the convocation of the Animal Control office, two color photographs of the animal clearly showing the color, approximate size and any distinguishing markings on the animal.

(c) All vicious animals shall be confined in a secure enclosure as defined in this Chapter. It shall be unlawful for any owner, keeper or harborer to allow a vicious animal to be outside of the designated enclosure or outside of the enclosure it is permitted to be outside of, unless the owner, keeper or harborer is present for the vicious animal or to sell or give away the vicious animal or to comply with commands or directions of the Animal Control Officer with respect to the vicious animal. In such event, the vicious animal shall be securely muzzled and restrained with a chain having a minimum breaking strength of 500 pounds. No vicious animal shall exceed 36 inches in length, and shall be under the direct control and supervision of the owner, keeper or harborer of the vicious animal. The muzzle shall be made in a manner that will not cause injury to the animal or interfere with its vision or respiration, but shall prevent it from biting any human being.

(g) The owner of a vicious animal shall display in a prominent place on the premises a clearly visible warning sign indicating that there is a vicious animal on the premises and state whether it is a dog or cat. A similar sign is required to be posted on the pen or kennel of the animal.

(h) No vicious animal may be kept on a porch, patio or in any of a house or structure that would allow the animal to exit such building on its own volition. In addition, no such animal may be kept in a house or structure when the windows are open or when screen windows or screen doors are the only obstruction preventing the animal from exiting the structure.

(i) Any vicious animal may be killed or destroyed in a humane manner and by the authorized agent in the fulfillment of the fleeing or to prevent the animal from being a menace to the public. The authorized agent is hereby authorized to kill or destroy any vicious animal at any time in a humane manner and by the authorized agent in the fulfillment of the fleeing or to prevent the animal from being a menace to the public.

(j) The authorized agent is hereby authorized to kill any vicious animal at any time in a humane manner and by the authorized agent in the fulfillment of the fleeing or to prevent the animal from being a menace to the public.

2-112. BITE AND SCRATCH PROCEDURES

(a) When any animal has bitten or attacked any person within the city limits of Lewswood, and/or when an animal is suspected of having bitten or attacked any person within the city limits of Lewswood, the owner of the animal or anyone notified by the owner of the animal shall immediately take possession of the animal and bring it to the Lewswood Police Department for identification and treatment.

(b) If the owner, keeper or harborer of the animal has failed to do so, the Lewswood Police Department shall take all necessary steps to ensure the safety of the person bitten or attacked by the animal.

2-113. UNSECURED ANIMAL

(a) It shall be unlawful for the owner, keeper or harborer of any animal to allow such animal to be unsecured anywhere in the city.

(b) It shall be unlawful to abandon an animal.

(c) Unsecured or abandoned animals may be immediately euthanized if the Animal Control Officer or any other agent designated by the city determines that impoundment and/or impoundment are not possible without the risk of serious physical harm or death to any person.

(d) Any animal that is unsecured within the city limits, may be seized by the Animal Control Officer or any other agent designated by the city, and the animal shall be held seven days as provided by the animal shelter or agent, and if within seven days the owner of the animal reports to the police department and pays the expenses of seizing, boarding, and caring for the animal, the animal may be released to the owner provided that the animal is not vicious or dangerous and is eligible to be released pursuant to this Chapter.

(e) If not impounded, the police department will attempt to contact the owner, keeper or harborer of the animal. If the animal is not claimed within seven days, the animal may be adopted or euthanized as decided by the designated agent and/or the animal shelter.

2-114. ANIMAL NUISANCE

(a) It shall be unlawful for any person to appear with an animal on public property or the property of another, absent that person's consent, without some means for the removal of excrement.

(b) It shall be unlawful for any person to fail to immediately remove any excrement deposited by any animal on any public or private property, other than the property of the owner of the animal. This section does not apply to a blind person while walking or her helper dog.

(c) It shall be unlawful for the owner, harborer or keeper of an animal to allow the animal to be exposed in any public place in the city, or to ship or remove such animal from the property of the owner of such animal, when the animal is afflicted with a contagious or infectious disease unless under the supervision of the Animal Control Officer or a licensed veterinarian, form approved by the city attorney permitting the animal control officer to perform the permits' premises from time to time. The permittee shall pay $20.00 for each inspection provided that if more than four inspections are made of any premises in any permit year, the permittee shall pay an additional fee of $5.00 for each inspection for the fourth and all subsequent inspections. The permittee authorizes the use of a different form, such agreement shall be voided substantially the same as the form entitled "Exhibit A-Agreement Permit Inspections", the text of which is found elsewhere in this ordinance in Section 2-110 (b). Failure to comply with any of the foregoing requirements in this Section 2-111 shall be grounds to revoke such permit.

2-115. SALE OF ANIMALS, SPECIAL PERMIT AND BUSINESS LICENSE REQUIRED.

(a) It shall be unlawful to sell or sell and/or to maintain for sale, and/or sell an animal without obtaining a special permit and business license from the Bureau of Licenses (BOL).

(b) Chapter Administration.

The City Administrator is authorized to develop administrative regulations necessary to implement the provisions of this Chapter, including procedures for animal examinations, animal shelter operation and other fees required by this Chapter but not specified herein.

2-116. CHAPTER ADMINISTRATION.

The City Administrator is authorized to develop and administer regulations necessary to implement the provisions of this Chapter, including procedures for animal examinations, animal shelter operation and other fees required by this Chapter but not specified herein.
ARTICLE 2. DOGS AND CATS

2-201. LICENSING AND VACCINATIONS

(a) It shall be unlawful for any person to own, keep or harbor any dog or cat over six months old unless such dog or cat is licensed as provided herein. Any person bringing a dog or cat six months old into the City on or after March 1 shall have thirty days from the day the animal is brought into the City to license the animal through the city's Bureau of Licenses. If the animal is not licensed within thirty days, the owner shall be subject to a penalty as set forth in the fee schedule established and maintained by the city administrator, as prescribed in Section 1-701 of the Code of the City of Lewood.

(b) An application provided by the Board of Health must be completed and submitted annually by any person owning, keeping or harboring a dog or cat. The application must include the following information:

(1) The name, address and telephone numbers of said person; and the dog or cat shall be identified by sex, age, breed, color, and tail; and

(2) The date (which must be within the past twelve months) of inoculation of the rabies vaccine, the name of the inoculating veterinarian and the rabies vaccine inoculation certificate number.

(c) It shall be unlawful for any person to own, keep or harbor any dog or cat over six months old unless such dog or cat is currently vaccinated against rabies. If a licensed veterinarian recommends that a dog or cat not be inoculated with a rabies vaccine for health purposes, the owner of such an animal will be required to submit to the Board of Health a written statement from the licensed veterinarian on a standardized form specifying the reason the animal should not be vaccinated.

(d) The owner or harborer of a dog or cat shall carefully preserve the current certificate of Rabies Vaccination that was issued by a veterinarian at the time of the inoculation, and shall promptly present said certificate for inspection when requested to do so by an animal control officer or a police officer.

(e) A license fee and submission of the Certificate of Vaccination are required for a license. The license fees for sexually altered and nonaltered dogs and cats are set forth in the fee schedule established and maintained by the City Administrator, as prescribed in Section 1-701 of the Code of the City of Lewood. Written proof by a licensed veterinarian that an animal has been neutered or spayed must be presented.

(f) Any person owning, keeping or harboring a work dog, as described below, shall be exempt from the license fee payment upon submission of adequate proof that the dog has received a rabies vaccine inoculation and is fully trained as a work dog and is used regularly as a work dog.

(1) Dogs providing services for persons with disabilities; or

(2) Dogs utilized by law enforcement personnel.

(g) The license year shall be from January 1 through December 31 of each year. The fee shall be due and payable before March 1 of each year. A penalty, as set forth in the fee schedule established and maintained by the City Administrator, as prescribed in Section 1-701 of the Code of the City of Lewood, shall be assessed on March 1 and every thirty days thereafter.

(h) Licenses shall be issued in the form of a durable tag which shall be worn at all times by dogs and is furnished to the collar or harness of the dog or cat. License tags shall not be transferrable. If a tag is lost, a replacement will be issued upon submission of evidence of prior licensing and payment of the charge as set forth in the fee schedule established and maintained by the city administrator.

(i) It shall be unlawful for any person to remove or cause to be removed, the collar, harness or the license tag from any licensed dog or cat without the consent of the owner, keeper or harborer of said dog or cat. Any dog or cat running at large and found not wearing a tag indicating that the dog or cat was licensed for the current year, shall be seized by the A.C.O.O or Police Department.

(j) Persons that do not reside in Lewood may keep no more than two dogs and/or cats within the city for less than thirty days before licensing said dogs and cats.

ARTICLE 3. LIVESTOCK AND FOWL

2-301. KEEPING OF LIVESTOCK PROHIBITED

(a) It shall be unlawful for any person to own, keep or harbor a cow, a pig, a horse, a mule, a sheep, a goat, a chicken, a duck, a goose, or any other animal other than a cat or dog on any premises not used for agricultural purposes within the corporate limits of the city.

(b) This section shall include animals considered miniature or pygmy breeds, including but not limited to, Vietnamese pot-bellied pigs, miniature horses and miniature goats.

(c) Nuisance-Liability: Any violation of this Section 2-301 is hereby declared to be a nuisance. In addition to any other relief provided by this ordinance, the city attorney may apply to the court of competent jurisdiction for an injunction to prohibit the continuation of any violation of this section. Such application for relief may include seeking a temporary restraining order, temporary injunction, and permanent injunction.

2-302. KEEPING OF PIGEONS PROHIBITED

(a) It shall be unlawful to own, keep or harbor any pigeon, including, but not limited to any member of the family Columbidae, including racing pigeons, fancy pigeons and homing pigeons.

(b) Nuisance-Liability: Any violation of this Section 2-302 is hereby declared to be a nuisance. In addition to any other relief provided by this ordinance, the city attorney may apply to the court of competent jurisdiction for an injunction to prohibit the continuation of any violation of this section. Such application for relief may include seeking a temporary restraining order, temporary injunction, and permanent injunction.

ARTICLE 4. ANIMAL CONTROL OFFICER

2-401. DUTIES

Animal Control Officers are hereby charged with the duties of enforcing this ordinance and any person shall cooperate with, hinder, molest or abuse such officers or other designated agents in the exercise of their powers or in the enforcement of this Chapter.

2-402. POWERS

Within the city limits of Lewood, the animal control officers and their designated agents may:

(a) Enter without a warrant upon private property to secure an animal or abate an animal nuisance where such animal is found in plain sight other than in a residential structure and to seize such animal from said private property.

(b) Enter without a warrant upon private property to apprehend a vicious animal, a dangerous animal, a wild creature or an animal suspected of being infected with rabies where such animal is found within plain sight other than in a residential structure and to seize such animal from said property.

(c) Enter without a warrant upon private property to investigate cruelty and/or abuse to animals, including but not limited to inspection of pet stores, stables, and other commercial animal establishments.

(d) File complaints against persons for violations of animal control ordinances and issue notices to appear in Municipal Court.

(e) Demand immediate presentation to the Animal Control Officer of an animal by an owner, harborage or keeper when there is a suspicion violation of this Chapter. It shall be unlawful to fail, neglect or refuse to present an animal to the A.C.O.O, the designated agent of the city for purposes of enforcing this Chapter, or law enforcement personnel.

