On July 3, 1995, the City of Leawood opened the local and nationally acclaimed 18 hole Ironhorse Golf Club at 154th and Mission Road. Through the donation of approximately 136 acres of land by the Don Bell family, much of which was in the flood plain, the city’s plan to build an upscale public golf course was ready to move forward.

In 1992, Continental Consulting Engineers was selected to provide assistance in the selection of a design and construction firm for the project. Michael Hurdzan of Hurdzan/Fry Designs Unlimited, nationally recognized in the golf course design industry, was chosen and construction commenced in the spring of 1993 on what was soon to be known as “Leawood’s Masterpiece”. As the golf course was developing so was the construction of beautiful homes adjacent to the course, many of which had amazing views!

Also during this time, then Mayor Marcia Rinehart appointed a committee comprised of Leawood residents and two council liaisons. The roll of the Ironhorse Advisory Board was to consider projects and programs for the facility and make recommendations to the Governing Body when applicable. The Advisory Board is still functioning but now focuses on working with the management team from Troon Golf on daily operations in order for the facility to continue to provide an upscale golf experience for golfers of all ages.

With much of the course being in the flood plain, many challenges would present themselves over the years to come. Dedicated to keeping the course in pristine condition, the city continued to support the facility with major improvements to the bunkers, approving annual funding for tree replacements, and securing an agreement with JOCO Wastewater for the use of effluent water (significantly reducing if not eliminating the need for the purchase of public water). Also secured was money for a SMAC project that would eliminate flooding for some residents bordering the west property.

In 2016 the Governing Body, led by long time Mayor Peggy Dunn, authorized monies to expand the clubhouse making room to support larger golf tournaments, providing space for community events and hosting outside rentals for a variety of activities.

Now, twenty-five years later, Ironhorse sits alongside many other “Crown Jewels” of the city’s recreational package, maintaining and expanding its status with continued course maturity and improvement and refined amenities.

Congratulations to the past and present Mayors, and Council men and women, whose foresight and continued commitment to Ironhorse have kept the City moving forward as it continues to “Grow with Distinction”.

Current Members of the Ironhorse Advisory Board:
Dick Fuller - Chair, Mark Bodine, Gary Bussing, Tom Davidson, Leo Morton, Scott Picker, and Dr. Greg Peppes. Council Liaisons are Mary Larson and Chuck Sipple.

**Learning to Fish  Ages 5 years +**

If you have always wanted to give fishing a try, or just want to refresh the experience, this is the program for you! After a brief introduction to the basics of fishing equipment and handling of live fish, enjoy time at the pond “reeling them in”. Equipment and bait provided. Participants should be able to comfortably hold the weight of a cane pole/rod and reel (plus a fish of course)! An adult chaperone must accompany any child under the age of 12 years. We practice “Catch and Release”. A fishing license is not required for those under 16 years. One - 2 hour class.

**Just Bug Me  Ages 4 years +**

Expand your knowledge of “bugs”. Where do they live? What do they eat? How do they get around? Why do they do that? How can you tell if it’s an insect? Meet some of the Prairie Oak Nature Center “Bugs” and be the first one in your group to help with the “Bug Farm”. Besides the live bugs, enjoy the collections of bugs from around the world. All children 12 years or younger must be accompanied by an adult chaperone/participant. One - 1 hour class.

Session Code #204103-1

Prairie Oak Nature Center • Ironwoods Park

Fee $15 per group / Resident Discount $10 per group
Adult supervision is required with your group
Min 8 groups Max 15 groups

Using the many amenities found in Ironwoods Park, your team will search for clues and tasks to solve the puzzles. Each team will receive a packet at the Prairie Oak Nature Center to begin their mission.

This adventure is self-guided and requires a two hour period to complete. Begin any time between 10:00 am - 3:00 pm, and finish by 5:00 pm. If your team needs extra time please plan accordingly.

We will schedule an additional date if needed, so be sure to consider the wait list if we are already filled to capacity. This is a fun way to acquaint your members with some of the activities available at the park.
Exploring Your “Nature” Creativity

**Saturday • March 7th**
**10:00 - 11:00 am**

Prairie Oak Nature Center, Ironwoods Park
Session Code #204110-1
Fee $25 per student / Resident Discount $20 per student
Ages 12 years + • Min 5  Max 12

Join the staff at Prairie Oak Nature Center in Ironwoods Park as we explore different ways to get creative with Nature. Practice your sketching skills with “homemade” charcoal. Learn to press flowers for creative stationary and decorations. Hand build a creation with clay, while learning about its origin. Paint with the fruits of the season. This series of sessions is an exploration of the creative process, and does not require artistic talent. The emphasis is on PROCESS over PRODUCT! You may get “messy” from our “art media”, so dress accordingly. Leave the pine cone wreaths for winter, enjoy the fun of NOW! Four - 1 hour classes.

