9. COUNCILMEMBERS REPORT
A. Consideration of Bike Friendly Community Designation from the Park and Recreation Advisory Board meeting.

Councilmember Rawlings requested that they hold a work session for further discussion in helping the City of Leawood become a more bicycle friendly community. Parks and Recreation Director Chris Claxton organized a sub-committee, Chaired by Brian Anderson, Parks and Recreation Department.
Councilmember Rawlings made a motion to schedule a work session for further discussion and deliberation on this issue to a date uncertain; seconded by Councilmember Azeltine.

Mayor Dunn noted this would not be scheduled until after the first of the year.

The motion carried following a unanimous vote of 7-0. (Councilmember Filla absent).

B. Report from Councilmember Bussing

Councilmember Bussing referred to a letter and two articles received from George K. Baum and Company regarding public finance. He noted the articles were very well written and concise in terms of explaining some of the issues cities are facing with the declining housing market and property tax income. Mr. Bussing read a quote from their letter: “These times help make the case for a strong fund balanced policy. As most of the City Council has heard them say many times, fund balance is the single most important insurance policy a public jurisdiction has against significant or abrupt disruptions in revenue.” Mr. Bussing thanked Finance Director Kathy Rogers and City Administrator Scott Lambers for their courage and insistence in working with Council on the budget process to maintain those fund balances. He felt the letter summarized and stated the continued need for the City to maintain strong fund balances.

10. STAFF REPORT – None.

COMMITTEE RECOMMENDATIONS

11. PLANNING COMMISSION

[From the September 9, 2008 Planning Commission meeting]

A. Ordinance No. 2363 amending § 16-2-9.2 of the Leawood Development Ordinance [LDO], entitled ‘Non-Residential Uses’ to allow for a deviation to the minimum 10-Acre 10 Acre Requirement for Commercial Development and to provide for lighting standards and repealing existing section - CONTINUED FROM THE OCTOBER 6, 2008 & OCTOBER 20, 2008 GOVERNING BODY MEETINGS [Roll Call Vote]

Staff Comment: This ordinance changes one section in two ways. The first provides for a deviation to the 10-acre rule and the second pertains to lighting standards. The lighting standards were remanded to Planning Commission to provide for clarification.

Mayor Dunn confirmed with Mark Klein, Assistant to the Planning Director, that the lighting standards that were remanded to the Planning Commission had been clarified.

[From the October 14, 2008 Planning Commission meeting]

G. **Ordinance No. 2369** approving a Preliminary Site Plan and Final Site Plan for Bi-State Centennial Park - Lot 12, located north of 141st Terrace and west of Cambridge (PC Case # 66-08) [Roll Call Vote]

A motion to pass the ordinance was made by Councilmember Rasmussen; seconded by Councilmember Gill.

Mayor Dunn referred to Stipulation Nos. 5 and 6 and asked the Planning staff to clarify. Senior Planner Jeff Joseph stated the ordinance requires that berms be provided along parking areas. The Planning Commission changed Stipulation No. 5 due to grading problems. He stated the applicant was willing to do a 2 to 1 slope at this location.

Judd Claussen, Phelps Engineering, stated there were some challenges when trying to grade the site. There was approximately a 12 foot difference in elevation from the north to the south end of the site. The parking area in reference to the berming, is located off of 141st Terrace. Mr. Claussen stated they didn’t want the slope to be too steep in order for the property owner to maintain. The property could be screened with the proper landscaping.

Mr. Joseph stated the landscaping and the berming would not be visible.

Mayor Dunn confirmed with Mr. Joseph that the wording in Stipulation No. 5 should read “east” instead of “west.” Mr. Claussen stated they intended to meet the City ordinance regarding lighting.

Mayor Dunn referred to page 6 under “Staff Comments” and confirmed with Mr. Joseph that this should also read “east” instead of “west.”

Mayor Dunn referred to page 4 under “Elevations” and noted the last paragraph referring to the stucco wall. She noted there was a lot of stucco used and asked for assurance of future expansion.
Mr. Claussen noted the future expansion area was located on the west edge of the building. In working with the customer on this, it was important for him to be able to expand on this site.

Tim Haas, President of Power Specialties, stated they sell process control equipment for chemical plants, power plants, and engineering firms. He noted over the last six years Power Specialties had doubled in size. They initially purchased a lot on the Missouri side of this business park; however, when they laid out the building it wasn’t conducive for future growth. They moved onto the Kansas side in order to meet current and future needs. He indicated the expansion would not occur immediately; however, they wanted the ability to do so.

Mr. Claussen indicated the site plan on the west side was higher in elevation and noted they had planted some trees to help with screening the retaining wall. Mr. Klein noted the retaining wall was 6 – 7 feet tall with landscaping.

Mr. Haas noted he would be the neighbor to the east and was concerned that he would have a visual of the large retaining wall as well. He noted the landscape plan that was submitted had no plantings or screening between the property line and the retaining wall.

Mr. Joseph stated a stipulation was approved to have required landscaping.

The motion to pass the ordinance carried following a unanimous roll call vote of 7-0. Yea: Councilmembers Rasmussen, Gill, Peppes, Bussing, Rawlings, Cain, and Azeltine. Nay: None. (Councilmember Filla absent).

H. **Ordinance No. 2370** amending § 16-4-5.7 of the Leawood Development Ordinance [LDO], pertaining to Off-Street Parking Requirements in Office, Commercial, and Industrial Districts [Lighting Standards Regarding Visibility of Light Sources and Uniformity] - (PC Case # 80-08) [Roll Call Vote]

A motion to pass the ordinance was made by Councilmember Rasmussen; seconded by Councilmember Gill. The motion carried following a unanimous roll call vote of 7-0. Yea: Councilmembers Rasmussen, Gill, Peppes, Bussing, Rawlings, Cain, and Azeltine. Nay: None. (Councilmember Filla absent).