(f) Seize an animal which appears to be suffering or in imminent danger from cruelty or neglect.

ARTICLE 5. GENERAL PENALTIES

2-501. PENALTIES

(a) It is unlawful for any person to violate any of the provisions of this Chapter.

(b) Each day that a person is in violation of any section of this Chapter, constitutes a separate offense.

(c) Each section and subsection of the Chapter constitutes a separate violation for sentencing purposes.

(d) Any person convicted of a violation of this Chapter, where no other penalty is stated for said violation, shall be punished for that violation by a fine of not less than $50.00 but more than $500.00, or by imprisonment of not more than 180 days, or by both such fine and imprisonment. These fines shall be set in accordance with the minimum fine schedule set out in subsection (6) of this section.

(e) Whenever the penalty is to be a fine or a fine and imprisonment, the fine shall not be less than the minimum amount set out in the following:

(1) First Offense: $50.00
(2) Second Offense: $500.00
(3) Third Offense: $300.00
(4) Fourth and subsequent offense: $5000.00

In determining the applicable minimum fine, an offense shall be considered a subsequent offense only if the defendant has previously pleaded guilty or been found guilty of the same offense.

Section 2. Existing provisions repealed. That the existing sections contained in Chapter II of the Code of the City of Lewood (Animal Control) are hereby repealed.

(Petition for Ord. No. 1212)

Section 3. Take effect. This ordinance shall take effect and be in force from and after its publication in the official City Newspaper.

Passed by the Council the 12th day of May, 1999.

ORDINANCE NO. 1794

AN ORDINANCE GRANTING TO SOUTHWESTERN BELL TELEPHONE COMPANY A TELEPHONE FRANCHISE AND THE RIGHT TO CONSTRUCT, OPERATE AND MAINTAIN TELECOMMUNICATIONS FACILITIES WITHIN THE CORPORATE LIMITS OF THE CITY OF LEAWOOD, KANSAS.

WHEREAS, the City of Leawood, Kansas ("City"), a municipal corporation, duly organized and existing under the laws of the State of Kansas, has the right under statute to grant a franchise to construct, operate and maintain telecommunications facilities in said City;

WHEREAS, Southwestern Bell Telephone Company, desires to operate telecommunication facilities for the purposes of providing local telephone services in the City and its surrounding communities, and therefore has applied to the City for a franchise in order to operate its facilities;

WHEREAS, any such permission requires a franchise to be granted by the City in accordance to K.S.A. 12-2001 et. al;

WHEREAS, the City intends to execute a Right-of-Way ordinance to govern the use of the City’s right-of-way and utility easements which will apply to all franchisees and other service providers;

WHEREAS, the terms and provisions of this franchise ordinance will be in addition to the requirements set forth in the City’s Right-of-Way ordinance;

WHEREAS, pursuant to K.S.A. 12-2001, the Governing Body of the City did order publication of a notice of a hearing to be held on April 19, 1999 to afford the public in the franchise area, as well as the public-at-large, an opportunity to comment on the proposed franchise ordinance, a copy of which was on file in the office of the City Clerk, and at such time, said hearing was continued to May 3, 1999; and

WHEREAS, said notice of hearing was published in the Legal Record on April 6, 1999 and in the Johnson County Sun on April 7, 1999;

NOW, THEREFORE BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS:

1. Definitions. For the purpose of this franchise ordinance, the following words and phrases and their derivations shall have the following meaning:

"Cable" includes both the coaxial cable used to transmit signals of high frequency, and fiber optic cable that consists of a bundle of thin insulated glass strands used to transmit data, voice, video and other communications, and any other assembly of materials so classified generically as cable.

"Cable service" means the one-way transmission to subscribers of video programming or other programming service, and subscriber interaction, if any, which is required for selection and use of video programming or other programming service, as defined by 47 U.S.C. §522(6), any successor statute of similar import.

"City" means the City of Leawood, Kansas, a municipal corporation, and if applicable, the territorial boundaries of the City of Leawood as now constituted or as shall hereafter exist.

"Facilities" means lines, pipes, wires, cables, conduits, ducts, culverts, hoses, irrigation systems, manholes, poles, towers, vaults, pedestals, boxes, appliances, antennas, repeaters, micro cells, Pico cells, amplifiers, transmitters, gates, meters, appurtenances, or other equipment used by the franchisee for the purposes of conducting franchise operations and providing service to subscribers.
“Franchise ordinance” means this ordinance passed to grant the telecommunications franchise to franchisee. This ordinance shall operate as an agreement or contract between the City and franchisee and shall be subject to the laws of the State of Kansas.

“Franchisee” means Southwestern Bell Telephone Company, or its successors, transferees, or assigns.

“Franchise fee” means the fee imposed by the City on franchisee solely because of its status as such, in accordance to K.S.A. 12-2001. It shall not include: (1) any tax, fee, or assessment of general applicability including any which are imposed on franchisee; (2) requirements or charges incidental to the awarding or enforcing the franchise ordinance, including payments for bonds, security funds, letters of credit, insurance, indemnification, penalties, or liquidated damages, (3) any permit fee or other fee imposed under any valid right-of-way ordinance, or (4) any other fee imposed by federal, state, or local law.

“Gross revenues” means those revenues less uncollectible, derived from the following: (1) recurring local exchange service for business and residence which includes basic exchange service, touch tone, optional calling features, and measured local calls; (2) recurring local exchange access line services for pay phone lines provided by franchisee to all pay phone service providers; (3) local directory assistance revenue; (4) line status verification/busy interrupt revenue; (5) local operator assistance revenue; (6) nonrecurring local exchange service revenue which shall include customer service for installation of lines, reconnection of service and charge for duplicate bills. All other revenues, including, but not limited to, revenues from extended area service, unbundled network elements, nonregulated services, carrier and end user access, long distance, and all other services not wholly local in nature are excluded from “gross revenues.” Further, “gross revenues” shall be reduced by bad debt expenses and uncollectible and late charges shall not be included within “gross revenues.” If during the term of this franchise ordinance franchisee offers additional services of a wholly local nature which if in existence at the effective date of the franchise ordinance would have been included with the definition of “gross revenues,” such services shall be included from the date of the offering of such services in the City for the remaining term of the franchise ordinance.

“Open video system” means the provision of video programming service as described in and subject to 47 U.S.C. § 573, or any successor statute of similar import.

“Person” means any natural or corporate person, business association or business entity including, but not limited to, a partnership, a sole proprietorship, a political subdivision, a public or private agency of any kind, a utility, a successor or assign of any of the foregoing, or any other legal entity.

“Right-of-way” means the area on, below or above the present and future streets, alleys, avenues, roads, sidewalks, highways, parkways or boulevards dedicated as right-of-way.

“Service” means a commodity used by the public and provided through franchisee’s facilities.

“Subscriber” means any person who receives services from franchisee services.

“Telecommunications” means the transmission, between or among points specified by the user, of information of the user’s choosing, without change in the form or content of the information as sent and received, as defined by 47 U.S.C. §153(43), any successor statute of similar import.

“Telecommunications service” means the offering of telecommunications for a fee directly to the public, or to such classes or users as to be effectively available directly to the public, regardless of the facilities used, as defined by 47 U.S.C. §153(46), any successor statute of similar import.

“Utility Easement” means, for the purposes of this ordinance, an easement dedicated to the City for the purpose of utilities.

2. Grant. Franchisee is hereby granted the right, privilege and franchise to construct, operate, and maintain facilities in, through and along the City’s right-of-way and utility easements for the purposes of supplying local telecommunications services on a nonexclusive basis within the City, subject, however, to the terms and conditions herein setforth within this ordinance. As a condition of this grant, franchisee is required to obtain and is responsible for any necessary permit, license,
certification, grant, registration or any other authorization required by any appropriate governmental entity, including, but not limited to, the City, the FCC or the KCC, subject to franchisee's right to challenge in good faith such requirements as established by the FCC, KCC or other City ordinance.

This franchise does not provide franchisee the right to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City. Upon franchisee's request for a franchise to provide cable service as a cable operator (as defined by 47 U.S.C. § 522 (5)) within the City, the City agrees to timely negotiate such franchise in good faith with franchisee. Franchisee agrees that this franchise does not permit franchisee to operate an open video system without payment of fees permitted by 47 U.S.C. § 573(c)(2)(B) and without complying with FCC regulations promulgated pursuant to 47 U.S.C. § 573.

3. Use of Public Right-of-Way and Utility Easements. Franchisee's facilities shall be located in the right-of-way and utility easements as now constructed and as further authorized by the City in accordance with all applicable laws, statutes and/or ordinances. Placement, changes, additions, replacements, maintenance and repairs to franchisee's facilities shall be conducted in compliance with any applicable ordinance and/or permit requirement. Franchisee will be responsible for obtaining all necessary permits as required by the City for work performed in the right-of-way and utility easements, as well as paying any associated permit fee. In addition, franchisee shall be subject to all technical specifications, design criteria, policies now or hereafter adopted or promulgated by the City, or any other appropriate governmental entity. In its use of the right-of-way and utility easements within the City, franchisee shall be subject to all applicable rules, regulations, policies, laws, orders, resolutions, and ordinances now or hereafter adopted or promulgated by any appropriate governmental entity now or hereafter having jurisdiction, including, but not limited to the City in the reasonable exercise of its police powers.

At the time of the enactment of this franchise ordinance, the City is currently in the process of completing a Right-of-Way ordinance to govern the use of the City’s right-of-way and utility easements. Upon adoption of this ordinance, franchisee will register and abide by the terms and provisions of this ordinance, subject to franchisee's right to challenge the provisions of this ordinance in good faith. Until the adoption of such Right-of-Way ordinance and franchisee's compliance thereof, the following provisions shall apply:

a. Franchisee’s use of right-of-way shall in all matters be subordinate to the City’s use of the right-of-way. Franchisee shall coordinate the placement of its facilities in a manner that minimizes adverse impact on public improvements, as reasonably determined by the City.

b. All earth, materials, sidewalks, pavings, crossings, utilities, public improvements or improvements of any kind damaged or removed by franchisee in its activities under this franchise shall be fully repaired or replaced promptly by franchisee at its sole expense and to the reasonable satisfaction of the City.

c. All facilities constructed, reconstructed or relocated in the right-of-way shall be placed underground, unless otherwise agreed to by the City. Any vaults, boxes, pedestals and similar facilities placed above ground in right-of-way shall be located behind the sidewalk where feasible. Ordinary repairs to current above ground facilities shall be allowed, unless the repair is to the extent as to qualify as a reconstruction of the facilities.

d. Franchisee shall keep and maintain accurate records and as-built drawings depicting accurate horizontal and vertical location of all facilities constructed, reconstructed, or
relocated in the right-of-way. Within ten (10) days after request by the City, Franchisee will provide to the City such information regarding such location as may be reasonably requested. When available to franchisee, Franchisee shall provide to the City a complete set of plans with accurate and complete information in AutoCAD format compatible with the City's Geographic Information System (GIS) showing and describing the exact locations, both horizontal and vertical, of all facilities constructed and existing within the right-of-way and within private easements; such mapping and identification shall be at the sole expense of franchisee. Franchisee shall have a person familiar with the facilities who is responsible for timely satisfying information needs of the City and other users of the right-of-way.