WHIZ KIDS

Whiz Kids Junior Naturalist

Join us for the four week series Whiz Kids Junior Naturalist Seminar exploring the ecosystems and habitats at Ironwoods Park. Spring is the perfect time of year to see the Park plants and animals re-emerge from their winter slumber. Each week will focus on a particular area including the woods, pond and streams, prairie habitats, green practices, renewable energy and preserving natural resources. A STEM program. One - 1.5 hour class.

Whiz Kids Environmental Science

These classes are designed to challenge gifted or high ability students in grades 6-12. Topics covered include soil and water chemistry, geology, and renewable energy. Participants will actively demonstrate environmental principles and concepts, and use them to determine conditions in the environment. STEM program. One - 1.5 hour class.

Whiz Kids Green Energy

These sessions are designed to challenge gifted or high ability students in grades 6-12. Participants will actively investigate current concepts in environmental issues and energy resources through practical lab experiments and models. Alternate energy sources and green energy industries will be emphasized. A STEM program. One - 1.5 hour class.

Programming Camp • Ages 8-16

Programming in Python
Learn the fundamentals of programming in the world’s most popular programming language. Students will learn programming concepts using the Python programming language, which last year became the most popular first language students learn world-wide. The class will cover the basics of programming and use Python to create programs to solve a variety of problems. Laptops will be provided but students are welcome to bring their own. Four - 3 hour classes.

Android App Development
Using MIT App Inventor, which is a Visual Drag-And-Drop online development tool similar to Scratch, students will learn to develop exciting apps for their Android phones. No previous experience is necessary. Laptops will be provided but students are welcome to bring their own. Four - 3 hour classes.

Programming in Scratch
Computer programming teaches problem solving, how to recognize simple and complex patterns, data analysis and how to develop algorithms. Students develop these skills by learning the Scratch programming language. They will develop games and interactive videos using Scratch. Laptops will be provided but students are welcome to bring their own. Four - 3 hour classes.

Game Development in Python
Students will apply their knowledge of Python to design and develop a popular Arcade style game. Students will be introduced the Python PyGame library and will utilize classes and Sprites to create their game. Four - 3 hour classes.

Web Page Development
Students will learn the fundamentals of Web Page development using HTML5 and CSS3. We will cover the concepts of design, coding and testing of Web Pages and will introduce the JavaScript programming language. Environment: HTML5/CSS3/Notepad++/ Laptop will provided but students may bring their own. Four - 3 hour classes.

Cyber Security
This class will explore the many threats that we face both at home and in the workplace. We will learn how to identify the various types of cyber attacks and develop strategies to defend and protect our most valuable resource: data. Four - 3 hour classes.
Developing Dancers

Developing Dancers 1  Ages 3.5-5 years

**Session 01 Thursday, March 12 | Session 05 Thursday, September 3**
6:00 to 7:30 pm, Oak Room • Min 8 Max 40

Best-selling, internationally published, Tai Chi Meditation author and 2009 Inductee to the Internal Arts Hall of Fame in New York, is offering a FREE Tai Chi Meditation presentation, to share tools to reduce stress, improve health, and life performance.

This FREE 1.5 hour introduction will give you tools you can use right away to manage stress and increase health and performance, and give an overview of the evening class teachings. Anyone can do this Tai Chi Meditation workshop and benefit from it. Harvard Health Publications wrote that the moving meditation of Tai Chi, should more aptly be called "medication" in motion, because of all the myriad health issues it can prevent or even help treat.

Modern research shows that Mind-Body practices like Tai Chi and Meditation can prevent or treat most of the common health issues we face, reduce anxiety, depression, lower high blood pressure, improve balance, help with rehab from injury and chronic illnesses. Tai Chi Meditation author, Bill Douglas, teaches mind-body techniques worldwide and for some of the world's largest corporations and medical centers. A DVD he produced has been provided to patients by physicians and neurologists all across America. See how his classes have changed people's lives, by reading "Reader Reviews" of his book and DVD on amazon.com, “The Complete Idiot's Guide to T’ai Chi & Qigong,” book, and his DVD “Anthology of T’ai Chi & Qigong: The Prescription for the Future.”

