MEETING STATEMENT:

To reduce the likelihood of the spread of COVID-19 and to comply with social distancing recommendations, this meeting of the Leawood Planning Commission is being conducted using the Zoom media format, with some of the commissioners appearing remotely. The meeting is being livestreamed on YouTube and the public can access the livestream by going to www.leawood.org for the live link. The public is strongly encouraged to access this meeting electronically; however, if you wish to comment on a public hearing item, please contact the Planning Department to make arrangements.

Public comments will only be accepted during the public hearing portion of each agenda item where a public hearing is required. The City encourages the public to submit comments in writing prior to the public hearing by emailing comments to planning@leawood.org. Written public comments received at least 24 hours prior to the meeting will be distributed to members of the Planning Commission. Those wishing to appear remotely using the Zoom format media, should register at planning@leawood.org on or before Friday, April 9th, 2021, at 5:00 pm. Individuals who contacted the Planning Department in advance to provide public comments will be called upon by name.

Electronic copies of tonight's agenda are available on the City's website at www.Leawood.org under Government / Planning Commission / Agendas & Minutes. Because this meeting is being live-streamed, all parties must state their name and title each time they speak. This will ensure an accurate record and make it clear for those listening only. This applies to all commissioners, staff, applicants and members of the public who may speak. All motions must be stated clearly. After each motion is made and seconded, a roll call vote will be taken. The Chair or staff will announce whether the motion carried and the count of the vote. Reminder, please mute all microphones when you are not speaking. Thank you.
