RE: Interact Meeting (Monday, August 10, 2020 at 6:00 p.m. via zoom meeting)

Project Name and Location: Leawood 135 Project located at the southwest Corner of 135th and Kenneth Road (See attached legal description) / NC #04-20 (Revised Preliminary Plan and Revised Preliminary Plat)

Dear Property Owner,

We have confirmed that you own property within 500 feet or are a registered Homes Association within 1,500 feet of the above referenced property. This property is generally located at the southwest corner of 135th Street and Kenneth Road, Leawood, Kansas. As you may recall, the City Council previously approved a Preliminary Development Plan and Preliminary Plat for the subject property on December 3, 2018. With this application, the project will still consist of approximately 56 acres for the development of a mixed-use project with the following components:

- 36 Buildings containing 81 villa units located south of 137th Street. There are no changes proposed to this portion of the approved plan.

- 15 Buildings containing 60 townhome units located north of 137th Street. The townhome units will replace the previous plan showing 18 buildings containing 36 villa units and the cul-de-sac street serving these homes will be a private drive.

- MXD west of High Drive: Total of 3 buildings (all 5-story) with a mixture of uses including 183 multi-family units, 15,000 sq. ft. of retail space, and 10,000 sq. ft. of office space. This replaces the previous approved plans showing a total of 4 buildings on this site, with 182 units and building heights being both 4 and 5 stories tall. The amount of retail and office use has not changed.

- MXD east of High Drive: Total of 4 buildings with a mixture of uses including 84 assisted living units, 26,000 sq. ft. of retail use, and 72,000 sq. ft. of office use. The buildings are 2-stories in height. There are no changes proposed for this portion of the approved plan.
In conformance with the City of Leawood’s Interact Program, you are invited to an Interact meeting to provide you, as a nearby property owner, an opportunity to learn about the project and to discuss any issues or concerns that you may have. Prior to a public hearing before the Planning Commission, a summary of the meeting will be filed with the City of Leawood Planning Department.