Bill has been a Tai Chi source for: The New York Times; Wall Street Journal; WebMD; BBC World Radio; Reader's Digest; China's Xinhua News Agency; The South China Morning Post; and media worldwide. He was commissioned by Prevention Magazine to create their Tai Chi Tutorial for their article on ‘boosting your immune system with Tai Chi.’ Bill's book was recommended by American Airlines American Way Inflight Magazine and he is the official Tai Chi Expert for famed naturopathic physician/author Dr. Andrew Weil's websites.

Tiny Tykes Soccer

Tiny Tykes is an EXCITING program that teaches basic soccer skills while focusing on motor skill development, balance, coordination, listening skills and teamwork of players ages 2-5 years.

Challenger's professional coaches will take your young player on a journey to an imaginary destination of dinosaurs, princesses, dragons, and more; through soccer, music, storytelling, and games. Join us for 6 weekly, 45 minute sessions, coached by our team of international soccer coaches. Each participant receives a FREE ball, jersey and shorts as part of the Tiny Tykes program package!

Challenger Soccer Camp

Challenger International Soccer Camp is the most popular soccer camp in the country based upon one of the most innovative approaches to coaching youth soccer in the US and Canada. Experienced International staff study the game at all levels and will help players improve their core techniques and become more confident on the ball. With programs for each age, the curriculum includes a variety of foot skills, technical drills, tactical practices, freestyle soccer, small-sided games and coached scrimmages.

World Cup style games are held each day where campers compete for their adopted country and are encouraged to learn about different customs and cultures, and our core values of respect, responsibility, integrity, sportsmanship and leadership.

Most camps will include a FREE soccer ball, t-shirt, and poster. Campers need to bring a water bottle and shin guards to camp each day. It is also recommended that campers wear sunscreen to camp. The Full Day camp will include a supervised Lunch but lunch is not provided.

### FALL SOCCER LEAGUE

**4 & 5 year olds through 8th Grade**  
Leawood City Park Soccer Fields

The Leawood Parks and Recreation Soccer league is a recreatonal league that stresses the development of individual skills with an emphasis on maximum participation and enjoyment of all players in a "non-competitive" atmosphere.

The league does not provide coaches and relies strongly upon dedicated parent volunteers to fill these positions. Individuals will be placed on teams according to school location whenever possible, with the goal of fostering teamwork and friendship for all involved. Games are played at the Leawood City Park and if necessary Tomahawk Park fields.

#### 7 vs 7  Ages 4 & 5 year olds - 4th Grade

We offer small sided soccer leagues for pre K (4 & 5 year olds) along with Kindergarten through 4th grade children. Teams will play with 7 children on the field, including a goalie, at a time for games.

Groups can be small enough to only have 1 game team or large enough to have 2 game teams that will split for matches. Team sizes should have a minimum of 9 and at least 18 players (for split game teams). Teams are single gender when possible, although some mixed teams are formed through 1st grade.

T-Ball & Coach Pitch Baseball

T-Ball - 4 to 6 years old • Coach Pitch - 6 to 8 years old

League Play Begins June 1st (7 weeks) • 5:30 - 8:30 pm
Games are played Monday, Tuesday, Wednesday, & Thursday evenings to free up those summer weekends!

The Leawood Parks & Recreation Department is pleased to offer another exciting summer of T-Ball and Coach Pitch Baseball. Our baseball program stresses individual skill development and game understanding in a relaxed and recreational atmosphere. Teams ideally consist of 12 to 16 players, with individual players being placed according to school location whenever possible.

The City does not provide coaches and relies upon dedicated volunteer parents to fill these positions (background check required). This program is a great transition into youth baseball, while fostering teamwork and friendship for all!

Fee Includes: Seven game season, t-shirt, cap, participation award, and all equipment excluding a baseball glove.