e. Prior to construction, reconstruction or relocation of any facilities in the right-of-way, franchisee shall submit to the Public Works Director for approval and permit, plans and specifications of the proposed installation. Such approval and permit shall not be unreasonably withheld, delayed or conditioned.

f. Franchisee shall relocate or adjust any facilities in the right-of-way for any public funded improvement or public funded project. Such relocation or adjustment shall be performed by franchisee at its sole expense without expense to the City, its employees agents, or authorized contractors and shall be specifically subject to rules and regulations of the City. Such relocation or adjustment shall be completed as soon as reasonably possible and within the time set forth in any request by the City for such relocation or adjustment. Any damages suffered by the City or its contractors as a result of franchisee's failure to timely relocate or adjust its facilities shall be borne by franchisee.

g. It shall be the sole responsibility of franchisee to take reasonable measures to protect and defend its facilities in the right-of-way from harm or damage. If franchisee fails to accurately or timely relocate facilities when requested, it shall have no claim for costs or damages against the City and its authorized contractors or any other party authorized to be in the right-of-way unless such party is solely responsible for the harm or damage by its negligent or intentional conduct. Franchisee shall be responsible to the City and its authorized contractors for all damages including, but not limited to, delay damages, repair costs, down time, construction delays, penalties or other expenses of any kind arising out of the failure of franchisee to perform its obligations under this franchise ordinance unless the damaged party is solely responsible for the harm or damage by its negligence or intentionally caused harm.

h. Franchisee shall notify the City not less than three (3) working days in advance of any construction, reconstruction, repair or relocation of facilities which would require any street closure which reduces traffic flow to less than two (2) lanes of moving traffic. Except in the event of any emergency, as reasonably determined by franchisee, no such closure shall take place without such notice and prior authorization from the City. The City shall follow its policies in the grant or denial of such authority, which shall not be unreasonably delayed. In addition, all work performed in the traveled way or in which in any manner impacts vehicular or pedestrian traffic shall be properly signed, barricaded, and otherwise protected at franchisee's expense. Such signing shall be in conformance with the latest edition of the Federal Highway Administration's Standards and Guidelines for Work Zone Traffic Control, unless otherwise agreed to by the City.
i. All technical standards governing construction, reconstruction, installation, operation, testing, use, maintenance, and dismantling of the facilities in the right-of-way shall be in accordance with applicable present and future federal, state and city laws and regulations, including but not limited to, the most recent editions of the National Electric Code, the National Electrical Safety Code, and Fiber Optic Cable Installation Standard for the Telecommunications Industry Committee, or such substantive equivalents as may hereafter be adopted or promulgated. It is understood that the standards established in this paragraph are minimum standards and the requirements established or referenced in this franchise ordinance may be in addition to, or stricter than, such minimum standards.

j. Franchisee, upon request of any appropriate applicant, shall remove or raise or lower its overhead facilities temporarily to permit the moving of houses or other structures. The expense of such temporary removal, raising or lowering of overhead facilities shall be paid by the party or parties requesting the same, and franchisee may require such payment in advance. Franchisee shall be given not less than fifteen (15) days written notice from the applicant detailing the time and location of the moving operations, and not less than twenty-four (24) hours advance notice from the applicant advising of the actual operation. The City shall not be liable for any such expense or notice requirement for the moving of houses or structures by the City or its contractors.

k. Permission is hereby granted to franchisee to trim trees upon and overhanging the right-of-way and utility easements temporarily to permit the moving of houses or other structures. The aesthetic value of such trees, and when required by the Public Works Director, such trimming shall be done under the supervision of the City. No trimming shall occur without at least twenty-four (24) hours notice to both the Public Works Director and any adjacent property owner.

4. Franchise Fee. Franchisee shall pay five (5%) percent of its gross revenues as defined herein. The payments herein provided shall be in addition to, not in lieu of, all other taxes, charges, assessments, fees and impositions of general applicability that are or may be imposed by the City, with the exception of any annual occupation license. Payment shall be made on a monthly basis without invoice or reminder from the City, and paid within forty-five (45) days after the last day of the applicable month. Franchisee shall pay interest at an annual rate of ten (10%) percent for each month or fraction thereof on any late payment of the charge provided for in this franchise ordinance.

5. City’s Right to Audit and Access to Records. Franchisee shall annually file with the City a Leawood gross receipts report regarding all applicable monthly revenues and all relevant codes. Franchisee and the City agree that such information is confidential and proprietary and agree that such information shall remain the sole property of franchisee and agree that pursuant to K.S.A. 45-221 (18), as amended, such information does not constitute public records subject to K.S.A. 45-218, as amended. In the event the City is required by law to disclose such information, the City shall provide franchisee seven (7) days advance notice of its intent to disclose such information and shall take such action as may be reasonably required to cooperate with the franchisee to safeguard such information. The City shall also have access to and the right to examine, at all reasonable times, all books, receipts, files, records and documents of the franchisee necessary to verify the correctness of such statement and to correct the same, if found to be erroneous. If such statement of gross revenues is incorrect, then such payment shall be made upon such corrected statement, including interest on said amount at the annual rate of ten (10%) percent. Further, the City’s acceptance of any payment determined as hereinbefore provided to be deficient shall not be construed as a release.
of liability from the City or an accord or satisfaction of any claim that the City may have for additional sums owed by franchisee. In addition to access to the records of franchisee for audits, upon request, franchisee shall provide reasonable access to records necessary to verify compliance with the terms of this franchise ordinance.

6. **Term.** This franchise ordinance shall be effective for a term of one (1) year from the effective date. Thereafter, this franchise ordinance will renew for ten (10) renewable one (1) year terms, unless either party notifies the other party of its intent to terminate the franchise prior to one hundred and eighty (180) days before the termination of the then current term.

7. **Renegotiation of Franchise.** If the City has a good faith belief that franchisee is offering local telecommunications services within the City beyond those telecommunications services contemplated by this ordinance, the City may seek renegotiation of this franchise if the City reasonably believes that such services constitute local telecommunications services subject to a franchise fee under K.S.A. 12-2001. In the event the City seeks renegotiation under such circumstances, franchisee agrees to negotiate with the City in good faith in a timely manner. Nothing herein shall preclude the City from seeking a separate franchise agreement with franchisee if the City has a good faith belief that franchisee is offering services other than telecommunications services that are subject to a franchise fee under K.S.A. 12-2001. The purpose of this provision is to allow the City to ensure that franchisee is paying a franchise fee for all services for which a franchise fee is appropriate.

8. **Description of Service.** Franchisee shall on a semi-annual basis provide the City with a description of new local telecommunications services offered within the City during the prior six-month period. In the event franchisee offers new services (other than telecommunications services, extended area service, unbundled network elements, nonregulated services, carrier and end user access and long distance), franchisee shall notify the City of such services on a semi-annual basis.

9. **Franchisee Information.** Franchisee shall, at its own expense, annually submit to the City the following information:

   a. A report of the franchisee’s gross revenues (as referenced by section 5 herein);

   b. A summary of the previous year’s development of franchise facilities, including but not limited to, the location of facilities during the year, and franchisee’s plan of development of facilities for the next year – Note: in lieu of this requirement, franchisee’s right-of-way director may meet in person with the City’s public works director to discuss these issues; and

   c. Information as to the number of subscribers in the City of Leawood. Note: this requirement does not include giving the identification of the subscribers.

10. **Subscriber Rates.** Franchisee’s charges to subscribers will comply with all applicable federal and state regulations. Upon request, franchisee shall file with the City Clerk a schedule of current rates in effect when such rates are not on file and publicly available from the KCC. When provided so by state or federal law, the City may at any time fix a reasonable schedule of maximum rates to be charged to the City and its residents.

11. **Use of Facilities by Other Service Providers.** On a semi-annual basis, franchisee shall notify the City of the identity of local service providers that have been granted a certificate of convenience to
offer local telecommunications services within the State of Kansas. Franchisee shall also provide the City on a semi-annual basis of the identity of entities with which franchisee has entered into an interconnection and/or resale agreement within the State of Kansas.

12. **Transfer of Franchise.** Pursuant to the written permission of the City, which shall not be unreasonably withheld, franchisee shall have the right to assign this franchise, and the rights and privileges herein granted, to any person, firm or corporation, and any such assignee, by accepting such assignment, shall be bound by the terms and provisions hereof. City approval may be denied only upon a good faith finding by the City that the assignee lacks the legal, technical or financial qualifications to perform its obligations in accordance with this franchise ordinance or any other appropriate governmental requirement. If franchisee should seek approval to assign this franchise, franchisee shall notify the City in writing. All such assignments shall be in writing and authenticated copies thereof shall be filed with the city clerk. This franchise shall be assignable only in accordance with the laws of the State of Kansas, as the same may exist at the time when any assignment is made. Any attempts to transfer, assign or otherwise dispose of the rights granted herein by the City or franchisee's facilities not conforming with the requirements of this section shall be null and void.

13. **Other Service Providers.** Franchisee shall not interfere with any agreement between the City and another service provider. Additionally, if and when the City requires or negotiates to have another service provider cease to use its existing poles and to relocate its facilities underground, all other service providers using the same poles, including franchisee when applicable, shall also relocate their facilities underground at that time; provided, however, that such placement is economically reasonable. The City shall not unreasonably enter into such an agreement with another service provider, and notice of any intent to enter into such an agreement shall be timely provided to franchisee.

14. **Notification Procedure.** Any required or permitted notice under this franchise ordinance shall be in writing. Notice upon the City shall be delivered to the city clerk by first class United States mail or by personal delivery. Notice upon franchisee shall be delivered by first class United States mail or by personal delivery to:

Southwestern Bell Telephone Company  
Area Manager-Municipal Affairs  
220 E 6th Street, Room 505  
Topeka, Kansas 66603

15. **Indemnification.** Upon notice by the City, franchisee shall fully indemnify, defend and hold harmless the City, its officers, employees, agents and authorized contractors from and against any and all claims, demands, suits, proceedings, and actions, liability and judgment by other persons for damages, losses, costs, and expenses, including attorney fees or otherwise, to the extent caused by franchisee's actions and operations of its telecommunications service in accordance to this ordinance. The City agrees to immediately notify franchisee of any such claim, demand, suit, proceeding, and/or action, by providing written notice via certified mail to franchisee. Nothing herein shall be deemed to prevent the City, or any agent from participating in the defense of any litigation by their own counsel at their own expense. Such participation shall not under any circumstances relieve franchisee from its duty to defend against liability or its duty to pay any judgment entered against the City, or its agents.
16. **Liability Insurance Requirement.** Franchisee shall file with the City evidence of liability insurance with an insurance company licensed to do business in Kansas in an amount not less than one million dollars ($1,000,000) per occurrence and two million dollars ($2,000,000) in aggregate, to protect the City from and against all claims by any person whatsoever for loss or damage from personal injury, bodily injury, death or property damage occasioned by the service provider, or alleged to so have been caused or occurred. If franchisee is self-insured, it shall provide the City proof of compliance regarding its ability to self-insure and proof of its ability to provide coverage in the above amounts.

17. **Performance Bond Requirement.** Franchisee shall at all times maintain in full force and effect a corporate surety bond in a form approved by the City Attorney, in an amount of $50,000, for a term consistent with the term of this franchise ordinance plus one additional year, conditioned upon franchisee's faithful performance of the provisions, terms and conditions conferred herein. An annual bond automatically renewed yearly during this period shall satisfy this requirement.

