I. Approve Renewal of Cereal Malt Beverage [CMB] license for Hen House, located at 11721 Roe Avenue

City Clerk Debra Harper confirmed for Councilmember Cain that approval of the CMB license renewal would not preclude Hen House from applying for an alcohol Drinking Establishment License once their building remodel to include a restaurant is complete this summer.

A motion to approve Consent Agenda Item 7.I. was made by Councilmember Cain; seconded by Councilmember Filla. The motion was approved with a unanimous vote of 8-0.

L. Resolution No. 4552, approving and authorizing the Mayor to execute an Artwork Contract between the City and RDG IA Inc., dba RDG Dahlquist Art Studio for an amount not to exceed $250,000.00, pertaining to an art piece to be known as Weight of Your Heart/Weight of a Feather to be located at the Leawood Justice Center

In follow-up to a constituent inquiry, Councilmember Azeltine asked Mr. Coleman if the City would pay an Art Impact Fee for this art piece. Mr. Coleman stated he believed the City would be required to do so, the same as required of any developer, but was uncertain of the percentage cost and would need to follow-up. He estimated the fee would be $0.15 per square ft. for 60,000 square ft., or about $4,000.

Mayor Dunn commented the art piece was far beyond and superior to paying the Art Impact Fee.

Councilmember Filla added the more important aspect was all money raised for the art piece and the Justice Center was already paid for by sales tax, with no bonding, debt or property tax.

Councilmember Osman stated the record needed to be clear in this regard. When the Justice Center was planned, the plan and budget included a public art piece. The funding was appropriated and paid for by sales tax years ago.

Mayor Dunn clarified funding had come from the county public safety tax and augmented with a four-tenths of one cent sales tax approved by Leawood voters. She stated City Administrator Scott Lambers would create a standard communication response to inquiries and suggested it contain a prior excellent response used by Councilmember Filla.

A motion to approve Consent Agenda Item 7.L. was made by Councilmember Azeltine; seconded by Councilmember Filla. The motion was approved with a unanimous vote of 8-0.