This is not about vampires and werewolves, although we cannot promise they won’t be discussed. The Prairie Oak Nature Center camp is for the "Tweens" in your home, who might benefit from an enjoyable summer break with NATURE!
Camp will begin at 5:30 pm and last until 9:30 pm. Projected activities include boating, fishing, hiking, and various nature programs. We’ll be covering topics like basic camping skills, fire building, first aid and safety, plant and animal identification, and cooking in the out-of-doors. Campfire meals will be provided. This is not an overnight camp. Pick one camp or register for both!
**Challenge Adventure Camp**

**Are your kids looking for new challenges?**
This is the camp kids return to year after year!

**New activities include rope ladders, and escape room game, and a mini disc golf course.**

Experience the Carolina T-Wall, Alpine Tower, Giant Swing, and for the 12-14 year olds, the areas only Caribbean Course. We offer a balance of climbing activities (knots, belaying, commands, and technique), teambuilding challenges, survival skills, some new fun games to play with friends, some brain teasers, and above all just plain fun! Five- 4 hour sessions.

The Ironwoods Challenge Course is a state-of-the-art team development and recreation facility located in the 115 acre Ironwoods Park, in south Leawood. The course is open for programs April through October. Programs range from two hour recreation climbs to day-long teambuilding activities.

Ironwoods Challenge Course is comprised of low and high elements. Low elements (Lows) are activities that take place on or low to the ground. High elements (Highs) consist of activities that occur at a height where harnesses, ropes, and other specialty equipment is needed. Recreation programs range from 2-hour to multiple-hour programs. Birthday parties, scouting events, organized sport teams and group rentals can all utilize one of the three 50-foot tall climbing structures. Trained facilitators will provide all necessary equipment and instruction for a fun, adventurous and safe climb.

The First Tee Program
Ironhorse Golf Club • 15400 Mission Road

From age 7 through 18, youth progress through levels by demonstrating The First Tee Nine Core Values, life and golf skills, and passing an assessment. All participants regardless of age start at the PLAYer level. The pinnacle of The First Tee is completing Ace.

PLAYer (required minimum age 7). Tee it up for the first time and learn the game of golf and The First Tee’s Code of Conduct.

Par (recommended minimum age 9). Focus on interpersonal and self-management skills on and off the course.

Birdie (recommended minimum age 11). Emphasis on setting goals and making them a reality.

When moving through the program, participants have a plethora of added benefits once reaching the Par Level (2nd level) and above. Our partnership with the Kansas City Golf Association and Youth on Course provide youth in the Par Level and above a free handicap index and membership to Youth On Course (a $40 value), included in their program registration, which allows participants to play over 20 golf courses in Kansas City and surrounding areas for just five dollars per round.

On a national level, local participants of The First Tee of Greater Kansas City have the option of applying for special opportunities to improve on their life skills and golf skills gained at The First Tee. Of the ten opportunities the one that stands out the most is the Pure Insurance Championship benefiting The First Tee, where participants have the chance to play the number 1 golf course in America, Pebble Beach and are paired with PGA Tour Champions players while being televised on the golf channel.

Remaining in The First Tee as a participant can serve very beneficial as participants look to higher education. Through a grant, on behalf of The First Tee of Greater Kansas City’s founder, the late Al Hoffman, high-schoolers have the opportunity to receive a college scholarship for excellent participation in TFTGKC. Overall, of participants in The First Tee 96% of teens in our program say their golf skills have improved and 90% of our alumni consider themselves lifelong golfers; and beyond golf 80% of teens and alumni say The First Tee helped them become a better student.

The First Tee - PLAYer Level
All participants must be at least 7 years old at the start of the first class. golfers at the PLAYer level will generally need to complete approximately 30 hours of instruction plus certification to advance to the Par level. PLAYers are exposed to the game of golf through purposeful play that helps them understand “what to do” before “how to do it”. Seven - 75 minute sessions.

The First Tee - Par Level
Golfers eligible for the PAR level must be at least 9 years of age by the start of their first class and will have completed 30 hours of instruction plus certification at the PLAYer level. PLAYers are exposed to the game of golf through purposeful play that helps them understand “what to do” before “how to do it”. Seven - 90 minute sessions.

The First Tee - Birdie Level
Golfers eligible for the BIRDIE level will be at least 12 years of age by the start of their first class and have completed approximately 18 hours of instruction and certification in the PAR level. BIRDIE level participants will focus on ‘purposeful practice/purposeful play/purposeful practice’, approach. This design sandwiches skill practice between an initial game that shows why a skill is needed and is followed by another game, which emphasizes the skill previously practiced. Seven - 90 minute sessions.