18. **Reservation of Rights.** In addition to any rights specifically reserved to the City by this franchise ordinance, the City reserves to itself every right and power available to it under the constitutions of the United States and the State of Kansas, and any other right or power, including, but not limited to all police powers and authority to regulate and legislate to protect and promote the public health, safety, welfare, and morals. Nothing in this franchise ordinance shall limit or govern the right of the City to exercise its municipal authority to the fullest extent allowed by law. The City shall have the right to waive any provision of the franchise, except those required by federal or state law, if the City determines: (a) that it is in the public interest to do so, and (b) that the enforcement of such provision will impose an undue hardship on franchisee or its subscribers. To be effective, such waiver shall be evidenced by a statement in writing signed by a duly authorized representative of the City. The waiver of any provision in any one instance shall not be deemed a waiver of such provision subsequent to such instance nor be deemed a waiver of any other provision of this franchise ordinance unless the statement so recites. Further, the City hereby reserves to itself the right to intervene in any suit, action or proceeding involving the provisions herein.

19. **Forfeiture of Franchise.** In case of the failure of franchisee to comply with any of the provisions of this franchise ordinance, or if franchisee should do or cause to be done any act or thing prohibited by or in violation of the terms of this franchise ordinance, franchisee shall forfeit all rights and privileges granted by this franchise and all rights hereunder shall cease, terminate and become null and void, provided that said forfeiture shall not take effect until the City shall carry out the following proceedings:

a. For violations concerning the use of the right-of-way and/or utility easements as described in section 3 of this franchise ordinance and deemed by the public works director to be a public nuisance and/or emergency, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have fourteen (14) days subsequent to receipt of such notice to inform the City in writing of the action franchisee shall take to correct the violation. Such corrective action shall be completed within thirty (30) days subsequent to receipt of notice unless otherwise agreed to by the City. If at the end of such period the City deems that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. If franchisee fails to take corrective action within the 30-period set forth above, nothing herein shall preclude the City...
from maintaining an action against franchisee to recover damages as a result of such failure to take corrective action, including, but not limited to, reasonable costs of corrective action incurred by the City.

b. For all other violations of the franchise ordinance, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have ninety (90) days after the mailing of such notice in which to comply with the conditions of this franchise. If at the end of such period the City deems that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated.

c. If within thirty (30) days after the effective date of an ordinance to terminate the franchise, in accordance with 19(a) or 19(b) herein, the franchisee shall not have instituted an action in the District Court of Johnson County, Kansas to determine whether or not the franchisee has violated the terms of this franchise and that the franchise is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty-day period. If within such thirty (30) day period the franchisee does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the court finds that the franchise is subject to cancellation by reason of the violation of its terms, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

In addition to any other remedy available herein or at law or equity, either party shall have the authority to maintain civil suits or actions in any court of competent jurisdiction for the purpose of enforcing the provisions of this franchise ordinance and/or to abate nuisances maintained in violation thereof.

20. Revocation of Franchise. In addition to all other revocation rights and powers herein or otherwise enjoyed by the City, the City shall have the additional and separate right to revoke this franchise and all rights and privileges of the franchisee as a result of and in response to any of the following events or reasons:

a. Any provision of this franchise ordinance is adjudged by a Court of Competent Jurisdiction to be invalid or unenforceable and said judicial act and declaration is deemed by the Governing Body to constitute such a material consideration for the granting of this franchise ordinance as to cause the same to become null and void; or

b. Franchisee commits an act of fraud or deceit against the City in obtaining the grant of this franchise herein conferred, or upon being granted franchisee commits such an act against the City.

To revoke this franchise in accordance with the provisions of this section regarding Revocation of Franchise, the following procedure shall apply. The City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. Prior to the enactment of such ordinance, franchisee shall be provided with timely written notice by certified mail, and franchisee shall be allowed to address the Governing Body before final consideration of such ordinance. If within thirty (30) days after the effective date of such ordinance to terminate the franchise the franchisee shall not have instituted an action in the District Court of Johnson County, Kansas to
determine whether or not the franchise was appropriately terminated in accordance to the provisions of this section and is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty-day period. If within such thirty (30) day period the franchisee does institute an action, as above provided, and prosecutes such action to final judgment with due diligence, then, if the court finds that the franchise is subject to cancellation by the reason addressed by this section, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

   a. **Nonexclusive Clause.** The privilege to construct, erect, operate and maintain franchisee’s facilities and to provide service within the City is nonexclusive. The City expressly reserves the right to grant other franchises to other persons. However, no such additional franchise shall in any way affect the rights or obligations of franchisee.

   b. **Exclusive Benefit of Franchise Right by Franchisee.** The rights granted to franchisee by this franchise ordinance shall be for the sole use of franchisee to provide telecommunications services as authorized herein. These rights are for the exclusive benefit of franchisee, except where otherwise provided herein, or when authorized by the City.

   c. **Franchisee is Without Remedy Against the City.** Franchisee shall have no remedy or recourse whatsoever against the City for any loss, cost, expense, or damage arising from the enactment of the provisions or requirements of this franchise ordinance, or for the failure of the City to have the authority to grant, all, or any part, of the franchise ordinance granted. Second, franchisee expressly acknowledges that it accepted the franchise ordinance granted in reliance upon its independent and personal investigation and understanding of the power and authority of the City to grant the franchise conferred upon franchisee. Third, franchisee acknowledges by its acceptance of this franchise ordinance that it has not been induced to enter into this franchise upon any understanding, or promise, whether given verbally or in writing by or on behalf of the City, or by any other person concerning any term or condition of this franchise ordinance not expressed herein. Finally, franchisee acknowledges by the acceptance of this franchise that it has carefully read the provisions, terms, and conditions of this franchise ordinance and is willing to, and does accept, all of the risk attendant to the provisions, terms, and conditions.

   d. **Federal, State and City Jurisdiction.** This franchise ordinance shall be construed in a manner consistent with all applicable federal, state, and local laws. Notwithstanding any other provisions of this franchise ordinance to the contrary, the construction, operation and maintenance of franchise facilities by franchisee or its agent shall be in accordance with all laws and regulations of the United States the state, and any political subdivision thereof, or any administrative agency thereof, having jurisdiction. In addition, franchisee shall meet or exceed the most stringent technical standards set by regulatory bodies, including, but not limited to the City, now or hereafter having jurisdiction. Franchisee’s rights are subject to the police powers of the City to adopt and enforce ordinances necessary to the health, safety, and welfare of the public. Franchisee shall comply with all applicable general laws and ordinances enacted by the City pursuant to that power. Finally, franchisee’s failure to comply with any law or regulation governing the operation of said franchise facilities may result in a forfeiture of the franchise in accordance with the provisions of this franchise ordinance.
e. **Attachment to Poles.** Nothing in this franchise ordinance shall be construed to require or permit any telephone, electric light or power wire attachments by either the City or franchisee on the poles of the other. If such attachments are desired by either party, then a separate non-contingent agreement shall be prerequisite to such attachments.

f. **Failure to Enforce.** The failure of either party to enforce and remedy any noncompliance of the terms and conditions of this franchise shall not constitute a waiver of rights nor a waiver of the other party's obligations as provided herein.

g. **Force Majeure.** Each and every provision hereof shall be subject to acts of God, fires, strikes, riots, floods, war and other disasters beyond franchisee's or the City's control.

h. **Severability.** Any section, subsection, sentence, clause, phrase, or portion of this franchise ordinance is for any reason held invalid or unconstitutional by any court or administrative agency of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions hereof.

22. **Repeal of Other Ordinances.** All other ordinances, agreements and resolutions or parts thereof inconsistent or in conflict with the terms hereof shall be canceled, annulled, repealed, and set aside; provided, that this franchise ordinance shall not take effect or become in force until the requirements for adopting a franchise ordinance under Kansas statute have occurred.

23. **Effectiveness.** This franchise ordinance is made under and in conformity with the laws of the State of Kansas. Before the final passage of this ordinance, it shall be read at three (3) regular meetings of the Governing Body. After final passage, this ordinance shall take effect and be in force after the expiration of 60 days from the date of final passage by the governing body and after publication in the official City newspaper for two consecutive weeks following final passage, unless a proper protest is filed, or franchisee fails to provide written acceptance within the 60 day period.

ORDINANCE NO. 1794
First published in The Legal Record, Tuesday, May 4, 1999.

ORDINANCE NO. 1795
Annexed to and incorporated by The City of Leawood, Kansas, by Ordinance No. 1795, of the twenty-fifth day of May, nineteen hundred and ninety-nine.

WHERAS, the City of Leawood, Kansas ("City"), a municipal corporation, duly organized and existing under the laws of the State of Kansas, has the right under statute to grant a franchise in construct, operate, and maintain telecommunications facilities in said City;

WHERAS, Southwestern Bell Telephone Company, desires to operate telecommunications facilities for the purposes of providing local telephone service in the City and its surrounding communities, and therefore has applied to the City for a franchise in order to operate its facilities;

WHERAS, any such permission requires a franchise to be granted by the City in accordance to K.S.A. 12-2001 et al.;

WHERAS, the City intends to execute a Right-of-Way ordinance to govern the use of the City's right-of-way and utility easements which will apply to all franchisees and other service providers;

WHERAS, the terms and provisions of this franchise ordinance will be in addition to the requirements set forth in the City's Right-of-Way and Easement Ordinance, 1998, and as such shall be interpreted in accordance therewith.

WHERAS, the City believes that it is in the best interest of the City to protect the public welfare and to ensure that the City's public works and utilities are not interfered with or damaged by any unauthorized use of the public streets, rights of way, and easements;

NOW, THEREFORE BE IT ORDAINED by the GOVERNING BODY of the CITY OF LEAWOOD, KANSAS:

1. Definitions. For the purpose of this franchise ordinance, the following words and phrases and their derivations shall have the following meanings:

   (a) "Franchise" means the franchise granted by the City on the condition that the recipient shall comply with the terms and conditions of the franchise ordinance and agrees to indemnify and defend the City and its officers, agents, and employees from and against any and all claims, suits, actions, judgments, and other liabilities which may be incurred by the City or any of its officers, agents, or employees as a result of any act or omission of the recipient.

2. Grant of Franchise. The franchise herein granted is subject to the conditions and restrictions set forth herein and to such other conditions and restrictions as may be required by the City in its discretion. The franchise granted herein shall be subject to all applicable laws, rules, and regulations of the City and its political subdivisions.

3. Grant of Right-of-Way. The City hereby grants to the recipient a right-of-way easement to construct, operate, and maintain telecommunications facilities in said City.

4. Conditions and Restrictions. The recipient shall comply with all applicable laws, rules, and regulations of the City and its political subdivisions, including but not limited to:

   (a) Right-of-Way Agreement. The recipient shall execute a right-of-way agreement with the City in the form and substance satisfactory to the City.

   (b) Indemnification. The recipient shall indemnify and hold harmless the City and its officers, agents, and employees from and against any and all claims, suits, actions, judgments, and other liabilities which may be incurred by the City or any of its officers, agents, or employees as a result of any act or omission of the recipient.

   (c) Liens. The recipient shall, at its expense, remove all liens, judgments, and other encumbrances which may exist on the property to be used for the construction, operation, and maintenance of the telecommunications facilities.

