## 8. Historic Use

## 9. Current Use

## 10. Historic Significance

Choose one or more criteria:

1. The structure or district has yielded or may be likely to yield information important to pre-history or other areas of archaeological significance.
2. The structure or district embodies distinguishing characteristics of an architectural style valuable for the study of a period.
3. The structure or district is identified with the work of a master builder, designer, architect, engineer or landscape architect whose individual work has influenced the development of the City of Leawood, State of Kansas or the United States.
4. The structure or district embodies design, detailing, materials, or craftsmanship that render it structurally or architecturally significant or innovative.
5. The structure or district is identified with a person or persons who significantly contributed to the cultural, artistic, social economic, political or other development of the city of Leawood, State of Kansas or the United States.
6. The structure or district is a significant example of the cultural, artistic, social, economic, political or other heritage of the City of Leawood, State of Kansas or the United States.
7. The structure of district is the location of a significant event in the history of the City of Leawood, State of Kansas or the United States.
8. The structure of district is included in the National Register of Historic Places and/or the Kansas Register of Historic Places.
9. The structure or district is no less than fifty (50) years old.
10. The structure or district singularly and uniquely represents an established and familiar visual feature of a neighborhood or of the City of Leawood.

## 11. Period of Significance – The Historic Context

*Choose the appropriate period the structure under consideration. Archaeological sites will need to be classified by a trained archaeologist.*

- 1. Pre-White Settlement in Johnson County, 1670-1855
- 2. Early White Settlement, 1855-1900
- 3. Early Suburbanization, 1900-1944
- 4. Post-World War II Housing Boom, 1945-1960