Ways you can help Prevent Stormwater Pollution

**Never** dump anything down a Stormsewer, they drain as untreated water to the nearest pond, stream or river.

Clean up spills immediately to prevent pollution from entering a storm drain. Use dry materials to soak up liquids. Sweep up dry materials. **Never** wash spills into the street with a hose.

Store & dispose of all household chemicals and products according to the manufacturers recommendations.

Place garbage in a watertight leak-proof container. Check the container periodically for damage or cracks.

Recycle used oils and grease, **Never** dump them onto the ground or in a stormsewer. One quart of oil will contaminate 250,000 gallons of water or about 2 acres of surface water.

Apply lawn chemicals at the **Minimum** application rate so as to avoid runoff from polluting nearby ponds & streams.

**Never** blow lawn clippings or leaves into the street or leave them on impervious areas. Pick up and dispose of yard waste properly.

Wash cars on grass or in a commercial car wash. Wash water is very harmful to aquatic life.

Questions? Contact the Public Works Department we will be glad to assist you.

THE LEAWOOD FOUNDATION

The Leawood Foundation provides resources for: Beautification of our Parks, Community Education, Historic Preservation, and Accessibility/Safety

OUR MISSION

The Leawood Foundation funds cultural and educational amenities in our community that might not otherwise be funded with tax dollars.

LEAWOOD TRAIL PERMANENT RESTROOMS

For many years, Leawood’s citizens have frequently used the Leawood trails for exercise that exposes us to the beauty of nature in all seasons. For that reason, we will build permanent restrooms along the Tomahawk Creek Trail:

• His and Her seasonably heated and cooled restrooms at the intersection of the North Lake and parking lot.

"LEAWOOF" DOG PARK

Plans are underway to further enhance Leawoof Dog Park with the replacement of the heavily used Agility Course with more substantial amenities. Enjoy an improved way for your dog(s) to play!

Members of the Board include: Alice Hawk-Chair, Susie Rawlings-Secretary, Mike Best-Treasurer, Renny Arensberg, Michelle DeHaemers, Marc Elkins, Ken Selzer, Susanne Teel, and Many Ann Waldenmeyer.

2020 SCHOOLHOUSE HOURS
The Historic Oxford Schoolhouse is open to the public free of charge during open hours.

MAR-MAY
Sat | 11:00 am - 2:00 pm
Closed Mondays & July 4th

JUNE-AUGUST
Tues-Sat | 10:00 am - 3:00 pm
Sun | 1:00 - 3:00 pm

The Oxford School is one of the oldest schools in the state of Kansas. It opened in 1877 and continued to operate as a school until 1955. The one-room school was moved from its original location at 135th and Mission Road in March 2003 to its present location in Ironwoods Park. Great care was taken to restore the building to its original beauty with historic accuracy.

Oxford School Programs
For groups of all ages by appointment – year-round. Schedule a fun and educational program for any age group, any day of the week except during events or open house hours. Presentations can be tailored to meet your group’s interests. Programs and special events are conducted by costumed docents. Programs must be requested at least 3 weeks in advance.

- Adult groups learn about the school’s restoration and hear about life in a rural one-room school house around the turn of the century. Share your experiences of one-room school life or reminisce about the “good old days”. Cost is $2 per person.

- Youth groups can book a program for after school and weekends if the schedule permits. This living history experience can include discussions on life a century ago and can involve making a craft or playing old-time games. Cost is $3 per child.

Oxford Educational Field Trips
2nd thru 6th Grade Classes can participate in a living history day of classes in 1909. Experience a fun and educational day in a rural one-room schoolhouse. The Oxford experience begins at 9:30 am and lasts until 2:00 pm (30 minutes shorter for 2nd and 3rd grades). This classroom program includes using old fashioned slates for arithmetic lessons, reading from McGuffey’s readers and a spelling bee. A midday lunch break includes a recess with structured historic games. Each student provides their own lunch. Each day is tailored to meet the needs of your individual class. The cost per student is $4.50. Field trips must be requested at least 3 weeks in advance. The school can accommodate a maximum of 30 students plus 4 free adult chaperones.

Special Events & Workshops
Special events and workshops are offered throughout the year.

Historic Oxford Schoolhouse programs are coordinated through the Leawood Parks and Recreation Department and the Leawood Historic Commission.

For updated information on special events, visit the City of Leawood website at www.leawood.org.