   (d) Insurance. The recipient shall maintain insurance in such amounts and with such carriers as may be required by the City in its discretion.

   (e) Maintenance and Repair. The recipient shall maintain and repair all telecommunications facilities in a safe and serviceable condition.

   (f) Compliance with Laws. The recipient shall comply with all applicable laws, rules, and regulations of the City and its political subdivisions.

   (g) Payment of Fees. The recipient shall pay all fees, taxes, and other charges required by the City.

5. Enforcement. The City may enforce the provisions of this ordinance by such means as may be necessary, including, but not limited to, the imposition of fines and the issuance of cease and desist orders.

6. Amendments. This ordinance may be amended or repealed by the City, at any time, upon notice and hearing. The recipient shall be entitled to notice and hearing on any proposed amendments or repeal of this ordinance.

7. Effective Date. This ordinance shall take effect upon its publication in the legal record of the City of Leawood, Kansas.

from maintaining an action against franchisees to recover damages as a result of such failure to take corrective action, including, but not limited to, reasonable costs of corrective action incurred by the City.

b. For all other violations of the franchise ordinance, the following procedure shall apply. The City shall provide written notice by certified mail to franchisee of any such violation, setting forth in detail the conditions of neglect, default or failure complained of. Franchisee shall have ninety (90) days after the mailing of such notice in which to comply with the conditions of this franchise. If at the end of such period the City determines that the conditions of such franchise have not been complied with by franchisee and that such franchise is subject to cancellation by reason thereof, the City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated.

c. If written thirty (30) days after the effective date of an ordinance to terminate the franchise, in accordance with 308A or 308B herein, the franchisee has provided the City with a petition to the District Court of Johnson County, Kansas to determine whether or not the franchisee has violated the terms of this franchise and that the franchise is subject to cancellation by reason thereof, such franchise shall be canceled at the end of such thirty day period. If within thirty (30) days of the franchisee instituting an action, as above provided, and provided such action is final judgment with due diligence, then, if the court finds that the franchise is subject to cancellation by reason of the violation of its terms, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

In addition to any other remedy available herein or at law or equity, either party shall have the authority to maintain civil suits or actions in accordance with the provisions of this franchise ordinance and to seek abatement of the violations of the same.

20. Revocation of Franchise. In addition to all other revocation rights and powers herein or otherwise enjoyed by the City, the City shall have the additional and separate right to revoke this franchise and all rights and privileges of the franchisee as a result of its failure to comply with the provisions of this franchise ordinance and to seek abatement of the violations of the same.

a. Any provision of this franchise ordinance is adjudged by a Court of Competent Jurisdiction to be invalid or unenforceable and said judicial act and declaration is deemed by the Governing Body to cause substantial injustice to the franchisee, the governing body may rescind or reenact said portion or all of the franchise ordinance as may be necessary to cause the same to become valid and void.

b. Franchisee commits an act of fraud or deceit against the City in obtaining the grant of this franchise herein conferred, or upon being granted franchisee consents such an act against the City.

To revoke this franchise in accordance with the provisions of this section regarding Revocation of Franchise, the following procedure shall apply. The City shall enact an ordinance setting out the grounds upon which said franchise is to be canceled and terminated. Prior to the enactment of such ordinance, franchisee shall be provided with written notice by certified mail, and franchisee shall be afforded the opportunity to be heard before final consideration of such ordinance. If within thirty (30) days after the effective date of such ordinance to terminate the franchise the franchisee shall not have instituted an action in the District Court of Johnson County, Kansas to determine whether or not the franchise was appropriately terminated in accordance with the provisions of this section and is subject to cancellation by reason thereof, such franchise shall be canceled and terminated at the end of such thirty day period. If within thirty (30) days of the franchisee instituting an action, as above provided, and provided such action is final judgment with due diligence, then, if the court finds that the franchise is subject to cancellation by reason of the violation of its terms, this franchise shall immediately terminate after such final judgment is rendered and all available appeals exhausted.

a. Lien. The privilege to construct, erect, operate and maintain franchisee’s facilities and to provide service within the City is in addition to the City’s right to grant other franchises to persons. However, no such additional franchise shall in any way affect the rights or obligations of franchisee.

b. Exclusive Benefit of Franchise Held by Franchisee. The rights granted to franchisee by this franchise ordinance shall be for the sole use of franchisee to provide telecommunications services as authorized herein. These rights do not exclude the right to grant other franchises to other persons. However, no such additional franchise shall in any way affect the rights or obligations of franchisee.

c. Franchisee in Violation of Ordinance. When the City finds that franchisee is in violation of any provision of this franchise ordinance, the City may, in its discretion, either correct such violation or, if the violation is not corrected, take such action as it deems necessary to enforce the provisions of this franchise ordinance.

d. Federal, State and City Jurisdiction. This franchise ordinance shall be construed in a manner consistent with all applicable federal, state, and local laws. No provisions of this franchise ordinance shall in any way affect the jurisdiction of the United States, the State of Kansas, or any political subdivision thereof, or any administrative agency thereof, having jurisdiction.

22. Repeal of Other Ordinances. All other ordinances, agreements and resolutions or parts thereof inconsistent with or in conflict with the terms herein shall be declared, annulled, repealed, and all applicable provisions thereof vacated, and so much of this ordinance as is inconsistent with or in conflict with any provision of this ordinance shall be rendered void.

First Reading: March 22, 1999; Second Reading: April 5, 1999; Third Reading: May 3, 1999

Passed by the Mayor on the 3rd day of May, 1999.

Approved by the Mayor on the 3rd day of May, 1999.

ORDINANCE NO. 1793

AN ORDINANCE APPROVING THE ACQUISITION OF LAND WITHIN THE CITY OF LEAWOOD, KANSAS; PROVIDING FOR THE ISSUANCE OF GENERAL OBLIGATION BONDS OF THE CITY TO PROVIDE FUNDS TO PAY THE COSTS THEREOF AND FOR THE ISSUANCE OF TEMPORARY NOTES OF THE CITY PENDING THE ISSUANCE OF SAID BONDS; AND AUTHORIZING AND APPROVING CERTAIN RELATED MATTERS AND ACTIONS.

WHEREAS, the City of Leawood, Kansas (the "CITY") is authorized by K.S.A. Section 12-1736 et. seq. (the "Act") to acquire sites for public buildings, and it has been proposed that the City acquire certain real property in the vicinity of 143rd Street and Overbrook, Leawood, Kansas, as more particularly described in "Exhibit A" hereto (the "Property") within the City as a site for a future public works facility for the City and the cost of the Property has been determined to be $700,000.00; and

WHEREAS, the Governing body of the City hereby finds and determines that it is necessary and advisable to proceed with the acquisition of the Property and provide for the issuance of general obligation bonds of the City in an amount not to exceed $700,000 for the purpose of financing the costs of the Property and for the issuance of temporary notes of the City pending the issuance of said bonds;

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section 1. That the Governing Body hereby finds and determines that it is necessary and desirable to acquire and hereby authorizes the acquisition of the Property.

Section 2. That the Governing Body of the City hereby authorizes the issuance of general obligation bonds of the City pursuant to the Act in an amount not to exceed $700,000 to pay the costs of the Property.

The Governing Body for and on behalf of the City covenants and agrees that the Property shall be used solely for purposes authorized by the Act except that said Property shall not be used for purposes of city offices, public libraries, auditoriums or community or recreational buildings within the meaning of the Act.
Section 3. Pending issuance of the bonds of the City as hereinbefore provided and in order to pay the costs of the Property, the City is hereby authorized to issue temporary notes of the City as provided by law.

Section 4. That to the extent the City shall pay all or any portion of the costs of the Project from available funds on hand prior to the issuance of temporary notes or bonds, the City hereby declares that it reasonably expects to reimburse such expenditures so out of the proceeds of such temporary notes and such general obligation bonds. All such expenditures so reimbursed shall be capital expenditures with the meaning of Section 1.150-1(h) of the Income Tax Regulations (the “Regulations”).

Section 5. This declaration is a declaration of official intent adopted pursuant to Section 1.103-18 of the Regulations.

Section 6. That as of the date hereof, there are not City funds reserved, allocated on a long-term basis or otherwise set aside (or reasonably expected to be reserved, allocated on a long term basis or otherwise set aside) to provide permanent financing for the expenditures related to the Project, other than pursuant to the issuance of temporary notes or the bonds. This Ordinance, therefore, is determined to be consistent with the City’s budgetary and financial circumstances as they exist or are reasonably foreseeable on the date hereof, all within the meaning and content of the Regulations.

Section 7. That this Ordinance shall be filed within 30 days of its adoption in the publicly available official books and records of the City. This Ordinance shall be available for inspection at the office of the City Clerk at City Hall during normal business hours of the City on every business day until the date of issuance of bonds.

Section 8. That the City’s Director of Finance shall be responsible for making any “reimbursement allocations” described in the Regulations, being generally the transfer of the appropriate amounts of proceeds of the notes or the bonds to reimburse the source of temporary financing used by the City to make payment of the prior costs of the Project. Each allocation shall be evidenced by an entry on the official books and records of the City maintained for the notes or the bonds, shall specifically identify the actual prior expenditure being reimbursed or, in the case of reimbursement of a fund or account in accordance with Section 1.103-18, the fund or account from which the expenditure was paid, and shall be effective to relieve the proceeds of the notes or the bonds from any restriction under the ordinance or other documents authorizing the issuance of such notes or the bonds, and under any applicable state statute, which would apply to the unspent proceeds of the notes or the bonds.
Section 9. That this Ordinance shall be in force and effect from and after it's approval by the Governing Body and publication in the official City newspaper.

Passed by the Governing Body of the City of Leawood, Kansas, this 5th day of April, 1999.

Approved by the Mayor this 5th day of April 1999.

11-806. NOTICE OF VIOLATION. When an allegation of a lighting nuisance, as set forth at 11-804 herein, is received by the planning director, said director will conduct an inspection of the premises within five business days. Whenever the planning director has determined that a lighting nuisance exists on any premises within the city’s corporate limits, he or she shall or she shall issue written notice as provided herein and have said notice served on the owner or agent of such property by restricted mail or by personal service, or if the same is unoccupied and the owner is a nonresident, then by mailing said notice by restricted mail to the last known address of the owner. This notice shall:

(a) Be in writing.
(b) State the nature of such alleged lighting nuisance and that such condition constitutes nuisance lighting.
(c) Describe the premises where the lighting nuisance is alleged to exist or to have been committed.
(d) Specify a period 5 days (120 hours) for the removal and abatement of the nuisance.
(e) State that failure, neglect or refusal to remove and abate lighting nuisances renders the owner or occupant prosecutable in municipal court, and upon a finding of guilty, punishable by a fine of not more than $500.00 or imprisonment of not more than 180 days, or by both such fine and imprisonment.
(f) State that each day (twenty-four hour period) that such lighting nuisance exists after the 5 days (120 hours) waiting period constitutes a separate punishable offense as set forth herein.

Section 2. Existing sections repealed. That existing sections 11-802, 11-804 and 11-806
of Article 8 (LIGHTING NUISANCE) of Chapter 11 (PUBLIC OFFENSES) of the Code of the City of Leawood are hereby repealed. (Prior law: Ordinance No. 1750C)

Section 3. Take Effect. That this ordinance shall take effect and be in force from and after its publication in the official City newspaper.

