8. **SPECIAL BUSINESS**

   A. **Resolution No. 4651**, authorizing the sale by the City of Leawood, Kansas of General Obligation Bonds and General Obligation Temporary Notes of the City to provide funds to finance the costs of certain public improvements within said City and to refund certain outstanding General Obligation Bonds of the City; approving the form of Notice of Bond Sale and Preliminary Official Statement to be used in connection therewith; and authorizing and directing the City Finance Director to advertise such sale in the manner prescribed by law

   Councilmember Filla noted the bond refundings had resulted in a savings of $810,000. Mayor Dunn stated that Finance Director Dawn Long and other department heads, along with the City’s bond counsel, continuously search for refunding opportunities.

   A motion to approve Agenda Item 8.A. was made by Councilmember Rawlings; seconded by Councilmember Sipple. The motion was approved with a unanimous vote of 6-0.

   B. **Resolution No. 4652**, authorizing the replacement of Fire Station No. 1 in the City of Leawood; providing for issuance of General Obligation Improvement Bonds of the City to pay the costs thereof pursuant to K.S.A. § 12-1736 and for the issuance of Temporary Notes of the City pending the issuance of said Bonds; and expressing the intent to reimburse costs of the project so incurred from proceeds of General Obligation Bonds and Notes; and authorizing and approving certain related matters and actions [Project# 80158 – Fire Station No. 1 Replacement]

   Mayor Dunn stated the replacement fire station had been discussed in two recent Governing Body Work Sessions.

   A motion to approve Agenda Item 8.B. was made by Councilmember Filla; seconded by Councilmember Cain. The motion was approved with a unanimous vote of 6-0.
C. **Resolution No. 4653**, approving and authorizing the Mayor to execute a Construction Agreement in the amount of $1,926,955.32, between the City and Excel Constructors, Inc., pertaining to the Ironhorse Clubhouse Expansion Project [Project # 49133]

Councilmember Osman requested the number of pre-bid contractors, reason(s) for receipt of one bid, and review of the bid timeline. He noted bids were due just before Memorial Day and sub-contractors could have been wrapping up other projects.

Ms. Claxton stated as mentioned in the Staff Review Fact Sheet, conversations had been held with the bidder and contractors who did not bid. Reasons from contractors who did not bid include lack of time due to bidding for a $25 Million school improvement project, inability to secure costs from sub-contractors and suppliers in a timely manner, and having too many projects. The construction industry is doing very well at this time. She stated Project Manager Brett Haugland of Continental Consulting Engineers had done an excellent job of vetting contractor comments.

Mayor Dunn requested the construction timeline. Ms. Claxton stated construction was anticipated to begin in September and last for 6 to 9 months, with the building enclosed by winter. Interior work performed over the winter months would work well with course operations.

Councilmember Rawlings asked if Excel Constructors was a relatively new name and if the company had used another name in the past. Ms. Claxton pointed out the recommended contractor was Excel Constructors, not Excel Construction; she was not aware of a prior name.

Mayor Dunn wished Ms. Claxton the best of luck with the expansion project.

**A motion to approve Agenda Item 8.C. was made by Councilmember Osman; seconded by Councilmember Sipple. The motion was approved with a unanimous vote of 6-0.**

The new CD yields an interest rate of 0.50% and will mature on June 20, 2017. Prior documentation regarding this CD includes a request that if the City of Leawood should ever cease to exist, the funds be used for the Community Center in advance.

B. Attended a lovely Leawood Chamber of Commerce After Hours event hosted by the Parks & Recreation Director Chris Claxton and her team at our Ironwoods Lodge. Dean & Deluca co-hosted the event.

C. Much appreciation and congratulations to Parks & Recreation Director Chris Claxton and her talented team for another enjoyable and safe 4th of July. Assisting with all the festivities were our Police, Fire and Public Works Departments. Judging by the lines of individuals waiting for the shuttles at the event’s conclusion, it appeared we had a record-breaking crowd in attendance.

D. Pool attendance as of June 30, 2016 is 18,430, up 67% over same time in 2015. As you may recall, we had cool weather in June of last year, and pool attendance was only 11,023 as of June 30, 2015. The pool now has the ability to process credit cards.

Mayor Dunn stated the proposed art piece would be located on the concrete slab west of City Hall that had been vacant for some time.

Councilmember Cain noted the lease term had increased from the two years previously discussed, to a term of three years. She inquired if the artist was in agreement with the change. Mr. Lambers confirmed the artist was in agreement and this would lock in the purchase price if the City would acquire the piece.

A motion to approve Agenda Item 15. was made by Councilmember Cain; seconded by Councilmember Filla. The motion was approved with a unanimous vote of 6-0.

16. NEW BUSINESS
A. Ordinance No. 2789C, amending § 1-210 of the Code of the City of Leawood, Kansas, 2000, pertaining to vacancy in the office of Mayor or Councilmember, and repealing existing § 1-210 and other sections in conflict herewith [ROLL CALL VOTE]

Ms. Bennett confirmed for Councilmember Cain that Kansas law had changed to remove limitations and the proposed revisions would amend City Code to be the same.
A motion to pass the ordinance was made by Councilmember Filla; seconded by Councilmember Harrison. The motion was approved with a unanimous roll call vote of 6-0.

Councilmember Cain asked if the shortened permit term was applicable to all disposal service providers. Mr. Lambers stated the proposed revision was necessary to provide the authority to issue a 6-month permit, intended at this time for one service provider, who is aware of the situation.

Councilmember Filla inquired if City code was in-line with Johnson County requirements. Mr. Lambers stated City permits are for basic service and Johnson County probably has much more in-depth regulation of providers.

Mayor Dunn noted new language in regard to time for conclusion of pick-up. Mr. Lambers stated “sunset” could be open to interpretation, so specific language regarding time had been proposed.