Celebrate Your Birthday
at Ironwoods Park!
BROOK BEATTY PARK  86th Terr & Lee Blvd • 66206
This neighborhood park is located at 86th Terrace & Lee Boulevard. Just under an acre in size, the park features one of the city's earliest pieces of public art - “Faith”. The park includes a playground, picnic table, benches, water fountain/dog bowl and bike rack. The park was named for the City's first fire chief Brook Beatty.

GEZER PARK  13251 Mission Rd • 66224
This 10 acre park is located at 133rd and Mission Road and includes a walking trail, public art, two shelters, a restroom, playground, Havdalah garden, ceremonial fire pit, and other amenities. Gezer Park is dedicated to Leawood's sister city relationship with the Gezer Region of Israel. This park contains two pieces of public art: “Stones and Steps” and “Harvest Tablet”.

GREENWAY PARK
Leawood City Park and Tomahawk Park are connected by the Tomahawk Creek greenway, a five and one-half mile, eight to ten foot wide asphalt path, which meanders along Tomahawk and Indian Creeks, offering the opportunity to view wildlife, birds, public art, and the natural environment. Walking, jogging, bicycling, and roller blading are all acceptable on the greenway. Trail speed limit is 10 mph. **No motorized vehicles or organized run/cycle events are allowed on any Leawood trail except by permit at Ironwoods Park.**

I-LAN PARK  12601 Nall • 66209
This 10 acre park is located at 126th Street and Nall Avenue and includes: one shelter pavilion with restrooms, one additional shelter with a grill, a trail that connects to the Leawood trail system on the east and the Overland Park trail to the west, an open play space, a playground and a beautiful Taiwanese garden and pagoda. I-lan Park is dedicated to Leawood's sister city relationship with I-Lan, Taiwan. The park is home to one piece of public art: “Cloud Gate”.

IRONWOODS PARK  14701 Mission Rd • 66224
This 115 acre park is located at 147th Street and Mission Road and includes: the Prairie Oak Nature Center, The Lodge at Ironwoods, the Oxford School House, Camp Ironwoods (four rental cabins available to individuals or organized groups), Ironwoods Challenge Course (perfect for adventure and team building exercises), and the Ironwoods Amphitheater. Also located within the park is a playground, a shelter, a 1-acre lake, two open playing fields, and 2.0 miles of bike/hike trails. The Lodge at Ironwoods can accommodate 300 people for dinner or up to 500 people for meetings and includes audio visual amenities and a full commercial kitchen. Ironwoods Park is a state-of-the-art green space offering a wide range of services and programs. The park hosts three pieces of public art: “Prairie Lessons”, “Point Defiance” and “My Mind”.

LEAWOOD CITY PARK  10601 Lee Blvd • 66206
This 66 acre park consists of eleven soccer fields, six lighted tennis courts, three basketball goals, two baseball fields, two sand volleyball courts, one all-inclusive playground, one half-mile loop jogging trail, and serves as the trail head for a 2.5 mile path along the Tomahawk Greenway Trail, or the shorter 1.5 mile loop on the Indian Creek Greenway Trail. Also included is the LEAWOOF Dog Park located at the east end of the park and over the bridge. LEAWOOF is open from sunrise to sunset and closed on Thursday mornings from 6-10 am for maintenance. **Note: The City may elect to close the area during extremely wet conditions, following flooding or other acts of nature.**

The Leawood Aquatic Center is located in Leawood City Park. Traditional dates of operation are, the Saturday of Memorial Day weekend through Labor Day. The park also hosts a multitude of fun and games during the Fourth of July Celebration, Summer Camp Programs, Soccer Camps, and other special events. Three pieces of public art: “Lllooppii”, “For the Goal”, and “Run Red Run” are also in this venue.

TOMAHAWK PARK  119th St. & Mission Rd • 66209
Tomahawk Park is located on 119th street, between Mission and Tomahawk Creek Parkway and is just under 4 acres in size. The park includes a shelter, playground, and baseball field adjacent to open play space and the Tomahawk Trail.

FISHING AND LICENSES
There are three lakes located along the Tomahawk Creek Parkway and one lake at Ironwoods Park. The Kansas Department of Wildlife and Parks stock each lake every month from April through September with channel catfish. Swimming and ice skating are not permitted on the lakes. To fish at the Leawood Lakes, you must have a valid state of Kansas fishing license. No city license is required.