Passed by the Council the 22 day of March, 1999.

Approved by the Mayor the 22 day of March, 1999.

AN ORDINANCE AMENDING ARTICLE 8 (LIGHTING NUISANCE) OF CHAPTER 11
(PUBLIC OFFENSES): AND REPEALING EXISTING SECTIONS.

Be it ordained by the Governing Body of the City of Lewiston:

Section 1. Code Amended. That sections 11-802, 11-804, and 11-806 of Article 8
(LIGHTING NUISANCE) of Chapter 11 (PUBLIC OFFENSES) of the Code of
the City of Lewiston are hereby amended to read as follows:

11-802. DEFINITIONS. The following words, terms and phrases, when used in this
article, shall have the meanings ascribed to them as follows, except where the context
duly indicates a different meaning:

Chief of Police - means the chief of police or any authorized representative.

Fully Shielded Fixture - An outdoor lighting fixture that is shielded or constructed
so that all light emitted is projected below a horizontal plane running through the lowest
part of the fixture.

Owner - means any person who has a legal or equitable interest in a parcel of
real property either as a fee owner, including a life tenant, tenant, lessor, tenant at will,
tenant at sufferance or adverse possessor, as well as any person in possession of or a person
representative of the person holding legal title to the fee interest.

Person - means and includes any individual, firm, estate, corporation, association,
partnership, cooperative or governmental agency.

Planning Director - means the Director of Planning and Development or any
authorized representative of the Director of Planning and Development.

Premise - means any private or public property, vacant or occupied lot, plot,
parcel of and, street, sidewalk, alley, boulevard, highway, right-of-way, park, parkway,
public square or park, including the structures and buildings thereon.

Residential Area - means a dwelling, garage or attached shed.

Shedding Requirement - means a dwelling, garage or attached shed.

11-804. LIGHTING NUISANCE. (A) A lighting nuisance is any exterior light fixture
or light source erected or maintained by any property owner or occupant that:
(1) Is a light that does not comply with the shielding requirements as set
forth in section 11-804(B) of this ordinance;
(2) Illuminates any portion of the premises of another person with a light
intensity greater than 0.5 foot-candle as measured by a photometric
photometer having a spectral response similar to that of the human eye, in accordance with
standard spectrophotometric efficiency curve adopted by the American
Commission on Illumination;
(3) Is mounted on a permanent structure except for low or temporary,
ground mounted landscape lighting that poses no driving hazard, or
(4) Is intermittent, except for motion detector lighting and temporary
(not to exceed 45 days) holiday lighting.

11-806. NOTICE OF VIOLATION. When an alleged violation of this article has been
found under 11-806 herein, a notice is served by the Planning Director, said notice will be
inspected and the proposed violation determined by the Planning Director. The Planning
Director shall make the determination and the Planning Director shall not permit
the violation to be continued unless he finds the violation to be null and void.

(a) By written notice:
(b) State the nature of such alleged lighting nuisance that such condition
constitutes a nuisance lighting.
(c) Describe the premises where the lighting nuisance is alleged to exist or to
have been committed.
(d) Specify a period of time (120 hours) for the removal and abatement of
the nuisance.
(e) That failure to remove and abate lighting nuisances renders the owner or occupant
liable to any person in possession of the premises subject to
an order of the planning director requiring the removal of
the nuisance.
(f) That the time period of 120 hours shall be the time period for the
removal of the nuisance.

Section 2. Existing sections repealed. Those existing sections 11-802, 11-804 and 11-806
of Article 8 (LIGHTING NUISANCE) of Chapter 11 (PUBLIC OFFENSES) of the Code
of the City of Lewiston are hereby repealed. (Prior Law: Ordinance 23, 1951)

Section 3. Effective date. This ordinance shall take effect on and after its publication in the official City newspaper.

Passed by the Council the 22 day of March, 1999.

WHEREAS, the City of Lenexa regulates massage therapy for the benefit of the public health, safety, and welfare; and

WHEREAS, current City Code regulates various aspects of massage therapy, including licensing; and

WHEREAS, under current City Code, to be eligible for a massage therapy license, the applicant must meet certain educational requirements, to wit: completion of a 500-hour course of instruction based on massage therapy, theory, method or practice; and

WHEREAS, there also exists a 100-hour course of instruction available to State licensed registered or practical nurses; and

WHEREAS, the 100-hour nurse massage therapy course of instruction is not listed in current City Code as meeting the educational requirements for a massage therapy license; and

WHEREAS, given the educational and professional requirements necessary to obtain and maintain a valid State nurses license, the 100-hour nurse massage therapy course more than adequately meets the public health, safety, and welfare concerns relating to the educational requirement for a massage therapy license.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LENEXA, JOHNSON COUNTY, KANSAS:

SECTION ONE: That Title 2, Chapter 3, Article A, Section 2-3A-4 is hereby amended to read as follows:

2-3A-4 REQUIREMENTS FOR THE LICENSE.

To be eligible for a massage therapist license, an applicant must provide proof of the following:

A. That the applicant has successfully completed:

A course of instruction made up of not less than five hundred (500) hours, in the theory, method, or practice of massage. Proof that the applicant has passed the National Certification Examination for Therapeutic Massage and Bodywork will be accepted as proof of fulfillment of this requirement of completion of a course of instruction; or

2. A nurse massage therapeutic training course of instruction consisting of not less than one hundred (100) hours, in the theory, method, or practice of massage and is a State-licensed professional or practical nurse.

B. That the applicant has successfully completed the requirements for certification in first aid and in cardiopulmonary resuscitation by the American Heart Association or the equivalent.

SECTION TWO: That Title 2, Chapter 3, Article E, Section 2-3E-2 is hereby amended to read as follows:

2-3E-2 RESTRICTION TO LICENSED PREMISES.

A. All massage therapy other than in-office massage therapy provided under the provisions of this Chapter shall be conducted on the premises of a licensed massage therapy establishment, except that massage therapy may be conducted in a private residence at the direction of and under the direct supervision of a licensed health arts practitioner.

B. Massage therapy is prohibited in the guest rooms of hotels unless the hotel is licensed as a massage therapy establishment and the massage therapy is conducted by a licensed massage therapist employed by the hotel.

C. The provisions of this Chapter shall not apply to hospitals, nursing homes, sanitariums, or to persons licensed to practice as registered professional nurses under the laws of this State, working under the direction and supervision of any licensed health arts practitioner, nor shall this Chapter apply to barbers or costumers lawfully carrying out their profession or business and holding valid, unrevoked licenses or certificates of registration issued by this State.

SECTION THREE: Penalty: Any violation of the above provisions shall be punishable in accordance with Code Section 2-3F-1 of the Code of the City of Lenexa, unless otherwise specifically set out.
ORDINANCE NO. 1788

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 171 (MUNICIPAL POOL BATHHOUSE), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $100,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF RECONSTRUCTION, REMODELLING AND REPLACEMENT OF THE BATHHOUSE AT THE MUNICIPAL POOL COMPLEX IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-1736, et seq., as amended, and Ordinance No. 1735, the Governing Body of the City of Leawood, Kansas (the "City") has heretofore authorized the following described improvement project within the City, to wit:

reconstruct, remodel and replace the bathhouse at the municipal pool complex located at the city park at 10601 Lee Boulevard within the City (the "Project") at an estimated cost of $500,000; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 171 (Municipal Pool Bathhouse), dated July 15, 1998, in the principal amount of $100,000 (the "Prior Notes") to provide funds to pay costs of the Project heretofore incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood,
Kansas, Temporary Notes, Project 171 (Municipal Pool Bathhouse), in the aggregate principal amount of One Hundred Thousand Dollars ($100,000) (the "Notes"). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of a single bearer note numbered 1, in the denomination of $100,000. Said Notes shall be dated March 1, 1999, shall mature by their stated terms and become due and payable on December 1, 1999. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.25% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after June 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.
Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to Country Club Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.69% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes.
and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized
and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 1st day of March, 1999.

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 171 (MUNICIPAL POOL BATHHOUSE), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $100,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF RECONSTRUCTION, REMODELLING AND REPLACEMENT OF THE BATHHOUSE AT THE MUNICIPAL POOL COMPLEX IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-1535, et seq., as amended, and Ordinance No. 1/35, the Governing Body of the City of Leawood, Kansas (the "City") has herefore authorized the following described improvement project within the City, to wit: reconstruct, remodel and replace the bathhouse at the municipal pool complex located at the city park at 10601 Lee Boulevard within the City (the "Project") at an estimated cost of $500,000; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 171 (Municipal Pool Bathhouse), dated July 15, 1998, in the principal amount of $100,000 (the "Prior Notes") to provide funds to pay costs of the Project herefore incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 171 (Municipal Pool Bathhouse), in the aggregate principal amount of One Hundred Thousand Dollars ($100,000) (the "Notes"). The amount of the Notes together with other temporary notes herefore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of a single bearer note numbered 1, in the denomination of $100,000. Said Notes shall be dated March 1, 1999, shall mature by their stated terms and become due and payable on December 1, 1999. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.25% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after June 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereto to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by publication of such notice at least two times in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice being mailed of written notice of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinafter described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to Country Club Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.69% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Proceedings of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenant. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and remain void and null if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948.
2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.
3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.
4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing, agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 1st day of March, 1999.

ORDINANCE NO. 1787

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 158 (TRAFFIC SIGNALIZATION), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT AND REIMPROVEMENT OF THE INTERSECTION OF STATE LINE ROAD AT 92ND STREET IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-687, et seq., as amended, and Ordinance No. 1202, as amended by Ordinance No. 1778, the Governing Body of the City of Leawood, Kansas (the "City") has heretofore authorized the following described improvement project within the City, to wit:

- to improve and reimprove the intersection of State Line Road at 92nd Street located within the City of Leawood (the "Project") at an estimated cost of $458,040; and

WHEREAS, the Project has commenced and the City has incurred or expects to incur costs payable within the next six (6) months in the amount of $200,000; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to pay costs of the Project as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to pay the costs of the Project now due or to become due in the immediate future, including necessary engineering,
legal and incidental costs, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 158 (Traffic Signalization), in the aggregate principal amount of Two Hundred Thousand Dollars ($200,000) (the "Notes"). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of two (2) bearer notes numbered 1 and 2, each in the denomination of $100,000. Each of said Notes shall be dated March 1, 1999, shall mature by their stated terms and become due and payable on December 1, 1999. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.25% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after June 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to
redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security of the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so
executed and registered, said Notes shall be countersigned by the City Clerk and delivered to
Country Club Bank, the original purchaser thereof, upon payment of the purchase price therefor
which shall not be less than 99.695% of the principal amount thereof plus accrued interest to the
date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of said Notes shall be
deposited with the City Treasurer in a special fund created for the purpose of paying the costs
and expenses of the Project.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply
with each and every provision of Section 103 and Section 141 through 150 of the Internal
Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes,
necessary to maintain the exclusion from gross income for federal income tax purposes of the
interest on the Notes, including but not limited to any provisions requiring the rebate of earnings
on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or
permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit
any other action, or fail to take any action, if any such action or failure to act would adversely
affect the exclusion from gross income for federal income tax purposes of the interest on the
Notes; provided, however, the foregoing provision in (1) above shall be and come null and void
if and to the extent that the City shall receive an opinion from nationally recognized bond
counsel which concludes that compliance with the foregoing covenant and the provisions of the
Code as provided in this section shall not be required to maintain and continue the tax-exempt
status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The
Governing Body hereby funds, determines, represents and warrants, as follows:
1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.
Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The
Governing Body hereby funds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of
   the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the
   City nor any subordinate issuing entity to the City have issued bonds or notes or other
tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate
amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations
taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate
amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or
will such proceeds or the Project be in any manner used on a basis different from the
general public in the trade or business of any person, firm or corporation other than a
governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt
obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar
year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City,
including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and

ORDINANCE NO. 1786

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 151 (FIRE STATION NO. 3), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $600,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF ACQUISITION OF CERTAIN REAL PROPERTY WITHIN THE CITY AND ACQUISITION, CONSTRUCTION AND INSTALLATION OF A NEW FIRE STATION THEREON, INCLUDING PARKING FACILITIES AND ACCESS ROADS, AND FURNISHING AND EQUIPPING THE SAME.