The City of Leawood continues to grow the Public Art Collection through the Art in Public Places Initiative. After adding a shimmering blue kinetic piece “Skywriting I” by artist John King last fall, the Leawood Arts Council and the Art in Public Places Initiative is working diligently to install two new pieces this spring and early summer.

In spring, “Women of the World” (1998) by Kwan Wu will be installed at the entrance to the Justice Center. The bronze and steel sculpture includes a globe held by two large hands. Profiles of famous female figures are imprinted throughout the continents on the globe. Kwan Wu is an international artist who lives and works in the Kansas City Metro. Additionally, “Inspiration” (1987) by Rita Blitt will also be installed in early summer at the southeast corner of Tomahawk Creek Parkway and College Blvd. This dancing abstract figure is made of carbon steel and will be painted in the artist’s favorite color, safety yellow. Blitt describes her work as a celebration of love of life, nature, music and dance. Her works can be found across collections thought the nation and many in the Kansas City Metro. Blitt resides part of the year in Leawood. Look for more information to come on the city’s website for installation and dedication information.

Do you have a budding artist in your home? Don’t miss our new Art Camps in the Community Center on the lower level of City Hall this summer! We offer a variety of fun, artistic themed camps for children ages 4-8. Camps are half-day for a full week and all materials are provided. Campers will have messy fun as they explore the creative process and experiment with various art materials. Each camp concludes with an art show for family and friends.

We hope you enjoy the many cultural art offerings the City of Leawood provides whether it’s enjoying public art while you are out for a walk or attending a theatre production. This spring and summer you won’t want to miss performances by the Leawood Stage Company, summer concerts for children and adults, Schoolhouse Tales for children, and more!

If you are interested in becoming more involved in Leawood Cultural Arts programs or to volunteer, please contact Holly York at hyork@leawood.org. Thank you for letting Cultural Arts be a part of your life and we hope to see you soon!
Waiver & Consent Statement
I understand that, by participating in these activities, I, my child, or my dependent, accept the risk that injuries, damages, or even death may occur. In consideration of me, or my child or dependent, being allowed to participate in the City of Leawood Parks & Recreation Department programs, I on my behalf and on behalf of my child or dependent, forever release and hold harmless for myself, my heirs, executors, administrators, or assigns, the City of Leawood, Kansas and any of its employees, agents, and representatives, from any and all claims, demands, and causes of action arising out of any injuries, damages, or death caused to, or emergency medical treatment provided to me, my child, or my dependent from my or his/her participation in any said program. I give my permission for me, my child, or my dependent to receive emergency medical treatment when the City of Leawood staff deems it necessary. As a participant, I understand that my photo(s) may be used for marketing of future programs.

I have read and understand the registration, cancellation, transfer, refund policies and waiver statements.

Reasonable Accommodations
Leawood Parks & Recreation Department is committed to making reasonable accommodations as required by the Americans With Disabilities Act. Please describe any accommodations needed for the enjoyment of this program(s):

Late Registration
Registrations may be accepted after a program begins, provided the maximum enrollment has not been met. However, program fees will not be pro-rated. Late fees may be applicable to soccer leagues, t-ball and coach pitch baseball.

Administrative Fee
A $5.00 administrative fee will be charged for each registration change or transfer.

Cancellation Policy
LPRD reserves the right to cancel a class. If the program minimum has not been met prior to two business days before the first class meeting, the program will be cancelled. If the participant wishes to withdraw from a class, he or she must do so no less than ten business days prior to the first class to receive a full refund. Cancellation fees will not be charged if the class is cancelled by the Leawood Parks and Recreation Department.

Refund Policies
Full refunds, excluding $5.00 cancellation fee (for each registration/program/class) will be granted provided notification of cancellation is received ten business days prior to the start of class. NO REFUND will be issued after that time. Does not include facility rentals, and swim/dive team. In the event a medical emergency or illness should arise mid-session, a pro-rated refund will be issued provided a doctor's note is received within two weeks of the first missed class. Also provided that 1/3 of the program has not expired.

Returned Check Fee
The City of Leawood will assess a service charge of $30.00 for every check returned for insufficient funds.

Reasonable Accommodations
Leawood Parks and Recreation Department is committed to making reasonable accommodations as required by the Americans With Disabilities Act. Please notify the staff at registration if you or your child have any medical conditions or mental/physical disabilities so that LPRD can try to accommodate your needs. Seven days advance notice is required.