WHEREAS, pursuant to K.S.A. 12-1736, et seq., as amended, and Ordinance No. 1704, the Governing Body of the City of Leawood, Kansas (the “City”) has heretofore authorized the following described improvement project within the City, to wit:

acquisition of certain real property in Leawood South Park currently leased by the City and acquisition, construction and installation of a new fire station thereon, including parking facilities and access roads, and furnishing and equipping the same

(the “Project”) at an estimated cost of $3,195,000; and

WHEREAS, the Project has been commenced, and the City has incurred or expects to incur costs payable within the next six (6) months in the amount of $600,000; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to pay the costs of the Project as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to pay costs of the Project now due or to become due in the immediate future, including necessary engineering, legal and incidental costs, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes,
Project 151 (Fire Station No. 3), in the aggregate principal amount of Six Hundred Thousand Dollars ($600,000) (the “Notes”). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 through 6 inclusive, each in the denomination of $100,000. Each of said Notes shall be dated March 1, 1999, shall mature by their stated terms and become due and payable on December 1, 1999. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.25% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after June 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.
Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to Midwest Capital, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.72% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying costs and expenses of the Project.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring
the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized
and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 1st day of March, 1999.

APPROVED by the Mayor the 1st day of March, 1999.

Legal Notices Administrator

Subscribed and sworn to before me on this date:

March 2, 1999

Notary Public

DEBRA VALENTI
Notary Public - State of Kansas

My appointment expires: August 21, 1999.
ORDINANCE NO. 1786

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 151 (FIRE STATION NO. 3), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $600,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF ACQUISITION OF CERTAIN REAL PROPERTY WITHIN THE CITY AND ACQUISITION, CONSTRUCTION AND INSTALLATION OF A NEW FIRE STATION THEREON, INCLUDING PARKING FACILITIES AND ACCESS ROADS, AND FURNISHING AND EQUIPPING THE SAME.

WHEREAS, pursuant to K.S.A. 12-1736, et seq., as amended, and Ordinance No. 1704, the Governing Body of the City of Leawood, Kansas (the "City") has heretofore authorized the following described improvement project within the City, to wit:

Acquisition of certain real property in Leawood South Park currently leased by the City and acquisition, construction and installation of a new fire station thereon, including parking facilities and access roads, and furnishing and equipping the same (the "Project") at an estimated cost of $3,195,000; and

WHEREAS, the Project has been commenced, and the City has incurred or expects to incur costs payable within the next six (6) months in the amount of $500,000; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-121, as amended, to issue temporary notes of the City to provide funds to pay the costs of the Project as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to pay costs of the Project now due or to become due in the immediate future, including necessary engineering, legal and incidental costs, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 151 (Fire Station No. 3), in the aggregate principal amount of Six Hundred Thousand Dollars ($600,000), (the "Notes"). The amount of the Notes together with other temporary notes hereafter issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered one through sixty inclusive, each in the denomination of $10,000. Each of said Notes shall be dated March 1, 1999, shall mature by its stated terms and become due and payable on, December 1, 1999. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.25% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after June 1, 1999, at a redemption price of 100% of the principal amount thereof plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by publication of such notice at least once in a newspaper published or of general circulation in the metropolitan Kansas City area; such publication of such notice or mailing of written notification of redemption to the original purchaser and to the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinafter described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to MidWest Capital, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.72% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer in a special fund created for the purpose of paying costs and expenses of the Project.

Section Seven. Tax Covenant. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), that is or may become applicable to the Notes, so as to maintain the exemption from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exemption from gross income for federal income tax purposes of the interest on the Notes provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel that concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;
2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000;
3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000;
4. No portion of the proceeds of the sale of the Notes will be loaned or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Second. Same. Further Admonition. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make any and all further amendments, revisions, explanations, omissions, adjustments, or supplements thereto as may be deemed necessary or advisable in the event of any errors or omissions.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 1st day of March, 1999.

ORDINANCE NO. 1785

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 148 (CITY PARK DESIGN, PHASE I), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENTS TO EXISTING CITY PARKS IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-1302, et seq., as amended, and Ordinance No. 1742, the Governing Body of the City of Leawood, Kansas (the “City”) called an election in the City for the purpose of submitting the following question:

“Shall the City of Leawood issue its general obligation bonds pursuant to K.S.A. 12-1302 in an amount not to exceed $12,500,000 for the purpose of paying for the costs of improvements to existing City parks?”; and

WHEREAS, at said election more than a majority of the qualified electors in the City voted in favor of the proposition, the vote having been certified to have been and being hereby declared to be 7957 votes in favor of said proposition and 2600 votes against said proposition.

WHEREAS, the City has incurred or expects to incur costs payable in respect of the improvements to existing City parks (the “Project”) within the next six (6) months in the amount of $200,000; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to pay the costs of the Project as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

419171.01
Section One. Authorization of Notes. That in order to provide funds to pay the costs of
the Project now due or to become due in the immediate future, including necessary engineering,
legal and incidental costs, there shall be issued and the City is hereby authorized to issue
temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 148
(City Park Design, Phase I), in the aggregate principal amount of Two Hundred Thousand
Dollars ($200,000) (the “Notes”). The amount of the Notes together with other temporary notes
heretofore issued to finance the Project which remain outstanding does not exceed the total
estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of two (2) bearer
notes numbered 1 and 2, each in the denomination of $100,000. Each of said Notes shall be
dated March 1, 1999, shall mature by their stated terms and become due and payable on
December 1, 1999. The Notes shall bear interest from their dated date, payable at maturity or
upon redemption prior thereto as herein provided, at a rate of interest of 3.25% per annum
(computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day
months). The Notes shall be subject to redemption at the option of the City upon notice as
hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance
of general obligation bonds of the City issued in lieu thereof to provide permanent financing of
the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the
United States of America by check or draft at the office of the City Treasurer of the City upon
presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in
part in denominations of $100,000 selected by the City in its sole discretion), at any time on or
after June 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security of the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and
substance hereinbefore described and as provided by law and to procure the proper registration in
the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so
executed and registered, said Notes shall be countersigned by the City Clerk and delivered to
Country Club Bank, the original purchaser thereof, upon payment of the purchase price therefor
which shall not be less than 99.695% of the principal amount thereof plus accrued interest to the
date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of said Notes shall be
deposited with the City Treasurer in a special fund created for the purpose of paying the costs
and expenses of the Project.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply
with each and every provision of Section 103 and Section 141 through 150 of the Internal
Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes,
necessary to maintain the exclusion from gross income for federal income tax purposes of the
interest on the Notes, including but not limited to any provisions requiring the rebate of earnings
on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or
permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit
any other action, or fail to take any action, if any such action or failure to act would adversely
affect the exclusion from gross income for federal income tax purposes of the interest on the
Notes; provided, however, the foregoing provision in (1) above shall be and come null and void
if and to the extent that the City shall receive an opinion from nationally recognized bond
counsel which concludes that compliance with the foregoing covenant and the provisions of the
Code as provided in this section shall not be required to maintain and continue the tax-exempt
status of the interest income on the Notes.
Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby funds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other
documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 1st day of March, 1999.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby funds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, nor any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be "qualified tax-exempt obligations" within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the 1st day of March, 1999.

APPROVED by the Mayor the 1st day of March, 1999.

ORDINANCE NO. 1784

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 144 (MISSION ROAD, 103RD - I-435), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $1,500,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT OR REIMPROVEMENT OF MISSION ROAD, 103RD - I-435, INCLUDING GRADING, REGRADING, CURBING, RECURBING, GUTTERING, REGUTTERING, PAVING, REPAVING, MACADAMIZING, REMACADAMIZING, CONSTRUCTING, RECONSTRUCTING, OPENING, WIDENING, EXTENDING, ROUNding CORNERS, STRAIGHTENING, RELOCATING, CONSTRUCTION OR RECONSTRUCTION OF ANY NECESSARY BRIDGES AND APPROACHES THERETO, VIADUCTS, OVERPASSES, UNDERPASSES, CULVERTS, STORM DRAINAGE, TRAFFICWAY ILLUMINATION, TRAFFIC CONTROL DEVICES, PEDESTRIAN WAYS, BICYCLE WAYS OR OTHER IMPROVEMENTS AND OTHER INCIDENTAL CONSTRUCTION COSTS, IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-685, et seq., as amended, and Ordinance No. 1204, the Governing Body of the City of Leawood, Kansas (the "City") has heretofore authorized the following described improvement project within the City, to wit:

improvement of certain sections of Mission Road from 103rd Street to I-435, within the City of Leawood

(the "Project") at an estimated cost of $2,000,000; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 144 (Mission Road, 103rd - I-435), dated July 15, 1998, in the principal amount of $1,500,000 (the "Prior Notes") to provide funds to pay costs of the Project heretofore incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and
WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 144 (Mission Road, 103rd - I-435), in the aggregate principal amount of One Million Five Hundred Thousand Dollars ($1,500,000) (the “Notes”). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of bearer notes numbered 1 through 15, inclusive, each in the denomination of $100,000. Each of said Notes shall be dated March 1, 1999, shall mature by their stated terms and become due and payable on December 1, 1999. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.20% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.

Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after June 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the
event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to Midwest Capital, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.79% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.
Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;

2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the
general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

**Section Nine. Further Authority.** The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

**Section Ten. Effective Date.** That this Ordinance shall take effect and be in force after its publication as provided by law.
PASSED by the Council the 1st day of March, 1999.

APPROVED by the Mayor the 1st day of March, 1999.

ORDINANCE NO. 1783

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 137 (STATE LINE ROAD, PHASE IV), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT OR REIMPROVEMENT OF STATE LINE ROAD FROM A POINT 25.50 FEET SOUTH OF THE CENTERLINE OF 103RD STREET TO A POINT 123.76 FEET SOUTH OF THE CENTERLINE OF CARONDELET, TO INCLUDE GRADING, REGRADING, CURBING, RECURBING, GUTTERING, REGUTTERING, PAVING, REPAVING, MACADAMIZING, REMACADAMIZING, CONSTRUCTING, RECONSTRUCTING, OPENING, WIDENING, EXTENDING, ROUNding COrNERS, STRAIGHTENING, RELOCATING, CONSTRUCTION OR RECONSTRUCTION OF ANY NECESSARY BRIDGES, APPROACHES THERETO, VIADUCTS, OVERPASSES, UNDERPASSES, CULVERTS, STORM DRAINAGE, TRAFFICWAY ILLUMINATION, TRAFFIC CONTROL DEVICES, PEDESTRIAN WAYS, BICYCLE WAYS, OR OTHER IMPROVEMENTS OR ANY TWO OR MORE OF SUCH IMPROVEMENTS OR REIMPROVEMENTS AND OTHER INCIDENTAL CONSTRUCTIONS COSTS, IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A 12-685, et seq., as amended, and Ordinance No. 1372, the Governing Body of the City of Leawood, Kansas (the “City”) has heretofore authorized the following described improvement project within the City, to wit:

improvement of State Line Road from a point 25.50 feet south of the centerline of 103rd Street, to a point 123.76 feet south of the centerline of Carondolet, a distance of approximately 2646 feet, within the City Leawood

(the “Project”) at an estimated cost of $3,680,000; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 137 (State Line Road, Phase IV), dated July 15, 1998, in the
principal amount of $200,000 (the “Prior Notes”) to provide funds to pay costs of the Project heretofore incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes as the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 137 (State Line Road, Phase IV), in the aggregate principal amount of Two Hundred Thousand Dollars ($200,000) (the “Notes”). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remain outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of two (2) bearer notes numbered 1 and 2, each in the denomination of $100,000. Each of said Notes shall be dated March 1, 1999, shall mature by their stated terms and become due and payable on December 1, 1999. The Notes shall bear interest from their dated date, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.25% per annum (computed on the basis of actual days elapsed and a 360-day year composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general obligation improvement bonds of the City issued in lieu thereof to provide permanent financing of the Project.
Both principal of and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after June 1, 1999, at a redemption price of 100% of the principal amount thereof so redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice thereof in writing by first class mail to the original purchaser of the Notes and to any known holder of the Notes or by the publication of such notice at least one time in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder to be at least ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City and shall have the seal of said City affixed thereto.
Section Five. Execution and Delivery. The Mayor and City Clerk of the City are hereby authorized and directed to prepare and execute the Notes herein authorized in the form and substance hereinbefore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to Country Club Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than 99.695% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Covenants. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948;
2. Since January 1, 1999, neither the City, any related issuer on behalf of the City nor any subordinate issuing entity to the City have issued bonds or notes or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will such proceeds or the Project be in any manner used on a basis different from the general public in the trade or business of any person, firm or corporation other than a governmental entity.

The Governing Body of the City hereby designates the Notes to be “qualified tax-exempt obligations” within the meaning and for the purposes of Section 265 of the Code, for calendar year 1999.

Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

AN ORDINANCE AUTHORIZING AND PROVIDING FOR THE ISSUANCE AND DELIVERY OF TEMPORARY NOTES, PROJECT 137 (STATE LINE ROAD, PHASE IV), OF THE CITY OF LEAWOOD, KANSAS, IN THE PRINCIPAL AMOUNT OF $200,000 TO PROVIDE TEMPORARY FINANCING OF THE COST OF IMPROVEMENT OR REIMPROVEMENT OF STATE LINE ROAD FROM A POINT 25.50 FEET SOUTH OF THE CENTERLINE OF 103RD STREET TO A POINT 123.76 FEET SOUTH OF THE CENTERLINE OF CARONDELET, TO INCLUDE GRADING, REGRADED, CURBING, CURBING, CURTAINING, REGRADED, CURBING, CURTAINING, PAVING, REPAVING, MACADAMIZING, REMACADAMIZING, CONSTRUCTING, RECONSTRUCTING, OPENING, WIDENING, EXTENDING, ROUNDED CORNERS, STRAIGHTENING, RELOCATING, CONSTRUCTION OR RECONSTRUCTION OF ANY NECESSARY BRIDGES, APPROACHES THERETO, VIADUCTS, OVERPASSES, UNDERPASSES, CULVERTS, STORM DRAINAGE, TRAFFIC ILLUMINATION, TRAFFIC CONTROL DEVICES, PEDESTRIAN WAYS, BICYCLE WAYS, OR OTHER IMPROVEMENTS OR ANY TWO OR MORE OF SUCH IMPROVEMENTS OR REIMPROVEMENTS AND OTHER INCIDENTAL CONSTRUCTION COSTS, IN THE CITY OF LEAWOOD.

WHEREAS, pursuant to K.S.A. 12-695, as amended, and Ordinance No. 1372, the Governing Body of the City of Leawood, Kansas (the "City") has heretofore authorized the following described improvement project within the City, to-wit:

improvements of State Line Road from a point 25.50 feet south of the centerline of 103rd Street, to a point 123.76 feet south of the centerline of Carondelet, a distance of approximately 2656 feet, within the City of Leawood (the "Project") at an estimated cost of $3,600,000; and

WHEREAS, the Project has been commenced and the City has heretofore issued its Temporary Notes, Project 137 (State Line Road, Phase IV), dated July 15, 1998, in the principal amount of $200,000 (the "Prior Notes") to provide funds to pay costs of the Project hereafter incurred by the City; and

WHEREAS, said Prior Notes become due and payable in the immediate future but all aspects of the Project will not be completed at the date of maturity thereof; and

WHEREAS, the City is authorized by law and in particular K.S.A. 10-123, as amended, to issue temporary notes of the City to provide funds to redeem and pay the Prior Notes at the same become due and payable.

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF LEAWOOD, KANSAS, AS FOLLOWS:

Section One. Authorization of Notes. That in order to provide funds to redeem and pay the Prior Notes to become due in the immediate future, there shall be issued and the City is hereby authorized to issue temporary notes of the City, designated City of Leawood, Kansas, Temporary Notes, Project 137 (State Line Road, Phase IV), in the aggregate principal amount of Two Hundred Thousand Dollars ($200,000.00) (the "Notes"). The amount of the Notes together with other temporary notes heretofore issued to finance the Project which remains outstanding does not exceed the total estimated cost of said Project.

Section Two. Terms of the Notes. Said issue of Notes shall consist of two (2) bearer notes numbered 1 and 2, each in the denomination of $100,000. Each of said Notes shall be dated March 1, 1999; shall mature on their stated terms and become due and payable on December 1, 1999. The Notes shall bear interest from their date issued, payable at maturity or upon redemption prior thereto as herein provided, at a rate of interest of 3.50% per annum (computed on the basis of actual days elapsed and a 360-day year, composed of twelve 30-day months). The Notes shall be subject to redemption at the option of the City upon notice as hereinafter provided and shall be redeemed and cancelled contemporaneously with the issuance of general, obligation, improvement bonds of the City, issued in lieu thereof, to provide permanent financing of the Project.

Both principal and interest on said Notes shall be payable in lawful money of the United States of America by check or draft at the office of the City Treasurer of the City, upon presentation and surrender of said Notes.

The City reserves the right to redeem and pay said Notes, in whole or in part (and if in part in denominations of $100,000 selected by the City in its sole discretion), at any time on or after June 1, 1999, at a redemption price of 100% of the principal amount thereof or redeemed plus accrued interest thereon to the redemption date, without premium. In the event the City elects to redeem any of such Notes as aforesaid, the City shall give notice therein to the original purchaser of the Notes and to any and every holder of the Notes, or by the publication of such notice at least once in a newspaper published or of general circulation in the metropolitan Kansas City area, such publication of such notice or mailing of written notification of redemption to the original purchaser and the known holder of the Notes to be given ten days prior to the redemption date fixed in such notice. Notice of such redemption having been given as aforesaid, interest shall cease to accrue on said Notes from and after the redemption date.

Section Three. Security for the Notes. The full faith, credit and resources of the City of Leawood, Kansas, shall be and the same are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes.

The Governing Body of the City shall make provision for the payment of said Notes by the issuance of renewal notes or general obligations bonds of the City to provide permanent financing of the Project upon the completion thereof. If said bonds shall not be so issued and the Notes shall not be so paid, the Governing Body shall levy and collect a tax upon all taxable tangible property within the territorial limits of the City in an amount sufficient to pay the principal of and interest on said Notes as the same become due and payable.

Section Four. Form of Notes. Each of said Notes shall be in customary form as provided by law, shall be signed by the Mayor and attested by the City Clerk of the City, and shall have the seal of said City affixed thereto.

Section Five. Execution and Delivery. The Mayor and City Clerk of the City hereby authorized and directed to prepare and execute the Notes herein authorized, in the form and substance heretofore described and as provided by law and to procure the proper registration in the office of the City Clerk and in the office of the Treasurer of the State of Kansas, and when so executed and registered, said Notes shall be countersigned by the City Clerk and delivered to Country Club Bank, the original purchaser thereof, upon payment of the purchase price therefor which shall not be less than $99,695% of the principal amount thereof plus accrued interest to the date of delivery thereof to the original purchaser thereof.

Section Six. Disposition of Proceeds. The proceeds of the sale of the Notes shall be deposited with the City Treasurer to be used to redeem and retire the Prior Notes.

Section Seven. Tax Exemptions. The City covenants and agrees that (1) it will comply with each and every provision of Section 103 and Section 144-74 of the Internal Revenue Code of 1986, as amended (the "Code"), that is or may become applicable to the Notes, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes, including but not limited to any provisions requiring the rebate of earnings on amounts held in funds or accounts created with respect to the Notes and (2) it will not use or permit the use of any of the proceeds of the Notes or other funds of the City nor take or permit any other action, or fail to take any action, if any such action or failure to act would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Notes; provided, however, the foregoing provision in (1) above shall be and come null and void if and to the extent that the City shall receive an opinion from nationally recognized bond counsel which concludes that compliance with the foregoing covenant and the provisions of the Code as provided in this section shall not be required to maintain and continue the tax-exempt status of the interest income on the Notes.

Section Eight. Designation of Notes as Qualified Tax-Exempt Obligations. The Governing Body hereby finds, determines, represents and warrants, as follows:

1. The City is a duly created and validly existing municipal corporation of the State of Kansas in existence since 1948.

2. Since January 1, 1999, neither the City, any related issuer on behalf of which the Notes are to be issued, nor any other entity (whether or not a subordinate issuer) (the "Sub Issuer") has made any similar or related promise, guarantee, representation, undertaking or other tax-exempt obligations taken into account under Section 265(b)(3)(D) of the Code, or an aggregate amount in excess of $10,000,000.

3. The City does not reasonably anticipate issuing tax-exempt obligations taken into account under Section 265(b)(3)(D) during calendar year 1999 in an aggregate amount in excess of $10,000,000.

4. No portion of the proceeds of the sale of the Notes will be loaned to or will be used to finance or construct any activity, facility or project the proceeds of which will be used, directly or indirectly, to construct or carry out any activity, facility or project which is an activity, facility or project which is not tax-exempt within the meaning of the Code for calendar year 1999.

CONTINUED ON PAGE 8
Section Nine. Further Authority. The duly elected and appointed officers of the City, including the Mayor, the City Clerk and the Finance Director, are hereby further authorized and directed to execute all documents and take such actions as they may deem necessary or advisable, in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section Ten. Effective Date. That this Ordinance shall take effect and be in force after its publication as provided by law.

PASSED by the Council the __st__ day of March, 1999.

APPROVED by the Mayor the __st__ day of March, 1999.
